

## Thank you 401

Chapter 401 Do you dare to say you don't love me?(3)

Tang Yu's eyes met hers for a long time before he said, " stay here and take care of Tang Xin. I'm going out for a while.

He walked out and PEI Qiqi sat down beside Tang Xin.

Tang Xin suddenly hugged her, " Qiqi. Her small hands were tightly wrapped around each other, and so was her small body.

PEI Qiqi's heart was filled with an indescribable feeling. Her hand was in the air. After hesitating for a long time, she put it down and placed it on Tang Xin's shoulder, patting it gently.

Tang Xin was still smoking. After a while, she looked up at PEI Qiqi and said pitifully, " Qiqi, I want to see mom.

pei qiqi pursed her lips and didn't say anything.

Tang Xin's expression was firm, " even if mom did those things, even if dad doesn't want mom anymore, she's still my mom.

After she finished speaking, PEI Qiqi's heart felt a little wet.

yes, no matter how bad zhao ke was, she was still tang xin's mother.

And her?

... It's destined to be a life-and-death battle with Zhao Ke!

she reached out and touched tang xin's cheek, " i'll ask your brother in a few days. "

If it was for herself, she wouldn't beg Tang Yu. But seeing how sad Tang Xin was, she was willing to let her see Zhao Ke again.

tang xin was sad for the whole afternoon. when tang yu came back, it was already nine o'clock at night.

When he returned, he looked somewhat exhausted.

He looked at PEI Qiqi and asked indifferently, " "where's tang xin?"

"he's asleep." PEI Qiqi pursed her lips and said softly,"I have a favor to ask of you." &Nbsp;

Tang Yu looked at her for a long time. Then, he took off his jacket and threw it on the sofa. He then unbuttoned two buttons and asked, " "What is it?"

tang xin wants to see zhao ke. " PEI Qiqi said after some hesitation.

tang yu looked at her deeply, " do you want to see her or is it for tang xin? "

"for tang xin." She said honestly.

Tang Yu stood up and walked towards the dining room. His tone was calm, "she's my sister. If she wanted to beg me, she would have asked for it herself. PEI Qiqi, why are you begging me?"

He naturally prepared to eat. Seeing her standing there, he looked at her and asked, "aren't you eating?"

PEI Qiqi sat down awkwardly and opened her mouth to say something, but he spoke first, "PEI Qiqi, you care a lot about Tang Xin, right?"

her heart skipped a beat. she had probably guessed what he wanted to say.

she pursed her lips and looked straight into his eyes.

if you don't want Tang Xin to know the truth, I think you'll cooperate. There was no warmth in his voice.

pei qiqi was a little annoyed,"tang yu, you bastard."

"compared to you, i'm far from it." He said coldly.

No one had ever been able to put him in such a sorry state.

"What do you want?" She looked at him guardedly.

actually, she wasn't that naive. she didn't think that tang yu would ignore the fact that she was zhao ke's daughter because he loved her.

This was a fact that could not be changed, and it would also be an obstacle in his heart that he could not get over.

if he didn't care, then he wouldn't be tang yu ...

pei qiqi knew how close he and his mother were.

tang yu just pursed his lips and didn't say anything.

pei qiqi didn't dare to ask more. she really didn't have an appetite and she was worried about tang xin, so she only ate a few mouthfuls.

tang yu looked at her with a mysterious expression.

after the meal, he stood up and said lightly, "i'll get uncle zhao to send you back."

She was a little stunned as she looked up at him.

Tang Yu's expression was cold and mocking.

At that moment, she knew that he really cared about her.

At least, he could not make a decision immediately.

Chapter 402 do you dare to say you don't love me?(4)

She raised her head and suddenly called out to him. Her voice was a little hoarse, "Tang Yu, let's forget it.

at this moment, he had already reached the stairs. when he heard her, he stopped and looked in her direction.

His face was so dark that water could drip from it.

He looked at her quietly for a long time before he said coldly, "whether or not I'm PEI Qiqi's disciple is not for you to decide.

When did he not want to let go of her? when did he not want to end Hanhan?

He was well aware of his mother's hatred for Zhao Ke and her guilt and regret for losing her child.

