

Thank you 4051

Chapter 4051: Ye mu Bai, where's your face?

ye mu bai's old face darkened.

ye xiangnan continued to look at his father."Daddy is a boy too. A boy should sleep by himself."

president ye seemed to see his wife smiling. he glared at her and then patiently said to his son, " " daddy is a man. he's different from boys. a man who has a wife naturally has to sleep with his wife. otherwise, how could he have given birth to you and ye hui? "

he had thought that his son would stop at this point, but thinking that nan zhizhi was like him, he drew inferences from it. " " so you're saying that if daddy continues to sleep with mommy, he will always be able to give birth to little miss nan ye hui? "

Xiang Nan made an analogy.

President ye thought that there was nothing wrong with what he said, so he nodded. "in theory, there is nothing wrong with this."

...

Xiang Nan once again drew inferences from this one fact: " that means that if we don't sleep together, there won't be little Xiang Nan and little ye Hui? "

"yes, i do." president ye frowned.

Ye xiangnan quickly made a decision."So, dad, you and mom shouldn't sleep together. We have two children already."

president ye,"hey, you can use protection. you can use birth control!"

However, it was still too early to say that to a child.

he touched his nose and looked at his wife.

wen yuan held back his laughter. ah, that's right. xiangnan was very much like him!

ye mu bai looked at her again, finished his meal, and carried little xiangnan upstairs to ... educate him.

Wen Yuan and little ye Hui were sleeping. She washed little ye Hui clean and her small body was soaking in the pink bathtub. She looked especially cute with her big head and small body.

the bathtub was custom-made from disney. a small bathtub cost hundreds of thousands of yuan. everything in the nursery was specially designed for ye hui by ye mu. wen yuan knew that he did this because he wanted to love this child well. he did not want her to grow up to think that she was born to save xiangnan and that she was loved.

It was probably because he had given the children so much love that she was reluctant to give up on him.

Little ye Hui was already three years old. Her ear-length hair stuck to her cheeks. She held the bubbles and blew them little by little. She was extremely happy.

wen yuan stayed by her side.

little night hui tilted her little head and said in a very, very soft voice, " Mama, are you going to live outside in the future? can brother Nan and ye Hui live with you? "

wen yuan smiled and said, " you can spend monday and friday with dad. on the weekend, we'll spend it with the whole family, okay? "

"Not good!" Little Night Hui said firmly. Her little face was tensed and she was unusually determined.

Wen Yuan was stunned for a moment before he looked at little ye Hui, " "Why?"

little ye hui's body was completely wet. she climbed out of the pink bathtub and into her mother's arms. her two chubby little hands hugged her mother's waist and she raised her little face pitifully, "because I want to be with my mother. I want to be with my mother from Monday to Friday and the whole family on the weekends.

wen yuan laughed and reached out to pinch her little face. " "It'll be hard on mommy."

"Baby, be good." Little Night Hui acted coquettishly and rubbed against Wen Yuan's arms, crying and crying.

Wen Yuan's heart was unbelievably soft. However, she still had to discuss it with ye mu Bai later.

She consoled little ye Hui for a while and finished bathing the little fellow. Then, she carried her back to the bedroom and helped her put on her little sleeping robe. She smelled nice and was very cute.

Wen Yuan also took a shower and returned to his bedroom.

Chapter 4052: ye mu bai, where's your face?

Little ye Hui rolled around on the princess bed and went to sleep with her mother.

as wen yuan lay down, the little one immediately cuddled over and rubbed against her chest, groaning and whining. wen yuan had no choice but to let her little chubby hands unbutton his pajamas.

It was a little painful. She lowered her head and wanted to tell ye Hui, but when she saw the little fellow's busy look, she swallowed it and lay down.

president ye was standing at the door.

He looked at everything in front of him with a deep gaze. Wen Yuan did not see him and did not know that he had been seen completely.

Ye mu Bai only walked over after ye Hui had fallen asleep. He bent over and muttered, ” “She’s already so big, why are you still letting her eat?”

...

Wen Yuan was shocked. Then, he saw that it was him. you scared me.

She wanted to get up, but the little guy was pressing down on her, so she couldn’t move for a while. If she moved, she would wake the little guy up.

Ye mu Bai reached over and moved little ye Hui’s little hand away. Then, he carried her to the side and placed her down carefully. After that, he carried the child’s mother away, Yingluo.

