

Thank you 3981

Chapter 3981: If you're free, why don't you check out HIP2?

He turned around and looked at her quietly. Wen Yuan, I love you. It's not what you say. It's not just because I like you and want to make love to you. It's indeed a part of marriage, and it's the most important part to a man.

he walked over and leaned forward to kiss her. it was a light kiss. he did not want her, but he kissed her for a long time.

the storm had temporarily come to an end after they both made concessions. however, wen yuan was still indifferent to him. it was impossible for her to please him as she did before.

the next day, ye mu bai went to the company and sent the child to school.

when he arrived at the company, he called secretary he and paused for a moment. ” ” is manager xu at work today? ”

“manager xu mo?” secretary he was stunned.

...

anyway, there was one rule in starlight: the manager xu that president ye was looking for with a dark face must be manager xu mo.

ye mu bai glanced at her.

he na immediately went to summon them.

Xu Mo came over ten minutes later and sat opposite ye mu Bai. “President ye, what's the matter?”

“did wen yuan ask you to look for a house?” ye mu bai looked up.

Xu Mo's expression changed, but she immediately denied it, "No, I didn't,"

"Really? no?" Ye mu Bai smiled faintly. it seems that I can only tell Wen Yuan about you and Kang Qiao. You even have HIV. It seems that Kang Qiao's private life is very messy. Do you think Wen Yuan will have a new perspective of the world if he knows about it? " The Kang Qiao that she has always acknowledged is a mess!"

xu mo was about to explode. he stared at ye mu bai."president ye, aren't you being too despicable?"

"You admit that the person that night was Kang Qiao?" Ye mu Bai smiled and stretched out his hand."Hand over the key."

xu mo stared at him. in the end, he still handed over one key and prepared to give the rest to wen yuan.

"write down the address." Ye mu Bai's voice was calm.

Xu Mo was about to explode again, but after thinking about it, he endured it.

wen yuan, i didn't mean to betray you.

xu mo wrote down an address and said in a low voice,"don't tell wen yuan that i said it."

ye mu bai looked at it and put it in the drawer. then, he paused and looked at xu mo. he coughed lightly."Kang Qiao is very good."

Xu Mo glared at him and immediately opened the door to go out.

He was simply a devil!

ye mu bai laughed. he leaned back in his chair and shook his head.

he cared about wen yuan and he was especially concerned about lu man's matters. hence, he would keep his distance from lu man. however, the contract had already been signed and the film had to be continued. this was not something that he could stop with just a word.

as for lu man, he had sent he na over to express her concern.

when he na received the call, xu morren was still in the secretary's office. seeing he na hang up the phone, he asked, " secretary he, president ye sent you to the hospital? "

secretary he laughed. " manager xu, you're too godly. yes, president ye asked me to go, but i have a lot of things to do today, so i have no choice. "

Xu Mo's p-leg knocked on the desk twice. how about I go to Secretary he for you? Lu man and I are old acquaintances.

they weren't just old acquaintances!

Xu Mo gritted his teeth and thought to himself.

secretary he was more than happy to hear her say that. anyway, someone had to go. besides, president ye didn't even go personally to prove that lu man was nothing in his heart, so secretary he agreed. " thank you, manager xu. i'm busy right now. "

Xu Mo smiled and got up. then I'll go now. I'm free anyway.

Chapter 3982: If you're free, why don't you check out hip3?

"President ye is really annoying me right now!" She blinked.

secretary he looked around and whispered to her, " "how's president ye and wen yuan?"

“One’s in a Cold War, the other’s pestering me.” Xu Mo’s voice was lazy. divorce is unlikely. Even if Wen Yuan is interested, President ye will not agree to it. Secretary he, you know that some men are cheap. You spoil him and let him do whatever he wants. He thinks that other people can’t live without his diamond-encrusted thing!

secretary he’s expression was as if he could not explain it in a few words.

after xu mo finished speaking, she left and went to the parking lot. she sat in the car and scrolled through lu man’s information on her phone.

Lu man, female, born in 1989, born in-

...

i got it, i’m allergic to lilies!

Xu Mo smiled, threw down his phone, and started the car.

An hour later, Xu Mo appeared in Lu man’s ward in a high-end suit. Lu man was wearing a bathrobe and leaning against the bed. Her long black hair fell on her shoulders, giving her a weak beauty. She was talking to her assistant when Xu Mo came in with a strange fragrance.

lu man’s expression changed when she saw the flowers in xu mo’s hands. “take it out, yingluo, take it out, yingluo.”

as he said that, he was already sniffing, his nose water flowing out in a sorry state.

