Chapter 3951: don't think too highly of yourself 2

kang qiao's eyes darkened. he didn't leave immediately, but squatted down and looked into her eyes, " "xu mo, don't try to anger me. it's not good for a woman to be ambiguous with a man."

Xu Mo knelt on the ground and straightened her body slightly. She reached out to pull his tie and pulled him in front of her. She leaned close to him."you don't dare, do you? Kang Qiao, are you still a Virgin?"

He stared at her with a deep gaze.

xu mo still provoked him without fear of death,"Do you know what a woman feels like?"

She took his hand and placed it on her waist, letting him hug her. I have everything except for my chest. Kang Qiao, do you want to try it? "

His Adam's apple bobbed slightly before he threw her into the bathtub. "You need to be clear-headed."

...

Xu Mo screamed in the water, " I don't know how to swim.

He didn't want to bother with her, but in the end, his heart softened. He turned his head and glared at her. Xu Mo, don't you have any shame? "

She rushed out of the water, and at that moment, Kang Qiao was stunned.

Where were her clothes?

Xu Mo walked out of the bathtub slowly and walked to his side. Before he could react, he wrapped his arms around his neck and kissed him. After kissing for a while, he moved to his Adam's apple

and bit it lightly. I heard from Wen Yuan that your naked photos are very beautiful. I really want to see it.

“Xu Mo, are you even a woman?” Kang Qiao was shocked and angry.

“you can check it.” She was drunk and rejected. Anyway, there was nothing worse than this. Wen Yuan was right. It was good to sleep with her once if she couldn’t get her. Besides, Hanhan was not the only one.

The drunk Xu Mo was a hooligan. She touched everywhere, but Kang Qiao grabbed her hand and pinned it behind her back. He said in a low and hoarse voice, “Don’t play with fire, or you won’t be able to handle it.”

xu mo’s fingers slowly moved down, and under his gaze, he was dazed.

It wasn’t her first time. That man left her when her family was in trouble. At that time, Xu Mo decided not to love any bastard anymore. However, she fell in love with Kang Qiao, probably because of his obsession with Wen Yuan.

it wasn’t an exaggeration to describe them as heavenly lightning triggering earthly fire.

Kang Qiao wasn’t gentle. He was different from usual when it came to this kind of thing. He was very strong and even rough. He threw her onto the soft bed and played with her again and again.

that night, xu mo didn’t let her go even when he begged for her to stop.

by the time it was completely over, it was already two in the morning. he leaned against the bed and smoked. xu mo, who was wrapped in the quilt, moved a little, and his eyes were lowered. “you’re sober?”

xu mo pulled up the blanket and looked. ” what wen yuan said is true. ”

Kang Qiao put out his cigarette and said, ” “i won’t take responsibility.”

Although she already knew and planned to only sleep with him once, Xu Mo still felt a little hurt when she heard this. She forced a smile and said, "I know. I was the one who initiated it."

she had taken the initiative at that time, and no man could resist it. she knew that she was not ugly. although her figure was flat, it was still somewhat seductive because she was thin.

kang qiao looked at her silently for a while and suddenly said, "don't worry about getting pregnant. i used protection."

Xu Mo's face was very hot, as if she had been slapped. She lowered her eyes."You're afraid I'll cling onto you?"

"No, I just don't want to take an innocent life before I think it through, just for one night of pleasure." he said calmly. then, he lifted the blanket and got up. he put on his long pants and was about to go back to his bedroom."Let's leave at dawn!"

Chapter 3952: don't think too highly of yourself 3

He had only taken a few steps when Xu Mo immediately got out of bed and hugged him from behind. She was thick-skinned and used the most humble tone of her life to put down all her pride."is it really impossible between us?"

He didn't turn around and only said lightly, "I have a trap here. Xu Mo, you're also an adult. You should understand that I'm not pure-hearted and have few desires. I have a woman."

She was just a special woman. He might call her once a month, the high-class kind.

Xu Mo's hand loosened and she was stunned.

She did not expect such an answer. She had always thought that a man like Kang Qiao would be especially clean. Wasn't he waiting for Wen Yuan?

He turned around. I do like Wen Yuan. However, she has been someone else's wife for a long time. I will not have any improper thoughts.