Wen Yuan wrapped his arms around his neck and lowered his voice.”I promised ye Hui that I would sleep with her.”

“you’ve already slept just now,” he lowered his head and rubbed her nose affectionately. wen yuan wanted to move away but he did not let him.

“Wen Yuan,” He lowered his head and did the same thing as ye Hui.

Wen Yuan could not stand him like this and was afraid that the servants would come over in the corridor. He grabbed his hair and said in a very low voice, ” “People will see us. are you crazy?”

he chuckled and continued to kiss her, his voice hoarse. ” the servants are all asleep, and they won’t come to the second floor easily. besides, the people in the house are all old, so they won’t be rude. ”

wen yuan’s hand slid to his neck and he reached out to touch his neck. ” you have to be more careful, qianqian. you’re not at home every day and i have to face them. ”

He lowered his head and chuckled,’aren’t you moving out? I might as well be a little louder tonight, since I’m the one who’s going to face them in the future anyway, hmm?”

he kicked open the door to the master bedroom and carried her in. he kissed her as she fell onto the soft bed.

Wen Yuan bit him on the neck. if you continue to be like this, I'll really run away from home.

He chuckled and searched for her lips for a hungry kiss, then murmured, "you can't bear to. if you really run away, where else can you find a man like me who can satisfy you?"

As he spoke, he started to whip her for real. He kissed the corner of her lips again and again. am I, huh? "

Wen Yuan seemed to have recalled something. He looked at his face that was covered in clear Jade and bit his lower lip."Ye Hui wants to stay at my place."

ye mu bai frowned. " what do you say? "

wen yuan resisted the urge to bite the pillow. the corners of his eyes were wet. he turned his face to the side and panted, " "That's why I'm asking you."

He pressed against her and whispered in her ear, " "it's too hard on you. after all, there are people at home taking care of the family matters."

Wen Yuan bit his lip and replied,"it won't be too hard!" I used to do this too, but when I was too busy, you had to help take care of me. "

He pulled her up and held her in his arms. He snorted at Wen Yuan and bit his shoulder. After a long time, he said, " "what do you say?"

"What about our married life?" he asked. do we have to add another day on wednesday?"

in fact, he could tell that wen yuan wanted to take the children out, but he was worried that she would be too tired.

Chapter 4053: Ye mu Bai, where's your face?

after one round, ye mu bai lay down at the side and calmed down for a while. he looked at her again. " we'll have another round of intimate activities on wednesday. otherwise, there's no room for discussion. "

Wen Yuan:

in the end, the matter seemed to have been settled. wen yuan did not know why he insisted on moving out.

They only lived apart for four days a week. How could that be called living separately?

however, ye mu bai had another thought in his heart ...

if they lived in a smaller place and he got off work earlier, their families would be closer and the quality of their marriage would be higher.

...

He wanted to give Wen Yuan a better life. In the past, he had thought that it was materialistic. However, Wen Yuan did not seem to care much about these things. In that case, he wanted to give her a lot of love and warmth.

ye mu bai calmed down for a while before he pulled her into his arms and kissed her again. wen yuan misunderstood and thought that he was going to come again, so he reached out and pushed him."you've had enough, i don't have the energy to keep you company."

He raised his eyebrows and smiled. I just want to kiss you. But if Mrs. Ye still wants it, I can accompany you.

Wen Yuan,"I don't want to talk."

president ye laughed lightly, held her in his arms, lowered his head, and licked and kissed her, like an animal trying to lick off a layer of her skin.

“Sleep, stop fooling around.” Wen Yuan could not take it anymore.

“I wonder where he got the energy from at his age,” she mumbled again.

He hugged her from behind. I’ve been hungry for a few days. Can’t I eat my fill with meat? ”

She turned around and hugged his waist. time to sleep! i’m tired.”

she wrinkled her nose again. ” it still hurts a little. ”

ye mu bai’s hand, which was originally on her shoulder, was put down. he sighed.”Alright, go to sleep.”

it was a busy day the next day. after sending the child off, wen yuan drove to his new apartment.

The apartment was not the one she had found before. Because she missed Nan and ye Hui, she had changed to a 200 square meter apartment. At first, mu Bai said it was small, but she said it was enough, so he forced himself to stay.

the furniture and household items were all available. it was very warm and the decorations were tasteful. wen yuan liked it very much.

