

## Thank you 3911

Chapter 3911: Can you wear 1200 more words?

Ye mu Bai laughed and started the car. He said, ” “Am I overthinking?”

she did not know what was wrong with him. wen yuan felt that he either updated early or had some psychological problems. he should spend more time on the artistes in the company. perhaps, he would not go for plastic surgery so casually.

He drove all the way to the Wen garden, where Wen Yuan lived before his wedding.

the wen family was also very powerful and could be compared to the ye family in the past. however, they had not been able to provide much support in the past few years and had fallen behind by a lot. however, with ye mulin’s relationship, the wen family could still sit firmly in their position.

He stopped the car and Wen Yuan got out first.

ye mu bai’s gaze was a little deep when he saw her running away.

...

she might not have realized that she was actually avoiding their marriage. she did not want to face the fact that she had once loved him.

Hence, Wen Yuan would not love him now.

ye mu bai sat in the car and slowly smoked a cigarette.

Wen Yuan went in first and saw Wen Qing sitting on the sofa. Beside her was a man with a very good pectoral muscle. His skin was very fair and he was Wen Qing’s favorite type of person who had returned from abroad. Most of them were involved in investments. At this time, Wen Qing was almost half-leaning in the arms of the muscular man. When she saw Wen Yuan enter, she smiled a little exaggeratedly. sister, you’re back? ”

Wen Yuan hummed in agreement and passed the bag to her. "this is what you want."

wen qing opened the bag and her eyes lit up when she saw the design. this bag cost more than a million yuan and it was not something that could be bought with money. the wen family was rich, but they could not spend it like this.

although she was happy, wen qing still pretended to dislike it. "sister, isn't this design a little too old? it's suitable for women in their thirties and above like you, not for a young girl like me!"

wen yuan was speechless. "i'll get you another one then!"

She was about to wrap the bag properly, but Wen Qing immediately grabbed it back in her hand. "it's so-so."

Then, she looked at the muscular man beside her. "Oh, my dear?"

the muscular man kissed her passionately. his face was red and his heart was beating fast. he took a glass of water and drank it to hide his feelings.

After the kiss, Wen Qing pouted and said that she had removed her makeup. Then, she started to touch up her makeup while saying in a somewhat disdainful tone, "Sister, I don't want to criticize you, but look at how you dress every day. Why would brother-in-law be interested? He has a lot of flowers and plants in his company. If you don't take care of yourself and dress up, you will not only lose to women in the future, but also to men!"

wen yuan thought to himself, is it really that exaggerated?

Wen Qing smiled again and said, "that's why brother-in-law doesn't want to accompany you at your maiden family."

Just as Wen Yuan was about to say something, a large palm pressed on her shoulder. Then, ye mu Bai's low voice rang out. "wen qing, i don't remember having the hobby you mentioned, ran ran."

then, he sat down beside wen yuan and put an arm around her shoulder. ” “wen yuan, you’re fine like this.”

Wen Qing laughed exaggeratedly. She laughed as she lay in her boyfriend George’s arms, shaking like a flower. It was as if it was a very funny thing.

After that, she smiled and said,”brother-in-law, how did you fall for my sister? look at her, she’s already so old and she’s not interesting at all. She doesn’t have any thoughts at all.”

wen yuan’s expression was a little ugly.

however, ye mu bai replied indifferently,’i remember that you’ll be 30 years old after your birthday this time, right? she’s also one of the old women you’re talking about. besides, how would others know about the feelings between a couple? as for their messy thoughts?”

He smiled. don’t you also like women without thoughts? by the way, Wen Qing, your boyfriend’s pectoral muscles are very well trained.

Hint, big chest but no brain!

Wen Qing was so angry that her face turned white and red. She stomped her feet and was about to explode when ye mu Bai coldly said, ” this bag is worth more than a million Yuan. It’s a token of Wen Yuan’s love for you. However, the money came from my pocket. I have the right not to give it to the person who insulted my wife.

he reached out and took her bag. ” why don’t we do charity? ”

wen yuan was also stunned. he did not expect him to be like this. she said softly, ” “Did I pass?”

Chapter 3912: can you wear more (3)

he just glanced at her.

He had always felt that Wen Yuan was too easy to talk to.

wen yuan did not say anything.

Wen Qing's hand was empty and she was dumbfounded.

She had been looking for that bag for a long time, and now that she finally got it, how could she miss it? she quickly squeezed out a smile and acted coquettishly. " brother-in-law, i'm just talking nonsense. sister is so beautiful, of course there will be men who like her. "

Her words hit ye Mubai's sore spot. Wen Qing took her bag and looked at their expressions. She thought to herself that she had guessed it right. Back then, Wen Yuan and ye Mubai fell out because of Kang Qiao. They almost lost their child.

