

## Thank you 3921

### Chapter 3921: Wen Yuan, what are you doing 3

Su Fu sighed in his heart. He was afraid that his son would follow his father's path. Mubai was mature, but he was not as experienced as Mulin. This was also the reason why ye zhenggang let his boss enter politics instead of Mubai.

su fu's heart was in turmoil, but he still maintained a calm smile on his face. he called wen yuan to eat and turned around to pack a set of clothes and a set of small pajamas for ye hui. xiang nan excitedly asked ye hui to put on the little piggy's shoes.

It was so formal that su fu knew that Wen Yuan would probably not be home tonight. She did not say anything and even prepared snacks for the two children.

wen yuan and bai sulli were two wives. sulli was closer to her. although she was not particularly thoughtful, she was still cute. wen yuan's personality was like another su fu. in su fu's eyes, they were friends, but they were still daughter-in-law. there were some things that could not be said.

after sending them to the car, wen yuan turned around and said, " mother, i'll send xiangnan to school tomorrow and bring the night hui back. "

"if you want to bring her out to play in the future, you can come anytime. i'll be at home." su fu was very understanding.

...

wen yuan was a little touched. she knew that su fu had noticed something, but she did not say it. his thoughtfulness had touched her. even her own mother could not compare to su fu.

wen yuan started the car and looked at the two little ones in the rearview mirror. xiang nan and ye hui were especially happy, especially when xiang nan even carried ye hui onto his lap and took care of her like a little adult.

they had a very good relationship as brother and sister. besides being brother and sister, they also thought that nan had ye hui's blood.

While Wen Yuan was driving, su Fu gave ye Mubai a call. Mubai, what's going on between you and Wen Yuan? "

"I'm fine." Ye mu Bai was sitting in the living room with a glass of red wine in his hand. He was rubbing his forehead with the other hand as he felt a slight headache."Mom, why do you ask?"

Su Fu's voice was always soft and gentle."Wen Yuan has been here and he took ye Hui away."

"What?" Ye mu Bai sat up straight and asked in disbelief, " "What does Wen Yuan want to do?"

su fu was slightly angry. " she can't do anything. she said that she will send the night hui back tomorrow morning! "

"Oh, I see. that's good to hear." ye mu bai leaned back again and said in a low voice, " mom, there's nothing between us! "

Su Fu was silent for a while before saying, " mubai, i know that you're powerful and capable now. i'm proud of you as a mother. however, as his wife, wen yuan won't feel comfortable when he sees all the gossip about you. you know that she has a knot in her heart. if you want to provoke her in this way, it will only make her heart feel colder. mubai, think about it carefully. don't lose her. wen yuan is a very good woman. you just don't understand her. "

With that, su Fu hung up the phone and sighed.

hao yun poured her a cup of tea and put her arm around her shoulder. " "don't worry, they have feelings for each other."

"mubai's feelings came too late, and the way was wrong." Su Fu said in a low voice, " I used to stay at home all day like Wen Yuan. Later, I went out and found out that the world is so big. I've lived in vain. But Mubai thinks that it's better for Wen Yuan to stay at home. I know what he's thinking. He doesn't want Wen Yuan to be exposed to the outside world, especially Kang Qiao. If Wen Yuan really retaliates one day and goes out, that will be the start of the battle between the husband and wife."

it's good that he's causing a ruckus. Otherwise, it'll be like the movement of the earth's crust. If you don't let him vent, he'll erupt like a volcano. hao yun said with a smile.

su fu rolled his eyes at him. "you're getting better at bullshitting."

the old couple helped him upstairs to sleep. before he went to bed, su fu touched his side and said, "I'm really not used to not having Little Night fennel."

"You're addicted," Hao Yun laughed.

"You don't like it?" su fu rolled his eyes at him. "you wake up more times at night than i do. do you think i don't know?"

After she finished speaking, Hao Yun remained silent for a long time. Su Fu pulled on his pajamas and said, "what's wrong?"

He lowered his head and looked at his wife. Then, he said guiltily, "If I had come to you earlier, we might have had a child, as cute as ye Hui."

su fu leaned into his arms and muttered, "It's enough for me to have you. You see, we still have many children. An an, ye Hui, and Nan Zhizhi."

the night slowly grew late, and he didn't speak much. he was sleepy.

Chapter 3922: wen yuan, what are you doing 4

as for ye xiangnan and ye hui, the night had just begun.

wen yuan brought them to the four seasons hotel and booked a presidential suite. the fried chicken had also been delivered. then, it was time for the two children's pajamas party. when they pushed

open the themed room, little ye hui cried out and immediately pounced on the soft big bed and rolled around. she even rubbed her hands excitedly.

