

Thank you 4031

Chapter 4031: Mrs. Ye, let's make up (2)

it was not until the car arrived at their villa that wen yuan regained his senses. he unbuckled his seat belt and said, "we're home already?"

ye mubai grunted and got out of the car to wait for her. they walked side by side.

wen yuan suddenly leaned his face on his shoulder and said in a very soft voice, "Mubai,"

"yes." he responded softly and turned to look at his wife on his shoulder."what's wrong?"

she put one hand on his waist, half of her weight on him. her voice was very soft. "will you be like this?"

ye mu bai was speechless. "wen yuan, we're already married. we've been married for a long time."

...

wen yuan nodded and held his hand, "like the left hand holding the right hand?"

president ye looked at her with a profound look and smiled.

"There will never be such a day," he said as he pinched her cheeks.

He was probably angry at her for saying that, so after dinner, he left ye Hui to Xiang Nan and brought Wen Yuan back to his room.

ye xiangnan looked at the time. it was only eight o'clock. he let out a long breath."your body is great!"

xiao ye looked at her brother pitifully, not understanding what her brother meant. of course, her brother did not want her to know either.

In the master bedroom, Wen Yuan was drenched in sweat. After a few times, he laid in ye mu Bai's arms. When she felt that he was still moving, she hit him angrily.

ye mu bai grabbed her finger and bit it. "don't you think we're an old couple?"

Wen Yuan glared at him.

He laughed and said, "alright, don't be angry. You're not really feeling unwell.

"you were trying so hard not to let me leave just now. wen yuan, is it comfortable?" he lowered his voice.

She didn't want to say anything to satisfy him, so she snorted softly.

He smiled and reached out to rub the place where she had endured him. After a while, Wen Yuan's breathing became a little rapid.

hence, he gave her an extremely ambiguous smile. "you want it again?"

Wen Yuan's answer was to get up, grab a pillow, and throw it at his face.

His soft laughter came from behind him. Wen Yuan snorted and closed the bathroom door to take a shower alone.

If she continued to indulge him, she would not be able to sleep tonight.

after she was done, she thought that he was going to see the children. little did she know that he had already put on his clothes. At this moment, he was half-leaning on the bed and smoking.

wen yuan did not know whether to laugh or cry. he walked over and asked, "what's the matter? is it not enough?"

it was already the third time. she really did not know why his needs were so big in the office every day. didn't they say that men who were almost 40 years old could not do it?

Ye mu Bai looked at her and used one hand to pull her fragrant body over to him, letting her be in his arms.

he liked it when she was in his arms.

Wen Yuan turned his head sideways, his fingers playing with his buttons gently. He was really despicable. They had done it a few times, but he did not take off her clothes. He only stripped her clean. Now, she was lying down properly after pulling the zipper.

there was a hint of resentment in her eyes, and her small hand swam over to gently pinch him. ye mu bai lowered his head and laughed."you still dare to flirt with me?"

wen yuan bit his lip. " you want it too. tell me. what should we do about xu mo? "

ye mu bai let out a long sigh. " leave it to kang yuan. it's best if xu mo doesn't reply. otherwise, we can just say that they're ordinary friends. anyway, we didn't get anything substantial. "

"that's true!" wen yuan nodded.

Ye mu Bai looked at her again. you're always worried about you and her. Mrs. Ye, aren't you being a little too careless about me? "

"where did i?" wen yuan's eyes widened.

She bit his Adam's apple and said, " "didn't you do it three times just now?"

Chapter 4032: Mrs. Ye, let's make up (3)

“i was the one who took the initiative just now.” president ye glanced at her.

She felt like crying.

President ye unbuttoned his shirt and said very happily, ” ” besides, 50 million is a year-long allowance. mrs. ye, shouldn’t you be more proactive? ”

wen yuan was eaten up to the point where not a single bone was left. in his heart, he silently cursed xu mo like a pig’s head.

Tonight, President ye was very satisfied, very satisfied.

At the hospital in H city.

...

Xu Mo was lying alone. She was already much better, but it was a little lonely to lie in the hospital alone.

The VIP Ward was still a Ward, and it could not change anything.

she lay down quietly for a while, took out her phone, and scrolled through the news about her.

her and kang qiao’s.

then, kang qiao’s response was the top of the hot search.

