

Thank you 4021

Chapter 4021: Exposed affair (1)

kang qiao stared at her and said word by word, ” “just to vent?”

“What else?” xu mo laughed lightly, ” what else would kang qiao think? ”

Xu Mo took another cigarette from the bed and slowly smoked.

She was really very thin, and she looked empty in his shirt. He remembered the feeling of ribs when he reached out his hand just now.

He didn’t deny that he was very happy, but it was also terrifying.

“let’s leave tomorrow.” “it’s too late, i’ll sleep in the guest room,” he said in a hoarse voice.

...

Xu Mo raised his eyes and looked at him.

kang qiao was expressionless. ” you said it yourself. it’s just a man and a woman’s love. you don’t care about it, and i won’t either. ”

After he finished speaking, he turned around and left, but his fingers were clenched tightly.

in fact, today was a mistake. he shouldn’t have gone to xu mo in the first place, picked her up, and slept with her a few times. he didn’t even use protection.

he should have told her about the medicine, but he didn’t. instead, he changed his clothes and went downstairs to buy a box of morning-after pills.

When he returned to the villa, the light in the master bedroom was still on. Kang Qiao pushed the door open and went in.

xu mo was still smoking, and the bedroom was shrouded in smoke. she had really ruined herself.

kang qiao didn't know who told him that xu mo was an angel, but to him, she was as thin as a ghost.

however, he didn't know why he was interested in making love with a ghost. he even did it a few times. now that he thought about it, he still wanted it.

He walked over and sat down by the bed. He told himself that he had only given her a little gentleness because Xu Duoduo had left. The person he hated and loathed the most was Xu Mo.

He looked at her, and she looked back at him. She did not hide the way she smoked in front of him at all.

Kang Qiao put out the cigarette in her hand. After a moment of silence, he got up and poured her a glass of water. Then, he took out a pill from the medicine box and put it in her palm together with the glass of water. Morning after pill.

Xu Mo just looked at him quietly as if she didn't know him. She didn't even stop smoking.

"I ate it if I didn't want to get pregnant." "also, how much do you want this time?" he asked.

Xu Mo blinked his eyes lightly. money? "

he didn't make a sound, his eyes falling on her face.

Xu Mo smiled. 500000. Is that okay? "

For some reason, Kang Qiao was hurt by her careful tone. He wrote a check for her and then looked at her.

she knew that he would only be at ease after she had taken the medicine, and her many appearances made him more vigilant.

Before she took the medicine, she smiled for some reason. “Will your other bedmates get the same care as you, Kang Qiao?”

“i won’t,” “because they will follow the rules of the game,” he said cruelly.

xu mo smiled very indifferently, then raised his head and ate the pill. after drinking the entire cup of water, he still felt that his mouth was bitter.

That familiar smell made her want to vomit, but she held it in.

she even raised her eyes and looked at him quietly.”I’ve eaten. Can I sleep now?”

“You’d better wash yourself clean,” he said as he stared at her.

xu mo smiled lightly and didn’t say anything. he lifted the quilt and went to the bathroom.

The water was flowing. She was taking a shower.

Kang Qiao stood there for a long time before he suddenly opened the bathroom door.

Chapter 4022: exposed adultery (2)

xu mo looked at him.

he also saw her clearly in the mist. she was very, very thin, without any beauty at all, but he still walked over, hugged her from the side, and began to kiss her.

Xu Mo refused. I don’t want to take medicine all the time. I also don’t want to sell it again.

His thin lips were on her shoulder, and he listened to her words. After a moment of silence, he let go of her.

His clothes were wet, but he didn't care. He went back to the guest room to change.

After that, he went to sleep and didn't care about Xu Mo.

...

When Kang Qiao woke up, the sun was shining on the big bed in the guest room. It was a little glaring. He reached out and touched his side. There was no one.

Only then did he remember that he had been sleeping in the guest room, and the woman he had brought back yesterday was Xu Mo.

He sat up and smoked a cigarette, then changed into a new set of clothes. He knocked on the door of the master bedroom. Xu Mo? ”

There was no response from inside. He waited for a while more before pushing the door open.

