Chapter 4061: Kang Qiao, I don't love you anymore (1)

Xu Mo looked at him and laughed. what does my drinking have to do with you!

Kang Qiao put his hand on her shoulder, and his voice became colder, ” “You're drunk driving.”

yeah, go and report me. The police will praise you. Xu Mo smiled. Kang Qiao was still a good citizen at that time, and I had nothing. My family of love was gone. Are you going to do this? ”

“Are you destroying yourself?” Kang Qiao frowned.

Or rather, Xu Mo was burning her life. She didn't care how long it would take. As long as she was alive, every day she lived was a day.

Xu Mo chuckled. yes, destruction. So what? ”

...

She stretched out her fair fingers and poked his chest. ” i'm still on the path of destruction, but kang qiao, you've already rotted from the inside to the outside. you're so dirty that you can't even stand it, right? ”

Kang Qiao stood in the night, looking at her crazy appearance. He grabbed her with one hand,”You're drunk! I'll help you sober up.”

“I don't need to.” xu mo struggled to break free. ” i really don't need mr. kang's good intentions. didn't you say that there are no lack of angels in this world? because the world is dark, so dark that you can't see it, and i'm stupid. so kang qiao, don't be such a person, you don't deserve it. ”

She walked upstairs, but he caught her after a few steps.

“Let go, I'm very clear headed.” Xu Mo opened his mouth, his voice especially cold.

kang qiao squinted. " is that so? are you really sober? if you were sober, you wouldn't have become like this. look at you. you have such a good life, but you have fallen to this state. " you're a girl living here alone and you're using all your money to help others. xu mo, don't you have yourself in your life?"

Xu Mo turned around and looked at him. After a while, he laughed."i'm alone! It doesn't matter."

"oh, right. i used to like you. i thought we had sex. later, you let me stay with you. i knew what our relationship was, and i was quite happy. i thought i could change you, but when i saw ruan yun in your bed, i knew that the world was black. at least in your eyes, it was black. love and loyalty are nothing. they're not as good as money, right?"

Kang Qiao's fingers clenched tightly, " I never slept with her again.

"it sounds very touching." xu mo smiled. " kang qiao, don't tell me that you don't have any other women. you cut off all contact with other women and now you're in front of me asking for forgiveness. let me tell you, whether it's true or not, you're just a pile of sh * t in my heart. "

he was displeased. " xu mo. "

He stared at her lips and thought about how Bai jingxuan kissed her tonight. His eyes shifted and his voice was hoarse."You like Bai jingxuan?"

"She's a little cuter than you. At least she's clean and doesn't mess around with other girls." xu mo knew that he couldn't escape, so he leaned against the wall, took out a cigarette from his bag, lit it, and took a puff.

Her eyes were distant and she was very thin. She actually had a very sexy beauty.

he narrowed his eyes and wondered if she used to smoke like this and look at other men with such a gaze, making other men instantly have jade-like desires.

Kang Qiao quickly stepped forward, threw away her cigarette, and kissed her like crazy.

There was no smell of Bai jingxuan, only the smell of alcohol and smoke.

She had really gone astray. She would not refuse anyone who offered her alcohol and tobacco. She was the founder of House of Love. In fact, she could not save herself for a long time.

Chapter 4062: kang qiao, i don't love you anymore (2)

She raised her head as he kissed her. He kissed her very fiercely and pushed her against the dark wall almost without a care. The scene was a little depressing.

Kang Qiao was a little intoxicated. He closed his eyes and kissed her, feeling the trembling body in his arms.

Ji mo didn't resist, but she didn't respond to him.

She quietly leaned against the wall, trying to keep her distance from him, further and further.

She didn't want to be touched by his scent, but his nose kept touching her, and she couldn't escape.

she could feel kang qiao's scent in her pores, in her breath, and all around her feet. he was one with her.

...

After the kiss, Kang Qiao slowly opened his eyes and saw Xu Mo's cold eyes.

there was no trace of emotion or anything else.

It was like the kiss just now was a joke. It was like him, Kang Qiao, was also a joke.

Kang Qiao's eyes were very dark, and the light was also very dim, so she couldn't see the meaning in his eyes.

He reached out and gently touched her face. His voice was hoarse.”You don’t have any feelings for me?”