Xu Mo asked in surprise, “what’s the matter, miss Lu? President ye asked me to come and see you. Are you feeling unwell?”

Lu man’s assistant immediately took the flowers from her hands and threw them far away. She came back to let the air in and said anxiously, ” ‘Lu man is allergic to lilies, please. It’s really you, please.’

Xu Mo let out an “ah” and said with pity, ” it was president ye who wanted to buy lilies. he said that lilies fit miss lu’s temperament and it would be a pity to throw them away. sigh, president ye’s kind intentions! ”

Lu man looked at Xu Mo and asked while holding back the itch at the tip of her nose, ” “where’s your president ye? the reporters are all ready.”

a reporter?

xu mo sneered in his heart. was he preparing to hype up a CP?

Xu Mo smiled. President ye is accompanying Wen Yuan. Wen Yuan misunderstood yesterday’s incident and President ye is coaxing him. However, miss Lu, let me give you a piece of advice. Your acting skills are really good. It’s common to hype up a couple in the entertainment industry. However, if you do it with a married man, be careful not to mess it up. If you don’t, it will turn into a scandal and no one will be able to get out of it. President ye may just kneel and beg for forgiveness and the days will go on. Miss Lu, it’s different. After all, you still have to maintain your image. “Did you see the Lin Danni from before? no matter how much she cried or threw a tantrum, it was useless. Of course, miss Lu man is different, but What’s the Difference? she’s just a two-legged woman, nothing special. President ye isn’t a young boy who hasn’t seen the world. Miss Lu is well aware of this, but he’s just giving miss Lu face!”

Xu Mo paused for a moment. President ye did have sex with miss Lu once, but miss Lu’s man isn’t just President ye. Miss Lu wasn’t the only one who was preposterous by President ye back then, so a woman should never think that you’re the most special one in a man’s heart. If you have to pick one, it must be his daughter, wife, or mother. It’s definitely not one of the women he’s slept with.

Lu man’s face turned ugly. No one had ever said such things to her. It was very impolite.

of course, xu mo was unhappy!

lu man was just like kang qiao. she was a mess and had to pretend to be pure on the surface.

A male b * tch and a female b * tch, they were quite a match.

Xu Mo finally threw down another important sentence,”Since we’re already in the hospital, why don’t we take this opportunity to check for HIV?”

“rest well, miss lu,” she said, forcing a smile.

She slipped out.

Lu man’s assistant was young and didn’t know what HIV was, so she asked.

lu man was furious. she gritted her teeth and said, ” it’s A zi! ”

The assistant gulped and looked at Lu man carefully.

” call president ye for me, ” lu man said angrily. ” tell him that i’m not feeling well. i might not be able to act. ”

The assistant carefully dialed the number, but after a while, he said,””president ye is not picking up.”

Chapter 3983: If you’re free, why don’t you check out hip4?

“Tell his Secretary that I can’t act in this film,” Lu man said through gritted teeth.

Oh, ” the assistant replied and continued to make calls and communicate. In fact, she felt that Lu man was a little too nervous. It was normal for President ye not to come. He already had a wife, so he couldn’t possibly mess things up with her.

lu man seemed to have changed into a different person. she was not like this before.

lu man probably knew what she was thinking, so she said in a low voice, ” “I like him. I’ve liked him for many years, Yingluo.”

She had never thought that Wen Yuan would appear. She thought that she was the most suitable woman to be by his side. Lin Xueyi and Lin Danni were not on her mind. She only cared about her position in his heart.

they used to know each other, but now that he was married, she had fallen out with him?

...

Lu man was a prideful woman. She did not believe that she was no match for Wen Yuan, a married woman who had two children and was three years older than her. She did not think that Wen Yuan could be her match.

Moreover, all these years, no man had ever ignored her, let alone for the sake of the old woman at home.

lu man was so angry that she couldn't stand it anymore. she lifted the blanket and looked at her assistant.

The assistant kept her phone and said in a low voice, " Secretary he asked us to talk to Starlight Entertainment's lawyer about the penalty.

