

Thank you 3901

Chapter 3901: Wen Yuan, you are my wife (3)

ye mu bai stood there and smoked until wen yuan came out.

wen yuan came out in a set of white sportswear that he usually wore. the clothes were naturally a little too big, and the trouser legs and sleeves were rolled up a few times. her hair was tied up, and she looked extraordinarily beautiful.

ye mu bai looked at her silently and thought that she had indeed taken good care of herself over the past few years. a woman in her thirties still looked like a young lady in her mid-twenties. moreover, she looked very delicate ...

In a man's heart, Wen Yuan was probably like a lovely wife!

kang qiao was the same.

He was also a successful man, but everyone wanted to have a wife like Wen Yuan at home, beautiful and dignified.

...

ye mu bai looked at wen yuan quietly. when she got closer, he said, " "Let's go!"

wen yuan picked up his handbag and looked at the bag that he had tidied up. he picked it up and followed behind him silently.

Ye mu Bai had his coat on his arm as he walked in front of Wen Yuan. Secretary he was standing at the door and smiled when he saw them walking out together. " good night, president ye, madam. "

Ye mu Bai paused for a moment, but he did not say anything. He just walked forward.

wen yuan felt a little uncomfortable in his clothes. he nodded at secretary he and left in a hurry.

Secretary he closed the door and she peeked into the house. Although it was tidied up, the strong smell of evil eyes could not be gone.

So, she smiled. President ye and Madam were so loving!

Although President ye's expression was still very dark when he left, he was very passionate when he did it. By now, the news had spread all over Starlight.

Ye mu Bai was walking very quickly. Wen Yuan was having a hard time following him, but she held back and did not call out to him.

when they reached the elevator, ye mu bai suddenly stopped in his tracks. wen yuan accidentally bumped into his shoulder and almost fell.

ye mu bai held her shoulder with one hand and looked at her coldly. then, his eyes met with a girl at the electric ladder. the girl called president ye in a low voice and looked rather pitiful.

however, wen yuan could tell that it was the face that had undergone plastic surgery from before. she thought to herself that this young lady was really amazing now. this young lady was wearing a little dress that revealed half of her shoulders and back. did she want president ye to have tender feelings for her, or did she want him to have tender feelings for her?

Wen Yuan stood silently at the side, acting as an Invisible Man.

In any case, ye mu Bai was angry with her now and did not intend to pay attention to her.

however, he still held her by his side and looked at the girl without any warmth in his eyes.

the girl walked out of the darkness and slowly raised her head. her eyes were watery and her voice was very soft. I'm sorry, President ye. I promise that Hanhan won't do it again.

Ye mu Bai furrowed his brows slightly."can you get your face back? can you do subtle expressions? Tell Xu Mo to make arrangements not to come to this floor in the future."

Perhaps this girl used to have a bright future, but it was impossible for her to become a good actress after plastic surgery. He had signed her because her face was recognizable, but now, other than her European double eyelids and her thin nose, he didn't think she had any other impressive features.

In other words, in his heart, she had been given up on. Even if the movie had to be remade, the audience would not change their minds ...

the girl's face was pale, just like the female lead in a Korean drama. her voice was very, very soft. "president ye, please give me another chance. i really need money."

Chapter 3902: Wen Yuan, you are my wife (4)

Ye mu Bai pressed the elevator button and ignored the girl. When the girl saw that he had a heart of stone, she turned around and looked at Wen Yuan. Mrs. Ye, please tell President ye that I really need this job opportunity.

wen yuan was about to say that she did not ask about ye mu bai's work when ye mu bai's expression changed and he called secretary he over.

"Take care of it. Don't let her come to this floor in the future." his voice was a little unreasonable, then he continued, "let xu mo handle it. if she can't handle it well, she can quit her manager position."

Secretary he nodded and watched ye mu Bai and Wen Yuan enter the elevator.

