

Thank you 4001

Chapter 4001: I need you to appear (1)

He turned his head and stared at her deeply. After a long time, he said, "I'm someone you can't afford to sleep with."

"Cheap man!" Xu Mo banged on the car window like crazy. "Then where are you taking me? why did you do that to me just now?"

Kang Qiao was still driving, then he said in a calm voice, "I can give you one free ride."

Xu Mo was startled.

"since you're so thirsty and need a man," he continued in a somewhat nasty tone.

Xu Mo came back to his senses and cursed, "you're the one who's thirsty and needs men!" Kang Qiao, let me out of the car, or I'll make the whole world know about your date."

...

"isn't it an unspoken rule? how did it rise to a date? I'm very expensive, do you think I'd be cheap to an ordinary woman, especially a woman without money, Xiongnu, or resources?" He said harshly.

Xu Mo glanced at him. I'm going to Longxiong immediately.

"and then lie to men who don't know about your background and make them think that you're big and thin?" he smiled harshly again.

"do you believe it yourself?"

Xu Mo put a hand on his shoulder. "It sounds like you're very disdainful of my behavior, Mr. White Lotus!"

hmpf, he really thinks that he's a pure and untainted male b * tch who sleeps with others!

Tang Qiao took her directly to a five-star hotel. When they went in together, the front desk even looked at him. She seemed to recognize him but wasn't sure. The main reason was that Kang Qiao was too dark at the moment, and he used Xu Mo's name to book the room.

xu moman was speechless. he mouthed to the front desk, " "He is Kang Qiao."

She was drunk, but the receptionist was not. Her eyes were wide open.

Oh my God, it's Kang Qiao. The violin Prince is fooling around with someone.

later, the hotel staff counted. the violin prince used five t-shirts in one night. the battle was intense, and there were many women's hair on the bed. just thinking about it made him excited.

At that moment, Kang Qiao dragged Xu Mo into the Presidential Suite and slammed the door shut. Xu Mo leaned against the door and kicked off his high heels. He stared at Kang Qiao with an unruly look."What, are you addicted to sleeping with me, so you came to find me again?"

she put her arms around his neck provocatively. " you asked me to do it because you wanted to show me your experience report. otherwise, how would i know if you, a male b * tch, had accidentally caught a disease recently? "

Kang Qiao held her waist with one hand and pulled her into his arms. His body was very, very hot.

He lowered his head, his voice especially hoarse. " if i'm sick, you're the one who passed it to me. the only person i've had sex with recently is manager xu. "

"Recently, I seem to have more feelings for the airport," he said as his hand slowly moved down.

She widened her eyes and bit her lip. She didn't want to be tamed by a male b * tch. She looked up and said, " really? but I have no feelings for you at all. Kang Qiao, you are a poodle!

“then you’ll also like poodle.” He picked her up with one hand and threw her onto the bed as he kissed her. Then, he immediately bent his knees and kissed her again. When she tried to resist, he held her hand and raised it above her head.

Kang Qiao was the kind of man who had a refreshing appearance and the face of a first love. But in private, especially in bed, he was very rough. No one would easily know this side of him.

However, Xu Mo was lucky enough to know him.

He was just like that night, or even worse than that night. Probably because he didn’t need to pretend, he could act like himself in front of her. He had a hard time the whole night and used five.

Chapter 4002: I need you to appear (2)

when it was almost dawn, xu mo directly collapsed under his body and fell asleep from exhaustion.

kang qiao squinted his eyes, and his mind instantly cleared up.

he had lost control tonight.

He and Xu Mo should be two parallel lines that shouldn’t intersect and shouldn’t have sex again.

However, he still couldn’t help but roll in the bed with her for another night. Perhaps it was because of her straightforwardness, but when he was with her, he didn’t need to be the elegant Kang Qiao. He didn’t need to pretend. He was a man.

a man with normal needs, a man who would want to tear off a woman’s clothes when he saw her. this was the first time he had directly despised a woman with a small chest.

...