After Wen Yuan settled them down, he closed the door and let them play by themselves. She went to the living room outside.

every presidential suite in the four seasons hotel had a piano that was worth a million dollars. of course, the room fee was not cheap either. it cost more than 100000 dollars a night. of course, wen yuan could afford it. she could always transfer tens of millions into her card. this was the benefit of being a mrs. ye.

She sat in front of the piano and slowly opened the lid. She placed her ten fingers on the top and gently played. The melodious music poured out, and it was indescribably pleasant to hear.

wen yuan sat up straight and played the song starry sky based on his memory. she sat in front of the floor-to-ceiling window and watched the starry sky outside as she slowly played the song. she felt wonderful.

...

she liked the occasional out of order. without ye mu bai, no one would call her mrs. ye.

she could do what she liked, and no one would look at her while she was playing the piano, and guess that she was thinking about kang qiao.

He didn't understand her and had never tried to understand her. He said that she loved him, but she couldn't feel it. She only felt possession.

wen yuan had always been an independent individual. she did not like this feeling. she did not like to be controlled by others. she had endured for two years before she had this night.

She played for two hours and had a great time.

the two children were tired from playing, so she went to take care of them. the two of them lay on the bed, their little faces full of satisfaction.

wen yuan then remembered that xiang nan had not finished her homework. she hesitated for a moment and decided to be willful for once.

after kissing the two little ones, she returned to the master bedroom and took a bath. the bathtub in the five-star presidential suite was extremely luxurious. there was even a wine cabinet in the cabinet next to it. wen yuan rarely indulged himself, but tonight, she wanted to indulge.

she poured herself a glass of red wine and gently swirled it before taking a sip.

she drank a few glasses in a row. in the middle of the night, there was a glimmer of light in the corner of her eyes.

His cell phone was ringing. From the sound of the ringtone, it should be ye mu Bai. However, Wen Yuan did not want to answer his call.

She didn't want to hear his voice, and she didn't want to see him.

she willfully drank one glass after another, not thinking about tomorrow or the future.

She didn't even think about ye mu Bai.

On the other side, ye mu Bai was standing in front of the floor-to-ceiling window of the villa. He stood there quietly.

he was surrounded by loneliness. he did not know how he and wen yuan had come to this.

Was it wrong for him to want her to love him?

She didn't care about his scandals. She only cared if she could go out to work and be Mrs. Ye at home.

he was willing to give her everything, as long as she stayed at home and by his side.

He had been standing there and had not eaten. The servant at home came over and said in a soft voice, ” “sir, you haven’t eaten yet. do you want to eat?”

“no need,” He said calmly.

for a long time, the servants behind him did not say anything. he turned around and said, ” “what’s wrong?”

“sir, madam used to wait for you to come home for dinner.” the servant hesitated.

then, he waited and waited, and then he stopped, because he couldn’t wait.

when wen yuan was waiting for ye mu bai, he was busy entertaining clients. he was busy in the entertainment industry and playing games of power and money.

Chapter 3923: wen yuan, what are you doing 5

however, he had never betrayed wen yuan or their marriage.

It was as if he and Wen Yuan had walked into a strange circle. He could no longer give Wen Yuan the life that he yearned for, and she did not want everything that he had given her.

It was actually very boring for a couple to go this far, but he didn’t want to give up.

wen yuan, on the other hand, wanted to leave this world. however, she had not found a good opportunity.

Was she finally going to explode now?

Ye mu Bai stood there and called her again in the middle of the night, but she still did not answer.

...

She did it on purpose. She probably didn't want to pick up his call!

he asked her to find out which hotel she was at. it was already midnight. he struggled to get up and serve him. in the end, she found out that it was the four seasons hotel. Mrs. Ye has booked a Presidential Suite there, the kind with a theme room.

"i know," ye mu bai replied.

He put away his phone and turned to walk into the master bedroom, which he had not been in for many days.

the bedroom had a european style and the decorations were based on wen yuan's preferences. the decorations in the room were also picked out by her one by one. he was too busy to spend time on such small things.

Ye mu Bai sat on the sofa and held his forehead. He felt a slight headache.

He thought about his mother's words for a long time before he let out a long breath.

since she was not around, he was sleeping in the master bedroom. wen yuan's unique scent was on the pillow, faint but extremely seductive.

He held her pillow in his arms impatiently, thinking that he had not held her for a week.

\*

Early in the morning, at the Four Seasons Hotel.

wen yuan had already slept. he wanted to go to school at eight o'clock in the south and she would only wake up at eight-thirty.

When she woke up, she saw a message on her phone. It was from xiangnan's teacher, politely asking why ye xiangnan hadn't gone to school yet, and if he was sick or not.

wen yuan had to carefully say that he was late for his homework. then she remembered that xiangnan had not finished his homework, so she called out to him again. she patted her head and hurriedly woke xiangnan and ye hui up. she ordered breakfast when the children were brushing their teeth. it was already nine o'clock when they left.

