

Thank you 3941

Chapter 3941: have you eaten a bear's heart and a leopard's gall?(1)

“i won't! i'll get a divorce.” She added faintly and looked at him.

Ye mu Bai was startled. Then, he held her face and said word by word, ” “I won't give you that chance.”

“That's the best!” “Or else I'll cut you myself!” She said, propping herself up.

he stared at her and smiled, then took her hand and pulled it over. ” “you want to cut me? hmm, here?”

Wen Yuan felt very embarrassed as he was pulled by him. He simply lay in his arms.”ye mu bai, don't be so shameless!”

He chuckled,”am I the shameless one, or are you the shameless one, huh?” you want to cut me? Wen Yuan, did you eat a bear's heart and a leopard's gall?”

...

As he said that, he pressed down on her small hand and pressed his thin lips to her ear. “Help me get it out, huh?”

“ye mubai, you're so lustful!” wen yuan bit his lip.

He chuckled. then do you like perverts or not? ”

wen yuan sat in his arms. his face was slightly red and his eyes were watery.

he stopped joking and locked his deep eyes on her. his voice was very low. ” wen yuan! ”

Her long hair was scattered on her shoulders, and she looked like she was being abused. She knelt in his arms and was a little helpless. She wanted to break free, but he didn't let her.

"I don't know." Wen Yuan bit his lip.

He leaned over and pressed his ear against her soft and thin ear. you like me, Wen Yuan. You like how I treat you. You also like how I do you. You hug me and don't let go every time. How dare you say you don't like me? "

She buried her face in his shoulder and didn't allow him to say anything. He laughed, and he laughed like a spring breeze.

after that, he kissed her. he kissed her madly. he pressed her down on the sofa and forced her to kiss him.

Just as he was about to take off her clothes, the office door was pushed open. The person who entered was the woman with the plastic surgery face from last time, Zhang Jing. She was wearing a white dress and had barged into ye mu Bai and Wen Yuan's world.

Ye mu Bai's face darkened as he was suspended in the air above Wen Yuan."Get lost!"

The girl's voice was pleading, " " president ye, please don't cancel my contract. i can fix it. "

It was not easy for her to get into Starlight entertainment. She did not want to go out and the artiste who had terminated her contract with Starlight entertainment would be disabled. That was why she disregarded the company's rules and barged into President ye's office. She did not expect there to be a woman in President ye's office. She subconsciously thought that it was an unspoken rule because she did not see clearly that it was Wen Yuan.

her voice was very soft. " president ye, i can do it too. "

"Can what?" ye mu bai laughed coldly. then, he stood up and walked to the office to press the internal line."Secretary he, get the security here."

Zhang Ye was in a daze for a moment."president ye, don't you like this face?"

Wen Yuan sat up and glared at ye mu Bai.

he also looked at her, feeling a little helpless.

at this moment, little night hui woke up and ran out of the resting room. she immediately threw herself into wen yuan's arms, "mom."

Wen Yuan hugged her.

Little ye Hui's voice was crisp and clear. mummy, are you sleeping outside with daddy and doing a mysterious mission? "

This was what her brother had told her.

Wen Yuan could not answer such an embarrassing question, so he looked at ye mu Bai.

"ye hui, only dad and mom can do this kind of mysterious mission," the father said very seriously.

Ye Hui acknowledged him and returned to the resting room. Ye mu Bai suppressed his rising desire and looked at Wen Yuan. His voice was especially gentle as he said, "go and accompany ye hui. i will handle this."

Chapter 3942: Have you eaten a bear's heart and a leopard's gall? 2

"oh," wen yuan replied, but he still walked over.

Only ye mu Bai and the girl called Zhang Jing were left in the office. At this moment, the security guard came over.

However, ye mu Bai told them not to make a move first. He only said in a calm voice, " " i love my wife very much, and i won't play any unspoken rules. also, the termination of the contract is the company's decision, and it has nothing to do with personal factors. i hope you understand. "

zhang ji looked at him with tears in his eyes."I thought nightclubs would like this face."

"I like my wife." ye mu bai smiled and then raised his hand."miss zhang, please leave."

when zhang ji left, he was crying.

...

after she left, xu mo came over. he was in a hurry, probably because he had just heard the news.

she was a little stunned and only closed the door after a long time. " president ye. "

"It's a pity. Her aptitude is not bad." Ye mu Bai looked at her.

xu mo was silent for a while before whispering,"she's the one who wants to take the shortcut."

