

Thank you 3931

Chapter 3931: are you satisfied now?(3)

The song "summer night" in his ears was a mess. Kang Qiao quietly watched ye Mubai kiss Wen Yuan and the girl he had loved for many years in another man's arms.

the strings of the zither snapped, and the music came to an abrupt end.

The scene was also silent. Only ye mu Bai's slight panting and Wen Yuan's embarrassed look could be seen.

she raised her head and was forced to look at him. ye mu bai's fingers gently caressed her face and his voice was extremely hoarse."I want to take you away now."

his voice was especially low, and it was filled with wen yuan's familiar desire.

and she was unable to resist.

...

He would have to attend the social event eventually. Wen Yuan did not like to be in the limelight, even though she was the hostess of the event.

She sat alone on the sofa in the balcony, holding a glass of red wine in her hand and looking out at the dark night.

the building was very tall, and from here, one could see the outside far away. neon lights were flashing everywhere, looking very beautiful, just like kang qiao's "summer night."

wen yuan looked on quietly, feeling very lonely.

she didn't know when kang qiao had appeared behind her. his figure was reflected on the glass opposite her with a glass of red wine in his hand. wen yuan didn't turn around and only asked softly, "Why did you accept this event?"

Kang Qiao walked to her side, but he didn't sit down. He lowered his eyes. maybe he didn't give up!

"What about now?" Wen Yuan's voice was indifferent.

Kang Qiao's eyes drooped, and his voice was low, Wen Yuan, I only want you to be happy, no matter who it is.

she raised her head and looked at kang qiao. she suddenly felt a little willful, or rather, she resisted ye mu bai.

"kang qiao, i want to play the piano." She looked at him, her eyes filled with countless stars.

kang qiao smiled and agreed.

Because he could tell that she was unhappy!

five minutes later, wen yuan sat in front of the piano in front of the floor-to-ceiling window. kang qiao set up the violin beside her. he lowered his head and looked at her. one look was enough to confirm the other party.

she played a song of joy. she had not finished it for a long time and could not even remember the tune clearly. however, wen yuan just played it casually. she did not care even if he played it wrong.

Because he was very happy!

Kang Qiao was by her side, playing the violin to echo her. When she was wrong, he would also be wrong. One after another, they seemed to be chasing each other, strangely blending together.

In the hall, the guests who were originally in twos and threes were slowly attracted and then looked at the stage.

this was the most brilliant ensemble they had ever seen. it wasn't an exaggeration to say that it was brilliant. mrs. ye was dazzling on stage, like a fairy.

Ye mu Bai held the wine glass in his hand and stared at Wen Yuan who was on the stage. She looked very happy. She had never been so relaxed in the past few years ...

he finally saw the stars in her eyes.

and this was the happiness that another man brought to her. at this moment, she probably didn't know how beautiful she was.

outside the floor-to-ceiling window, the sky was full of stars. her clothes fluttered as if she would fly away at any time, as if he couldn't catch her.

he had been with her for a long time. perhaps he had fallen in love with her, but he had also loved someone else. however, at this moment, ye mu bai's heart was moved for the first time.

Her side profile was very beautiful. It was a standard oval face that was very gentle.

the way she played the zither was elegant and lively, and her eyes were full of stars.

Ye mu Bai felt a little drunk at this moment, and all of this was because of his wife.

he watched her quietly until she finished the last note. he stepped forward and stood beside her, leaning forward ...

He kissed her!

Chapter 3932: first time being moved 1

a light kiss landed on her forehead, and his voice was very hoarse. ” “You played really well.”

wen yuan's fingers were still on the keys of the zither. ye mu bai's breath surrounded her. she was a little dazed because he was not angry.

ye mu bai was actually not angry!

"is that so?" wen yuan's voice was very soft.

He bent over and sat next to her. He turned his head to look at her. "i'll play a song with you, okay?"

wen yuan was surprised. " you can play too? "

...

He smiled.

In fact, with a family like theirs, there was nothing they couldn't do. They would always dabble in it when they were young, but they didn't play much later on.

While they were talking, Kang Qiao left quietly.

natsuya, I guess, " ye mu Bai continued. this song is not bad.

as he spoke, he had already started the prelude.