Xu Mo was still leaning against the wall, quietly looking at Kang Qiao. He smiled and wanted to smoke again.

kang qiao snatched her cigarette box, threw it on the ground, and stepped on it.

“Kang Qiao, you want to save me? don’t tease me. You are so dark that you can’t even wash yourself clean.” Xu Mo leaned lazily against the wall and looked at him with his head tilted. His red lips were particularly seductive in the dark.

kang qiao squinted at her. ” you’re planning to be an angel in front of others? ” he asked. ” you’re planning to live in the dark? ”

“What does that have to do with you?” Xu Mo laughed softly and pushed him away. He looked at him for another two seconds before slowly going upstairs.

kang qiao just stood there, watching her thin body go upstairs. suddenly, he said, ” “xu mo, let’s get married. i’ll take care of you.”

Xu Mo’s body froze. She turned her head and looked at Tang Qiao quietly. Kang Qiao, we’re not suitable for each other. We’re not from the same world. You really don’t have to force yourself.

this was because things that were forced wouldn’t end up particularly good.

xu mo went upstairs.

she was very quiet and calm.

kang qiao was still standing in the same place. he didn’t know how long he had been standing there, but he knew that it was quite painful.

he knew that xu mo had some psychological problems, but he also believed that he was the straw to press down.

he shouldn't have provoked her. she said that she had nothing to do with him, but hanhan ...

At this moment, he seemed to have forgotten about the video she had posted on the internet. He only remembered the good things about her and forgot how bad she had once been.

Kang Qiao took a few steps back, turned around and got into the car. He didn't leave immediately, but smoked for a long time.

After smoking about three or four cigarettes, he started the car and left.

There was an indescribable feeling in her heart.

he returned to his place of residence. ruan yun was there, clearly waiting for him.

"why are you here so late?" Kang Qiao closed the door and said lightly.

Ruan Yun was still wearing the clothes she had worn at the banquet. She had a strong aura and an overbearing feeling.

Appearing in his house like this made Kang Qiao a little uncomfortable. He went to the wine cabinet and poured a glass of wine, " what's the matter? "

Ruan Yun walked over and hugged him from behind. Her voice was especially gentle. Kang Qiao, did you go to look for Xu Mo? "

kang qiao's hand paused, but he did not deny it.

"Kang Qiao, you're in love with her, aren't you?" ruan Yun's voice was low.

Chapter 4063: kang qiao, i don't love you anymore (3)

“no, i didn’t,” Kang Qiao’s voice was especially low.

Ruan Yun smiled bitterly. you can’t hide it from me. I’ve taken care of you for more than ten years. I can tell that you treat her differently from other women.

with that, she let go of him.

she took a step back,”kang qiao, find a woman with a clean background and marry her. it’s good for you. xu mo is a coward. you know what she’s like, don’t you?” she might be sick!”

“Don’t say anymore.” “I don’t want to hear that,” Kang Qiao clenched his hands.

” but you know it’s the truth. ” Ruan Yun handed a paper bag to Kang Qiao. “She’s seeing a psychiatrist, but she’s given up on treatment recently. Do you know what this means? her own world is a mess, and she’s not suitable for you. the smart choice is to stay away from her. kang qiao, we have a consensus before, you know that, don’t you?”

...

kang qiao lowered his head and looked at the bag in his hand. then, he looked at ruan yun.

“You investigated her?” His voice was slightly cold.

“i am doing this for your own good! Kang Qiao, do you know your current status? among the male stars your age, you are the most popular because of your talent and appearance. Do you know how many young girls want to marry you? you can choose anyone but Xu Mo, because she is a pit, because she is a big trouble. Kang Qiao, you know all these!”

kang qiao slowly sipped the red wine in his wine glass and said, ” “You’ve said so much, who do you think is suitable?”

ruan yun was stunned for a moment and couldn’t answer.

“you won’t say it’s you, will you?” kang qiao sneered.

ruan yun immediately flew into a rage out of humiliation,"kang qiao!" i'm your manager!"

"It's good you know! otherwise, i'll think you're my wife." his voice was also cold. " ruan yun, we did sleep together, but that doesn't mean that it was a romantic relationship. we were just lonely. "

ruan yun's face was a little pale,"kang qiao, you've gone too far."

