

Thank you 4011

Chapter 4011: They already had countless legs 2

“They have countless legs, you’re too stupid!” Ye mu Bai lowered his head and kissed his wife.”Do you remember HIV?”

wen yuan’s eyes widened as he looked at him in disbelief.

“you remember now?” he kissed her on the lips.

wen yuan took a long time to come back to his senses and asked,”you knew that they were together?” Ye mu Bai, aren’t you too two-faced?”

She didn’t even need to use her toes to know why he had forced her to do it. He was too despicable.

“Ye mu Bai, you have to take responsibility!” wen yuan was furious. he clenched his fist and punched him on the shoulder.

...

he allowed her to be willful and only grabbed her hand when she was being outrageous. he placed it between his teeth and bit it lightly.”Don’t be angry. You want me to be responsible for marrying Xu Mo?”

he looked at her.

wen yuan glared at him, his heart thumping.

he laughed. ” alright, alright. i’m almost 40. i can’t be full. it’s hard to feed even one. ”

“Ye mu Bai, can you be more serious?” Wen Yuan was angry.

sure, ” he suddenly sighed, ” “xu mo and kang qiao looked at each other. kang qiao looked like a bright angel, but she actually had black wings on her back. xu mo, on the other hand, was fierce and didn’t have any femininity, but she really was a stupid angel. I used to think that they were compatible. Wen Yuan, if they can’t be together, it must be because of Kang Qiao, not Xu Mo. Kang Qiao’s circle is too complicated. Zhenzhen, Xu Mo’s departure may be the best way to protect her. ”

“but i’ll think that i’m the one who hurt her,” wen yuan mumbled.

“Don’t take it so seriously. Xu Mo isn’t a flower in a greenhouse.” Ye mu Bai reached out and pulled his wife into his arms. “believe me, in the future, it will be kang qiao who will feel more miserable. He’ll think that it was Xu Mo who released the news, but you and I both know that Xu Mo won’t. Besides loving money, she’s also particularly afraid of trouble.”

Wen Yuan looked at him and said,”then, Huahua ...”

“They’re all adults. Shouldn’t they wipe their P * s themselves?” president ye smiled faintly. ” moreover, kang qiao’s manager is a top manager with first-class public relations skills. ”

wen yuan was worried about xu mo, so she still called kang qiao.

Kang Qiao was silent for a while. it’s Xu Mo. But it’s not appropriate for me to end it with her, right? ”

“what about your video?” wen yuan asked.

Kang Qiao smoked his cigarette but didn’t say anything.

however, wen yuan found out about his decision after that. kang qiao had announced his relationship.

however, it was not with xu mo.

she was a new star in the model circle. she had a good image, was only 22 years old, and came from a good family.

wen yuan knew that this was a conditional hype. perhaps the fake act would turn into reality. who knew?

xu mo also saw the official announcement. kang qiao's 184-cm body and 178-cm tender body were a perfect match when standing together. she looked like a talented lady and was thinner than her, but her chest was much bigger than hers.

from the beginning to the end, kang qiao only called her and asked, " "Did you release it?"

She said no.

He was silent, and then said that he understood.

However, Xu Mo knew that he was certain that she was the one who did it.

Because she, Xu Mo, was a sinister money-loving woman, a bad woman who was ready to extort another sum of money from him.

actually, she was quite bad. he was right.

in fact, she was not sad at all. she did not want to cry at all.

In fact, when he made the announcement on Weibo, she was not hurt at all. She did not feel abandoned at all.

Not a single bit.

She was Xu Mo, and she loved money. Who could hurt her? she was the female guardian deity!

She would be too stupid if she was hurt so easily.

Later, Xu Mo transferred 100 million to her own account. She smiled gently when she saw so many zeros.

It didn't matter if he was misunderstood or what happened. It didn't matter as long as he had money.

This was the price to pay for being raped.

This was the price to pay for being abandoned.

she laughed softly, laughed so hard that she cried.

She had resigned from Starlight entertainment and didn't want to be in the entertainment industry anymore. Although this would allow her to gain both fame and fortune, and she would have a lot of money, that wasn't her, and it wasn't xu Mo.

She thought that she would be more comfortable in jeans and a sweater.