Wen Yuan had no choice but to play with him. She saw Kang Qiao leave from the corner of her eye, but she didn't say anything. Perhaps this was the best for him, Huahua.

Ye mu Bai played the piano surprisingly well. Moreover, his fingers were long and beautiful, and it was very pleasing to the eye.

Wen Yuan looked at his fingers and suddenly thought of a certain scene. Her face heated up and she played a few wrong notes.

ye mu bai tilted his head to look at her and smiled.”Wen Yuan, what are you thinking about?”

“no, i didn’t,” Her quick answer made people suspicious.

Ye mu Bai just smiled and did not say anything else. He just continued to play the piano. He was really good at it, so good that Wen Yuan felt that he was the one who had guided her. He was so good that she felt embarrassed to go out and play the piano for a living since he was an amateur.

he was simply an all-rounder!

After he finished playing the song, he turned to look at her. “do you still want more?”

he asked with a smile and wen yuan could not refuse.

That night, President ye put aside all his business and focused on accompanying his Mrs. Ye. They played the piano for the whole night. Then, the scene of Wen Yuan and Kang Qiao performing together and ye Mubai playing together quickly went to the hot search #night’s elf National goddess. Those two videos simply blew up Wen Yuan’s looks. The most discussed below was whether the goddess and Kang Qiao were more compatible or whether she was more compatible with the former Best Actor. However, the identity of the goddess was revealed very quickly. She was the best Actor’s wife, Wen Yuan.

ye mu bai was in the car when he saw this wave of trending searches. in less than half an hour, it was pushed to the top of the trending searches by his former fans and kang qiao’s fans.

He leaned against the back seat of the car and scrolled through the comments. Some of them said that Wen Yuan and Kang Qiao were a good match, while others said that he and Wen Yuan were a good match. However, when he saw that some people concluded that she was ye mu Bai’s wife, he smiled slightly.

Wen Yuan had drunk a little too much and was sitting on the other side of the RV’s back seat. He had taken off his high heels and was curled up there. His pair of feet were exposed outside his skirt, white and delicate.

Ye mu Bai looked at it quietly. Then, he saved a video of him and Wen Yuan as well as a few photos that he liked. He then called his Secretary, he na. remove all the hot Searches about Wen Yuan, no matter how much it costs.

he na was actually looking at the hot search as well. she was amazed by her own madam ye's beauty. after receiving the call, she felt that it was a pity, but she still obediently went to remove the hot search.

after all, wen yuan was not an artiste and his status did not need to be searched. president ye did not want his wife to be seen by many people. sigh, she was so beautiful!

ye mu bai hung up the phone and looked at wen yuan. she was looking at him and her voice was hoarse."What's wrong?"

Chapter 3933: first time being moved 2

he didn't say anything, but just grabbed her into his arms and kissed her hard for a while. then he said to the driver in front, " "drive the car to the four seasons hotel in front."

The old driver in front simply didn't know how to drive. President ye couldn't wait to start driving now?

Wen Yuan was also stunned. She was a little drunk, but not too drunk. She knew very well why he took her to a hotel, and he even chose the Four Seasons Hotel.

She instinctively rejected him, but ye mu Bai was not someone who would easily change his mind, especially when it came to matters involving men.

He pressed a button, and the back seat was separated from the front. He held her in his arms and reached out to untie her hair. Her long hair spread out and fell on her face, making her look very beautiful.

the back seat was filled with the alluring smell of wine.

...

ye mu bai gently licked and kissed her chin. he put his hands through her hair and murmured as he kissed her, ” “when you were playing the zither, you looked at my hand. what were you thinking about?”

“I’m not thinking about it.” Wen Yuan bit his lip.

“You’re lying,” His thin lips moved to the side of her lips. It was burning hot. Wen Yuan, you’re clearly thinking about how long my fingers are and how I would do this to you.

As he spoke, he succeeded.

“Ye mu, Bai Qingqing, don’t!” Wen Yuan wailed.

he hugged her and kissed the corner of her lips. ” you don’t like it? ”

he began to torture her, rubbing her gently until wen yuan’s heart trembled. however, she did not dare to make a sound because she was afraid that the driver in front would hear her in the car.

Ye mu Bai chuckled and lifted her beautiful chin with one hand to kiss it. you don’t like it? Hmm?”