"am i going overboard or are you going overboard? ruan yun, from today onwards, you're no longer my manager. our cooperation ends here, and i'll get the finance department to transfer the rest of the profits to you." "give me back my house keys too!" kang qiao's voice was faint.

ruan yun was completely stunned. when she came back to her senses, she said hurriedly, " "Kang Qiao, you can't do this to me!"

Kang Qiao looked at her and said in a light tone, " " we're only in a cooperative relationship. didn't you teach me to be indifferent to human relationships? why is it wrong to use it on you? "

Ruan Yun laughed and looked at Kang Qiao. you're doing this for that woman, aren't you? our ten years of relationship can't even compare to xu mo. what's so good about her? her looks, her character, and her background are all different. kang qiao, what's there that you can't let go of?"

Kang Qiao didn't answer her. He just continued to drink his wine.

after a long time, ruan yun finally said, "

"if i knew, i would probably be able to let it go," kang qiao said.

Ruan Yun's expression seemed to have been dealt a blow. She looked at Kang Qiao.

kang qiao laughed at himself.

All of a sudden, ruan Yun understood that Kang Qiao had really fallen in love with Xu Mo.

Her gaze was a little dull, but then she laughed.”she won’t be with you.”

Kang Qiao didn’t say anything.

Ruan Yun continued,”because Xu Mo didn’t post that video online.” &Nbsp; [continue writing ~~]

Chapter 4064: kang qiao, i don’t love you anymore (4)

“What did you just say?” Kang Qiao’s fingers almost crushed the cup.

his eyes were bloodshot as he stared at ruan yun.

Ruan Yun forced a smile. She wanted to say it in a relaxed tone, but she couldn’t.

Kang Qiao, I was the one who put that video. It has nothing to do with Xu Mo, but you said that she did it without distinguishing between right and wrong. You said that you love her, did she believe you? shouldn’t you trust someone when you love them? ” ruan yun said with tears in her eyes, ” ” i’ve always loved you and treated you as my family. in order to make you the top star, i sacrificed everything. i even missed the best of my youth. i didn’t get married and stayed by your side. i thought we would be partners forever. i thought that when you were old and famous, you would be tired of this industry and we could retire together. at that time, we had made money and we could do many, many things together. but you abandoned me for an ordinary-looking girl. ”

ruan yun’s voice had an unspeakable sense of defeat. ” if I lose to Wen Yuan, I’ll accept it. But Xu Mo, Kang Qiao, you will regret it.

ruan yun knew his temper. once he had made up his mind, he would not change it.

...

She handed over the keys to all of his residences and placed them on the wine cabinet at the side.
“Say goodbye to Kang Qiao.”

kang qiao was still standing there. when ruan yun reached the door, he suddenly said, ” “wait a moment.”

ruan yun turned around.

“Thank you for all these years.” Kang Qiao said quietly.

however, just as xu mo said, they couldn’t breathe the air together if they weren’t in the same world.

ruan yun sneered, ” kang qiao, you will regret this! ”

she turned around and left, maintaining her pride.

She, ruan Yun, was a top manager. If she left Kang Qiao, she would still be able to support a newcomer and create a superstar to show off.

ruan yun opened the door and left.

kang qiao was still standing there, his mind filled with ruan yun’s words.

she was the one who released the video, not xu mo.

Ruan Yun was right. Xu Mo would never forgive him, and he would never be with him. In her heart, he was probably an idiot!

the glass in kang qiao’s hand suddenly shattered. the glass pierced into his flesh, but he didn’t seem to feel anything.

it was as if wings had grown in his heart. he went back the way he came and went to find xu mo, but in the end, he still stood quietly in the original place, quietly tasting the taste of loneliness.

was xu mo also very lonely? it was just that she was lonely because there was no one in her heart, and he had someone in his heart. however, that person seemed to be constantly wandering in the

horizon. xu mo seemed to have quenched a fire and came in bit by bit, while the warmth in the depths of his heart was squeezed out bit by bit.

kang qiao actually didn't reject it.

he stood there for a long time. after that, he found some medicine and simply bandaged his wound. yingying couldn't fall asleep, and she couldn't fall asleep even after drinking. in the end, he took his car keys.