In fact, not everyone was like Wen Yuan. Although Wen Yuan was the one who took the initiative, ye Mubai did not have a wife back then. Now, President ye had a wife, son, and daughter. What was the point of having plastic surgery to look like Lin sisi?

after xu mo finished speaking, he looked at ye mu bai. " "The contract has already been terminated. Out of humanitarian concerns, she wasn't asked to compensate the company for its losses."

Ye mu Bai looked at her.

"i helped her pay," xu mo smiled bitterly. otherwise, how could a northp country have the money to pay for the breach of contract, and at a sky-high price at that?

ye mu bai glanced at her and walked to the back of the office table. he sat down and said, " "Xu Mo, if you continue to be so generous, you might become very poor."

“i don’t think so!” “Wen Yuan gave me one percent of Starlight Entertainment’s shares!” Xu Mo laughed with ill intentions.

After she finished speaking, she smiled at ye mu Bai.”i’ve long known that wen yuan is a prodigal.”

after xu mo left, ye mu bai sat there for a while before he started to laugh.

On the way back, Wen Yuan and ye Hui sat in the back seat. Ye Mubai was focused on driving and would occasionally glance at Wen Yuan and ye Hui in the back seat. wen yuan’s eyes met his and she immediately lowered her head.

they went to fetch xiang nan home together. after dinner, the father immediately threw little ye hui to xiang nan. ” take care of your sister. she’ll sleep with you tonight. ”

thinking south-mom and dad are going to do a mysterious mission again!

ye mu bai brought wen yuan to the study. unlike before, he pressed her against the door as soon as he entered. ” “Do you have anything to say to me?”

Wen Yuan looked at him and then shook his head. no!

He pinched her cheeks. it’s related to ... Squandering. Hmm? ”

she held back her laughter. ” i really didn’t! ”

“Xu Mo,” he gave her another hint, leaning forward to hint that he was going to get serious if she didn’t say anything.

“I gave Xu Mo one percent of Starlight’s shares,” Wen Yuan admitted.

he stared at her for a few seconds, then let go of her and sat down on the sofa.

Wen Yuan leaned against the door and looked at him silently for a while. Then, he walked over and half-knelt beside him. are you angry? ”

He turned his head and smiled.

he reached out to caress her face. ” i know you want to thank xu mo for helping her. why didn't you tell me? ”

She didn't say anything, but he understood later. He sighed and didn't say anything. He just reached out and gently stroked her hair.”i know. If you have anything in the future, just tell me directly, okay?”

She grunted and put her hand on his shoulder. She leaned her face close to him.”you're really not angry anymore?”

Chapter 3943: have you eaten a bear's heart and a leopard's gall?(3)

He glanced at her and his heart softened, but he did not show it on his face. what do you think? ”

“Then what can I do to stop being angry?” she coaxed him, which was rare.

he leaned back on the sofa and smiled lazily. ” “Come sit over here.”

She blushed, knowing that he was going to make up for it in the office.

“you're not willing?” he looked at her and sighed. ” then i'd better be angry. i just don't know if i'll ask xu mo for help. after all, i have a boss who's in a bad mood and yu qiu is unhappy. ”

Wen Yuan glared at him, his eyes filled with tears.

...

after hesitating for a long time, she still put her hand on his shoulder and moved herself to sit on his lap. however, before she sat down, his large palm was placed on top of her. she sat with her palm full, and she was wearing a dress, so this time, it was a little messy.

Wen Yuan's face was burning hot. He leaned his face on his shoulder and said in a trembling voice, "Xiangnan and ye Hui are not asleep yet."

"Xiangnan will take care of his sister." His fingers had succeeded and Wen Yuan also cried out in pain. He was touched by him and he was still in the mood to chat. last time, you mentioned that ye Hui went to a nursery. I thought about it and it seems that my mother's words made sense. It would be better for ye Hui to receive early kindergarten education.

As he spoke, his fingers were not idle. Wen Yuan gritted his teeth and moved up and down, so he could not hear clearly. When he opened his mouth, his voice was like a kitten, "what?"

He looked at her forehead that was covered in sweat and smiled gently. ye Hui should go to the night shift, hmm? "

Wen Yuan was stunned for a moment and subconsciously objected, "no, i'm not."