Wen Yuan could not stand him being like this. It was useless to beg him to take his hand away. Instead, he treated her even worse. She could not stand it anymore and could only hug his neck and bite his shoulder hard.

ye mu bai felt a little pain, but he did not care about it. his eyes were fixed on wen yuan as he looked at her soft appearance in his arms. it was very tempting.

He leaned close to her ear and whispered in a hoarse voice, ” “Comfortable?”

She could not say a word. She lay in his arms in a mess and her face was pressed against his neck. It was hot. At this moment, her passion was mixed with the smell of alcohol. It was the most attractive. Not only ye mu Bai, but Wen Yuan also fell in love with her. It was as if he had a demon’s disease.

when she woke up, he carried her into the presidential suite. he kicked the door open, carried her into the master bedroom, and threw her on the soft and large bed.

wen yuan's black hair was scattered on the snow-white pillow and he looked very gorgeous. the smoky gray dress he was wearing was very sexy. ye mubai bent over to kiss her, cupped her face, kissed her, and praised her skin. he had never said such sweet words to her before. how beautiful was she?

but now, he wanted to tell her that it was because he had really fallen for her.

he was very moved. he wanted her very much. he wanted to take her for himself.

he kissed her for a long time, then looked up at her intoxicated face and chuckled. ” “You like it too, don't you?”

wen yuan's expression was a little absent-minded. she stared into his eyes and reached out to hug his neck gently.

ye mu bai kissed her lightly for a while before he reached out to caress her red lips. he let her hold his finger while he teased her gently.

Wen Yuan resisted and turned his face to the side, but he did not let her go. He chased after her and forced her. Wen Yuan was forced to cry.

“How's the taste?” he laughed in a low voice.

Chapter 3934: First heartbeat (3)

wen yuan's face was so red that it didn't look like it. however, she had no choice. he kept teasing her and letting her taste it.

In the end, she couldn't take it anymore and bit his finger.

Ye mu Bai's eyes darkened, and he retracted his gaze. He cupped her face with both hands and kissed her again and again. He had never been so patient before. It was as if he had a lifetime to do this.

wen yuan trembled and buried his face in the pillow at the side. he ran over and chuckled as he kissed the soft flesh behind her ear. he kissed her again and again until her whole body went soft ...

At the height of their passion, Wen Yuan looked up and tugged at his black hair, begging him to give up.

"Good girl." he consoled her, but he tortured her until she was on the verge of death.

...

he had been very gentle to her the entire night. however, for wen yuan, she even wished that he could be rougher because he was too torturous.

Due to his excessive indulgence, he still overslept the next morning.

when wen yuan woke up, it was already ten o'clock. ye mu bai was still there. she opened her eyes and saw his magnified handsome face. then, she was kissed by him and pressed down on the bed to warm it up.

After the deed was done, Wen Yuan lay in his arms, his entire body devoid of strength. He, on the other hand, still seemed to be restless. She said weakly, "I don't have the strength even if you wanted me."

she was so lazy that she didn't want to get up. it was probably because she felt good last night, so she didn't reject him today. after doing it, she even lay on him, feeling very comfortable.

ye mu bai's hand was on her back, and he paused for a moment. "I'll carry you to soak for a while."

she didn't want to, and neither did he, but he knew that he was a little rough just now and was afraid of hurting her, so he wanted to carry her to take a bath.

after he finished speaking, wen yuan hummed in agreement. " carry me. "

ye mu bai smiled. he got up and carried her to the bathroom. five minutes later, wen yuan was soaking in the hot water comfortably in his arms. she was half-awake as he pressed on her sore muscles.

" ye mu bai, where did you get those six-pack abs from? you don't work out either. " she was lying on her stomach, looking at him from the side like a little girl, her little hands were still in a mess.

He chuckled softly and let her do it. Then, when she cried out in surprise and wanted to move her hand away, he held hers and said in a hoarse voice, " the seventh piece? "

Wen Yuan bit his lip. let go of my hand.

you touched me first, Wen Yuan. How can you be so unreasonable? " He leaned close to her ear and said in a hoarse voice,"settle it."

wen yuan's face was extremely red. she shamelessly refused and continued to lie in his arms.

"Wen Yuan, you provoked me first." he bit her hard on the neck, and she cried out.