...

"So, you've always had a woman, and the kind that you bought?" Xu Mo felt like he had eaten a fly and was disgusted.

He said yes and then looked at her. I told you long ago that there's no benefit in being ambiguous with men. Xu Mo, I'm not the perfect man you think I am, nor am I Prince Charming. I'm just an ordinary man with feelings and desires, and you can distinguish between my soul and body.

he paused for a moment. "if you think it's suitable, you can come and find me again!"

Xu Mo was disgusted. Her fingers covered the quilt in front of her and her voice trembled, "Are you going to bring the woman in the car back for the night?"

"no." He quickly replied,"but I've had sex with her twice. Xu Mo, you're also in the entertainment industry. Isn't this normal?" They're United because of their own interests, but once their interests are over, they'll separate."

xu mo laughed. she took a lighter from the side of the bed, took another one of his cigarettes, and lit it up. she took a deep puff. "so wen yuan is the white moonlight in your heart. she's clean, so you want to marry her. kang qiao, you think you're so dirty. how can you be worthy of wen yuan? you've slept with so many women. perhaps many old women have teased you. "

Xu Mo's hand that was holding the cigarette was trembling and his voice was almost hysterical. you don't deserve to like Wen Yuan at all. You still let her pursue her dreams and sleep with anyone like you? "

kang qiao looked at her calmly, "xu mo, have you never sold your body? "

Xu Mo stared at him and took a few more puffs of smoke before stubbing the cigarette butt out. She got off the bed and walked straight to him. She raised her hand and slapped him hard, and then her eyes were filled with tears."this old lady only sells her art, not her body! Kang Qiao, listen up, tonight I'm a Gigolo, name your price!"

He remained silent. She took out a checkbook from her bag and wrote a few numbers.”One million. That’s all you’re worth.”

she threw it to him and then took two steps back. her eyes were red.

She felt that he was worse than her first love. That man just didn’t want to bear it. But for the sake of fame and profit, Kang Qiao slept with so many people. She knew all too well what kind of people he slept with in this circle. She always thought that Kang Qiao was a pure and clean person.

It turned out that he was already so dirty that he couldn’t be seen.

Xu Mo didn’t cry. She just felt disgusted. She was the one who had taken the initiative to be bitten by a dog.

She went to the bathroom, took her clothes out of the water, and put them on.

She took her bag and rushed out of his bedroom. She had to leave in the middle of the night. She could not stay with such a man for even a minute.

Chapter 3953: Don’t think too highly of yourself (4)

when she reached the door, her arm was caught and she was pulled into a strong embrace.

he lowered his head and looked at her, his face almost twisted. you saw the real side of me. You’re disgusted, aren’t you? ”

his fingers gently caressed her face and he said in a low and hoarse voice, ” “You were so happy just now. Aren’t you satisfied with my performance?”

Xu Mo looked at him and patted him. let go of me, Kang Qiao, let go of me!

At this moment, she was a little scared. She felt as if she had seen a demon. Kang Qiao was not like this. She didn't want to hear it anymore because it was too disgusting.

He easily trapped her with one arm and leaned over, his voice low. "You've slept with me before, Xu Mo. I told you to stay away from me. A man like me won't stop loving you unless I'm willing."

...

"then you can just wait to be slept with one old woman after another!" She shouted at him, almost as if her heart was splitting.

the next second, she was thrown onto the bed. kang qiao stood by the bed and looked at her coldly, "It's not what you think. Are you angry from embarrassment? Xu Mo, I'm very expensive, I really don't care about a million."

he tore the check into pieces in front of her and said in a cold voice, "Don't worry, I won't touch you again. I don't lack women, and I'm not like what you think, just sleeping with old women. Xu Mo, we've never had any interaction, and you're not a child anymore. Isn't this kind of love between a man and a woman a mutual consent?"

Xu Mo bit his lip and looked at his expressionless face. The Kang Qiao now was the real Kang Qiao, a top celebrity who had been in the entertainment industry for many years.

she suddenly laughed. that's right, she was really silly. other than ye mu bai's family background, how could anyone else escape unscathed? it was impossible for one to obtain such a vanity without paying a price.

she looked at him with a smile and said nothing, but tears fell from the corners of her eyes.