#kang qiao responded that we’re just ordinary friends.

she clicked on it and saw that kang qiao responded at the press conference that she was his mother’s friend and that he only took care of her when she was sick. they weren’t in the kind of relationship that everyone thought.

Xu Mo chuckled softly. She thought that he was also very smart. In fact, there was nothing between them.

It was just that they had slept together a few times.

She put her phone down beside her pillow and closed her eyes.

For Xu Mo, the incident was over. But for some reason, one of Kang Qiao's fans dug out that the woman who was with Kang Qiao a year ago wasn't that little model, but Xu Mo.

The netizen named 'ting hai' compared Xu Mo with the unknown woman in the car and the young model one by one and came to a conclusion.

The woman with car Z was Xu Mo.

That night, it became a hot topic again.

Ruan Yun looked at Kang Qiao and said in a low voice, "We've already withdrawn once. If this 'ting hai' continues to cause trouble, things will really get out of hand. In any case, we can't admit it. After all, we were talking about another girl before. It's been so long since the incident happened, and someone actually managed to figure it out."

Kang Qiao sat by the window, smoking quietly. "If I say it's Xu Mo, what will the consequences be?"

if your reputation goes down the drain, what will your fans think of you? you might even be listed as a banned artist. Ruan Yun's voice was firm.

kang qiao smiled and muttered, "I'm a banned artiste, Yingluo."

Ruan Yun seemed to have lost her temper.

after a long time, she whispered, "anyway, it's impossible for you and xu mo. kang qiao, don't meet her again. your career is in a transition period. reputation is too important for you."

Kang Qiao was still smoking. After a long time, he muttered, do you think that everyone is willing to accept a bad artiste like me? do you think everyone cares about my little bit of wealth? ”

After he finished speaking, he laughed at himself.

ruan yun couldn't continue to communicate with him. after thinking for a while, she finally said in a low voice, ” “anyway, let's not contact each other anymore!”

kang qiao looked at ruan yun and suddenly asked,”tinghai seems to be an interesting netizen.”

ruan yun stood at the door for a while, but kang qiao didn't continue.

ruan yun left.

Although the matter was a Little Big, it was only a vague comparison after all. The parties involved did not respond, and the matter slowly sank.

After Xu Mo was discharged from the hospital, Kang Qiao continued his career as an actor. He acted in a TV show that was extremely well-dressed. Although he was in his thirties, he was always popular because of his talent and handsome appearance. Now, he didn't expect his acting skills to be so amazing.

Chapter 4033: mrs. ye, let's make up (4)

This year was undoubtedly Kang Qiao's year. The other hot topic in the entertainment industry was King Entertainment's Bai jingxuan.

However, in the same year, Bai jingxuan was poached by ye Mubai, and the good thing was that he could attend teacher Wen's class.

Because of this, Wen Yuan did not talk to President ye for a week. Ye mu Bai had to coax him for a few days before he finally coaxed him.

However, his former little love rival, the little puppy, was now president ye's favorite pet, no, favorite general.

president ye valued bai jingxuan very much and brought him everywhere. wen yuan even felt that bai jingxuan was mrs. ye.

However, she was very clear about the darkness in ye mu Bai's heart.

...

he thought that this way, bai jingxuan wouldn't be able to seduce him and keep his love rival by his side.

however, wen yuan now felt that bai jingxuan was his love rival. what should he do?

She had said this when she was drinking tea with Xu Mo.

xu mo was stunned for a moment, and then he laughed to death.

After more than a month, she had put on some weight. Although she would think a lot from time to time, she was in a much better mood now.

Xu Mo cupped his chin and looked at Wen Yuan. what's your relationship with Bai jingxuan? "

wen yuan rolled his eyes. " he calls me teacher wen, but when he comes to my house, he calls me ye mu bai, qian qian, and mu bai. "

Xu Mo slammed the table and laughed to death. He looked at Wen Yuan. are you inviting a Wolf into your house? "

"probably!" wen yuan held the cup and took a sip of tea. " one day, when I come home and see them lying in the same bed, it's not strange anymore.

Xu Mo smiled brightly, "do you have to be so pessimistic? or do you have to seduce me?" It's definitely more comfortable to do it with a woman than with a man, right?"

