

## Thank you 3991

Chapter 3991: The crisis of a 24-year-old puppy (2)

he didn't stop and continued to look at her phone.

Wen Yuan did not want his privacy to be explored like this, so he sat up.

Ye mu Bai was still looking at her with his phone in his hand, but his gaze had changed.

after a while, he threw his phone away, picked her up, and whispered into her ear, "wen yuan, focus now."

Of course, he did not let go of her cell phone even after he had enjoyed it. After Wen Yuan fell asleep from exhaustion, he took her cell phone with a hook of his hand and began to flip through the address book. He flipped through it one by one, including the phone numbers of the courier companies and the piano store. He did not miss a single one.

after making sure that bai jingxuan's number wasn't there, he let out a long breath.

...

Little white?

he laughed coldly. he was not even fully grown yet and he was already here to snatch his woman.

She was filled with resentment and had to wake Wen Yuan up twice before she could vent her anger. However, she was really angry with him when she was sleeping. She turned her back to him and ignored him, refusing to let him touch her.

Ye mu Bai felt better, and his temper had dissipated. He hugged her from behind and coaxed her for a while. He was in a good mood even if she ignored him, so he continued to coax her for a while. Then, he simply folded her in his arms and told her that he would kill her if she moved.

wen yuan stopped moving and stayed in his arms obediently. she was indeed tired and sleepy, so she did not mind being in his arms.

Ye mu Bai was also a little exhausted, but he still did not want to sleep. He lowered his head and looked at the woman in his arms. He just looked at her and reached out his hand to gently stroke her delicate eyebrows, long eyelashes, and red and slightly swollen lips.

he felt that it was a little unbelievable. she was clearly quite plain-looking, but to him, she had a fatal attraction, and it was in a sexual aspect.

All men liked women, let alone someone of his age. However, ye Mubai had seen many beautiful women in his life. However, other than his love for Lin sisi, there was no one else. As for Wen Yuan, he was probably more infatuated with her than his love for her!

he thought quietly.

In the end, he still fell asleep with her in his arms.

When Wen Yuan woke up, it was already ten O 'clock in the morning the next day. His entire body ached when he moved.

she lay down and recalled everything that had happened last night.

She was a mature woman. She knew that this pain meant that he had gone through a lot last night. At this time, she was still in his arms. Wen Yuan closed his eyes and said in a soft voice, " you had enough last night. Can you let me go now? I still have class in the afternoon.

"Class at two O 'clock! Teacher Wen, it's only ten O 'clock now." Ye mu Bai leaned against the headboard and said nonchalantly. He then reached out to hold her chin and looked at her face carefully."Do you still remember what happened last night?"

Wen Yuan looked at her warily. She licked her lower lip and asked, " what do you mean? "

"bai jingxuan, what do you plan to do?" His fingers seemed to caress her face, and his voice was very soft. I don't want to see Lu man, Lin Danni, or Lin xueni. You don't want to see Kang Qiao

and Bai jingxuan either, right? Oh right, you can see Kang Qiao if you want to. After all, they are old friends.

In any case, Kang Qiao had already slept with Xu Mo, so he had no chance with Wen Yuan. In ye mu Bai's heart, he was no longer competitive.

Wen Yuan bit his lip, wrapped himself in the bedsheet, and glared at him. "you're so generous."

"What? you don't believe me?" he smiled. i've already said that i have conditions. If Bai jingxuan keeps showing up in front of you, you should think about whether you want to continue teaching him. Mrs. Ye, it's our duty to maintain the harmony of the family, don't you think so?"

Chapter 3992: the crisis of a 24-year-old puppy (3)

"ye mu bai, can you be any more shameless?" wen yuan glared at him angrily.

"wen yuan, what do you think?" he continued to smile.

He hugged her with the blanket and said in a low voice, " "You're my wife. Isn't it normal for me to be jealous?"

Wen Yuan did not want to talk to him. He pushed him away and got out of the blanket. However, she could not bear it and shrank back.

ye mu bai chuckled softly. he half-hugged her and used one hand to gently caress the marks on her shoulder. " are you shy? "

they had been married for a few years and they had done it countless times, but wen yuan was still not used to showing her naked body in front of him. her thin-skinned look was very cute in his eyes.

...

wen yuan lowered his eyes and did not want to talk to him.