Chapter 4012: They already had countless legs (3)

When Xu Mo saw Kang Qiao again, he was eating with Wen Yuan.

when wen yuan heard from ye mu bai that xu mo had resigned, she was a little shocked and asked xu mo out.

They were in a restaurant at a seaside club. The environment was very good and it was very relaxing.

xu mo's hair was shorter and only reached his shoulders. he was wearing black casual pants with a white t-shirt on top and a rice-colored knitted sweater. he looked simple and refreshing, but he also looked much younger.

Wen Yuan was speechless for a moment. for the past two years, xu mo had been chanelle's loyal supporter.

Xu Mo sat down and heaved a sigh of relief, "Chanelle's Empress Dowager is gone, so I won't wear it." (it's gone! ai!"

...

wen yuan pulled her hair and said, " it's pretty good like this now. Does this mean you're turning over a new leaf? "

Xu Mo snatched his hair back and glared at Wen Yuan. your explanation is really unique. Did President ye teach you this in bed? "

Wen Yuan sighed. you only think of bed. By the way, do you want to explain about HIV? "

She and Xu Mo talked about everything. Xu Mo lowered his eyes and smiled. "It's just as you thought, Kang Qiao and I had sex that night, there's nothing to regret."

Wen Yuan did not say anything, so Xu Mo continued, " Kang Qiao, it's like someone's poem. Say goodbye to Kang Qiao. Wen Yuan, do you know that he's not a man who's willing to stay for a woman? maybe you can, but you've missed him.

She did not continue.

it wasn't that she didn't feel sad.

no matter what, he had liked her before.

It was like a beautiful Apple. You were in a good mood when you ate it, but when you ate it and found that it was all rotten, your mood would be terrible.

wen yuan knew that xu mo was not just a little sad. she was hiding because she was hurt.

kang qiao's manager, ruan yun, had signed kang qiao to KING entertainment. in the future, it was possible that kang qiao would focus on developing in the country. it made sense. now that he had the status, it was enough for him to just mess around in the country. moreover, teacher kang was getting on in years.

Wen Yuan could not say anything, so she could only accompany Xu Mo to heal.

xu mo said in a low voice, " don't worry. i'll be fine. " because i'm xu mo!"

Wen Yuan forced a smile and held Xu Mo's hand as they ate in silence.

she knew that xu mo would be able to get through it because she was xu mo.

however, unexpectedly, when she was paying the bill, she met kang qiao and his manager.

Seeing him and ruan Yun together, Xu Mo would think of the scene he saw in the apartment that day and feel disgusted.

"I'm going to the washroom," she said to Wen Yuan while covering her mouth.

Wen Yuan looked at Kang Qiao and nodded silently, " "I'll be waiting for you outside."

xu mo had already run to the bathroom and couldn't help it.

kang qiao wanted to follow him, but wen yuan stopped him, " "Kang Qiao, have you thought about whether you want to find Xu Mo? you're done."

Kang Qiao's eyes were deep, and Wen Yuan had never seen her expression before. She thought that this might be the black wings that Xu Mo had mentioned!

Kang Qiao pushed her away, and Wen Yuan blocked his way.

Ruan Yun smiled and said,"Wen Yuan, this is Kang Qiao and Xu Mo's private matter. Can you let them solve it themselves?" Their relationship also involves the harmonious relationship between King Entertainment and Starlight."

wen yuan had always been a gentle person and would never make things difficult for others. she looked at ruan yun and smiled coldly."Unfortunately, Xu Mo is my friend, my best friend. as for

being friendly, it's not something that you can do as you please. However, if I say a few words to ye mu Bai's pillow, it might be worth a hundred words to you and Qin mo. Do you want to try, miss ruan? ”

Chapter 4013: they already had countless legs (4)

She had never been so mean and oppressing others, but she had done it for Xu Mo. Xu Mo had protected her more than once. He was younger than her and shorter than her, but he was like an Energy Engine. He always appeared at the right time and stood in front of Wen Yuan.

Ruan Yun's expression was a little ugly, but Wen Yuan was telling the truth.

in the past, she had thought that wen yuan was very gentle. that was why she was a little more sharp just now.

she didn't say anything, but kang qiao pushed wen yuan's hand away and walked inside.

wen yuan stood behind him and whispered, ” kang qiao, do you still want to hurt her? Xu Mo isn't as strong as you think, she's not like you think.”