She was still a little upset, but she didn't know what she was upset about. In fact, Kang Qiao was right. This was how the industry worked. It was normal for him to do things for fame and fortune. She was the one who short-circuited. She forgot what ye mu Bai had told her. He said that she shouldn't look for a man in the entertainment industry.

xu mo wiped his tears. "kang qiao, don't worry. today's matter will end here. i won't create any hype to defame you. you can still be your violin prince, but don't hang around wen yuan anymore. you really don't deserve her. ye mu bai is the most suitable person for her."

“Because of his background?” Kang Qiao said coldly.

xu mo smiled. ” that’s right. some things are destined. there’s no way. ”

Just like herself, she didn’t have the right to choose her own family background. However, she was a swindler, but she didn’t sell her body. She only slept with the man she liked, and Kang Qiao was her second man. It was disgusting.

She took off her clothes and went to the bathroom to take a shower. When she came back, she climbed into the quilt.

“Thank you for taking me in. I’ll leave tomorrow morning,” she said.

Kang Qiao stood at the end of the bed, frowning.

Xu Mo didn’t say anything more and just lay there quietly. He stood for a while before returning to his bedroom.

He went back to his bedroom and lay on the bed. Kang Qiao’s mind was not calm for a long time ...

He had lost his composure today.

He didn’t have to tell Xu Mo about these things that people didn’t know about. These were things that were kept secret in the industry, but he didn’t expect Xu Mo to be so different.

Chapter 3954: don’t think too highly of yourself 5

Every time she looked at him, it was as if she was looking at a Saint. Kang Qiao knew very well what she thought of him. He felt that it was a little ridiculous. He had never been in love with her because she wasn’t his type and she couldn’t afford to play with her.

however, when she hugged the barrier and told him that she wanted to go home with him, he was still moved. the little devil in his heart wanted to tear away the hope in her heart. he wanted to see how she would react after knowing what kind of person he was. it would be very interesting.

in the end, she cried.

it was actually pretty good. in the future, she would not look at him with that kind of gaze anymore. it was annoying to look at. he was never a perfect person, so she did not have to do this.

the feeling of personally tearing his little heart apart was very subtle and very satisfying.

of course, her body was unexpectedly soft and young. it should be because she hadn't had a man for a long, long time. when he had her for the first time, she was in pain, and her subtle expressions couldn't lie to him.

...

Kang Qiao had a strange feeling in his heart. He convinced himself that it was only because it was the first time he had seen such a stupid woman who thought the world was so beautiful!

He sneered, closed his eyes, and fell asleep.

At dawn, Kang Qiao got up. He felt that something was missing in the air, so he got up and went to the guest room.

Xu Mo was no longer around, but she still left in her wet clothes and took everything here with her, including the t-shirt he had used. It was the first time a woman was willing to clean up the battlefield, and he couldn't describe the feeling.

Because he guessed that she didn't want to leave any traces and didn't want to admit that they had done it.

It was just like this.

he stood there quietly, watching her leave and escape.

He was already very dirty. Other than Wen Yuan, who was the White moonlight in his heart, he could only look at him from afar. Now, he did not want to touch Xu Mo, if sleeping with her once would make her smart enough to run away.

he went back to his bedroom to sleep, but he couldn't fall asleep again after lying on the bed.

As soon as he closed his eyes, he thought of Xu Mo lying under his body. She wasn't the most beautiful, but she was especially attractive when she took the initiative, so he didn't know how satisfied he was last night and did it again and again.

however, there would not be a next time.

Kang Qiao was a man who followed the rules of the game. Otherwise, he wouldn't be able to survive in this circle.

unable to fall asleep, he sat up, lit a cigarette, and smoked quietly ...

*

In the master bedroom on the second floor of the villa.

ye mu bai had woken up a long time ago. when he woke up, he kept staring at his wife. wen yuan was still asleep. he reached out and gently stroked her face, but she still did not wake up. instead, she turned over and curled herself up in his arms with one arm around his neck.