After that, he just did it sloppily.

Wen Yuan refused to take a bath, so he carried her to the shower. In the end, he pushed her against the bathroom wall and gave her a half-push and half-push. Wen Yuan really had no strength left and slept until one o'clock in the afternoon.

when he woke up, ye mu bai was still there. he was wearing a white bathrobe and sitting on the sofa, reading some documents. there was a stack of documents on the sofa. it seemed like secretary he had just come by. wen yuan sat up and scratched his head. he wanted to say something but stopped himself.

Ye mu Bai looked up and saw her. He smiled faintly and lazily said, ” “Don’t worry, I won’t let anyone else see you like this, no matter if it’s a man or a woman.”

as he spoke, he put the documents aside, got up, walked toward her, and leaned over to kiss her. ”
“i’ll get someone to bring something to eat. are you hungry?”

Chapter 3935: wen yuan, are you acting coquettishly?(1)

“you haven’t eaten yet?” she asked, a little embarrassed.

ye mu bai did not answer her first. he only touched her face gently with his fingers. after a while, he said in a hoarse voice, ” “I’m very full. I’m very satisfied.”

wen yuan:

ye mu bai stood up and dialed the internal line. he looked at wen yuan and mouthed, ” He put on his clothes.

then, he smiled when he saw her blushing face. after ordering a meal from the customer service, he hung up the phone. ” it’ll be delivered in 20 minutes. you can wash up first. ”

Wen Yuan put on a bathrobe and went to the bathroom.

...

looking into the mirror, she did not recognize herself. her face was red, her hair was messy, and her eyes were misty.

to put it nicely, it was lazy and sexy, but to put it bluntly, it was excessive indulgence.

She stared blankly for a long time before she tied her hair up, brushed her teeth, and washed her face.

after she tidied herself up, she walked out. just then, the waiter who was delivering the food came over. ye mu bai said in a deep voice, ” “let’s go inside,”

Wen Yuan looked at his bare feet and low neckline. He let out an ” ah ” and went back to the master bedroom. He came out after a while.

he still seemed a little unhappy as he sat at the dining table and scrutinized her with his eyes, as if he wanted to burn two holes in her. wen yuan pulled up his clothes and said softly, ” “It’s not like it’s my own clothes,”

He was still glaring at her, but he calmed down after a while and said in a low voice, ” “sit down and eat.”

wen yuan sat down and looked at her clean face. it was clean and there was an indescribable comfort. his heart moved and he said softly, ” “Come here.”

Wen Yuan looked up. I want to eat.

“Come here,” he continued to look at her.

Wen Yuan still went over. As soon as he went over, he was pulled onto his lap and sat down. sit here and eat.

His sudden kiss made Wen Yuan a little uncomfortable. Moreover, it was a little unbearable to be separated by two thin layers of clothes. She bit her lip and said in a soft voice, ” I want to come down.

he had already started feeding her. wen yuan refused to be fed. ” i’m not a little girl! ”

ye mu bai looked at her. ” you want me to feed the little girl? ”

“it can only be ye hui,” he smiled.

“I’ll eat it myself,” Wen Yuan lowered his eyes.

“Eat, or be eaten, choose one!” He insisted on feeding her.

she stared at him and could not stand him anymore. ” “Ye mu Bai, can you not be so shameless?”

He stared at her and smiled. what do you think? ”

Wen Yuan gave in and allowed her to feed him mouthful by mouthful. After he was done, she said in a low voice, ” “Ye mu Bai, only once.”

He looked at her and chuckled in a low voice.”I’ll only do it once, huh?”

as he spoke, he was about to tell her that he had done it many times and could do it many more times in the future. wen yuan’s gaze was difficult to express in a few words.

ye mu bai’s voice was hoarse. ” i’ve already taken my medicine. ”

Her gaze was even more difficult to describe in a few words. He laughed and nibbled the tip of her nose. you’re serious? so stupid!”

wen yuan covered his nose and glared at him.

He smiled and kissed her again. ” alright, go and rest for a while. i’ll go to the company after i’m done eating. ”

“get the driver to pick me up.” Wen Yuan bit his lip and did not leave immediately. Instead, he placed his hand on the back of his chair. Ye mu Bai enjoyed the feeling of kissing him. He chuckled and asked, ” what’s wrong? ”

Wen Yuan hugged his shoulder from behind. get the driver to pick me up.