Of course, he was very satisfied to do it with her. It was not particularly important that his chest was not small.

Xu Mo was very thin, his waist was especially thin, and the lines of his waist were particularly attractive. He especially liked to hug her from behind and tease her.

Kang Qiao slowly smoked, his black eyes looking at the sleeping Xu Mo from time to time.

it was already ten in the morning when she woke up.

Xu Mo woke up and found that her waist bone was about to break. She scratched her hair and sat up, only to find that he was still on the bed.

She was especially annoyed. are you waiting for me to write you a check? ”

“How about five million a month?” he suddenly asked.

She let out an “ah” and then looked at him with an outrageous gaze. ” five million a month. i don’t know how many little puppies i’ve raised. i’ll raise you, a pixiu. ”

He stretched out two fingers and pinched her chin. She could not say the word ” male b * tch ” and could only open her eyes wide and mumble a few times.

“I’m the one who’s giving it to you. Five million a month,” Kang Qiao said quietly.

Xu Mo’s eyes widened even more, and he smacked him away. you’re not joking, are you? ”

she’s fallen to the point where she needs to whine

“no male b * tches, male b * tches, yingluo!” his voice was very hoarse. ” i’m not selling myself. i’m a man and i have my own needs. ”

xu mo laughed dryly. ” i know. you and those women are just an adulterer and a woman. you both take what you need. ”

after she finished speaking, her expression became strange. she glanced at him and wrapped herself in the bed sheet.

To be honest, with his body, looks, physical fitness, and skills, it was worth it even if he had to pay for it. She really didn't know what was wrong with him to pay her five million a month. Xu Mo knew his own shortcomings, and he didn't have a strong body.

however, he enjoyed it and still had to spend money on it.

for a moment, xu mo wondered if men's aesthetic standards had changed recently. did they like flat-chested girls like her?

anyway, after two nights, she also felt that he seemed to be quite infatuated with her body.

Five million. Ran ran's annual salary was only about ten million.

She was a carefree person. She didn't have a home, and her nest in B city was only temporary. She didn't even think about getting married, so she didn't reject Kang Qiao's suggestion.

To put it bluntly, their bodies were very compatible, and he was willing to pay. It was killing two birds with one stone.

She looked at him and didn't object. Kang Qiao knew what she was thinking and smiled. Then, he took out a check from somewhere and said, "this is for half a year. I will call you if I'm in B city. You can look for me when you're on a business trip to the United States.

she kept it. it was strange.

Kang Qiao put out the cigarette, pulled her out of the quilt, and pressed her under his body, "I'm going to France tomorrow for a week. I'll continue to stay here tonight.

"I have to work," she said, resisting.

Chapter 4003: i need you to appear (3)

I'll take a day off. he didn't allow her to reject him. I haven't had enough of Hanhan.

xu mo didn't know how many adult men were enough. with her limited experience, she was with her ex-boyfriend, but they broke up after only half a year. moreover, that guy really couldn't compare to kang qiao in this aspect. even if kang qiao was a small duck, he would definitely become popular, xu mo thought as he enjoyed it.

She also knew that Kang Qiao would not like her.

if he paid, their relationship would be business. as for her, if she didn't have a man, she would just treat him like a duck.

finally, xu mo placed his palm on his shoulder and panted,"i want you to produce a physical examination report every month."

"No problem." He stared at her and smiled.

...

He didn't say that he wouldn't sleep with someone else, but that he was willing to experience it. He didn't ask her body and mind to belong to him alone. He just wanted to buy her body.

Xu Mo felt that she was really cheap. If she needed money, she should have cheated Wen Yuan. Why did she have to sell herself? she knew very well that she was actually just greedy for a certain man's body.

It was a matter of tacit understanding!

they didn't make any promises. it was just a 30 million check that tied their cooperation together. she and kang qiao spent 24 hours in bed in a five-star hotel. in the morning, he got dressed and told her that he was going to his apartment to get his luggage and fly to France. he would contact her when he came back.