“wen yuan,” he leaned over and bit her ear lightly. wen yuan was awakened by him and she had a bad temper, so she bit the tip of his nose hard and accidentally broke it.

ye mu bai winced in pain. he grabbed her hair and pulled her back. ” wen yuan, are you a dog?! ”

she was still sleepy, and she buried her face in his arms without a care. her warm lips pressed against his chest, making ye mu bai's blood boil. he grabbed her and refused to let her bury her face.

wen yuan really wanted to sleep. she got angry and went over to take a bite. she accidentally bit the right place.

when he heard her, he gasped and gently pulled her hair. his voice was hoarse.”Wen Yuan, do you not want to live anymore?”

Chapter 3955: I’ll accompany you, hmm?(1)

wen yuan was completely awake. he looked at the place where he had bitten. it was a little red and swollen. it was a little unsightly!

she bit her lip and coughed lightly. ” it’s your fault for waking me up early in the morning. ”

“you’re hurting it,” he continued to glare at her.

She glanced at him, feeling a little speechless. Then, she stared at him and it. “Then what do you want?”

Ye mu Bai gently pulled her hair and moved closer to her. make it less painful.

Wen Yuan’s face was buried and rubbed. She cried out, ” “ye mu bai, you’re too perverted.”

...

He laughed in a deep voice, and he laughed so happily that he pulled her head and looked her in the eye.”Do you still dare to do this in the future?”

She didn’t make a sound and buried her face in his mouth as she let him nibble on it, which was considered healing.

he felt a little ticklish and his voice was almost trembling. ” wen yuan! ”

"I don't like it. If you don't like it, I won't do it." she smiled naughtily and wrapped her arms around his neck. she hugged him and sounded a little coquettish.

he lowered his head and stared at her. then he pressed her down and kissed her hard for a long time before he panted and said, " "It's really fatal! Continue."

"i thought you didn't like it," wen yuan muttered.

he closed his eyes and enjoyed it, but his voice was unclear."It's something all men like."

he let out a sound that seemed to be in pain. wen yuan simply could not continue. he leaned over and said warmly, " "Ye mu Bai, you're even more frivolous than a woman."

He opened his eyes and stared at her for a while, then reached out for the phone from the bedside, turned the volume to the maximum, and played a conversation.

"He likes to do it from behind. He especially likes Yingluo and he likes to grab my hair. I'm almost bald here."

"how many times can your president ye do it in a night?"

I've never counted, but he's a pervert. He doesn't let me sleep. Once, he didn't finish from two to six in the morning. I'm so tired. Xu Mo, I'm exhausted.

Before she could finish playing, Wen Yuan snatched the phone from her and turned it off. Her face was extremely red and she gritted her teeth."you're too despicable."

mr. ye looked at her lazily. " wasn't it xu mo who told me? " why don't you talk about her?"

wen yuan thought of xu mo and quickly asked, " "how did she get back yesterday?"

"she can hold her liquor very well, unless she's willing to get drunk. but kang qiao was in that shop last night, didn't you see yueyue?" as ye mu bai spoke, he quickly got to work. he whispered into her ear, " "lower your voice later, don't scream so arrogantly, okay?"

Her face was red and her heart was beating fast. She pushed him. I'm talking about serious business with you.

he chuckled and hugged her from behind, biting her ear. " "This, your favorite?"

wen yuan's face was so red that it was almost bleeding. he reached out and reached for him."Ye mu Bai, please don't be like this."

"Didn't you say that I like it the most?" he leaned against her back and planted a series of kisses on her shoulders, making her beg for mercy like a kitten. he admired her flustered look, but he still did not let her go. you said I like to grab your hair. Wen Yuan, my hair is going bald because of you. Do you want to take a look? "

she said no and kept praising him. she told him everything he loved to hear.

ye mu bai continued to laugh in a low voice, tormenting her to the point that she would rather die than live.

After the incident, Wen Yuan soaked in the bathtub and cursed Xu Mo in his heart. He gritted his teeth and thought about how she had served him just now and how he had not let her go even after enjoying it.

Chapter 3956: i'll accompany you, hmm? 2

wen yuan took out his phone and dialed xu mo's number. xu mo only picked up after a long time. wen yuan wanted to complain about her but xu mo's voice was really hoarse."xu mo, what's wrong with you?"

Xu Mo rubbed his nose. it's nothing. I just caught a cold.