Xu Mo had already left. Because the blanket was very neat, if it wasn't for last night's sex in the air, he would almost not be sure that she had been here.

a check was lying quietly on the pillow.

he walked over. it was the 500000 yuan that he had signed, but she did not want it.

kang qiao picked it up, looked at it for a long time, and slowly tore it.

His feelings were very complicated.

at this moment, the voice of his mother, teacher kang, came from downstairs.

Kang Qiao was stunned and immediately went downstairs.

It was teacher Kang. She had brought over a light green bean soup to cool down and was talking to the part-time helper.

kang qiao stood on the stairs and smiled, "mom, when did you come?"

teacher kang raised his eyes and looked over, his gaze a little distant. after a long time, he said very slowly, "I came here early in the morning, but it wasn't convenient for me to go up."

She went up, afraid to see her son naked.

kang qiao walked to the dining table and sat down. teacher kang handed over the bowl of green bean soup with sugar. she hesitated for a moment before asking, the person who came downstairs just now, is he Wen Yuan's friend?"

Kang Qiao almost couldn't finish the green bean soup. He looked at his mother and said, "it's xu mo, you seem to have seen him once or twice."

"I knew it." teacher kang's voice was filled with love. "how did that child become so thin? he used to look pretty good."

there was a hint of probing in her tone.

She was so thin, and her son was used to seeing beautiful women. Perhaps this was true love!

Kang Qiao was silent for a while, then slowly said, "the child she adopted fell sick and was lost. She has been taking care of the child for more than half a year.

Teacher Kang let out a long "Oh." He was silent for a long time before he said softly, "then you shouldn't take advantage of her. if you like her, then marry her properly. that child doesn't seem to be a casual one. do you have any long-term plans?"

"mom, it's impossible between her and me." kang qiao sighed.

teacher kang's eyes were still sharp."the person you were in the car with last year was xu mo, right?"

Kang Qiao was stunned for a moment.

wasn't his mother very conservative? why was her nose so sharp now?

Kang Qiao was still thinking about how to reply when Mrs. Kang looked at her son. you, it's time for you to have a family. I've seen you going back and forth, and only this girl is not bad. But Kang Qiao, if you don't want to marry Qianqian's body, then let her go. I heard from Wen Yuan that she's in her early thirties. Women are getting married at this age. What's the point of being with you!

Chapter 4023: Exposed adultery (3)

Teacher Kang was an upright person. She was a conservative woman. She had always turned a blind eye to her son's messy private life. However, this was Xu Mo, Wen Yuan's friend, so she had to say a few more words.

kang qiao lowered his head and continued to drink the green bean soup. his voice was hoarse, "I know,"

The part-time helper came down from upstairs. Before Kang Qiao could say anything, teacher Kang saw the box of morning-after pills and shook her head. you, don't you have money to buy a condom? if you let a girl eat this, it will hurt her body and make her sad.

Was she sad?

Kang Qiao didn't think that a woman like Xu Mo would be sad. He was just wondering why she made herself look like this.

he silently listened to his mother say a lot more, almost revolving around xu mo. finally, he couldn't help but say, "Mom, there's no future between us."

...

teacher kang wanted his guarantee. ” alright then! You said it yourself, but I forgot to tell you that Wen Yuan invited me to work part-time as a music teacher at Xu Mo’s wandering home. If I find a suitable one, I’ll introduce a boyfriend to Xu Mo. If you don’t want one, don’t go back on your word.”

after teacher kang finished speaking, she felt that it was strange. she was going to introduce someone her son had slept with?

However, she was just saying that. How could she really take action? after all, she had slept with him, so it was hard to introduce him!

“A wandering home?” Kang Qiao frowned.

Teacher Kang rolled her eyes at him. you’re always indulging in extravagance, how could you think of this? this is organized by Xu Mo. I heard from Wen Yuan that Xu Mo invested all his money. Kang Qiao, she’s really a very good girl. You, Huahua ...

teacher kang did not force him, mainly because he felt that his son was too messy.

he was really not worthy of xu mo.