When the door was opened, ye mu Bai was standing there.

She was stunned for a moment.

Ye mu Bai immediately saw the piano in front of the floor-to-ceiling window. He looked at it quietly and then said, "the school teacher said that xiangnan hasn't gone to school yet. he said that he finished his homework late, yingluo."

Wen Yuan was a little embarrassed and did not know how to answer.

He walked in and reached out to carry ye Hui. He kissed her and then patted Xiang Nan's head. go to school! Thinking of the South at night, this will be the only and last time."

xiang nan was dejected. "yes, dad!"

wen yuan wanted to speak, but his eyes swept across the room sternly. "It'd be best if he finished his homework."

"Dad, I didn't write it." Xiang Nan's head hung even lower.

he looked at his son and did not criticize him. he only said lightly, "you can explain it to the teacher later, understand?"

xiang nan nodded and obediently followed.

Ye mu Bai personally drove him to school, and he focused on driving. After Wen Yuan and the two children got into the car, mu Shang's car stopped at the school gate. Xiang Nan picked up his small bag and said with a dejected look, " Goodbye, Daddy, mommy.

then, he went over to kiss his sister. he thought about it a little, but he didn't regret it. he had a very happy night last night. people always had to pay for their actions, and the price was to write the text ten times.

#### Chapter 3924: Being severely punished by 1600 words

Half an hour later, ye mu Bai dropped Xiang Nan off at school. He got off the car and carried Xiang Nan inside.

Ye xiangnan looked at his father, his eyes wide open. dad!

"if there's anything i want to say, i'll tell you tonight. ye xiangnan, you're a boy. do you understand what i mean? whose fault is it that you didn't do your homework?" He looked at his son with a serious expression.

ye xiangnan's little mouth opened, and then he said gloomily,"It's my own fault, it has nothing to do with mom."

Ye mu Bai reached out and touched his son's hair. "At least you still have some backbone. Go in! I'll go back and get a meal tonight, understand? boys yingluo "

"i know, don't cry out in pain, don't cry." xiangnan sniffled. " bye, dad. "

...

Ye xiangnan jogged in. Ye mu Bai looked at her for a while before getting into the car. He had not seen ye Hui for a few days. He opened the door of the back seat, took little ye Hui out, and kissed her. "I'll send you back to grandma's house."

“Baby wants to go home.” Ye Hui’s eyes widened.

although grandma was very good and she especially liked her, she wanted to be with her parents more.

ye mu bai was stunned for a moment, but he still agreed. ” okay, daddy will call grandma and tell her that our ye hui will go over after a while, okay? ”

Little ye Hui nodded happily.

ye mu bai placed her back in her seat and looked deeply at wen yuan. wen yuan licked his lips and said, ” send me to the hotel. my car is there. ”

He ignored her and closed the car door.

wen yuan was a little bored. it was not until he got into the car and buckled his seat belt that he said calmly, ” ” i’ll get the driver to drive it back. give the car keys to old zhao. ”

Wen Yuan did not object anymore. The thought of Nan Chi arriving and not doing her homework was enough to send her to the 18th level of hell, as if she had always been a bad mother.

wen yuan did not say anything. he drove the car back to the villa. he had not seen ye hui for a long time so he did not go to the office. he only brought her to play. when little ye hui was tired, she would lie on his body and sleep.

ye mu bai carried the little fellow to the children’s room and watched him quietly for a while before returning to the master bedroom.

Wen Yuan was reading a book on the sofa in front of the floor-to-ceiling window. He walked in and slowly unbuttoned his shirt, revealing his wheat-colored skin.

Before Wen Yuan could react, he reached out and pulled her up, holding her in his arms. His voice was hoarse. you reek of alcohol! Go wash it off.”

“you don’t need to care.” she put her hands on his shoulders and pushed him away, but not only did she not push him away, but both of them fell on the sofa. he bent his legs and trapped her under him.

“ye mu bai, are you going to use force on me again?” She turned her head and her eyes were a little red.

“What did you do last night? can you tell me?” he whispered in her ear.

She refused to say, and she didn’t want to say.

Ye mu Bai raised his eyes and stared at her for a while. Then, he got up and started to unbutton his shirt.

wen yuan buried his face in the pillow and said with a trembling voice, ” “Ye mu Bai, don’t do this to me.”

he unbuttoned his shirt and whispered, ” “You’re my wife. Why can’t I touch you?”

His hand had just touched Wen Yuan’s shoulder when she shrank back and buried her face deeper. “go to the bed.”

She still gave in because she was no match for him at all. It was useless for her to resist. He would only make her cry and hurt her more forcefully and rudely.

but now, he wanted to make her do her on the sofa and make her cry. he deliberately made her naked while he was neat and tidy, which was even more shameful.

as wen yuan said no, he had already pressed down on her. at that moment, she burst into tears.