The girl was still crying. Secretary he handed her a piece of tissue and said in a serious tone, "as a person, you have to face reality. you've also seen how much president ye cares about his wife. are you here with this face to slap president ye's face or to let the couple take advantage of the discord? look at manager xu, president ye is so close to her. what right does she have to be so close to president ye to gain his trust? That's because she didn't have any ideas about the boss and she had a good relationship with Mrs. Ye! This is what you call smart! Little girl, please listen to your sister he's advice and give up on this idea. Go to Korea and fix it up. No matter what it looks like, you can still come back to the company and make a living. I beg Xu Mo to arrange it for you. Maybe you can even act in some idol drama or something in the future,"

the girl bit her lip and tears fell. ” but I’ve had plastic surgery like this. Mr. Ye looked at me more than once.

...

Secretary he sighed again. even if you put on that person’s skin, it’s not right. Besides, that person’s position in President ye’s heart may not be as high as Wen Yuan’s. Didn’t you see just now? they’re a loving couple. Don’t play with fire. In the end, you’ll only ruin yourself.

Secretary he had already said what he wanted to say. It was up to her whether she wanted to listen or not.

In the elevator, ye mu Bai and Wen Yuan stood side by side. They did not speak until the elevator reached the ground floor parking lot. Then, she said in a low voice that she had driven here and wanted to drive herself.

“Take my car.” He threw out a few words, which were full of command.

Wen Yuan paused for a moment but still got into his car. He sat beside him and slowly fastened his seat belt.

ye mu bai took off his coat and threw it to the back seat. after fastening his seat belt, he looked at her. ” “is there anything you want to ask?”

“Ask what?” Wen Yuan was stunned.

His gaze lingered on her face for a few seconds, then he started the car without saying anything.

It was already seven o’clock at night.

it took wen yuan a while to remember that he had promised xiang nan to have dinner with them that night. he would probably arrive at eight o’clock by car from now on. she hurriedly took out her cell phone and looked at it. there were a total of eight missed calls, all from the villa. her face was a little hot as she thought about how they were having dinner in the office while xiang nan was waiting for them.

“I’m going to make a call back. Nan is getting anxious from all the waiting,” she said in a soft voice.

ye mu bai turned his head to look at her. he did not say anything and turned off the music in the car.

wen yuan bit his lip after making the call. he was really a little embarrassed. when the call went through, she told xiangnan in a gentle voice to let him eat first. her parents would be home at about eight o’clock.

“then i’ll wait for mom and dad to come back,” xiangnan replied without thinking.

“If you’re hungry, eat first. Be good!” Wen Yuan had always been gentle to the child. He also had a faint and relaxed smile on his face because he was chatting with his son.

Chapter 3903: wen yuan, you are my wife (5)

ye mu bai stopped the car at the red light and turned to look at her.

wen yuan sensed his gaze. he looked at him and quickly turned his head away. the smile on his face became more restrained.

Ye mu Bai started the car again expressionlessly. He listened as she continued to talk to her son for a few minutes before hanging up.

then, she carefully said to him, ” do you want Nan to eat with us? he said he’s had some fruit.

He focused on driving and did not answer her at first.

Wen Yuan’s face was a little hot. He felt that his hot face was stuck to his cold P * ss. However, she was in the wrong today after all, so she kept quiet.

...

At this moment, he spoke up instead. Looking at the condition of the car in front of him, he said absent-mindedly, " "wen yuan, do you need to please me even when it comes to eating with your son? "

she was a little surprised.

" you should be angry if i force you, " he continued. " what's wrong? you don't even have the courage to be angry after doing something wrong? "

wen yuan was really angry. she bit her lip and glared at him.

He didn't say anything else and focused on driving.

His side profile was extremely handsome and his age was also the most attractive time for a man. Wen Yuan had been thinking about that young lady who had undergone plastic surgery not only because he wanted to be promoted but also because he was attracted to ye mu Bai's appearance!

Wen Yuan thought to himself that it was normal for a man like him to be admired by young girls.

wasn't she the same in the past? however, she liked the artistic ye mu bai and had nothing to do with him now.

As her thoughts ran wild, the car drove into the villa where they lived. The car stopped and Wen Yuan got out of the car. He was about to enter the living room when she suddenly took something out of the car and said, " I'm going out for a while.

ye mu bai looked at the bag in her hand. she was running toward the door, so he knew that she did not want the servants to see her torn clothes. he did not stop her and waited for her at the same spot while he smoked a cigarette.