Ye mu Bai’s body stiffened for a moment. After a long time, he turned around and looked at her. “wen yuan, are you acting like a spoiled child?”

Chapter 3936: Wen Yuan, are you acting coquettishly? 2

she didn't say anything and just hugged his shoulder, placing her face on his shoulder. after a long time, she whispered, " "i don't have any clothes to wear. you tore my dress last night."

He had been so gentle last night. She didn't understand why the dress had been torn.

ye mu bai did not ask any more questions. he quietly finished his meal before he turned around and led her to the master bedroom. he then threw her onto the soft bed and did nothing but kiss her.

he kissed her everywhere, passionately and passionately. after that, he pressed his lips against her ear. Wen Yuan, I don't need to take any medicine when you're like this!

she trembled, and he slowly moved over again, nibbling the tip of her nose. I'll take you to the company. Shall we come back here tonight? "

After all, there were children at home, so he could not be too indulgent.

...

Wen Yuan buried his face in the pillow and said in a low voice, " "ye hui and xiang nan zhi zhi."

" ye hui is at my mother's place. i miss nanjing university. there's a chauffeur and an auntie to take care of us. what are you worried about? "

Men and women were different. Although the love Jade was like a poisonous substance, Wen Yuan was not like him. She was still worried about the child at home.

she wrapped her slender arms around his neck and buried her face in his shoulder. she said in a low voice, " "Let's go back. I want to take ye Hui home."

Ye mu Bai was stunned for a moment. He understood the meaning behind her words and his heart softened a little. He lowered his head and kissed the corner of her lips. "I'll pick up in two days, hmm?"

Before Wen Yuan could say anything else, he had already stood up and retrieved two sets of clothes from the changing room. Secretary he had sent them over earlier. He passed the bags to Wen Yuan and said, "put it on. there's an important meeting in the afternoon."

Otherwise, he would have chosen to stay here for a day.

wen yuan had changed into the clothes that he had prepared for her. it was a beige floral long dress that looked very elegant. she had tied her hair into a bun, looking fresh and clean. she did not put on any makeup and went out with him.

To her surprise, the hotel entrance was swarmed with reporters. Thirty to forty of them surrounded her and asked,

President ye, I heard that you and Mrs. Ye left the banquet early. Are you two spending some alone time? "

President ye, Mrs. Ye's removal from the hot search was your doing, right? "

President ye, you seem to love Mrs. Ye a lot. Are you willing to give our program team an exclusive interview? "

Ye mu Bai's face was cold the entire time. He carried Wen Yuan in his arms and walked straight to the car park. His mu Shang was parked there. He opened the car door and let Wen Yuan get in. He then turned around and got into the car. He fastened his seat belt and did not even bother about the reporters.

on the other hand, wen yuan turned his head to look at him and asked softly, "i'm on the hot search?"

Ye mu Bai fastened his seat belt and looked at her. "I'll give you a gift later."

She let out an "ah" and looked at him.

“you’ll like it.” ye mu bai smiled.

wen yuan just looked at him with a curious expression.

He started the car and drove towards the Starlight building. It was about a 20-minute drive and he arrived very quickly.

He unbuckled his seat belt, got out of the car, and walked into the building with her. He was very busy from the moment he entered the building. He met a few middle and senior management in the lobby and gave them a few instructions. When he arrived at the top floor office, he only sat for a short while before going to the meeting. Wen Yuan stayed in his lounge to catch up on sleep.

when she woke up, he was back, but he was in a team meeting with the two executive vice presidents in the office.

wen yuan lay on the bed in the lounge and thought to himself, where did he get the energy from?

he had done it so many times in one day and night!

Or did he really take the medicine?

Chapter 3937: wen yuan, are you acting coquettishly?(3)

as she thought about it, her face heated up, and she didn’t dare to continue thinking about it.

after about half an hour, he finally had some free time. he walked into the lounge and saw that wen yuan had woken up. he bent down and bit her on the face.”How long have you been awake?”

“Half an hour.” She turned to the side, her expression relaxed and soft.