"Where's Ye mu Bai? help me contact him." Lu man was stunned for a moment.

the assistant didn't say much and just stared at lu man. lu man understood what he meant and pursed her lips."Get out of here. What's the point of staying here?"

the assistant followed. " you're really not going to create hype anymore? "

Lu man changed her clothes and paused. do you believe that if you don't leave now, that Xu Mo will dare to let me out for the HIV test? he's a lunatic.

"I heard that she's friends with Wen Yuan," she said, pursing her lips.

It was very boring!

lu man was immediately discharged from the hospital. the reporters waiting outside were still waiting for the headlines, but they all left in vain.

Xu Mo returned to Starlight entertainment. Ye mu Bai already knew that she had gone to the hospital and that Lu man had been discharged.

He called Xu Mo over. He sat on the sofa, and Xu Mo wanted to sit too.

You stand with manager Xu. ye mu bai's voice did not carry any personal emotions. "i have something to discuss with you."

"I know what you're going to say," Xu Mo laughed. I sent lilies to Lu man. I'll let her check for HIV. By the way, President ye, do you want to check if you have a relationship with her in the past? if you find out, don't harm Wen Yuan.

Ye mu Bai narrowed his eyes. He really wanted to strangle Xu Mo.

Xu Mo still spoke without fear of death,"isn't that so?" Why, does your heart ache?"

"if it wasn't for wen yuan, you would have been kicked out of starlight entertainment," ye mu bai said coldly.

"if you want to get lost, then get lost. whoever doesn't get lost is a bastard!" Xu Mo snorted and threw his work pass in front of President ye, slapping President ye in the face.

I have 200 million anyway, " he sneered. even if I lose my job, my wife will still support me.

"Xu Mo, Wen Yuan is my wife!" "stop there," ye mu bai coldly said.

Xu Mo turned his head and said,"what other instructions do you have, President ye?" oh, i forgot to tell you. you'll most likely become my ex-husband. by then, wen yuan will be able to get a large sum of alimony. i still have to thank you, president ye."

Ye mu Bai's face turned ashen. He glared at the hateful woman in front of him and asked her to come back."Take this and get out!"

Xu Mo put on his work pass and snorted. President ye, Wen Yuan didn't know you had such a bad temper!

hmph! B * tches were pretentious!

Chapter 3984: ye mu bai, get out of my sight (1)

ye mu bai stared at xu mo and said in a cold voice, ” “If you cause any more trouble, get the hell out of here.”

Jupiter is about to be set on fire. I’ll go to the underground city even if I have to roll! Xu Mo said with a fake smile and immediately rolled out.

Ye mu Bai sat alone in his office for a while. He felt a headache coming on.

at this moment, he was thinking that xu mo was actually much more willful than wen yuan.

at the thought of wen yuan, he could not help but have a bigger headache.

Although Wen Yuan had stopped quarreling with him for the time being, he was still cold and distant. Ye mu Bai missed her gentleness and coquettishness a while ago. That was the cutest look on Wen Yuan’s face.

...

He walked to the desk and reached out to take a look at her photo. After a long time, he gently stroked it.

Secretary he’s internal line was connected. He picked up the call and was still looking at Wen Yuan’s photo.”What is it?”

” president ye, miss lu man is here. she’s at the front desk and wants to see you. ” Secretary he asked while holding his breath.

ye mu bai was stunned for a moment before he said, ” “Just say that I’m not here. It’s a private trip.”

Secretary he knew in his heart that in President ye’s heart, the madam was the most important. Therefore, she went downstairs to greet her personally, informed Lu man, and politely sent her away.

when lu man left, she knew in her heart that he was only here because he didn’t want to see her.

ye mu bai sat there for a while longer. when there was nothing too important, he looked at the time and went to wen yuan’s school.

B University was a prestigious institution of higher learning with a long history. It had produced many outstanding star students. Wen Yuan, on the other hand, kept a low profile. Ye mu Bai could not understand why she was so insistent on teaching. Just as he had said, she could not even buy a bag even if she taught for a year. Why?

his car drove into B university and stopped in front of the school building. the school’s management was alarmed for some reason. the vice-principal was there and personally invited ye mu bai to the office to talk to his parents. in any case, he was not going to let go of the opportunity to be invested.

Ye mu Bai had seen this kind of situation many times, so he was naturally able to handle it. However, this gave the vice-principal some hope. In the end, he casually said, ” “it’s my wife’s first day at work, so i came to take a look.”

the deputy headmaster was a little dumbfounded, and so was a group of school leaders. it was normal to visit on the first day of school, but madam also came to visit at work. were they afraid of being bullied?

