

Thank you 3971

Chapter 3971: mr. ye, you're too late 4

He didn't think too much about it, thinking that it was good that she had nothing to do.

Hence, after sending the two children over, he drove back to the company and Wen Yuan drove his car for maintenance.

Stopping there, the staff respectfully said, " mrs. ye, please check if there are any valuable items in the car. "

Oh, " Wen Yuan replied. He sat in the car and looked around. Finally, he found a box in the front shelf. It was very exquisite.

she was stunned for a moment, then opened it.

there was a man's watch inside. she recognized that it was the brand that ye mu bai usually wore. he could not have bought it because he was the kind of man who would not change a new one. he had worn that watch for many years and had not changed it.

...

wen yuan sniffed it and noticed that it had a faint scent of perfume.

Her expression slowly turned serious.

did the actress from last night give this to him?

her intuition told her that there was something between this woman and ye mu bai. at the very least, there was a story between them.

It was not a normal relationship for a woman to give a man a watch, tie, and belt, not to mention this watch that cost 500000 to 600000 Yuan. How could she give it to him so easily?

wen yuan thought for a while and decided to leave the things there. he got out of the car and waited in the waiting area.

Since she had nothing to do, she started to browse through her phone—searching for '10 major symptoms of cheating husband'.

what they found were ...

the smell of perfume!

He came home late!

the gift that appeared next to her was not bought by her!

after reading a few messages, wen yuan felt that he had hit the jackpot.

She put away her phone and let out a long sigh, feeling a little depressed.

After the car was repaired, she drove his car to his office. Instead of getting in, she sat in the car and gave Secretary he a call."secretary he, does your president ye have something on right now?"

Secretary he didn't think too much about it. Oh, we didn't reach an agreement yesterday. Miss Lu man is here.

lu man!

Wen Yuan knew that she was one of the more popular female stars in Hollywood. Her acting skills were not bad, but he did not know if they were useful in real life. She thought that the person who had dinner with her and gave her a gift last night must be miss Lu!

Wen Yuan's voice was very calm. later, tell President ye that I'll leave my car keys at the front desk.

secretary he was shocked. just as he was about to say something, wen yuan had already hung up.

she opened the door and got out of the car. she slammed the door shut and handed the car keys to the front desk.

When she was leaving, her phone rang. It was ye mu Bai. Secretary he must have told him about it.

“I’ll go home first,” Wen Yuan answered the call in a soft voice.

Ye mu Bai could hear her indifference and pulled his tie. “What’s wrong? weren’t you fine just now?”

“it’s nothing, i’m just a little tired,” she mumbled, ” i’ll get the driver to send me back. i’ll pick up xiangnan and ye hui later. i want to go back to my mother’s place tonight. do you want to go? ”

Ye mu Bai looked at Secretary he. do you have any plans tonight? ”

“president ye, there’s a party i have to attend tonight.” Secretary he naturally hoped that President ye would be in a good mood, so he suggested, ” why don’t you invite the madam to attend the event with you? ”

Ye mu Bai muttered to himself for a moment before he said to Wen Yuan, ” I’ll pick you up later.

Wen Yuan was silent for a long time before she spoke, ” “Mubai, can you explain the present in your car?”

initially, she had wanted to tolerate it and choose to believe him. however, it was obvious that he had stayed in the car because he did not intend to tell her. wen yuan was not someone who was willing to be mistreated. besides, she did not have to beg him to be with him this time. she had said that she would not want him if he cheated on her and dirtied her.

Chapter 3972: mr. ye, you’re too late 5

He could talk about business, he could eat with people, and even if he was stained with a woman’s perfume, she could tolerate and understand. But this woman had given him an expensive gift, and he had accepted it and hidden it from her.

in fact, their cooperation was still going on, and he allowed this ambiguity to breed, or perhaps they had always been ambiguous in the past.

this was something that wen yuan could not tolerate!

She was waiting for him to give her an explanation.

ye mu bai was sitting quietly, and lu man was sitting on the sofa opposite him. the charming lu man.

In his heart, he thought that the incident with Lu man was already in the past. To him, Lu man was just a partner. Moreover, it was a film that he valued. He had chosen many female actors, but in the end, only Lu man could act in it.

...

as for wen yuan, he probably sensed something or was unhappy about last night's incident. he coaxed her, "let's go home first, okay?"

Wen Yuan sat in the chauffeur's car and said quietly, "ye Mubai, are you going to pretend that nothing happened just because I didn't notice and I didn't say anything? are you going to continue eating and chatting with a woman who has ulterior motives towards you, send her back to the hotel, or accept her invitation to have a cup of coffee or red wine? "

"ye mu bai, what kind of person do you think i am?" her eyes were a little hot.

