

Thank you 3961

Chapter 3961: I'll accompany you, hmm? 7

kang qiao's face turned black, " xu mo, i didn't have A az! "

Xu Mo snatched the thing from his hand and said in a nasal voice, " "who knows? mr kang, you're such a mess."

kang qiao's face darkened even more. " xu mo, it doesn't seem like it's your first time either! "

"it's better than yours, and i'm not selling it." she didn't treat him like she used to. she was direct and rude to him, just like how she usually treated him.

Clearly, when she met Kang Qiao in the past, she would deliberately pretend to be herself. But now, there was no need to.

He was scum!

...

kang qiao sneered, " that's right, manager xu isn't selling it. manager xu is only infatuated with the man she likes. "

He pulled her to his side, almost in his arms. It was very intimate, but only she knew how rough and barbaric he was at this moment. He was a bastard!

xu mo struggled with all his might, but he couldn't break free. instead, he was pulled into his arms. " didn't you suspect that i have HIV? when you had sex with me and seduced me, why weren't you afraid, huh? "

He was terrifyingly strong. Xu Mo saw a hint of darkness in his eyes, and she was stunned.

At that moment, she seemed to have seen the real Kang Qiao. Xu Mo slowly gave up struggling. She looked at him, her pupils dilated, and muttered, " "you hate this side of yourself, don't you?"

Kang Qiao's expression turned ugly. He remembered what Ye Mu Bai said about Xu Mo being the best person to save him.

What did he have to save?

in such a vanity fair, he agreed to it. he wasn't a man who slept with people casually. there were many women who knelt and licked him with a lot of money, but he didn't like them. what he pursued was a stable cooperative relationship. if necessary, he would consider having one or a few short-term marriages with them. this was him, kang qiao.

This was a must for ordinary people to survive in this circle. He didn't need to do this a long time ago. He had already achieved success and fame. Now, there were a lot of people offering money to ask him to play a song. Even if he played it messily, it would be regarded as a classic.

kang qiao felt that he was living like a piece of stinky meat, which was why he yearned for Wen Yuan's purity. she played the piano beautifully, just like the past.

at this moment, his feelings had been exposed, and he flew into a rage out of humiliation.

And this list was simply humiliating him.

he folded Xu Mo in his arms and said in a cold voice, " miss Xu, remember in the future that before you have sex with a man, you must first ask the other party to hand in an HIV report to you, and the last one must be within half a year. "

he was full of mockery, and then he threw her away.

Xu Mo almost fell down. She glared at him with red eyes and said hoarsely, " "kang qiao, you can't lie to yourself. you're a walking corpse. i'm warning you, don't even think about fighting Wen Yuan. a male b * tch like you doesn't deserve it!"

Male b * tch!

kang qiao wanted to strangle the woman in front of him to death, but xu mo didn't back down. her eyes were burning with fire.

that flame was called-male b * tch, go to hell!

kang qiao glared at her. " we will never see each other again. "

"you think i want to see you?" Her voice was cold, but there was a trace of choking. She was angry.

after that, xu mo ran away. kang qiao looked at her back and pinched his fingers.

'Damn it!'

Male b * tch!

by the time he returned to the ward, wen yuan and ye mu bai had already left. ye mu bai had just started the car when wen yuan saw that the car beside him seemed to be xu mo's car.

"Wait a minute, I think it's Xu Mo." wen yuan patted his leg.

Chapter 3962: Wen Yuan is clueless, mole 1

Ye mu Bai followed Wen Yuan's gaze and looked over.

it was xu mo.

she was sitting there, wiping her nose and dressed up like a celebrity who was afraid of being photographed.

He opened the car door for Wen Yuan, who immediately got out of the car. Ye mu Bai was not one to join in the fun, but he also got out of the car.

when xu mo saw them, he was a little dumbfounded and only managed to squeeze out a sentence after a long time, "president ye, why are you guys in the hospital?"

"I'm here to see Kang Qiao's mother." wen yuan looked at her red nose and asked, "is your cold very serious? i heard from secretary he that you have taken a leave of absence. "

...

at this time, wen yuan was looking at a report. she was close to xu mo and she did not think about anything else, so she took it and read it. as she opened it, she said, "the hospital's reports these days are so high-end."

as soon as she opened it, she saw the three letters 'hiv'. even if wen yuan did not know much about it, he knew what it was. her eyes slowly turned to ye mu bai and then to xu mo. "xu mo?"

xu mohuan felt uncomfortable, but he was afraid that they would misunderstand, so he had to half-hide and half-tell the truth. "it's like this. one night, i got drunk by accident and slept with a man that i don't know. of course, i have to be careful. it's better to be safe than sorry!"

as soon as she finished speaking, wen yuan smacked the report on her head. "how bold are you to even dare to have an affair?"

ye mu bai picked it up from the side.

he thought that xu mo didn't have any dinner plans recently. if there was a chance for a one-night stand when he was drunk, it would be kang qiao.