...

She had said that they were husband and wife who shared the same bed but had different dreams. She, as his sister, did not look happy at all and was very restrained in front of ye mu Bai.

in fact, wen qing was not envious at all when wen yuan married ye mulin in the past. ye mulin was in politics, and so was his father. she was not interested in him at all. however, ye mubai was different. he was a big shot in the entertainment industry and had so many resources in his hands. she also wanted to be a star.

However, ye mu Bai did not pay much attention to her, so she had no choice.

Now, Wen Qing had touched the sore spot of the couple's discord, so she smiled sweetly again. "My sister likes artistic guys, just like Kang Qiao."

as soon as she finished speaking, wen qing's mother came over and reprimanded wen qing, " what nonsense are you saying? that's teacher ye's son! wen qing, you just need to take care of yourself all day long and get married soon so that i don't have to worry."

Wen Qing was good at acting coquettishly. She hugged her mother's arm and said, " mother, I know. Don't we have George? "

George? elishabai? she was a good China, so why did she have to give herself a foreign name? furthermore, she could not survive overseas and had returned to china to open a leather bag company and become the CEO. only wen qing was a good-for-nothing who treated her like a treasure. she gave a gift of a few thousand yuan on her first visit. naturally, mother wen did not like it.

wen yuan, on the other hand, was different. when the wen family was doing well in the past, she married ye mulin. later on, they made a mistake and it became ye mubai. they were not optimistic about it previously. however, in the past two years, mu bai had helped old wen to pull many connections overseas, which was especially important to the wen family. moreover, he was also generous to them and often gave them villas, real estate, and so on. how could george compare to him?

Mother Wen was especially polite to ye mu Bai. Of course, this caused Wen Qing to be dissatisfied. She tried to act coquettishly and cutely, but it was useless. Hence, George walked away in a dejected manner.

wen qing got angry and her mother immediately reprimanded her, " don't just bring any random person into the house. this kind of fake rich man who can't afford a house in B city is just waiting to be a phoenix man. you're not young anymore, so you should keep your eyes open and stop playing around all day. your reputation outside is already very bad. "

Mother Wen was furious. This daughter of hers, Yueyue, had gone too far. She changed her boyfriends several times a year. She was not worried at all despite the rumors.

Wen Qing was unconcerned. She reached out and admired her nails."It doesn't matter. If you can't get married, your brother-in-law will support you."

Wen Xinya's mother was speechless. How could she say such things?

Aren't you afraid that Wen Yuan will be angry?

wen yuan sipped his tea but did not express his opinion. ye mu bai smiled faintly. Wen Qing can go to my company's public relations department.

Wen Yuan knew what kind of place Starlight's public relations department was. It was Xu Mo's territory, and many public relations officers would drink and sleep with him. Ye mu Bai was quite vicious.

Wen Qing was not a fool. When she heard the mockery, she pursed her lips and did not say anything.

Chapter 3913: can you wear more (4)

ye mu bai stood up at the right time and pulled wen yuan to his side. he said to his mother, ” “Mom, Wen Yuan and I will be leaving first. I’ll go and see ye Hui later.”

Mrs. Wen was startled. aren’t you staying for dinner? it’s already so late.

“no, i won’t.” he looked at wen yuan. ” wen yuan said that you wanted to buy a gift for wen qing. we’re just passing by. let’s have dinner next time. ”

after he finished speaking, his eyes were deep.

How could mother Wen not know that she had offended ye mu Bai today? regardless of whether it was Wen Qing or her, ye mu Bai was angry, but he was restraining himself.

He must have felt that he had mistreated Wen Yuan and allowed Wen Qing to speak without thinking. In fact, mother Wen did not think that ye mu Bai cared much about Wen Yuan in the past. It was only because of the children’s Union that Wen Yuan was the one who was hot-headed in the past.

...

However, she did not think so anymore. It was obvious that ye mu Bai cared about Wen Yuan more than she had imagined. She must have been warning herself!

Mother Wen forced a smile. sure. Come back when you’re free next time. I’ll make a good meal for you.

ye mu bai smiled and left with wen yuan.

As soon as they left, Wen Leyang's mother turned around.

wen yuan was sitting on the sofa, admiring his new bag with an infatuated look on his face. his mother said coldly, "Wen Qing, watch your words in the future."

Wen Qing didn't even lift her head. She was still admiring the bag and said indifferently, "mom, what do you need to be careful of? in the past, Wen Yuan wouldn't get angry even if I talked to him like this. Look at her now. She doesn't have a temper anymore.

"but ye mu bai has a temper." "anyway, just be careful," mother wen said in a more serious tone.

