

Thank you 391

Chapter 391 The DNA results (1)

zhao ke panted, her eyes wide open. she looked at the man in front of her, and her pupils suddenly shrank.

Not only did the old policeman recognize him, even Zhao Ke recognized him!

“little girl, this is really fate! Or rather, the Justice of heaven is long and loose.” the old policeman smiled and looked at the young policeman beside him. ” “Take her to the police car! wait a minute, search her body and bag.”

Zhao Ke couldn't resist and Jian Jia finally found Rong Lei's phone in her bag.

Zhao Ke shrieked, “you can't lock me up!” i'm tang zhiyuan's wife. i'm the wife of the president of sheng yuan corporation.”

the old policeman laughed silently and looked at zhao ke. ” the president of sheng yuan seems very young, right? i'm not even thirty yet, i don't have such an old wife.”

He knew who Tang Zhiyuan was. He was the former president of Sheng Yuan.

“I'll hang up the phone with Mr. Tang. As for whether you're guilty or not, it's up to the law to decide.” The old policeman's eyes had a trace of compassion.

Even now, he could still remember the coldness in the young girl's eyes.

it was a disregard for life!

Finally, he finally caught her.

life was born from the heart. even if this woman had obtained wealth with her beauty, one day, she would still die in her own hands.

the old policeman smoked a cigarette to calm himself down and was also waiting for the forensic doctor's explanation.

There must be someone behind this!

otherwise, how could it be so accurate? he saw the crime scene as soon as he arrived.

However, he could not find any clues about the person who had called the police.

The person was very secretive and dialed a public phone (after looking through the surveillance camera, they only saw a disguised figure, and their face could not be seen at all)

zhao ke was taken away. her expression was a little dazed. she knew that she was finished.

She had killed someone. Tang Zhiyuan would definitely not help her.

zhao ke was taken downstairs and taken into the police car. she didn't say a word from beginning to end.

the police car door opened and closed. after about an hour, the old policeman and the forensic doctor came down together.

rong lei was also carried down, covered with a white cloth.

“Old Zhou, the murderer is very brutal. In fact, one stab was enough to kill him, but he twisted it more than a dozen times. The deceased’s heart was almost torn apart.” The forensic doctor smoked a cigarette with ol ‘Zhou at the door and couldn’t help but sigh.

Officer Zhou pinched the cigarette and took a few puffs. When he recalled the scene, his heart trembled. ” i’ve seen this woman for more than 20 years. she was also involved in a murder case. i think we should bring that case back for trial. ”

the forensic doctor smiled. ” okay, do as you see fit. ”

She looked up at the sky. it’s late. Let’s go back to the police station.

The two of them got into the police car, which honked and drove away.

a white ximi was parked behind their car.

PEI Qiqi sat in the car and stared blankly in the direction the car left.

his fingers gripped the steering wheel tightly, and a bitter smile appeared on his face.

Zhao Ke wanted to kill her and caused jinrong to become a vegetable. She then personally sent Zhao Ke to prison.

She closed her eyes and leaned against the back of the chair, feeling unspeakable fatigue and sadness.

she didn’t feel happy, only sorrowful.

Zhao Ke was the one who gave birth to her, ran ran.

she couldn’t figure out if zhao ke was her sin or if she was zhao ke’s sin!

at this time, the phone on the side rang. she took a look and saw that it was tang xin.

her heart trembled, and she only picked up after a long time. her voice was a little hoarse. “tang xin?”

Tang Xin’s voice was sweet, ” Qiqi, let me tell you a piece of good news. My mom is going to Macau for a few days, and my dad allowed me to stay with my brother.

” qiqi, can i stay at your place for a few days? ” her voice became softer.

Chapter 392 the DNA results (2)

pei qiqi was in a daze.

zhao ke said she would be going to macau for a few days?

but tang xin, zhao ke can’t go back,

She felt guilty towards Tang Xin.

No matter what, she was the one who made Tang Xin lose her mother!

Just like her, he would be a child without a mother in the future.

PEI Qiqi pursed her lips. Her throat was so dry that she couldn't squeeze out a word.

at this time, she didn't know what to say to tang xin, as if everything she said was a lie.

Tang Xin didn't get a response from her, so she acted coquettishly, " Qiqi, please, Qiqi, okay!