So, even if he loved Tang Xin, he had never revealed anything to his mother.

If he got together with PEI Qiqi, he would have to let his mother down. But if they were to separate, he couldn't bear to do it. He couldn't accept it.

If he married PEI Qiqi, even if he didn't have to see his mother every day, this title was enough to make his mother uncomfortable and uncomfortable.

PEI Qiqi could only understand a little of his complicated feelings.

Their eyes met for a long time before he headed upstairs, leaving her standing there in a daze.

She was at a loss and felt like she had nowhere to go.

He looked up and watched Tang mo walk up the stairs, his posture as noble as before.

she looked up at him and pursed her lips tightly!

tang yu went upstairs and saw tang xin sleeping.

he looked at her for a while, then slowly sat down and reached out to touch tang xin's little head.

she was still so young and had such an illness, so even if she was born by zhao ke, he couldn't hate her.

from the moment he saw this little pink ball, he had determined that she was his sister and blood relative.

But now, it was not! it was a child that had nothing to do with him!

but her illness was still there.

she was still so weak.

zhao ke might be in prison for a lifetime, but he couldn't bear to see tang xin in prison.

"just be my sister forever!" He murmured, his fingers gently touching her cold little face.

after sitting for a while, he heard the sound of a car starting up from downstairs and knew that pei qiqi had left.

the reason why he wanted her to leave was that he hadn't thought it through.

He had always been Swift and decisive, but this time, he really couldn't make up his mind.

He hadn't thought of what he should do with her.

however, he knew that he was not willing to let her go.

he walked to the terrace and looked at the lights below. the black rv slowly drove out of the manor.

he was wearing a gray sweater and just stood there looking at her. the beautiful white curtain wrapped around half of his body, making him look a little unstable.

tang xin woke up, but she couldn't find him when she opened her eyes. she looked around and finally saw tang yu's back.

she ran over barefooted and hugged tang yu from behind. her voice was like a kitten's, " "Big brother."

his body stiffened and then he hugged her, " tang xin. "

tang xin cried on his chest, like a poor dog asking for its mother.

and he had no other choice.

The car that had already left turned back. PEI Qiqi got out of the car. She had forgotten something.

But when she opened the door and got out of the car, she looked up and saw Tang Yu holding Tang Xin.

His fingers touched Tang Xin's little head, looking very warm.

she was a little envious of tang xin. he had touched her like this before, but now, his feelings for her had become complicated!

She could understand, just like how she could not accept it herself.

pei qiqi just looked up. in the night wind, she watched them hug.

Chapter 403 i'm only cruel to her

she looked at them embracing each other. that was the warmth she yearned for, but it was also something she could not touch.

she was afraid that if she touched it, she would not bear to leave or let go.

a cold smile appeared on pei qiqi's lips-

she couldn't choose where she came from, and she couldn't even control her love.

jinrong, tang yu, junjun

she envied tang xin!

Tang Xin could stay by Tang Yu's side forever, even if it was just a sister.

the strong night wind blew on her face, but she did not feel cold.

He just watched them embrace each other.

tang yu also saw her but he didn't say anything. he didn't push tang xin away either. his dark eyes looked at her coldly.

PEI Qiqi, do you feel uncomfortable right now?  
because i hugged tang xin and not you!  
at a time like this, i didn't comfort you, but felt troubled.  
yes, he was making things difficult for her!

Because he was also angry and unwilling, he vented all of it on her. Even though he knew she was innocent, he still did it because he knew that if he didn't do it, she would fly away in a flash!

The cold night sky, his cold face, her heart that was as cold as cold water, finally went into the hall to get her things.

when she walked out, the dark night covered her figure and finally blended into the night.

tang zheng raised his chin slightly and tightened it.

tang xin cried sadly in his arms and was drowsy. she called him 'brother' a few times and closed her eyes to sleep.

tang yu carried her back to the bedroom and sat beside her.

tang xin had been sick for many years and needed a suitable bone marrow.

at this moment, he was angry with zhao ke. zhao ke must have known that pei qiqi was her child but she disregarded tang xin's life for her own selfish reasons and even wanted to kill pei qiqi.