Teacher Kang didn’t stay for lunch, saying that she was going to report to school. Who knew that she would meet the future principal at her son’s place? she didn’t even know if Xu Mo would want her anymore. In fact, she didn’t have much salary, so she was just killing time. Moreover, those children were really pitiful. If someone treated them sincerely, it must be very good. And those elderly people, if they could listen to music, they would probably get some comfort in their incomplete lives!

after teacher kang left, kang qiao turned around and walked upstairs. the auntie asked him, ”Sir, what do you want to have for lunch?”

“you do as you see fit.” kang qiao didn’t stop. he went directly to the study room upstairs and opened his laptop. he opened the browser and typed in the words ” stray home “. then, he saw the website.

frowning slightly, he still opened it. he felt like he had opened up xu mo’s life, the side she was hiding that she didn’t want to show him.

ten minutes later, he lit a cigarette and leaned back in his chair.

he remembered that someone had said that xu mo was a trouble angel. wen yuan had said that xu mo was a big pit and that xu mo always needed a lot of money. now he knew.

She had spent all her money on this.

old people, children, disabled people, and even many small animals.

This woman, how good was she at finding trouble for herself?

Kang Qiao lit up his cigarette and squinted his eyes.

He didn't like trouble, not at all.

And Xu Mo was a problem.

He wasn't a good person, and he didn't think that she was great. He only felt that she was very stupid to make herself like this for the sake of someone else's life.

Kang Qiao sneered and turned off the computer. Yes, a very stupid woman.

He resumed his life of debauchery, just like before. He was quite used to this kind of life.

Chapter 4024: look at your current state (1)

he said that he wasn't a good person and wouldn't be responsible for a woman's stupidity just because he had slept with her. he wouldn't, but he would occasionally hear his mother mention xu mo, and his heart ached for yingluo.

Later on, his mother said that Xu Mo might have a boyfriend. He was a volunteer at the homeless house and a university teacher. He was very pure and kind, and he was quite a good match for Xu Mo.

kang qiao was holding a glass of red wine, sitting in the dining room and drinking quietly.

pure and kind?

a man who was the complete opposite of him.

University teachers were very innocent.

...

Ruan Yun, who was sitting opposite him, silently watched him drink the red wine. She had a feeling that he was drowning his sorrows in wine. This was not the Kang Qiao she knew. Kang Qiao was not like this in the past.

He enjoyed the life of the upper class, with countless money and women.

Kang Qiao never lacked women. Not only was he talented, but he also had good looks.

as for him, according to ruan yun, he had not had a woman for a long time.

This wasn't a good thing for ruan Yun. It meant that Kang Qiao might be sick of this kind of life.

she gently swirled the wine glass and whispered, "Kang Qiao, what's wrong with you recently? are you in a bad mood?"

kang qiao's body was lazily leaning on the chair. he looked at his manager and smiled, "It's alright."

"There's nothing good or bad about it, it's always been like this."

Ruan Yun didn't know what to say for a moment. She silently poured him another glass of wine. don't drink so much.

Her feelings for him were a little complicated.

She was the superstar that she had brought up. She was also once a lover, but they were like family.

"kang qiao, you know how much i care about you," ruan yun muttered.

kang qiao glanced at her, his eyes glistening under the crystal lamp. his face seemed to be more mature and cold as he grew older. she was a little fascinated by him and reached out to cover his hand on the table. " don't make me worry, okay? "

Kang Qiao pulled back his hand and smiled faintly,"You have something to ask me?"

ruan yun also retracted her hand and stared at him while holding her breath."you've seen xu mo, haven't you?"

Kang Qiao held the wine glass and took a sip,"What, do I have to report to you about who I meet?"

"i'm your prisoner?" he stared into her eyes.

Ruan Yun was a little embarrassed. She suppressed the anger in her heart."you can hang out with anyone, but xu mo, have you thought about it? if she didn't post those things on the internet last time, we wouldn't have been so passive. i told you long ago to stay away from her, stay away from her, hanhan."

kang qiao interrupted her lazily, " " ruan yun, look at your current appearance. you can take a photo in the bathroom. "

Ruan Yun was a little annoyed,"Kang Qiao." I'm talking about serious business with you."

Kang Qiao gently sipped the wine and chuckled, " "She's like a woman who's going through menopause and trying to catch her husband cheating on her."