They had not been together for many days and he was very anxious. He did not torture her as slowly as he usually did, but he was not rough and would not hurt her too much. Wen Yuan buried his face in his hands and cried intermittently.

don’t cry, okay? ” ye mu Bai’s voice was hoarse.

She was still crying, her beautiful hair covering half of her face, and the tip of her nose was red from crying.

his heart softened a little, and he had an incredible feeling. he reached out to brush her hair aside and kissed her nose, then her red lips for a long time before he murmured, ” “are you uncomfortable?”

she turned her face around. her side profile was very attractive, and her red lips were slightly parted, making a very seductive rustling sound.”i don’t want to tell you.”

“then who do you want to talk to, huh?” He held her slender body in his arms, very satisfied with the way he carried her.

Wen Yuan bit his lip and did not speak, silently bearing with him.

Then she cried again. Why was he not well?

Ye mu Bai pressed his lips against her ear and said in a low and hoarse voice, ” why aren’t you screaming? Wen Yuan, I like to hear you scream. Hmm? ”

she felt ashamed to be pressed down on the sofa in the bedroom and tortured by her husband during the day, especially when ye hui was still at home. he probably sensed her thoughts and chuckled, ” “ye hui is asleep. she won’t hear you even if you scream a little louder.”

Wen Yuan finally opened his eyes and was stunned. His expression was demonic.

He kissed her and said expressionlessly, ” “One more time?”

Wen Yuan was lying on his stomach with his head buried in the pillow. He was still crying in a low voice.

He laid on her back and bit the soft flesh behind her ear. it’s been so many days. Wen Yuan, did you miss me, huh? ”

she didn't say anything, so he didn't let her go and started to torture her again. he said while warming up,"but i miss you, do you feel that?"

his thoughts were jade-like, and wen yuan only felt ashamed.

ye mu bai only let her go when it was almost dark.

## Chapter 3925: severely punished (2)

On the luxurious big bed, ye mu Bai stood up satisfyingly and tidied his clothes. I miss Nan. You should pack up and come out for dinner later.

when he left, wen yuan was still lying on the soft, snow-white bed. she was biting the pillow. the pillow had long been bitten by her until it was unbelievable. the bedroom was also filled with an ambiguous smell. she felt pain when she moved her body. she knew that this was ye mu bai's punishment for her last night's loss of order.

the two children were at home and wen yuan could not lie down no matter what. besides, there were traces everywhere in the room and she had to clean it up.

she pushed herself up, took a shower, and tidied up the bedroom. the rest of the room was fine, but the bed and sofa were not to be seen.

She changed the bed sheets, brushed off the sofa with a small brush, and dried it with a hairdryer.

ye mu bai pushed the door open and saw wen yuan blowing on the sofa. he frowned. " "Just let the servants do it."

...

After saying that, he closed the door, concerned about her face.

Wen Yuan bit his lip. I'm not you.

he walked over and took the hairdryer from her. "We're a married couple, it's normal for us to do it on the sofa once in a while. If you really can't let it go, you can call a professional to come and wash it."

"there's no need for others to see," she said, lowering her eyes.

Ye mu Bai put the hairdryer away and looked at her. you don't have to be so bothered. It's normal for other couples to say that.

"Oh, really? But they did it of their own free will." wen yuan smiled. "let's go eat."

Her smile was very faint, and ye mu Bai wanted to grab her hand.

she shook him off. "i'm tired. i don't want to be entangled with you anymore."

He stared at her and smiled faintly. I don't have time to pester you at night. I missed Nan Zhizhi and didn't do my homework. I played outside until midnight. How do you think I would treat your son?  
"

as he spoke, he reached out and held her delicate chin. his voice was also soft. "xiangnan is a boy. he should be punished for his mistakes."

After he finished speaking, he let go of her and turned to leave. Wen Yuan hurriedly grabbed his clothes and said in a low and hoarse voice, "Ye mu Bai, this has nothing to do with Xiang Nan. Don't hit him."

Ye mu Bai was very strict with Xiang Nan. If he made a mistake, he would be punished by the Family Law. He had beaten Xiang Nan once before and used a cane to whip him. That time, Xiang Nan almost lost his breath.

nan's body was so weak, how could he stand him like this?

wen yuan's body was still in pain, but she immediately ran over and hugged him from behind. " ye mu bai, i beg you not to hit him. it's my fault. i shouldn't have brought him out and let him eat fried chicken buns. if you want to hit someone, hit me. "

he turned his head and smiled very softly."wen yuan, what's the big deal about me hitting you?"

wen yuan hugged him tightly and refused to let go.

as long as she thought of the time when xiangnan was beaten, her heart would ache so much that she couldn't breathe. she would feel particularly uncomfortable. she said in a despicable manner,"mubai, don't hit him. my heart will ache."