He chuckled and tortured her even more. Wen Yuan bit his shoulder."Don't."

don't what? don't you want ye Hui to go to school or Don't You Want Me to be like this? " He inched closer to her ear and asked in a hateful manner.

Wen Yuan endured it. His eyes were wet, like an innocent deer.

She leaned against his face and said in a broken voice, "I don't know."

he kept teasing her and forced her to say all kinds of embarrassing things. wen yuan was a woman with a very traditional appearance and personality. every time they did it, her heart would beat red, and ye mu bai found it very interesting.

moreover, after such a long time, he had maintained a strong interest in their sex. even he himself was surprised. according to some conclusions, no matter how beautiful a woman was, a man's

interest would be over after sleeping with her for a month. however, he was different. even now, he still wanted to have sex every day.

After a long time, she softened in his arms and did not get up for a long time.

He lowered his head to look at her and kissed the tip of her nose. you're useless.

Wen Yuan's face turned red and he reached down to grab his hand. He wanted to pull his hand away, but he laughed in a low voice."this isn't enough to satisfy you, is it? Hmm?"

"you said you would let me go today?" she widened her eyes.

"Did I?" he smiled slightly. " it seems like you just agreed for qianqian to do it for xu mo and for me. "

she blushed and looked at him for a long time before she really laid down.

ye mu bai was shocked. he then grabbed her hair gently. " wen yuan! "

"I can't bear to," he muttered as she looked up.

Perhaps in the past, he was like all other men and enjoyed it very much, but now that he loved her so much, he really couldn't bear to part with her.

He pulled her into his arms and carefully stroked her head. be good. I don't have to do this.

Wen Yuan buried himself in his arms and said in a soft and hoarse voice, " "But I like Yingluo!"

Chapter 3944: You're clearly enjoying it (4)

ye mu bai was stunned. after a long time, he muttered in a trembling voice, ” “wen yuan, you said you like it?”

Her face was slightly red, and she was quite shy.”Didn’t you say that many women like it?”

His mind was in a mess, and whatever happened after that was also in a mess. He was almost unable to think about Wanwan, but in the end, he still pulled her into his arms in time.

after that, she poked him gently in his arms. ” “ye mu bai?”

he hummed in acknowledgment and looked down at her. he still couldn’t help but kiss her. after a long while, he muttered,”i feel especially good, how about you?”

Wen Yuan leaned into his arms and said in a low voice, ” I’m fine.

...

it was just that she was a little embarrassed and could not say it out loud, but ye mu bai knew it.

To Wen Yuan, it was very hard!

he pressed her down and couldn’t help but lower his head to kiss her. in the end, he couldn’t help but hold her in his arms and gently kiss her.

Deep in the night, while Wen Yuan was asleep, ye mu Bai quietly looked at her sleeping face and let out a long breath.

what a prodigal!

the next day, he did not bring wen yuan to the office. as soon as he arrived, he called secretary he and said, ” get manager xu here. ”

secretary he smiled and said,”are you manager xu mo?”

ye mu bai raised his eyes.

secretary he smiled again and went to look for her.

xu mo came over in less than ten minutes and sat opposite ye mu bai. ” “Is there something, President ye?”

“what do you think?” He glanced at her, then took out a check from the drawer, put it on the table, and slowly pushed it over. Xu Mo took a look at it.

200 million!

” give me one percent of your shares, ” ye mu bai said calmly.

xu mo smiled. ” but one percent isn’t just two hundred million. ”

“Don’t be too greedy. Just because Wen Yuan is a prodigal doesn’t mean that I will indulge you.” ” i know you’re short on money, ” ye mu bai said calmly. ” these are enough to make you worry about food and clothing for a few lifetimes, as long as you don’t have such bad intentions. ”

he knew that xu mo had not had it easy in the past two years. although she was dressed in bright clothes and looked like a high-class white-collar worker, she had lost all her relatives in the past two years. she opened a homeless family and adopted some homeless elderly and animals. in addition to her own salary, wen yuan was also a spendthrift, and the biggest one.

xu mo had never told wen yuan about these things. she was considered smart.

Ye mu Bai did not want Wen Yuan to know about this. He did not want Wen Yuan’s life to be tainted by these things. Hence, he had always indulged Xu Mo.

xu mo took the check and then threw a document on ye mu bai’s desk. her voice was a little low. only Wen Yuan, that idiot, didn’t realize that the shares you gave her were 13.14. I won’t take away someone else’s love.