Then, no one's bone marrow in this world could save Tang Xin.

What kind of cruel mother was she?

What kind of abnormal personality was this?

tang yu looked at tang xin's little face. now that he looked at her, she looked 50% similar to pei qiqi.

he reached out and touched her little face, his voice a little hoarse. "How could I not see it?"

If it wasn't for PEI Qiqi, his plan for Tang Xin might not be like this.

In the past, although he doted on her, he didn't interfere too much in taking care of Tang Xin. But now that PEI Qiqi was here, he had to take good care of Tang Xin.

because she was qiqi's sister. this was probably the same as loving the house and its crow!

her heart was a little wet. it was filled with the thought of the little thing who had just left!

After a while, seeing that she was fine, he walked out and called Meng Qingcheng, " arrange for Tang Xin to meet Zhao Ke.

it was late at night. after meng qingcheng received the call, he was stunned. tang yu was in the mood for this?

Didn't he hate Zhao Ke the most?

however, he soon thought of tang xin, the poor girl. he pursed his lips and sighed.

although he already had some answers in his heart, he didn't want to think in that direction.

tang yu hung up the phone and looked up at the endless night sky.

he indulged everyone, but he still loved tang xin like a sister. he didn't even kill zhao ke.

he could only be cruel to the little thing he loved.

he didn't even know why he was treating her like this.

it was as if he only felt better when he saw her in pain and her struggle.

at least, they were together. they suffered and suffered together.

He lit a cigarette and smoked it slowly, standing alone in the dark, dazed.

now, he couldn't tell pei qiqi that he didn't care about her background. he only wanted to be with her!

That would be unfair to his mother, but he was not willing to let her go!

after a long time, he smiled bitterly.

the hand holding the cigarette touched her forehead and her voice was soft, "pei qiqi, what should i do? You tell me."

Chapter 404 he was only cruel to her (part two)

before she went to see zhao ke, tang xin went back at her own request.

she wanted to see her father. she wanted to ask if he really didn't want her mother anymore.

Tang Yu drove the car to Yan Hui and waited in the car. Tang Xin ran in.

tang zhiyuan was sitting on the sofa. he didn't do anything. he just sat there.

"daddy." Tang Xin looked at him with tears in her eyes and threw herself into Tang Zhiyuan's arms. Her tears flowed out like spring water and she cried, "dad, don't divorce mom, okay? Please save mommy, Yingluo!"

"I don't want to be a child without a mother." Tang Xin's small hands were held tightly and she begged Tang Zhiyuan, "I can't live for long, Hanhan. I can't live without my mother.

Tang Zhiyuan also felt sorry for her. He reached out and patted Tang Xin. you don't understand adults 'matters.

Tang Xin raised her eyes, blinked her teary eyes, and pursed her lips tightly. After a while, she begged, "i understand, daddy, i understand. i beg you, please save mommy yingluo, even if daddy doesn't want to be with mommy in the future. i beg you, please save her."

in tang xin's heart, zhao ke had always been beautiful. she really couldn't imagine zhao ke in jail.

Her mother had always been a rich lady. Why would she go to jail? Would she not be able to see her mother again?

Perhaps, by the time her mother was released from prison, she had already died of illness.

tang xin was crying sadly, and tang zhiyuan didn't feel good either. he reached out and patted her, "be good, daddy will try his best. "

However, there was no way for him and Zhao Ke to continue their fate as husband and wife. He was a man, a man with status and reputation. Zhao Ke's cuckold was too big for him.

the forensic doctor had already determined that the prostitute in zhao ke's body was a match with rong lei's sample.

that was to say, before rong lei died, they still had an affair.

how could tang zhiyuan tolerate this? It was disgusting just thinking about it!

But he wouldn't tell his younger daughter about this, so he just reached out and touched her little head.

Tang Xin looked up with tears in her eyes, "really? "

tang zhiyuan forced a smile. "when have i ever lied to you? "

his heart was a little wet.

looking at tang xin's little face, he thought of zhao ke.

in fact, it wasn't that he didn't have beautiful moments with zhao ke. at that time, zhao ke was young, cute, and beautiful.