“may i know which teacher you are, mrs. ye?” the vice-principal wiped his sweat.

“wen yuan. i teach piano.” Ye mu Bai smiled faintly, and his eyes were filled with gentleness.

The Deputy headmaster immediately understood. teacher Wen, it’s teacher Wen Wanwan. That’s right, teacher Wen is especially good. Her family background and temperament are first-class. No wonder!

after praising him a few times, he smiled, "our school library is a little old. I heard that teacher Wen used to study there when she was in school. Ran ran might go there to take a look now.

Ye mu Bai took a checkbook and wrote down a series of numbers. here's 20 million Yuan. If it's not enough, contact my Secretary.

the vice-principal smiled. "president ye, you're too generous. no matter what, you should stay for a meal tonight and bring teacher wen along. wen yuan used to be a good student of ours, just like the children of us old fogeys. we didn't even attend her wedding banquet when she got married. president ye, you can't reject this. "

The vice-principal winked at the others as he spoke. Of course, they were all jeering at him. Ye mu Bai did not want to reject him.

He and Wen Yuan were in a deadlock now, and it was only possible to ease the tension with external help.

Chapter 3985: ye mu bai, get lost 2

he agreed to it, but wen yuan knew nothing about it.

After Wen Yuan finished his class, he was ready to pick up xiangnan and ye Hui. At this time, the teacher from the school came over with a complicated and happy expression, "teacher wen, come out for a moment."

It was Wen Yuan's first day of class and he was not very familiar with the children. However, the children in their early 20s all liked this beautiful and understanding teacher. She was also very gentle.

wen yuan packed his things and walked briskly to the door. she felt especially good, perhaps because she had not attended class for a long time. perhaps this was what she wanted.

in school, she was just an ordinary teacher. she didn't have the slightest bit of coyness as she asked the teacher softly, "Teacher Gong, was there any problem with my performance today?"

the teacher smiled. ” wen yuan, of course i know your abilities. you were our star teacher in the past. ” you see, the children all like you.”

...

wen yuan heaved a sigh of relief. ” that’s good. i’m afraid that i’m not used to it. ”

“by the way, what are your thoughts on your first day of work?” director yan changed the topic.

“It’s pretty good, and I’m quite used to it.” wen yuan was quite knowledgeable about the ways of the world. he reached out and shook hands with department director hao.”I still have to thank you. I’ll treat you to a meal later.”

Director Yan had been waiting for her to say that. He smiled mysteriously. ” you don’t have to wait for a few days. tonight is the best time. wen yuan, i’ve already called all the leaders of the school for you. they’re just waiting for you. ”

wen yuan was stunned for a moment, then he smiled meaningfully, ” “Director Kuang, wouldn’t this be too high-profile?”

you’re being high-profile, huh? the school leader values you a lot. If you have a good relationship with him, you can get a job title. Wen Yuan, you must know that you’re very good. Don’t let down the school leader’s trust in you. “We’ve already set the date for dinner. Is there any problem with your family?” chief Yan asked earnestly.

as he said that, he looked at wen yuan with a burning gaze.

wen yuan felt even more pressured. under the gaze of director yan, she dialed ye mu bai’s cell phone.

ye mu bai was drinking the best tea in the vip room in the school. when he saw wen yuan’s call, he picked it up and smiled. ” wen yuan? ”

wen yuan pursed his lips and said in a low voice, " i have a dinner appointment and will be home late. ask the driver to pick up xiangnan and ye hui, or you can pick them up after work. "

Ye mu Bai's voice was a little low. " wen yuan, you said that your work won't affect your care of the children. "

"Today was an accident." "it won't happen every day," wen yuan bit his lower lip.

He was silent for a while before he agreed.

wen yuan hung up the phone and looked at director yan. " "I said I'm done."

"Wen Yuan, are you sure you'll be fine?" Department Director Yan smiled.

No. Wen Yuan smiled weakly, " "I still have time for a meal."

Director Yan sighed. it's said that marriage is the grave of love. Wen Yuan, I see that you're Living a Good Life. You haven't changed at all, just like you did many years ago.

and even more feminine!

"It's alright, I guess!" Wen Yuan smiled.

director yan thought about the woman just now. she was not only 'not bad'. if she slept with that face and that figure every day, she would be 20 years younger. however, she could only be envious of her!

she brought wen yuan to one of the guest houses in the school. it was a star-class one and was used to entertain guests.

when wen yuan walked in and greeted the school leaders, he was surprised to see ye mu bai sitting in the main seat.

she was stunned for a moment. her gaze fell on his face and she was unable to speak for a long time.