The expression on ruan Yun's face froze, and it was very, very ugly.

after a while, she muttered in an even more annoyed tone, " "Kang Qiao, don't go too far."

Kang Qiao leaned forward and whispered, " you have to remember that you are my manager, not my wife. I can see whoever I want and sleep with whoever I want. Don't act like an old mother and update early. Find yourself a man when you have time.

Ruan Yun's face was unsightly like never before. She stared at Kang Qiao for a while before saying, are you unhappy with your decision to find a small-time model to create a scandal, or do you think that Xu Mo would be with you if you told the public that Xu Mo was the woman with your car Z? "

Chapter 4025: look at you now (2)

ruan yun lost her composure. " kang qiao, don't be naive. you're already dirty, and so are we. do you think xu mo would want you? "

Kang Qiao's eyes were cold as he stared at ruan Yun.

ruan yun probably also felt that she had gone a little too far. she let out a long breath. " kang qiao, i'll be leaving first. "

she didn't ask him why he had brought xu mo home because he had just said that she looked like she was doing morning updates, and she wouldn't embarrass herself again.

when ruan yun left, her heart was a little bleak.

it had been more than ten years. she had been by kang qiao's side for more than ten years. she knew that the white moonlight in his heart was wen yuan. she admitted it because wen yuan was a height that she could never reach. moreover, wen yuan was married.

...

She had never thought that there would be a Xu Mo.

Kang Qiao treated her very differently, and this made Ruan Yun feel threatened. She couldn't stand the fact that she wasn't the most important person in Kang Qiao's heart. She even started to fear that Kang Qiao would get serious and marry Xu Mo.

How could he do that!

Kang Qiao was so perfect. He shouldn't be mediocre. He wasn't suitable for a family.

So, she played the video and forced him to make a decision.

Kang Qiao didn't let her down. He chose the most favorable path and broke off his relationship with Xu Mo.

However, she didn't expect that he would meet Xu Mo again and bring him home. They should have made love as well.

To Ruan Yun, this was a humiliation.

How could he ignore her feelings and get together with Xu Mo again?

Ruan Yun left the restaurant and walked outside. It seemed to be raining in the night sky. Her face was a little wet, but it didn't seem like it. She reached out and touched it, only to realize that she was crying.

In the dining room, Kang Qiao and Ruan Yun parted on bad terms. He continued to drink his red wine, his dark eyes clean and emotionless.

After a long time, he finished the wine in his glass, went to the bathroom, and prepared to go back.

But when he got close to the sink, he saw someone he shouldn't have seen.

he stopped in his tracks.

It was Xu Mo.

Xu Mo was lying on the sink. From his back, he looked very weak, probably having vomited.

She was wearing a black dress. The dress was not bad, but she was so thin that she could barely stand up.

as he walked closer, he could tell from the side of her face that she had makeup on. since she was so drunk, she should be drinking with him.

Kang Qiao leaned against the wall beside her and said in an indifferent voice, "aren't you an Angel? do angels have to fall to the human world to drink? "

xu mo slowly raised his eyes and met his gaze in the mirror.

Kang Qiao looked down at her. Under the light, her face looked handsome. Her black luxurious handmade suit flowed with a noble aura, which was out of place with her sorry state.

Xu Mo gave an almost imperceptible smile, straightened his body, and looked at him."Even an Angel needs to eat!" Not to mention, there were so many mouths behind her.

being aloof was the most unacceptable thing in the world!

"i thought you weren't selling it?" kang qiao continued to look at her.

She turned on the tap and doused her face with the hot water. Then, she smiled."i'm selling my art, not my body, can't i?"

As soon as she finished speaking, her body was pushed against the wall by him. She was pressed firmly against the wall, and her bones hurt.

it wasn't enough for kang qiao to press on her. he put his palm on her shoulder and nailed her to the wall. he moved closer to her and said in a cold voice, " "wasn't the life we had before good? why do you have to think about saving mankind? how many people do you think you can save by yourself?"

Xu Mo chuckled, " Kang Qiao, what does it have to do with you what I do? "

Chapter 4026: look at you now (3)

she was in pain, but she endured it. she poked his heart with one finger."don't tell me you've developed feelings for me after sleeping with me. you weren't like this before. you were very decisive."