He stood still and said in a low voice, " "wen yuan, why don't you feel sorry for me?"

"You have everything," she said in a daze.

he turned around and gently pressed a hand on her shoulder, but he did not answer her question. " " i'm not satisfied. wen yuan, you know what i want. i want a normal wife, not a woman who often goes to the study room in the middle of the night to think of other people when she can't sleep. i want a woman who can treat me sincerely. i don't want a woman who looks like i'm sleeping unwillingly every time we have sex. do you understand, hmm? "

### Chapter 3926: Severely punished (3)

wen yuan stared at him in a daze. after a long while, he muttered, " ye mu bai, is this all you want? "

he did not speak.

"As long as I do what you say you want, you won't think about Nan, right?" she continued.

he still didn't make a sound and only lit a cigarette.

wen yuan took a step back and slowly walked into the study. after a while, he carried a box out. she called for the servant and said softly, ” “throw these away!”

The servant hesitated and Wen Yuan said again, ” “we don’t need these, throw them away,”

...

the servant threw it away.

wen yuan stood there for a while and turned around. she walked in front of him, stood still, and said in a low voice, ” “I’ll take care of other things at night.”

before she could finish, he grabbed her wrist and raised it up.”wen yuan, have you thought it through?”

she chuckled softly. ” ye mu bai, do i have a choice? you always use your body to solve your problems. what else can i do other than obey you? divorce? ”

She shook her head. will you give me xiangnan and ye Hui? ”

He gave her a meaningful look and said, ” “wen yuan, you’re very smart.”

His long and cold fingers gently stroked her red lips, and his voice was also very light.”I’ll be waiting for your performance tonight.”

She turned her face away, not willing to be touched by him.

he smiled and walked out first. ” “It’s time to eat,”

Wen Yuan tidied up his emotions in the bedroom before walking out. Xiang Nan and ye Hui were sitting at the dining table. Xiang Nan’s face was a little pale, probably because he was a little scared because he was going to be punished.

wen yuan couldn't bear it and gave him a piece of rib. he said very gently, " "Mom and dad told us not to hit you."

Xiang Nan was a little bewildered. This was because his father had never changed his mind once he made a decision, especially when it was a decision based on his principles. Thus, he shifted his gaze to ye mu Bai, his eyes filled with desire.

" your mother is pleading for mercy. don't do it again, " ye mu bai said in an extremely calm tone.

Only then did ye xiangnan relax. He rubbed his P \* s as if he had just survived a disaster and let out a long breath.

ye mu bai looked at wen yuan meaningfully after he finished speaking.

Wen Yuan pretended that he did not see anything and ate quietly.

Ye mu Bai didn't say anything and took care of the two children to eat together. Nan was especially obedient today. Not only did he eat by himself, but he also took care of his younger sister. He was indeed a little warm man. After he finished eating, he brought ye Hui to his room and even showed her his comics while he did his homework.

ye mu bai was very satisfied with his son's performance. he went to the study room to settle some matters. when he returned, he saw xiang nan finish his homework and went to sleep with little ye hui.

The two little ones were lying in half a row. Ye Hui turned her body sideways and hugged her brother with her chubby little hands. Her pinkish little fingernails were all pink. Ye mu Bai's heart felt warm when he looked at them.

He kissed Xiang Nan and said in a low voice, " "you're not allowed to do this in the future."

"dad, will you change your mind?" xiang nan was worried.

ye mu bai smiled. " no. "

he reached out and pinched the little fellow's face. in fact, he loved his son as much as wen yuan did. it was just that wen yuan spent more time with the child than he did.

He closed the door and turned to walk into the master bedroom.

Wen Yuan had just taken a bath. He had changed into a set of pajamas and was drying his hair in front of the dressing table. He could recognize that the pajamas she was wearing were bought by him for her. She had never worn them before, but she was wearing them tonight. It was obvious that he was trying to please her.

Chapter 3927: severely punished by 1400 words

he walked over quietly and hugged her shoulders from behind, burying his face in her hair.

She had washed her hair and it smelled fresh and nice.

His touch made Wen Yuan's body tremble slightly.

"Wen Yuan, you look very scared." he nibbled lightly on her neck, and the force made her want to scream.

"What do you want?" she closed her eyes.

"What do you want?" His kiss moved over, and he held her head with one hand to make her turn her head to let him kiss her.

...

he kissed her lightly and his voice became even lower. " do you know what kind of punishment xiangnan had to receive before? "

Wen Yuan did not want to face her. However, he had already picked her up and gently threw her onto the soft bed.

Wen Yuan was lying on his stomach, feeling very ashamed.

he bent down, half-knelt on both sides, and leaned forward slightly, pressing his ear against hers. ”  
“Should I go first, or should you go first?”

wen yuan felt that no matter which choice he made, it would be perverted.

she bit the pillow and refused to speak. he smiled and raised his hand to slap her.