She went to the supermarket to buy some ingredients and put them in the refrigerator. She also bought a few flowers and put them everywhere. Just looking at them made her feel particularly happy.

she had casually made some food for lunch, but she didn’t expect ye mu bai to come before she had even eaten.

She opened the door and was surprised. why are you here? ”

“didn’t we agree to come over?” He had two boxes in his hands, one big and one small. I went back home and packed some for you and the children. It should be enough for a week.

wen yuan took it from her. " have you eaten? "

He smelled paella. 'Did you make this?'

yes, " she said. I've made a little too much, enough for two people. Do you want it? "

"of course." Ye mu Bai took off his coat and threw it on the sofa. He sat at the dining table and did not forget to ask, " "if i didn't come, who were you planning to give the extra portion to?"

Wen Yuan looked at him and said slowly,"if no one wants to eat it, then feed it to the dogs!" &Nbsp;

As soon as she finished, he pinched her face hard. "Wow, you dare to call me a dog!"

"i didn't say anything. you're the one who made the connection." wen yuan snorted. " ye mu bai, are you going to eat it or not? if you don't, i'll really feed it to the dogs! "

Ye mu Bai stared at her and suddenly smiled evilly. He gritted his snow-white teeth."Sure, big brother will feed you something later."

Chapter 4054: do i look very kind?(1)

he suddenly felt that it was a good idea to move out. this place was close to his company, and it would only take ten minutes to get there by car at noon. at noon, she would be alone at home without any servants to help her.

It was the best place to commit a crime!

After ye mu Bai finished speaking, Wen Yuan glared at him. ye mu Bai, if you continue to be like this, you don't have to come here anymore.

he reached out and pinched her small face. " if i don't come, who will satisfy you, hmm? "

“Don’t touch me,” Wen Yuan slapped his hand away.

ye mu bai smiled and started to eat.

...

Seeing that he seemed to be fine, Wen Yuan also lowered his head and started eating.

“Come with me to the charity banquet tomorrow night,” ye mu Bai said in a low voice when they were almost done eating.

” ah! ” wen yuan exclaimed. only then did he remember and she nodded in agreement.

Ye mu Bai wiped his lower lip, and his gaze quietly fell on her face. It was quite horrifying.

Wen Yuan looked up. His voice was a little hoarse. shall we take an afternoon nap together? ”

Wen Yuan did not fall for it. He said softly, ” “I’ll clean up.”

However, ye mu Bai had already lifted her up and was walking toward the master bedroom. we’ll be living separately from now on. Don’t you think we should make up for the rest? ”

Wen Yuan was speechless at his shamelessness.

Ye mu Bai went to work in satisfaction. He even met a dozen reporters downstairs, and they surrounded him like sharks that had smelled blood ...

President ye, I heard that you and Madam are living separately. What’s going on? ”

[president ye, will you and lu man rekindle your old feelings?]

[President ye,] heard that the woman you love the most is miss Lu. Can you reveal it to us?]

ye mu bai opened the car door, but he paused for a moment and turned around. " my wife and I did move, but because this place is closer to our child's school, my wife and I continued to live together. As for the woman I love the most, of course, the woman I love the most in my life is my wife, the mother of my child. Who else could it be? "

president ye said as he got into the car.

He was very tall. After he sat down, all the reporters noticed that there was a fresh strawberry on President ye's neck. It was quite ambiguous.

the reporters aimed at them and snapped away.

ye mu bai left.

Wen Yuan also had classes in the afternoon. He finished his class in less than half an hour and the reporters took photos of him again.

then, he came to a conclusion-mr. and mrs. ye were as loving as ever and had a baby at noon!

in the afternoon, this title became popular on all the websites and even caused weibo to crash. the main reason was that the hickey on ye mu bai's neck when he was sitting in the car was too tempting.

with this kind of speculation, starlight's stock also rose all the way to its limit.

At night, the number one trending topic on Weibo was #How much ye mu Bai's kiss mark was worth. It had been a hot topic for a long time, and people didn't know whether to laugh or cry. Fortunately, they were finally free from the influence of Lu man.