She hung up the phone after she finished speaking.

It was probably a woman's intuition that she could guess the story of a gift.

Lu man was the woman he had a story with.

wen yuan did not want to hear his explanation. she only wanted his attitude.

he didn't have a contract with lu man. he could choose not to sign, not do a project, or let someone come to talk to her. he would personally pick her up for dinner and celebrate his birthday with lu man. what was she, his wife, to him?

was she just a tool to accompany him to bed and make love every night?

She couldn't have her dream. She had to sacrifice everything for him and be a housewife for the family, but he was not willing to give up on a project. He said he loved her, but she thought it was a joke, like a joke.

To hell with him!

ye mu bai looked at his phone and frowned. he then instructed secretary he, " "Cancel my schedule tonight."

"What about during the day?" Secretary he asked after a moment of hesitation.

Did they stop chasing after Madam?

ye mu bai frowned. " i'm talking about a collaboration. secretary he, since when have you become as agitated as wen yuan? "

secretary he wanted to say something but stopped himself.

No matter how slow she was, she knew what Wen Yuan was up to.

from her point of view, family came first. this miss lu clearly could have settled the cooperation quickly, but she had to talk about it so many times. wasn't she just trying to create opportunities?

She felt that President ye had gone a little too far. It was work, but it had already endangered the harmony of the family. Was there a need to continue the discussion?

She believed in Wen Yuan. If there was no solid evidence, she would not have exploded.

secretary he did not say anything. he watched as the assistants and lawyers of both parties continued to discuss the contract. lu man was a big shot and had a good attitude. however, she was very gentle when she was in private with ye mu bai. secretary he had also noticed this.

She didn't say anything. Anyway, if President ye liked to seek death, then let him be.

Sometimes, it wasn't a man who had sex with someone else that was considered cheating. Letting go of ambiguity was also considered a kind of cheating.

And President ye didn't seem to feel that he had gone too far.

it was already nine o'clock at night when ye mubai was done with his work. he then remembered wen yuan and the children.

lu man asked her assistant and lawyer to leave first. she stood in front of ye mu bai and smiled. "mubai, do you want to go for supper? you've had a long day. "

"It's getting late, maybe next time!" He raised his hand to look at his watch and smiled apologetically.

Chapter 3973: Mr. Ye, you're back too late 6

Lu man looked at the watch on his hand. It was not the one she had given him. She said in a gentle voice, "Mubai, you don't like my gift?"

it's great, but Wen Yuan might not be happy if I put it on. Thank you, Lu man. "lu man, i'm a professional person. you should understand that!" ye mu bai's voice was calm.

lu man knew what he meant, but she was not a low-level actress. she had always taken a step back in order to advance.

she was still smiling faintly. " don't think too much, mubai. we're friends. do you need me to explain to your wife? "

“no need,” ye mu bai said indifferently. then, he pressed the internal line.”secretary he, please send miss lu off.”

lu man smiled and said that there was no need. she left gracefully, still as beautiful as ever.

...

In the entertainment industry, not many people could escape Lu man’s charm. She had the opportunity to marry into a rich family, but she was still single even when she was in her early thirties. Perhaps she was trying to maintain the freshness of her career.

after lu man left, secretary he came in and looked at ye mu bai without saying anything.

Ye Mubai lit a cigarette and took a puff before saying faintly, ” he na, I know what you’re trying to say. Lu man and I are just working. There’s nothing else.

Secretary he said softly, ” all women will care. Wen Yuan is at home every day and she’s actually very sensitive. President ye, I know that you’re interested in the film industry, but please consider her feelings. She’s just a woman. No matter how successful her film is and how much money she earns, she doesn’t really care. She only cares if her husband’s feelings are completely in her heart. Perhaps you’ll know the answer if you put yourself in his shoes.

Ye mu Bai furrowed his brows and looked at Secretary he. it’s not that serious!

he loved wen yuan and would keep his distance from lu man. he would not have any ambiguity that should not be there.

secretary he smiled and did not say anything else.

Ye mu Bai took his coat and walked out. He called Wen Yuan as he walked, but Wen Yuan did not answer.

he went all the way down to the car and called her a few more times, but she didn’t pick up.

ye mu bai put down the phone and took out the box from the front cabinet. he opened it and took a look.

Wen Yuan must have seen it. She must have smelled it and said that she was going to help him wash his car. He looked at the watch, opened the car door, walked to a trash can at the side of the building, and threw it in.