She was frivolous, but Kang Qiao's face was full of pain.

he didn't know why.

the faith he had once insisted on had quietly collapsed in the bottom of his heart. it was a little uncomfortable, so he was eager to make up for it.

xu mo just stared at him, with a hint of provocation in his eyes.

She laughed lazily. alright, Kang Qiao. Let me go. I still have a guest.

...

She had just finished speaking when he kissed her hard.

Kang Qiao's kiss was very deep, as if he wanted to suck her soul into his mouth. He was hungry and thirsty. He even grabbed her hair when she was struggling and bit her neck hard, just like a male animal forcing a female animal to mate.

kang qiao tasted blood and released xu mo's neck. he muttered in a hoarse voice,"I can also give you money."

Xu Mo felt the pain on her neck. She reached out and touched it gently, then looked at Kang Qiao.

"this time, i don't want to sell it. mr. kang, please conduct yourself with dignity," she said softly.

On her thin face, there were eyes as dark as the night sky. Kang Qiao had never seen eyes like those.

Were they the eyes of an angel?

he was a little dazzled and suddenly felt that he and xu mo were actually people from two different worlds.

He let go of her, took a step back, and smiled faintly. "you're right, i have to respect myself."

there was a sharp pain in his heart. he had never felt that he was so dark. in his world, there was only darkness, fame, status, and women. he had always enjoyed it and had never felt like he was living like a zombie.

He used to think that he was doing all this for Wen Yuan. However, when he realized that he could no longer be with Wen Yuan, he had become used to this life.

once he got used to being provoked, he wanted to escape.

so, he let go of xu mo's hand.

kang qiao took a few steps back, took out a cigarette, and lit it up, " that's it. "

As he smoked, he left.

He sat in the car and did not start the engine immediately. Instead, he sat there quietly.

it was an hour later when xu mo came out of the restaurant, and her face was paler than before. she said goodbye to the so-called clients and saw them off one by one. kang qiao didn't like her bowing and nodding.

Was this the life she wanted, Angel? he felt that he was no different from a grandson.

he watched her quietly as he smoked. he thought that she would go home after sending her off, but she immediately ran to the side of the road ...

he vomited.

Kang Qiao was stunned for a moment. He snuffed out the cigarette, opened the car door, and walked behind her.

"Why do I have to force myself?" his voice came from behind her.

xu mo was still vomiting until she had vomited all the food in her stomach before she turned around. "you haven't left yet?"

under the moonlight, kang qiao looked at her, his whole body flowing with nobility.

and she was in a sorry state.

Xu Mo slowly took a tissue and wiped himself clean. He looked at Kang Qiao, "Are you here to laugh at me?"

"miss angel, you're contributing to humanity. why would i laugh at you?" Kang Qiao's voice was filled with mockery. He then whispered,"if you don't want to drink and drive, i'll send you back."

Chapter 4027: look at you now (4)

xu mo lowered his eyes and actually got into the car with him silently.

She was probably too tired.

Kang Qiao tilted his head and looked at her tired eyes. He thought to himself, "otherwise, she wouldn't have returned to my car.

She hated him so much.

kang qiao's thin lips were tightly pursed. he turned on the gps while driving and tried to ask her in a casual voice,"Where do you live now?"

He asked her twice, but she didn't answer. He thought she was asleep, so he stopped the car.

...

Xu Mo's face was abnormally white. He reached out and felt it, and it was very cold.

Kang Qiao's heart skipped a beat, and he immediately started the car and drove to the nearest hospital.

He didn't know how many red lights she ran on the way, but he touched her face from time to time.

she must be suffering from alcohol poisoning. she must have drunk herself for a small investment. was she an angel or an idiot?

Ten minutes later, Kang Qiao carried Xu Mo to the emergency room of the city Hospital. Fortunately, the chief physician on duty was experienced and immediately said that it was alcohol poisoning. Not to mention the gastric lavage and clearing of intestines, it took a long time.