There were many men who wanted to have her, and he had also had an affair with her unintentionally.

at that time, he was a little remorseful. after all, he had let his first wife down. however, he was still obsessed with her young body and superb skills.

the feeling of being with zhao ke was completely different from being with yunyun.

it was a crazy and forbidden relationship.

He was so obsessed with her that he even forgot that he loved Lin Yun deeply.

he had forgotten that he was also a father.

He felt sorry for Tang Yu, so he pampered Tang Xin and didn't want her to be sad.

Tang Xin felt better, but how could she know that Zhao Ke's matter was not so easy to settle?

Even if he didn't spend all his time in jail, he would at least spend ten years in jail.

Tang Zhiyuan took Tang Xin back to the car. He knew that Tang Xin was going to see Zhao Ke later.

it's good to see her. after all, they are mother and daughter, tang zhiyuan thought to himself.

he opened the car door and looked at tang yu, "I have something to tell you."

tang yu glanced at tang xin in the back seat. he opened the car door and walked away with tang zhiyuan.

tang zhiyuan let out a long sigh. "you must be thinking that i brought this on myself, right? "

Chapter 405 He was only cruel to her (3)

“i’ve never thought like this! whether she’s good or bad, it has nothing to do with me.  
” Tang Yu said lightly.

tang zhiyuan sighed again. after a long time, he said softly, ” “I know that you still blame me in your heart!”

even now, he felt that he had brought this upon himself, and zhao ke deserved it.

He had given her the title of Mrs. Tang, but this was how she repaid him.

Tang Zhiyuan’s heart felt a little sad and he couldn’t describe the feeling.

He looked at his son. He could not bring himself to ask for such an outrageous request.

He wanted to start over with Lin Yun. He had only thought about it before.

After the incident with Zhao Ke, he felt that it was better to be a first couple.

compared to zhao ke’s frivolousness and casualness, lin yun was very faithful. he also believed that lin yun had not had a man all these years because she could not forget him.

Thinking about it, Tang Zhiyuan felt much more comfortable.

he let out a long breath, ” you should comfort tang xin more. ”

tang yu looked at him and sneered, ” as a father, shouldn’t you be the one doing this? ”

Tang Zhiyuan sighed and said helplessly, ” “Yes.”

he was getting further and further away from his son.

after such a big thing happened, tang zhiyuan felt that he had no one to talk to. he felt a little lonely.

tang yu smiled and turned to his car. he closed the door and slowly drove away from tang zhiyuan’s sight.

tang xin sat next to tang yu and looked at him uneasily. her voice was also soft, ” “big brother, will you go in with me later?”

Tang Yu’s eyes looked forward and his voice was a little heavy, ” “yes.”

the car slowly slid to the side of the road. he took out his phone and dialed pei qiqi’s number, ” “i’ll wait for you by the road.”

tang xin looked at him, ” is it qiqi? ”

Tang Yu replied indifferently, ” yes. She’s going to do something else. Bring her along.”

There were some things that he naturally wouldn’t tell Tang Xin. She was still young and didn’t need to know.

” oh, ” tang xin said and put her head aside, a little disappointed.

Five minutes later, PEI Qiqi came over. She opened the back door and sat down.

Tang Yu looked at her from the rearview mirror but didn’t say anything. He just quietly started the car.

Along the way, they didn't say much. Only Tang Xin, with tears in her eyes, peeked at Tang Yu from time to time.

Even now, the little guy still hadn't given up on the idea of asking her brother to save her mother. She knew that as long as her brother thought of a way, her mother would definitely be able to come out.

but tang xin knew her limits, so she didn't say it again.

it was silent in the car while it was drizzling outside. everyone's mood was foggy and indescribable.

finally, they arrived. pei qiqi got out of the car and smiled, " i'll be leaving first. "

tang xin's mouth moved and she couldn't help but call qiqi.

pei qiqi hesitated for a while but still walked over. she reached out and touched her little head, " tang xin, be good. "

Tang Xin bit her lip and looked at her, " Qiqi, where are you going? "

PEI Qiqi smiled, " in a while, I'm going to meet a friend I haven't seen in a long time.

tang xin was a little surprised. she looked around and asked softly, " "did she also make a mistake?"