He smiled. I didn't go to the hospital yesterday. Also, Xu Mo went on Secretary he's behalf. She knew that Lu man was allergic to lilies, so she sent a bouquet of lilies over. You can imagine the result. Lu man wanted to quit acting, but I didn't see her. Are you satisfied, Mrs. Ye? ”

Wen Yuan turned around and stared at her. His eyes were red, but she did not say anything.

She didn't want to mention Lu man. No woman would want to mention a woman who had an affair with her husband. It would make her upset, not to mention that they had slept together.

Ye mu Bai looked at her and knew that she had not let it go yet. He did not say anything and only held her in his arms for a long time before he muttered, ” it won't happen again. Wen Yuan, you have to have confidence in our marriage and in me, okay? ”

She said softly that she did not know.

“i only want to sleep with a woman named wen yuan in this life,” he said shamelessly as he hugged her.

This was not false. She had indeed made him very satisfied. He did not need other women and had never thought about doing it with other women. Those ridiculous years came from his memory loss, but it was undeniable that he had hugged other women during that period. Lu man was one of them, and she was not special.

Wen Yuan's head drooped even lower. who knows what will happen in the future!

She looked at him and smiled, so he knew that she didn't trust him.

Ye mu Bai did not say anything else. He got someone to send some clothes over. After they took a shower, they had lunch together in the hotel. The couple sat there and did not talk much. They just scrolled through their phones.

Ye mu Bai was dealing with some matters. Today, he had to deal with Lu man's strike. Meanwhile, Wen Yuan was browsing Weibo.

As soon as she clicked on it, she was shocked. The first hot search was #Bai jingxuan's dream lover. She instinctively felt that it was related to her, so she clicked on it and saw that it was a Weibo post from Bai jingxuan.

a heart with a picture of wen yuan playing the piano many years ago. at that time, wen yuan was 28 years old.

as soon as the weibo post was released, it exploded. the outstanding netizens quickly dug up wen yuan's photo and even found the photo that had been removed from the top search list during the starlight entertainment annual party. the photo of wen yuan and ye mubai sitting side by side like a fairy had caused the netizens to go crazy. they kept tagging bai jingxuan and asking him if he liked married women. moreover, this woman was the wife of the ceo of starlight entertainment and bai jingxuan was the current popular fried chicken at KING entertainment.

This hot search was very thought-provoking.

Wen Yuan's scalp went numb as he watched. He quietly backed out and wanted to ask Xu Mo. However, when he opened it, he saw countless messages from Xu Mo ...

"wen yuan, you're finished. you're going to be skinned. "

"president ye will skin you alive and interrogate you."

"wen yuan, are you going to be skinned or stripped?"

Chapter 3993: The crisis of a 24-year-old puppy (4)

wen yuan frowned. why did he smell a sense of gloating?

She typed word by word, " your President ye hasn't seen it yet. What should I do now? "

Xu Mo immediately replied,"playing dead!" Let him handle it!"

wen yuan replied with an emoji that was playing dead. then, he put down his phone. after ten minutes, ye mu bai was still dealing with his matters. she opened her weibo and took a look. it was still in the hot search. there was another post, 'starlight's ceo mentioned his love rival without him knowing.'

Wen Yuan swallowed his saliva and quietly asked Xu Mo, "How come he still doesn't know?"

Xu Mo replied with a mischievous emoji, "because president ye really cares about you, no one dares to mention it, so he knows nothing about it. Wen Yuan, why don't you hide? I welcome you here, but the rent is a little expensive."

...

wen yuan let out a long breath and pressed down again, "why don't we make arrangements for him and lu man's hot search?"

Xu Mo quickly sent a message: "bah, wen yuan, your brain is flooded with water! now that president ye has a love rival, you can go all out against him. you tie the man to your waist spiritually, and you won't let him go physically either. with the stimulation of the little wolfdog, a middle-aged man like president ye is probably trying to show that he's not an old woman, so he's being gentle. enjoy it!"

Xu Mo finally sent an evil emoji.

wen yuan was speechless.

She put down her phone and sighed softly. This was caught by ye mu Bai. He took a sip of the appetizer and asked, "what's wrong?"

Wen Yuan used his fork to pick up a piece of steak. He looked at him as he ate and said softly, "actually, what you said makes sense. i'll keep my distance from bai jingxuan."

Perhaps her words pleased him, for ye mu Bai smiled. Mrs. Ye, you're so enlightened. Did you realize last night that old men have the experience to satisfy you? "

“ye mu bai, this is a restaurant, not our home.” wen yuan bit his lip.