Chapter 3986: ye mu bai, get lost 3

ye mu bai sat at the head of the table and was surrounded by people. he was obviously the one being fawned over.

Of course, Wen Yuan knew who this dinner was organized for. She was not a fool.

she thought that ye mu bai had most likely made a donation!

While she was in a daze, director Yan called out to her, " this is President ye from Starlight film and television. Wen Yuan, you know him, right? "

"director yan, you're still pretending!" wen yuan smiled.

director yan was taken aback. she probably did not expect wen yuan to expose her so directly. however, how could this small scene of her being famous in the school for socializing trouble her?

...

"wen yuan, you're being naughty!" she laughed.

After she finished speaking, she arranged for Wen Yuan to sit beside ye mu Bai while she took her seat.

there were quite a number of people in the school's leadership team. after two banquets, wen yuan's eyes were opened when the dishes were served. her impression of teachers was that they were like teacher kang, who was a model teacher and had clean sleeves. however, today, they had managed to gather all the delicacies in the eyes of ordinary people so quickly. one could imagine how luxurious their daily life was.

Wen Yuan did not say anything, nor would he lose his composure. After all, she was from a good family and had seen the world.

however, ye mubai could sense her emotions. his slender fingers picked up a cup and poured her a glass of water.”teacher wen, you must be thirsty after class. have a glass of water to moisten your throat.”

wen yuan was still in a cold war with him. hearing him call her teacher wen, she felt uncomfortable all over. she glanced at him but took the cup from his hand and drank some water.

ye mu bai smiled indifferently and started to chat with the head of department. he had been calm and not very enthusiastic, but everyone here was trying to curry favor with ye mu bai.

Ye Mu Lin was from an influential family. He was a very popular figure and could not afford to offend anyone. Moreover, ye mu Bai controlled half of the entertainment industry. Most of the students from a school like B University had to go to the entertainment industry to undergo a baptism. Who else could they cling to but ye mu Bai?

Ye mu Bai, on the other hand, was calm and indifferent to everyone. He was not cold, but he was not particularly friendly either. He was not particularly warm to Wen Yuan either. He would just look at her from time to time. This made Wen Yuan feel the most uncomfortable and he could not sit still.

She wanted to go to the bathroom. She had just moved a little when he reached out and grabbed her wrist. His voice was a little slow as he said, ” Wen Yuan, don’t forget that you’re treating us today.

“i just want to go to the washroom,” wen yuan said through gritted teeth.

he laughed lazily and did not say anything.

director yan took the opportunity to talk to him about the new graduates and asked if starlight entertainment was willing to recruit a group of newcomers in the next six months.

Ye mu Bai’s mind was on Wen Yuan, so he was not in the mood to listen to director Yan. He listened to him calmly and replied to him without much thought. Director Yan looked at him and knew what he was thinking.

In President ye’s heart, Wen Yuan was very important to him. Or perhaps, there was something wrong with this couple. If they could make President ye happy, he would definitely donate money to them.

Hence, director Yan winked at the school leaders, indicating Wen Yuan's seat, and then said that he wanted to drink white wine tonight.

ye mu bai's expression did not change, and he continued to smile.

director yan knew that he had made the right bet. he asked the waiter to bring over two boxes of wine that he had kept for a long time. as he placed the boxes on the table, he smiled and said, this wine is not famous, but it was offered to the palace in the Qing Dynasty. Only the Prince and the Emperor can drink it. Today, we can taste it because we are in the nightclub's name.

Chapter 3987: Ye mu Bai, get lost (4)

Although director Yan was a woman, she often engaged in social activities, and her alcohol tolerance was comparable to Xu Mo's. She was also much more tactful and cunning than Xu Mo when it came to handling people.

Before Wen Yuan returned, she poured him a glass of white wine and so did ye mu Bai.

"President ye is straightforward." director yan put in a lot of effort. after pouring the wine, he asked the waiter to leave. the school director was trying to curry favor with outsiders, so he couldn't let these waiters see it and spread it everywhere. they also wanted to keep their face.

She closed the door and waited for Wen Yuan.

When Wen Yuan came over and saw the scene, he was stunned.