He returned to the car and drove straight to the Wen family home. However, on the way there, mother Wen said that Wen Yuan had already brought the child home. Noticing that he did not look too good, mother Wen said softly, ” “Wen Yuan has a bad temper. Mubai, please bear with him.”

“I’m fine! she’s just angry with me, i’ll coax her. ” Ye mu Bai pressed on mother Wen’s shoulder and turned to leave.

he opened the car door and was about to start the car when wen qing appeared out of nowhere.

Wen Qing knocked on the car window, and ye mu Bai rolled it down. Wen Qing smiled coquettishly and said, ” brother-in-law, did you secretly eat something outside? is that why Wen Yuan is making a fuss with you? ”

Ye Mubai ignored her and closed the window, leaving the tail of the car for Wen Qing.

wen qing was furious. she stomped her feet. ” wen yuan is a fool. i’m not a fool! ”

she had read the newspaper. that b * tch called lu man had ulterior motives. she even said that the second degree and president ye were very happy working together. they had probably worked together in bed before! That was why Wen Yuan was so bothered!

she had always said that there was nothing good about men. wen yuan was so silly to think that she was so happy!

Chapter 3974: Don’t be angry anymore, okay, 2000 words

Ye mu Bai drove back to the villa and dialed Wen Yuan's number as he drove.

she still did not pick it up.

he decided not to call and sped up back to the villa. as soon as he got out of the car, he grabbed a servant and asked, "

"is wen yuan back yet?"

The servant was stunned for a moment. After he came back to his senses, he immediately said, "madam came back at around eight o'clock. she's probably asleep now."

Ye mu Bai motioned for her to rest. He stood in the dark and smoked a cigarette before walking into the hall.

...

He slowly went upstairs and went straight to the master bedroom. Wen Yuan was not asleep.

she was leaning against the headboard in her pajamas and looking at him quietly.

ye mu bai was also looking at her. finally, he walked in and stood by the bed. he reached out and touched her head. "wen yuan, you're thinking too much. lu man and i are just business partners. i only brought a gift because i know her. "

"i threw that watch away," he said after a pause.

Wen Yuan looked up and asked hoarsely after a long time, "You signed a contract with her?"

"mmh, " he said as he sat on a sofa by the bed. after a while, he said in a low voice, " i've talked to the director. he insists on using lu man. no one else can play this role well. "

Wen Yuan smiled. so, you won't care about my feelings and you'll see her more often in the future, right? "

“That’s also for work.” Ye mu Bai was stunned for a moment.

wen yuan looked at him with tears in his eyes. ” ye mu bai, you slept with her, didn’t you? ”

There was a hint of shock in ye mu Bai’s eyes as he stared at her, and he did not say a word for a long time.

wen yuan closed his eyes, his eyelashes quivering.

She suddenly threw a pillow at him and shouted in a hoarse voice, ” “get lost! Ye mu Bai, get lost. I don’t want to see you.”

The pillow fell on his face and then fell down.

His expression was a little ugly. Wen Yuan, calm down. That was in the past.

“I can let bygones be bygones, but ye mu Bai, why did you bring a woman who slept with you to B city to disgust me? You said no one else but her could act in the movie. That’s right, you’ve seen her acting skills and the way she looks in your bed.” Wen Yuan’s eyes were filled with tears that he had been holding back. Her fingers were clenched into fists, and her last words were almost hysterical.

After she finished speaking, her entire body stiffened and trembled.

Ye mu Bai wanted to touch her, but her lips trembled. “don’t touch me.”

Her voice was so sharp that she seemed to be frightened herself. Then she mumbled, ” “Don’t touch me, really, don’t touch me Yingluo.”

finally, she burst into tears and looked at him with tears in her eyes.”ye mu bai, you’ve really disappointed me.”

If she didn’t find out, he would continue to be in contact with Lu man, and that woman would continue to interfere in their lives. Or, one night, they would get into bed again.

he said that he would not betray his marriage or her. a real betrayal was to put an end to all ambiguity, not to think that he wouldn't. hanging out with a woman who had slept with his ex and even giving her gifts was also a betrayal.

After Wen Yuan finished speaking, his nose turned red and his eyes were wet. He lifted the blanket and said, " "i'll sleep in the guest room."

Ye mu Bai grabbed her hand and said in a low voice, " Wen Yuan!

"I want to calm down!" Wen Yuan closed his eyes.