That was why she had to protect Xu Mo.

...

This was because a person could cry, cry, and be sad. Xu Mo was also a human, not a King Kong Barbie.

kang qiao's body paused for a moment, and his voice was very low and hoarse, ” “i just have a few words to say to her.”

wen yuan clenched his fists and finally smiled. ” “that's good.”

Kang Qiao went in, leaving ruan Yun and Wen Yuan behind.

wen yuan turned around, his expression still a little tense. she said in a low voice, ” “You have a relationship with Kang Qiao, right? and you’re maintaining a long-term relationship with her, right?”

ruan yun’s expression changed slightly, but she still smiled.”where did you find out?”

“because of HIV! If it wasn’t for Kang Qiao’s nonsensical words, Xu Mo would’ve never tested for HIV and treated him like moonlight. You’ve worked with him for so many years, but you never got married. It’s obvious.” wen yuan seemed to have been enlightened. he finally understood why xu mo was so determined. it was because kang qiao was too confused.

To Wen Yuan, he could not even stand Lu man, who he had a one-night stand with, let alone ruan Yun, who had been by his side all the time. It was as uncomfortable as eating a fly.

wen yuan could empathize with that feeling.

ruan yun’s expression finally turned ugly, and she was no longer as calm as before.

Wen Yuan’s voice became even softer,”Kang Qiao probably didn’t know who released the video, did he?” Miss ruan, are you doing this for his body or the money he brought?”

Ruan Yun’s fingers were clenched. Kang Qiao is so outstanding. I don’t want him to fall too deeply. In this industry, true love is the last thing we need.

Kang Qiao treated Wen Yuan differently. He was a good person and he would never get Wen Yuan.

But Xu Mo was different. If she didn’t take any measures, Kang Qiao would probably give in and become mediocre, or even quit the music industry.

how could she let a new star that she had painstakingly cultivated fall?

wen yuan laughed coldly. ” you don’t have to worry about it. in my heart, kang qiao is not worthy of xu mo. i will just let him continue to be a prince. ”

“You don’t have a heart. Kang Qiao is so good to you.” Ruan Yun lost her composure.

wen yuan smiled faintly,”but xu mo is more important to me.” and because she’s a woman.”

Ruan Yun was speechless.

In the bathroom, Xu Mo didn’t vomit. She only felt uncomfortable and nauseated.

She washed her face and forced herself to calm down and not think about it.

In the women’s washroom. she was brought along, and then a familiar figure appeared in the mirror.

at this moment, kang qiao was unconscious. he lost his composure in front of wen yuan, which meant that xu mo was important to him.

However, he didn’t realize that he was only angry at this moment.

Chapter 4014: they already had countless legs (5)

he and she looked at each other in the mirror. xu mo reached out and patted his face. ” mr. kang, aren’t you afraid of damaging your reputation? ”

“why?” he asked her softly.

xu mo’s heart ached and he turned around. ” you’re talking about the video department? yes, i did it. is this the first time you know what kind of person i am? ”

She stretched out a little finger and gently poked his chest. you should repay kindness with kindness and resentment with resentment. Do you think you can just take the money by force? Kang Qiao, you underestimate a woman’s vengeful heart.

His expression was very ugly, especially ugly. He grabbed her body with his palm and pressed her against the sink.

kang qiao stared at her, " you want to take revenge on me? "

...

his voice was cold, but his breath was extremely hot, as if he was going to melt her.

When he looked closer, he also noticed that she had changed.

He wasn't like how he used to wear ridiculous suits and pretend to be part of the upper class. The Xu Mo now was just as real as the Xu Mo he had first met.

However, the word 'real' was a little ridiculous when used on her. It was real! she was real, my ass!

she had asked for 100 million yuan from him and then turned around to bid on him, wanting to ruin him.

Did she hate him so much?

kang qiao's body was pressed against her, his eyes heavy and painful. " or do you think that i can be forced to be with you like this? "

Xu Mo was about to explode. Kang Qiao, do you have D cancer? "

"Perhaps other women will treat you like a treasure, but I, Xu Mo, will not." She smiled coldly.