She sat down and looked at the white wine in front of her. Then, she looked at ye mu Bai."you drink it for me, i'll drive later."

...

he smiled faintly. ” i’ve asked the driver to come over. ”

wen yuan was a little speechless. he lowered his voice and said, ” ” ye mu bai, why are you causing trouble in school? i’m doing well in class. how am i supposed to get along with my colleagues in school in the future? ”

Ye mu Bai was still calm. He smiled and said, ” if you’re not easy to get along with, then don’t. Anyway, I’ll only teach one class.

“Or do you want to squat in school from morning to night, Wen Yuan-” he paused and continued.

“We’ve agreed on this. You only attend classes and don’t go to work.” He ran his fingers through her hair.

Wen Yuan was so angry that he stopped talking. She did not drink anyway.

Ye mu Bai did not force her to drink, so he naturally made her drink.

hence, the directors at all levels took turns. one sip from each of them was enough for wen yuan. with one sip after another, he was almost empty. director yan poured another glass for wen yuan.

ye mu bai was talking to the vice-principal and the others. he looked over and said in a calm voice, ” ” half a glass. wen yuan can’t drink that much. ”

Director Yan’s heart trembled. Wen Yuan was the Apple of President ye’s eye. Hence, although she was smiling on the surface, her heart was trembling. She did not dare to offend someone with ye mu Bai’s background at all. Hence, she only dared to pour out one-third of the money.

In fact, Wen Yuan could not take it anymore. She rarely drank white wine. She could even finish a bottle of red wine, not to mention white wine.

Her face was hot, and she said in a soft voice, ” ” ye mu bai, i want to go to the washroom. ”

he retracted his gaze and looked at her face, his voice gentle. ” “What’s wrong?”

wen yuan clutched his chest. ” i’m not feeling well. it’s a little hot. i want to take a breather. ”

“Be careful,” ye mu Bai nodded.

wen yuan hummed in acknowledgment. he held the edge of the table and greeted the others before leaving.

It was already dark when they went out. The campus was a little chilly and there were not many people around, but Wen Yuan felt comfortable.

She didn’t go to the washroom, but wanted to take a walk on the kapok-like path that she used to walk on.

There was no light in that area and it was a little dark. Wen Yuan remembered that he used to be here on many dating nights in the past. She wondered if she would bump into Hanhan now.

wen yuan walked for a while and could not move anymore. she always drank too much.

She leaned against the kapok tree and wanted to rest for a while before closing her eyes. A young man in white walked out from behind the tree.

He looked to be around 24 or 25 years old. He was young and good-looking, unlike the students here.

wen yuan thought about the day and finally remembered that his name was bai jingxuan. he was a newcomer in the entertainment industry and was supported by KING entertainment. he was the one who made ancient puppets popular and had more than 20 million weibo fans.

bai jingxuan walked around and took a step back. he recognized the person in front of him as teacher wen, who taught during the day.

bai jingxuan leaned forward and asked,”teacher wen, did you drink?” I remember that the school has a rule that you’re not allowed to smoke or drink.”

Chapter 3988: ye mu bai, get lost 5

Wen Yuan was a little frightened. He opened his eyes and saw a tall and slender figure in front of him. He could vaguely see that he looked like Xuanji and ye Mubai from back then.

she stared at him for a long time before bai jingxuan smiled. ” “Teacher Wen, I’ll send you back?”

Wen Yuan’s gaze was still on his face. After a long time, he whispered, ” “no, i can go back by myself.”

She didn’t ask him why he was here, because she didn’t know him.

but when wen yuan turned around, bai jingxuan was standing behind her. he said softly but firmly, ” “Wen Yuan, you’ve taught me before! I came here today because I know you’ve returned to school.”

wen yuan’s head started to hurt. he didn’t want bai jingxuan to say that he admired his teacher. he was a public figure, so she was considered half a public figure as well. just as she was about to turn around, ye mu bai walked over from the other side and naturally heard bai jingxuan’s words.

...

wen yuan’s head hurt even more.

Bai jingxuan ignored ye Mubai and continued his confession. teacher Wen, I’ve liked you since I was 18 years old. I still like you.

wen yuan looked at ye mu bai in front of him and thought of bai jingxuan behind him. he could not explain.

Ye mu Bai walked over quickly and put his arm around Wen Yuan’s waist, letting her lean on his shoulder. Then, he looked at Bai jingxuan. Bai jingxuan, there’s a rule in B University that states that you must respect your teachers.

little brat, you're not even fully grown yet and you're already trying to snatch my wife.