She paused for a moment, then said, ” “President ye, you’re actually a good person.”

He had always been, but he was disguised as a businessman.

ye mu bai smiled. " i've also tried my best to call for the protection of animals and world peace. however, i've now realized that being a profiteer will change the world even more. "

"come on!" Xu Mo exposed him,"you just want to be a successful profiteer so that Wen Yuan will admire you." But Wen Yuan still likes artistic youths. You have so much money, but it's not enough to play a song with her. "

for the past few days, wen yuan seemed to have been possessed. he became passionate towards ye mu bai again, and his eyes were filled with stars. it was probably because of this that it illuminated ye mu bai.

Chapter 3945: wen yuan, i've been jilted (1)

Ye mu Bai stared at Xu Mo for a long time before he snorted."is that so?"

Although he didn't want to admit it, it was the truth.

xu mo smiled. " president ye, you know best in your heart. don't you? "

This time, ye mu Bai only snorted coldly and did not bother to reply to her.

If not for the prodigal Wen Yuan, he would have fired this guy right now!

xu mo left ye mu bai's office and went straight to the bank to transfer the money. she had a small charity fund that she had been running for more than a year. she had only remembered the one percent that wen yuan had given her when she was at her wits 'end.

...

She was very grateful to Wen Yuan. In fact, he had cheated Wen Yuan a lot over the past two years. Wen Yuan had never rejected her when she asked him about it. Later on, when he found out that she was short of money, he simply gave her one percent of the profits and said that she could get a bonus of tens of thousands of Yuan every year.

Xu Mo thought to himself, 'perhaps ye Mubai likes Wen Yuan because of his purity. Wen Yuan is a very romantic person, but he hides his thoughts very well. He usually leads an ordinary life. However, after getting to know her, he realized that she doesn't know anything about daily necessities. She has worked before but has no concept of money.'

one percent of starlight's value was about one billion. she didn't know it at all, but he gave it to her so easily.

Xu Mo was very envious of such a friend, and even a little jealous. However, she liked Wen Yuan very much.

200 million Yuan had really helped her a lot.

after transferring the money, she remembered something when she left the bank, so she called kang qiao's phone. "you didn't take the performance fee last time. i asked your assistant, and she said it was your idea. kang qiao, i know you don't need money, but let's do business, okay?"

kang qiao pondered for a moment and smiled, "Alright," he said.

he and xu mo had arranged to meet at a coffee shop. when he came over, xu mo was already there. he sat opposite her and smiled. Have you been here for a long time?"

"i just happened to be here doing something." Xu Mo pushed a cup of coffee in front of him. "You like Americano without sugar."

He just smiled.

as he sipped on it, xu mo pushed a check in front of him. "five million, we've made a deal."

Kang Qiao received it and smiled.

the two of them sipped coffee together and did not talk much. they had known each other because of wen yuan. they were not close to each other.

However, he could more or less feel that she liked him, but he would not feel uncomfortable if he did not say it out loud.

kang qiao drank half a cup of coffee and smiled, ” “i still have something to do, so i’ll be leaving first. thank you, xu mo.”

he wanted to leave, but xu mo suddenly reached out and stopped him. ” wait a minute. ”

she didn’t know why qianqian suddenly wanted to confess to wen yuan. she had thought about not confessing to him before because she knew how much kang qiao loved wen yuan.

Xu Mo pulled his hand and said in a low voice, ” “Just for a while, okay Kang Qiao?”

he probably felt something and looked down at her holding his finger. he hesitated for a moment but still sat down. ” xu mo, there are some things i need to do. ”

She knew he was rejecting her, but she just wanted to say it.

Xu Mo held his coffee cup, lowered his eyes, and said in a lower voice, ” “i know my chest is very small and can’t meet your standards.”

Kang Qiao sighed. that’s what I said. I won’t use that as a standard.

xu mo looked at him and said very slowly,”Kang Qiao, do I not have any chance?”

he stared at her, then sighed. ” xu mo, you can’t control your stubbornness. ”

he rejected very tactfully, but xu yao understood.

She lowered her eyes and said in a very low voice, ” “i know, kang qiao. i didn’t want to give up. in fact, i already knew the result. maybe it’s because ran ran’s coffee today tasted good!”

She smiled brightly at ye. Kang Qiao knew that she was a good girl, but he just didn’t feel anything for her.

he could not apologize too much because he never needed to apologize if he did not like someone, just like how wen yuan treated him.

he wanted to leave, but xu mo said,”she’s very good.”

he paused.