When he started the car, Kang Qiao thought to himself, he said that she was drunk driving, but didn't he do the same?

After some thought, he gave up on driving and took a taxi instead.

Half an hour later, the car stopped in front of her apartment. Kang Qiao gave the driver 200 yuan and got out of the car.

"Sir, you're the best," the driver said happily.

kang qiao was a cold-hearted person, but at this moment, his heart softened, " "let's wrap up early and go back. our family is waiting."

The chauffeur's eyes were a little hot and he hummed in agreement.

when she started the car, she realized that the man just now seemed a little familiar ...

he patted his head. wasn't that kang qiao? The nation's male idol!

Chapter 4065: Rationality is not needed at this moment (1)

kang qiao went upstairs to xu mo's door.

he raised his hand, hesitated for a moment, and knocked on the door.

there was no movement inside.

he took out his phone and dialed xu mo's number. it rang again and again, but no one picked up, wanwan.

kang qiao frowned and called again, but it was still the same.

He knew that Xu Mo wasn't someone who slept very deeply. She wouldn't fall asleep even if she had a little alcohol. She was even more impatient with him. If he called her, she would definitely turn off her phone.

...

but she didn't.

his intuition told him that something had happened to her.

kang qiao took two steps back, stretched out his leg and kicked the door hard. after a few kicks, he felt that his bones were about to break. the door slammed open and shook violently, almost falling down.

Kang Qiao couldn't care less and walked straight in.

it was his first time here. after entering, he didn't care about anything else and went to xu mo's bedroom first.

when he opened the door, his heart skipped a beat.

Xu Mo was lying on the bed, his face pale and his hand on his stomach.

Kang Qiao quickly walked over. what's wrong? "

The phone was right next to her, but Xu Mo didn't seem to have the strength to touch it.

she could feel him talking. in fact, she was already half-awake at this time. her eyes opened a little, revealing a little pupil, and she looked at him.

kang qiao didn't hesitate. he carried her and walked out. when he reached the door, he went back to get her car keys.

Xu Mo sobered up a little, but his voice was like a kitten's due to the pain in his stomach."kang qiao, you drank."

he put her by his side. in fact, it was better for her to lie in the back seat, but he just couldn't rest assured.

He fastened her seat belt for her and said in a hoarse voice, "stop talking. i'll take you to the hospital."

He had a feeling in his heart that Xu Mo's illness was not light.

A touch of sadness rose from the bottom of his heart, making him want to ask her, "How does it feel to light up others and burn yourself? does it hurt?"

xu mo was in pain, but she still managed to force a smile."kang qiao, you're drunk driving."

"you're not allowed to speak." his expression was a little serious as he immediately started the car.

he was driving very fast, and xu mo felt like she was almost losing speed. she couldn't help but say,"kang qiao, slow down! ran ran will be in trouble."

he didn't slow down. his facial muscles were somewhat distorted as he slowly said, "Xu Mo, if something happens, it's good for us to die together."

Tragic and tragic, the report, just like the lingering nights they had been together.

There was nothing bad about dying together.

Xu Mo didn't make a sound. She was in great pain and was holding her stomach, almost crying.

while driving, kang qiao dialed qin mo's number. although it was late, he still made the call, even if he owed him a favor. he wanted to find the best doctor for xu mo, and the best doctor in B city, the whole country, and the whole world, there were only five, and that was qin chen.

and qin chen was qin mo's sister!

it was late at night, but qin mo picked up the phone very quickly. although he was with he huan, the last time they had shared the same bed was more than half a year ago.

Qin mo didn't stop and continued. He stared at he Huan and asked his favorite general, ""what's up, kang qiao?"

"xu mo is sick. i want to ask dr. qin to take a look at her." Kang Qiao's voice was very soft and he had never been so nervous before. It was also rare for him to be so submissive. Although he had always been an artist of King Entertainment, he had always been very independent.

Chapter 4066: no reason is needed at this moment (2)

qin mo continued, his gaze landing on he huan's face.

her face was a little red, and her short hair was wet with sweat. he found her particularly pleasing to the eye. it proved that she was his, his wife and woman, a woman that he could f * ck as he pleased.

If he wanted to go, he would.