“No one else can hear you.” he smiled and reached out to caress her face. her face was very delicate and looked very good without makeup. she was really unique among women in her thirties.

he did not think that she was old just because she was in her thirties and wanted to find a young lady or something. wen yuan was beautiful and feminine. moreover, he was a few years older than her. she looked like a young lady to him now.

Besides, they had ye Hui. He could treat ye Hui as her and spoil her since she was young. Then, all his regrets would be gone.

This was the romance in ye mu Bai’s heart. Wen Yuan did not know about it, and he had never told her about it.

At this time, he was quite moved. He touched it with his fingers for a while before putting it down and said in a hoarse voice, ” “i’ll go to the company later and get the driver to send you to school.”

“be good, i’m very busy these few days,” he said hoarsely when he saw her objection.

wen yuan could not say anything, mainly because he felt guilty.

being confessed to by a male star ten years younger than her made it to the hot search. she was still not confident. after all, she already had a husband.

so, she got into his car after dinner.

Good things don’t last long. In the car, he turned on a music channel. When the host was talking about the program, he intentionally or unintentionally mentioned today’s hot search and teased Bai jingxuan about his confession. peach, Bai jingxuan said that he’s grateful to his teacher. What do you think? ”

“If teacher Wen was 20 years older, I would have believed her,” Tao Zi laughed exaggeratedly.

## Chapter 3994: The crisis of a 24-year-old puppy (5)

The host just now also smiled ambiguously. but soon there was another hot search #Starlight CEO knows nothing.

peach laughed exaggeratedly again. "it's a crisis for middle-aged men. they'll be bald and their sexual performance will be reduced. they can't be compared to a 24-year-old wolfdog. "

"tao, if president ye and bai jingxuan, who are worth tens of billions of dollars, were put together for you to choose, which one would you choose?"

wen yuan's hands were covered in sweat.

ye mu bai glanced at her and continued to drive.

on the radio, sister peach was still laughing exaggeratedly. 'I choose the little wolfdog with muscles and good looks.'

...

The host smiled again. so, today we're talking about the middle-aged man's crisis. By the way, peach, have you heard of the White Dragon Club that was recently established? "

tao zi's voice was exaggeratedly surprised, "are you talking about the young lady who bought 27 gifts?" I'm really looking forward to Mrs. Ye's birthday celebration for Bai jingxuan. I wonder what these 24 gifts will be like, Yingluo."

Ye mu Bai turned off the radio without a change in his expression. He then turned to look at Wen Yuan. "You already knew?"

"what?" "the white dragon club that they mentioned, does it have anything to do with me?" wen yuan pretended to be dead.

ye mu bai continued to drive, and his voice was calm. ” the middle-aged man they’re talking about is me, Wen Yuan. Do I have a Jade to reduce my baldness? do you want to call the hotline and tell them how many times your husband did it last night? ”

wen yuan lowered his eyes and said,’ye mu bai, you’re making me angry! i didn’t ask bai jingxuan to post it on weibo, and i didn’t do anything to him. you’re the one who’s rolling around in bed with someone else.”

He was both angry and amused. Wen Yuan, be reasonable. The whole world is talking about your husband’s death. What do you say? ”

He stopped the car at a red light.

Wen Yuan blinked and leaned back on the chair. He bit his thumb and said, ” why don’t you satisfy that peach just now? ” to let the whole world say that you’re good?”

He was both angry and amused. He reached out and pinched her face. Mrs. Ye, do you think I can be interested in any woman? ”

At least for the past few years, his body and mind were clean, and he did not have any thoughts of holding another woman.

Lu man was very feminine and charming. However, when a man was satisfied every night, other women would not have any sexual attraction. In terms of sex, he seemed to have a special liking for Wen Yuan.

at this moment, the car behind him honked. he didn’t say anything, nor did he instruct the public relations department to deal with it.

When he arrived at Starlight entertainment, he got out of the car and saw that the outside of the car was full of reporters. They surrounded the Starlight building and seemed to be waiting.

Wen Yuan did not want to go down. Ye mu Bai looked at her and said, ” “do you want people to think that we’re not on good terms and add another layer to your relationship with bai jingxuan?”