He even gave her the key to his apartment. There was nothing else to say, but they had a body-to-body relationship.

He didn't plan to love her. He only planned to do it with her. He didn't even need to feel sorry for her when it came to money. Xu Mo knew how heartless he was, but fortunately, she didn't plan to be deeply in love with him.

However, she still missed Kang Qiao. So, on the sixth night after he flew to France, she went to his apartment. She wanted to see this place first.

after all, she might stay here occasionally in the future.

but when xu mo opened the door, he was stunned.

it was something she had never thought about, or perhaps she had never wanted to think about it.

The apartment was very messy. There were men and women's clothes everywhere. They were thrown around affectionately. It looked extravagant at night. She knew that Tang Qiao was back, but she didn't know who was in bed with him.

she gently opened the bedroom door. inside, the man and woman were still entangled, sitting together and kissing.

Kang Qiao was the first to see Xu Mo, and his eyes immediately became sharp and calm. get out.

Xu Mo frowned.

the woman on top of him turned her head, and xu mo was a little shocked when he saw her clearly.

It was his manager, ruan Yun.

a woman who was said to be a non-marriageable person, the one who single-handedly created kang qiao's legend, and a woman who was very important to kang qiao.

It turned out that there was something going on between them. Xu Mo didn't cry. It wasn't worth it to cry for a male b * tch.

She leaned against the door, threw the key on Kang Qiao's bed, and smiled, "Between the two of you. I'm really curious about who's giving who the money."

ruan yun was a top manager. although she was 34 years old, she was beautiful, elegant, and had a good demeanor.

"kang qiao, you guys can talk!" she quickly put on her clothes.

Xu Mo shook his head, "no, I just want to add that I have no interest in sharing an item with others. Kang Qiao, I'm also interested in selling myself.

She accepted the money only because she wanted his body, to find a man, or to have a girlfriend.

xu mo wasn't interested in such nonsense, not to mention that he had slept with his manager. he was really a shameless man.

Chapter 4004: I need you to appear (4)

xu mo was about to leave when kang qiao grabbed her wrist, signaling ruan yun to leave first.

ruan yun shrugged, then said gently, "kang qiao, don't get angry, let's talk!"

She and Kang Qiao had been friends for many years. They didn't do it often. They only did it once when they were both interested. The last time was about half a year ago.

she didn't know why kang qiao suddenly asked her to stay the night. he seemed to have something on his mind. he kissed her for a long time but didn't do it. if xu mo didn't come, she thought they might not be able to do it tonight.

That was because Kang Qiao wasn't really invested in it.

In this aspect, Ruan Yun was very open. Not falling in love with her own artist was the basic conduct of a manager. She would not ruin her own hard work because of her personal emotions. After all, Kang Qiao brought her tens of millions of income every year. She was very rational and often advised Kang Qiao to be rational.

...

Ruan Yun left, and Kang Qiao finally let go of Xu Mo.

however, he continued to stare into her eyes."Are you angry? you already know what kind of man i am."

"That's right. i know that, but i didn't expect you to have no integrity." Xu Mo whispered, " Kang Qiao, we don't owe each other anything. I haven't touched the 30 million check yet. Just take it as we had a date last time.

She put the check aside and left without looking back.

In fact, she was still a little sad.

She had liked him for several years. Later, she said that he was selling himself, but she was still willing to sleep with him.

however, when she saw him rolling around in bed with another woman, xu mo knew that it was all over. he was so dirty that she couldn't sleep.

In the past, she always felt that she was very free and easy, but today, she realized that she still had a bottom line. If she said she didn't want it, she didn't want it. No matter how rich or how good his skills were, no matter how comfortable he made her feel, she didn't want it.