Wen Yuan hummed in acknowledgment and seemed to have recalled something. by the way, did you give ye mu Bai that recording? "

Xu Mo laughed and said bitterly, "didn't it increase your feelings? you were tortured badly, right?"

Wen Yuan wanted to say something, but he felt that Xu Mo was acting weird. He only said that they would have coffee together next time. However, after hanging up the phone, he remembered that Ye Mu Bai had said that Kang Qiao was also there. She should ask Xu Mo if he had seen him after that.

just as she was about to make the call, Ye Mu Bai came in. he was already dressed neatly and walking straight toward her.

...

Wen Yuan had to admit that she used to be his idol, and it seemed that Qianqian was still the same now.

Ye Mu Bai squatted down and looked at her puppy-like expression. He smiled. "are you going to get up and send Xiangnan and Ye Hui with me, or are you going to stay at home and bring me lunch?"

"I want to sleep a little longer. I'm still a little dizzy." she went to hug him, and he let her hug him. after a while, he deliberately frowned. "You're making me wet. Why don't I soak in it too?"

she immediately blocked herself and said no. he really could be horny at any time.

Ye Mu Bai smiled and stopped teasing her. he said in a hoarse voice, "Then I'll take my leave first."

He tickled her face again. if I still teach you a lesson at night, you'll be a good girl.

she recalled how she had been tortured by him from behind and blushed. she pulled his hand. "Ye Mu Bai, there's something I want to tell you."

he grunted in acknowledgment and reached his hand into the bathtub. after a few moments, he grabbed it and played with it.

She had a favor to ask of him, so even if he was going overboard, she still let him be. She said in a soft voice, "teacher's health isn't good, I want to go see her."

He was surprised, ” Kang Qiao’s mother? ”

“didn’t you just see it?” he added.

she looked at him and moved closer to his hands to please him. she hung her hands around his neck. Mubai, teacher is sick. I should go and see her.

his hands were not idle. he muttered to himself for a moment, ” “I’ll go with you. When?”

“Isn’t this a bad idea?” she frowned in shock.

“What’s wrong with that?” he tightened his grip and wen yuan immediately cried out in pain. however, she did not dare to struggle free and obediently let him touch her until he was happy.

ye mu bai did not reject her immediately, probably because her attitude was very good. ” ” how about tomorrow morning? i’ll ask secretary he to make some time. i can’t do it today. i have a collaboration to discuss with president qin from king entertainment. ”

“oh, is it qin mo?” wen yuan asked.

he finally retracted his hand and looked down at his fingers. wen yuan bit his lower lip and felt embarrassed. he leaned over to kiss her, his fingers tracing gently on her back and writing a few words.

she was shocked, and his voice was low and pleasant. ” “And you said you didn’t like it, huh?”

she obediently let him do whatever he wanted and continued to act coquettishly in his arms.”mubai, will you do it?”

“I’ll go with you tomorrow morning.” he couldn’t reject her, so he kissed her.

Wen Yuan did not say anything else. He was a little dissatisfied. However, it was good that he was willing to accompany her to take a walk. It was good that the teacher could see him.

Chapter 3957: i'll accompany you, hmm?(3)

Ye mu Bai raised his hand to look at the time. He smiled and pressed his finger on her lips. It was a hint, and Wen Yuan's face turned red.

" i'm leaving. i'll go to the company in the afternoon, okay? " He finally got up and left. Wen Yuan watched as he slid back into the bathtub. Thinking of how he had treated her just now, she felt a wave of shame. When did she become so accommodating?

Wen Yuan soaked in the bath for a while and got up. He put on a bathrobe and after thinking for a while, she called Xu Mo.

It was a busy tone on Xu Mo's end. She called a few more times but it didn't go through, so she could only forget about it.

When she went to the company at noon, she specifically asked Secretary he. Secretary he asked around and said that manager Xu had a cold and had asked for leave.

When Secretary he mentioned this, he smiled and said, " " this isn't manager xu's style. manager xu used to be called xu sanpin. he didn't even care about the cold and drank alcohol as usual. i guess his health isn't as good as before. "

...

wen yuan thanked him and returned from secretary he's office.

ye mu bai had already finished his work and was sitting on the sofa waiting for wen yuan to eat. when she returned, she gave him a stern look. he could not help but laugh."what now?"