The force was so strong that a red mark quickly appeared. Wen Yuan cried out in pain and buried his face into the pillow.

She was ashamed to be treated like this by a man.

it was clearly the same as buying P shares, but he could play tricks to make her feel ashamed.

Ye mu Bai leaned close to her ear and said with a fiery voice, ” I wanted to let you off at first, but you were the one who wanted to dress like this to provoke me, huh? ”

He hit her every time he said a word. Wen Yuan sobbed and begged him to stop hitting her. However, she did not know that a woman’s crying and begging would only arouse a man’s inner desires.

Moreover, she would beg him in a low voice every time he hit her. Ye mu Bai’s beast blood was almost ignited ...

she cried in a low voice and kept begging him. ye mu bai gently pulled her hair and turned her over. she was in a mess, and he couldn’t help but kiss her. he was so excited after being tortured for an entire afternoon.

“You’re willing to treat me like this just because you miss Nan, and you’re willing to please me, aren’t you?” His voice was extremely sexy, and his warm breath was on her neck. if you didn’t miss Nan, you wouldn’t wear it or do it, right? ”

Wen Yuan was folded in his arms, so fragile that it seemed like he would break at any moment. Half of his black spaghetti strap pajamas had slipped down, and his black hair was scattered on his shoulders like seaweed, looking sexy and seductive.

“Kiss me, huh?” he whispered in her ear.

She trembled uncontrollably. Unwillingly, she raised her face to kiss him. She kissed the corner of his lips. He was not satisfied and kissed her lips directly. He was so fierce that he seemed to want to swallow her up. He kissed her for a long time before he let her go. He moved away slightly and said in a low and hoarse voice, ” kiss down, hmm? ”

they had been married for several years and had done it many times, but she still didn’t know how to do it because she rarely took the initiative. she only needed to lie down and bear it or enjoy it.

Wen Yuan trembled uncontrollably. He clumsily followed his instructions and kissed down bit by bit.

in the end, she cried. ye mu bai reached out and pulled her up. he held her in his arms and kissed her lips. his voice was very low.”Wen Yuan, remember, this is my taste.”

she went to the bathroom and washed herself three times, but she still couldn’t get rid of the smell. then she sat on the toilet and cried, crying very sadly.

ye mu bai appeared at the entrance of the bathroom. he had already changed into a bathrobe. he looked at her quietly, reached out, and pulled her up. then, he pressed her against the sink.

Wen Yuan was stunned. She looked up at him and said, ” “haven’t you had enough?”

ye mu bai kissed her and did not say a word. he only wanted to kiss her to his heart’s content.

It was not until late at night that he finally let her go. His voice was low and hoarse.”wen yuan, you’ve starved me for too long.”

she cried and was very tired. in the end, he carried her back to the master bedroom and helped her clean up.

That night, he slept beside her. While Wen Yuan was sleeping, he heard his voice in his ear, ” “Can’t you be a little more obedient?”

Early in the morning, it was already nine O ‘clock when Wen Yuan woke up. The pillow was empty.

She lay on her stomach and was a little out of it. When she thought about what happened last night, her face was hot and she felt ashamed.

She calmed herself down and went out. After asking the servants at home, she found out that ye mu Bai had sent Xiang Nan himself and brought ye Hui to the office.

The servant hesitated for a moment. Sir said that Madam should get up and go to the office. Sir has a meeting in the afternoon. Little Miss wants to take a nap.

wen yuan said that he got it and she went back to the bedroom to wash up.

She had mixed feelings. She did not want to see him. Every time she saw him, she would be reminded of the bad things he had done last night. However, Wen Yuan could not leave ye Hui in his office.

After she freshened up, she had breakfast and went to his company.

when they arrived, it was almost 10:30 pm. the front desk lady saw wen yuan and, this time, they had gotten to know each other. she respectfully sent president ye’s wife to the elevator and smiled as she said, ” “President ye is waiting for you.”

wen yuan forced a smile and walked into the elevator.

## Chapter 3928: severely punished (5)

When they reached the top floor, Andy stood up to welcome them. Madam, President ye and the little Miss are inside.

“madam, you might have forgotten that starlight entertainment’s annual gala is today,” she said after a pause.

wen yuan had indeed forgotten that ye mu bai had mentioned it before. however, she did not take it to heart and they quarreled after that.

only when andy mentioned the person did she remember, so she pushed the door open and went in without saying anything.

ye mu bai was not working. he was sitting on the sofa and playing with building blocks with ye hui. little ye hui was fully focused. she had two pigtails and was wearing a floral dress. she looked very happy and seemed to be very happy to be with her father.

Wen Yuan looked on quietly. He suddenly felt that everything that had happened last night was worth it.