What, did Kang Qiao bare his teeth to Xu Mo? why else would Xu Mo do that?

he found it quite funny and returned the things to xu mo. then, he pulled mrs. ye back and coaxed her, "Xu Mo is an adult, there's someone who doesn't care about his private life."

"You've been single for so long. Do you have a private life too?" Wen Yuan asked directly.

"You guys can talk." Ye mu Bai touched his nose.

his actions had simply fulfilled his wish!

wen yuan was angry, but he could not ignore xu mo. she still taught xu mo a lesson fiercely. it was not satisfying enough. after that, she refused to leave. xu mo looked at ye mu bai for help and wen yuan got angry again.”What’s the point of looking at him? Hmph, I’ll have to check it out later!”

xu mo accidentally laughed. wen yuan wanted to fight with her, but in the end, ye mu bai dragged him away. Alright, alright. Xu Mo is already an adult. He’s already 30 years old. It’s fine if he doesn’t say a word after being pointed at and scolded by you like a primary school student.

“she’s guilty.” Wen Yuan sat in the car and threatened Xu Mo, who was in the car next to him. His threatening appearance made Xu Mo drive the car away immediately, afraid.

Wen Yuan was infuriated. look at her. Instead of finding a man to fall in love with, she has to have a one-sided relationship. No, I must introduce Kang Qiao to her.

Ye mu Bai stroked his smooth chin. “you don’t mind? what if kang qiao is as pure as ice and as pure as jade, doesn’t he feel that he’s at a disadvantage?”

wen yuan looked at him and said slowly,”no way?” kang qiao is already over 30 years old, it’s impossible for yingying to still be that kind of person!”

ye mu bai laughed in his heart, but he did not say anything in the end. he started the car and wen yuan’s burning gaze fell on his face. after a long time, he said fiercely, ” ye mu Bai, shouldn’t you tell us about your dark history? ”

“What dark history?” he pretended to be dead.

Chapter 3963: Wen Yuan is clueless, Mole 2

Wen Yuan was quite angry. He sat up straight and ignored him. He refused to go to the office with him. In the end, he coaxed and pestered her to bring her to the office.

ye mu bai's dark history was actually quite simple and crude. it happened during the period when he had lost his memory. he had had some mutually-willing dissolute moments, but smart men would never mention it again, let alone admit it.

Therefore, no matter how angry Wen Yuan was, he always had a way to coax her. Anyway, he would not admit to it.

Wen Yuan was so angry that he ignored him during the afternoon break and locked him outside the break room.

She had called Bai Sulli and told her about ye mu Bai's dark history. How would Bai Sulli know? only mu Bai himself knew about it, but no normal man would tell her.

"wen yuan, don't think about the past." Bai suili was lying on the bed, shaking her feet. "what's important is the future, the future."

...

"Just thinking about it makes me angry," Wen Yuan sighed deeply.

"Give him the cold treatment for a few days." bai suili suggested, " he must be very uncomfortable. he's used to eating fish and meat every day. if you don't let him eat grass every day, he'll be so uncomfortable that he'll die. "

Wen Yuan thought,"Yueyue is not fat at all. How is this a feast?"

No matter what, she felt much better after hanging up the phone. She lay down for a while before going out to tell ye mu Bai that she was going shopping.

He was in the middle of explaining some things to Secretary he. After hearing what he said, he frowned."I'll accompany you when I'm done."

"i didn't bring any money!" she reached out her hand.

he looked at her and finally took out a card from his wallet and placed it in her palm. ” “let the driver send you there, and yingluo.”

“Buy me some shirts and ties,” he coughed.

“a person with a dark history is not qualified to buy anything,” wen yuan snorted.

ye mu bai did not care about secretary he’s presence and sneered. ” ” mrs. ye, you don’t just have a dark history. you also have a history of marriage! ”

“Ye mu Bai,” wen yuan was so angry that he swore to max out his card, so she asked bai suili to come along.