Wen Yuan's expression was a little strange. I don't think mu Bai is the dominant one if they are together.

xu mo was stunned and couldn't speak for a long time.

am i right?

wen yuan looked at her and changed the topic. " how are the preparations for next week's charity banquet coming along? "

Oh, " Xu Mo said. it's pretty good. This time, it's really President ye's help, so the venue should be fine.

this was the first charity dinner held by the charity club. originally, xu mo's qualifications were completely insufficient, but there was someone behind him. president ye's power was not enough, and there was still chief ye. chief ye would come that night, so who would dare to not support the work?

this was also the first time xu mo had tasted the feeling of using his power to suppress others, and it was really quite satisfying.

Wen Yuan smiled. that's good. Prepare well and let me know if you need any help.

"I won't be polite," Xu Mo also smiled.

In fact, Wen Yuan had really helped her a lot. She knew in her heart that Wen Yuan had long passed the stage of repaying favors. Wen Yuan really treated her as a family member, so he indulged her in being a good person.

However, she was no longer a good person. They were on a large scale. Although there were many things to do, each of them was very meaningful.

wen yuan parted ways with her and went home directly.

ye mu bai was at home, and xiang nan and ye hui were also there. school only ended at five o'clock.

Bai jingxuan was also there.

the four of them sat on the sofa, looking very harmonious, like a family.

Wen Yuan didn't know why he felt this way. He walked over and said to Bai jingxuan, "You're here?"

xiaobai did not feel uncomfortable at all. "teacher wen, you don't mind if i come over for a free meal, right?"

Wen Yuan chuckled. I don't mind. I'll go up and change my clothes. I'll come down later.

bai jingxuan smiled.

Wen Yuan immediately went upstairs.

Chapter 4034: turning his love rival into his wife's love rival (1)

when he was changing his clothes, wen yuan was a little f*cked.

as she thought about the guests downstairs, she changed out of her outdoor clothes and changed into a set of light home clothes.

well, that's right. bai jingxuan is now a part of the family, so there's no need to be polite, wen yuan thought.

A second person appeared in the mirror.

She glared at him.

ye mu bai hugged her from behind, and his voice was slightly hoarse. ” “Are you angry? Because I’m bringing jingxuan home.”

...

wen yuan looked at his husband in the mirror and grunted. he turned around and gently grabbed his shirt collar.”i’ll probably only get angry when he’s on your bed.”

He grabbed her and took a few steps forward, forcing Wen Yuan to stand in front of the mirror and hold her down.

Wen Yuan bit his lip. ye mu Bai!

he lowered his head and gently pecked her lips, his voice hoarse. I heard that the best way to deal with a love rival is to turn him into your wife’s love rival. It seems to be very effective now.

As he said that, his thin lips moved to her ear bone and his voice became even more hoarse.”wen yuan, are you jealous?”

No. she was furious. he’s becoming more and more perverted.

“wu, if he’s abnormal, then let him watch us do it. that’s abnormal.” President ye said shamelessly.

Wen Yuan glared at him and he chuckled. His body was still against her and he nibbled on her neck for a while. Suddenly, he said, ” “i want to be yingluo.”

Wen Yuan was speechless. He pushed him away and said, ” it’ll be dinner time soon and your mistress is still downstairs.

He laughed. how is she my mistress? isn't she your good student? teacher Wen, you were too cold just now. Bai jingxuan's heart was hurt.

Wen Yuan was speechless. He had done it on purpose. He was too mean.

Although she was angry, she really couldn't do anything to him. She turned her head away angrily."don't bring him home in the future."

"Angry?" He laughed. He had succeeded in loving her in the changing room.

wen yuan was a little absent-minded at first. after all, not every woman would be able to keep up with her husband's lustful behavior. she bit her nails and endured his excessive energy. however, he did not allow her to be in a daze. later on, she became a little crazy.

Wen Yuan could not stand him like this. He grabbed his black hair and said, " "mubai, be gentle."

He slowly nibbled on her lips. " how can i satisfy mrs. ye if i don't use more force? didn't you complain that i brought back a third party? now i'm trying my best to perform. the one i love the most is mrs. ye yingluo. "

Wen Yuan could not make any more sound after that and could only hug him ...

Half an hour later, ye Mubai kissed her neck in satisfaction and tidied her clothes skillfully with his fingers. are you going downstairs to eat? "

wen yuan glared at him, pushed him away, and walked in front.

he sniffed behind her and thought to himself that it seemed like she hadn't had enough. she was still walking normally.