...

although it was a little unbearable!

she walked over, and ye mu bai raised his eyes. ” you’re here? ”

she made a sound of acknowledgment and sat beside ye hui. ye hui raised her eyes and looked at her mother. then, she had some thoughts. she stopped playing with the wooden blocks and leaned into wen yuan’s arms, calling her mother.

wen yuan hugged her for a while and then put her on his lap to accompany her. ye mu bai looked at her for a while and patted wen yuan’s shoulder. ” “You accompany her, I’ll go handle some work.”

He walked over as soon as he finished speaking. Wen Yuan turned to look at him and was a little surprised at his good stamina.

He had done it many times last afternoon and night. Wasn't he tired?

Wen Yuan did not know where he got his stamina from but she was still very tired and sleepy. She thought of what Andy had said and now she understood why he did not leave any marks on her neck and arms. Also, why did he bring ye Hui over? if ye Hui was here, she would have to come over.

wen yuan was a little lost in his thoughts while ye mu bai was flipping through some documents behind his desk. he would occasionally look up and see her. " let's have lunch together in the afternoon. in the afternoon, you take a nap with ye hui. a stylist will be here at four. "

"I think Nan and ye Hui will also be participating."

wen yuan was stunned for a moment.

ye mu bai was not a high-profile person. wen yuan knew why he was doing this.

He just wanted to create a happy family of four in front of Kang Qiao!

"Can Xiang Nan, ye Hui, and Wan Wan not participate?" Wen Yuan asked in a low voice.

he looked at her.

Wen Yuan lowered his eyes. ye mu Bai, I can give you whatever you want. However, I don't want my child to be exposed.

"you're right," ye mu bai smiled.

this was considered an agreement!

However, Wen Yuan knew that she would have to pay the price ...

after lunch, ye hui fell asleep while wen yuan splashed his face with water in the bathroom.

Ye mu Bai appeared in the mirror, and one of his arms easily wrapped around her waist. She was forced to straighten up and lean into his arms.

Wen Yuan looked at him in the mirror, and so did he. After a while, he buried his face in her shoulder.”what are you thinking? are you thinking about how to face kang qiao tonight?”

“Ye mu Bai, can you not keep mentioning him! i told you i have nothing to do with him, and i won’t have anything to do with him in the future. why do you always torture me for someone who has nothing to do with you?” Wen Yuan could feel that he was nibbling on her. She resisted. ye Mubai, don’t kiss here. it would leave a mark.

after she finished speaking, she heard him laugh in a low voice.

Then, he looked up at her. are you afraid that he will see? ”

she wanted to say something, but there was a pain in her shoulder. she opened her eyes and looked at the decadent look in the mirror. that feeling of despair appeared again. he did not believe her. he could possess her if he wanted to. no matter what method he used, as long as he was happy.

Chapter 3929: Are you satisfied now?(1)

He didn’t care about her feelings or what she thought. He insisted on his own way.

at this moment, wen yuan was very tired.

There was a very dark-colored Hickey on her shoulder, and it was very ambiguous. She looked at it quietly and said softly, ” “Ye mu Bai, are you satisfied now?”

He looked at her in the mirror and adjusted her clothes for her. take a nap. The stylist will be here at three.

at this moment, wen yuan really wanted to not care about anything else and disregard everything. she only wanted to say a few words to him: "I don't want to continue living like this!"

Was it wrong not to love him anymore? did she have to be tortured by him like this?

...

She had been too tired and aggrieved as a glamorous Mrs. Ye. She lived in the shadows as if she couldn't see the sun and had lost herself.

She did not resist anymore. She went to the lounge to sleep and did as he said.

ye mu bai looked at the closed door and furrowed his brows. in the end, he clenched his fists.

At three O'clock, the driver sent ye Hui home and the stylist came over to style Wen Yuan. Andy had arranged for Dior to send over the Spring 2020 edition. It was a long tulle dress with ashes and Dior's exclusive logo on the shoulder. The entire dress was very flowy and spread out from the waist in layers, making it seem as if the waist was not long enough to be held.

The stylist then tied her hair up and matched it with a pair of high heels. The effect was super good.

Mrs. Ye is so good-looking. She looks a little like sister Chiling. The stylist praised.

Ye mu Bai, who was standing at the side, smiled when he saw the Hickey on her shoulder.

the stylist had seen the world after all. she had already seen it and pretended not to see it. she only sighed in her heart. mrs. ye is so beautiful. that's why president ye loves her so much!

Ye mu Bai stretched out his hand and touched that area gently. Then, he took out a box from his pocket. Inside the box was a single diamond necklace with a Red Diamond. There was a two-carat diamond hanging from the thin chain, and it looked very dazzling.

wen yuan looked at it quietly. the diamond was beautiful and many women wanted it. however, in her eyes, it was like a shackle that bound her.