Wen Yuan ran out, threw the bag into the trash can outside the door, and ran back. He looked at her with a mocking smile and entered the hall without saying anything.

Xiang Nan had already pounced on ye mu Bai and called him 'daddy'. Ye mu Bai carried her up.

xiang nan put her arms around his neck and kissed him. "daddy, i got two more little red flowers today."

"our xiang nan is great." he praised his son and also kissed xiang nan. then, he carried his son to the dining room. xiang nan, on the other hand, leaned on his shoulder and winked at his mother."mom, you've become uglier."

Nan Wuxin's words had attracted the attention of the servants in the family.

That's right, Madam was clearly very beautiful when she went out, but why did she come back dressed like this? and she even looked a little familiar. With another look, wasn't this Sir's clothes?

The aunties at home were all old people, and people who had experience would understand after thinking about it.

each and every one of them had a red face.

Seriously, it's still broad daylight, but Sir is really concerned about Madam. Which couple would be so loving even when they have two children?

Wen Yuan's face was burning hot after the embarrassment. He explained, "mom's clothes spilled coffee."

thinking of nan xiao, she believed him with an 'oh', but the older servants at home were not easy to fool. they were all sure that the clothes must have been torn by sir.

Wen Yuan was thin-skinned and coughed lightly. "i'll go upstairs and change my clothes."

She quickly went upstairs. Her face was frighteningly hot. She thought that she should buy a similar set of clothes on the way. She changed her clothes while thinking.

Chapter 3904: Wen Yuan, you are my wife (6)

After she changed, she turned around and saw ye mu Bai standing behind her.

his voice was calm. ” it’s normal for couples to do it during the day. you don’t have to make a fuss about it. the servants in the house are all old people. there’s nothing strange about it. ”

“this is what you think,” wen yuan said softly as he walked past him.

“What about you? what do you think?” He reached out to grab her and pulled her over in a strong and slightly barbaric manner. His voice was dangerous.”you want everyone to think that we’re only in name, that we’re just chit-chatting and doing nothing every day? you want kang qiao to think that you’re still pure after being married for a few years?”

“i didn’t think that way!” She blurted out and then turned her face away tiredly. ” ye mu bai, don’t go too far. i lied with good intentions. don’t keep harping on it. you’ve already done it. what else do you want? do you want to keep talking to me in such a weird way? ”

“eccentric?” He chewed on her words and sneered, ” Wen Yuan, what you said is really unique. What, you can’t stand talking to me? do you think I’m cheap? do you feel particularly happy talking to Kang Qiao about art? so happy that you’re lying to me? ”

...

“You’re unreasonable.” Wen Yuan struggled to break free from him. if you want to fight, do as you please. I don’t want to fight with you.

she walked towards the door, and he said softly behind her, ” Wen Yuan, actually, you can’t even be bothered to fight with me. In your heart, this marriage is just a compromise. You have never thought of falling in love with me again. To you, I’m just Nan and ye Hui’s father who you miss. I’m just a man who sleeps with you every night to satisfy you. Actually, I’m nothing.

Her body stiffened, and she turned around to stand straight with her back against the door. She asked very, very softly, ” “What are you trying to say? Ye mu Bai, are you mistaken? you’re the one who has to do it every night. What do you mean by satisfying me? are you trying to satisfy me with that perverted method you used today?”

he stood under the crystal lamp in the changing room. his handsome face was charming, which every woman would want to marry. however, at this moment, he was extremely detestable in wen yuan's eyes.

Two years ago, he was the one who said that this was good. He was the one who said that he loved her.

Was it wrong for her to not love him? was it a sin?

or did he regret it and felt that he didn't get what he wanted, so he wanted to fall out with her? her lying was just a fuse.

Wen Yuan laughed. ye mu Bai, if you're not satisfied with this marriage, you can try to persuade me.

before she could finish, he sternly stopped her. "Wen Yuan!"

then, he stared at her in horror and walked toward her step by step. he placed his hands on the door above her and trapped her with his whole body. he looked down into her eyes and said, "wen yuan, don't even think about it!"

she closed her eyes and turned her face to the side."Ye mu Bai, I don't know how to communicate with you."