Only then did Wen Yuan get out of the car. He helped her down and ignored the reporters. They walked into the building under the escort of the security guards, holding Wen Yuan's hand the whole time.

wen yuan was being held by him and the reporters kept asking questions in his ear, " Mrs. Ye, what do you think about Bai jingxuan's confession? "

ye mu bai stopped in his tracks. he put his arm around wen yuan's shoulder and smiled. Bai jingxuan is my wife's student. We husband and wife have always treated each other like family.

As soon as the words 'already' came out, it immediately became a hot search. Because Bai jingxuan was 24 years old and ye mu Bai was 38 years old, which meant that he was 14 years older than ye mu Bai, many netizens began to wonder if ye mu Bai had the ability to give birth to Bai jingxuan when he was 14 years old.

#### Chapter 3995: the crisis of a 24-year-old puppy (6)

wen yuan also looked at him and felt that he was shameless for saying those words.

After ye mu Bai finished speaking, he calmly said, " my wife and I really hope that our child will be as outstanding as Bai jingxuan in the future. As for my relationship with my wife, it's as stable as Starlight's stocks.

After ye mu Bai finished speaking, he smiled and lowered his head."Wen Yuan, isn't it?"

with so many cameras pointed at him, wen yuan could only smile slightly.

ye mu bai leaned forward and kissed her on the lips. he then held her hand and ignored the reporters.

Five minutes later,#seemed to have made it to the hot search.

...

ye mu bai brought wen yuan to his office and said, ” “I’ll take a day off today.”

“why?” wen yuan looked at him.

“You want to go out and drown?” he looked at her with a smile.

Wen Yuan pursed his lips. but you could have dealt with the public relations. You could have removed the trending topic.

“I won’t spend this kind of money. If Bai jingxuan likes it, then let him be our son.” ” i’ll take you for a swim in the afternoon, ” he said with a half-smile.

Of course, Wen Yuan was unwilling to do so. However, ye mu Bai would never change his mind once he had decided on something. He was busy until four in the afternoon. Then, he brought her to a private resort with an open-air pool. The water was very clear and it gave off a feeling of the blue sea and blue sky.

wen yuan was not in the mood to swim. she sat by the pool, wearing a two-piece swimsuit and a bath towel. he watched ye mubai swim a few rounds, but he did not seem tired at all.

She suddenly remembered that he had actually done it so many times last night. He had used so much energy and his stamina was abnormally good.

she scrolled through her phone in boredom and felt that he was evil.

he decided not to look at it and threw his phone to the side.

ye mu bai came out of the water and sat down beside her. he casually took a towel and dried his hair. ” why aren’t you going into the water? ”

“i don’t want to.” wen yuan looked at him. ” aren’t you very busy? ”

MMH, ” he mumbled, then rubbed her face. swim two laps with me, okay? ”

she refused. he went into the water and dragged her down. wen yuan glared at him.

He smiled evilly at her. do it in the water or swim? you choose.

wen yuan pushed her away and swam forward first. she was swimming well. he smiled and followed her.

after swimming two rounds, she leaned against the pool to rest as she was exhausted. ye mu bai swam a few more rounds, and when he came back, he suddenly kissed her from the bottom to the top in the water.

“Ye mu Bai,” wen yuan’s voice trembled. he did not expect him to do this.

He finally kissed her neck and her lips. His eyes were locked on her deeply. Then, he carried her up and placed her by the pool. He stood at the same height as her. His body, which was only wearing swimming trunks, was slender and especially seductive. He held Wen Yuan’s face and kissed her deeply. When she resisted, he grabbed her hands and wrapped them around his waist.

Her posture was especially seductive and embarrassing.

when the photo went on the hot search, everyone in the world saw that the 38-year-old ceo ye had muscles, and they were very good. his sexual characteristics did not decrease either. from the photo, it seemed that he had stayed in the pool for a full four to five hours.

It was past nine O ‘clock when Wen Yuan woke up in the villa. She sat up and was kissed on the cheek.

“You’re awake?” Ye mu Bai’s voice was very hoarse.

wen yuan looked around and realized that they were still at the resort. she grabbed her hair and said, ” “you want nan and ye hui?”

at mom’s place. We’ve been enjoying some alone time these few days. He said in an extremely indifferent tone, and Wen Yuan’s scalp tightened!

## Chapter 3996: the crisis of a 24-year-old puppy (7)

“get up and eat,” he said with a smile as he let go of her.