...

“Her relationship with ye Mubai has been very good recently. Ye Mubai has fallen in love with her. Kang Qiao, don’t wait for her. you won’t be able to see wen yuan.” xu mo smiled faintly.

Kang Qiao still smiled, ” I didn’t wait on purpose. It’s just that I haven’t found a suitable partner yet, so I’ll just be single. I don’t want to force myself or hold others back.

he got up and left. xu mo sat in the coffee shop under the afternoon sun for the entire afternoon.

She was heartbroken!

she had confessed, but that man did not like her.

She looked for Wen Yuan and wanted to have a meal and drink with him. Recently, ye Hui had also gone to school and Wen Yuan had more free time. It was okay to have a meal but she did not dare to drink because ye mu Bai would get angry.

he would object to anything that he felt was a hobby that a woman should not have. he would get angry if she did not change. hence, when wen yuan mentioned it, he was a little shocked.”Well, Xu Mo said that he had fallen out of love and wanted me to accompany him.”

Ye mu Bai was sitting on the sofa and reading a magazine. “It’ll be dinner soon, you can ask her to come here.”

“Ye mu Bai!” Xu Mo said that she had fallen out of love, ” Wen Yuan said fiercely. why did I call her over to our house? ”

“are you afraid that she’ll seduce me?” he smiled as he held the magazine.

“ye mu bai!” “You’re spouting nonsense,” Wen Yuan glared at him.

He put down the magazine, crossed his hands, and coughed lightly. then tell me, she’s broken up, Yingluo. Why haven’t I heard of her dating before? who did she break up with? ”

wen yuan looked at him pitifully. ” i didn’t ask. shouldn’t i be asking this later? ”

He pulled her into his arms and let her lie on his lap. He then hit her P * ss.”do you know who she met today?”

Wen Yuan pretended not to understand.

ye mu bai lifted her chin and said,”it’s kang qiao.” mrs. ye, do you think i’ll let you go to kang qiao, the kang qiao that i’ll let her talk to you for the whole night?”

Wen Yuan looked at him. then, are we just going to leave her be? ” Mubai, Xu Mo is my friend.”

“xu mo doesn’t have many friends,” she added.

he snorted. ” that’s because she has a strange temper and is greedy for money. all her friends have been cheated. ” Only Wen Yuan, a fool, had a family of gold and silver that Xu Mo could take advantage of, so they still had a friendship.

After he finished speaking, Wen Yuan was stunned. He only spoke after a long time, ” “ye mu bai, xu mo isn’t that kind of person.”

he looked at her and smiled faintly.”you can ask her! However, she is also very stupid.”

Wen Yuan thought that he would not agree to it. However, ye mu Bai changed his mind and said, ” ” go ahead, but wen yuan, you’re not allowed to drink. otherwise, i’ll break your legs when i come back. ”

“Only domestic violence!” she muttered in dissatisfaction.

Then he smiled. my eldest brother and Shirley fought really hard when they were married. Wen Yuan, do you want me to show you what real domestic violence is? ”

Chapter 3947: Wen Yuan, I’ve fallen out of love 3

Wen Yuan looked at him with an infuriating gaze.

“Where are you going? I’ll Take You There.” He smiled and stood up.

“It’s okay, I’ll drive myself,” she pulled him back.

ye mu bai leaned forward and bit the tip of her nose. ” ” mrs. ye, this is one of the conditions. otherwise, there will be no benefits. ”

“But you were in a meeting the entire afternoon,” Wen Yuan looked at him.

“don’t go if your heart aches.” he looked at her and smiled.

...

“i’m going upstairs to change,” wen yuan said as he stood up.

He pulled her back.

“What’s the matter?” she turned around.

“dress more conservatively,” ye mu bai said in a hoarse voice.

Wen Yuan smiled and turned to go upstairs. He changed into a set of casual clothes and tied his hair into a ponytail. He looked like a ” good woman ” and was quite satisfied.

in the car, wen yuan would occasionally turn his head to look at his handsome side profile. ” “are you angry?”

“Yes, I’m angry,” he said with a faint smile. it’s been a long day, and my wife is accompanying someone else.”

“i’ll be with you every day,” wen yuan said unhappily.