"Did I make you uncomfortable in the morning?" he asked lazily.

wen yuan sat beside him and started working on the lunchbox. he glanced at him and said, "i'm the one who's serving you,"

ye mu bai smiled and then hooked her chin. "isn't it good to save on breakfast?"

his words were so vulgar that wen yuan turned his face away. "It's time to eat,"

He smiled and ate with her. After a while, Wen Yuan still asked him, "Xu Mo, can you make her drink less in the future?"

"they're questioning me?" he laughed lazily and reached out to grab wen yuan. "I remember Mrs. Ye isn't that kind, and she's definitely not overflowing with love.

"It's not easy for Xu Mo," Wen Yuan looked at him.

"right! That's why you have to act within your means." Ye mu Bai said coldly, "if she continues like this, she will get herself killed one day."

"What happened to her?" Wen Yuan looked at him.

He did not want to tell her and did not want her to come into contact with those things. In his heart, Wen Yuanhe should live in a greenhouse forever and only need to stay by his side elegantly and beautifully.

Ye mu Bai smiled. it's nothing. She just likes to help others. She's a little stupid.

He paused for a moment. the last time, Zhang Ye's penalty was paid by Xu Mo.

Wen Yuan bit his lip. can't you just not accept her? she wouldn't have to work so hard.

"I'll be completely defeated by you sooner or later." he pinched her face, his voice low and hoarse. "wen yuan, personal friendship is personal friendship. you can't have it at work. do you understand?"

She just looked at him without saying a word.

“are you angry again?” He pinched her face and thought for a while before saying, ” ” she needed money, so she transferred 1% and starlight’s shares to me. it’s 200 million, so she doesn’t need to drink and work hard these days. ”

“But money will be spent eventually,” Wen Yuan pouted.

“That’s 200 million, Mrs. Ye,” he said, patting her.

“Is 200 million a lot?” she looked at him eagerly.

He looked at her with a strange expression. After a while, he pulled her into his arms and kissed her. When he released her, he mumbled, ” “You’re doing this on purpose, aren’t you?”

wen yuan laughed.

he let go of her while snorting and started to eat. wen yuan lay in his arms and asked in a small voice, ” are you angry? ”

Chapter 3958: I’ll accompany you, hmm?(4)

“Be good and eat your food,” he said as he looked at her.

she refused to hug him from behind and buried her face in his back, nibbling on the muscles of his back through the layer of shirt. ye mu bai’s body froze for a moment, then he turned to look at her. ” wen yuan, it’s fine if you don’t want to eat. ”

she immediately stopped making a fuss and obediently ate with him.

ye mu bai looked at her and suddenly said, ” ” i don’t want you to end up like xu mo. wen yuan, i’d rather you be more selfish. ”

“That will be very hard,” he sighed.

“Can’t she change her ways?” Wen Yuan looked at him.

...

” i can’t change it. i’ve told her many times not to care about things that she can’t. but she’s still kind. there’s a way. ” He looked at her.

” oh, ” wen yuan replied. ” what method? ”

“Find her a rich, long-term meal ticket.” he said softly.

She let out an “ah” and looked at him.

he laughed and then said meaningfully, ” “kang qiao is not bad. doesn’t xu mo like him? aren’t you going to make up for it?”

wen yuan looked at him in disbelief, ” “Didn’t you forbid me from getting in touch with Kang Qiao?”

“That was in the past. Yingluo is different now.” Ye mu Bai stroked her long hair and said thoughtfully, ” “kang qiao is in his thirties. wen yuan, didn’t you say that your teacher has been anxious about his marriage? Xu Mo is not bad.”

“you just said she was a trap.” Wen Yuan looked at him.

He smiled and said, ”really?” did i say that?”

“You’re right.” “i’ll try!” wen yuan thought carefully.

ye mu bai looked at her and sighed in his heart. actually, wen yuan was really very innocent. she was a single-celled organism. she had probably used all her schemes to woo him back then.

wen yuan had already started to plan in his heart, but he was not paying attention.

Ye mu Bai laughed in his heart.