"Yes, in your eyes, I'm a male b * tch!" He suddenly let go of her, but his eyes were fixed on her. At that moment, Xu Mo felt like he was being caught.

the back of her waist was in great pain, especially so.

She was injured by him rudely, and she was still a little disgusted, but she could not fall down and show weakness.

She looked at him mockingly, as if admitting that she was the one who had done it.

All because of revenge.

she raised her head. ” didn’t you settle it properly? you weren’t threatened by me, were you? ”

Kang Qiao suddenly sneered and approached her again. He said very softly, I slept with that little model in the guest room of my apartment where we slept.

xu mo’s entire body was cold.

Kang Qiao walked straight out without any hesitation.

the door closed again, and xu mo was vomiting inside-

when wen yuan entered, she was still lying on her stomach. she waved her hand weakly and said, ” don’t ask me about wen yuan. i’m begging you. ”

she slowly wiped her lips and leaned to the side. she took out a cigarette and lit it. “I just had a dream, and now I’m awake.”

she looked at wen yuan and smiled sadly. ” perhaps i never had the chance to be happy. ”

Wen Yuan removed the cigarette butt from her hand and hugged her gently. “xu mo, you still have me. i’ll always be by your side. even if you’re always scamming me for money, i won’t leave you, okay?”

xu mo suddenly hugged her tightly, so tightly that her nails almost dug into wen yuan’s flesh.

she cried. she said that she was still very sad. she said that she didn't do it. why did she have to blame it on her? why did she have to take the blame when she was raped? she said that she just accidentally fell in love with someone. why did she have to be treated like this?

wen yuan patted her back continuously and said in a hoarse voice, ” “i know, i know xu mo. you didn't do it.”

xu mo cried like a child. ” wen yuan, it was very painful that night. it really hurt. i don't want to find another man in the future. ”

Chapter 4015: they already had countless legs (6)

wen yuan's face darkened.

In the end, she still called ye mu Bai and brought Xu Mo home.

The warm water, the delicious desserts, and the healing xiangnan and ye Hui all made Xu Mo relax.

in the middle of the night, the children were asleep. she sat in front of the floor-to-ceiling window of the guest room and quietly looked at the night sky. when she was alone, she felt her heart still hurt.

In this relationship, she had been completely hurt.

That person didn't even have the most basic trust and had already sentenced her to death.

...

Wen Yuan came over and gave her a cup of hot milk tea. It was the kind that was very hot and would make her feel very comfortable.

xu mo fluttered and looked sideways at wen yuan.

Wen Yuan sat down and said, " I'll sleep with you tonight.

xu mo shook his head. " no need. i'm fine. "

Wen Yuan reached out and hugged her. Xu Mo, cry if you want to. There's nothing to be embarrassed about.

"my tears have dried." Xu Mo looked at her.

wen yuan laughed and sat beside her in his pajamas. after a while, he sighed softly, " "Do you want me to help you vent your anger?"

xu mo was stunned for a moment. he reached out and hugged wen yuan, resting his head on her shoulder. Wen Yuan, you're so aggressive at this time. I really want to call you hubby. You have money too.

She was about to drool as she spoke.

wen yuan pinched her face and said, 'stop it! i don't have such a hobby."

She whispered, "you've guessed who did it, haven't you?" why don't you explain?"

xu mo looked at wen yuan. " revenge! Just let him and his manager be in a loving relationship for the rest of their lives. I think this is the best revenge. All sluts have to group up."

Wen Yuan laughed again and ruffled her shoulder-length hair. alright! Let the two of them combine!"

Xu Mo hummed in agreement. I'm living well. Isn't there a saying that goes 'live long and see long'? "

Wen Yuan rubbed her head.

*

on the other side, in a high-class apartment, kang qiao was smoking in the living room.

He had been smoking the whole night, so he was not sleepy.

He had lied today. He said that he had slept with that young model. In fact, he didn't even know what the woman looked like. He just wanted to make Xu Mo angry and see jealousy on her face.

He felt comfortable when he saw that she was uncomfortable.

He didn't know what was wrong with him. Why did he care about a woman who didn't follow the rules of the game?

He had thought that she was unwilling to do so, but she had put the video on the internet, and he was a little angry ...

in fact, what he was most angry about was her ruthlessness.