He really wanted to have sex with her here and now, but he thought that she might not be able to take it, so he gave up and changed to a light kiss.

after a long time, he let go of her and said in a low voice, ” “I’ll show you something.”

Wen Yuan bit his lower lip. ‘What?’

...

He pulled her up, helped her tidy her hair, and then pulled her out.

in his office, wen yuan saw a huge photo and a few smaller frames. in the frame, there was a picture of her playing the violin last night and a picture of her playing the violin with him. on his desk, there was a single photo of her. she was sitting on the sofa alone and looking at the night outside. the side profile of her face was beautiful.

“Do you like it?” He smiled. the one where we played the piano together can be hung in the bedroom as a wedding photo. I want to put this big one in the living room. It will match the decoration.

as for the other few, some of them were in his study room, while some could be placed in her private changing room.

Wen Yuan looked at him and then looked at him. “are these the photos that made it to the hot search?”

He smiled. yes, but I don’t want to share you with others. That’s why they retreated.”

Wen Yuan did not like to be in the limelight either, but she liked these photos very much. She agreed and asked him when he could hang them at home.

“now!” ye mu bai smiled and walked over. he pressed the internal line and instructed secretary he to get someone to do it. after a while, a few people came in to deliver the things to the villa. when they returned, they had already hung them up according to his request.

Their bedroom finally looked like the place where a married couple lived. Wen Yuan looked at the photo frame at the head of the bed and liked it. She looked at it for a long time.

“do you like it?” ye mu bai hugged her from behind.

“i like it.” “why are you doing this all of a sudden?” she tilted her head and smiled.

He whispered into her ear, ” ” because you’re like a little wife now. the reward from last night! ”

wen yuan was furious. he turned around and glared at him. ” ye mu bai, you’re too despicable! ”

“I hate you for yelping so happily last night and biting me all the time, huh?” He wrapped his arms around her waist, rubbed her affectionately, and whispered to her face.

She had never been able to handle him like this. Wen Yuan bit his lip. ye mu Bai!

“are you afraid?” ye mu bai chuckled.

As he spoke, he turned her around and nibbled on the tip of her nose. I’ll let you off tonight!

“Is it fun for ye mu Bai to play with me?” she was speechless.

He pressed his forehead against hers. Mrs. Ye, you hope that I, Yingluo, won’t let you off, huh? ”

“i didn’t!” She snorted softly, then whispered, ” ye mu Bai, our Wanwan.

His voice was as gentle as the night.”I know, Yingluo. I’ll take it slow.”

He knew what she was worried about. They were not only in contact with their bodies, but also their souls.

wen yuan was a little scared.

He comforted her and said that it was okay, he could wait ...

He kissed her, carried her to the study table, and gently gave her, just to please her, not for his own desire. He said he could wait slowly, wait for her to love him.

at this moment, she could truly feel the gentleness and warmth that belonged to ye mu bai.

Chapter 3938: wen yuan, are you acting like a spoiled child?(4)

that night, he didn't do anything to her. after he settled xiang nan 'an, he took her to the study and took out a book for her to read. he was dealing with work by himself.

He said that he had put in a lot of effort for her recently, and he had fallen behind in his work.

after he finished speaking, he planted a kiss on her forehead.

wen yuan looked at him. " you can try to do it less. "

His eyes were full of smiles as he looked at her and laughed softly. " wen yuan, you're clearly not saying what you mean. are you uncomfortable? "

she looked up helplessly. he smiled and pinched her cheek. " alright, stop fooling around. i'll accompany you after i'm done. "

...

"I don't need your company." wen yuan licked his lower lip and said bitterly.

He looked at her and suddenly leaned over. She thought he would do something to her, so she closed her eyes and screamed, but it didn't happen as she expected. He just nibbled the tip of her nose and chuckled."Wen Yuan, you're so cute."

Wen Yuan:

Her face was a little red. He moved away, and the expensive clothes made a soft sound. She then opened her eyes to look at him.

His eyes were still smiling as he stared at her. After a long time, he reached out and pinched her face. silly girl.

Wen Yuan could only pretend to be reading because it was too embarrassing.

ye mu bai walked over. he wanted to light a cigarette, but he gave up when he saw wen yuan. instead, he said to her, ” “wen yuan, make me a cup of coffee.”

wen yuan put down his book and stared at him for a while. then, he got up and went to make coffee for him.