He followed behind her. Wen Yuan had learned ballet when he was young and his walking posture was very elegant. Fortunately, he had not learned it for a long time and her feet were still very beautiful.

Ye mu Bai followed her to the dining room, where the two children and Bai jingxuan were already seated.

xiang nan and ye hui especially liked bai jingxuan because this was an era that looked at looks.

Ye mu Bai and Wen Yuan sat down, and Bai jingxuan said, ” “Teacher Wen, you took quite a long time to change your clothes.”

little ye hui mumbled at the side. ” it’s not long anymore. in the past, it would have been a few hours. the rice would have gotten cold long ago. ”

Chapter 4035: Turning his love rival into his wife’s love rival (2)

Wen Yuan:

ye mu bai,’that’s because your father’s kidneys are good!

xiang nan thought,”there are some things that can’t be said, sister!”

Bai jingxuan looked at ye mu Bai with a faint smile. Ye mu Bai actually smiled and asked, ” “Are you unhappy?”

” a little! ” bai jingxuan said with a faint smile.

wen yuan felt his world view explode.

...

She looked at Bai jingxuan and he looked back at her with a smile.

wen yuan did not feel good about the meal.

after the meal, ye mu bai, who had been satisfied earlier, became a good father. he went to tutor the two children in their homework, while wen yuan sat in the living room and played the zither. bai jingxuan listened to him.

after playing more than ten songs, wen yuan turned to bai jingxuan. ” “what’s your motive for making such a fuss?”

Bai jingxuan smiled. teacher Wen, I’m now an artist under stars. Flattering the boss is one of my jobs, isn’t it? ”

“Since when did you have such a slimy tone?” Wen Yuan glared at him.

bai jingxuan continued to smile. ” teacher wen, why haven’t you thought about it? i actually want to get both? ”

wen yuan was stunned for a moment. then, he could not control himself. he took a music score in front of him and threw it at him.

Bai jingxuan was hit, but he wasn’t angry. He picked it up and said,”i was just joking.”

At this moment, ye mu Bai came down from upstairs. He saw Wen Yuan’s angry face and looked at Bai jingxuan. “What’s wrong?”

bai jingxuan stroked his chin and chuckled. ” teacher Wen is angry. President ye, please comfort her. I’ll take my leave first.

He was finally really angry. He thought that Wen Yuan would be able to hold it in for a long time. It turned out that he liked her so much that he was so repulsed by her.

the deeper you love, the more you blame.

He got up and was about to leave, but ye mu Bai called out to him. “jingxuan, i have something to tell you.”

As he spoke, he looked at his wife and smiled. "Wen Yuan, I'm going to the study with Jingxuan to discuss some things. You go take a shower first. Didn't you say that you were uncomfortable with the stickiness just now?"

Bai Jingxuan felt that President Ye really didn't care about his feelings as a single dog. He even used words like "clingy" and "sticky."

He sighed and went to the study room. President Ye walked to his wife and bent down to kiss her. "Are you happy now?"

"What are you happy about?" she was still angry.

President Ye's voice was especially hoarse. "I'm very happy. My love rival has become your love rival."

As she spoke, she chuckled and went upstairs.

Wen Yuan played the piano in a daze, unable to finish his sentence.

After about half an hour, Bai Jingxuan came down and said goodbye to her.

Wen Yuan was actually feeling a little emotional. He sat there and ignored him.

Bai Jingxuan lowered his eyes, hiding the disappointment in them.

In fact, the fact that he had not changed all this time could only mean that President Ye's methods were good. It could only mean that she had only ever had Ye Mu Bai in her heart and no one else.

Bai Jingxuan smiled and left.

Ye Mu Bai also came down from upstairs and looked at Wen Yuan. "Are you angry again?" "It's just that she's an artiste from Starlight, and she's ranked at the C spot, so how can I not coax her properly?"

President ye was very good at psychological warfare and vented all his anger from the past. He said gently, ” ” besides, she’s only 24 years old. she’s very young. she needs more coaxing, don’t you think so, mrs. ye? ”

Wen Yuan gritted his teeth. He felt that he was too detestable.

President ye carried her and said in a calm voice, ” “alright, why are you angry at a child? i can’t do anything to him, can i?”