PEI Qiqi acknowledged, " yes. she also made a mistake and might not be able to come out again."

tang xin's eyes were a little red, and she thought of zhao ke again.

PEI Qiqi didn't say much and quickly left.

tang xin looked at her direction and felt that qiqi's background was a little lonely, as if she was carrying too many things.

Chapter 406 he was only cruel to her (4)

tang yu looked in pei qiqi's direction. his gaze was deep.

after a long time, he said to tang xin lightly, " let's go. "

" oh, " tang xin said pitifully and followed tang yu in.

A man in a decent uniform received them. He looked at Tang Yu and Tang Xin.

Then, the man spoke to Tang Yu respectfully and led them to a small guest room.

when zhao ke came out, she was dressed in her usual clothes, but her expression was a little haggard, and her expression was different from before.

of course, this was also the result of the accommodation.

when she saw tang yu and tang xin, zhao ke was stunned for a moment. then, she sat down without saying a word.

The person who had brought her here left and closed the door.

tang xin couldn't help it and ran into zhao ke's arms. she hugged her with her small arms and cried a little fiercely, " "mom."

being hugged so tightly, zhao ke was in a daze for a moment.

this was her child, the child that she had raised.

he was the child that she had almost given up her life for.

But at this moment, only Tang Xin could still call her mom and hold her like this.

Zhao Ke closed her eyes, and her usual bright and beautiful face was now devoid of any light. She lowered her eyes and put her face against Tang Xin's.

After a while, she raised her head and looked at Tang Yu. She said softly, " "You already know, don't you?"

Tang Yu's eyes were calm. After a long time, he nodded.

zhao ke's eyes were burning with passion, and her voice trembled slightly, " I beg you, please save Tang Xin.

Tang Yu looked at the woman in front of him. This woman killed his sister and broke up his parents. he didn't even save or kill his own daughter.

She was extremely selfish, yet she made such a request to him. It was really ridiculous.

Tang Yu didn't say anything.

zhao ke's face had a hint of frustration. " you're her brother. "

"is that so?" tang yu looked directly at zhao ke.

That cold gaze caused Zhao Ke's heart to shiver, and she couldn't help but be stunned.

she knew that tang yu knew everything.

She covered her face with her chicken claw-like hands and murmured in a crazy voice, " no, you can't tell anyone, Yingluo.

if she said it out loud, everything would be over and she would no longer be mrs. tang.

she was tang zhiyuan's wife. she was wanwan. no, she wasn't!

She had always wanted to be that person's wife, even if it was a mistress.

Zhao Ke looked up with tears and snot flowing out of her eyes. She was in a sorry state.

she loved beauty and couldn't stand her current appearance. but now, she couldn't care about yingluo.

Tang Xin was scared. She hid behind Tang Yu and looked at her mother guardedly.

how could her mother be like this?

But Tang Yu knew that Zhao Ke was probably poisoned. Now that it was acting up, she must be in a lot of pain.

This kind of place, of course, could not satisfy her. It was not an exaggeration to say that she was better off dead.

he looked at her quietly and walked towards the door with tang xin. tang xin called her mother pitifully again.

tang yu suddenly stopped and his tone was calm, "no matter what, she is my sister."

zhao ke was stunned. did this mean that tang yu agreed?

She was in disbelief and also a little desolate.

In the end, she still smiled. At least, she had let someone down. At least, she was Yingluo.

Chapter 407 Killing each other in love (1)

Zhao Ke was still in a daze. The door closed and opened silently.

Her body suddenly froze. She looked up and saw PEI Qiqi.

a trace of fear appeared on zhao ke's face. she shifted her body and just looked at pei qiqi.

PEI Qiqi didn't have much of an expression on her face as she returned Zhao Ke's gaze.

she still remembered the first time she met zhao ke. zhao ke was very bright and was someone from a completely different world from her.

now, she and zhao ke were in two different worlds. one was inside the wall, the other was outside the wall.

"What are you doing here?" zhao ke's eyes were guarded, and her body was also shrinking. her face was still very ugly."are you here to laugh at me?"

pei qiqi only felt sad.