Just as ye mu Bai had said, King Entertainment did not sign a contract with her. Lu man had violated the biggest taboo in the industry. If she continued to be so Foxy, she would be banned by the director's wife.

Although Lu man's acting skills were good, she only acted in literary films. Commercial films were not good. Starlight entertainment and King Entertainment were the same. They wanted people who had both acting skills and popularity. Moreover, Lu man was old and could not do variety shows.

when she found out that KING entertainment had rejected her as well, she was dumbfounded. in the end, she broke a lot of things and locked herself at home for the whole day.

At the charity dinner the next day, Wen Yuan appeared holding ye mu Bai's arm. It was considered to have dispelled the rumors of divorce and separation. Actually, in the entertainment industry, what was the big deal about sleeping before marriage?

Chapter 4055: Do I look very kind? 2

lu man appeared as well. she made herself look especially devastatingly beautiful. she was dressed in a silver evening gown that outlined her delicate curves, just like a goddess. she wanted to let ye mu bai know that she was more beautiful and outstanding than wen yuan.

However, this was not how men looked at women. Lu man looked too tense and was not as friendly as Wen Yuan. She was only wearing a white Chanelle top and pants. Her hair was tied up casually and she looked young and friendly. She looked especially compatible with ye mu Bai.

this time, lu man had lost.

when a man married a woman, he usually said that he wanted a wife, not a celebrity.

their beautiful skin was almost the same, the only difference was how thick the powder on their faces was.

lu man's face was covered in a thick layer of powder.

...

Wen Yuan's face, on the other hand, was clean.

Lu man was competing on the red carpet, but she didn't know that the winner had already been decided.

ye mu bai did not even look at her from the beginning to the end. there was only wen yuan in his eyes.

When the banquet started, Xu Mo squeezed to Wen Yuan's side and asked in a low voice, " " i heard that lu man is in a bad state now. "

Wen Yuan smiled. she's rich and beautiful. Why would she be miserable? "

Xu Mo leaned over and whispered, " I just heard that King Entertainment rejected her too. She played her cards so badly. I really don't know what she's thinking!

wen yuan did not say anything. he just smiled.

Xu Mo was very worried, so he came over and whispered,"You won't be soft-hearted again, will you?"

"Why would I?" Wen Yuan took a glass of red wine and handed one to Xu Mo, " "Do you think I'm such a kind person?"

xu mo looked at her face and studied it for a long time before spitting out a few words, " "Looks like he's a lot more devious."

Wen Yuan reached out and pushed her,"stop it!" You're the one who's called a profiteer!"

The House of Love was windless and limitless tonight, and they were also very rich. They just had to wait for the donation segment later.

as wen yuan and xu mo were talking, the emcee in front suddenly called out, " "We would like to invite House of Love's principal, miss Xu, and our spokesperson, Bai jingxuan, to speak."

The host's voice became even more enthusiastic. the two of you are still wearing a couple's outfit today. Please welcome Bai jingxuan and miss Xu Mo.

bai jingxuan looked at xu mo and gentlemanly reached out his hand. xu mo naturally took it and went on stage with him.

As the hospital director, Xu Mo naturally spoke first. She was also from the entertainment industry, so she was not afraid. She expressed her gratitude and then played some public service short films. The celebrities present did not make a sound and just watched quietly.

Xu Mo explained softly, " my dream is very simple. I just want everyone in B city to have a home. When every homeless person is tired, they can find a place to rest. It's the same for our animals. One day, we don't have to see frozen dogs and cats on the road. My dream is very simple, but I need money. I'm a tacky person and what I do is tacky. I'm not that noble, but I'm happy to see them have a safe and warm place.

there was a round of applause from the audience, and xu mo's eyes were moist.

Bai jingxuan placed his hand on her shoulder and gently hugged her.

this was a very kind gesture, and because of xu mo's kindness, he liked xu mo's character. he felt that she was living a very comfortable life. bai jingxuan's thoughts were different from others. he didn't think that xu mo was tired. on the contrary, he felt that xu mo's life was up to him to decide, and it was very exciting.

so what if he gave everything, so what if he lost everything in the end? such a girl was worth a good man giving everything for her.

Chapter 4056: do i look very kind?(3)

kang qiao and ruan yun arrived just as bai jingxuan was hugging xu mo.