Even though it only happened once or twice a year.

however, after being caught by qin mo once or twice, he huan would definitely lose a layer of skin even if she didn't die. it was normal for her to be locked up in bed for three days and three nights. she didn't know how many times she had been caught tonight, but qin mo still seemed to be very interested.

He Huan almost crawled out of bed and went straight to the bathroom, slamming the door loudly.

...

Qin mo didn't mind. He would be coming later anyway.

She leaned against the headboard and casually lit a cigarette."of course i can, but qin chen is very expensive." [actually, Qin Chen's order is expensive. He doesn't care how many cancer patients she has saved ~ expensive]

On the other side, Kang Qiao held the steering wheel tightly, "no matter how much, I can accept it.

Qin mo smiled. okay, I'll call her right away. You'd better send Xu Mo to Sheng Yuan hospital.

kang qiao nodded, "i know. "

Therefore, boss Qin immediately called his sister. In the middle of the night, Qin Chen was obviously unhappy to be found out. Boss Qin coaxed her for a long time. "it's KING entertainment's currently popular fried chicken. sister, you have shares too. he's also making a lot of money for you. "

"alright, brother, i'll go! However, since you're a popular chef, you don't lack money. Don't feel bad that I'm slaughtering your beloved general." qin chen said as he pulled a shirt and put it on. he directly put his pants on blue universe.

lan yu sat up, 'emergency? I'll give you a ride."

Qin Chen pressed down on his shoulder. go to sleep. You still have to send the child to work tomorrow. I'll sleep in the waiting room after I'm done. I won't receive any patients if there's no surgery tomorrow.

lan yu was still worried, so qin chen kissed him. " "i'm a doctor."

He insisted, "I'll be back as soon as I send you there. It won't take too much time. You can calm down in the car.

qin chen didn't refuse.

at the same time, her brother, qin mo, seemed to have no moral integrity. after he hung up the phone, he went straight to the bathroom. he huan had just finished showering and was about to come out when qin mo carried her up."Let's shower together."

Her body was very small, and he held her up high. Her feet could not touch the ground, only reaching his knees, and she kicked randomly.

qin mo pressed on her legs and said in a hoarse voice, "You don't think I'll let you go, do you?"

He Huan's back was against the wall and her eyes were closed."I don't want to be here."

Because it would be very painful.

after one round, he had suffered serious injuries.

"let's do it here once." Qin mo leaned against her and muttered as he kissed the corner of her lips. Because they had done it a few times, he was not too eager, but he still wanted it.

it had been too long since the last time. every time he did it, he did not know when the next time would be.

this time, he caught her by accident. he didn't know that she had a friendship with xu mo and actually attended the dinner.

with one hand supporting her, he huan let out a muffled groan. unable to bear it, he gently bit his shoulder and said in a hoarse voice, "haven't you had enough?"

"How many times will it be enough?" "You've starved me for too long," he said with a voice that was immersed in Jade desire.

He Huan didn't say anything else. She just leaned on his shoulder and silently endured it.

He nibbled on her delicate neck. how many days will you stay this time? ”

He Huan closed his eyes and said,”three days!” I’m going to visit yihuan tomorrow, do you want to come?”

Chapter 4067: No reason is needed at this moment (3)

let her sleep by herself or coax her to sleep. You can sleep with me. he was negotiating with her, otherwise it wouldn't be easy to negotiate.

he huan kicked him. ” i’m her mother. why do you care? ”

this time, he was quite gentle, but after she kicked him, he looked at her deeply for a long time before he said in a low and hoarse voice, ” ” she ran away the moment you gave birth to her. she ran all over the world and you only saw her a few times a year. he huan, what kind of mother are you? if it weren't for the photos, yihuan wouldn't even recognize you. ”

after he finished speaking, he became really rough.

He Huan's fingernails dug into his flesh. “qianqian, if you didn't do what you did back then, would i have left?”

“I’ve already said that I didn't do anything to let you down.” qin mo's voice was very low and hoarse as he searched for her lips and kissed them hard.

...

she had never forgiven him and had been overseas the whole time. he could not see her more than a few times a year, so qin mo's heart was depressed at this moment. he used more force and tortured her to death.

He Huan thought that was the end of the night, but after he carried her to wash up, he carried her to the bed in the bedroom and pressed her down for the entire night. He did not let her go.

however, after doing it, she felt even more empty, just like before.

she had never forgiven him.