She raised her eyes and looked at him,"you too!" "Think about it carefully. Do you want to continue working with Lu man or continue with our marriage? ye mu Bai, don't treat me like a fool and talk about separating work from private life. Don't say that you can't tell that Lu man has ulterior motives towards you. Don't say that you won't contact her after this film. Please don't disgust me and don't disgust our marriage. You ask me to be loyal, but I will also ask you. I, Wen Yuan, can tell you now that I can live a day of luxury.' I can live a simple life, so don't use the child to threaten me. I'll give you everything you want!"

After she finished speaking, she pushed his hand away with all her might, but she could not break free.

Ye mu Bai grabbed her, and there was a storm in his eyes. " it sounds like you've already made your decision. but wen yuan, do you think i'm the kind of b * stard who will f * ck a woman when she's right in front of me? "

he grabbed her and dragged her in front of him. " or do you think I'll definitely betray you, huh? "

Wen Yuan could not break free. She patted his shoulder with all her might and cried, " "Let me go. Ye mu Bai, you've already betrayed me. "

He held her waist with one hand and held her firmly in his arms, then he stared at her.

the breath he exhaled was both cold and hot."Wen Yuan, do you know what you're saying?"

she raised her head, looking disheveled and panting, "I know what I'm talking about. Ye mu Bai, you're the one who doesn't know what you're talking about!"

He lowered his voice even more, "what do you want me to do?" Terminate the contract? Wen Yuan, giving up an Oscar-winning opportunity is my dream and career. Do you want me to give it up?"

she stared at him for a long time before she laughed and said in an especially soft voice, "yes, that's your dream, and only lu man can realize it, right? let me ask you this now. if your dream affects your family and my mood, will you continue?"

"it can't affect anything!" "This is just work," he said in a deeper voice.

"Then how did you and her start? How did you get into bed? did you get into bed naturally because you were in the mood for work?" Wen Yuan smiled coldly. ye Mubai, I won't say anything no matter how much you spend time with Xu Mo and Secretary he. However, if you insist on working with a woman who has slept with you, send her home, and let her sit in your car, I'm sorry that I'm not that magnanimous. You can let someone else be Mrs. Ye. You can let someone else be the one to tolerate you.

he stared into her eyes and reached out to lift her up so that her face was level with his.

"Wen Yuan, say it again," he said in a hoarse voice.

Her throat tightened, but she still said in a low and hoarse voice, "ye Mubai, you should find someone else for this Mrs. Ye!"

"Wen Yuan, you don't have a heart." he suddenly let go of her and stood there.

After a long time, he took out a cigarette and lightly lit it.

After smoking half a cigarette, he turned to look at Wen Yuan and said quietly, "I'll sleep in the guest room if you want to calm down."

He was about to leave when Wen Yuan stopped him. your decision.

he frowned and lowered his head to look at her.

he wanted to calm down and give her some time, but he didn't want to let her go now that she was forcing him.

ye mu bai stubbed out the cigarette and grabbed her wrist, pushing her against the wall.

she was almost sitting on his lap. after a while, she struggled. " ye mu bai, let me go! " bastard, let me go."

Chapter 3975: don't be angry anymore, okay? 2

he didn't let go. not only did he not let go, but he also pressed her down and kissed her. his mouth was filled with the taste of tobacco and a faint perfume that she couldn't ignore.

wen yuan refused to do it with him. he forced himself on her and held her in place with brute force, kissing her like a madman.

He pinned her to the wall and kissed her over and over again. After a few times, Wen Yuan was weak and at his mercy. He was strong and energetic while she was as soft as a pool of water.

"Wen Yuan, stop it, okay?" his face was buried in her neck, and every breath he took was clearly suppressed, showing the great joy he was feeling at the moment.

he was enjoying himself while wen yuan was crying.

She couldn't break free from him. She was ashamed and embarrassed.

...

she didn't want to make a scene until all the servants at home knew about it, and she didn't want the two children to see their parents getting along like they were forcing themselves on each other, so

she could only endure it. however, he was still not satisfied with this. his hot thin lips pressed against her ear and he murmured in a sexy voice, "why not? wen yuan, i want to hear you call me ran ran."

He forced her again and again, and she cried out, her voice broken. "Ye mu Bai, let me go!"

His voice was low and hoarse. are you feeling unwell? Wen Yuan, look at you now. You obviously like it, but you have to pretend that you're being forced, huh? "

he carried her to the bathroom and placed her in front of the mirror to torture her. " look at yourself. "

she closed her eyes and didn't speak. she endured it and didn't want to talk to him. he kept torturing her until she broke down.

after that, wen yuan was placed on a large, soft bed. he laid on her back to comfort her and nibbled on her shoulder as he mumbled, " "I'll only do this with you, hmm? Are you still angry?"