"What's there to be careful about? They don't have a good relationship, and brother-in-law suspects that sister has a mistress outside. They'll get a divorce sooner or later." as wen qing spoke, she suddenly seemed to be deep in thought, and her eyes blinked with an evil light. "mom, sister can marry the two brothers. after they get divorced, brother-in-law can marry me too! "

Mother Wen was stunned. When she regained her senses, she immediately slapped Wen Qing. She was so angry that she almost fainted. shut up. I won't let you off if you say such things again.

Wen Qing covered her face and bit her lip. "mom, you're biased!"

mrs. wen was infuriated. "when did you become so immoral? ye mubai is your brother-in-law. remember this clearly. if you dare to do anything to him, i'll break your legs. otherwise, you can leave the wen family. "

wen qing was unconvinced,"how am i not as good as wen yuan?" I'm younger than her and I know how to dress up, but she only knows how to seduce men in secret. Ye mu Bai has long since abandoned her. "

! wen qing, are you really going to throw away your dignity just for! few bags!! mother wen sneered!

she was so angry that she didn't want to talk to her, so she went upstairs to sleep.

mom, ” Wen Qing called from downstairs, ” I haven’t eaten yet. It’s my birthday today.

“just pretend i didn’t give birth to you.” Mother Wen said coldly.

she was really furious. wen qing and wen yuan had completely different personalities-but both of them made her worry.

She recalled what happened just now. It was obvious that mu Bai had done it on purpose, but Wen Yuan was very cold and did not pay any attention to mu Bai. How could this go on?

wen qing was right. mu bai had seen all kinds of beautiful women in the entertainment industry. if one day he felt that wen yuan was boring and sick of him, what would wen yuan do?

Just as mother Wen was worried, ye mu Bai had already brought Wen Yuan into the car. When he started the car, he said calmly, ” “to my mother’s place?”

Wen Yuan looked at the time. It was already past 12 o ‘clock. It would be rude to go at this time. Besides, night Hui would take an afternoon nap.

Chapter 3914: Can you wear more 5

“let’s go outside and eat!” he said.

Wen Yuan glanced at him and did not object.

He drove her to a vegetarian restaurant. Business was good and it was mealtime, so there were many people.

Ye mu Bai went over, and the manager led him directly to the private room. It could be seen that he came here often.

The private room was not very big, but it was very clean and elegant. The waiter immediately brought over a pot of high-quality tea and asked for their orders. Ye mu Bai calmly replied that it was the same as before.

mr. ye, mrs. ye, please wait a moment. ” the waiter said with a smile.

...

Wen Yuan took a sip of the tea. It tasted surprisingly good, so she took a few more sips.

Ye Mubai watched the waiter leave before he looked at Wen Yuan.

wen yuan sipped his tea obediently. he looked at her clothes again. in fact, what wen qing said was true. wen yuan usually dressed himself up a little older and would not look outstanding. the reason why he had never objected to it was because she was at home and they spent most of their time in bed. he was more concerned about her body.

he was the only one who needed to know about his wife’s figure. it would be best if other men did not know ...

this was ye mu bai’s dark thoughts.

wen yuan looked up and saw him. his gaze also fell on her face. after staring at each other for a long time, he smiled faintly and said, ” “The tea here is pretty good.”

She hummed uncomfortably.

ye mu bai also picked up his teacup and sipped on his tea. after a while, he suddenly asked, ” “Does it still hurt?”

Wen Yuan was stunned for a moment before he bit his lower lip.

he looked at her expression and chuckled.

he didn't feel sorry for last night's bad behavior at all.

wen yuan drank half a cup of tea before he was about to talk to him about last night's incident. the waiter had already served the dishes, so she could only forget about it.

The dishes were all served, six dishes and a soup. They looked pretty good.

Ye mu Bai took a piece of vegetable for her. try this.

She wasn't used to it. She rarely ate alone with him, either at his parents 'place, at her parents' house, or at banquets, so they rarely ate face to face like this.

She ate it in silence. The taste was surprisingly good.

When he looked up and saw his deep gaze, Wen Yuan asked softly, " "why aren't you eating?"

He took a sip of tea. how's the taste? "

"It's pretty good." She smiled and watched as the waiter left. Then, she turned her gaze back to ye mu Bai. Just as she was about to speak, he put down his glass and looked at her. " wen yuan, are you sure you want to discuss this with me now? "

She was stunned, and his voice became even more hoarse. "we'll talk about it tonight."

For a moment, she was speechless and did not say anything more.

Indeed, this was not a good place to discuss matters!

During the meal, he did not eat much, but Wen Yuan did. When he left, he paid the bill and his eyes looked a little distant."it seems like this place is to your liking."

for a moment, she did not know why he was suddenly so good to her. he was not like this in the past.

he only knew how to torture her in bed.

” wen yuan, it’s not that i don’t want to be good to you. you didn’t give me a chance. ” he smiled slightly and reached out to hold her hand. she wanted to pull him away and not let him.