By saying that, he meant that he wanted to do something with her. What happened before was just an appetizer.

Chapter 4036: Turning his love rival into his wife’s love rival (3)

“I don’t want to do it.” Wen Yuan was speechless and glared at him.

he carried her to the study, placed her on the sofa, and pressed her shoulders. ” “If you don’t want to do it, let’s look at other things first.”

As he said that, he passed her a document.

wen yuan took a look and was stunned for a moment.

It turned out to be the previous endorsement of love.

The spokesperson was Bai jingxuan.

...

“You guys were talking about this in the study?” Wen Yuan was stunned.

“well, what do you think i would talk to him about? or do you want to hold him in your arms like this?” He reached out and pulled Wen Yuan into his arms, then lowered his head and took a bite.

Wen Yuan was still holding the contract in his hand when he saw that Bai jingxuan was exempted from the endorsement fee.

She was stunned again.

Ye mu Bai smiled. I’ll make up for this. Don’t think that this Wolf Cub doesn’t need money.

for a moment, wen yuan did not know what to say. he felt a little warm in his heart.

She knew that he wasn’t such a kind-hearted person. He was only willing to help Xu Mo because of her. She bit her lower lip, put down the contract, and put her arms around his neck.”Will the new spokesperson come to our house often in the future?”

“if you like, i can ask him to come and accompany the children.” President ye kissed her and bit the tip of her nose. “after all, xiang nan and ye hui both like him, and bai jingxuan is a good person.” This was something President ye was extremely unwilling to admit, but he had to.

He kissed and massaged her on the sofa. He carried her on the sofa and felt that it was not enough, so he simply put his coat on her shoulders and carried her back to the master bedroom to love her completely ...

due to the excessive indulgence, not only did wen yuan sleep late, but even ye mu bai only woke up after ten o’clock.

he knew that wen yuan did not have any lessons this afternoon. hence, he kissed her on the forehead and said, ” ” i’ll get the chauffeur to pick up the child tonight. we’ll go out for dinner, okay? ”

Wen Yuan hummed in acknowledgment. He kissed her forehead a few times and she turned her face away shyly.

Ye mu Bai smiled and reached out to ruffle her hair. I’m going to the office.

Wen Yuan bit his lip and did not make a sound.

He smiled again, leaned over to kiss her on the lips, and murmured, "I've seen it all last night, why are you still shy?"

"Don't say anymore." Wen Yuan hugged his neck and buried his face in his hands.

he chuckled, patted her, and left.

Wen Yuan slept for a while before getting up. He called Xu Mo and told her about Bai jingxuan being the spokesperson. The House of Love was not well-known and the people in the entertainment industry would not be willing to accept it. Even if they were paid, they might not be willing because it would not bring any substantial benefits to popularity.

But with Bai jingxuan, it was different. His image was especially good, and his recent film was nominated for the Oscar for Best Foreign Language Film.

speaking of this, wen yuan was reminded of lu man.

lu man's film won the oscar for best foreign language film, but she didn't get the female lead role. because of this, lu man was quite upset and had to clear her name.

Wen Yuan had seen the film and put aside his personal grudges. He felt that Lu man had overdone it. Moreover, the image presented in the film was only superficial. He really did not know why the judges had given him the award. Of course, she did not tell ye mu Bai about this.

as for lu man, she had not seen her for half a year. she heard that she had returned to the United States.

wen yuan had not seen lu man for a long time. he did not expect to see her so soon.

Chapter 4037: turning his love rival into his wife's love rival (4)

at five o'clock, she took the driver's car to starlight.

The front desk lady naturally knew President ye's wife. She smiled and led her to the elevator. " president ye has a meeting today, but it should be over by now. secretary he is up there. "

wen yuan smiled slightly. the front desk lady's heart felt warm. everyone in starlight liked wen yuan very much because he was not arrogant and was very kind. besides, president ye did not have any scandals in the company. a loving couple would always have many fans.

wen yuan went up.

ye mu bai was in a meeting, so he na served him some fruit tea and snacks. she said softly, " " it's an internal meeting of the corporation. but qianqian and lu man might be joining starlight. "

wen yuan almost spilled the tea in his hand. he then looked at he na."is this mubai's idea or lu man's request?"

...