He looked at her and said in a low voice, "Xiangnan is waiting for us downstairs for dinner. Go wash your face and calm down. Don't let xiangnan think that mom and dad are fighting."

His fingers gently caressed her face. "What?"

with that, he let go of her, moved her to the side, opened the door and went out. after he left, wen yuan suddenly covered his face.

She wasn't the only one who was enduring this marriage. He must have been suppressing it too!

She didn't understand why he didn't consider it if that was the case. They could have discussed it.

Chapter 3905: say you love me (1)

However, his attitude made her understand that she could not mention it, or he might not let her see the child.

The current ye mu Bai was no longer the ye mu Bai of the past. He would use the cruelty and ruthlessness of the business world on her when necessary.

It was not that Wen Yuan was not afraid. She was actually like a frog being boiled in warm water by ye mu Bai until now. He knew all too well that the two children had become her weakness.

she splashed water on her face in the bathroom and took a long time to calm down before going downstairs.

Downstairs, Xiang Nan was hugging ye mu Bai in a clingy manner.

As a father, he was also very indulgent and allowed his son to hold her. He had always been stricter with xiangnan than ye Hui. He always felt that he should be stricter with boys.

...

Wen Yuan walked down the stairs and sat quietly beside him. He looked at her and asked, "mom, did you cry?"

wen yuan was stunned for a moment before he smiled. "No, my eyes hurt a little."

little xiang nan's heart ached for his mother. he leaned over and said, "mommy, let me blow on it for you."

Wen Yuan's heart felt warm. It was an indescribable feeling. The breeze from the South felt like a warm breeze. It was especially comfortable and warm.

she reached out and patted her son's head. "we think nan is a little warm man."

Xiang Nan's little face was a little red, and then she asked herself to sit down and eat.

wen yuan smiled and reached out to stroke his little head.

xiang nan lowered her head and ate her food obediently. she looked at him tenderly until tears welled up in her eyes before she blinked. however, when she finally managed to control herself, she saw ye mu bai's gaze.

his gaze was complicated. she didn't understand, didn't want to understand, and didn't dare to understand, so she lowered her eyes.

he just kept staring at her without saying anything.

it was already late after dinner. wen yuan accompanied xiangnan to read for a while. before going to bed, xiangnan lay on the pillow and asked softly, "Mom, did you and dad have a fight?"

Wen Yuan was stunned for a moment before he forced a smile. "Why are you asking that? your father and I are quite good."

xiang nan's little face was deep in thought, and then he looked at her. "really?"

"Don't let your imagination run wild. Of course it's true." wen yuan kissed his forehead. "that's enough. be good. go to sleep!"

Xiang Nan closed his eyes obediently. Wen Yuan looked at his little face for a while. Xiang Nan opened his eyes secretly again. Wen Yuan smiled and asked, "what now?"

She hesitated for a moment before saying, "There's a kid in our class whose parents got a divorce, Yingluo."

wen yuan was stunned.

Did her relationship with ye mu Bai make Xiang Nan feel so insecure? she didn't know what to say to xiangnan, so she just smiled and said, "then they must not be able to live together anymore, so they separated. Xiangnan, the world of adults is very complicated.

"Mom, will there be a day when you and dad can't live together?" Xiang Nan asked.

"I won't," wen yuan kissed his son and said, "because daddy and mommy miss nan and ye hui." you're all mommy's babies."

Xiang Nan stared into her eyes and slowly asked, "What about your father? does mommy love Daddy? I heard from the other kids that their parents love each other very much."

wen yuan's head ached. were all the children in class nan so mature?

In order to make him feel at ease, she had to coax him, " "of course mommy loves daddy."

ye xiangnan walked around and finally got the answer he wanted, so he went to sleep with satisfaction.

Chapter 3906: Say You Love Me (2)

Wen Yuan sat for a while more and covered Xiang Nan with the blanket. When she left the room, she saw ye mu Bai at the door. He was standing by the door and she had no idea how long he had been standing there.

Wen Yuan did not know how much he had heard. He only said in a low voice, " "I missed Nan and went to sleep."

She wanted to leave, but he said softly behind her, " "wen yuan, you're lying again!"

She knew what he was referring to, but she didn't want to talk to him and walked faster.