He even licked and kissed the back of her ear. you're not angry anymore, huh? "

Wen Yuan lay on his stomach helplessly and allowed him to do whatever he wanted. Her voice was hoarse as she asked, " ye mu Bai, do you really think that sex can solve everything? "

" i just want you to be happy, wen yuan. forget about those things. they're all in the past. " he hugged her from behind, slowly.

wen yuan closed his eyes. " if lu man is not willing, will you satisfy her once and let her continue acting? "

her words completely angered ye mu bai. he immediately left her body and got off the bed. he sat by the bed for a long time before he said in a hoarse voice, " "wen yuan, maybe you're right. calm down, yueyue."

with that, he walked straight to the bathroom, took a shower, put on a bathrobe, and went to the guest room.

the door was closed gently. wen yuan was still lying there quietly. she felt very empty.

she had explained so much to him, but he still didn't understand. perhaps this was the difference between them!

He felt that she was making a big deal out of it, but she felt that he had already betrayed her to a certain extent. She didn't get up to take a shower. She just lay there and didn't sleep the entire night.

she cried. she felt that she had paid the wrong price.

When she was young, she had chosen a man because of her heart. After marriage, she loved him again because of a song.

it was only now that he asked her to call him that and asked if she was no longer angry that she realized that she really meant nothing to him.

The person who fell in love first was destined to be lowly!

If Lin sisi was his wife, would he still treat her like this?

Wen Yuan knew that he would not.

Tears fell from the corners of her eyes. She wiped them away, and when they appeared again, she wiped them away. She didn't want to cry.

Chapter 3976: Don't be angry anymore, okay? 3

the next morning, wen yuan was still asleep when ye mu bai returned to the master bedroom to get his clothes.

He walked closer to the bed and stood by it.

She lay down, her black hair covering half of her face, which he brushed away.

Her face was pale, almost transparent, and her lips were bloodless.

ye mu bai's heart tightened. he sat by the bed and gently stroked her face."wen yuan, let me take you to the hospital, okay?"

She woke up and opened her eyes. Ye mu Bai was in front of her.

...

Wen Yuan did not want to talk to him. He buried his face in the pillow and said, "I don't want to go.

Ye mu Bai placed his hand on her shoulder. Wen Yuan, don't be angry, okay? i'll take you to the hospital."

"I don't want to. I'm fine." she turned her back to him. "ye mu bai, can you not care about me? you only need to care about whether your film will win an award and whether lu man will be able to join. "

his expression froze, then he said in a low and hoarse voice, " "Are you still angry? Wen Yuan, I told you that I won't bring my personal feelings to work. Lu man will be on set next month after the contract is signed, so I don't have any interaction with her. "

Wen Yuan did not make a sound and just lay there quietly.

a woman with ulterior motives would always create some opportunities.

"what do you want?" ye mu bai was also angry.

"I don't want anything! i just want the woman you've slept with to disappear from our lives forever." Wen Yuan spoke very softly and indifferently, his face buried in the blanket, " "If you can't do it, we have nothing to talk about."

not to mention, he had even used force on her last night.

ye mu bai quietly looked at her for a long time before he finally opened his mouth. ” ” we’ve signed the contract. our company is not the only producer of this film, but i chose the director. wen yuan, i hope you can be more sensible. or maybe ran ran. ”

He paused for a moment. you’ve been too pampered at home these past few years. That’s why you can’t understand me! Yes, Lu man and I did have a past, but it’s all in the past. There’s nothing between us. If you keep harping on it, then there’s no way we can get past it. ”

after he finished speaking, he felt a little impulsive and regretful, so he said bitterly, ” ” wen yuan, i mean, calm down. today is the press conference for the new film. i hope you can let go of all this and i’ll take you abroad to relax after this. ”

wen yuan listened quietly and smiled. ” ye mubai, thank you for giving me such a good life. if i didn’t do this, how would i know what i want? ”

“Wen Yuan!” He frowned.

she laughed again and lifted the blanket. she stood in front of him and said softly, ” ” calm down. i’m not going overseas. also, ye mu bai, remember what i said. i won’t want you if you’re dirty. ”

After she finished speaking, she walked into the changing room and stopped talking to him.

Ye mu Bai clenched his fists and did not say anything for a long time.

When Wen Yuan came out, he had already left with Xiang Nan and ye Hui.

wen yuan stood there quietly for a while before she asked xu mo to meet her.