Kang Qiao came out of a program and immediately saw Xu Mo and Bai jingxuan on the stage. He also saw Bai jingxuan's claw.

he narrowed his eyes and stared at the claw.

xu mo's eyes met his, and the corner of his mouth twitched, but he still interacted with bai jingxuan on stage. bai jingxuan's expression was a little playful.

It seemed that some people were jealous.

On the stage, Bai jingxuan suddenly said, " I know that there are many famous people who have voluntarily donated money tonight. However, before the official announcement, our principal Xu has something to auction. It's her way of thanking everyone for supporting family of love.

...

it was obviously blood-sucking, but only bai jingxuan could say it in such a fresh and refined way.

Xu Mo was stunned, when did she say she was going to donate?

the most valuable thing on her was a pair of ear studs, which were only worth a few thousand yuan. how could they be auctioned?

bai jingxuan smiled. " the highest bidder can dance with our miss xu mo. the starting price is one million. "

In fact, dancing was not the most important thing. It was necessary to be in the limelight. The scale of tonight's event was quite big, so there were still people willing to dance with Princess Taiping.

Wen Yuan, who was beside ye mu Bai, said softly, " "you can take a picture of it later."

"you want me to dance with another woman?" ye mu bai was a little speechless.

"take a picture and i'll dance with her." Wen Yuan said without thinking. He then leaned on his shoulder, " "ye mu bai, don't even think about it. even xu mo can't."

President ye kissed her. Mrs. Ye, what you said is what I wanted to say too. That's all, okay? "

wen yuan teased.

while they were talking, bai jingxuan had already raised the bid to two million. he looked at kang qiao with a very provocative look.

The cute little dog was up against the old cured meat!

the atmosphere suddenly became tense and ambiguous. even xu mo didn't know that he had suddenly become a hot and popular person.

"When did I become so popular?" she asked Bai jingxuan in a low voice.

bai jingxuan smiled charmingly at the banquet hall below and whispered to her, " what fragrant buns? you think too highly of yourself. It's just two pancakes. You didn't expect them to be so valuable, did you? one million each.

xu mo almost wanted to strangle him to death!

your mouth is really poisonous. You should brush it with toilet cleaner. Introduce the brand of your supermarket. 5.50 yuan for a bottle, and I'll give you a brush. She also gritted her teeth in a low voice.

"No need, just use your tongue," Bai jingxuan replied with a proud smile.

Xu Mo glared at him.

however, her fierce eyes seemed to be flirting. when bai jingxuan met kang qiao's eyes, he deliberately grabbed xu mo's hand.

kang qiao raised his hand,"three million."

ruan yun whispered. " you're crazy. there were already rumors about you and her. do you still want to get yourself into trouble? "

Kang Qiao ignored her.

“five million,” bai jingxuan replied with a smile.

“kang qiao will lose 1000 hp today,” he said to xu mo.

For famous people to attend such a banquet, donating one or two million was enough, but this dance wasn't easy. Hug, hug. He bet that Kang Qiao wouldn't bear to let Xu Mo accompany another man.

“six million,” kang qiao immediately said.

ruan yun's voice was filled with shock. ” are you crazy? money is nothing. do you not want your future? ”

Kang Qiao didn't seem to hear him. After Bai jingxuan reported another set of numbers, he quietly said ten million.

Chapter 4057: I look very kind?(4)

The scene was in an uproar.

Even a blind person could tell that Kang Qiao was interested in Xu Mo.

Now, everyone's eyes were on them. Lu man wanted to be in the limelight, but seeing that she was not even as glorious as a Luhua chicken, she left in low spirits.

Wen Yuan did notice it, but she pretended not to see it.

As for Kang Qiao, after he bid, everyone gave up. Only Bai jingxuan would not let him go, and he calmly said 15 million.

“20 million.” kang qiao said.

...

“25 million.” The cute little puppy smiled.

“Thirty million.” The old man didn’t hesitate either.

The cute little puppy shrugged his shoulders. forty-nine million. Plus a kiss.

50 million, are you going to call or not? Otherwise, I’ll have to ask Xu Mo to wash my teeth.

Kang Qiao knew Bai jingxuan’s plan, but he still did it without hesitation. 50 million.

Xu Mo was startled.

she looked at kang qiao for a long time without saying anything.

Bai jingxuan smiled. it seems like I can only go to the supermarket myself. Buy one get one free.

xu mo looked at him.