However, he did not let her go. He caught up to her and grabbed her wrist. don't you have anything to say to me? ”

Wen Yuan was really angry. She had been tortured by him until now because she had told a white lie.

...

ye mu Bai, I'm very tired. Can you let me rest? ” She couldn't take it anymore.

“You're not tired talking to Kang Qiao, are you?” he stared at her.

“can you stop nitpicking?” She closed her eyes. ye mu Bai, do you really have to argue with me? or are you too free? if you're too free, go and find those women who are trying to please you. You can do whatever you want to the woman in your company who has Lin sisi's body. I think she will cooperate.

After she finished speaking, she felt a little regretful, but she was really exhausted by him time and time again.

Ye mu Bai's cold gaze landed on her face. After a long time, Wen Yuan opened his eyes and met his gaze.

he leaned over to her face and said in a low and hoarse voice, ” “Wen Yuan, you're heartless!”

“you're the one who can't forget the past, not me.” because you can't forget that thing, kang qiao became cute in your heart, and i will always be the man who betrayed you, and i will always abandon you, right?”

She was speechless for a moment.

she even remembered bai suili's words, saying that ye mu bai should go to the psychology or biology department. she thought that perhaps he had been tied up for a long time, so he had some physiological problems.

wen yuan's thoughts were in a mess. she was also surprised that she could remain so calm at this time.

perhaps they knew that the peace between them for the past two years would erupt sooner or later. they were prepared for this day.

He vented his dissatisfaction to his heart's content, while she was a little numb.

"let's all calm down," she said softly after a long while,"or else nan will ask me if i love you again."

"is it strange?" He gave her a strange smile and asked her the same question, " "Wen Yuan, do you love me?"

In the long corridor, she stood face to face with him. They were very close, but they seemed very strange.

She was even stingy with the word 'love'.

After a long time, her lips moved. ye mu, Bai Qingqing.

"Say no more." "i'll sleep in the guest room tonight," he said while holding his forehead.

After saying that, he walked straight to the other end of the aisle, while Wen Yuan was still standing there.

She suddenly smiled.

she lied to him, and he didn't even dare to listen to her lies, yingluo.

she went back to the master bedroom to take a bath. she lay in the luxurious bathtub and looked up at the square mirror.

In the mirror, she was covered in bruises that he had left behind this afternoon. Now, he said that he wanted to sleep in separate rooms.

Fine, let's go separate rooms. He just happened to say that he was here to satisfy her. Since when did she, Wen Yuan, degenerate to the point where she needed him as a tool to vent her desires? was this how he thought of her?

she thought indifferently and got up. in front of the mirror, she was still surprised by the marks on her body. he left them on purpose, right? she thought back and felt that he had been doing this to her on purpose for the past few days.

Chapter 3907: Say You Love Me (3)

Wen Yuan wiped himself clean and walked back to the dressing table in his bedroom quietly. He sat down and applied the skincare products bit by bit.

she looked at herself in the mirror. she looked at her young face and thought about the love that ye mu bai had mentioned.

He had asked her if she loved him. Wen Yuan did not know, but she knew that he did not love her.

He only loved what he imagined.

the wen yuan now was not wen yuan at all. it was just like how she was at home when she was still unmarried. she was asked to be gentle and virtuous, and she was raised at home to be a suitable wife.

Just like what she was doing now.

...

Wen Yuan looked at himself in the mirror. He felt a little unfamiliar. Perhaps such a life was already very blissful for a woman. However, this was not what Wen Yuan wanted.

Ye mu Bai was successful and famous, and she was just an accessory to him. She did not like to go out with him because when people introduced her, they would say that she was Mrs. Ye and not Wen Yuan.

she hated it when people always called her mrs. ye. in her heart, she didn't want to admit that she was his if she was not loved.

In the past, Wen Yuan might have said these words to her, but she would not do so now.

Marriage was like dead water, and she was just used to it.

But he had never given up.

wen yuan had changed into a set of moon-white pajamas and was lying on the bed. it was late at night, but he felt very comfortable alone.

she couldn't fall asleep, so she picked up her tablet and chose a romance film to watch. when she was choosing the film, she saw the film that ye mu bai had filmed in the past.