Sometimes, Qin mo didn't know how long they would be like this and how long they would be like this. He knew that she was wasting time with him. He also knew that she wanted to get a divorce. She didn't want to see him and refused to stay in the country. She was so cruel that she didn't even want to have a child.

In fact, she hated him to the core.

He Huan was asleep, but Qin mo was not sleepy at all. He leaned against the bed and smoked lightly, occasionally looking at her.

his eyes were filled with longing.

He had thought about giving up on he Huan and starting a new life, but he couldn't let go of Hanhan after all these years.

*

qin chen and kang qiao arrived at shengyuan hospital at almost the same time. qin chen changed into a white robe and entered the examination room. when he came out, his expression was a little serious.

"how is she?" kang qiao asked.

"her stomach isn't very good," qin chen replied calmly.

Kang Qiao's heart sank.

qin chen continued, " half of the stomach has to be removed. it won't affect your life in the future. at most, you'll have to eat less and eat more. however, if you don't remove it, it'll be very dangerous. the probability of cancer is 100%. "

kang qiao's expression was a little dazed.

qin chen asked again,"does she have any relatives?" i need to sign."

Her words were like a splash of cold water on Kang Qiao's face. It took him a long time to come back to his senses. she doesn't have any relatives. Let me sign it!

you have to sign it too, but you have to be her legal spouse, " Qin Chen said seriously."Will you marry her?"

qin chen had always been a calm and collected person who knew how to trick others without anyone noticing.

kang qiao's emotions were carried away by her. he said without thinking, " "i will marry her."

qin chen smiled and gave the nurse a look. the nurse looked at her with a lustful gaze and handed her the surgery form. " i'm ready. "

kang qiao took it and felt that it weighed a few thousand pounds.

After a moment, his handsome face slightly converged, and his voice was a little low."I want to see her."

sure, but two minutes. She can't be delayed any longer. Qin Chen said with a smile, but her eyes didn't have a trace of relief.

kang qiao stared into her eyes. after a moment, without any hesitation, he quickly signed the contract, " i believe you. "

Chapter 4068: Rationality is not needed at this moment (4)

qin chen smiled again, this time with a little more warmth.

She smiled. the operation fee is very expensive, but it's expensive for a reason. I guarantee that there won't be a scar at all in the future.

Kang Qiao didn't care about this. Moreover, his relationship with Xu Mo wasn't like that anymore. Xu Mo probably wouldn't forgive him.

After he signed, he watched Qin Chen walk away quickly. prepare a blood bag, the operation will start soon.

qin chen suddenly turned his head. " about four hours. kang qiao, are you going to wait here? "

kang qiao pursed his thin lips and nodded. " i'll wait. "

...

"indeed, a good man should wait for a woman, and not make her wait." qin chen smiled again.

She was about to leave when Kang Qiao's lips moved. by the way, tell Xu Mo that Wen Yuan will come over to accompany her when she wakes up. I'll be there too. She's not alone.

Qin Chen's eyes flickered, then he immediately went to disinfect the wound, changed into his Surgical Gown, and entered the operating room.

Xu Mo felt a little better after the injection and was lying down quietly.

Qin Chen walked over, bent over, and said in a soft voice, " the operation is about to begin. You will be healthier without any danger. Also, Kang Qiao asked me to tell you that he is outside. He called Wen Yuan early in the morning to ask him to come and accompany you.

qin chen said, his hand gently touching xu mo.”A person who has been loved by God.”

Xu Mo’s eyes widened, but before she could say anything, Qin Chen had already personally injected anesthesia into her back.

It was pitch black.

He was in a trance, and then darkness.

however, this darkness was also reassuring. perhaps someone was waiting for her outside.

qin chen was focused on the surgery, only revealing his eyes. he didn’t show any emotion, but she saw the tears in the corner of xu mo’s eyes. qin chen whispered to the nurse beside him, ” “Help her wipe her tears.”

This was the first time she had seen an anesthetist cry.

The nurse nodded.

Then, looking at Qin Chen’s precise movements, she couldn’t help but say, ” “Dr. Qin, you’re so energetic.”