She didn't cry. It wasn't like her husband was the one who caught them in bed. They were still his friends. It was just that other women could accept it, but she couldn't.

he was right, this was how his industry was, she just couldn't stand it.

xu mo stepped back, but kang qiao grabbed her.

she smiled slightly. "don't say that you don't get in touch with other women or sleep with them. that's not you, kang qiao. don't have any psychological burden. i'm not your girlfriend. i just don't want to make a deal. " I'm sorry, Kang Qiao, I really can't eat cabbage that has been dug up by others. No matter how good it looks, I can't eat it. "

he grabbed her and said in a deep voice, "then what do you want?" do you want to find a clean man to sleep with? can you guarantee that he won't steal food?"

She was still smiling. I've thought about it. It's better to be the one who spends money. Didn't you say that a small duck costs 500 yuan? at least they'll coax me. They'll call me big sister and say that I'm the prettiest. When I'm not big, they'll say that this is popular now. At least when I spend money, they'll completely belong to me.

She still broke free from his hand and walked out.

"Xu Mo, you're lying!" He said in a deep voice behind her.

her body stiffened.

He continued, "you just had hope in me. You just wanted me to keep my chastity for you. You realized that you're not the only woman I have, so you fought with me. You wanted me to promise you that there won't be anyone else in the future, right? "

xu mo lowered his eyes. "you're overthinking, kang qiao. "

Chapter 4005: I need you to appear (5)

” you still like me. you call me a male b * tch, but you’re still willing to sleep with me. ” he walked forward and hugged her from behind, his face resting on her shoulder. ” ” isn’t it great that we’re together? i won’t let you see these things again. i can even prepare another apartment for you, just us. ”

xu mo’s eyes were still lowered as he said,”Strange!”

“kang qiao, i really don’t know why you insist on sleeping with me! to be honest, your manager’s figure is much better than mine, so it’ll feel better to do it with her. ” xu mo turned around in his arms. ” i can’t afford to play your game. ”

She withdrew from his arms. I’m not a saint, and I’m not willing to be your appetizer. Kang Qiao, I’m not a good person either. Really, I’m not someone else’s stepping stone. I will protect myself. I won’t be used by others and then kicked away again.

She stared into his eyes. in this world, I only believe in myself, Qianqian, and Wen Yuan. You know what she means to me!

So, even if she had liked him, it was only like.

...

in the face of survival, this kind of love was nothing, and sleeping with her once or twice was nothing.

If she cared too much about it, she, Xu Mo, would have wasted all these years and become a joke. She was someone who could let go of things easily. It was just a man, wasn’t it? there were many two-legged men on the street. If he, Kang Qiao, wasn’t the only man, she wouldn’t be hungry to share a man with other women.

Xu Mo turned around and left. Kang Qiao didn’t ask her to stay.

Just like between them, there was no love. It was a matter of flesh and blood. No one had to accommodate the other, and no one had to force the other.

however, he was a little frustrated.

he vaguely knew that xu mo was disappointed in him. she was willing to be with him, so she must have had some hope.

before she could say anything, he had destroyed all her hopes.

he didn't ask her to stay because this was the rule of his game. he didn't want to change it. he didn't want to get married. it could be considered as not getting married.

He looked down at the check in his hand and gently tore it apart, as if he was tearing up the part between him and Xu Mo.

after that, he never slept with ruan yun again, and ruan yun never mentioned it. life went on as usual. he was still the most popular violinist in the world, and many women were chasing after him. he continued to play games that indulged in luxury. he also rarely went to that apartment, and when he went back, he would sleep in the guest room.

In that room where he and Xu Mo had sex, he would occasionally think that if he had stopped contacting others in the half a year that he had said, would his ending with Xu Mo be different?

He had no way of asking.

later, he found out from wen yuan that xu mo had been with one or two men and was engaged in a serious red wine business. he had stopped contacting xu mo after staying over for a few times. he was not sure if wen yuan had noticed something and said that on purpose. he was silent on the phone and wen yuan sighed, "kang qiao, i'll treat you to a meal."

he was a little surprised, but he still went. it was at a very good french restaurant.

what surprised him even more was that wen yuan told him that she had an appointment with xu mo not long after he ordered his meal.

kang qiao took a sip of the appetizer and smiled,"Why did you call her along?"

wen yuan supported his chin with his hand and looked at him, "i'm calling him for you!" Kang Qiao, really, Xu Mo is a very good girl. Won't you consider her? If you marry her, I can be the child's godmother."