PEI Qiqi found her voice after a long time, " "where are you? I'll go pick you up."

tang xin cheered, " i'm at home, i'll pack my things immediately! " wait for me at the intersection in front of my house."

Tang Xin was also bored out of her mind. She hung up the phone and ran upstairs.

as soon as she went up, she bumped into tang zhiyuan, who had a dark expression on his face.

tang xin almost fell down. if it wasn't for tang zhiyuan holding her, she might have rolled downstairs.

Just as she was about to complain, Tang Xin saw that her father's face was a little bad.

"daddy?" what's wrong? " Tang Xin looked at him carefully. &Nbsp;

Tang Zhiyuan received a call from the police station. Although he was already furious, he still felt a little pity for his younger daughter.

She suppressed her anger and said indifferently, " "you should stay at your brother's place for a few days. i have something to do."

tang xin was suspicious, " is it about the company? " her father had clearly stopped caring about the company's matters a long time ago.

tang zhiyuan reached out and patted tang xin's head without saying anything.

he was already downstairs. as he walked, he said, " let the driver send you to your brother's place later. don't run around. be good. "

tang xin mumbled " oh " and felt that something was wrong with her father today.

.....

On the other side, PEI Qiqi put away her phone.

she closed her eyes for a long time.

How should she face Tang Xin?

However, she also knew that it was unfair to jinrong if she indulged Zhao Ke! it's also unfair to lin yun!

zhao ke should be punished by the law, even if she used improper methods, rong lei's life was also lost.

but wasn't rong lei also involved in that matter?

A bitter smile appeared on PEI Qiqi's face. Would her father blame her in the netherworld? would he blame her for hurting the woman he loved?

However, even if he wanted to blame her, even if Zhao Ke was the woman who gave birth to her, even if Tang Xin was in the middle, she would never regret it.

Zhao Ke had carried and owed too much, so she should pay back.

when she was about to start the car, her legs were so weak that they wobbled.

after a long while, she finally drove back to yan hui.

on the way to yan hui, her car brushed past tang zhiyuan's car. tang zhiyuan wasn't calm, so he didn't see pei qiqi. however, she did see him. he must have gone to the police station for zhao ke.

When they passed each other, her eyes were calm.

Let's do this!

She picked up Tang Xin. Tang Xin was a little depressed. PEI Qiqi knew it in her heart and didn't say anything. She just helped her put her luggage in her car.

after getting into the car, she whispered, " tang xin, i'm going to the suburbs in a few days. the company's land auction is over and i have to move. "

tang xin raised her eyes and looked at her pitifully, " qiqi, can you only take me in for a few days and not see me anymore? "

She knew that Qiqi and her brother had not reconciled and would not want to see her.

Qi Qi must be annoyed that she kept pestering her!

Chapter 393 The DNA results (3)

PEI Qiqi looked at her and didn't have the heart to say, " "When I've settled down, you can still come and find me."

tang xin replied with an 'oh', still a little dejected.

PEI Qiqi wanted to say something but didn't.

"i'll give my brother a call." Tang Xin suddenly said,"I told dad that I live with my brother." &Nbsp;

PEI Qiqi acknowledged and started the car.

however, her attention was still on tang xin. tang xin took out her phone and dialed tang yu's number. after the call went through, she sniffed, " " brother, i want to stay at qiqi's place for a few days. if dad asks, just tell him that i'm at your place. "

On the other side, Tang Yu was sitting in his office holding his phone. His eyes were silent-

In front of him was a hospital report.

he had already watched it many times.

At this time, listening to Tang Xin's soft voice, he was a little dazed and dazed.

"Brother?" tang xin called him softly, like a kitten.

Tang Yu came back to his senses and closed his eyes. His slender body leaned back in his chair and he held his forehead with one hand. After a long time, he let out a long breath, " "I know."

Tang Xin didn't dare to disturb him and quickly hung up.

Tang Yu put down his phone but his eyes were still on the report.

Tang Xin and PEI Qiqi were blood-related!

He and Tang Xin were not blood-related!

Of course, he and Qiqi were not blood-related!

what this meant couldn't be any clearer.

PEI Qiqi was Zhao Ke's child, but Tang Xin wasn't Tang Zhiyuan's biological child.

all these years, Tang Zhiyuan had been a fool!