“Ye mu Bai!” Wen Yuan pulled him back as he turned around.

she knew what he meant. he brought her here to torment her because he was angry. if she didn't stay away from bai jingxuan, he would do this to her and torment her.

Wen Yuan was speechless. He felt that he was detestable and childish.

“Bai jingxuan is 24 years old,” she said softly, licking her lips.

“do you mean that i can only feel a sense of danger when i'm 34 years old?” he leaned over and muttered.

...

“i didn't think that way,” wen yuan bit his lip.

he smiled and said, ” wen yuan, don't think too much. i just wanted to take you out to relax. i'm not in a good mood when you're not happy. ”

Wen Yuan did not believe that he was in a bad mood. He was clearly in a good mood and in high spirits.

how did he not lose any health?

How good would that be? her world would also be quiet. Oh, she would also accompany him to see Andrology.

what kind of man was ye mu bai? he was the kind of man who would keep a low profile in front of others, but would push you against the wall and make you feel like you were in a living hell after the other person left. she had not noticed this in the past.

wen yuan especially despised ye mu bai for this.

wen yuan liked the resonance of feelings, but ye mu bai pursued feelings or physical stimulation. wen yuan had wrongly blamed him for this. all men were like this. no man would like a platonic relationship unless he could not do it himself.

A man was a gentleman before he got a woman, but after he got her, he was no different from a beast.

Wen Yuan simply lay down and covered his head with the blanket. At this moment, ye mu Bai's voice inadvertently rang out, "it's not good. We seem to have made it to the hot search.

she suddenly popped her head out. ye mu bai had gone downstairs with his mobile phone. wen yuan was anxiously looking for his mobile phone but could not find it. she could only put on her bathrobe and run downstairs.

Ye mu Bai sat in front of the dining table, and there was an exquisite Western food on the table.

She sat down and stretched out her hand. where's your phone? "

He returned her mobile phone to her and Wen Yuan started to browse the phone ...

then, he was stunned.

Hot Search #1: Best Actor ye's ABS

Hot Search #2: night movie King and his wife frolics in the pool for 4 hours

Number three on the hot search #38 years old, is that considered middle-aged?

and the fourth was bai jingxuan's confession.

The first picture was of her and ye mu Bai kissing by the pool. Most of the pictures were of his strong and sexy back, and she could only see his hair and half of his face. It was well covered, but there were also some moving pictures. It was a shameful scene of them kissing. Wen Yuan was so angry that he almost cried. you arranged for ye mu Bai to do this, right? ”

He smiled at her. I'm just declaring my sovereignty. Am I wrong? besides, I don't want the whole world to misunderstand that you, Wen Yuan, can't be satisfied.

wen yuan really wanted to smash the plate on his face. ” ye mu bai, you are so childish. ”

“That's not what you said when you were feeling good.” He smiled faintly, and then said in an extremely hateful manner, ” “What do you think the radio program will say tomorrow?”

Wen Yuan could not be bothered with him. She ran upstairs after she was done eating.

xu mo's phone call came in, and he was very gloating.”didn't i tell you? you need to peel off his skin and clothes. bai jingxuan is really a godly assistant.”

xu mo thought in his heart that at this moment, president ye's heart could no longer think of ye man or oscar. it was all because his little wolfdog was thinking about his wife.

she sighed in her heart. this bai jingxuan wasn't bad, but it was a pity that he was destined to be number two.

if their ages did not match, wen yuan would not find a man who was ten years younger. besides, wen yuan was already married.

Xu Mo thought to himself,

Chapter 3997: you're very cute like this (1)

ye mu bai had taught wen yuan a lesson and had also vented his anger on slag wave. he had proved that he was not a 38-year-old middle-aged man.

Hmph, he's far from being an old man!

after that, he even appeared on the 'celebrity interview' program. after discussing starlight's business model, the host asked president ye a question with great interest, " Mr. Ye, I think many female viewers in front of the TV would like to ask you a question. What is the most important thing to keep a marriage fresh? "

Ye mu Bai smiled and said, " "it should be love, right? true love can't be preserved for long, just like how my wife pursued me madly back then. so i would like to thank teacher wen for her efforts in our marriage."

crazily pursuing yingluo

the host's voice was trembling with excitement."Do you love your wife, Mr. Ye?"

...

Ye mu Bai did not answer her directly. His eyes were filled with love. teacher Wen should be able to feel whether I love her or not!