When the two women met, they would complain about each other’s husband. In fact, Wen Yuan felt that ye Mulin had nothing to complain about. However, she thought of something and hesitated for a long time before asking, ” “Did Mulin really beat up your Qianqian before?”

bai suili’s small face fell, and she sighed while holding her chin, ” it’s not that serious. He’s just quite perverted and likes to use violence.

you don’t know, ” she complained in a soft voice. he’s inexperienced and not gentle. He just does whatever he wants. Anyway, I hated him to death when we just got married.

wen yuan had received a piece of shocking news that ye mulin was still a virgin on his wedding night. he thought about how a serious elite would be very rough in order to hide that he was a virgin!

as a result, wen yuan was cured and he was satisfied.

she and bai sulli had spent millions of dollars in one afternoon. ye mu bai would receive messages from the bank from time to time. when he saw the money spent in a certain men’s clothing store, he smiled happily.

When he got off work, he called Wen Yuan, ” mrs. ye, do you need mr. ye to pick you up? ”

” no need, ” wen yuan snorted. ” i have a driver. ”

“alright, i’ll see you later,” he said as he pulled his tie.

“You’re not allowed to eat outside, do you hear me?” he said in a low voice.

Her answer was to hang up the phone. He looked at his phone and muttered to himself, ” “It seems like I’ve spoiled her.”

“But is Madam really that cute like this?” Secretary he tried to hold back his laughter.

“Is it cute?” Ye mu Bai smiled as he said that. He took his coat and car keys and walked out. that’s all for today. Secretary he, I won’t be coming tomorrow morning.

Chapter 3964: wen yuan knows nothing, 1400 words

ye mu bai drove to the villa. he thought that nan and ye hui had already returned. wen yuan came back ten minutes later. the trunk was filled with things. they were all the spoils of war that she had bought today.

ye mubai helped her to pack up. there were some items that xiang nan and ye hui wanted to take. he asked xiang nan to help his sister move back to the room and slowly open them while he moved their own items back to the bedroom. there were so many things but he moved everything in one go. wen yuan followed him and saw him take out a box and open it ...

It was a pair of crystal cufflinks. He took it off and buttoned it on his sleeve. it’s not bad.

She took another look at the shirt and tie and smiled. She pulled Wen Yuan onto her lap and said in a hoarse voice, ” I like it when you take care of these for me.

wen yuan did not say a word and just leaned on his shoulder. he knew that she was still bothered by what had happened before. although he did not say it, she could guess it.

“I won’t betray our marriage, okay?” he pressed his lips against her ear.

...

wen yuan did not say anything. in fact, she knew that she could not afford to argue with him ...

this matter was over just like that. she didn’t mention it again and didn’t throw a tantrum. she calmly ate and busied herself with the child. xiang nan and ye hui were particularly happy because there were many gifts today that they usually wanted but hadn’t bought.

the two children were extremely happy, so wen yuan let them play by themselves. when she returned to the master bedroom, ye mu bai had already taken a bath. he was wearing a bathrobe and leaning against the bed. the bedside lamp was on, but the main light was not on.

This was a signal that he wanted to do. Wen Yuan suddenly felt a little nervous. He wanted to do it every day, but such a hint still made her feel a little embarrassed.

“Are the two kids still playing?” he looked up when she entered.

“I’m quite happy,” she replied.

After that, she took her pajamas and went to take a shower. When she came back, she climbed into bed. He put down the magazine and put her in his arms. He didn’t lie down and just hugged her from behind.

He nibbled on her neck from behind and said in a hoarse voice, ” “Your anger has subsided?”

She was a little uncomfortable from his gnawing, but she still endured it. She clutched her pajamas with one hand and placed the other on his leg. Her body stiffened, and he laughed softly.”You can’t stand this?”

actually, he didn’t do much. he only kissed her a few times and she was already so embarrassed.

He wasn't in a hurry and continued to tease her. After a while, he reached out his hand and was a little surprised. His voice was floating. "you're not wearing yingluo inside?"

Wen Yuan turned his head in his arms and kissed his chin. He kissed him lightly and then moved to the corner of his mouth. He said intermittently, " Yueyue has to take it off later anyway.

he chuckled and kissed her like this. he wasn't a man who liked to be direct. he would always tease her until her skin was as red as a cooked shrimp and she begged him before he was willing to give her.

today was no exception, yingluo.

an hour had passed since they had sex. he didn't enjoy it much. he put on his pajamas and went to see xiangnan and ye hui. after confirming that they were asleep, he came back to love her.

wen yuan had maintained himself very well. he loved her body and had a strong interest in it.

he did have other women. it was a ridiculous period of time. however, he had never thought of having sex with other women after he married wen yuan. he had no desire to explore other women's bodies at all.

he only wanted her.