Zhao Ke had never been pregnant with his child, and Lin Yun's miscarriage was a pity, all for a woman who was nothing!

Tang Yu looked at her for a long time.

The door suddenly opened. He looked up and saw Meng Qingcheng standing by the door, looking a little dazed.

Tang Yu put the report back into his drawer and looked up at Meng Qingcheng, "What's wrong?"

Meng Qingcheng's eyes were a little straight. After a long time, he came in and closed the door. He leaned against the door and said softly, "Zhao Ke has been caught."

Tang Yu acknowledged. Then, he took out a cigarette from the box and lit it. He didn't smoke it but just let it burn between his fingers.

Seeing his cold expression, Meng Qingcheng walked over and placed his hands on the sides of his desk. He said seriously, "It's true! Zhao Ke killed a pretty boy, and that pretty boy's name is Rong Lei."

Tang Yu still didn't say anything. He just smiled.

In Meng Qingcheng's eyes, he thought that his smile was forced.

"You don't care at all?" Meng Qingcheng's face revealed a probing expression, "Also, don't you think this matter is related to the matter you asked me to investigate last time?"

Meng Qingcheng was already pointing at PEI Qiqi.

Tang Yu's gaze became sharp. He knew Qingcheng had always been smart and he couldn't hide anything from him.

"You're thinking too much," Tang Yu said lightly.

Meng Qingcheng originally wanted to say something, but seeing Tang Yu's expression, he didn't dare to say anything.

The two of them were silent for a long time. Then, Tang Yu leaned back in his chair. His face and voice were both tired, "Qingcheng, I want to be alone for a while."

Meng Qingcheng was stunned.

He had been with Tang Yu for a long time. Including their school days, it had been around 10 years.

he had never seen tang yu like this before. even in the first two years after he took over sheng yuan, when he was sometimes so busy that he didn't sleep for three days, he had never been this dispirited. it was as if he had suffered some kind of blow.

In the end, Meng Qingcheng left. He stood at the door for a while before leaving.

but deep down, he knew that the things tang yu was hiding were definitely related to pei xiao qi.

the only person who could make him like this was pei qiqi.

Chapter 394 The DNA results (4)

PEI Qiqi took Tang Xin to her house.

tang xin was always a child. she was still thinking about something just now, but she forgot about it as soon as she arrived at her house. she curled up on the sofa watching tv and eating snacks like a little mouse.

PEI Qiqi sat at the side and looked at her. There was an indescribable feeling in her heart.

tang xin watched tv while secretly looking at pei qiqi. in the end, she couldn't help but cry out, " "Qiqi, I'm embarrassed if you look at me like that."

She secretly stretched out her little hand. you're not thinking of hitting on me, are you? "

pei qiqi didn't know whether to laugh or cry. she reached out and ruffled her long hair, " where did you find out? "

"the comics!" tang xin said happily, " i bought it secretly from my mother. there's a box under my bed. she doesn't know. "

As she said this, she probably thought of Zhao Ke, and her expression became a little depressed.

PEI Qiqi reached out to stroke Tang Xin's long hair and sighed in her heart.

At this moment, she didn't know that Tang Xin wasn't tang Zhiyuan's child.

If she had known, she probably wouldn't have been so decisive when she did this.

tang xin smiled at her, " qiqi, you're the best. "

was it?

But if Tang Xin knew that she was the one who put her mother in jail, she would hate herself.

however, there was no turning back!

She and Zhao Ke were both gone!

until now, pei qiqi had never regretted it.

she couldn't bear the word 'good'. the only person she was sorry to was tang xin!

tang xin was like a clingy little girl. pei qiqi accompanied her for a while and then went to cook.

she stood in the kitchen, cutting vegetables. from time to time, she would look out the window to see the sky.

At this moment, it was already dusk, and everywhere was desolate.

She was in a daze, but her hand didn't stop moving, and just like that, she cut her hand.
she felt a burst of pain and lowered her head, only to find that there was a cut on her hand.
blood slowly oozed out of the wound.

That blood was very much like jinrong's blood, and also very much like Rong Lei's blood under Zhao Ke's hands.

She was a little dazed, and she couldn't feel any pain as she let the blood flow.