Finally, the doctor called Kang Qiao over and said seriously,"She'd better not touch a single drop of wine in the future. being lucky this time doesn't mean that you'll be lucky in the future. you're just a little bit away from failing your first organ."

"I'll talk to her," Kang Qiao nodded.

the doctor paused for a moment. ” also, your wife doesn’t seem to be in good health. pay attention to her nutrition. ”

Wife?

kang qiao was stunned, but he didn’t refute. he talked to the doctor for a while before returning to the ward.

xu mo was still unconscious and didn’t wake up. the two nurses were busy, and when they saw kang qiao come in, they recognized him. they exchanged a look and then looked at the woman on the bed.

that night, the young nurse posted on her moments: The violin Prince has a girlfriend. She came to our hospital just now. They look very loving, and their eyes are full of love.

the attached picture was taken secretly. it was kang qiao, dressed in black, standing in front of the hospital bed. his eyes were deep and bottomless, but for some reason, it made people think of one word-deep love.

the post was reposted like crazy on her moments. the hospital suddenly became an internet celebrity. a group of reporters was waiting for her the next morning.

But this night was quiet.

After the nurse left, Kang Qiao slowly sat down. He raised his eyes and watched the drip drop by drop.

there was a hint of confusion in his eyes, and then he sighed softly. ” “So stupid.”

it was true that xu mo was the kind of creature that seemed to have a strong vitality, but was actually very fragile.

kang qiao felt that she didn’t seem to have a sense of direction. what was she living for?

But he felt that he didn't seem to understand as much as she did!

He sat in front of the bed, silently protecting her.

This might be the last time.

their lives were completely different, " Kang Qiao thought to himself.

After that, he went out to smoke a few cigarettes. When he came back, Xu Mo seemed to be awake and she looked at him with her eyes open.

She opened her eyes slightly. Her eyes were dark, which made him think of some kind of injured animal.

he thought ruthlessly that even if she was injured, it was her own doing.

xu mo opened his mouth and his voice was extremely hoarse,"Thank you," he said.

"we can be considered old acquaintances." he said coldly, " the doctor said that you almost had kidney failure. i don't need to explain, right? you almost died. even if you didn't die, you would probably be a disabled person and have to lie in the hospital for the rest of your life. "

xu mo looked at him and suddenly said softly,"I don't have any relatives."

kang qiao was stunned.

Chapter 4028: Look at you now (5)

she looked at him and continued,"i know teacher kang!" Kang Qiao, you have your own family, but I have nothing."

For a moment, her fragile appearance pierced Kang Qiao's darkest heart. It was like a hand was gripping it tightly, and he felt pain every time he moved.

xu mo's eyes didn't even fully open as she continued, "so, i can't let anything happen to me. i won't drink anymore."

he felt very upset. although he was very uncomfortable with what she had done in the past, and although he still hated her, he felt very sad when he saw her like this and heard her say that she had no family.

She was indescribably sad.

He felt like he wanted to pick up a kitten or a puppy from the side of the road.

...

Of course, Kang Qiao didn't pick it up. He wasn't that stupid. He wasn't like Xu Mo, who wanted to be an angel in the human world and almost die from drinking. He would rather be a demon, the black-hearted kind.

So he said,"Xu Mo, this is the last time. We will not meet again."

"i think so too," she chuckled.

as soon as she finished speaking, a palm covered her eyes and a cold voice said, "The patient needs more rest."

Xu Mo was slightly stunned. He had already moved his hand away and chose to rest on the sofa on the side, closing his eyes to rest.

xu mo bit her lower lip. she was so weak that she slowly fell asleep again.

But Kang Qiao opened his eyes and quietly looked at her sleeping face under the light.

She was too thin. If she didn't pay attention, she would really disappear from this world one day.

However, what did this have to do with him?

kang qiao sneered in his heart.

At dawn, he called Wen Yuan. It was not that he wanted to push the blame to Wen Yuan, but because Wen Yuan might be the only family member left in Xu Mo's world. He, Kang Qiao, was nothing, and Wen Yuan was a hot cake.

kang qiao left. he deposited 100000 yuan in the hospital bed's account and even asked the nurse to order a light breakfast. after doing his best, he wanted to leave the white world and return to his life of luxury.

that was his life.

when the reporters surrounded him, kang qiao had already left.