Wen Yuan could not take it anymore and begged him to end it. Ye mu Bai did not want to have enough, but he knew that he had been indulging in his sexual desires recently and Wen Yuan would get hurt by him occasionally.

He calmed down and whispered in her ear, " "did i hurt you?"

Wen Yuan pressed his face flat against his chest. "No, I'm just a little tired."

Their relationship had been very good recently, and she did not want to argue with him for too long because of the past. However, she still wanted to talk to him. Mubai, I'm Wanwan.

she propped herself up. ” i don’t want to go to your company all the time. i’d rather stay at home when i’m free. i can take care of the family affairs. if i go there all the time, i’ll feel like i’m an accessory to you. ” There’s no need to go there all the time.”

He closed his eyes and thought for a moment before opening them again.”you really don’t want to go?”

“I actually still want to work,” she nodded.

Ye mu Bai stared at her face and did not say anything. He only reached out and gently stroked her face. isn’t it better to stay at home? Wen Yuan, I don’t want you to work so hard. Look at Xu Mo, she often vomits because she wants to do more business.

“I want to teach.” she looked at him. ” i’ve taught you that work is simple. there’s no need to go out and drink. mubai, you can’t keep me locked up. ”

after she said this, he looked at her, his eyes a little deep.

Wen Yuan knew that her words had touched him. She bit her lip and looked at him, her voice even softer. I’m begging you, Yueyue, please?”

Chapter 3965: wen yuan is clueless, mole 4

she held his hand, but he didn’t move, so she leaned over to kiss him.

his eyes flashed and his voice was hoarse.”Wen Yuan!”

she bit her lips, which were as bright as blood, and then she boldly sat on his lap ...

This was the first time that Wen Yuan had taken the initiative to please him in order to achieve his goal. Ye mu Bai certainly enjoyed it very much, but he did not give in easily. He only said that he would consider it.

After the incident, Wen Yuan did not get a definite answer. Instead, he laid on his stomach and bit down on his heart. His heart turned red.

Ye mu Bai lowered his head and took a look at her. Then, he tugged at her hair gently. if you don't agree, you can bite me like this. You're so cruel!

...

Wen Yuan bit his lip and then bit on the other side. He even had an expression that said, 'if you're not convinced, come and bite me'. Ye mu Bai looked at her and pulled her over. He took turns to bite her and said in a hoarse voice, "Are you tired of living?"

Wen Yuan, who was lying in his arms, said softly, "who asked you not to let me go out?"

She climbed up and sat in his arms again. Then, like a spoiled child, she began to talk about the few female classmates she had met today. After a while, she looked at him. "Do you think it's because I don't work that people think I'm carrying a fake bag and that I'm living a particularly miserable life?"

ye mu bai was feeling lazy after their intimate moment. he reached out and gently stroked wen yuan's delicate neck. "whether you go to work or not has nothing to do with the bag you're carrying. teacher wen, you won't be able to buy the bag you're carrying today even if you work for a year. "

He knew that Wen Yuan's previous salary was only 200000 Yuan a year, while the bag she was carrying was 500000 Yuan.

after ye mu bai finished speaking, wen yuan was naturally angry. she glared at him for a long time.

he reached out to stroke her chin and chuckled. "I'm not wrong, teacher Wen."

he called her teacher wen because he had bad intentions.

Wen Yuan wrapped his arms around ye mu Bai's neck and bit his Adam's apple angrily. Ye mu Bai's voice trembled as he said, "Wen Yuan!"

she also felt that he was different, and her face was a little hot, but she still looked at him, and her voice was a little low. ” “you’re wrong.”

“what’s wrong, teacher wen?” he laughed.

Wen Yuan was furious. He was addicted to screaming!

she hugged him on purpose and raised her head to her lips. her voice was low and hoarse. ” but mrs. ye, you can earn more than this for a night. ”

even ye mu bai was stunned for a moment. then, he realized what she meant. he smiled gently and held her waist as he slowly rubbed it. wen yuan obediently lay in his arms.

An hour later, ye mu Bai held his breath and kissed the woman in his arms. He sighed. “wen yuan, you’re really asking for my life.”

“how much is it worth?” she asked, her arms around his neck.