"Then Mrs. Ye must be very happy." the host's voice was dry.

ye mu bai smiled lightly and looked very calm.

As a man who was crazily pursued by women, he had to be reserved.

this interview had been on the hot search for three days. everyone was fantasizing about wen yuan, who was madly pursuing president ye. he was usually very active and even pulled bai jingxuan out to sympathize with him.

the goddess loved her husband very much. if she took the initiative, there was no chance.

wen yuan felt that he had to wear sunglasses whenever he went out. somehow, she had also become an internet celebrity.

When she went to class again, the students looked at her with eyes full of admiration and even called her teacher Wen excitedly.

Her Prince Charming also called her teacher Wen. Thinking about it in bed, perhaps teacher Wen was just a title.

wen yuan felt that his three views were completely destroyed!

However, she couldn't get angry at him. The middle-aged man was very good at torturing people.

She had seen Bai jingxuan once. He didn't come to class, but he appeared next to her car after Wen Yuan's class. there were quite a lot of students at the time, so he took off his sunglasses and said, "Can I have a cup of coffee?"

wen yuan was already in the car. she could have rejected him, but after some thought, she agreed and sat with bai jingxuan in the café at the school gate.

he might have arranged this. there was no one else in the cafe, just the two of them.

wen yuanqian took a sip of coffee and looked up. "i know you want to help me."

because of lu man's appearance and her marriage crisis.

she never thought that bai jingxuan was someone who would take advantage of others when they were down. he looked very good.

he was just like ye mu bai when he was young.

Bai jingxuan smiled faintly. Wen Yuan, I'll call you Wen Yuan. It's weird not to call you teacher in school.

Wen Yuan smiled.

bai jingxuan's voice was very soft. " if you like someone, you have the right to confess. i only said it at the right time. wen yuan, don't feel burdened. i will still like someone else in the future and get married. Everyone I've met is a part of my journey, and you're more beautiful."

wen yuan did not interrupt him. he continued, " I'm going overseas for a shoot. It might take a few months. Wen Yuan, take care of yourself. I hope you'll be happy.

he finished his coffee and said goodbye to her. wen yuan stopped him."bai jingxuan, aren't you afraid of losing fans?"

he turned around and smiled. " i like to be true to my own feelings. if i like a good person, i will lose my fans. it's not a pity if i lose my fans. "

Chapter 3998: you're very cute like this 2

he still said goodbye and left.

Wen Yuan sat quietly by himself. She seemed to see her old self in Bai jingxuan, but he was much calmer than she was. If she wasn't so fanatical back then, she might have married Kang Qiao today.

wen yuan felt a little emotional. she did not go home. instead, she had a meal with xu mo and went to a bar for a drink.

Xu Mo tilted his head. Wen Yuan, why do I feel that after you met Bai jingxuan, you've become much younger and more energetic? little puppies are different.

wen yuan looked at her.

“The photo of you and Bai jingxuan drinking coffee together is on the hot search again. I don’t believe President ye didn’t look for you. wen yuan, have you turned off your phone?” Xu Mo asked with ill intentions.

...

wen yuan looked at her, pursed his lips, and sighed. ” Bai jingxuan is just like mu Bai from back then. He’s really a little tempting.

Xu Mo stuttered,”you’re not really tempted, are you?” do you want to try nibbling on grass?”

wen yuan frowned and asked,”what old bull?” i’m only 34 years old.”

“but the puppy is only 24 years old.” Xu moshen snorted. actually, I also want to try it. Looking at President ye’s younger version, it’s really tender and fresh!

“Wen Yuan, when ye mu Bai was young, you didn’t eat him, did you?” she asked in a strange tone.

in terms of looks, bai jingxuan was still a little lacking. even in the entertainment industry, president ye’s looks were enough to make people admire him. it was just his muscles that made him a top-grade male god, not greasy at all.

“but he’s just using his looks to seduce you, right?” she lowered her voice.

Wen Yuan was speechless.

Xu Mo laughed and poured another glass for Wen Yuan. Wen Yuan did not want to drink it, so Xu Mo laughed again. ” drink up. i’ve called president ye. he’ll be here in a while. ”

Wen Yuan stared at her.

” alright, alright, just be a good woman. you’re still hoping to get drunk and find a man to have a good time with? ” Xu Mo sighed. actually, President ye loves you a lot. Wen Yuan, don’t you feel it? ”

wen yuan did not say anything.

he loved her, but there was still a problem between them. he was too overbearing.