He only had two choices. One was to admit that this woman was Xu Mo.

But in the end, she would say that they were just friends, and he would lose his career.

the second was to pull him in as a scapegoat and hype him up. it didn't matter if he was single or didn't have a girlfriend.

he chose his career and gave up the last bit of friendship he had with xu mo.

Perhaps, they had never been friends in the first place. Ever since that day in ruan Yun's apartment, she had hated him to the core and nailed him to the pillar of shame as a male b * tch again.

Ruan Yun was standing on the other side with two glasses of red wine in her hands. She had taken a shower here, so she didn't know if he needed to have sex or not.

she realized that kang qiao had changed. in the past, he wouldn't have hesitated, but that day, he spent an hour on his phone.

she knew that he was waiting for xu mo's call.

but she didn't get to wait.

the bank told her that kang qiao gave out a check for 100 million yuan to xu mo, but he didn't tell her.

in his heart, xu mo was different. a man like kang qiao never needed to spend money to find a woman. he and xu mo had only been together for a short time, but he had already spent a lot of money on her. Thank you for your support, my little babies. I'll send you 50 Alipay red packets worth 1.88 yuan each, and they will stop after you receive them-Alipay red packets-password-good night, my little babies.

Chapter 4016: they already had countless legs (7)

She walked over and hugged Kang Qiao from behind. Her voice was a little low,"do you want to do it?"

kang qiao's body froze for a moment. then, he lowered his head and looked at ruan yun's hand on his waist. his voice was a little low as he said, " no need, i'm not interested. "

ruan yun was still hugging his waist. " you've never rejected me. are you angry at me? is it because of xu mo? "

"No, I didn't," He denied it very quickly.

ruan yun knew that he was lying, and he probably didn't know it himself.

She then said softly,"you're angry because I asked you to create hype with others?" Kang Qiao, you know that this is the only way to save your reputation, unless you're willing to go public with Xu

Mo. But I don't think she's willing, right? and if she's willing, she might not let you go in the future. So, ran ran,"

...

Before she could finish, Kang Qiao pushed her hand away impatiently and said, "I know. You can go back first. I want to be alone for a while.

ruan yun looked at her empty hand and laughed silently."That's good. It's good for you to calm down. Kang Qiao, why don't you take a break for a while and go on a vacation? don't be too tense. It'll be over soon."

Kang Qiao's thin lips were tightly pursed as he continued to look at the night sky outside.

ruan yun left tactfully, changed her clothes, and drove away.

In the apartment, Kang Qiao was alone.

He went to pour himself a glass of red wine and sat in front of the floor-to-ceiling window, quietly looking at the night sky, the glass between his fingers clenched tightly.

He sat there for the whole night. When the sun rose, he called his financial advisor. help me sell this apartment and find another villa.

after he finished speaking, he rubbed his tired eyelids and looked at the sky. " help me settle this in the next two days. i'm moving over. you're in charge of this place. "

he didn't want to live here anymore. what happened that night not only made xu mo angry, but he also couldn't get over it.

He didn't want to think about how he had hurt a woman here and how she had taken revenge on him.

kang qiao moved to the high-class villa area, but his life continued.

he was on leave, and his life was still pretty good. half a year later, he 'broke up' with that little model. ruan yun was good at creating hype, and kang qiao started to take on variety shows with high prices. he also started to have a diverse career.

of course, he was still the number one violinist in the country. no one could compare to him.

And Xu Mo seemed to have disappeared from his life and world.

He would only think of her occasionally when he was alone at night.

It was only occasionally, because he had a female companion most of the time.

kang qiao's private life was colorful. he never lacked women, but he had a clean reputation. sometimes, he would laugh at himself and think that.

in the past half a year, he had not seen xu mo, nor had he heard any news about him.

He had met Wen Yuan a few times at his mother's place.

he knew that wen yuan was there and went there later. he did not know if he wanted to see wen yuan or to get some news from wen yuan.

wen yuan did not mention xu mo and he did not ask.

Just like that, it seemed to have passed.

Until one day, he met Xu Mo in the hospital. That was almost ten months later.

his mother was hospitalized again. when he came back with medicine, he saw xu mo.

Xu Mo had lost a lot of weight and was pushing a baby stroller.

A baby carriage?