He looked at her, then took out a checkbook from the drawer beside him and wrote a set of numbers.

wen yuan picked it up and looked at it. ” 50 million? ”

Was she that expensive? even an a-list female star wouldn’t have such a price, right?

“This is a monthly payment!” Ye mu Bai sneered.

Wen Yuan:

The two of them bickered for a long time before she recalled something. ” there’s a class reunion in a few days. they said they’ll be attending with their friends. are you going? ”

As she spoke, she played with the beard on his chin. In fact, she did not have much hope. Ye mu Bai did not care much about these Women’s Affairs. Moreover, his identity was not suitable for it!

he lowered his head and looked at her. ” do you want me to go? ”

Chapter 3966: wen yuan is clueless, mole 5

“A little, I’m a little unconvinced,” she said after some thought.

“Ye mu Bai, I wasn’t such a vain person in the past.” She wrapped her arms around his neck.

She looked at him with a complicated expression.”It must be because I’m married to you that I’m like this.”

ye mu bai laughed. after a while, he agreed readily.”i’ll go. is it to repay teacher wen for putting in so much effort and giving herself up just now?”

She glared at him. He smiled and kissed her. “Alright, time to sleep. Unless you want to do it again.”

Wen Yuan was already very satisfied. He was tired just from moving his fingers. Why would he still want to?

...

So, she lay on his shoulder. I’m so tired.

he laid down with her in his arms, his heart full of satisfaction. it had nothing to do with his desire, but because she was so soft in his arms, sometimes he could really see little stars in her eyes.

ye mu bai’s heart was filled with an indescribable satisfaction. before he went to bed, he leaned close to her ear and said in a low and hoarse voice, ” “about teaching, let me think about it, okay?”

Wen Yuan was already very happy that he could say that. She turned around and hugged him, throwing herself into his arms. Her voice was as soft as a lamb's."mubai, you're the best."

"what if i don't agree to it?" he laughed.

she muttered a few words. he couldn't hear her clearly, but he felt that she was fluffy and inexplicably cute.

the next day, wen yuan slept late. when he woke up, he had already gotten up and put on his tie. when he saw that she was awake, he bent down and kissed her. his voice was even more hoarse."I'm going to work. I'll rest at home today. Don't run around."

wen yuan wrapped his arms around his neck and helped him adjust his tie. "i want to see xu mo."

"That's good, but I don't want to catch a cold," he muttered.

she hummed in acknowledgment and he kissed her for a while more. he left after kissing and rubbing wen yuan until he was all over the place. she glared at him hatefully and he was stunned.

ye mu bai smiled and took his coat to cover his embarrassing state. he was running out of time, or else he would not have let her off so easily.

after he left, wen yuan could not fall asleep. he stretched lazily and looked at the sun outside.

It was a beautiful day.

It was sinful to be so idle and beautiful.

wen yuan stretched lazily again and decided to get up to take a walk.

an hour later, she drove out. before she left, she asked xu mo to go to her apartment. it was not wen yuan's first time going there, so he was familiar with the way. not only did he go, but he also bought a few large bags of fruits, vegetables, and cold seafood and meat from the supermarket. wen yuan did not do these things in the past few years. he only did them occasionally for xu mo.

xu mo was a person who did not bother with small details. the house was as simple as a snow cave. wen yuan felt that she was wearing all the glamor and did not approve of it. xu mo, on the other hand, felt that there was no need to be so warm when he was moving anytime.

in fact, wen yuan knew why. xu mo had no relatives and she had no sense of belonging to this city. she felt that she could leave at any time, so she did not spend any time thinking about it.

she knocked on the door and carried the things in. xu mo was still in his pajamas as he brushed his teeth, his voice particularly muffled.”If President ye finds out that you’re working for me, he’ll be so angry.”

She brushed her teeth as she said obscene words. poor President ye. He worked hard for an entire night. He didn’t even get you to wash your hands and make G-soup.

Wen Yuan knocked on her head. I’ll make you breakfast. Hurry up and get ready.

Xu Mo smiled meaningfully, and as he scrolled, he vaguely said, ” “I like to do it from behind.”

Chapter 3967: wen yuan is clueless, mole 6

Xu Mo smiled meaningfully, and as he scrolled, he vaguely said, ” “it seems like some people like to come from behind.”

wen yuan:

Although she was angry, she still made breakfast for Xu Mo. When Xu Mo ate, he laughed. Wen Yuan, if I were a man, I would marry you. You’re such a good wife. I wouldn’t let you go out to work.