Now that she thought about it, she felt that something was wrong. She was like an accessory on his body. He took her with him wherever he went. Ye Hui was sent to school by him, but she reported to his company every day as if she was checking in. When she didn’t want to go, he would say that the incident with Zhang Ye meant that she had been going too little, which led to the misunderstanding.

wen yuan felt that he was very diligent. he was the one who wanted someone to accompany him every day.

every time she made up her mind not to go to the company with him, he would always find a way to torture her in bed until she begged for mercy, either in the company or in bed.

wen yuan wished that his husband, yueyue, was not so powerful because he was too tired.

As she thought about it, she decided to ignore him. She turned her face to the side. Ye mu Bai looked at her and said, "you're the one who's indirectly contacting someone who has a good impression of you. Wen Yuan, I'm not angry yet. Why are you angry?"

she glared at him. he was really good at changing the concept, and wen yuan could not resist this statement at all.

after that, she ignored him in a fit of pique, until he sent her to a certain fish house, unbuckled her seat belt, and smiled. "you're not allowed to drink,"

wen yuan got out of the car. when he closed the door, he stuck out his tongue at him."i'll just drink."

he was both amused and angry. this was the first time wen yuan had done this ...

But it felt pretty good.

ye mu bai wanted to drive back at first. however, when he thought about the fact that all the aunties were at home, he decided not to drive back and just waited for wen yuan here.

Although he was also familiar with Xu Mo, he wasn't interested in two women talking about breaking up over dinner, especially when the male lead was Kang Qiao. The reason he was so generous was because their relationship had been good recently.

He sat in the car, smoked a few cigarettes, and then swiped his phone.

Wen Yuan did not know that he had not left. He went straight to Xu Mo. Xu Mo sat in the corner, ordered a platter, and was just waiting to be cooked. What surprised Wen Yuan was that Xu Mo had ordered Erguotou.

wen yuan sat down and xu mo looked up at her. then, he poured himself a cup of erguotou and looked at wen yuan. "You have a drink."

"Pour me some too!" Wen Yuan said indifferently.

“aren’t you afraid that ye mu bai will skin you alive?” xu mo’s hand, which was holding the bottle, was shaking.

wen yuan looked at xu mo. ” i’m most afraid of him stripping me of my clothes! ”

After she finished speaking, Xu Mo laughed and trembled like a flower.”wen yuan, is it true?”

“i’m not lying to you, he’s very lustful!” “I’ll drink it if you don’t let me,” Wen Yuan poured himself a cup.

Chapter 3948: wen yuan, i’m heartbroken 4

xu mo looked at wen yuan in a daze. after a long time, he said, embarrassed, ” ” aren’t you afraid that your president ye will strip you of your clothes?! ”

“i’m not afraid.” Wen Yuan took a sip of the wine and felt that it was very spicy.

then, she complained, ” i have to strip it every day anyway. ”

she raised her glass and clinked it with xu mo’s. ” don’t think too highly of men. Men aren’t good people. They’re better off single.

Xu Mo was stunned and clinked glasses with Wen Yuan. He watched as Wen Yuan took another sip and felt that something was wrong. She was clearly the one who wanted to drown her sorrows in alcohol. Why did Wen Yuan drink it?

she coughed lightly. ” there are a lot of women who want president ye to take off their clothes. wen yuan, don’t you know how lucky you are. ”

...

then xu mo looked down at his airport. ” “You see, I’m being despised by others. My chest is small, and I don’t even know if he’s a little hairy egg!”

Wen Yuan laughed. Then, she leaned over and said in a very, very low voice, ” “When I was learning piano from Kang Qiao’s mother, many of his female juniors were chasing after him. His nude photos were circulating in their school. You can really look forward to it.”

xu mo looked at wen yuan suspiciously. ” you even know about this ran ran? ”

“the teacher will tell me.” Wen Yuan smiled and started to farm the fish, ” “at that time, the teacher probably wanted to get together with us, but yingluo, you know what happened later.”

xu mo was stunned for a long time before he said in a low voice, ”I thought house Kang’s mother wouldn’t have any pride since they’re from a scholarly family.”

“Teacher can be very avant-garde sometimes.” wen yuan sighed softly, feeling a little nostalgic.

it had been a long time since she had last seen her teacher. she had heard that her teacher was not in good health and wanted to visit him, but she was afraid that ye mu bai would be unhappy. hence, wen yuan had not dared to mention it.