Chapter 4017: The child is mine?(1)

Kang Qiao's heart tightened.

ten months old, a baby!

He immediately went to the emergency stairs from the second floor and stopped Xu Mo before he left the hospital.

“Can you explain? His voice was really low and hoarse.”

xu mo's fingers clenched tightly as he looked over.

Kang Qiao was standing behind her, very close to her. Then, under her gaze, he pulled the cute pink baby carriage over.

...

A small baby was inside. He was thin and small, and didn't look particularly healthy.

He looked at Xu Mo again. She was strangely thin, like a woman who had just given birth.

“Your child?” Kang Qiao squinted his eyes and asked the woman beside him.

Xu Mo was stunned for a while and smiled, “yes, he's my child.” is there a problem, mr kang?”

“You didn't take your medicine?” Kang Qiao stared at her.

Xu Mo lowered his eyes. you think too much.

She quietly took out a piece of paper from her bag. this child was born half a month ago. If it was mine or yours, it would be at least a month old. 40 weeks of pregnancy, including her period.

Kang Qiao squinted at her. After a while, he took it and looked at it. Not only did he look at it, but he also took out his phone to take a picture.

Finally, he picked up the child and looked at him carefully.

xu mo also let him look, his voice faint, ” “She’s called many many, she doesn’t have a father.”

kang qiao looked at the child’s face for a long time, but he couldn’t find his genes. he put the child down.

He thought that she wouldn’t be so stupid as to give birth to his child. So, it was her child with someone else?

This discovery made him very uncomfortable. He sneered, ” “she’s quite open-minded and has a child before marriage. xu mo, are you so thirsty that you have a man after being separated from me for one to half a month?”

“yeah, loneliness and hunger, can’t i?” she laughed.

His face darkened and he returned the child to her.

Kang Qiao always felt that the child was not very healthy.

“Toto has congenital heart disease,” Xu Mo said in a low voice.

“perhaps she won’t be able to live for long,” she muttered.

but she gave all her heart and all her love to this child.

She was already very pitiful when she was born. If she could not survive, then she would let Toto feel love in this world. Some people might think that she was being hypocritical, but why did she

not let a child who was destined to not live on leave? she had to live in pain for another year or two. She was destined to leave again. Why did she have to let this little life continue to suffer?

Xu Mo didn't know, but she had seen how the child was born. It was so difficult for an 18-year-old girl to give birth to it. The girl was deceived and got pregnant before marriage. She didn't even know where the child's father went and didn't have time to say anything before the blood spurted away.

The child survived. It was as weak as a kitten and had no natural heart disease. This was also the reason why the unmarried girl did not go for a pregnancy test. If they had known at the time and had not let her give birth, the 18-year-old girl would not have died.

Xu Mo knew that she was a good person, but there was no other meaning in her life.

she used all of her money to set up a homeless family, taking in more than 80 homeless people, more than 30 small animals, and seven or eight staff members.

It was very tiring, but it was quite fulfilling.

of course, xu duoduo was the one who exhausted her the most. the doctor had given her a death sentence, saying that the hole in the heart chamber was too big and could not be blocked. it was also too small to perform such an operation, and duoduo would leave at any time.

Chapter 4018: The child is mine? 2

That day, Xu Mo cried for a long time.

there was an empty spot next to the grave that she had bought for the 18-year-old girl.

If Duoduo couldn't live on, she would choose to let Duoduo return to her mother's side and continue to be loved in the future!

after she finished, she looked up at kang qiao and smiled, " "Can I leave now?"

She was smiling, but there was no emotion in her eyes.

kang qiao loosened his grip and stood aside silently.

...

he watched xu mo push the cart forward. after a while, she bent over and covered the baby with the blanket. when she bent over and turned her face, her expression was especially gentle. kang qiao had never seen her with such a gentle expression.

She probably loved this child a lot, or perhaps she loved the child's father a lot.

for a moment, he really wanted to ask her whose child it was, but in the end, he didn't ask.

It was interesting to ask.

he watched quietly until teacher kang walked behind him and called his name."Kang Qiao, What are you looking at?"

"Mom," she said. Kang Qiao turned around with a confused expression, "i just met a friend,"

"is it a female friend?" teacher kang asked kindly.

kang qiao froze for a moment, then slowly nodded, "It can be considered so!"