Wen Yuan was really a Treasure Girl, probably because she had not gone out to work in the past few years.

the next morning, ye mu bai asked the driver to send the two children to school. he brought wen yuan to buy some fruits and fresh flowers. he had wanted to buy lilies, but wen yuan said that the teacher had rhinitis, and carnations would be good enough.

He let her choose, and after paying, he took her to the hospital.

Kang Qiao took his mother's last name. Although teacher Kang was staying in the hospital, he was recuperating and didn't have any major problems. However, it wasn't convenient for him to stay alone, so he decided to stay for more than ten days. Teacher Kang kept saying that Kang Qiao was using public resources.

kang qiao poured water for his mother as he sat down. " this place is usually empty, so it's not considered a space for use. "

there were not many people staying in the ward that cost 10000 yuan a night. besides, his mother was not willing to stay with him or hire an auntie to take care of him. he could only come and visit every day. fortunately, he would be better in a few days and go home.

teacher kang sighed. " i'm always worried. i've been teaching for my entire life, but i've always been so stingy. yingluo is too extravagant now. "

"Mom, you're thinking too much. Look at the students you've taught, which one of them is clean?" Kang Qiao smiled.

Mrs. Kang's face darkened. you're also someone who loves fame and fortune. I told you before that it's good to be a professor at the Music Academy, but you just had to go abroad.

“actually, wen yuan is doing very well,” she sighed.

“mom, why are you bringing this up?” kang qiao asked.

Back then, if he had not gone abroad, it would have been impossible for him and Wen Yuan to be together. Wen Yuan’s family was very prominent and she had no feelings for his Hanhan.

Chapter 3959: I’ll accompany you, hmm? 5

Just as Kang Qiao and Mrs. Kang were talking, ye mu Bai, Wen Yuan, and a nurse were standing at the door. When Kang Qiao saw them, he was stunned for a moment and the atmosphere became awkward.

Ye mu Bai was the first to speak. Wen Yuan, you have a chat with the teacher. Kang Qiao and I will go outside for a smoke.

Even though he said that, he still helped Wen Yuan carry the gift in and greeted teacher Kang politely.

it was also teacher kang’s first time seeing ye mu bai. he had only seen him in movies before. ye mu bai was more mature and reserved in real life. teacher kang sighed in her heart. what kind of family did ye mu bai come from? this kang qiao really couldn’t compare to him.

ye mu bai consoled the old man and left with kang qiao.

Wen Yuan was a little hesitant. He helped Mrs. Kang sit down. teacher, how are you? ”

...

mrs. kang smiled as she placed her hand on the back of her mother’s.”i’m fine. actually, it’s just an old illness. kang qiao didn’t feel at ease and insisted that i stay in the hospital. i’m very bored here.”

wen yuan recalled what kang qiao had said to her and tried to persuade her, ” “Teacher, Kang Qiao is flying all over the world. You should hire an Auntie to take care of him, so that he can be more at ease.”

teacher kang was silent for a while before whispering,”Actually, I’m afraid that with aunty, Kang Qiao will come back even less.”

she paused for a moment. ” there are some things that are not suitable to be said, but wen yuan, you know that kang qiao has something on his mind. in fact, he is not particularly willing to come back. he may not want to face it. ”

Teacher Kang sighed. he’s made a lot of money over the years. They call him a musical genius. What genius? his music has long lost its soul, only technique. It’s very exaggerated.

wen yuan could not say anything. in fact, she had also noticed it the last time.

teacher kang changed the topic. ” let’s not talk about this. wen yuan, i heard that you’ve been doing well recently. i’m very happy for you. ”

Wen Yuan pursed his lips and said,”it’s alright.”

“he’s especially handsome.” teacher kang smiled.

As ye mu Bai’s face-sucking dog, Wen Yuan was smiling in a silly manner. At this moment, another group of students came to see teacher Kang. They were all doing well. Some of them were running private training classes, some of them went abroad, and some of them were quite famous in the music industry. However, Wen Yuan seemed to be the one who was doing the worst. He had nothing at home and had even divorced that famous person. Very few students knew that she had married ye mu Bai, the CEO of star light film and television.