Ye mu Bai was a man who loved to enjoy himself. He was similar to Qin Chen in this aspect, but not as much. He had a very good coffee machine, but Wen Yuan had never really made it. It took him half an hour to make a cup of coffee for him. She took a sip and felt that it was too bitter, so she added some milk and sugar.

He brought it to his face and sniffed it ...

He then looked at Wen Yuan in surprise.

It was beyond his expectations!

she actually added milk to him! and sugar!

However, he still drank half a glass. Wen Yuan coughed lightly and asked, ” it’s not bad, right? ”

he looked at her, then reached out and pulled her into his arms. her body fell on his lap, and he kissed her. their lips were intertwined, and she could taste the coffee she made.

after a long time, he let go of her and said in a low and hoarse voice, ” “How’s the taste?”

Wen Yuan bit his lip and could not help but lick his lower lip like a kitten licking its own milk. He could not help but kiss her again. Wen Yuan sat on his lap and grabbed his shirt like a helpless little girl. After the long kiss, her face was intoxicated and her eyes were misty.

Ye mu Bai chuckled. Wen Yuan, you’ve really given me a great sense of achievement.

with that, he held her in his arms and flipped through the documents with one hand. he stroked her from time to time like he was petting a kitten. wen yuan moved uncomfortably and he said in a low voice, ” “If you move again, we’ll go back to our room? why don’t we do it here?”

Wen Yuan did not dare to move. After some time, her legs were sore and she could not help but say, ” “Ye mu Bai, aren’t you tired?”

“i’m so tired!” “i’ve overdrawn wen yuan,” he smiled.

“I’m not talking about that,” she said, unable to take it anymore.

“but this is what i wanted to say.” He chuckled and then closed the document. I’m not looking at it.

Chapter 3939: wen yuan, are you acting coquettishly? v

he carried her back to the bedroom. wen yuan stuttered, ” “Why?”

“Not as good looking as you.” He hugged her and mumbled to her lips. He took a few steps back to the bedroom.

He placed her on the bed and leaned over to kiss her. He ran his fingers through her hair and kissed her gently. Wen Yuan was moved and resisted.

She was afraid that he would do it again.

She placed her hand on his shoulder and said in a low voice, ” “Didn’t you overdraw Yingluo?”

He buried his face in her neck and chuckled. “I didn’t say Zhenzhen would cook.”

...

“if you’re not doing it, why do you keep hugging and kissing me?” wen yuan turned his face away.

he held her face and chased after her to kiss her. “You’ve missed him, Wen Yuan?”

“no, i didn’t,” she turned her face away in embarrassment. her face was burning.

Ye mu Bai chuckled. let me check.

As he spoke, he moved his hands up and down while sighing. what if Mrs. Ye has a need and Mr. Ye overdraws again? ”

she was so amused by him that she had no choice but to hug him and pull his hand to stop him from doing any more evil things. ye mu bai let her do as she wished and allowed her to hold his hand tightly.

After a long time, he moved closer to her ear and said in a low and hoarse voice, ” “mrs. ye, it’s bad. mr. ye wants yingluo now.”

Wen Yuan hugged him tightly, his voice trembling. “ye mu bai qingqing”

she felt embarrassed, but she still whispered in his ear, ” “I’m still in pain,”

he turned her face around and said in a hoarse voice, ” let me see. ”

she refused, but he still pressed her down and lowered her head. when he looked up again, his gaze was a little deep. after that, he kissed her again. he kissed her for a long time before letting her go.

after that, he went to get some ointment for external injuries and carefully applied it on wen yuan. she continued to lie down with her face buried in the pillow and her fingers clutching the bedsheets.

“wen yuan, you look like qianqian’s first time.” ye mu bai smiled.

She looked at him with her misty eyes, and so did he. Then he leaned over and kissed her again. He didn’t know how many times he kissed her that night and how long it took. It was like one night ...

after that, he gently leaned into her ear and whispered, ” “Wen Yuan, I think I’ve really fallen in love with you.”

She was a little helpless, and he put her hand on his chest.

his heart was beating very fast.