He was still smiling. Xu Mo, it’s not a problem to escape. Face it head-on. You’ll find that it’s actually nothing!

“all the best, pancake aunty!” he leaned forward and whispered.

Xu Mo almost glared at him to death.

Before Bai jingxuan left, he gave her a kiss on the cheek.

Being kissed by such a cute little puppy in broad daylight, even if Xu Mo thought that he was being cold, he was resurrected with full health and was rapidly losing health.

However, she soon fell into another warm embrace.

it was kang qiao.

Bai jingxuan stood to the side, still smiling, but there was no smile in his eyes.

xu mo suddenly realized that she didn't understand bai jingxuan at all. she just let kang qiao hug her and dance.

"Xu Mo, Bai jingxuan isn't someone you can mess with," Kang Qiao lowered his voice.

Xu Mo looked at him.

one of kang qiao's arms wrapped around her waist. this wasn't a standard dance posture. it was rude, rude, and possessive. it was the first time he acted like this outside.

"bai jingxuan's family background isn't something you can marry into." "Promise me, stay away from him," Kang Qiao muttered.

Xu Mo froze for a moment and then looked at Bai jingxuan.

He was looking at her.

After that, Kang Qiao kissed her.

But as soon as his lips touched her, Xu Mo pushed him away.

the atmosphere was a little ambiguous and subtle. everyone saw that kang qiao had been rejected. in addition to the scandal between the male and female leads, people couldn't help but watch the show.

Ruan Yun had already left in anger.

“Did Kang Qiao take things too hard?” Wen Yuan hugged ye mu Bai’s arm.

on such an occasion, it was a clear indication that he liked xu mo. otherwise, it would be crazy to spend 50 million on a dance!

Ye mu Bai smiled. he’s not crazy. He’s just agitated. It’s the same as what I did back then.

He paused for a moment. older men are most afraid of young love rivals. You can’t win against them!

Wen Yuan gave him a strange look.

president ye gave her a smile.

On the stage, Xu Mo said lightly, ” Kang Qiao, you don’t have to give me the 50 million. I don’t want to sacrifice myself for this money. I’m not that kind.

he had been rejected!

Under so many gazes, it was just as Xu Mo had said, she wasn’t selling.

Bai jingxuan pulled her back and trapped her in his arms. Before she could resist, his kisses came down on her. buy one get one free service. Five Yuan for a fully automatic brush.

Chapter 4058: Jealous, fight!1

xu mo was stunned for a moment before bai jingxuan kissed him.

To be honest, his kissing skills were really good. There were no blind spots in all aspects, and his kissing style was beautiful, making Xu Mo feel like he was the female lead.

She was so embarrassed that she was floating!

just as xu mo was floating away, a strong arm pulled her away and punched.

Kang Qiao, the Prince of the violin in the music industry, the always gentle and humble Kang Qiao, actually got jealous over a woman and fought with her. Oh, he even offered 50 million to win a kiss.

F * ck, this was too explosive.

...

This was the battle between King Entertainment and Starlight entertainment. This was a battle between male animals for female animals. This was a battle of fists sticking to flesh.

in an instant, all the cameras were focused on them. there was no need to go on weibo, as the moments in B city were flooded.

at the scene, kang qiao and bai jingxuan didn't get any advantage. they were both injured, but both sides didn't hit each other in the face.

when the security guards pulled them apart, bai jingxuan reached out and pulled xu mo over. "leave him. he's not the last one."

Kang Qiao's eyes were cold. He didn't care that his dress was crumpled. He looked straight at Bai jingxuan."Are you that person?"

"as long as she agrees, i can marry her now. can you do it?" the corners of bai jingxuan's mouth lifted slightly, so good-looking that it caused a wave of screams from the women present.

"is she willing to marry?" kang qiao squinted.

Bai jingxuan looked at Xu Mo.

Xu Mo had already calmed down and her voice was especially soft."bai jingxuan, thank you. i know you did it for me."

“I won’t choose anyone,” she said, shaking her head.

She looked at him and then at Kang Qiao, ” thank you for coming to the dinner party.

She then turned around and left.

the way she left was beautiful, without any reluctance.

Bai jingxuan looked at her back, then slowly turned back to look at Kang Qiao. “If you can’t give up everything for her, then stay away from her. Xu Mo is a very good girl. Kang Qiao, you really don’t deserve her.”