She raised her head and forced back the tears in her eyes.

no matter how cruel she was, the one who was captured and sent to prison was zhao ke, the woman who gave birth to her.

She had also stayed in that woman's stomach for ten months.

however, she didn't have the chance to call her mother. instead, she had locked her up with her own hands.

She didn't know if it was Zhao Ke who had ruined her life, or if she had ruined Zhao Ke's stable life.

i can't figure it out, yingluo.

Her hand was still in pain, so she simply bandaged it, but Tang Xin was making a fuss and wanted to find a doctor.

"No need, it's just a small injury." PEI Qiqi smiled and reached out to rub Tang Xin.

Tang Xin was worried, " Qiqi, let's order takeaway.

she was afraid that qiqi would find her troublesome, so she was especially understanding.

"No, I'll just make two simple dishes." PEI Qiqi lowered her head and looked at the wound on her hand. Her voice was soft.

Tang Xin responded with an 'Oh' and slid down the sofa, insisting on being a little helper. As a result, the kitchen was a mess.

PEI Qiqi felt helpless too. By the time they finished eating and cleaned up, it was already 8 pm.

Tang Xin was probably a little tired, so she actually fell asleep with her head tilted.

PEI Qiqi woke her up, " Tang Xin, go back to your room and sleep.

Tang Xin turned around, " Qiqi, I'm so sleepy.

as she spoke, she suddenly opened her eyes and said as if she was sleepwalking, " "i have to take my medicine."

medicine?

Chapter 395 PEI Qiqi, you're not allowed to leave!(1)

"i'll go get it for you. sit down." pei qiqi wanted to treat tang xin as well as she could.

but as soon as she left, tang xin jumped up and hugged her from behind, ” “qiqi, i’ll go get it myself.”

PEI Qiqi paused.

tang xin ran into the bedroom like a little rabbit, took out the medicine, put it in her hand, and swallowed it with water.

Although it was bitter, she smiled sweetly after eating it. I’m done.

PEI Qiqi pursed her lips, ” what medicine did you take? ”

Tang Xin waved her hand, ” I’ve been lacking a vitamin since I was a child. It’s not a big deal, but mom and dad are too nervous.

PEI Qiqi didn’t say anything more.

Tang Xin yawned, ” Qiqi, can I sleep in your room tonight? ”

“Alright,” he said. She couldn’t refuse Tang Xin, who was as soft as a small animal.

Tang Xin jumped over and hugged her, ” Qiqi, I’ll go wash up and wait for you.

pei qiqi couldn’t help but smile, ” didn’t you just say that i shouldn’t have any ideas about you? ”

tang xin stuck out her tongue, smiled in embarrassment, and immediately went into the room.

she washed herself clean and lay on the bed, counting the number of lambs as she waited for pei qiqi.

no matter how long she waited, she still couldn’t get it. she couldn’t help but urge pei qiqi, ” “Qiqi.”

pei qiqi mumbled an ‘en’ but still didn’t come.

tang xin waited and waited until she almost fell asleep.

she closed her small eyes and finally fell asleep. before she fell asleep, she even called out ‘qi qi’ twice.

When PEI Qiqi heard that there was no more movement inside, she pursed her lips.

she curled up on the sofa and watched the television for a long time before turning on the news channel.

he carefully looked at the image on the screen. he was both eager and afraid to see zhao ke’s figure.

finally, the case was broadcasted at 10 am. in the video, zhao ke’s face was blurred out, and the introduction of zhao ke was that she was the wife of a certain famous person.

After that, all the media outlets were guessing which famous person’s wife she was!

one had to know that behind this murder case, the wonderful story of the celebrity’s wife and the pretty boy was more appealing than the case itself.

PEI Qiqi curled up on the sofa in a relatively safe corner and watched Zhao Ke get the punishment she deserved.

suddenly, her phone rang. she took it and saw it was tang yu’s number.

she pursed her lips and did not dare to take it for a long time.

after the phone stopped ringing, it rang again, one after another.

Finally, she picked it up. Tang Yu's cold voice came from the other end, "I'm downstairs."

she was shocked and ran to the balcony with her phone. she looked down and saw his white sports car.

Tang Zheng leaned against the car door and looked up at her in the dark.

in the dark of the night, his dark eyes seemed to be burning with a small flame, so deep that it scared her.