This was her mother, the woman who had given birth to her. She had never given her any warmth and had even tried to take her life.

Even now, he did not say a word of apology.

"I often wonder if I'm mistaken. I'm not your child at all." pei qiqi looked at zhao ke and spoke with some bitterness and difficulty.

Zhao Ke was dazed for a moment, but she also smiled gently. yes, you should be suspicious. No mother would treat herself like this, right? "

She supported herself with her hand and looked forward. She stared at PEI Qiqi's little face and smiled eerily. On that dry and yellow face, there was a touch of hatred, "do you know why I hate you? "

"it's not because you're pei minghe's child, but why do you look like this? If you were a little uglier, I wouldn't have hated you so much!" Zhao Ke's hand slipped as if she had lost all her strength. After a long time, she smiled bitterly, "you easily got Tang Yu's love, but I have nothing! the man who loves me only likes my body, and the man i love doesn't even care about me. "

PEI Qiqi, my biggest curse on you is that you will never know who your father is.

he would never know!

Zhao Ke laughed almost crazily. Her mournful laughter seemed to grab onto people's hearts, making them feel terrified.

PEI Qiqi just sat there like that. She looked at Zhao Ke and lowered her eyes. When she looked again, her eyes were cold, "I can't choose where I was born. Otherwise, I wouldn't be sitting with you."

Zhao Ke just stared at her, her face and eyes filled with a sorry state.

"It's you, isn't it?" she suddenly screamed. You did it?"

PEI Qiqi was still sitting there quietly. Her cold, midnight-like eyes looked into Zhao Ke's eyes. She was completely calm. what about you? what did you do? do you dare to say that you didn't cause the car accident? "

"yes!" Zhao Ke admitted, "I did it!

there was a crazed look on her face. "i wanted to kill you. i wanted you to disappear! "

"pei qiqi, without you, i would have been fine. it was your appearance that destroyed everything." Zhao Ke's eyes were wide open, and her eyeballs looked like they were about to pop out. They were bloodshot, and it was very terrifying.

However, PEI Qiqi wasn't afraid of her.

because this woman was sad and pitiful. she had harmed herself.

Zhao Ke's neck stiffened, and she only spoke after a long while, " "you're here to collect a debt, to collect a debt."

she kept repeating those words, her expression a little dazed.

her haggard and sad appearance did not have any of the elegance of the number one beauty of b city back then.

pei qiqi left quietly. her heart felt cold and warm at the same time.

She didn't know what she was feeling. Perhaps she really was Zhao Ke's sin.

Chapter 408 killing each other in love (2)

Outside, she saw Tang Zheng leaning against the car and smoking.

when he saw her, he took the last puff of the cigarette in his hand, threw it on the ground, and stepped on it with his calfskin shoes.

pei qiqi walked over and looked up at him, " "I can take a taxi."

"you want to draw the line?" his voice was cold, and so was his expression.

PEI Qiqi pursed her lips and said calmly, "Tang Yu, I said Hanhan.

He knew what she wanted to say and sneered, " "I've also said that it's my decision whether it counts or not."

her lips moved slightly, and he took a step forward, very close to her.

he looked down at her, and suddenly, her whole body was shrouded in his breath.

His fingers pinched her chin, forcing her to look up at him. He said coldly, "be it happiness or pain, PEI Qiqi, you have to suffer."

He was probably angry because he let go of her after he finished speaking. He turned around, got into the car, and drove away quickly.

in the car, tang xin looked at her brother carefully, " "You're not bringing Qiqi with you?"

tang yu's handsome chin was tense. " she doesn't want to leave with us. "

Tang Xin didn't dare to ask again. After a while, she thought of Zhao Ke's appearance and was still a little scared.

Was that really her mother?

she didn't dare to ask, so she curled up her small body and looked rather pitiful.

When he saw her, Tang Yu thought of PEI Qiqi.

he could have treated her better, but he didn't, because he knew how she felt.

all she wanted to do now was to escape from him.

And he was not willing to!

as the car drove further and further away, pei qiqi looked at it alone and laughed softly.

She was always alone.