She didn't know why, but she chose one of his films. It was also the first film she had produced when she was madly in love with him. It had been more than ten years since then.

when wen yuan was driving, he had mixed feelings. she looked at ye mu bai from more than ten years ago and felt as if she was looking at another wen yuan. the wen yuan who was full of passion, who had endless possibilities, and who was crazy about love.

The ye mu Bai from more than ten years ago was very artistic, completely different from the ye mu Bai now.

Wen Yuan realized that his heart was still thumping. He had an indescribable feeling. The flat blue light shone on her face and flickered.

she leaned against the head of the bed. it was very soft. she stared at ye mu bai in the picture and reminisced. she reminisced about those loving years.

she watched it a few times and fell asleep. the blue light on the tablet was flashing.

late at night.

ye mu bai stood in front of the floor-to-ceiling window of the guest room and quietly smoked.

He recalled the unfamiliarity and avoidance on her face when he asked Wen Yuan if he loved him. Not only did she not love him, but she also did not want to love him. His gaze darkened as he looked at the bed. He lay down without taking a shower and finished the cigarette between his fingers.

When she closed her eyes, a familiar low-spirited smell floated in her nose. It was the smell left behind after she had sex with Wen Yuan several times in the afternoon. It had not completely dissipated.

This kind of aura made him a little restless, and he couldn't fall asleep at all.

ye mu bai lay there for a long time. when he thought of that hateful woman, he wondered why he had to sleep in separate rooms and why he had let her off.

He got up quietly and went back to the master bedroom.

the light in the master bedroom was off, but there was a faint blue light. he walked closer and saw that the tablet beside her was playing a movie.

He reached out to take it, and then saw that it was a video of his past.

ye mu bai was a little surprised. he raised his eyebrows and looked at wen yuan.

She leaned against the head of the bed and fell asleep. She was wearing silk pajamas, and her long, curly black hair fell on her shoulders. Her face was calm, and she looked very peaceful and beautiful.

Chapter 3908: 1200 words to Say You Love Me

Ye mu Bai looked at it quietly for a while before turning off the tablet.

Then, he began to unbutton his shirt.

when wen yuan woke up, his hands were tied with a tie and tied to the round pillar at the head of the bed.

she was shocked and struggled to break free. she looked at the man on top of her. “Ye mu Bai, what are you doing?”

“You’re awake?” his voice was scarily hoarse as he bit her neck.

Wen Yuan’s face turned to the side.

...

she didn’t know where he learned such a perverted way of doing things. he had never treated her like this in the past.

She closed her eyes. let go of me. You said that I’m your wife. Is this how you treat your wife? this is how you treat other women.

He nibbled on her chin gently and said in a low voice, ” Wen Yuan, do you know how men treat women outside? ”

she was so embarrassed that she didn’t want to answer him.

“Why aren’t you saying anything, huh?” his voice was hoarse.

Wen Yuan’s long eyelashes trembled slightly. what do you want me to say? ”

“How do men treat women outside, huh?” he chuckled.

she naturally refused to say anything and turned her face to the side.

“Wen Yuan, you won’t tell me. I’ll give you a demonstration, okay?” he said evilly.

She turned around and stared at him in disbelief. Then, he treated her evilly ...

he personally taught her how to treat an outside woman.

it was very low-class, rough and violent, and shameful!

In the end, Wen Yuan could not help but cry. He bit his lips and his face was slightly red. His sweat dripped onto his shoulders, making him look very unbearable.

“Now you know how men treat women outside?” His warm breath was on her neck, and his voice was low.

at this moment, wen yuan knew that if he said no, he would treat her even worse.

she was afraid of ye mu bai’s good physical strength.

She really didn’t know how he could have such good stamina when he was in the office all day long or discussing business with others.

Her eyes were slightly red, and she looked up. Her red lips that were swollen from kissing trembled slightly.”i know.”

In the next second, she was hugged tightly by him. Ye mu Bai held her face tightly and leaned against her neck. His voice was hoarse. Wen Yuan, say that you love me!

She stared at the ceiling for a long time without making a sound.

At this time, she was exhausted, but she could not sleep at all because he would not let her go.