She picked up the glass and took a small sip. Then she said, " Xu Mo, I don't know if everything he did was compensation or not letting me leave. You know that these remarks are like a brand, and his name is engraved all over my body.

Xu Mo complained. look at me. I don't have a single mark on my body. I'm so lonely.

She lied to Wen Yuan and made him drink a lot. Since Wen Yuan was going to suffer tonight, it would be better for him to be drunk.

The photo of her and Bai jingxuan sitting in a coffee shop on Weibo was quite beautiful, so she secretly kept one.

in fact, now it seemed that wen yuan had the capital to win over a group of beautiful women in the entertainment industry.

Take Lu man as an example. She was indeed very charming, but she could not hide the fact that she was a prostitute. Wen Yuan was good-looking, and she had the smell of books and the temperament that she had developed since she was young.

As soon as Xu Mo finished speaking, ye mu Bai came and sat opposite Wen Yuan without saying a word.

wen yuan looked at him.

"Are you no longer angry?" he smiled warmly.

For some reason, Wen Yuan's eyes turned red. She lowered her head to hide it. "I don't know what you're talking about."

He continued to look at her and smiled. "We'll talk about it at home."

she resisted. she said she wanted to drink with xu mo, but in the end, he carried her away under so many eyes.

Chapter 3999: You're very cute like this

When he placed Wen Yuan on the auxiliary seat, he did not close the door immediately. Instead, he said very softly, " "I'll take you home."

She felt a little aggrieved. She didn't say anything and just leaned back in the chair.

Ye Mubai smiled and closed the car door gently. He did not say anything on the way back and drove straight back to the villa.

when she was about to get out of the car, he held her hand down. " "you're meeting him because you think i'm too overbearing, right?"

Wen Yuan bit his lip. what do you think? "

Wen Yuan, " he laughed, " you're already a mother of two children. You can still be quite childish sometimes.

...

He leaned over and kissed the corner of her lips. He kissed her gently and said in an extremely low and hoarse voice, " "You weren't like this in the past. You used to be very mature and sensible. I've spoiled you, haven't I?"

She widened her eyes, but he continued to kiss her, his voice even more hoarse. "but wen yuan, you're so cute like this. it makes me want to bully you again."

she was a little flustered, and her eyes were a little wide. just as he had said, she was a little cute.

he continued to kiss her, kissing her chin and her ears. ” you have a good impression of him because he looks like me when i was young, right? ”

She weakly said no.

” liar. ” he gently bit her ear. ” “wen yuan, you’re lying.”

He carried her out of the car and back to the villa.

She was under his control after drinking. At this moment, ye mu Bai felt that Xu Mo was not bad.

Wen Yuan also didn’t know how much effort he had put in to get Bai jingxuan’s boss, Qin mo, to get him out of B city to do the filming.

it was an eyesore.

Especially when there was a white word in his name, and especially when he looked a little like him.

even if she was a shadow, a substitute, he would not allow her to be in wen yuan’s heart.

He was just so overbearing and tyrannical.

the rest of their lives weren’t too long, and there really wasn’t a need for a third party to exist between them.

in the bar, xu mo was drinking alone after ye mu bai took wen yuan away.

it was good to be alone.

wen yuan, you really don’t know how hungry you are! she, xu mo, had finally had a P \*\*, and he was so squinting that he wanted to check for HIV. she felt aggrieved just thinking about it. moreover, the man she had liked for several years was actually so cheap and a male b \* tch!

xu mo pulled out bai jingxuan's photo and drooled as he thought, why does every man i've hung up on like wen yuan? wen yuan doesn't need him anymore, what a waste!

She thought about it again. Was it because her breasts were too small, so men could not discover her beauty?

xu mo lowered his head and looked at himself, wondering if he should go and have a baby.

Her fingers were still gently stroking the photo on her phone. This Xiao Bai was really not bad. A 24-year-old puppy must have good stamina.

she was only thinking about it. single women could only think about it and fantasize about it.