Chapter 4006: i need you to appear (6)

Kang Qiao laughed dryly, "it seems very tempting, does Xu Mo agree?"

wen yuan frowned. "she doesn't know." "do as you see fit. there's only one condition. if you don't like her, then don't provoke her."

"you mean, sex?" Kang Qiao said it directly.

wen yuan was speechless and whispered, "can you not be so direct?"

Kang Qiao smiled and didn't say anything.

at that moment, xu mo came over and was stunned when he saw kang qiao. he then sat down, "I'm sorry to work overtime."

...

she looked at kang qiao and squeezed out a smile, "Long time no see, Mr Kang."

Kang Qiao saw that she seemed to have lost more weight, so he poured her a glass of water with a faint smile, "It's been a long time indeed. You didn't use to call me that."

xu mo nodded. "it's better to keep some distance between people. what do you think, mr. kang?"

that's true, "he nodded. it wouldn't be good if your boyfriend misunderstood.

xu mo held his chin and smiled with his eyes curved. I don't have a boyfriend, but I recently signed a young hunk. He's only 22 years old and his specialty is his cleanliness. Old aunties in their 30s like this kind of clean-hearted character the most.

kang qiao's expression didn't change, but his pupils darkened.

Wen Yuan looked at this and then at that, and said in confusion, "are you guys unhappy? why are you talking like you've buried a few tons of explosives?"

"No, I didn't!"

"No, I didn't!"

they said in unison.

Xu Mo smiled pretentiously again,"with Mr Kang's good looks, any woman would like him. How could I bear to blow him up?" such a person should be left to benefit mankind."

No matter how stupid Wen Yuan was, he knew that they had no chance.

xu mo was very straightforward. she couldn't act and would show it when she didn't like someone. at this moment, her dislike for kang qiao was already very obvious. if she couldn't see it, she would be blind.

Wen Yuan was having a headache. How did she get seduced by ye mu Bai to think that they complemented each other well?

The meal was a little ...'That'. After that, Wen Yuan thought that it was better for them to spend some time together and clear up any misunderstandings by themselves. Hence, she left in ye mu Bai's car.

The remaining two were still sitting. They had not seen each other for two months.

kang qiao wanted to smoke, but this was a high-class restaurant. he held back and asked her, "How did you get here? If you're not driving, I can give you a ride."

He still had this bit of grace.

he thought that xu mo would reject him, but she didn't. she just told him her address and asked him to take her there.

Perhaps he had misunderstood. When he sent her home, he locked the car door. let's talk, Xu Mo.

She turned her head to look at him and then asked,"I just want to save money. I don't have any other intentions. Kang Qiao, don't think too much."

there were thousands of men in the world, and he was not the only one.

he was a little stunned, and then said in a hoarse voice," then why don't you earn this 30 million?"

"because i can't sleep." she said bluntly,"kang qiao, i'm not as bottomless as you. i know you're not a man who wants to get married, but even if we're just friends, i thought it would be one-on-one. don't think that just because you threw out thirty million, i'll let you do whatever you want. you slept with someone else today and slept with me tomorrow. i'm sorry, i really can't eat overnight food."

Chapter 4007: a competition of ruthlessness (1)

"You want a one-on-one relationship?" Kang Qiao tilted his head and said in a faint voice.

xu mo looked at him. " it's true. you can't do anything with your stinky money. do you think you can force yourself to eat some junk food with thirty million yuan? "

"kang qiao, everyone has a past, but i'm not a reckless person," she said.

"i, xu mo, will never lose my bottom line for the sake of benefits and my own desires, even if this person was someone i used to like very, very much."

There are conditions to my liking. Not just any trash can match my liking.

no matter how handsome you are, no matter how good your skills are, if you're messy, then i'm sorry, you're still a male b * tch in my heart!