“if i hadn’t been tortured by mr. lan for a few hours at night, i would be even more energetic now.” Qin Chen said calmly. The nurse was a little distracted, and Qin Chen’s voice turned cold.”Look at the blood pressure.”

the nurse immediately stopped joking.

In less than four hours, about three and a half hours later, Qin Chen came out of the operating room. Kang Qiao leaned against the wall and came over. how is she? ”

“He’s in the intensive care unit. If there’s no big problem, you can see him tomorrow morning. He’ll be moved to the general VIP room at night.” qin chen took off his gloves and removed his mask. ” you should rest. she’s not awake yet. the earliest she’ll wake up is until dawn. ”

“i can’t sleep.” kang qiao straightened his body.

“ward V001. you can go and rest.” “Or do you want to have a cup of coffee in my office?” Qin Chen asked. After all, the surgery fee was sky-high, and it was only natural for him to treat him to a cup of coffee.

Kang Qiao’s throat tightened. After a long time, he said, ” “No, thank you. i want to see her. ”

Qin Chen smiled and patted his shoulder like a brother. “relationships are like making love. you have to take it slow.”

Kang Qiao was shocked.

Qin Chen walked past him, but Kang Qiao still hadn’t recovered from the shock.

after a long time, he turned to look at qin chen, watching her leave.

She (he) was really the same as the legends, but not quite the same. She was very mysterious, and even Kang Qiao couldn’t understand her.

In fact, it didn’t matter if she could understand it or not. As long as she could afford it, Qin Chen would provide the best medical services. As long as she couldn’t afford it, she could cure it.

Chapter 4069: He’s always been here 1

Qin Chen returned to his office, made a cup of coffee, and looked at his watch. It was already five o’clock.

it was early summer, and it was already slightly bright outside.

The day began again.

the coffee was ready. she poured it and savored it carefully.

After finishing the glass, she went to wash up, changed into a clean set of clothes, and went to sleep comfortably in the lounge.

Qin Chen was a person who was used to enjoying life. Everything here was extremely luxurious, not worse than home.

...

She was also extremely tired. Last night, she was carefully tortured by Lan Yu three or four times. She did not know where he got the energy at his age. There was another operation at night. She really could not do it without 30 million.

Qin Chen closed his eyes slightly and hugged the other pillow. Before he fell asleep, he wondered if Lan Yu had woken up. He seemed to be going on a business trip today, so he was particularly excited last night. Yes, she had to pick up the child in the afternoon.

Of course, every time she went to school, the teachers would think that she was LAN Xiaoxiao's father or a very handsome uncle. As for the big one, it had already been sent abroad. The small one was still a Little Big. Originally, Lan Yu wanted to throw it abroad with Xiaoxiao. Qin Chen didn't care, but father LAN wouldn't let it happen. He said that if they sent Xiaoxiao abroad, he would fight Lan Yu to the death.

therefore, when he went on a business trip to lan yu, qin chen became both a father and a mother.

he was a father outside and a mother at home. even xiaoxiao could switch between calling him 'father' and 'mother' easily. it was amazing.

qin chen fell asleep with a smile. after she fell asleep, she dreamed of sisi and the days they spent in the United States. occasionally, she would also dream of rong lei and the flower field.

however, after she woke up, she would always be in lan yu's arms and be awoken by his kisses.

so she returned to the human world.

This kind of life was very beautiful. She was still the handsome Qin Chen. She could still keep her hair short, wear a shirt and a suit, as long as she was happy. However, at home, she had to let Lan Yu have his bad taste. It was a compromise between both sides. Marriage seemed to be not bad.

at the very least, she was doing pretty well among her siblings. qin mu and zhou chongguang were doing pretty well too. the only exception was qin mo and he huan, who had been together for so many years and were still lukewarm to each other.

Qin Chen was still in a daze when Lan Yu called. She picked up with her eyes closed.

“he’s sleeping,” lan yu’s voice was very gentle.

She snorted twice to show that she was unhappy that her sleep had been interrupted. Thus, Lan Yu’s voice became gentler. I’m going to the airport later. This time, I’ll be gone for a week. Don’t forget to pick up Xiaoxiao in the afternoon. If you’re busy with work, you can get my dad to help you take care of her for a few days.”