“bai jingxuan, i thought you were really willing to let go of everything,” kang qiao sneered.

“If I love her, I will.” you’re in love with her, ” Bai jingxuan said, looking at him. do you dare? ”

He picked up his coat, slung it over his shoulder, and walked out in a natural yet embarrassing manner.

that night, kang qiao and bai jingxuan flooded weibo with searches. they had almost 300 million views and 120000 discussions, refreshing the season’s topic. the previous topic was about a certain star cheating.

Of course, in the end, the enthusiastic yet unlucky fans actually formed the Kang and Bai couple, hoping that Kang Qiao and Bai jingxuan would be together!

qin mo and ye mu bai stood together. they raised their glasses and touched them lightly. it was as if they did not care about this ridiculous scene.

“president ye, is this considered a win-win situation?” qin mo chuckled.

ye mu bai laughed as well,”bai jingxuan is a male artiste who knows how to create hype. he usually doesn’t need a team.”

“Character setting?” Qin mo nodded in understanding.

ye mu bai shook his head. ” he doesn’t have a public persona. the best public persona he has is himself. he can do whatever he wants and do whatever he doesn’t like. he’s very willful, but i like it very much. ”

Qin Mo’s gaze landed on Wen Yuan who was not far away. After a while, he smiled again. yes, I hope Mrs. Ye likes it too.

Ye mu Bai,

After Qin mo finished speaking, he was about to leave. President ye was not jealous and smiled. “it’s better than your wife running away.”

Chapter 4059: Jealous, fight!2

“Who said that my wife ran away?” Qin mo looked at him.

“if i don’t have sex for a year, i’ll either run away or not be able to do it.” ye mu bai did not give him any face at all.

boss qin left.

“Did you make Qin mo unhappy?” Wen Yuan looked at him and walked over.

“mubai, you’re getting more and more vicious with your words,” she disagreed.

president ye looked at his wife. ” don’t you want to know what he said to me? ”

...

ah! she exclaimed. There was actually a story behind it.

“He said that you like our stepmother,” President Ye said through gritted teeth.

“Bai Jingxuan?” Wen Yuan immediately asked.

President Ye gritted his teeth angrily. “You’re actually cowardly?”

He grabbed his wife and left to interrogate her at home.

Wen Yuan felt that he was quite pitiful in this inexplicable disaster. The two children were sent to Su Fu’s place and he took her back to the villa.

Wen Yuan had a bad feeling as he sat in the car. “Mubai, are we staying here tonight?”

He didn’t seem as angry anymore, but his voice was a little cold. “Yes,”

Then, he got out of the car and opened the door for her. However, in Wen Yuan’s eyes, he was like a weasel paying a New Year’s visit to a chicken. He had bad intentions.

She had a strong desire to live, so she took two steps forward. “Mubai, I’ll be angry if you’re thinking about something just because of some gossip.”

He said absent-mindedly, “You can be angry again after I’m done venting my anger. I’ll coax you then.”

He was finished.

Wen Yuan thought to himself.

She was brought to the master bedroom on the second floor. He was not in a hurry to peel her skin as punishment, but took out two bottles of red wine from the wine cabinet.

He sat on the sofa, took another glass, and poured himself another glass.

“Come here,” he said to Wen Yuan.

At this time, he had already taken off his coat and thrown it aside. His tie was also undone, and the top three buttons of his shirt were unbuttoned. He looked quite sexy.

in fact, wen yuan also yearned for him like this. she would want him too. however, she was a little dazed when she looked at the two bottles of red wine and refused to go over.

Ye mu Bai sat there and looked at her quietly. “You want me to come and pull you up?”

wen yuan bit his lip but still went over. he sat opposite him angrily.”what do you want now?”

“truth or dare,” ye mu bai smiled.

Wen Yuan thought that she would not lose all the time and felt a little more at ease.

But the next second, she realized that she was really naive. Without warning, he leaned over and pulled her onto his lap. Her hands were tied with a tie.

After a while, she was tied up firmly and she even put her arm around his neck. The way she sat on him was embarrassing. Wen Yuan twisted a few times and said, ” “Ye mu Bai, you’re a pervert!”

in fact, he rarely had any special hobbies or tricks when they did it before. ye mu bai was considered a traditional man. how many tons of explosives did he eat today?