After that, he held her hand and led her to the parking lot. He opened the car door for Wen Yuan to get in. When he got in the car, he suddenly said, ” “it’s still early. let’s go shopping!”

#### Chapter 3915: Can you wear more (6)

Wen Yuan’s face was turned away. When he heard his words, he turned around and looked at him for a long time before saying, ” “I don’t have anything to buy.”

ye mu bai looked at her quietly and said, ’i want to buy you something! wen yuan, don’t you think it’s weird for us to argue like this?”

she lowered her eyes. ” that’s the life of a housewife. she’s not as good as a working woman. ”

he sat, his fingers rubbing his chin, and said very slowly, ” “You still want to go to work?”

she did not make a sound.

“wen yuan, is this the only way i can please you?” he continued.

...

she was a little surprised by the words he used and looked at him in a daze.

ye mu bai smiled and said, ’do you want to open a piano store or go to a school to teach? Anything is fine.”

She looked at him in surprise. He had his hands on the steering wheel and his smile deepened. “but i have a condition.”

“i can stay at home,” wen yuan replied subconsciously.

he chuckled and started the car without saying any conditions or work.

After a while, the car arrived at Yin Tai square. He got out of the car first as Wen Yuan did not feel like getting out.

He walked over to open the car door for her. Wen Yuan, there’s a hotel up ahead. I heard that the suite is not bad!

She glared at her and slowly got out of the car. When her feet touched the ground, she frowned, and ye mu Bai noticed it.

He supported her and said in a hoarse voice, ” “I won’t do it again.”

he had indeed been too rough last night.

wen yuan did not say anything and walked in with him. they had almost never gone shopping together, except for the one time when they had just gotten married. she did not know what he was going to buy for her, so she just followed him.

she thought that he would probably buy clothes for her because wen qing had complained about him today. however, he didn’t. he took her to a lingerie and pajamas store.

“I don’t lack this.” She bit her lip and refused to go in.

Ye Mubai was calm. you can wear whatever you want outside. I don’t think your taste is so bad that it’s unsightly. However, pajamas and underwear are the right of a husband.

“i do.” wen yuan bit his lip.

ye mu bai looked at her and said, ” “the style is too conservative.”

He was walking in front when she suddenly pulled him back. “ye mu bai, no!”

he looked at her expression seriously and then smiled. ” “For this kind of thing, the man has the final say.”

Wen Yuan was a little angry, but she knew that if she did not give in to him, he would probably play those perverted games at night again. She was really scared.

Ye mu Bai walked straight into a high-end lingerie shop, and each set cost at least ten thousand Yuan. Wen Yuan said softly, ” “Wait for me outside.”

ye mu bai furrowed his brows. ” don’t your feet hurt? sit down. i’ll help you pick! ”

of course, wen yuan was not willing to do so, but he was very strong.

in the end, she could only sit there and pretend not to know him, turning her face to the side.

ye mu bai looked at her and smiled faintly. then, he walked over to help her choose.

wen yuan was a little worried that he had made a mistake in his measurements. he called out to him reluctantly, ” “zhenzhen, don’t get it wrong.”

he looked at her and revealed an ambiguous smile. wen yuan turned his face away, unwilling to look at him again.

there were not many customers in the store, but there were a few women. however, he was helping her to choose carefully. he spent more than half an hour helping her choose four sets of underwear and three sets of pajamas. although they were not very sexy, they were very feminine. wen yuan’s face turned red when he saw that he had swiped his card to pay.

## Chapter 3916: I will wait for you to love me (1)

Ye mu Bai, on the other hand, was very at ease as he walked toward her with the bag. "Let's go,"

She stood up and followed behind him. you said you agreed to let me teach.

ye mu bai did not stop walking. " you like being a teacher so much? "

Her voice was very soft. I don't want to stay at home all the time. It's too idle. Ye mu Bai, you don't want me to play mahjong all day, do you? "

This time, he stopped in his tracks and his gaze fell on her face quietly. After a while, he smiled."Actually, there's nothing wrong with that."

wen yuan looked at him quietly. he now understood that he had only agreed to let her work casually. he did not take it seriously at all.

...

"Are you angry?" ye mu Bai smiled again.

"No, I didn't," this time, wen yuan was walking in front. he was obviously angry.

He stood there for a while before following her.

after getting into the car, the atmosphere was a little depressing. he held the steering wheel with both hands and was silent for a while before saying, " "Wen Yuan, let me think about it."

As he spoke, he turned his head and looked at her quietly."You know what I mind."

At this moment, the pressure from his body came again. It was a familiar feeling to her.

All of his previous ease was an illusion.

the reason why he didn't let her work was because he didn't want her to come into contact with kang qiao. he didn't trust her.