Xu Mo had just recovered from his cold and had originally planned to go to work. However, Wen Yuan seemed to have something important to do at the moment, so they met at a coffee shop.

Wen Yuan said,"Xu Mo, I'm looking for an apartment. It's about 140 square meters with two children's rooms." It's near xiangnan and ye Hui's school."

"Wen Yuan, what's wrong?" Xu Mo frowned.

This was the rhythm of separation.

help me look for one first. I might not move in. The monthly rent is about thirty thousand Yuan, and the environment has to be better. wen yuan paused for a moment. "do you know lu man?"

Chapter 3977: don't be angry anymore, okay?

Xu Mo was stunned for a moment, and then he said a little uncomfortably, "why are you asking about her?"

From Xu Mo's reaction, Wen Yuan could tell that she knew about the past. Wen Yuan did not probe further and only said, "help me find it."

she took out a card and gave it to xu mo. "there's a million yuan in it. you can rent it for three years."

Three years. Xu Mo was stunned for a moment. Wen Yuan, that's all in the past.

you probably don't know this, but Lu man has come to B city and will be working on a film. Anything can happen during the half-year shooting period. Xu Mo, I don't want to have a quarrel and not have a place to go. wen yuan said indifferently.

Of course, she still had the house that ye Mulin had left for her. However, Wen Yuan did not want to go there. She wanted to find a new place to live with her child, if that day ever came.

...

Xu Mo was stunned for a long time before he asked in a hoarse voice, " what happened? "

wen yuan said softly,"lu man, you should know that it's a woman's intuition!" Lu man is slowly getting between me and ye mu Bai, and he is completely unaware of it. "

xu mo grabbed her hand. " wen yuan, are you stupid? aren't you giving other women a chance by giving in like this? "

wen yuan's expression was bitter,"xu mo, but if i keep pleasing him, will i still be me?" then i wouldn't be myself anymore. i'd fight for a man every day and swallow all my grievances. i was even forced to give up the job i liked. now that i think about it, it's simply a joke."

as she spoke, her fingers trembled as she held the coffee cup and took a sip. then she smiled at xu mo helplessly.

Xu Mo agreed. yeah, it's not worth it for a stinky man. He can spend his life with whoever he likes.

No. Wen Yuan shook his head. our problem has been there for a long time. Lu man is just the fuse.

she lowered her eyes again. " also, i've contacted the school i used to work at. i'm preparing to start working. "

xu mo was stunned again and then agreed, " "right! why does a woman stay at home and not work? it's as if he's the one supporting you."

wen yuan laughed. " it's true that he's the one who's taking care of me. xu mo, look at my hair. it's tens of thousands if permed, hundreds of thousands for a bag, and a set of clothes costs at least 20000 to 30000. it's all built up with money, so i don't even have the right to be angry with him. his dream is a dream, and my dream is nothing. "

Xu Mo did not know what to say. He felt that Wen Yuan was at a disadvantage. Back then, they got married because of Xiang Nan. Later on, ye Mubai almost caused Wen Yuan to have a miscarriage because of Lin sisi. Now that their relationship had finally gotten back together, he had to sacrifice Wen Yuan for a lousy film.

Wen Yuan had always been the one who had to sacrifice and give in.

Xu Mo felt sad, so he asked in a low voice, "do you still love him?"

Wen Yuan shook his head. I don't know. I don't think I love him, but I still have feelings for him. I said I love him, but I feel that it's really impossible to communicate with him. He can't even give me the most basic guarantee.

xu mo didn't know what to say for a moment.

Wen Yuan finished his cup of coffee and said in a low voice, "let me know when you find the house. Also, don't tell ye mu Bai. Just find someone to clean it for me.

xu mo agreed, but his mood was quite complicated.

Wen Yuan's mood was low, but he still thought of Xu Mo and Kang Qiao, so he said, "You and Kang Qiao, if possible, you can take the initiative. Kang Qiao is a good person."

Chapter 3978: don't be angry anymore, okay? 5

Xu Mo's expression was a little strange, and he almost choked on his coffee. He coughed lightly. "It's pretty good, it's pretty good."

wen yuan looked at her again. "be more careful. "

Xu Mo protested. actually, it's good to be single. There's no trouble.

wen yuan did not say anything else.

after having lunch with xu mo, she went to school in the afternoon to meet with the leader in charge of this area. they had tea together and discussed the salary.

from monday to friday, there was one class a day from two to four in the afternoon. the schedule was well arranged and the salary was decent. although it was not much, it was wen yuan's profession and interest. she wanted to be a calm and ordinary person like a teacher.