However, when Wen Yuan and ye mu Bai came over, they were caught red-handed.

Wen Yuan looked at the reporters and frowned at his husband. "mubai, did xu mo accidentally offend some big shot?"

Ye mu Bai rubbed his nose. you have to ask her about this.

in his heart, he had roughly guessed that it might be a certain someone.

But he wasn't sure.

ye mu bai pushed open the door of the ward and blocked the reporters outside. then, he called the police and asked the police to deal with these people who were eyeing the mosquito's blood for money.

when wen yuan entered the ward, the nurse was talking to xu mo in a soft voice."Mr. Kang has already left, but he paid for the hospitalization before he left. He also ordered breakfast."

the nurse was extremely gentle. she was certain that kang qiao and xu mo were having an affair.

Xu Mo's expression was still very bad. He listened quietly and squeezed out a smile."Thank you,"

"we should." "do you want to get up and have some porridge?" the young nurse asked rather respectfully.

"Help me adjust the bed. I'll sit up and eat by myself." Xu Mo hummed.

wen yuan went over and took the bowl from the nurse. "I'll do it!"

Xu Mo tilted his head. Wen Yuan, why are you here? "

Wen Yuan took his handbag and hit her shoulder lightly. I'm here to see if you've died!

Chapter 4029: Look at you now (6)

xu mo groaned. "it hurts, it hurts, it hurts, ran ran, be gentler. "

wen yuan glared at her with a terrifying look in his eyes. "you still know pain? i thought you didn't know pain! "

she reached out and poked xu mo's head. "you're drinking with me. do you think you're drinking with me? "

"did kang qiao tell you?" Xu Mo held his head and asked gloomily.

"What do you think?" Wen Yuan stared at her.

Xu Mo bit his lower lip. I'm just trying to get a sponsor. What drinking partner? it sounds so bad. Old Lin and the others have been treating me as a good brother.

...

“Good Brothers will force you to drink like this.” wen yuan slapped her hard again and glared at her. ” “Tell me, why didn’t you tell me that you were short of money? you begged a few old men to drink all the way to the hospital. Do you know that you’ll die if you drink any more?”

Wen Yuan was fierce, but there was a hint of moisture in his eyes. He was disappointing.

xu mo felt guilty and looked at wen yuan, ” “Kang Qiao also told you about this!”

Wen Yuan continued to glare at her. what do you think? I don’t care about Xu Mo. The next time you drink, I’ll make your entire nest disappear. I’ll send everyone to the Northwest to dig coal and make hot pot with all the cats and dogs.

Although Xu Mo knew that she was talking nonsense, he couldn’t help but refute, ” “wen yuan, you’re so fierce.”

Wen Yuan glared at her. that’s right. I’m fierce.

After looking at each other for a long time, Xu Mo suddenly whispered, ” “Okay, I promise you, I won’t drink anymore.”

“Can I get someone to drink it for me?” he paused.

“dogs really can’t change their habit of eating sh * t,” wen yuan was infuriated.

xu mo lowered his eyes and whispered, ” they all need to have a family. they need to spend a lot of money. it’s not easy to meet honest people. of course, we have to kill them ruthlessly. ”

“Then you can just kill one of mine.” “at most, i’ll just get ye mu bai to sell himself and sleep with her.” wen yuan bit his lip.

“hello,” he said. president ye, who was at the side, was unhappy and reminded his wife,”How did I end up in this state?”

“You don’t want to?” Wen Yuan glared at him.

President ye rubbed his nose. how about you sleep with Hanhan and me? I’ll pay you.

he wrote a check and placed it in xu mo’s palm. ” ” 50 million yuan. i’ll keep wen yuan for half a year. ”

Why did he feel like he was dragging down two people by himself? he had married one, but he had raised a big family. Fortunately, these people were easy to raise.

wen yuan looked at the 50 million yuan and regretted it.

she shouldn’t have said that. it wasn’t easy to be ye mu’s mistress. he might torture her.

however, xu mo had no moral integrity. he accepted the check and smiled at wen yuan, ” “You’ve worked hard.”

Wen Yuan gritted his teeth.