Now that she thought about it, she felt sorry for her teacher.

but xu mo’s focus wasn’t on this. she asked in a low voice, ” so Kang Qiao’s mother’s teachings made you take the risk and set up a trap to sleep with ye mu Bai? ”

“Lower your voice.” wen yuan looked around. ” not really. i just wanted to be with him at that time. as long as i loved him, it didn’t matter if he loved me or not. but later, i realized that it’s very painful not to be loved, xu mo. ”

she placed her hand on the back of xu mo’s hand. ” “Promise me you’ll treat yourself well. Don’t force Yingluo to be free sometimes.”

xu mo’s throat was a little sore, and he said, ” “I understand.”

the two of them were silent for a while. after eating fish and drinking some wine, xu mo smiled.”I won’t make do with a man who thinks my breasts are too small.”

Wen Yuan was right.

“I want to go to Long Xiong!” Xu Mo said.

wen yuan was speechless.

Xu Mo said, ” I’m not ugly. There are a lot of people chasing me from here to France. If he doesn’t like me, I’ll sleep with him and kick him away, Yingluo.

Wen Yuan was also a little drunk. He held Xu Mo’s arm and said, ” “yes, sleep with him!”

she leaned her face on xu mo’s arm. ” remember to wear a t-shirt. otherwise, it won’t be good if you have a child like me. i don’t want to get married, yingluo. ”

She murmured, ” I have to get married. But I still have to put up with a bad-tempered man. He has to strip me naked and play all kinds of mysterious games with me every day. He’s so perverted.

Xu Mo was not completely drunk. Her alcohol tolerance was not bad because she was a northern girl.

she was dumbfounded.

Then, she quickly took out her phone and adjusted it to the recording mode ...

“wen yuan, what are ye mu bai’s hobbies?”

Wen Yuan lay on his stomach and laughed like a little girl. After a long time, he finally spat out a few words, ” “He likes to do it from behind. He especially likes Yingluo and he likes to grab my hair. I’m almost bald here.”

xu mo’s heart was trembling. wow, so explosive!

she cleared her throat. ” your mr. ye. how many times can he do it in a night? ”

how many times?

wen yuan shook his head. ” i’ve never counted, but he’s a pervert. he doesn’t let me sleep. there was once when he didn’t finish from two to six in the morning. i’m so tired. xu mo, there’s nothing good about marriage. it’s over when you meet a pervert. ”

Xu Mo sighed,”you clearly enjoy it ..”

...

“A full man doesn’t know how a hungry man feels!” She scratched her head.

Xu Mo had made Wen Yuan drunk. She did not know what to do. She did not expect Wen Yuan’s alcohol tolerance to be so bad. She could only call ye Mubai and tell him that Wen Yuan was drunk. In less than five minutes, her President ye appeared out of nowhere.

xu mo looked at it and stuttered, ” “President ye, you’re here!”

Ye mu Bai stood there and looked at his wife, who was as drunk as mud. Xu Mo was fine.

Xu Mo was a Public Relations Officer. He would not get drunk even after a thousand glasses. He could even knock down three or four men. Wen Yuan was really a pig head to drink Erguotou with her.

Ye mu Bai looked at Xu Mo and said, ” “i forgot to tell you, kang qiao is also in this restaurant, on the third floor.”

xu mo was stunned. such a coincidence?

After ye mu Bai finished speaking, he carried his wife up. It was really embarrassing. How could she eat so much just by drinking hot pot? when he walked out, Xu Mo called out to him, ” ” oh right, president ye, i have a gift for you. i’ll send you a message. ”

“It better be something that I’m satisfied with,” he said coldly.

Xu Mo gave a fake smile and said a little ambiguously, ” “i’ll be satisfied with the nightclub.”

ye mu bai walked out and carried wen yuan into the car. then, he received the so-called big gift from xu mo.

A voice message.

He thought about it and opened it. Wen Yuan’s voice came from inside, and Xu Mo’s voice was mixed in-

“He likes to do it from behind. He especially likes Yingluo and he likes to grab my hair. I’m almost bald here.”

“How many times can your President ye do it in a night?”

” i’ve never counted, but he’s a pervert. he doesn’t let me sleep. there was once when he didn’t finish from two to six in the morning. i’m so tired. xu mo, there’s nothing good about marriage. it’s over when you meet a pervert. ”

“you clearly enjoy it.”