"Come down." His voice was tense.

PEI Qiqi didn't know why she went down and why she ended up like a sheep in a Tiger's Den. She only knew that if she didn't go down, he probably wouldn't let her off!

She ran downstairs in her home clothes. When she reached the first floor and saw him, she slowed down and slowly walked toward him.

Tang Yu put down his phone and stood there, watching her intently.

Her heart started to beat fast. She had a feeling that Tang Yu knew something.

he knew that she was the one behind Zhao Ke's incident?

Chapter 396 PEI Qiqi, you're not allowed to leave!(2)

She slowly walked towards him, in this fierce night wind, towards the love of her life.

perhaps, after tonight, they would never meet like this again.

every step was an extreme. every step was a replay of their past.

Tang mo leaned in front of the car, quietly waiting for her to walk to him.

Finally, she walked in front of him and looked up. She was almost frozen by his cold breath.

Tang Yu! just as she started to speak, he reached out and grabbed her slender arm.

As the world spun, she was pushed against the car, and her small mouth was covered by his cold lips.

She was stunned for a moment, then subconsciously wanted to resist, but the moment she moved, he pressed her down even more forcefully, pressing her against the car and kissing her fiercely.

her body was pressed down by him, and he used a force that almost broke her into pieces ...

His lips were cold at first, but then they became hot, so hot that she almost jumped up.

she grabbed his shoulder and pushed him away with all her might. he simply raised her hand above her head and pressed it down with one hand. only then did PEI Qiqi realize what he was trying to do.

Tang Yu, we're outside. Her voice was crushed by him.

At this moment, he seemed to have lost his mind. His black eyes were stained with a touch of red, and there was a hidden power in them that wanted to tear her apart.

PEI Qiqi looked at him and was stunned.

the two of them looked at each other, each panting heavily.

She had just opened her mouth when he suddenly pressed her against the car and hugged her from behind.

PEI Qiqi, if it's possible, I also want to give up on you! he held her tightly and whispered into her ear.

His tone was filled with anger and unwillingness.

he really wanted to give up, but every time he saw her, he would give up on this idea.

It was the most torturous to carry unwillingness and reluctance!

pei qiqi was pressed down by him and was almost flattened. she was so scared that she didn't dare to move.

Tang Zheng grabbed her hair and forced her to look at him.

that gaze made her tremble!

then, he opened the car door and threw her in before getting into the car himself.

PEI Qiqi knocked on the car door and wanted to get out, but he had already started the car.

PEI Qiqi, if you dare to move again, I can't guarantee what I'll do. His voice was very cold, as if it was about to freeze into ice beads.

She was stunned and looked at him in a daze. After a while, she asked, "where are we going?"

he didn't say anything and just sped up.

She seemed to have realized something. Her heart was beating fast, and her breathing was chaotic.

she looked in front and said in a hoarse voice, "Tang Yu, if there's no end in front, we can keep walking.

However, there would be an end to it. The road would end, and they would be separated.

he pursed his lips and did not say anything.

PEI Qiqi didn't dare to say anything more.

The car drove for more than 20 minutes and entered the Xia City Community.

the car engine turned off but tang yu didn't move. his voice was cold, "pei qiqi, don't you have anything to say to me?"

her breathing was messy as she turned her head to look at him.

tang yu too, their eyes met.

he was still filled with anger and unwillingness.

Yes, of course he was unwilling.

Because she was Zhao Ke's daughter, she had easily given up on him.

Did she think that this was the best result?

she was at ease. she didn't feel sorry for anyone, but what about him?

what should he do?

"PEI Qiqi, if you want to leave, you have to leave my things behind." He said coldly.

PEI Qiqi bit her lip, " what? "

Chapter 397 PEI Qiqi, you're not allowed to leave (3)

His big palm suddenly covered her heart, and his voice was a little low and hoarse. this place took my heart away.

Her heart beat faster, not only because of the place he was holding, but also because of his words.

He held her as if he was holding her heart, making her unable to breathe.

pei qiqi wanted to say something, but he had already opened the car door and dragged her out from the other side.

She cried out involuntarily, but she could not stop him. He seemed to have gone crazy!

she dragged him all the way to her apartment in xia city, closed the door, and pressed her body against it.