Xu Mo looked like a boy now, but he was much more pleasing to the eye.

"If you're a girl, why don't you come over to my place for a cup of tea?" teacher kang rebuked.

"mom, this is the hospital, not our house." kang qiao paused.

He helped his mother up to the second floor. you'll only be staying for a week this time. I've asked the doctor, and he said that you're fine. It's just that your platelets are a little low and you don't get enough nutrition.

"I know, I'll be careful." Teacher Kang patted his hand and paused for a moment. Wen Yuan will always send some tonics over. Treat her to a meal later. Now that Qianqian and Mubai don't care so much about it anymore, you should thank her properly.

when she thought of wen yuan, teacher kang still felt a little regretful. she was a teacher in the music academy and had taught many students. it would be a lie to say that she knew nothing about her son. she just felt a little melancholic ...

kang qiao was the same as her students.

among all of them, only wen yuan had not changed. it was probably because of her family background that he did not care much about fame and fortune. however, it was really impossible for such a girl to be with kang qiao.

In this era, it was actually very important for people of equal social status to be matched.

kang qiao helped his mother to the high-class ward and accompanied her for a while. then, he used his connections to find out the baby's name, xu duoduo, in the hospital.

there were no birth records, only medical records.

Congenital heart disease.

When he saw these words, his heart clenched.

the associate hospital director was familiar with him, so he patted his shoulder."what, you know him?"

"I know the child's mother." kang qiao's voice was a little soft,"do you have the child's blood sample here?" i'd like to do a DNA test."

He was a very reliable man. Because the time was too close, he was still worried and wanted to do a DNA test. If it was his child, he would take responsibility. He would not let his child be so pitiful after getting sick.

the associate hospital director was put in a difficult position when he heard that. he smoked his cigarette and hesitated for a while, but he still agreed.

He made a phone call and confirmed that there were still a lot of blood samples in the hospital. He personally took Kang Qiao's blood and went to the laboratory to take a lot of blood samples. He then sealed them for DNA testing. The whole process was confidential.

Chapter 4019: the child is mine?(3)

A day later, the results were out.

Kang Qiao took it and opened it. After reading it, his expression was a little silent.

it was hard to tell whether he was relieved or disappointed.

the child was indeed not his. it did not match his in any way.

it was xu mo's child with someone else.

Kang Qiao smiled faintly and passed a check to the Vice Director."thanks."

...

The Deputy headmaster declined but still accepted it. He paused for a moment before adding, "this child's illness is very serious. many parents would have given up, but miss xu has spent a lot of effort on this child. i think she doesn't want to give up. "

"What a silly girl," he sighed."In the end, almost all of her talents were gone."

Kang Qiao didn't say anything. He just pursed his lips.

When he walked out, he thought that it had nothing to do with him. Xu Mo asked for it.

She was so stupid. What kind of gene did she find for a man and have a child with him? she made a mess of her life and lived a good life. Wasn't it good to be her manager Xu? now, she had to go and have a child and was in a bad state.

An idiot!

A life that he could not understand.

kang qiao walked out and looked at the report again. in the end, he slowly tore it up and threw it into the trash.

there was no intersection between his life and xu mo's.

a few months later, he came to the hospital with his mother again. he met the deputy director and had a cup of coffee with him.

"Do you remember the child you tested for DNA?" the Vice Director suddenly asked. He left this morning."

Kang Qiao was stunned.

after a long time, she raised her head and looked at the person opposite her, as if she had not heard him clearly.

The Associate Hospital director's voice was clear yet muffled. she was treated for a few months and was almost hospitalized. That miss Xu is a good mother. She didn't give up even when she was almost exhausted.

Kang Qiao's heart seemed to have been squeezed. He asked in a low voice, "why didn't you tell me earlier?"

“if it’s not your child, then don’t ask. kang qiao, as a friend, i advise you to take care of your own feathers.” the vice president’s voice was a little deep. ” don’t lose what you have now. i know that you don’t lack money. it’s fine even if you quit now. however, don’t easily fall to your current level unless you want to change your career one day, just like ye mu bai. ”

“thanks,” kang qiao smiled.

He still left and drove around.