Ye mu Bai heard it a few times. Then, he turned to look at the drunk cat beside him and started the car with a faint smile.

he was in a good mood when he went back. he had already thought of how to teach her a lesson. yingluo said that he liked to do it from behind. he remembered that she clearly liked it when he tortured her behind her back. she clearly liked to do this to her.

Ye mu Bai took Wen Yuan away, leaving Xu Mo alone. She did not leave immediately but chose to sit there and drink. She drank four bottles of Erguotou and got herself drunk ...

After that, she vomited on the other side of the road. She lay there and vomited.

In fact, this was not the first time she had been like this. Many times, she had to drink a lot while dealing with clients. Once, she even slept on the streets and woke up with a few ten-Yuan notes. They were given to her by a few children, who treated her like a Vagabond.

When she sat up, she smelled the stench on her body and felt that she was no different from those on the roadside.

This time, she only wanted to get drunk for herself.

Chapter 3950: don't think too highly of yourself (1)

as kang qiao was about to drive away, he suddenly saw a familiar figure.

it was xu mo.

she was wearing the very cheap clothes he saw today, which were probably tens of thousands a set, but she was lying on the side of the road like a cat or dog.

kang qiao stopped the car, jumped out of it, and walked straight to xu mo.

xu mo was wearing a suit that cost tens of thousands of yuan, and he was climbing on the barrier like a monkey. then, he looked at him and laughed foolishly.

she was drunk, but she knew him.

...

Kang Qiao looked at the traffic around him and frowned, ” “Xu Mo, come here.”

she refused and still refused to get down. she even shouted at him, ” “i’m very small, so i won’t encounter any perverts on the road.”

kang qiao was helpless. ” come down, i’ll send you home. ”

Xu Mo looked straight at him.”If you bring me home, I’ll go back with you.”

Kang Qiao thought for a while and nodded, ” “come down, i’ll take you back.”

He reached out to catch her. When Xu Mo threw himself into his arms, he bit his lip.”I want to make love to you.”

Kang Qiao hugged her. At that moment, he was a little embarrassed, and then he scolded her,”Girls shouldn’t say such things.”

“you’re not a good person.” xu mo put his arms around his neck. ” i can do anything to achieve my goals. are you sure you still want to take me home? ”

Kang Qiao carried her all the way to the car. He wasn’t the only one in the car, there was also a decent woman.

xu mo was drunk, but he knew that it was a woman, and the woman sitting in the front passenger seat. she was particularly embarrassed and wanted to get out of the car and drive back by herself.

Kang Qiao fastened his seat belt and said in a cold voice, ” “Do you believe that if you keep messing around, I’ll really throw you down from here?”

Xu Mo stopped fooling around. Then, she looked at the woman in front of her. She felt that she was very beautiful from the side and her breasts were big.

she didn’t make a sound and obediently lay in the back, muttering, ” ” don’t you like wen yuan a lot? zhenzhen, kang qiao, you’re such a hypocrite. she’s your girlfriend, right? ”

after she finished speaking, the atmosphere in the car was quite confusing. kang yuan could only apologize to the female friend beside him, ” “she’s drunk.”

the woman didn’t seem to mind. ” just drop me off at the intersection ahead. we can talk about the specific cooperation next time. ”

“You might have some personal matters to attend to now,” she smiled.

“just a friend,” kang qiao sighed.

“She likes you.” the woman hit the nail on the head.

Kang Qiao didn’t say anything. He stopped the car in front, got off the car to see her off, and then got back in the car.

xu mo had already fallen asleep in the back seat of his car. he frowned and wanted to ask where she lived, but after thinking about it, he decided to take her in for a night.

He drove back to his apartment, which was located on the top floor of an apartment in the elite area of B city. It was about 200 square meters and very spacious for one person to live in. In fact, he was rarely in B city and spent most of his time flying around the world.

xu mo had fallen asleep, and he was still holding his bag in his hand. he carried her out of the car and kicked the door open.

When they arrived at his apartment, he brought her to the guest room without thinking. He thought she would be obedient, but as soon as she lay down, she pulled at her clothes and said that it was hot and that she wanted to take a bath.

kang qiao had a good temper. he patiently filled the bathtub with hot water and carried her in. ” soak yourself for a while. call me when you’re done. ”

Xu Mo sat on the floor and looked at him pitifully. ” aren’t you going to take off my clothes? wen yuan said that ye mu bai loves to take off her clothes. ”