Tang Yu hugged her from behind. Rather than hugging, he was more like trapping her.

Everything happened too quickly. On this night, it was like a storm, mixed with anger. It continued as if it did not know exhaustion.

She was in a mess, sweating profusely, and in pain. Her pain could no longer move him ...

just like this, she kept on pestering yingluo.

after a long, long time, it finally calmed down. he was still pressed against her back, his large palm holding her slender waist to stabilize her, not letting her slide down.

their coats, shirts, and undergarments were stacked on the ground, looking extremely alluring.

he didn't even have the mood to change his attitude for the entire night.

After calming down, she felt a little cold and hurt when she moved.

however, the moment she moved, he pressed her down even more and bit her small and fair shoulder.

"Tang Yu." Her voice was a little hoarse. let me go. I have to go back.

As soon as she finished speaking, his large palm on her waist moved to her heart.

She clenched her fist and let out a cry.

" pei qiqi, before i decide, you're not allowed to go anywhere. " His voice was as deep as water.

PEI Qiqi was in a daze again and only came back to her senses after a long time. Her voice was even more floating than her body, " "you knew?"

Tang Yu didn't say anything. He just hugged her and let his body and heart become as heavy as water.

Tang Xin's at home, alone. She said with difficulty.

However, it would have been better if she hadn't said anything. The moment she said it, it brought about another storm.

in the end, she couldn't take it anymore and passed out, her body slipping weakly.

Tang Yu ended this quickly and simply. Then, he carried her to the bedroom.

After covering her with the blanket, he also took a quick shower, put on a bathrobe, and sat by the side to smoke.

It was already dawn, but in the depths of his heart, there was still a darkness that he had not awakened from.

just like that, he smoked and looked at pei qiqi's sleeping face.

she was probably exhausted and was in a deep sleep. he knew that he had no sense of gravity today.

She was almost knocked away.

His expression was so profound that it was almost painful.

he was also struggling and in a difficult position.

however, he had never thought of giving up on her.

Or destruction! Or to forcefully occupy it! regardless of her wishes, he had to keep her by his side.

there were always accidents, and the accident was that tang xin wasn't his sister.

The surprise was that Zhao Ke would disregard everything and drag PEI Qiqi into the water for a walk.

in other words, her identity could not be hidden for long.

tang yu smoked a few cigarettes. when pei qiqi coughed, he put out the cigarette.

Then, he held his forehead and laughed bitterly.

what's the point of thinking so much? anyway, he would not let her go.

in this life, be it pain, happiness, or even going to hell, they were all bound to be together.

Chapter 398 pei qiqi, you're not allowed to leave (4)

When PEI Qiqi woke up, she was in a familiar yet strange room.

Was it the Rose Garden?

She suddenly sat up and looked at her surroundings.

Why did Tang Yu bring her here? He clearly knew about her birth!

She thought of the chance encounter at the night bar. It seemed that it was not a chance encounter, and he had long suspected her.

her heart turned cold. just then, the door opened. she thought it was tang yu but when she looked up, it was tang xin.

tang xin ran over and jumped onto the bed like a kitten. she laid beside pei qiqi and her eyes were cute, ” qiqi, are you hungry? ”

the moment she said that, pei qiqi felt hungry.

“what time is it?” His voice was a little hoarse.

tang xin coughed, ” it’s three o ‘clock in the afternoon. ” Big brother hasn’t come back yet. Get up, the chefs here have made a lot of delicious snacks.”

PEI Qiqi sat up. Only a white nightgown slid down her shoulders. Her long black hair draped over her shoulders, giving her a weak sense of beauty.

just as she was about to speak, tang yu’s voice came from the door, ” ” tang xin, go downstairs and have some snacks. ”

Tang Xin looked at PEI Qiqi, hoping that she would speak up for her. However, PEI Qiqi couldn’t even protect herself, so she didn’t dare to say anything.

tang xin nodded, got out of bed dejectedly, and ran out.

Tang Yu walked in and closed the door. He was holding a tray with a lunchbox on it.

seeing that pei qiqi was still sitting, he walked over to the window and leaned against it. the tray was on the table.

He looked at her. aren’t you going to get up and eat? ”

His voice was very cold, unlike the man who had gone crazy last night.