...

After she finished talking about work, she walked out of the school and saw that it was exactly 3:30 am. Hence, she called the driver and told him that she was going to pick up the children. Xiangnan and ye Hui's schools were next to each other. After picking them up, xiangnan would be picking ye Hui up.

wen yuan drove back and asked the two children to get out of the car. the servants at home had strange expressions on their faces.

"What's wrong?" wen yuan got out of the car with the things he had bought.

one of the servants hesitated. "sir called to say that he won't be back for dinner. he said that he had something to do at the company."

"it's normal to work overtime in the company," wen yuan asked as he walked. "why are you hemming and hawing?"

She paused for a moment as she recalled that he had mentioned that the press conference for the film "stars" was to be Xuanji's celebration party!

However, the servant's expression still did not look right. Wen Yuan put down his things and asked, "what's wrong?"

"this is today's newspaper." The servant brought the newspaper over. Madam, we shouldn't interfere in your and Sir's private matters. However, this woman is an actress. Actors can all act. We're afraid that you'll be at a disadvantage.

She pointed at a photo on the screen. Madam, this woman is obviously pretending. How could she be so weak? she just happened to fall into Sir's arms. These reporters are also very unpleasant to hear. This bad woman is deliberately destroying other people's families! she looks pretty, but she's actually a bad person."

wen yuan's gaze was quietly fixed on the photo in the newspaper. he saw lu man's exhausted body on ye mu bai's shoulder, and their eyes met.

she pursed her lips and smiled. " you can see it. sir can see it too. it's nothing! " There are many women like that."

The servants were still worried, but Wen Yuan had no intention of discussing it further.

the servant could only give up.

wen yuan packed his things and had a meal with the two children. he then looked at xiang nan's homework and ye hui's handiwork. after the two children had gone to bed, she returned to her bedroom.

To her surprise, ye mu Bai returned.

he was still wearing the suit he had worn in the morning, but he had taken off his coat and put it aside. he sat quietly and looked at her.

Wen Yuan stood at the door and smiled. "You have something to say to me?"

"wen yuan, you've read the newspaper, haven't you?" he asked in a hoarse voice.

" also, your photos on the internet. " Wen Yuan walked in slowly. She was not by his side. Instead, she chose to stand in front of the floor-to-ceiling window.

She was wearing a dark green long dress today, and her long black curly hair was spread out behind her back. She looked very feminine, especially the curves on her back. Ye mu Bai also liked to hug her from behind and do it.

Wen Yuan stood there quietly and only spoke after a long while, " Mubai, you know very well what Lu man wants, but you still want to work with her and let me suffer all this. You should know my choice.

Chapter 3979: don't be angry anymore, okay?

"it was just an accident. lu man needs to stay in the hospital for a few days." "there's nothing like what you're thinking," he said.

Wen Yuan smiled faintly,"perhaps!" but, ye mu bai, i don't want to be suspicious. i don't want to keep suspecting that wanwan betrayed you, so i'm going to work."

His voice suddenly became hoarse and low. Wen Yuan, are you going to tell me after you've decided? "

she slowly turned her head and smiled. " "Aren't you the same? ye mu bai, if you don't agree, yingluo ..."

"You're going to get a divorce and leave me, aren't you?" His voice was a little cold. He walked to her step by step, bent down, and stared at her face."lu man is your excuse!"

Wen Yuan stared at him and did not give in.

...

He pinched her cheeks gently. you just want to go out to work or leave me, don't you? "

instead of getting angry, wen yuan laughed. she stared at the man she had once loved very, very much and laughed softly, " " ye mu bai, you said that i don't have a heart. i want to ask you, do you have one? did you really love me? if you loved me, you wouldn't have treated me like this again and again. "

Her lips trembled slightly. you love me, but it doesn't mean that you love me just because you sleep with me a few times a night. You take care of my feelings, you treat me as an independent person, and you think that the woman who can stand by your side will always be called Wen Yuan. That's how you love me. Really, I'm disgusted by your lack of love. You may feel good about it, but let me tell you, it's really disgusting. You probably don't know that the perfume you're wearing makes me think of how you used to roll on the bed with Lu man. "

his expression turned ugly and wen yuan closed his eyes. " it's because you don't love me enough. That's why you don't care about these details. Ye mu Bai, the love you think is just guilt.

she, on the other hand, treated his attempts to please and curry favor, or his submissive love, as feelings.

he had only sat with her and played a song, and she had fallen for him easily. she was willing to stay at home obediently, and even if she wanted to go out to work, she would hug him and take the initiative to please him. she would send herself to his mouth for him to eat, and her careful fawning had brought lu man's appearance.