Wen Yuan was being attacked on WeChat, business card, and invitation.

it was a ten-year class reunion after graduation.

Wen Yuan instinctively wanted to reject him because he did not know if ye mu Bai wanted her to attend the event. That was why she said that she might not be free.

One of the female classmates looked at Wen Yuan and cleared her throat. Wen Yuan, your bag is not bad. It's a Hermes Platinum bag, right? but I heard that there are some really good counterfeits. Can you tell us where you're from? of course, we won't fake it, but it's inevitable that our relatives will like it. It's good to give one to them to satisfy their vanity.

wen yuan looked at teacher kang. teacher kang was also feeling very helpless and was about to say something. wen yuan had told her not to say anything. she did not care about these things.

The female classmate continued to say harshly, "by the way, we all bring family members to the gathering this time. Wen Yuan, has Hanhan remarried in the past few years? you found such a good man the first time. It's understandable that it's difficult to find one now. If not, you can have Hanhan alone.

"I'm married." wen yuan said indifferently and then smiled.

Chapter 3960: i'll accompany you, hmm?(6)

The female classmate was surprised. married? we've never heard of him. By the way, where are you working now? the man you found must be a workaholic. You've lost your professional knowledge for so many years. You must be poor and tired doing other things.

"It's alright," Wen Yuan smiled.

She had been indifferent, and the women who took turns to talk were quite boring, so she put on a fake smile, her face full of meat."We'll definitely participate. If life is too difficult, there's still us classmates. We can take care of each other."

Wen Yuan was still smiling as he watched the few female students leave.

after they left, teacher kang sighed. "they're still bothered by what you did in school back then. you were the most outstanding. "

the children who used to be so simple and straightforward had become like this. it was really heartbreaking.

...

teacher kang looked at wen yuan. " if you don't want to go, then don't. don't force yourself. "

Wen Yuan smiled. teacher, I'm fine. I'm fine. Let me go. Otherwise, Yueyue will think that I'm petty.

teacher kang was angry and amused at the same time, but she also felt a little sorry for her. "you're too easy to talk to. yingluo is being bullied to this extent, and you don't even defend yourself."

"Because he's not someone I care about." Wen Yuan smiled and supported Mrs. Kang. "let me give you a massage. your waist will hurt again if you keep sitting."

mrs. kang didn't reject wen yuan's offer. she truly doted on wen yuan as her own daughter, so she wouldn't reject his kind intentions. besides, wen yuan was the only one who truly cared about her. the two of them continued to chat while chatting.

On the other side, Kang Qiao and ye mu Bai were smoking in the corridor. Kang Qiao's gaze was especially deep. After a long time, he whispered, " "Ye mu Bai, you've won!"

he paused for a moment before saying, " actually, i'll never be with qianqian. from the day i left the country, or from the day i was born, i was destined to never be with wen yuan. ye mubai is a truly beautiful person. he has never experienced any darkness. treat him well. "

"Kang Qiao, do you know what you look like?" ye mu Bai smiled.

kang qiao looked at him.

"It's as if he has the appearance of an Angel and the heart of a devil," ye mu Bai said in a low voice.

Kang Qiao was stunned for a moment. President ye is indeed very thorough. Then, why did you give Xu Mo the chance to get close to me? don't say that it was a coincidence that day. I didn't decide on the place we ate at. It was also decided on the spot.

“Because Xu Mo is the opposite of you. He has the toughest appearance and the softest heart. Kang Qiao, let her save you, or you'll never be able to clean yourself.” After ye mu Bai finished speaking, he turned around and left.

As for Kang Qiao, he was still standing on the armrest, quietly smoking his cigarette.

Rescue?

he laughed. that woman knew that he had slept with someone else and had many women. she was so surprised as if he was a virus or he had some bad illness that he wanted to pass on to her. she was so disgusted!

he put out his cigarette and was about to turn around to leave when he saw a thin figure wearing a mask. if he was not mistaken, that person was xu mo.

Kang Qiao pursed his lips. When he regained his consciousness, he was already downstairs. Before she left, he grabbed her hand and said, “What are you doing in the hospital?”

He had a bad idea, so he took the medical file from her hand and opened it. Then, his face turned ugly. She had been checked for HIV in the hospital!