PEI Qiqi was in a daze. She raised her head and looked at him. Her voice was like a cat’s meowing, ” why are you doing this? ”

” pei qiqi, then tell me, what do i do? ” tang yu looked straight into her fragile eyes, ” run away and separate like you? ” Or should I tell you that you’re not the one I love, hmm?”

“do you have to do this? You want me to be with another woman, do what I did with you, and embrace her naked body to my heart’s content, right?” His voice was extremely stern.

pei qiqi was in a daze.

as expected, he knew everything.

she pursed her lips and suddenly lifted the blanket to get out of bed.

her hair was loose, and she was completely white.

dressed in white and with black hair, she was pure and beautiful. it was the purest color in the world.

“Tang Yu, you and I both know it’s impossible for Hanhan. How am I supposed to face your mother? My mother hurt her so much for me. And Jinrong! He hasn’t woken up yet, and he might never wake up.”

As she spoke, her face was already covered in tears, ” Tang Yu, and how am I supposed to face Tang Xin? You clearly know.”

She kept backing away and screamed at him, ” Tang Yu, we can’t do this. The person I can’t be with the most is you.

after she finished speaking, she gasped and her expression was a little cold. ” yes, we shouldn’t be together. ”

she would feel guilty. she didn’t dare to see Lin Yun, the Lin family, or even Yingluo who was with Tang Yu! She would be afraid to see Lin Yun when she got pregnant in the future.

this was the reality, a reality that could not be overcome.

the prince and Cinderella had always been a fairy tale.

“yes! I know!” He said firmly and heartlessly, “I know you will feel pain. You will feel bad. But PEI Qiqi, am I not in pain? am I not in pain?”

Chapter 399 Do you dare to say you don’t love me?(1)

he grabbed her wrist, ”pei qiqi, you’re not the only one suffering.”

pei qiqi was stunned.

“So, stay where you are and don’t go anywhere! Otherwise, I can’t guarantee what else you’ll lose.” he bent down, and his cold breath brushed against her lips.

pei qiqi could feel that he was angry.

although she was angry, she was actually furious!

He hated Zhao Ke, so how could he not be angry with her?

she closed her eyes and asked, ” why? ”

He straightened his body and looked down at her. He laughed coldly and said in a mocking tone, ” PEI Qiqi, you’re asking me why? ”

He reached out and pinched her chin, then slowly lowered his head and looked into her eyes. “I really want to see your heart.”

She was forced to raise her sharp chin and look up at him. After a while, she laughed softly, a little sadly. “Yes, I have no heart! I’m from that life, I’ve always been cold and selfish, I never loved Yingluo.”

“then, do you dare to say that you don’t love me?” He pushed her to the floor-to-ceiling window. The transparent glass was so clean that it was as if it didn’t exist.

she was held there in fear, as if she would fall at any moment.

“Let me go.” She called out weakly, like a kitten.

however, he was unmoved. he squinted at her and his eyes were filled with heartlessness, ” pei qiqi, if you dare to lie, i promise that i will throw you off this building. ”

he stared at her with a burning gaze, and there were some sparks in his eyes.

He really wanted to lower his head and kiss her, but he was too angry to do so.

Being forced by him, PEI Qiqi turned her head. Her voice was weak and stubborn, ” I don’t.

She had just finished speaking when he gave her a rough kiss. He used so much force that he almost bit her lips.

her back hurt as she pressed against the glass. she didn’t dare to struggle because she was afraid that she would fall down if she moved.

When he was finally done kissing her, he looked up at her. what about now? ”

PEI Qiqi’s little face was still turned away. She panted helplessly like a little beast. After a long time, she turned her head and looked at him with her watery eyes, ” I don’t.

Tang Yu kissed her again. This time, not only did he kiss her, but he also tortured her!

PEI Qiqi shrieked. She was extremely afraid.

She helplessly lowered her head and looked at Tang Yu. She couldn’t see his face.

PEI Qiqi’s body went soft and she knelt down in front of him.

He knelt down facing her and lifted her chin with one hand, ” PEI Qiqi, do you still dare to say you don’t love me? ”

she closed her eyes, and there was a hint of heartbreak in her eyes. ” we will go to hell. ”

He was still holding her chin and staring at her with a burning gaze. After a long time, he said softly, ” even if I have to go to hell, I will take you with me.