“is it important to you?” she asked softly after a long time.

He didn’t answer and just nibbled on her neck. At the same time, he untied the tie on her wrist and clasped her hand around his neck. He kissed her wildly and roughly, as if he wanted to melt the two of them into one.

he had never been like this before!

however, even when he had forced her the most, she had not said what he wanted to hear ...

The result of being too indulgent was that the two of them slept late. When ye mu Bai woke up, it was already ten in the morning.

He took a look at his watch by the bedside, then reached out to hold his forehead.

he had done it about seven or eight times during the day and night last night. it was a little too much for a man, but he was a little too much.

she turned her body sideways and saw wen yuan lying on his shoulder. she was curled up and her pajamas from last night were hanging messily on her body. she looked very attractive.

Wen Yuan was the kind of woman who acted like a rich lady in the hall and a slut in bed. Although she did not take the initiative, he liked her body and liked to do it with her. This was probably the only harmonious thing in their ordinary relationship as a husband and wife. Of course, she was usually cooperative. Only when they were particularly aroused would she bite his shoulder and let out a soft cry that he liked.

as he thought of this, he placed his arm around her waist and carefully compared the changes in her figure.

After giving birth, her waist was still very thin and soft, unlike a woman who had given birth to two children. The only change was that she was plumper and still very attractive.

Ye mu Bai carefully compared the two of them. Wen Yuan woke up in his arms ...

When she realized what he was doing, she lowered her eyes. "Why didn't you go to work?"

Chapter 3909: Say You Love Me (5)

I slept late. Let's go in the afternoon, or maybe not today. He turned over and pressed her down, nibbling on her neck affectionately. Mrs. Ye, I overexerted myself last night.

Wen Yuan's face was still slightly red from last night. He turned his face to the side and his breath was a little unstable. "You said we slept in separate rooms."

So, were they done sleeping in separate rooms now?

"I regretted it last night." Ye mu Bai smiled.

His fingers gently caressed her face, and he deliberately said in a very deep and slow voice, " " you're my wife, and it's your duty to make love with me. why should i give up this right? "

"that's not how a married couple should be," she said, a little angry.

...

"you don't like it?" His thin lips pressed against her ear and he chuckled. "I'll change it next time."

Wen Yuan could not handle him anymore. He closed his eyes gently and said, " isn't it good to be like before? "

"wen yuan, that won't satisfy me!" He suddenly said.

She was surprised and slowly opened her eyes to look at him ...

she didn't know that he was always so serious about it.

He stared at her, not letting go of any of her expressions. Then, his voice was hoarse."I want you to love you!"

he leaned over to her ear and said something shameless, " you can do whatever you want to me if you love me, but if you don't love me, i'll do you. i'll do this every night from now on. "

"ye mu bai, can you be any more shameless than this?" wen yuan turned his face away.

he smiled and let her go.

Wen Yuan did not want to lie in the same bed as him again. Hence, he lifted the blanket and got up. However, the moment he got up, she frowned-it was very painful.

she remained in her previous position, thinking about how many times he had done it last night to make her like this.

just as she was thinking about it, an arm wrapped around her waist. then, his voice was hoarse. " it still hurts? "

" a little, " she replied.

Her expression was definitely not just a little. Ye mu Bai asked her to lie down, and he got up to get the medicine.

She looked at his back view, which was only in a bathrobe. He was slender and strong, looking very sexy.

“Why did you change your mind?” she asked when he returned.

“what?” he pressed down on her hip bone with one hand to stop her from moving while he applied the medicine for her with the other.

this kind of thing was very intimate and embarrassing. wen yuan bit his lip and endured it. in fact, she wanted to apply the medicine herself but he did not allow it.

After he was done, ye mu Bai screwed the lid back on and put it into the bedside table. He looked like he was planning to use it for a long time. Wen Yuan’s gaze was a little straight.

then, he looked directly at her and smiled. ” “I realized that messing with you is much more interesting than giving you the cold shoulder.”

He got up and walked into the bathroom.

Hence, Wen Yuan knew that he was not done venting his anger. He had not ‘forgiven’ her!

although she didn’t feel that she had done anything wrong.