” i haven’t made a fuss about lu man’s matter with you, ” wen yuan said angrily. ” are you not thinking about it? ”

“You’ll like it after tonight,” ye mu Bai chuckled.

he reached out to grab the glass and brought it to her mouth. ” “Do you want to drink it yourself or do you want me to feed you?”

“I don’t want to drink it,” Wen Yuan said through gritted teeth.

Ye mu Bai did not say anything else. He raised his head and drank half a glass of wine. Then, he suddenly kissed her lips. Wen Yuan's eyes widened. He wanted to struggle, but his body could not move at all. He could only accept the kiss.

the dark red wine trickled down the corner of her mouth and slid down her neck, making her feel a little uncomfortable.

ye mu bai finally let go of her after kissing her for a long time, but he had also cleaned up all the things that he had wasted.

Chapter 4060: Jealous, fight!3

he looked at wen yuan's intoxicated expression and chuckled, "I said you would like it."

wen yuan's breathing was suppressed and restrained."Ye mu Bai, you bastard!"

Because she had drunk red wine, her face was stained with a touch of red, which made her look very attractive.

She was slightly drunk, but she was still conscious.

ye mu bai did not want her to get drunk so easily. it would not be fun if she got drunk.

the man held her delicate chin and kissed her for a while more. he pressed his lips against hers."wen yuan, have you ever liked kang qiao or bai jingxuan?" he asked.

...

"no, i didn't," she shook her head.

he smiled and supported her waist with one hand as he went to pour another glass of red wine.

“my clothes are dirty. put me down and i’ll go change into a new set of clothes,” wen yuan said hurriedly.

“if it’s dirty, you can just take off the back.” He gave her an extremely ambiguous smile, then poured the glass of wine directly down her neck.

“Ye mu Bai, you bastard!” Wen Yuan screamed.

The wine flowed everywhere in an indescribable manner, and the intoxicating fragrance of wine was everywhere.

“do you love me?” he leaned over and murmured.

“No, I won’t.” “Put me down,” she said, her eyes red with anger.

She couldn’t help but want to move away, but he really held her down and didn’t let her move. His voice was low and hoarse.”If you move again, I won’t be able to hold it in. I still want to interrogate you.”

“You pig head,” Wen Yuan said through gritted teeth.

He chuckled and said very slowly, ” is that so? it seems that you haven’t suffered enough.

Wen Yuan almost screamed when he saw him bringing another glass of wine over.

he’s too perverted, sob sob

Half an hour later, Wen Yuan was lying on the bed. Ye mu Bai hugged her from behind and kissed her on the back. “Can you tell me the truth now?”

she bit her lip. ” there’s nothing to say. ”

“you can tell me if you love me or not.” he nibbled on her small shoulder and finally asked what he had wanted to ask that night.

Wen Yuan was stunned and his body was turned around.

“Do you love me? hmm?” He slowly whipped her. ‘Do you like it when I treat you like this?’

She closed her eyes. I’m not young anymore. I’m still young.

“you’re not young? I can’t satisfy you anymore, Mrs. Ye?” He held her chin, picked up the glass from the side, and drank half of it to feed her Xuxu.

wen yuan had no idea how much red wine he had drunk that night. he had drunk half of it and ye mu bai had also drunk a lot. however, he did not seem to be tired at all.

wen yuan felt like he was about to die the entire night ...

Old men were not to be trifled with.

On the other side.

Xu Mo left the hotel and went to a small bar alone. She drank a little before returning to the apartment.

It had been a long time since she had drunk alcohol, and tonight was the perfect time to drown her sorrows. Just like one night, she had lost something. She had taken her medicine and sat on the road, drinking and crying for a long time.

At that time, she had fallen in love with someone, and loved him like a fool.

Although she said those resolute words, in her heart, there was always a thought that he was not like this.

xu mo opened the door and got out of the car. he saw kang qiao leaning against the tree, smoking a cigarette and looking at her quietly.

It made her feel like she was a female alcoholic who had just returned home at night. She was still wearing her evening dress, but she didn't have time to change, nor was she in the mood. She looked bright in front of others, but she was actually in a sorry state behind her back.

“Did you drink?” Kang Qiao walked over and frowned.