Wen Yuan's expression slowly turned cold. She looked at him and did not say anything. After a while, she turned her head to look out of the window.

At this moment, it was as if the magic had disappeared. All the ease from before had disappeared, and they were back to before.

ye mu bai's fingers were on the steering wheel as he said in a low and hoarse voice, "wen yuan, wait for hanhan."

"i'll wait until you love me," he said, turning his head to look at her.

She looked at him and finally knew that there were some things that he would not allow.

all of a sudden, it was as if all the strength in her body had been sucked out. she leaned back on the seat and said weakly, "ye mu bai, you don't need to do this."

after the hope, there was only deep disappointment.

Perhaps he thought that it was good for her to be Mrs. Ye, but she was not happy at all, not at all.

And he didn't know.

Wen Yuan stopped talking. He pursed his lips and looked out of the car window, feeling a little tired.

she felt very tired.

Ye mu Bai started the car and went to su Fu and Hao Yun's place together. Because the couple had a fight, Wen Yuan had no intention of bringing ye Hui back after seeing her.

She was a little disheartened. If she had just made do with this marriage in the past, she really did not know how to get along with him now.

he had always been too self-centered and determined everything for them. his desire to control was getting stronger and stronger. he wasn't like this in the past.

wen yuan thought silently as he leaned back in his chair. it was already ten o'clock after leaving dinner at su fu's place and coaxing ye hui to sleep.

Wen Yuan looked out of the window and at the neon lights that filled the sky. He had mixed feelings.

Ye mu Bai was focused on driving and did not have any intention to speak. The atmosphere was quite stiff.

half an hour later, the car stopped at the villa and wen yuan got out.

Then, ye mu Bai also opened the door and got out of the car. He looked at her back view, then at the clothes he had bought in the car, and followed after her.

As he walked into the living room, he noticed that most of the servants were already asleep and the room seemed empty and lonely. He looked up and saw that Wen Yuan had already reached the second floor.

ye mu bai smoked a cigarette downstairs before he went upstairs.

Chapter 3917: i'll wait for you to love me (2)

When he pushed open the bedroom door, he saw Wen Yuan sitting there. He was neither taking a shower nor sleeping. He seemed to be waiting for him.

He placed the bag on the sofa beside her and put down his coat. He smiled faintly. "You don't like it?"

wen yuan shook his head. ” no. ”

“are you still angry about what happened in the afternoon?” he sat down and smiled.

“how about you?” Wen Yuan looked into his eyes. ye mu Bai, are you still angry about what happened the other day? ”

“there is.” he gave her a definite answer, ’because i care, so i’m angry.’

...

Wen Yuan laughed in anger. really? what about you? ” Lin sisi, Lin Danni, how many times do I have to get angry? Ye mu Bai, I admit that I liked you in the past, but it’s also up to me not to like you. It’s my freedom.”

after she finished speaking, she saw that his expression had turned very ugly.

He stared at her in shock and said slowly, ” “You’ve finally said what’s in your heart. If you don’t like me anymore, Xuxu Wen Yuan, then who else can you like? Kang Qiao? I’d like to see what you can still like about him after he’s turned into nothing.”

wen yuan’s breathing stopped for a moment. then, she blinked her eyes gently. she could not believe that he would say such a thing. ” ye mu bai, can you not be so despicable? ”

“sure.” He leaned over and held her head with one hand, pressing her against his.

“As Long As You Love Me,” he said in a low and hoarse voice.

wen yuan’s voice trembled as he said,”ye mu bai, you can’t be stubborn. this matter between us has nothing to do with anyone else.”

“i can!” he stared into her eyes and said, ” Wen Yuan, you know that I can do it, Hanhan. I told you not to see him, didn’t I? ”

Her face was pressed against his, and tears fell from the corners of her closed eyes. ye mu Bai, you weren't like this in the past!

“yes, was it like this in the past? at that time, i felt guilty and regretful, so i tacitly agreed that you went back and forth with kang qiao and yu yan for two to three years. you were so happy when you received his gift that you would spend two hours alone in the study room looking at it. At that time, Qianqian ”

he stared at her expression. ” at that time, did you ever think that i was your husband? at that time, you only thought of other men. ”

“i didn't.” she didn't want to explain to him that those were all from kang qiao. they were all the places that she wanted to go to, and he would send her a gift every time he went to a place, pretending that she had been there before. but even so, ye mu bai interpreted it as an ambiguous message.

She denied it, but he did not believe her. He squinted his eyes and stared into her eyes.

his voice was very, very soft. ” don't tell me you don't have any feelings for him at all. it's not like this at all. ”

“i really didn't.” finally, wen yuan could not take it anymore and pushed him away in a frenzy. ” “ye mu bai, don't give me more scenes.”