He na lowered her voice. it's President ye's idea. On one hand, it's because Lu man's contract with her company in the United States Has arrived. On the other hand, star light needs such a capable actress. President ye has been competing with King Entertainment for a long time. If Lu man doesn't sign with star light, she will probably sign with King Entertainment. This is what President ye doesn't want to see.

"i've never heard him mention it," wen man frowned.

he na sighed. " i can guarantee that president ye and miss lu are not being intimate. wen yuan, why don't you trust me this once? "

wen yuan did not speak.

at that moment, ye mu bai pushed the door open and entered. there was someone following behind him, and it was none other than bai jingxuan.

Bai jingxuan retorted in a particularly firm voice, " "i will never create any rumors with lu man."

He finally understood why this black-hearted boss poached him at such a high price. He understood now that the boss wanted to take the blame for him. There were so many beautiful women in the company that were hard to promote, but Lu man?

Ye mu Bai also saw Wen Yuan. He paused for a moment but still turned around and stood up. why not? ”

“because she’s too old!” bai jingxuan replied bluntly.

wen yuan was still tense but secretary he could not help but laugh. he turned to look at wen yuan and said, ” ” what an honest child. lu man has never been despised like this! ”

Wen Yuan glanced at her with a smile in his eyes.

“This is the company’s arrangement,” ye mu Bai said as he looked at Bai jingxuan.

Bai jingxuan immediately walked over to the sofa arm beside Wen Yuan and sat down. He coughed lightly. “then i’ll post on weibo immediately and say that i like president ye and his wife!”

“You little brat, you want to die!” Ye mu Bai patted his back. I’m asking you to stir things up with her. You’re not really in a relationship, and you don’t even need to go to bed with her. What are you so anxious about? ”

bai jingxuan’s beautiful fingers touched his chin.”I’ve said it before, she’s too old.”

What a black-hearted boss. Sometimes, he really thought that he was president ye’s precious little baby. He would turn against him mercilessly. Really, the one sleeping was the precious little baby.

Bai jingxuan finally realized that he had been tricked.

“i want a change of player,” he said as he curled his finger.

“Xiao Bai, who do you want to replace?” Wen Yuan looked at him.

“xu mo,” “Although Xu Mo is as old as her, he’s much more interesting,” Bai jingxuan said with an evil smile.

Ye mu Bai was speechless. Xu Mo was an interesting person. He could provoke Kang Qiao, right?

He looked at Wen Yuan and thought, ‘the boy you’ve provoked is really a treasure!’

wen yuan pretended to be dead. he had not explained to her about lu man’s matter!

Ye mu Bai agreed. alright, Xu Mo it is. I’ll arrange for Xu Mo to participate in the reality show with you.

Of course, there was also Lu man and Kang Qiao.

these few people, they can stir things up ...

besides, president ye has really disliked kang qiao for a long time.

Chapter 4038: Mrs. Ye who ran away from home (1)

After Bai jingxuan left, ye mu Bai sat down beside Wen Yuan and rubbed her hand. “Are you angry?”

“What do you think?” Wen Yuan asked softly.

She paused for a moment. ye mu Bai, do you think that I’m a soft persimmon that you can pinch as you please? yes, you’re doing this for starlight, but where do you put me?”

her principle was not that secretary he could just tell her not to be ambiguous.

Ye mu Bai furrowed his brows. she’s just an artiste under my company. We don’t meet her or do anything.

Wen Yuan did not say a word. He took his bag and walked out. I don't want to argue with you. You can do as you see fit!

...

"Wen Yuan!" Ye mu Bai called out to her.

"I'm not eating," she said without turning her head.

After she left, Secretary he looked at ye mu Bai with a troubled expression. "President ye, aren't we going to chase after them?"

Ye mu Bai looked at her and said, "Is there any use in chasing after them?"

lu man would definitely be able to absorb the starlight. wen yuan was angry, so she could slowly coax him.

however, he did not expect that wen yuan would not go home that night. instead, she had gone to bai suili for a drink.

although bai suili was his sister-in-law, she had been tamed like a puppy ever since she got together with the ye family's eldest son. she looked at wen yuan pitifully and said, "xiao bai, that won't happen. that lu manyao is a thing of the past. you don't know how fierce the competition in the entertainment industry is."

"Yeah! The competition is intense." "What if Lu man comes to my house?" Wen Yuan mumbled.