” oh, ” qin chen replied. ” i’ll take xiaoxiao to dad’s place in the afternoon, and then i’ll take him to our place. i have two shifts this week as well. qingqing, lanyu, come back quickly. ”

she acted coquettishly.

His heart was about to melt. Qin Chen rarely acted like a spoiled child, only a few times a year. He nodded.”i will. this time, i will go and see my son. Be a little more obedient at home and don’t flirt with the little girl anymore. Otherwise, the old mother will come to her house again and say that you made her daughter pregnant. That won’t be good!”

qin chen snorted. ” i don’t have that kind of ability. did they find the wrong person? they were looking for you. after all, only you have the ability to get her pregnant. ”

“Mrs. LAN, Mr. Lan has undergone vasectomy!” “So, the only one who can get her pregnant is you,” he said, both angry and amused.

“if she causes trouble again, i’ll really get her a baby,” qin chen snorted.

“chenchen, stop seducing women!” lan yu was helpless.

Qin Chen ended the call.

On the other side, Lan Yu smiled dotingly and started the car to go to the airport.

Qin Chen dropped his phone and lay down again, but he didn't fall asleep. He got up and went to the intensive care unit to see the new patient.

Kang Qiao was still there.

...

He stood there like a fool.

Qin Chen walked over and smiled faintly, standing side by side with Kang Qiao. “Is she awake?”

“Not yet,” Kang Qiao shook his head.

qin chen glanced at him again and was about to leave when wen yuan came over.

She was panting and her face was pale. “Kang Qiao, where's Xu Mo?”

kang qiao's eyes looked into the ward. xu mo was lying on the bed, his face pale.

“What happened to her?” Wen Yuan was stunned.

kang qiao's voice was a little low. ” she removed half of her stomach. ”

Qin Chen stopped in his tracks and came back to explain, ” her stomach isn't in a good condition. If it continues to develop, it'll become cancerous. This has a lot to do with her smoking, drinking, and not paying attention to her diet.

she paused for a moment. " take good care of her from now on. it's best if you don't leave yingluo alone. " "she needs love," he said, his voice suddenly lowering.

qin chen left, leaving the space to kang qiao and wen yuan.

Wen Yuan's fingers were flat on the glass, and so was his forehead. He said in a low voice, " "I didn't take good care of her."

For the past two years, she knew that Xu Mo was unhappy. She was always alone, but every time Wen Yuan met her, she would pretend that nothing had happened.

"Kang Qiao, thank you," Wen Yuan said softly.

She could imagine how dangerous it must have been last night since Qin Chen was the chief surgeon at the hospital in the middle of the night.

She was a little afraid now. She was afraid of losing Xu Mo.

kang qiao stood beside her and said in a low and hoarse voice, " " wen yuan, you don't have to thank me. in the future, i will be the one to thank you for taking care of her. "

Wen Yuan was a little surprised.

She looked at Kang Qiao.

Kang Qiao smiled faintly, " because I want to be with her. She may not be able to accept it for the time being, but no matter how long it takes, I will wait.

after he was with wen yuan, he had never thought of spending the rest of his life with another woman. at that time, he was with xu mo only because of his male desires. he did not know when it started, but he could not let go.

Wen Yuan was a little surprised when he heard Kang Qiao's words, but it was expected. Xu Mo was a very good girl.

she looked at xu mo and whispered, " when she's better, i'll bring her to live with me. kang qiao, i don't care about your relationship. but respect her, okay? "

He agreed.

Wen Yuan looked at him and smiled slightly.

kang qiao repeated what qin chen had said before, " love is like making love. you have to take your time to understand what qin chen said. "

wen yuan was actually speechless.

kang qiao looked at xu mo. at that moment, xu mo woke up and she opened her eyes.

Everything was white.

Through the glass, she saw Kang Qiao and Wen Yuan, as well as ye mu Bai, walking over.

Xu Mo's eyes were a little wet as he thought of what he had said about her not being alone.

there seemed to be a lot of people accompanying her right now. two drops of tears fell from the corner of xu mo's eyes, as if they had dropped into kang qiao's heart and corroded it.

he looked at her, wishing he could immediately smash the glass so that he could go in and talk to her and keep her company.

The nurse went over, and after a simple examination, she called Qin Chen."Doctor Qin, the patient is awake."