"President ye, a man's maturity isn't just based on age and experience," Bai jingxuan said with a smile.

"i like wen yuan," he said slowly.

he did not address her as teacher wen, but as wen yuan. ye mu bai said coldly, " "she will always be your teacher wen."

"it doesn't matter. there are many couples who call each other 'teacher'. for example, uncle feng calls himself 'teacher zhao'." Bai jingxuan didn't seem to mind.

ye mu bai's good mood was completely gone. where did this person with the surname bai come from? He must be a spy sent by Qin mo from King Entertainment!

He could not be bothered and left with Wen Yuan.

He was not in a good mood and did not want to deal with those people in school anymore. He had always been free to do as he pleased and did not want to go. Moreover, no one in school dared to make things difficult for Wen Yuan.

He brought Wen Yuan into the car and went back to get Wen Yuan's bag. When he returned to the car, Wen Yuan, who was sitting in the front passenger seat, suddenly opened his eyes and stared at him. After a while, he said softly, " "You're drunk driving."

"I only had a small cup." He said lightly and closed the door to start the car.

"Wait a moment." Wen Yuan said anxiously, " wait a minute.

He thought she had drunk too much and wanted to throw up, so he turned his head. "What's wrong? are you feeling uncomfortable?"

she made a sound of acknowledgment, then unbuckled her seat belt and climbed into the back seat unexpectedly.

when he sat down again and closed his eyes, wen yuan sighed softly, ” “The back is safer.”

Ye mu Bai’s face darkened, and he immediately started the car.

At this time of the night, many signs were lit up and changed. It was the recent brainwashing God name of ” Wandering Earth “-

there are thousands of paths,

safety first,

The traffic was irregular.

two lines of tears fell from his family.

Ye mu Bai saw that there were a few road signs on the road. As he drove, he asked, ” “wen yuan, if something happens to me, will you cry for me?”

“After I shed my tears, I’ll be the richest widow,” she said with her eyes closed.

His face was completely black!

He stepped on the accelerator.

This time, it was Wen Yuan’s turn to change his expression.

Chapter 3989: ye mu bai, get lost 6

he was driving too fast and wen yuan was drunk, so he was feeling very uncomfortable.

She grabbed the car door and said in a broken voice, ” “ye mu bai, drive slower, yingluo!”

“don’t you want to be the richest widow?” he asked coldly.

even so, he still slowed the car down to 50. the traffic was heavy. he thought about it and decided not to go home. he took wen yuan to the nearest five-star hotel.

she was not feeling well and her face turned pale as soon as she got out of the car. although ye mu bai was angry, his heart ached for her. he carried her to the presidential suite and helped her into the room. fortunately, wen yuan was a good drinker. he did not vomit and only took a short nap on the bed.

after she woke up, she was still a little dizzy and had not fully woken up.

...

the surroundings were a little dark. as soon as he opened his eyes, he saw the enlarged shuyan above him. wen yuan closed his eyes again and turned his face to the other side, saying faintly, ” you scared me. Why didn’t you turn on the lights? and where is this place? ”

“the hotel.” He whispered in her ear, ” I’m not going back tonight.

Wen Yuan turned his face back and looked at him. “why?”

Ye mu Bai’s body slowly moved over. He clasped her wrist and pinned her to the bed. He smiled slyly.”what do you think?”

wen yuan was so angry that he closed his eyes,”you got someone to make me drink just for this?” ye mu bai, do you still have any shame?”

he raised her hand high and held her down with one hand. he reached out with the other hand and pinched her delicate chin. ” i’m shameless? Wen Yuan, is it shameless to make love with your own wife?”

she glared at him angrily, looking a little cute.

He suddenly let go of her and went to the bar to pick out a bottle of red wine. As he poured two glasses of red wine, he said casually, " "Since you say I'm shameless, then I'll have to prove it."

Then, he turned to look at her.

wen yuan was stunned. he subconsciously got out of bed and wanted to escape. however, his head felt heavy and his legs went soft after he took two steps.

Ye mu Bai went forward and hooked his arm around her waist. He pressed her against the bar counter and pressed his thin lips against her ear."are you afraid, mrs. ye?"

Wen Yuan struggled weakly. that's enough, ye Mubai. You're too vile. I'm your wife, not your exclusive prostitute.

he just looked at her and said in a very, very soft voice, " "wen yuan, did you say something that made me unhappy again?"