Wen Yuan stuffed her mouth with a piece of bread and sneered, ” “if you’re a man and you’re in love every day, i’m not willing to marry you.”

Xu Mo swallowed it with difficulty and squeezed out a smile,”i’m drunk, i’m drunk.”

“Who’s the adulterer?” wen yuan pressed.

...

Xu Mo felt a little uncomfortable. Wen Yuan, why are you asking this? ”

“Let him take responsibility.” wen yuan said self-righteously.

Xu Mo paused for a moment, then looked at Wen Yuan and said faintly, ” “what if it’s an old P? isn’t this pushing me into the fire?”

wen yuan stared at her with a burning gaze. ” how do you know it’s an old P? ”

Xu Mo bit his fork and smiled meaningfully. you’re very experienced. You’re definitely an old hand. If there weren’t any women, you wouldn’t be so comfortable.

“do you enjoy it?” “Enjoy going to the hospital for HIV?” Wen Yuan sneered.

“what an accident! i’m drunk, so how would i know who the other party is? if i’m sick, i’ll be finished.” Xu Mo lowered his head and ate the bacon while looking at Wen Yuan carefully.

Sometimes, Xu Mo was a little afraid of Wen Yuan. Although she often tricked Wen Yuan, Wen Yuan was very good to her. He was so good to her that sometimes, he was like a monk chanting Scriptures. She could obviously set up a night club, so how could Wen Yuan have the upper hand? moreover, wen yuan liked president ye’s way of doing things, so xu mo could not understand.

wen yuan stared at xu mo and said in a very soft voice, ” so you know that you’ll be done for if you meet someone who’s sick? why are you so drunk? ”

Xu Mo did not speak. He ate his breakfast while staring at Wen Yuan.

wen yuan looked at her and said, ” i think you should stay by kang qiao’s side. although he is a little embarrassed, he is clean and has no scandals. ye mu bai also said that the two of you are a perfect match. ”

xu mo's expression became more and more strange ...

clean?

kang qiao?

president ye thinks it's suitable?

could it be that she wasn't awake and was dreaming?

if kang qiao didn't panic, who would? If Xiaobo wasn't dirty, who was?

It was all old P's fault, and that HIV test was for him. Now, she had to lick her face and chase after this male b * tch, was this a joke?

Xu Mo almost ground up the breakfast. Wen Yuan glared at her. "what are you doing? Why isn't Kang Qiao better than the man you're sleeping with outside?"

Of course, Xu Mo wouldn't say that the person she slept with was Kang Qiao. She lazily put down her fork and put on a fake smile. I'm just a withered flower, so I won't taint that White Lotus, Kang Qiao. Wen Yuan, you see, that's why I asked her out. As your friend, I mean, Kang Qiao can't be so unkind in that aspect.

wen yuan frowned. " i don't think he's a virgin. isn't it normal for an adult to have some private life? "

xu mo cursed in his heart, kang qiao's private life is not just a little bit, it's hard to say.

Wen Yuan thought for a moment. anyway, I'll create an opportunity for you. Don't hold me back. Don't you feel inferior to Xiong? I've prepared this for you.

wen yuan took out a pair of fake bodies from his bag and threw them in front of xu mo.

Chapter 3968: Mr. Ye, you're back too late 1

xu mo picked up the thing. it was like a liquid inside, shaking and shaking. she pressed it against her heart and then smiled insincerely."It does seem to have grown a lot."

" it's imported from italy, " wen yuan snorted. " it's very realistic to put it under the inner garment. "

Xu Mo weighed it again, and his expression was very novel. Finally, he took it off,"Unfortunately, a fake is a fake. It can't be real."

she leaned on the dining table and looked at wen yuan, saying pitifully, " " wen yuan, i really think i'm doing fine now. there's no difference between having a man and not having one. look at me, i'm rich and beautiful, but i don't have a strong body. besides, the man that night said i was great. "

wen yuan looked at her suspiciously. xu mo squeezed out a smile. " we might not be married now. look at how interesting it is to be single! "

as soon as she finished speaking, wen yuan knocked on her head. " "Interesting, a one-sided love is interesting, isn't it? You'll find it interesting when you get HIV."

...

"it's that white lotus," xu mo muttered softly,"you even pushed me into the fire."

However, Wen Yuan didn't hear it clearly. He wanted to ask if Xu Mo was dead, but he wouldn't say it anymore.