If Zhao Ke went to jail, she might be sentenced to more than ten years. With Zhao Ke's personality, she might not be able to live for more than ten years in a place like jail.

perhaps, this was the last time they would meet.

it was a sin to be born, and it was still a sin to leave.

but up until now, she had never regretted it. she could be called cold or cold-blooded, but she had never regretted it.

pei qiqi bought a bunch of white chrysanthemums and went to the cemetery to see pei minghe.

"Dad, will you blame me?" PEI Qiqi sat beside him just like when they were young, " are you blaming me for sending your life's most beloved to prison in such an unbearable way? "

She leaned her head against the tombstone and smiled faintly. but dad, there's not only love in this world. There's more hate! you love her so much, but she hates me so much!"

she only wanted to seek justice for jinrong, for herself, for hanhan and lin yun.

even if this person was his own mother.

" father, i thought i would be very happy, but after all this, i won't. " pei qiqi raised her head, " she never thought of hugging me. "

of course, pei minghe couldn't answer her. he could only lie there quietly.

PEI Qiqi didn't say anything more. She just leaned against him and sat for a long, long time. She sat for so long that her nose was red from the cold and her body was cold.

When she returned, she fell sick.

Hence, PEI Ziheng's Secretary, Xiaowen, was the one who handled the PEI family's move and would call her when necessary.

The new company was located in a building in the suburbs. The annual rent was 500000 Yuan. It had been tidied up and the door plate was ready. They were just waiting to move in.

Everything seemed to have calmed down.

after she recovered from her cold, it would also be the day she moved to another company.

early in the morning, she arrived at the PEI family.

In front of the building, the moving company's staff had already started moving the items that had already been counted.

Chapter 409! Tang Mo's routine is so deep

PEI Qiqi stood in the office and felt a little disappointed.

her father had founded this place. it had been so many years, and the PEI family had always been here. yet, she had sold the land.

She had used this money to buy back 30% of the PEI family's shares.

At this time, she held 60% of the shares and had a structural control.

"father, i believe you won't blame me. if i don't sell this land, i'll be treading on thin ice at all times." The PEI family could also change hands at any time.

boss PEI! Xiaowen's voice came from the door. it's time.

PEI Qiqi acknowledged him and turned around to walk out with Xiaowen.

she looked at the empty company and pursed her lips. "let's go."

Xiaowen consoled her. "boss PEI, this is good for the company. now that we have billions in liquid capital, we can do more things. it's also very beneficial for the company's development."

PEI Qiqi naturally knew this and just smiled.

Just as he was about to walk out, he heard footsteps coming closer and closer, and finally stopped at the door.

PEI Qiqi looked up and was stunned.

Xiaowen covered her mouth and couldn't say anything for a long time.

oh my god, it's Mr. Tang.

Tang Yu wasn't alone. behind him was Meng Qingcheng and two other lawyers.

Meng Qingcheng's expression was strange and helpless.

he felt that tang yu had a lot of money to burn. buying the pei family's building was probably sheng yuan's worst investment in recent years.

After spending 20 billion, he returned the building to Wanwan. Didn't he just spend 20 billion to sleep with PEI Qiqi?

Meng Qingcheng wanted to wipe his tears. His annual salary was only 20 to 30 million Yuan. He wanted to be reborn as a woman. Then, he wouldn't have to work so hard anymore. Sometimes, he would be threatened by his unscrupulous boss to go to Africa to dig soil.

he grinned at pei qiqi, " little qi, good news. a pie fell from the sky. "

Tang Zheng glanced at him. Qingcheng, is this how you usually negotiate with others? "

"little seven isn't just anyone," meng qingcheng said in a low voice.

He even reached out his cute little hand towards PEI Qiqi. PEI Qiqi was a little speechless.

Tang Yu's arrival definitely wasn't a good thing.

As expected, Tang Yu looked at her and said lightly, " "are there any more chairs in the meeting room?"

"yes, i do." xiaowen immediately nodded.

PEI Qiqi followed him in, stupefied. Even now, she was still a little confused.

the group sat down. tang yu's tone was calm, " miss pei, you might not know this, but there was a clause in the contract for the land i bought. "

he turned his head to look at meng qingcheng.