She leaned against the headboard and lay quietly for a while. When he came out, she turned her head.

He only had a bath towel around his waist, and he was wiping the water droplets from his black hair with a towel.

Wen Yuan seemed to have recalled something. I’m going back to my mother’s house today. I bought Wen Qing a birthday present.

He was very opposed to her going back to her parents ‘house. If she went, he would accompany her. When he was really busy, he would ask the driver to send her there. Moreover, each time, it would

not exceed two hours. Wen Yuan silently thought that he probably did not like her going back. In fact, she rarely went back and would not see her if she could.

After she finished speaking, ye mu Bai put down the towel in his hand and looked at her. “must i go?”

Chapter 3910: can you wear more?(1)

wen yuan pursed his lips. ” i didn’t want to go at first. but my mother called me twice. ”

She thought that he would object to it. To him, Wen Qing’s birthday was just a small matter and it was not worth it for her to come to her maternal family’s house. However, ye mu Bai looked at her for a while and said, ” “i’ll go with you.”

Wen Yuan was surprised, and then he subconsciously rejected, ” “No need, I’ll go by myself, or Yueyue can get the driver to send me.”

However, he seemed to have already made his decision. He removed the bath towel around his waist and said in a low voice, ” “After we are done, let’s go see ye Hui.”

wen yuan covered his face with his hands because of his action. he really ...

However, ye mu Bai did not take it to heart. He thought that there was nothing between a husband and wife. He went straight to the changing room to change his clothes. When he returned, Wen Yuan asked, ” “Aren’t you going to bring ye Hui back?”

...

He glanced at her and buttoned his shirt. isn’t she doing well at my mother’s place? ”

wen yuan could not help but say,”but ye hui is very small, i want to eat it.”

“It’s only a few days.” he thought she was making a fuss and glanced at her. “didn’t you say that you have too many family matters to deal with? you can relax for a few days. by the way, i think nan is going to learn piano this week. you should pay attention to his mood.”

wen yuan looked at him. ” you haven’t discussed it with me. if you continue to talk about it, i can teach him. ”

he walked over and bent over to look at her. wen yuan thought that he was going to get angry, but he only reached out and gently stroked her face. ” “i don’t want you to suffer too much.”

“You’re just looking for an excuse, aren’t you?” She stared into his eyes. you just don’t want me to touch the piano. You’re afraid that you’ll think of Kang Qiao when you play the piano, right? ”

Ye mu Bai’s expression turned cold. He stared into her eyes and sneered.”Your analysis is really good.”

“i’ll wait for you outside,” he said as he straightened his body and looked at her.

Wen Yuan knew that he was angry. However, she was still angry. Why should he be angry?

Would she be happy if she was raised at home and given good food and clothing? would she be happy?

He had a strong desire to control her, but she had not realized it.

she lowered her eyes and calmed herself down for a while before she got up to change her clothes, brush her teeth, and wash her face. when she went downstairs, ye mu bai was drinking tea. at this time, his handsome and charming facial features did not show any signs of excessive indulgence in women.

Wen Yuan thought about how he had looked at himself in the mirror just now. He clearly did not sleep well.

She thought to herself, ’he’s clearly used a lot of strength to whine.

When he heard her coming downstairs, he put down the English Cup in his hand and said in a low voice, ” “Have some breakfast to calm down before you leave.”

wen yuan wanted to say that there was no need, but he had already started to read the newspaper again. he looked as if he would not accept any rejection.

wen yuan could only eat a little. after he was done, he said, ” “i’m done,”

Only then did he look up at her clothes today.

It was a very formal suit. Although it was fitting, Wen Yuan could have looked much better in it. However, she did not. She always looked normal when she walked out, not including yesterday.

He couldn’t help but think of Kang Qiao when he thought of yesterday. His heart was filled with anxiety as he picked up his car keys.”Let’s go!”

Wen Yuan followed behind him with a gift for Wen Qing in his hand. It was a limited edition hermès bag, which Wen Qing liked very much.

Ye mu Bai got into the car and fastened his seat belt. Then, he looked at Wen Yuan. you don’t seem to want me to accompany you back to your parents ‘house? ”

“no, i haven’t. you’re thinking too much.” she said in a low voice.