"ye mu bai, why should i endure all this?" if there's a price to pay for Mrs. Ye, " she sneered, " I can't accept betrayal and sharing.

she didn't love him blindly. she, wen yuan, had her own pride and could leave anytime she wanted.

He lit a cigarette and looked at her quietly, as if he had never known her.

After a long time, he finally said with difficulty, "nothing happened!" I won't sleep with her, and you can't whine like other women!"

Wen Yuan found it hard to breathe. He asked softly, " "Turn a blind eye, don't you?"

She pursed her lips and her eyes reddened. She didn't say anything and just turned her head away.

she looked at the lights outside, feeling a little lonely.

there was a period of time when wen yuan thought that he had obtained a lot, the whole world, including ye mu bai's love.

During that period of time, she felt extremely blessed. She would act coquettishly with him and tell him everything that was in her heart. She even felt that the most embarrassing thing in bed was sharing intimacy with Him.

So, all he wanted was her body.

All he wanted was to keep a woman named Wen Yuan by his side and write her down in his spouse column. She only needed to satisfy his desires and make love with him every night.

other things, her little feelings, were not important at all.

Chapter 3980: if you're free, why don't you check out hip1?

Wen Yuan stood there for a long time. She felt lonely but she was all alone now.

He was clearly by her side, but she could not feel any warmth.

ye mu bai hugged her from behind and buried his face in her neck. "Wen Yuan, tell me, what can I do to make you not angry? What can I do to make you willing to stay by my side?"

wen yuan's body stiffened. she wanted to push him away but he did not allow her to. he hugged her tightly and did not give her a chance to break free.

wen yuan looked at the night view outside, his eyes a little bitter. after a long time, he whispered, "ye mu Bai, I want to calm down. I'll move out and bring xiangnan, ye Hui, and Qianqian with me. Perhaps you'll understand which is more important to you, family or career.

"wen yuan, say it again," he turned her around.

...

"I want to move out." she raised her head and looked at him. "before what happened today, i still had to think about it again. but now, i don't want to think about it anymore. i can't tolerate lu man's existence anymore. you still have to go to the hospital to see her tomorrow, right? ye mu bai, don't ask too much of me. i'm not a perfect person and i'm not the kind of decent woman you want. i want a clean woman by my husband's side. this request is not too much at all. "

After Wen Yuan finished speaking, his nose felt a little sour. She was silent for a moment before she continued, " " ye mu bai, you can continue with your career. i won't stop you, but please respect my decision. "

she lowered her eyes and a tear fell."Let's just forget about it!"

that tear seemed to have fallen on ye mu bai's heart and corroded half of it. he could hear his heart thumping. before he could regain his senses, he hugged wen yuan tightly.

He buried his face in the side of her neck and said in a hoarse voice, " Wen Yuan, are you saying that we should just forget about it? do you want to separate from me? "

"how could you bear to do that?" he bit her.

she didn't move and just smiled gently.

He laughed helplessly.

" if i don't see her, the arranged hype won't happen. lu man will go back to the United States after she's discharged and start filming immediately. she won't be filming in B city and i won't see her. i'll bring you along for the publicity later, " he said in a deep and hoarse voice."don't go, huh?"

Wen Yuan was in a daze as he listened to him. He only came back to his senses when he carried her to a piano by the floor-to-ceiling window. She looked at him in disbelief with tears in her eyes and pounded his shoulder hard."Ye mu Bai, what are you doing? let go of me, Wanwan."

he put her down and pressed his palm on her knee to stop her from moving. he squatted down and staggered.

wen yuan had been crying and struggling, but he was so strong that she could not escape from him.

after he was done, he looked up at her. " "From today onwards, you'll be following me, okay?"

she said no.

he straightened his body and hugged her, allowing her to hug his waist. he had gone too far just now.

Wen Yuan's face was pressed against his waist, and his cold belt was beside her cheek. She was a little awake, but also a little confused.

after that, he carried her to the bed and wen yuan fell asleep.

she didn't know how long she had slept, but when she woke up, she was alone in bed.

ye mu bai stood in the direction of the floor-to-ceiling window. he was standing alone in the dark.

Wen Yuan sat up.

He probably knew that she was awake. He said in a low voice, Wen Yuan, I've thought about what you said just now. If you want to go to work, you can go to work, but you're not allowed to move out, and you're not allowed to file for a divorce.