"shirley," she said in a softer voice, "i have a feeling that lu man is ambitious."

Bai suili did not know what to say. Wen Yuan seemed to be a little too guarded, but as a woman, no one could tolerate it. She had treated the female lawyer the same way back then. In short, she could not tolerate it.

"what should we do then?" she asked softly.

Wen Yuan was a little drunk and his eyebrows were dyed with a little flirtatious. She flipped her hair and said, "I'm moving out."

Ah, little white was stunned.

Wen Yuan did as he said. He did not go back that night. Instead, he booked a Presidential Suite at the Four Seasons Hotel. He even charged 58000 Yuan for a night for a week. He felt the pain for President ye.

Late at night, Wen Yuan was lying in the hotel suite alone. She had drunk a little too much. In the end, Bai Sulli asked ye Mulin to send her back to the hotel.

Her phone was turned off, and she didn't want to bother about it, so she just fell asleep.

She was a little tired. All these years, because she missed Nan's health and because she had given birth to ye Hui, she had not had a good rest. This time, she let go of everything and let him do whatever he wanted.

On the other side, ye Mulin was driving the car with Bai Sulli sitting beside him.

The rice worm asked her man uneasily, "we're really leaving Wen Yuan in the hotel. Is it okay?"

"there are bad people in the hotel?" Ye Mulin smiled. I've called Mubai. He knows that Wen Yuan will go there. Will it be inconvenient for you to go there?"

bai xiuli leaned over and asked, "what's not convenient?"

mr. ye glanced at her while driving. "I'm driving!"

Oh," she said and sat down.

he continued to drive and arrived home about half an hour later. he carried her out of the car.

“An ‘an will laugh if she sees this,” Bai Sulli said, pouting.

“she’s asleep.” bureau chief ye carried his little wife into the elevator and lowered his head to bite her lips. he muttered, ” “she’s sleeping with auntie tonight.”

The rice weevil’s face turned red.

Her face was burning hot. She bit her lips and hooked her arms around his neck.”you’re too evil.”

Chapter 4039: Mrs. Ye who ran away from home (2)

I went overseas for a week. Don’t you miss me? ” “You heartless little thing,” he said as he bit the tip of her nose.

He opened the door and gently carried her to the master bedroom, placing her on the soft bed.

He bent over and supported his body with one hand, kissing her and murmuring, ” “Do you want to take a shower or do it first?”

In fact, she wanted to do it after he was away for a week. She took the initiative to hug his waist and said, ” let’s do it first.

ye mulin smiled and covered her body with his. he kissed her fiercely and indulged himself in the sea of desire.

After one time, she stared at him with her eyes wide open.”ye mu lin!”

...

He laughed,”what’s wrong? are you feeling uncomfortable?”

It wasn’t him at all. He had said it once, but it happened three times in a row. He was really inhumane.

“Mrs. Ye, I’ve been hungry for too long.” He was still reluctant to leave and nibbled on her soft lips.
” Let’s take a bath together. Didn’t you say you bought new bath salt last time? ”

His house’s little rice weevil looked at him eagerly, his gaze making one’s hair stand on end.

He would definitely come up with other bad ideas!

He was too evil.

Ye Mulin carried her to the bathroom and said in a hoarse voice, ” “Absence makes the heart grow fonder, why are you still not used to it!”

For the entire night, the rice worm cried bitterly. Get used to my foot, she would never get used to such high-intensity exercise.

The reports about the cold and abstinent Chief Ye were simply a lecher and a Wolf.

Boohoo, tell him to go overseas every day and never come back!

The place was bustling with activity, while Ye Mu Bai sat alone in the villa. He looked a little gloomy.

He looked at his phone. He had called Wen Yuan more than ten times, but her phone was always turned off.

He knew where she was, that she was asleep, and that she was planning to live outside.

She didn’t even want the child and just left.

Was Lu Man that important? He had never felt that Lu Man would affect his life. In fact, just as Wen Yuan had thought, Lu Man would not affect the future of Starlight.

He signed Lu Man only to create momentum and fight for resources. Starlight Entertainment and KING Entertainment were in a fierce competition, and he did not want Lu Man to be a dividing line.

Wen Yuan did not agree to it. He did not expect that he would run away from home.