...

after xu mo finished speaking, he reached out and knocked on the window. " put me down. it's not your style to be so greasy. "

if he wasn't ruthless and didn't know how to give up, how could he get to where he was today? she never thought that he would stop for her, even if he resisted his second child and didn't touch anyone for the time being. but one day, when he needed to cooperate with others, he probably wouldn't care for the money, or he had no choice, or he was a slut to begin with.

Xu Mo was no longer naive. A man who had been in the entertainment industry for many years could not get away from it. If you wanted him to be clean, you might as well blindly meet one on the street.

kang qiao, who was sitting upright, suddenly whispered,"xu mo, do you have no confidence in men?"

" yes. " she didn't deny it. " but it's not like there aren't any good men. ye mulin and ye mubai are good. kang qiao, i used to think that you were good. i liked you, but that's all in the past. don't think that once a woman has touched you, she can't leave you. there are many things in this world. really, they're not as valuable as you men think. you said that you can buy one for 500 yuan. the quality should be good at 5500000 yuan, right? "

His face was a little dark, and then he said softly, " "Won't you consider it? We're still very happy together."

"If it's physical, then forget it." "put me down." xu mo knocked on the window again.

he still didn't let go. he looked forward, then lowered his head and lit a cigarette. he took a puff and seemed to be talking to himself. " you're angry and regretful because you fell in love with me, an imperfect me. that's why you're so angry at yourself and can't accept it. "

after he finished speaking, he looked at her and smiled evilly.

In fact, when it came to women, he was quite good at reading women's minds.

Xu Mo's thoughts were not difficult to guess.

He knew it all along. It was just that she wanted too much, and he couldn't afford to give it to her.

He was willing to give it to her, but she was disdainful.

if he talked to her, they could each take a step back.

"Be together! I won't touch another woman for a year. If a year is right, we'll get married. I won't betray you in our marriage." He said indifferently, his brows furrowed. He didn't seem to be in a good mood.

Xu Mo stared straight into his eyes, then chuckled, "it sounds like a very good condition. You haven't mentioned marriage to Kang Qiao's previous women, have you? should I be very honored and feel that I'm different? You're considering marriage because you don't want to get married, just so you can f * ck me this year?"

she raised her head slightly. "what makes you feel so superior? is there a diamond embedded in the area between your eyes? or is it that i, xu mo, can't find a man? "

Chapter 4008: a competition of ruthlessness 2

she hit the window hard again. "open the door. if you don't, i'll scream. "

her answer was his hot lips, firmly blocking her lips. xu mo wanted to resist, but he reached out to hold the back of her head and pressed it against him. he even unbuckled her seat belt and pulled her body towards him, sitting in his arms in an embarrassing position.

“I don’t want to.” Xu Mo was stunned and couldn’t believe that he would actually use violence on her.

Yes, rough.

she backed away desperately, her back against the steering wheel burning with pain. he pulled her into his arms again and kissed her forcefully and wildly, while he reached out to peel her out of her clothes.

xu mo was dumbfounded.

...

They were in a car and in a residential building. What was he going to do to her here?

However, he was too strong. As she struggled and resisted, there were more bruises on her body, and it hurt.

But he was the one who felt the most pain.

Kang Qiao kissed and hugged her like a madman. The corner of her mouth was bitten and swollen by him. She had no choice but to lower her head and hug his head. She was in so much pain that she couldn’t help but cover her lips on his neck and bite down hard until she tasted blood.

This was a crazy entanglement that would not stop until death.

however, no matter how brilliant the fireworks were, there would be a moment when they were extinguished. at that moment, it might only take five minutes or ten minutes for one to go from hot to cold. no one knew.

xu mo’s body went soft. her back was against the steering wheel and she smiled gently.”Kang Qiao, are you satisfied?”

She wasn’t in a hurry to get up. She had already done it, and it would seem a little unreasonable to escape now.

however, it was true that he had raped her.

xu mo took a cigarette from his central control and lit it up.

the moment the fire lit up, there seemed to be some light in the corners of her eyes.

xu mo just smoked lightly, ignoring him and not talking to him.

for kang qiao, this match was the most satisfying one.