Meng Qingcheng sighed in his heart-

You're picking up girls, but you had to call me here!

Such a shameful thing, but he had to make it so cold and heartless!

Meng Qingcheng coughed lightly, " let's discuss this contract again.

PEI Qiqi raised her head, " is there a problem with the contract? Didn't you already confirm it?"

and the money was already in his hands.

Meng Qingcheng chuckled. As expected, Pei Xiao Qi didn't know anything.

Tang Yu's tricks are so deep

he tugged at his tie and pushed that page of the contract in front of pei xiao qi. " boss pei, it's clearly written here. the condition for buying this building is that the pei family must still operate in this building. otherwise, this deal is void. "

Meng Qingcheng laughed. nullifying means that boss PEI has to return the 20 billion.

Chapter 410! Tang Mo's routine is so deep

PEI Qiqi reached out and took it. She looked at it carefully and confirmed that there was no mistake. This was what was written on the contract and it even had her personal signature.

How did this happen? she looked at xiaowen in shock, and xiaowen was also confused.

the two newbies looked at each other. after a long time, pei qiqi finally said, ” “thank you for your kind offer, mr. tang. i think the pei family should be self-reliant.”

“Is it the PEI family or boss PEI who wants to be independent?” tang mo suddenly opened his mouth, his voice filled with a faint mockery.

PEI Qiqi was a little hurt. She pursed her lips and glared at him, not saying a word for a long time.

” boss pei, ” meng qingcheng said lazily, ” you should talk to our president tang. ” he gave a look, and the lawyers behind him wanted to leave with him.

Xiaowen was dumbfounded and had not come back to her senses.

Mr. Tang spent 20 billion Yuan for this?

being rich was too capricious!

Meng Qingcheng carried Xiaowen away like he was carrying a chicken. He even thoughtfully closed the door for Tang Yu and PEI Xiaoqi.

He looked at the door and felt as if he was in the bridal chamber.

inside, tang yu looked at pei qiqi and said calmly, ” do you think that you can get rid of me completely after leaving this place? ”

“I didn’t think that way.” pei qiqi turned her face away and looked out the window, ” “i’ll never forget the help you’ve given me, mr. tang,”

He stared into her eyes and leaned back. Then, he laughed coldly, ” PEI Qiqi, is this what you’ll never forget? ”

he reached out his long arm and held her small face with his fingers. he stared into her eyes and said, ” i’ve said before, you’re not allowed to go anywhere before i’ve thought it through. ”

pei qiqi was frozen by the coldness in his eyes. after being stunned for a moment, she suddenly slapped his hand away.

she stood up and took a few steps back, looking at him guardedly. ” “if your decision is to banish me, then will i have to get lost obediently? tang yu, is that what you mean?”

He clenched his jaw and looked at her, not denying the possibility.

PEI Qiqi laughed. She raised her head and tried her best to hide her eyes, ” look, Tang Yu, you can’t even make a decision right away and you can’t even convince yourself. Do you think I’d wait for this hopeless relationship? would you wait here to be abandoned?”

how do you know that I’ll definitely abandon you? ” he sat down and looked at her slightly frenzied expression.

Her appearance made his heart ache, but he also felt some pleasure.

yes, it was pleasure!

seeing her in pain, he felt happy and felt that she cared about him. (Pervert!)

pei qiqi lowered her eyes and smiled, " tang yu, let's not lie to ourselves. "

she looked up straight into his eyes. " our separation is the best ending. "

Tang Yu's eyes turned cold, very, very cold, as if there was a layer of ice in them. He squinted his eyes and after a long time, he said, " PEI Qiqi, if this is your decision, I will respect it. But Wanwan "

He slowly stood up and walked to her.

She subconsciously wanted to run away, but he reached out and pulled her into his arms, holding her back to back.

His arm was like a pair of iron pincers that held her waist tightly, and the force made her feel extreme pain.

However, his heart did not soften at all. He still held her waist and pressed his thin lips against her small neck.

his hot breath was on her soft neck, causing her to tremble. even her small head was pulled back because of the pull of her hair.