However, she still gently dug up the congee and said fiercely, ” “Open your mouth and eat. A vampire!”

Xu Mo laughed.

Actually, she had relatives.

Anyone in the world could abandon her, but Wen Yuan would not.

Well, Wen Yuan would sell his body to support her. This feeling was quite good.

after that, ye mu bai left and wen yuan stayed in the hospital to take care of xu mo.

“don’t you have to work?” xu mo asked her.

“i’ll take two days off to take care of you, drunkard.” Wen Yuan was still fierce.

Xu Mo finished eating the porridge and leaned on her shoulder, saying very softly, ”Wen Yuan, actually, the Family of Love has not reached the end of its line. I still have seventy to eighty million. I just want to know if there are still good people in this world.”

Wen Yuan was speechless.

xu mo looked at her and reached out to cover her hand.”don’t worry about me!”

Wen Yuan looked at her and asked her slowly, ” “then tell me what HIV is.”

Xu Mo was stunned and looked at her for a long time before saying,”that’s what happened. i just happened to run into him.”

She paused. what did he say? he’s not spouting nonsense, is he? ”

wen yuan snorted coldly and looked at xu mo quietly.

Alright, alright. I’ll tell you what happened last time. Xu Mo couldn’t hold her back, so he hugged his arm and said softly, ” “Toto was gone some time ago. I don’t know how he found me.”

...

“so, you two slept together again?” wen yuan looked at her.

Xu Mo didn’t say anything, his eyes careful.

Wen Yuan knew that he had guessed correctly. He sighed, ” “if you guys have such a tacit understanding, why aren’t you getting married?”

Xu Mo hugged his arms, his chin on his knees, and said in a low voice, "Maybe the time is not right!"

How could Kang Qiao and Xu Mo be on the same channel? not to mention, their views on the world were completely different.

wen yuan placed his hand on her shoulder and whispered, "if you can't be together, kang qiao is a poison to you. it will only be good for you to stay away from him."

Xu Mo knew that Kang Qiao was a famous person. If she didn't have a girlfriend or a wife, she would be in a difficult situation. Some fans were crazy.

she nodded her head lightly and agreed.

after wen yuan had said what he wanted to say, he stopped making things difficult for her. he let xu mo rest while he took care of her. he even made her a very nourishing lunch at noon.

At night, Xu Mo felt much better and asked Wen Yuan to go home.

wen yuan thought for a while and decided to go back and come back the next morning. he reached out and pinched her face."I'll go back first. Don't run around."

"How can I still run?" Xu Mo smiled weakly,"go back!" Don't worry."

wen yuan confirmed it again and again before he went out.

ye mu bai's car had already arrived. wen yuan got into the car and looked at ye mu bai. "what's the matter? why do you have to make me go home? i was planning to spend the night in the hospital. "

president ye placed his hands on the steering wheel and lightly knocked on it twice before whispering, "Kang Qiao and Xu Mo's matter has already spread. This time, it's not something that can be settled with just a small-time model.

he threw his phone to her and started the car.

Wen Yuan looked at him strangely, then lowered his head to look at his phone.

It was a photo of Kang Qiao and Xu Mo.

xu mo was lying on the bed, while kang qiao was sitting beside him. the emotions in his dark eyes were so strong that it was hard to ignore.

wen yuan was stunned. after a long time, he whispered, ” “mubai, kang qiao is in love with xu mo.”

Ye mu Bai focused on the front, and his voice was a little cold.”what you should be more concerned about is how kang qiao’s manager will handle the public relations this time.”

Wen Yuan was stunned again. He turned his head and looked at ye mu Bai in a daze. will he choose true love? ”

“The one he loves, is himself!” Ye mu Bai’s voice was deep. if he had decided to be with Xu Mo, he would not have left. Wen Yuan, Kang Qiao has already made his choice.

Wen Yuan was a little stunned and only responded after a long time.

After that, she didn’t say much and felt a little sorry for Xu Mo. She also knew why Xu Mo was so calm.

because it was impossible.

in fact, it was never xu mo’s problem, but kang qiao’s.

She couldn’t imagine that the Kang Qiao in her heart was like this.