He had had many women before. Xu Mo wasn't considered pretty and was average, but she was very charming when she did it. She was also very loyal to his feelings. When he was with her, he was like two primitive beasts.

his shirt was in a mess. three buttons were unbuttoned, and one of them had been pulled off by xu mo. his black hair was also messy, and he looked very different from usual.

Xu Mo slowly smoked his cigarette and even sat on his lap.

"Let's Make a Deal," she suddenly said after a while.

He looked at her lazily and Xu Mo didn't avoid his gaze. He smiled lightly and said, "i recorded it just now."

kang qiao's expression changed.

As a celebrity, the most taboo thing was to be recorded or threatened by a woman.

Damn it, he actually forgot what Xu Mo did for a living.

I know you want to do it with me, but I don't. Didn't you say that it's a pity that you couldn't give me the 30 million? tonight's recording is worth 100 million. Otherwise, the crime of rape would be

enough to ruin your reputation. Xu Mo took a deep puff of his cigarette and suddenly turned the end of the cigarette around, burning Kang Qiao's left shoulder.

his throat made a sound that seemed to be in pain, but his body did not move.

xu mo seemed to have smelled the smell of burnt meat, but she didn't show any mercy. she put out the cigarette and said coldly, ""Compared to going to jail, I think you'd rather spend money to get rid of this disaster, right?"

Chapter 4009: A competition of ruthlessness (3)

Kang Qiao stared at her, his eyes like ice that had been tempered.

What kind of woman was she? at this moment, she was still in his arms with her clothes in a mess, but she could still say such heartless words.

"You're so cruel." His fingers slowly held her chin. I underestimated you in the past.

Xu Mo was still smiling, unmoved. I treat my own people differently from my enemies. Kang Qiao, do I have to say you're great if you rape me? Don't think too highly of yourself, this world isn't something that you can do just by wanting to do it day by day."

his face darkened, not because he cared about the money, but because of her attitude.

"don't tell me you didn't enjoy it just now." he gritted his teeth and wanted to strangle her.

...

Xu Mo was very honest,"it did hurt at first, but I enjoyed it later. Kang Qiao, did you say I can't Sue you?" But aren't you ruining your image with that woman che Z? are you willing to go public with us? now, our relationship?"

Her smile was rather malicious.

Kang Qiao finally knew how powerful this woman was. She turned her back on him faster than he would pull his pants up.

However, he still stroked her chin. "Are you sure you want money and not me?"

"Money," She chuckled.

"Did you do it on purpose tonight?" he asked, his gaze tightening.

trap, he fell for it, and then 100 million.

Xu Mo's pupils shrank, and her heart ached as if it had been poked by something, but she still smiled heartlessly. what do you think? "

he narrowed his eyes and looked at her. in the end, he suddenly threw her aside.

He took out a checkbook from somewhere and wrote down a series of numbers.

100 million.

there were countless zeros.

He placed the check in her hand and said in a hoarse voice, " " manager xu, remember to take your medicine. i've already given you 100 million yuan. if you come back with an ultrasound report next time and say that it's my child, i won't acknowledge it, yingluo. after all, you're not that pure and innocent. "

Her heart was in pain, but she didn't seem to care."Don't worry, that day won't come. Even if I get pregnant, I'll just treat it as a nobody. I won't blame it on Mr. Kang."

She pretended to be calm and tidied up her clothes. Without her saying anything, he unlocked the car door on his own.

Xu Mo got out of the car with his handbag, his legs shaking.

When she got out of the car, Kang Qiao suddenly said, "perhaps we're not suited for each other, and we're living in the dark as well. xu mo, seeing you is like seeing myself. you're no different from me, just a little more expensive."

after he finished speaking, he started the car and slowly drove away from her sight.

xu mo just stood there for a long time until he couldn't see his car.

the night wind blew, making her more awake.

from the beginning to the end, she was covered in cold sweat. however, in the end, she was holding a check for 100 million yuan.