“if you want me to believe you, sure,” he smiled.

She looked at him, her heart thumping.

His thin lips softly spat out a few words, ” “Please me!”

Wen Yuan was shocked. Then, he said very softly, ” “ye mu bai, we are husband and wife.”

He reached out and placed his hand on her face, his long fingers gently caressing her delicate skin. His voice was hoarse.”it's normal for couples to do this. didn't i do it for you?”

His fingers gently caressed her red lips, as if he was playing with them, but more like he was teasing her emotions and trying to make her lose control. "I remember that you used to like doing this. Why Don't You Love Me anymore? can't your body accept it?"

Chapter 3918: i will wait for you to love me (3)

He leaned forward again and pressed his lips against her ear. His voice was sexy and clear. I heard that many women like this. Wen Yuan, you don't like it, huh? "

She couldn't bear to listen to him anymore. Biting her lip, she said, " I'm not as low as you.

"Is that so?" his smile disappeared. " you and kang qiao, platonic? "

As he spoke, he grabbed her hair. He did not use much strength but it still hurt her. Wen Yuan endured the pain and slowly raised his head."are you going to use force on me again?"

"I won't," He laughed lightly and quickly let go of her. His eyes swept over the underwear and pajamas bag at the side, and his smile was bitter.

He said, " Wen Yuan, I don't think I can move you no matter what. No matter how hard I try to be a good husband and a good father, you don't seem to see it.

...

She lowered her eyes, not understanding why he had said before that he would wait for her to love her, and now he was like this. Were men all fickle?

Ye mu Bai got up and walked to the door of the bedroom. He did not say anything, but Wen Yuan knew that he had really slept in a separate room from her. In fact, she did not care ...

And he was probably just angry at her for not caring!

she sat quietly for a while before taking a shower. after changing into her pajamas, she couldn't fall asleep.

every time she quarreled with ye mu bai, she would go to the study room to see what kang qiao had given her.

Wen Yuan carried a huge box and opened it in front of the desk. He took out many things from it. Even a leaf represented freedom.

she looked on quietly. marrying ye mu bai did not mean that she had lost herself. she felt more and more that ...

He did not understand her!

Wen Yuan picked up a specimen and thought to himself bitterly, 'perhaps ye mu Bai did not have the time, energy, and interest to understand me. He bought me a pair of undergarments just for my physical enjoyment.'

When he said those words just now, she felt that it was very insulting.

In his heart, was there only sex between husband and wife?

Her dream was probably worthless in his heart! She thought that there was nothing to explain.

So be it if they slept in separate rooms or had a Cold War!

When she put the box away, she turned around and saw ye Mubai's expressionless face. He was standing by the door in a black nightgown, and his entire aura was so gloomy that it seemed like black wings would grow out of him at any time.

wen yuan stood there without moving.

he stared at her and then smiled. "are you done admiring it?"

after that, he turned around and left.

thus, the cold war began. apart from restraining himself before thinking about the south, he pretended to be calm. however, although they lived in the same villa in private, they almost never saw each other. when they did, they treated each other as air.

Of course, this Cold War was almost one-sided by ye mu Bai. Wen Yuan had been very calm all this while, as if nothing had happened.

He came back later and later, and as usual, there would be some gossip that would appear in the entertainment headlines. Whether it was true or false, it was quite difficult for the public relations department of Starlight to do it. This kind of thing could be done with some public relations. Why did it have to appear in the headlines?

on a weekend afternoon, xu mo asked wen yuan out for tea. it was a quiet afternoon and everything was comfortable.

The two of them sat face to face. Xu Mo lowered his head and gently stirred the liquid in his coffee cup. He took a sip and looked up. Wen Yuan, how's your relationship with your wife recently? ”

“why do you ask?” Wen Yuan smiled and took a sip as well. It was a little bitter because she did not add sugar.

Chapter 3919: wen yuan, what 2000 words are you talking about?

Xu Mo rolled his eyes. you don't read the news? ”

Wen Yuan stirred the soup gently with a spoon. “you mean those scandals?”

Xu Mo was quite a Rascal in front of ye Mubai, but he was still very reliable when it came to Wen Yuan. rumors can also become true. Wen Yuan, have you been treating President ye too lightly for the past two years? the woman in the news yesterday was about to hang her entire body on

President ye. The headline was just shocking, so I won't say it. Anyway, I'll give you a reminder. If a man has been hungry for a long time, even a sow will look delicate.

"you're going to drink in jars again?" wen yuan could not help but laugh.

Xu Mo said seriously, "but there's nothing wrong with that. After the banquet last night, President ye and this investor lady went out for a drink alone. I heard it from Secretary he. It's absolutely reliable. 'wen yuan, you should be more careful. there are so many women out there who are eyeing ye mu bai. he's good-looking, rich, and has a child. which woman doesn't like him?' You're the only one who is calm."