He sat for most of the night and finally went out at dawn. Before he left, he settled Xiang Nan and ye Hui.

last night, the two little guys had asked him why his mother wasn't coming back, and he had said that his mother was playing outside.

Ye mu Bai drove all the way to the Four Seasons Hotel. When the car stopped, he was a little amused and angry at the same time. Did she only come to this place every time she ran away from home?

he got out of the car and walked to the front desk of the hotel.

the front desk lady immediately recognized him."Hello, President ye. Are you looking for a room or someone?"

ye mu bai clenched his fist. " my wife lives here. i'm looking for her. her name is wen yuan. "

The front desk lady was stunned for a moment, and then she realized, " The movie King was also a mortal. The couple even quarreled, and his wife even ran out.

The lady at the front desk checked and smiled. it's a guest in the Presidential Suite. President ye, do you want to go up by yourself or do you want us to get another room card? "

"get another room card!" He said that it was because Wen Yuan might not open the door for him and he did not want to wake her up.

the lady at the front desk immediately handed him the card.

Ye Mubai nodded and entered the elevator to the Presidential Suite on the top floor.

He opened the door. The room was dark, and only the bathroom light was on. There was a faint smell of alcohol in the air. He frowned. Did she sleep without washing up last night?

Chapter 4040: Mrs. Ye who ran away from home (3)

he got the answer after passing through the living room.

Wen Yuan was lying on the soft bed, his face buried in the pillow, fast asleep.

He sighed and sat down. He reached out and lifted her hair. Her breath was tipsy.

how much did she drink last night to get like this?

he ran his fingers through her black hair, not wanting to wake her up. however, the strange feeling still woke wen yuan up.

She blinked her eyes and realized that she was lying in an unfamiliar environment. She should be in a hotel.

...

She looked up and met ye mu Bai's gaze.

His expression was a little indifferent, "you're going to run away from home again just because of this?" wen yuan, you're not a child anymore. there's no right or wrong in the adult world. the past is not that important, what's important is the future."

his voice became hoarse and his tone became indulgent, " " we're in the past, and i've never really liked her. i don't care about her now, okay? "

as wen yuan listened, he buried his face in the pillow. after a long time, he said, " "then do you care about me? if you cared, i wouldn't have considered introducing lu man to starlight. a year ago, you asked her to be the female lead and a year later, you let her come to starlight. ye mu bai, i know that you don't care about her, but you definitely don't care about me enough. you said you don't want me to show my face in public, but i'm at home. i only teach to innocent children, i don't take

commercial appearances, and i don't think about fame and fortune because these are the sacrifices i'm willing to make for my family as a woman."

"wen yuan, do you think this is a sacrifice?" he asked coldly.

"isn't it?" She sat up. Her head was still hurting, and the makeup on her face was a little messy.

But she didn't care about that.

She only felt disappointed.

When he was expanding his career, did he ever consider her feelings as his wife?

Wen Yuan did not know and did not want to know. She just wanted to calm down.

"i'll move out. let's think about whether we should continue our marriage!" she said in a low voice.

Ye mu Bai was a little stunned. After a long time, he muttered, "you want to live separately?"

she said, "i will look for a house. ye mubai, if lu man enters starlight entertainment, then marriage to me will be a matter of endurance. i don't want to continue to endure. "

"be patient." "Wen Yuan, do you think that I'm a bastard who has an ambiguous relationship with a woman?" ye mu Bai laughed instead of getting angry.

"you know, " he said, standing up, " you don't have to consider your feelings when running a company. you have to consider the big picture. "

"so, you and i are not suitable for each other." wen yuan looked up.

He glared at her, his eyes somewhat aghast.

he stared at her for a long time and smiled bitterly. ” ” wen yuan, you’re heartless. you know very well how i’ve treated you. we can discuss the best outcome for lu man’s matter but don’t you think it’s a little too much to live separately? ”

“what else should i do? divorce?” wen yuan said calmly.

He stared at her as if he didn’t know her.

“wen yuan, what is marriage to you?” he asked after a long while.

“It’s very sacred.” she looked at him and said, “it’s the thing i value the most, but you’ve crossed the line again and again.” ye mu bai, it’s not that i can’t tolerate lu man, but you’ve never given me a sense of security. if you also think that we’re not suitable for each other, then let’s get a divorce.”

She had said it so easily.