It buried her last love.

So many gifts were for Wen Yuan.

All the good things were for Wen Yuan, while the dirty side of him was left for her, Xu Mo.

He said that they were the same kind of people. How could they be the same kind of people?

she, xu mo, lived in the sun, leaving the darkness only to herself.

She laughed and laughed until she cried.

She didn't go home directly. She slowly dragged her tired body to the 24-hour pharmacy outside the community. Under the strange gaze of the staff, she bought a box of morning after pills and a bottle of water. Instead of going home directly, she sat down on the side of the road, drank the cold water, and took a morning after pill.

xu mo was left with one person.

Chapter 4010: they already had countless legs (1)

in this world, wen yuan might be the only warmth she had.

she didn't need a child.

especially kang qiao's children.

Xu Mo sat in the cold wind and swallowed the bitterness of the medicine.

perhaps it was too bitter, but when it reached her stomach, she felt nauseated and vomited again.

He was in a sorry state.

...

she looked at him in a daze, then said very softly, " "actually, what i want is very simple."

in fact, she really just wanted a family and a man who was sincere to her. she used to think that kang qiao was a man who could be warm and distant. she didn't expect him to do anything to her. she really just wanted to watch from a distance.

it was too hurtful to look at it up close.

She was injured now.

when she raised the bid of one hundred million, the disdain and contempt in his eyes were so obvious, as if she was selling herself.

that's right, she was going to sell it.

She didn't want to hear him say that it would be appropriate to get married in a year. How could she naively believe him? he, Kang Qiao, would never get married. Even if he was willing to get married, his fans wouldn't be willing. How could a man like him bear not to be a Prince? how could he be willing to wash baby diapers?

The only person he was willing to do so was Wen Yuan.

In fact, even if it was Wen Yuan, he would not be willing to do so.

this was a man who was born to be a male whore!

Xu Mo opened the medicine box again and swallowed a pill. Later, she found a convenience store and bought a lot of beer, 12 cans, by her feet. She drank can by can.

she cried as she drank. it was just meeting a bastard, what was the big deal?

Xu Mo didn't even know what time she had been drinking or when she had returned home. She only knew that she was in great pain. She lay on the sofa without taking off her clothes. When she woke up, she had a splitting headache.

the phone on the side kept ringing. xu mo stroked his head and reached out to touch it. "Hello," he said.

It was Wen Yuan's voice on the other end. Wen Yuan's voice had never sounded so anxious nor so calm before."xu mo, you and kang qiao were caught in the car last night."

xu mo was stunned and patted his head hard. "wen yuan, what did you say?"

"you can open any web page and take a look. It's a headline everywhere." Wen Yuan bit his lip. Mubai is asking you. How's your relationship with Kang Qiao?" he asked.

This would depend on the intentions of both sides, and the way to deal with it would be different.

wen yuan knew that ye mu bai could ignore it. after all, xu mo was only a manager and not an artiste. kang qiao's influence was greater. however, ye mu bai still took this matter seriously so that she would not be upset.

Xu Mo held his phone in one hand and opened his laptop at the same time. Then, he saw the legendary small one video one.

she saw kang qiao's face and movements clearly. she couldn't deny it, but she could only see his back, not his face.

Xu Mo was dumbfounded and only spoke hoarsely after a long time, "there's no need to deal with it, kang qiao can decide on his own!"

Wen Yuan knew it was Xu Mo because of the clothes, the location, and last night when they were together. The time matched, but no one else knew.

wen yuan put down his phone and turned to look at ye mu bai. "What do we do? xu mo said he didn't take a picture of her face, so don't worry about whether there's anything between her and kang qiao."

"They're obviously falling out," Ye mu Bai patted her hand. Xu Mo is right. Let Kang Qiao handle this.

wen yuan chased after him. "ye mu bai, it's not wanwan. did you already know that they had an affair? "