When Xu Mo said the last part, he felt a little angry. Some people just easily took everything in and then felt that it was nothing.

...

Wen Yuan was like this, so she was worried for him.

wen yuan flicked his hair. "you've said it a few hundred times. i still stand by my words. if you can get over it, then get over it. if you can't, he'll let you go. "

Xu Mo was a little upset. She reached out and placed her hand on the back of Wen Yuan's hand. it's all in the past, Wen Yuan. You have to look forward. Yes, you blame him for hating him, but try to accept the life you have now. You'll feel better.

Wen Yuan's smile turned a little bleak in an instant. I want to live a good life, but he needs me to live the way he wants. Xu Mo, it's hard on me.

Xu Mo sighed. Wen Yuan, do you know how many women envy your life? you don't have to work hard. You can do whatever you want.

Wen Yuan looked down and smiled when he looked up. "Xu Mo, if I give you this kind of life, do you want it? do you feel very happy? The things you want to do aren't allowed. The only things you're allowed to do are take care of the children at home or go shopping."

"do you still play the zither?" xu mo asked in a low voice.

“Very few. He bought a grand piano and placed it at home. In the past, he would still play it, but now, he’s really not interested in it. Xu Mo, I’m starting to find marriage more and more boring. I feel like I’m just a decoration in his house.” wen yuan said in a low voice, ” his business has been doing very well for the past two years. his company has gone public and many women have thrown themselves at him. he’s making me look like an old hag at home. i have to make myself look pretty in case my husband has an affair. ”

when wen yuan had just started to like ye mu bai and even when she married him, he was not like this. she liked his carefreeness and not the control-lust he had now.

Xu Mo licked his lower lip. Wen Yuan, did you ever think that doing this every night is because you care? ”

if you don’t care, then you won’t care so much. you can do whatever you like!

the reason why he controlled himself was because he was afraid of reigniting his old feelings with kang qiao!

“you and kang qiao?” xu mo carefully asked.

“There’s nothing wrong with starting over again.” “By the way, didn’t he say that he was with you?” Wen Yuan asked faintly.

xu mo’s expression became a little strange. wen yuan was not a fool. how could he not know?

then, the two of them fell silent.

Xu Mo placed his hand on the back of her hand and whispered, ” I like Kang Qiao, but he likes you. Wen Yuan, Qianqian, you should really think about it. You can choose between Kang Qiao and President ye. I don’t think you’re as unmoved as you said. I’ve seen it all these years. Really, think about it. He’s a good man who has been waiting for you.

Wen Yuan shook his head subconsciously.

xu mo smiled again. ” don’t think for me. i really don’t want a man who doesn’t like me. why do you want to make things difficult for yourself? ”

wen yuan sighed,”it’s impossible between kang qiao and me!” Sometimes, I’m so close, not now, but before I met ye mu Bai. Now, I don’t love ye mu Bai anymore, and I don’t seem to have the ability to fall in love with someone else. I can’t find the feeling of falling in love at first sight anymore.”

in fact, it was not that they could not find her. for example, the day he took her to the vegetarian restaurant. although it was only for one meal, wen yuan felt differently about her. if he had not said those words to her, she would have thought that she was in love again.

she was a little disappointed, but she didn’t want to tell him.

After parting with Xu Mo, Wen Yuan saw that it was getting late, so he called the driver at home and asked her to pick xiangnan up from school.

When she picked up Xiang Nan, Xiang Nan was particularly happy. She ran over and hugged her. “Mom.”

wen yuan took the bag from his son’s hands and smiled. ” “Mommy will take you to eat something good.”

xiang nan looked up. ” what about dinner? daddy said we can’t eat a lot of junk food outside. ”

“just eat a little, it’ll be fine!” “But if you don’t think it’s good, we’re not eating anymore?” Wen Yuan changed the topic.

aren’t you fine? ” she asked anxiously.

Wen Yuan laughed and got into the car with his son. After fastening the seat belt, she turned to Xiang Nan in the back seat and said, ” “Don’t tell daddy.”

Xiang Nan happily said no.

When Wen Yuan started the car, there was a faint smile on his face. He thought that Nan and ye Hui's days would not be too difficult.

to ye mu bai, it was not too bad to exercise at night. however, he had not done so recently. it had been quite a few days since the couple had slept in separate rooms, and they had not even done it once.

He did not look for Wen Yuan, and Wen Yuan would not look for him. Hence, he owed him.

Ye mu Bai was suppressing a ball of fire both physically and mentally. He came back early today and went to the house to ask the servants. The servants said that Madam had gone out and that they were picking Xiang Nan up.