His fingers gently caressed her red lips. I've always treated you as my wife. There are so many women out there, but I've never thought of having sex with anyone. I want to do it with my wife. Is there anything wrong with that? "

as he spoke, he moved over and bit the tip of her nose lightly, with a strong sense of punishment.

Later, on her face, the soft flesh on her chin and neck took turns to bite. He was not in a hurry to do anything to her, so he punished her by teasing her and even fed her wine.

Wen Yuan was half-drunk and his entire body was soft. His body was soft in his palm. He treated her as he pleased and she was as soft as a kitten, at his mercy.

ye mu bai lowered his head and stared at her. she was dressed in a white suit, and she looked especially dignified. her hair was even tied up, and she had a kind of ascetic beauty. she was extremely beautiful in the living room, but it made people feel a sense of guilt when they were in the bedroom.

Ye mu Bai did the same thing. Wen Yuan was screaming as he did the same thing to her. Her black curly hair also fell down, and she looked as if she had changed into a sexy woman.

Chapter 3990: the crisis of a 24-year-old puppy (1)

As a man, ye mu Bai actually liked Wen Yuan more when he was like this.

he held her waist and fed her another glass of red wine. as she lay weakly on his shoulder, he asked, "you knew bai jingxuan before?"

Wen Yuan just looked at him with a silly smile on his face.

She closed her eyes and sighed. he is my student. He is the most handsome student I have ever taught.

Ye mu Bai's fingers moved to her neck and held it dangerously. "Wen Yuan!"

she laughed softly and foolishly. then, she put her arms around his neck and tilted her head like a little girl. "ye mu bai, are you jealous?"

...

His face was cold as he tried to push her away. "what do you think?"

She continued to smile and mumbled to the corner of his lips, "I used to call him Xiao Bai. When I called him Xiao Bai, his face would turn red.

because his surname was bai, he had the same character as the person she liked.

That's why he remembered!

Wen Yuan's mind was fuzzy as he recalled the bitter Love between them. However, ye mu Bai thought that she was thinking about that pretty boy. He bit her neck hard in anger as a form of punishment.

Wen Yuan wrapped his arms around his neck and asked in a low voice, "are you angry?"

He didn't say anything and pressed her against the bar counter to kiss her. He didn't use too much strength, making her want to cry.

Ye mu Bai's voice was low and hoarse as he whispered in her ear, "Wen Yuan, you're not allowed to see him in the future."

wen yuan was drunk, but he was a little more clear-headed now. she smiled and said, "what if i see him? you don't allow me to come out to work and you want to lock me up?"

He carried her with one hand, carried her to the bed, and threw her down.

She was flicked and finally fell on the soft bed.

her black hair was spread on the white bed sheet, making her look particularly extravagant and seductive. moreover, she was wearing the clothes he had chosen for her, which made her look very sexy.

He slowly leaned over and whispered in her ear, "wen yuan, when men buy clothes for women, they tear them apart."

He was terrifyingly violent, and it was probably after Bai jingxuan appeared that the nearly 40-year-old nightclub was in a great crisis. In terms of looks, family background, and ability, he was better than Bai jingxuan, but the one with the last name Bai was only 24!

the age of a little puppy!

He was ten years younger than Wen Yuan, but he followed Wen Yuan like a puppy and admired him.

if he had not come over on a whim today, would there be a good-looking little puppy following wen yuan around all the time? would he come over to wen yuan's class, call her teacher wen, and find an opportunity to get close to her?

The more ye mu Bai thought about it, the more upset he felt. He tormented Wen Yuan even more. When he saw her expression of being unable to take it, he leaned close to her ear and said, "have you ever thought about doing it with that little wolfdog? can this kind of man, who has not even fully grown hair, satisfy you? can he know what kind of position you like? "

wen yuan flicked his black hair and bit his lip. " "don't say anymore."

"Why aren't you saying anything? are you feeling guilty?" He clasped her hand in a terrifyingly strong manner. His handsome face was filled with gloom as he forced her.

Wen Yuan had long been drained of all his strength. He bit his lips and his nose was red from crying.

he bit her nose in anger. " is it because you're in contact with him that you have to go to school for classes so that you can go on a date with him? "

President ye, who was in the middle age danger, was extremely unconfident in the face of a 24-year-old little puppy. However, he still held her down and reached out for her phone.