At this moment, the phone was taken away, and Xu Mo looked up in a daze.

it was kang qiao.

he was also wearing a black shirt and a pair of jeans, showing off his slender figure, but it was also quite dark.

xu mo looked at him. " what's wrong? are you dressed like this to hunt for beauties? aren't you going to pretend to be a sunny angel? "

Kang Qiao's phone gently swiped at Bai jingxuan's photo. what about you? you're so thirsty that you won't even let go of a 24-year-old? "

He leaned over. manager Xu, you seem to be in your early 30s. If you're really hungry, I can introduce a few male models to you, so that you won't have to fantasize about an old cow eating young grass. I'm just kindly reminding you that Bai jingxuan's family is very well-off and won't accept a woman as casual as you.

Xu Mo sneered. his family is very well-off. So, he doesn't need to be like you, Kang Qiao. You sell your P shares and sleep with old women. Is that what you mean? "

Kang Qiao's face suddenly turned ugly. He pinched her chin with his fingers, " "Xu Mo! Be careful of what you say."

"Are you afraid that I'll reveal that you're a male b \* tch? are you afraid that your fans won't be able to accept that you're not pure?" xu mo raised his face and smiled evilly. " "kang qiao, is your heart so dark that you can't wait for others to be as dark as you?"

Chapter 4000: You're very cute like this 4

kang qiao's face turned even uglier. " xu mo, what do you think you know? "

xu mo laughed lightly and analyzed his heart without fear of death."You've been selling for so long, you've made it big, you've got endless money, and you've had countless young and beautiful women sent to you, but you'll never get Wen Yuan, the woman you want the most. You still have to pretend to be a White Lotus in front of her and act like a sweet talker. even i think you're tired. you can just tell wen yuan that you're a male b \* tch and that you've been selling yourself to him. then we can be good sisters and have a drink together. isn't that good?"

Kang Qiao squinted his eyes and stared at Xu Mo's face. He wanted to strangle her.

xu mo raised his head. " actually, you and lu man are the same type of people. i suggest that if you really love wen yuan, you should roll around in the sheets with lu man and create a scandal. that way, everyone will be better. "

Kang Qiao's Adam's apple couldn't help but move as he stared at the hateful woman in front of him.

No, she couldn't even be called a woman. She was extremely detestable.

...

you're very generous. he gritted his teeth, pulled her up, and walked towards the bathroom.

Xu Mo didn't know what he was going to do and struggled desperately. what are you doing? ”

Kang Qiao had already thrown her against the wall with all his might. Xu Mo only saw stars, but when he came back to his senses, everything turned dark. His body pressed down on her shoulder, his soft lips nibbled on her skin, and he kissed her roughly.

xu mo was stunned for a moment, then he reached out and hit his shoulder with all his might. ”  
kang qiao, let go of me! you want to be a male b \* tch, but i don't want to have sex with you! ”

She kept calling him a male b \* tch, and he was extremely angry. He pinched her chin and forced her to open her mouth. He kissed her deeply under her gaze, the kind that was very shameless.

Later, when she was breathing heavily, he roughly pinched her chin and narrowed his black eyes. today, I'll let you see what a male b \* tch is!

he supported xu mo with one hand and knelt down to take a walk.

Xu Mo was stunned.

Although this place was dark, someone could come over at any time. He was doing this kind of thing to her here. Didn't he think it was dirty?

In the end, when she was in a mess and was about to die, he had abandoned her.

he wiped his lower lip and looked at her fragile appearance. ” now you know what a real b \* tch is!  
”

he pulled her bag over and took out a few hundred yuan bills before stuffing them into her arms. ”  
“Comfortable? If you're not satisfied, you can go to the White Dragon Club and find a few men to serve you. Manager Xu said that none of us are cleaner than the other.”

After Kang Qiao finished speaking, he tidied up his clothes and left.

Xu Mo's legs were still soft, and his body was in a mess. She didn't dare believe that he would leave her like this.

He was too despicable!

At this moment, a drunkard came over and approached her, wanting to meet her.

“Your head.” xu mo hit his head with her bag and ran out of the dark corridor as if she was running for her life. when she ran out, she was covered in sweat and had jade eyes.

Right now, she just wanted to kill Kang Qiao, that b \* stard, that male b \* tch.

Who would leave someone behind halfway?

Should she really go to the young master’s male model to vent her anger?

Just as Xu Mo was about to kill her, Kang Qiao silently appeared from behind and easily brought her into his car with one arm. Xu Mo wanted to struggle, but he fastened the seat belt and said softly, “if you don’t want it, get out of the car and go find the duckling. It’s right in front, 500 a night.”

Xu Mo glared at him, “Kang Qiao, what’s your night?”