Ye mu Bai looked at the time and saw that it was already half past five.

he threw his coat on the sofa, sat down, took out his phone, and made a call.

when wen yuan received ye mu bai's call, he was in xiangnan's KFC. xiangnan's expression was indescribable as she held the fried chicken in her hands. it was as if it was a delicious dish. she thought, 'he's always a child.'

when she heard ye mu bai's voice, she felt a little troubled.

"where are you and xiangnan?" ye mu bai tugged at his tie.

wen yuan's heart ached as he looked at xiangnan, who was hugging the winged bucket with her eyes wide open. she only ate it once a year. if she went back now, xiangnan would be very disappointed. so, she lied, " xiangnan and i are in the bookstore. "

ye mu bai paused for a moment before he said with certainty, " "Wen Yuan, you're lying."

When he said those words, Wen Yuan felt as if he was being judged. Xiangnan was sick before but he had recovered. Qin Chen had also said that he was a healthy child and there was no need to raise him so extravagantly. It was not good for boys either. However, ye Mubai insisted that xiangnan was not allowed to eat outside. Wen Yuan had no choice but to secretly take xiangnan out to eat a little occasionally.

## Chapter 3920: wen yuan, what are you doing 2

Ye mu Bai waited for her to remain silent for a long time, so he coldly said, ” “i can smell the smell of fried chicken from here.”

His tone was cold and mocking. Wen Yuan was stung and blurted out, ” “the things you do outside, i feel disgusted even through the screen.”

Ye mu Bai was stunned. He did not expect Wen Yuan to say that.

wen yuan was also stunned, but he could not help but feel happy. then, she made a big decision, ” “i’m staying in a hotel with xiangnan today. i’m not going back.” Anyway, they would be sleeping in separate rooms when they went back, so there was no difference.

ye mu bai frowned and said, ’wen yuan, do you know what you’re talking about? you’re not a child anymore, and now you’re trying to run away from home? what do you want? divorce?”

Wen Yuan listened to his flustered and exasperated tone, but she remained calm. After a long time, she only said one sentence, ” “Ye mu Bai, if that’s what you want.”

...

she hung up the phone after she finished speaking.

after hanging up, she was a little worried about xiang nan. she was afraid that he would be unhappy, but xiang nan’s eyes were already wide open. her voice was trembling with excitement. ” mom, are we not going home today? ”

before wen yuan could answer, xiang nan spoke again, ” ” i want to stay in a themed hotel. i also want bai anan to stay with me. mom, can you call aunt shirley? ”

Wen Yuan was completely stunned. He wanted to ask Xiang Nan, but Xiang Nan had already lowered her head and was happily eating the fried chicken.

After eating two pieces of chicken legs, she couldn't bear to eat anymore and said, "mom, i'll leave this for anan to eat with her. her dad doesn't allow her to eat it."

wen yuan had an indescribable feeling in his heart. then, she thought for a while."Let's bring ye Hui over, okay? If you can't finish this, then don't eat it. Mom can call for delivery from the hotel later."

Xiang Nan thought about it. Ye Hui was fine too, but ye Hui had just grown a mouth of small teeth and didn't know how to eat many things. However, Xiang Nan was a little warm man, so he said shyly, "i'll feed my sister."

wen yuan smiled and got into the car with xiang nan.

She drove straight to su Fu's place. It was already dinner time. It was a little abrupt and not Wen Yuan's usual style.

Su Fu was eating with Xiao Ye Lai Hui. The little fellow was wearing a beautiful little dress and was sitting upright. When he saw Wen Yuan and Xiang Nan coming over, he happily called his mother and brother.

su fu was also surprised, but she immediately called for the auntie to serve the food. hao yun went to do it herself.

"thank you, uncle hao." wen yuan smiled and carried xiangnan to his seat. he sat down and began to fight with su fu.

su fu looked at wen yuan. "you're here to pick up ye hui? "

Wen Yuan had actually wanted to take ye Hui under his care for a long time. However, now that she and ye mu Bai had gotten into such a mess, she gave up after some thought.

"I want to bring ye Hui back to stay for a night. I will send her back tomorrow." wen yuan said softly.

Su Fu was sure that there was something wrong with the young couple's relationship. In fact, both his parents had seen it. Their relationship had not been good for the past two years. It was neither cold nor indifferent. The problem was still in the past. No one could help Wen Yuan's knot in his heart. No matter how handsome and rich her son was, he was not attractive to Wen Yuan.

she could tell that wen yuan liked mu bai in the past, but it was hard for him to flirt now.

Wen Yuan was just like her in the past. She used to love ye zhenggang for many years, but after the incident with mu Bai and Xue Li, she could no longer love him. Now, Hao Yun was by Wen Yuan's side. This person was Kang Qiao, mu Bai's sore point.