He hugged her from behind and rested his chin on her head. "Do you like it?"

Wen Yuan said calmly, "very beautiful.

"Is it just beautiful?" he laughed softly, and then the smile in his eyes slowly disappeared. "It's not even as good as the eastern Pearl he gave me, is it?"

wen yuan turned around and said, "ye mubai, you're so boring. can you stop mentioning kang qiao? everything you did was because of kang qiao. do you mind him so much because you love me or are you afraid that i'll make you a cuckold and ruin your reputation? "

"There's actually another way, Zhenzhen," she said, somewhat unable to take it.

he didn't look too good and motioned for the others to leave. then he reached out to hold her chin and leaned over. "wen yuan, don't even think about it. just be mrs. ye tonight. "

he looked at her and then dragged her out. however, after taking two steps, he pulled her back and pressed her against the door to kiss her. he kissed her deeply. wen yuan was in pain and tried to push him away but he could not move him at all.

Her lips were slightly swollen from his kiss, and she was a little absent-minded, her heart almost racing out of her chest.

Ye mu Bai's voice was very low and hoarse. Wen Yuan, remember this. You are mine. You are my woman. You are my wife. You will be my wife for the rest of my life.

her legs were a little weak, and she could barely stand. she leaned against the door and smiled gently. "Is that so?"

"don't challenge me, " he said unhappily. "otherwise, you'll know that you won't have a good time. "

## Chapter 3930: are you satisfied now? part 2

The dinner was held at the largest hotel in B city, and in front of the hotel was Starlight Yiyi.

Ye mu Bai appeared with Wen Yuan.

he held wen yuan's hand and walked on the red carpet with his back straight. ye mu bai was naturally handsome, and wen yuan was not inferior to him at all.

She was wearing a long, smoky-colored dress, which was very dreamy. With the fire Diamond on her collarbone, she was dazzling.

Previously, many people thought that ye mu Bai's wife rarely showed up because she was not outstanding. However, tonight, they saw that she was as beautiful as a fairy, and they clearly had a very good relationship.

ye mu bai could feel the palms of the person beside him sweating. he smiled charmingly at the camera and muttered, "nervous?"

...

wen yuan did not say anything. he stood with him at the end of the red carpet at the back for the interview. he was at ease and smiled lazily. occasionally, he would look at wen yuan with an affectionate gaze.

wen yuan did not know if he was tired from acting. she forced a smile, feeling a little numb.

ye mu bai had just been interviewed and was going to be photographed with wen yuan. it was already good enough to hold hands, but he held her in his arms and placed his arm on her shoulder.

"you don't have to be so close to me," wen yuan muttered, not used to it.

"didn't i tell you? this is the price you have to pay." he lowered his voice even more and then walked towards the banquet hall with her in his arms.

in the banquet hall, the melodious sound of a violin was already playing. the emcee excitedly introduced ye mu bai and wen yuan to all the guests. ” we would like to warmly welcome president ye and mrs ye. ”

Wen Yuan’s body stiffened when he stepped in, because he recognized that it was the sound of Kang Qiao’s zither.

Many years ago, when she was leaning against a tree, Kang Qiao would stand by the window and play this song. It was called “summer night.”

wen yuan felt as if he had returned to the past.

She knew that Kang Qiao was telling her not to lose herself. He was telling her that she was Wen Yuan and that she once had a dream.

Wen Yuan stood still. She looked at Kang Qiao quietly with a dazed look in her eyes.

At this moment, ye mu Bai held her hand and went on stage. He started to give a short speech that lasted about two to three minutes. Then, the host, Yi Yi, announced the start of the dance.

in the song ” summer night “, ye mubai started the dance with wen yuan in his arms. the combination of a handsome man and a beautiful woman was especially pleasing to the eye. wen yuan was in his arms, and she could feel kang qiao’s gaze. she lowered her eyes, unwilling to look and listen.

In a daze, she finished a song. She wanted to retreat, but her waist was held.

She looked up in surprise and saw a pair of deep eyes. His voice was very low.”kiss me.”

ye mu Bai? ” Wen Yuan was stunned.

he held her waist and forced her towards him, his voice even more hoarse.”Kiss me!”

she saw the determination in his eyes, so she bit her lip, tiptoed over, and gently kissed his lips. however, her waist was immediately pressed down, and she had no way to retreat. she muttered in a daze, "Ye mu Bai!"

He was very close to her. Wen Yuan slowly moved his lips closer to hers and touched his lips lightly. She thought it was just a light kiss, but just as she was about to move away, he suddenly held the back of her head and kissed her lips fiercely ...

Everyone present was stunned!

it was a deep kiss!

Moreover, it was in a public place. President ye kissed his wife in public and it was very embarrassing.

wen yuan's body stiffened in his arms. she opened her eyes and looked at him.

He was the same.