Finally, they stopped at the place where they had sex that night.

he stopped and sat in the car, smoking quietly.

He wasn’t the same person. He had slept with countless women, and if they were all nostalgic, he wouldn’t be able to remember them all. However, Xu Mo was the only woman who had made him so dejected that he couldn’t wait to go over.

It was also the body that was the most compatible with him.

Although she was flat and not beautiful.

He had abandoned almost everything that had to do with her. The apartment, the car, everything that he could think of her, he had thrown them all away. The only thing that he hadn’t thrown away was his body, and he couldn’t throw it away either.

kang qiao sat there quietly, smoking.

eventually, he went to her house and knocked on the door. when the door opened, he saw an unfamiliar face.

kang qiao was stunned and left.

He had spent some money to get some information.

So at four o'clock in the afternoon, he walked to a Cemetery and saw Xu Mo.

she stood alone in the desolate cemetery, in front of a small grave. on the gravestone was engraved a small name, many many, and a cute photo. it was colored, and she could not bear to leave black and white in toto's world.

Chapter 4020: the child is mine?(4)

Sometimes, Xu Mo also asked himself why he couldn't bear to leave more, even though he knew that she would leave eventually.

Perhaps she knew that Duoduo only had her, and she only had Duoduo!

she did not know if she was wrong.

She looked on silently. She didn't feel tired after standing for a whole day.

Until Kang Qiao came to his side, he Saw Her Standing There, looking at the many names, and looking at the tombstone of the 18-year-old girl.

Xu Mo knew it was him and said in a low voice, " she's only 18 years old. She met someone she shouldn't have met and left after giving birth to Duoduo. I don't know if she can protect Duoduo down there.

...

kang qiao was shocked.

At that time, he had only tested his own DNA but not Xu Mo's. He had never thought that the child was not Xu Mo's. He had only paid attention to whether the child was his.

he mumbled, " he's right. you're quite silly. "

She was clearly such a detestable woman. Why did he feel that she was even more detestable when she was kind?

what right did she have to repeatedly overturn his perception? what right did she have to repeatedly stir up his nerves?

kang qiao was very angry. the result of his anger was to catch her. he wanted to question her, but he was shocked by the tears on her face.

"xu mo," his voice became hoarse.

Xu Mo didn't say anything and directly hugged his waist.

she hugged him gently.

after a long time, kang qiao felt that the woman in his arms was very thin, so thin that she was almost skin and bones. before, her chest was just a little flat, but now, he could hold her waist with one arm.

She lay on his shoulder and cried silently, wetting his shirt in a short while.

It was wet and hot, very uncomfortable.

But he just hugged her and let her cry on his shoulder.

she didn't cry out loud and just kept quiet.

He did not speak.

he had held her for a long time in the cemetery.

after that, he brought her back to his villa, made dinner, and then they slept together.

Kang Qiao couldn't even remember if it was him or Xu Mo who took the initiative. When he woke up, they were already on the bed, and there was no way out.

He hugged her and loved her as if he hadn't touched a woman for a few years. Xu Mo responded.

However, he could see tears in the corners of her eyes.

not because of excitement, but because of sadness.

After a few times, he calmed down for a while, but his heart was very depressed.

He was wrong.

He and she shouldn't have had any interactions. They shouldn't have had any more than a year ago.

when he came out of the bathroom, xu mo was wearing one of his shirts and half-leaning against the head of the bed. he had a cigarette between his fingers and was slowly smoking.

From what he could see, her bare shoulders were very thin, and her collarbones were obvious. When he held her, he felt that she might only be around 80 pounds. He looked at her quietly, and Xu Mo also looked at him. After a while, she said in a hoarse voice, " "Do you have any clothes? lend me one."

He didn't know why, but he felt a little uncomfortable. He walked over and took out her cigarette."don't smoke. we'll leave when the sun rises."

She shook her head, lifted the blanket and got up.

His back was even thinner.

He hugged her with one hand and said in a hoarse voice, " "Xu Mo, let's have a talk."

She fell into his arms again and Xu Mo looked up. “Talk about what? kang qiao, we only had sex once. i did it willingly because i needed to vent. that’s it. or do you think the mistake will continue? Or are you afraid that I’ll cling to you?”

“Don’t worry, I won’t.” She chuckled.