Wen Yuan did not say anything else. After he left, he thought about it and decided to go to ye mu Bai's company. She wanted to talk to him about letting Xu Mo go.

as soon as she left, secretary he came up to her and whispered, " "President ye is meeting miss Lu."

Wen Yuan saw that her expression was rather respectful, so he asked, ” “is it from the company?”

” no, she’s from an United States film company. she’s very famous internationally. president ye wants to invite her to be the female lead in his next movie, so he went to pick her up today. ” secretary he replied honestly.

wen yuan nodded and smiled. ” i won’t disturb you then. don’t tell anyone that i’ve been here. ”

wen yuan had never asked about ye mu bai’s work. he did not want to get involved either.

she always felt that since she had chosen to start over, she would learn to trust him. she left and drove directly to the beauty salon. she did her hair and face, and even bought a few sets of clothes. she calculated the time and went to pick up her child.

she had returned home early and even cooked to give ye mu bai a surprise because it was his birthday today.

However, it was already past seven o ‘clock and he was still not back. Wen Yuan dialed his cell phone.

After three or four rings, he picked it up and said in a gentle voice, ” “Wen Yuan? what’s the matter?”

” i cooked, ” she complained softly. ” and yingluo, i did my hair. ”

He laughed. waiting for me to eat? ”

She said yes, and then said that today was his birthday, and he had forgotten ...

ye mu bai was stunned for a moment before he remembered. he smiled and said, ” then, i’ll come back earlier, okay? let’s talk about something else. hmm, let’s go to 9:30. ”

“Alright, I’ll wait for you.” Wen Yuan nodded.

Ye mu Bai wanted to say something, but he restrained himself as there was a third party present. He smiled and said that he would be home soon.

when he hung up, the woman at the table smiled.””mubai, happy birthday.”

he was stunned again. then, he looked at the beautifully wrapped gift and smiled.””lu man, you’re so thoughtful.”

he still accepted it without being too pretentious.

he had a meal with lu man because he still had some details to discuss. there was no reason for her to go hungry after six o ‘clock, so he chose a restaurant nearby. he had forgotten his birthday, but the two women reminded him of it.

There were a lot of details in the cooperation. After he had a preliminary discussion with Lu man, he first sent Lu man back to the hotel and then drove home. When he got out of the car, he looked at the gift box and opened it.

There was a branded watch inside, worth around 500000 to 600000 Yuan. Lu man had chosen it very tastefully. He looked at it quietly and didn’t take it home. Instead, he left it in the front cabinet of the car, not paying it much attention.

It was almost ten O ‘clock when he got out of the car and walked toward the villa’s living room.

Only a small light was turned on in the living room, while the light in the bedroom upstairs was still on. When he walked in, the servants immediately came up.”Sir, Madam has been waiting for you all night.”

ye mu bai paused for a moment and then frowned. ” “wen yuan is asleep?”

she just went upstairs not long ago. She shouldn’t be asleep yet. “sir, do you want me to prepare supper for you?” the servant asked after a pause.

“no need,” ye mu bai took his coat and slowly walked up the stairs.

...

He went to see xiangnan and ye Hui. Wen Yuan had taken good care of them. The two little ones were sleeping side by side and looked as cute as two little Pigs. He took turns to kiss them. However, xiangnan was not asleep. She opened her eyes and said, “daddy.”

Ye mu Bai laughed, and his voice was soft and gentle. “Why aren’t you sleeping yet?”

“i was just about to fall asleep when daddy came back.” Xiang Nan said softly, then reached out to hug him. “Dad, Happy Birthday!”

Ye mu Bai’s heart softened, and he hugged Xiang Nan back. “Thank you, son.”

Xiang Nan obediently closed her eyes. After a while, she said with a red face, “ye Hui and I made a card for you. It’s in my little school bag. Yingluo and Daddy, good night.

ye mu bai’s heart softened. he lowered his head and kissed his forehead. “daddy went. my good son is sleeping.”

He then covered the two children with the blanket. Little ye Hui had originally been sleeping side by side, but now she turned over and hugged Xiang Nan, relying on him like a little pig.

thinking of nan holding the little piggy in one hand, ye mu bai felt warm in his heart. he kissed the little piggy again before leaving the room and going to the study.

he quietly found the card that xiang nan had mentioned. it was originally a rice-colored card, but xiang nan and ye hui had used tree leaves, grass, and cloth to paste a home. there was a house, a yard, a lawn, and four people.

it was their family of four, very similar. little ye hui was even holding hands with her brother, looking especially loving.