Perhaps it was because she was moved, their relationship became better. Although Wen Yuan was always at home like before, ye mu Bai would take time to accompany her to appreciate concerts and go shopping. Wen Yuan did not lack anything, so she would take him to some antique shops to see some decorations. Occasionally, she would buy some back. She had good taste and could always buy some things with good artistic taste.

ye mu bai liked to accompany her, even more than he liked xiang nan and ye hui.

he started to return home very early. he would bring xiangnan back, guide her in her homework, bathe ye hui, and play games. he had become a good husband and father, but he needed wen yuan to repay his efforts at night.

he often trapped her under his body, making her blush and her heart beat faster. he was only willing to give it to her if she begged him. in the end, he even naughtily said that she had overused him. he was clearly the one who was lustful, but he still wanted her to admit that she wanted it.

He was too detestable!

However, such feelings that were immersed in love and desire were like a dose of poison. Wen Yuan could not reject it.

she started to look different from before. the clothes in her closet started to become more vibrant and bright, unlike how she used to be.

Chapter 3940: wen yuan, are you acting coquettishly? 6

She even started to like wearing jeans and sweaters, or Black Casual pants and shirts, because he always took her out for a walk.

Wen Yuan wanted to cut his hair shorter, but he did not allow it. Wen Yuan asked curiously, ” “it’s more convenient to cut it short!”

At that time, ye mu Bai was reading some documents and seemed to be absent-minded. When she asked him again, he put down the documents and looked at her. it’s because when you’re naked in bed, your long hair is quite tempting.

“Ye mu Bai, just pretend that I never asked this question.”

she ran away, and he laughed. then he pulled her back and kissed her. after kissing for a long time, he carried her up and placed her on the bed. he peeled her skin clean like an egg, brushed her hair aside, and said in a low voice, ” “Just like this.”

“Ye mu Bai, you’re indulging yourself too much,” Wen Yuan said.

...

“that’s also mrs. ye’s fault.” “wen yuan, you don’t know how beautiful your body is,” he said in a sexy voice.

sometimes, she would also bring ye hui to his office. she would sit on the sofa with ye hui. when ye hui played with toys, she would read a book. ye mubai had more meetings, so he would play with ye hui for a while in the office.

Ye Hui fell asleep and Wen Yuan covered her with the blanket. He said in a low voice, ” “in the future, i better not bring ye hui over.”

after she finished speaking, she looked up and was kissed by him. after a long time, ye mu bai sucked on her lips and said in a sexy and hoarse voice, ” “I want to watch you guys.”

he looked at ye hui, then carried wen yuan out and placed him on the sofa in the office. he kissed her and said, ” “wait a moment.”

she watched him get up, walk to his desk, and press the internal line. ” “Secretary he, I’m not going to receive anyone today.”

secretary he was stunned for a moment before he understood. did president ye have something to do with wanwan?

She shook her head and smiled gently. President ye had entered the period of sweet love.

ye mu bai slowly walked back to the office and sat beside wen yuan. he gently stroked her face with his fingers. ” “Here or on the desk?”

Wen Yuan buried his face in his lower abdomen and hugged his waist. “I don’t want to.”

“I miss Wen Yuan.” He lowered his head and kissed her. He knew that he had been a little too indulgent recently. For more than a month, apart from her period, he had occupied her several times every night. Sometimes, he didn’t know where he found the energy to do so. It was as if he didn’t know how to feel tired and just wanted to possess her.

At this time, looking at the faint blue under her eyes, his heart softened. He gently put down his hand and smiled. “I’ll let you off.”

Wen Yuan made a sound of acknowledgment and obediently placed his face by his legs, his hands still hugging him.

He laughed again,”acting cute again?” wen yuan, you’re already in your thirties.”

“I’m not as young as the girls in your company, am I?” She said softly, her fingers tracing his heart. Actually, she preferred this kind of embrace more than making love.

After Wen Yuan finished speaking, he laughed, ” “i don’t even know what they look like.”

“How do you work if you don’t know?” She bit her lip. ye mu Bai, if one day you really have an affair with an artiste in the company, let’s have a chat, Wanwan.

“So what?” he sat up straight.

Wen Yuan thought for a long time before he could come up with a word, ” “I’m ignoring you.”

He stared at her for a long time and laughed. Wen Yuan, I thought you would say something impressive, like asking me to hide her and never work with her again.