PEI Qiqi was stunned.

tang yu picked her up and walked to the bathroom.

*

Even though Tang Yu had made arrangements in advance to not let people talk about it in front of Tang Xin, Tang Xin still saw what happened to Zhao Ke in the news.

In fact, it wasn’t Zhao Ke. It was Tang Zhiyuan. He accepted an interview with the media!

In the news report, Tang Zhiyuan looked at the camera impatiently and anxiously.

this was because rong lei’s virginity was found in zhao ke’s body.

this was something that couldn’t be denied. no matter how much tang zhiyuan cared about tang xin, he had to make up his mind to divorce zhao ke.

tang xin looked at her in a daze and said in a small voice, ” dad doesn’t want mom anymore. ”

Chapter 400 Do you dare to say you don’t love me?(2)

Even though Tang Yu had made arrangements in advance to not let people talk about it in front of Tang Xin, Tang Xin still saw what happened to Zhao Ke in the news.

in fact, it wasn't Zhao Ke. it was Tang Zhiyuan. he accepted an interview with the media!

in the news report, Tang Zhiyuan looked at the camera impatiently and anxiously.

this was because Rong Lei's virginity was found in Zhao Ke's body.

this was something that couldn't be denied. no matter how much Tang Zhiyuan cared about Tang Xin, he had to make up his mind to divorce Zhao Ke.

Tang Xin looked at her in a daze and said in a small voice, "dad doesn't want mom anymore.

She looked at the camera and Tang Zhiyuan's cold face. I will ask my lawyer to apply for a divorce with Ms. Zhao.

a large pile of wheat was squeezed in front of him. "mr. tang, will you hire a lawyer for your wife? after all, you're the only one she can rely on now. even if she betrays you, won't you care about your relationship as husband and wife?"

Tang Zhiyuan's face darkened. He paused for a moment and said, "Of course."

After that, he got into the black RV and the screen switched to the host.

Tang Xin was a little dazed-

Mom killed someone. Mom betrayed dad?

Tang Yu came out and saw Tang Xin's pale face.

his heart tightened, and he immediately picked up Tang Xin, pressed her philtrum a few times, and patted her little face, "Tang Xin."

Tang Xin still panted a few times and only came back after a while. Her face went from white to blue, and then from blue to white.

like a little kitten, she curled up in Tang Yu's arms and cried her heart out, "brother, why would my mom kill someone? she didn't even kill a chicken."

Tang Yu didn't say a word and just hugged Tang Xin.

Tang Xin's eyes wet his heart. It was wet and hot, making him very uncomfortable.

he was in a very subtle mood. he had treated Tang Xin as his sister for a long time, and now he knew that she had no blood relationship with him and she was also Zhao Ke's child.

Tang Yu didn't hesitate at all. he still treated her as his sister. the only love he had for Tang Xin was to keep the secret that she wasn't Tang Zhiyuan's child.

however, he loved and hated Qiqi.

She couldn't let it go, and she was annoyed!

that sour, painful feeling, he couldn't describe it.

He comforted Tang Xin with his big palm.

tang xin looked up and asked him with tears in her eyes, " brother, will you save mom? " Can you ask Dad not to divorce mom?"

Tang Yu reached out and touched her fluffy hair. His voice was a little deep, " this is the adults 'decision. I can't change it.

"Is mom going to jail?" tang xin bit her lip and wanted to cry again.

Tang Yu sighed in his heart and didn't answer. He just reached out and patted Tang Xin's little head. because such an answer was too cruel for tang xin.

Tang Xin looked at Tang Yu with her big watery eyes, looking pitiful.

She knew that she shouldn't have asked her brother to save her mother, because her mother had done something wrong to first aunt in the past, and she had also done wrong to her brother Yingluo.

Tang Yu comforted her. His heart was heavy. He looked up and saw PEI Qiqi standing at the bedroom door.

she held onto the door, her face a little pale.

their eyes met ...

they knew in their hearts that no matter how much their hearts ached for tang xin, pei qiqi would still do it.

PEI Qiqi looked at Tang Xin. Seeing her cry reminded her of her own childhood.

It was the same, because she did not have a mother.