Ye mu Bai looked on quietly. His eyes were a little hot, and he was moved.

In the past, he had been very indifferent to his family. He had never thought of starting a family even when he was in his early thirties. After he had missed Lin sisi, he felt that it did not matter whether he got married or not. However, his mood was completely different now. He had never known that having a complete family would be so wonderful.

and all of this was brought to him by wen yuan.

He took the card back to the master bedroom. Wen Yuan had already fallen asleep. He was wearing a cherry blossom silk pajamas and half of his body was lying on the blanket. Half of his body was outside. He looked at her quietly, smiled helplessly, and covered her with the blanket.

Just as he was about to take a shower, Wen Yuan had already woken up. He held his hand and said in a muffled voice, " "You're back?"

He hummed in agreement and leaned over to kiss her on the lips. Wen Yuan was in a daze as he was kissed by him for a while. Suddenly, he frowned."it smells like perfume."

He was stunned for a moment, and then smiled. " i was talking to an actress today. it might be the smell of her perfume. "

Wen Yuan wrapped his arms around his neck. did you have dinner with her? "

"I treated her to dinner. She came all the way from new York," he said with a faint smile.

He kissed her again. Wen Yuan was in a daze as he was kissed. Then, he seemed to have remembered something."you didn't treat any artistes to a meal in the past, yingluo."

then she pushed him away. " not to mention that it's your birthday today. "

he chuckled.

he lifted his body slightly and reached out to scratch her face. ” “We’ve worked together before. I was the first female lead when I became a director.”

“Have you ever had any unspoken rules with her?” Wen Yuan suddenly asked as he looked at him.

ye mu bai was stunned for a moment. he did not expect wen yuan to ask about this. then, he laughed.”nonsense, how could it be!”

...

He got up. I’m going to take a shower. I’ll be back to accompany you later, okay? ”

Wen Yuan pulled him back and changed to him leaning against the headboard. She sat in his arms and unbuttoned his shirt one by one. Finally, she pulled the collar of his shirt and leaned over.”Throw this shirt away.”

He laughed. throw it away just because it smells a little? Wen Yuan, this is the shirt you bought for me. ”

Wen Yuan looked at him seriously and seemed to be deep in thought. After a long time, he smiled and said, ” “If you get involved with someone else one day, I’ll throw you away too.”

Ye mu Bai stared into her eyes and suddenly reached out to hold the back of her head. He kissed her lips ruthlessly and did whatever he wanted to her until her lips were a little swollen. He then let go of her and said in a hoarse voice, ” “i won’t give you the chance, wen yuan.”

the shirt was thrown on the floor. he crudely folded her in his arms and kissed her again and again until she was on his shoulder and biting his shoulder so hard that it was almost bleeding. he turned her face around again and kissed her fiercely ...

After burning for half a night, the big bed was no longer visible. He carried her to the bathroom to take a shower and then let her soak in warm water. He then changed the bed sheets. By the time Wen Yuan changed into his pajamas and lay on the bed, he had already fallen asleep.

ye mu bai quietly tidied up the clothes. when he threw the shirt into the trash can, his eyes flickered.

he looked into the mirror for a long time before he smiled.

He would never allow Wen Yuan to leave.

When she returned to the bed in the bedroom, she automatically moved over and said softly, "I've been waiting for you for a long time tonight,"

He smiled and looked down at the woman in his arms. now, have I been proven innocent? "

Wen Yuan did not speak. He only put his arm around his waist, looking extremely tired.

He wanted to smoke a cigarette, but he held it in. After a long time, he realized that they had been interacting very well with each other in sex. Wen Yuan had taken the initiative a lot. Although he said that he had a request, he really felt that she had let it go. She wanted to live well with him and love him instead of making do with him.

She felt a little warm in her heart, and then leaned over and whispered, "i will never betray you, wen yuan."

wen yuan mumbled a sound of agreement but eventually fell asleep.

"don't forget about the class reunion in a few days," she said softly before she went to bed.

"I won't forget," ye mu Bai smiled.

early the next morning, wen yuan woke up early. as the children were disappointed from waiting yesterday, she wanted to make them happy today.

Ye mu Bai drove the child to school. She sat in the front passenger seat, but she could smell a faint perfume in the car, which was very similar to the smell on him yesterday.

wen yuan did not want to think too much, so he said softly, " "i'll drive your car over for maintenance later."

ye mu bai did not understand what she meant. he smiled." "just let the assistant do it."

"I'm free anyway." she looked at him.
