

## Thank you 4071

Chapter 4071: He's always been here 3

qin chen said something, and the nurse nodded. she took care of xu mo, changed the drip, and walked out. " I can see her, but not for more than ten minutes. The patient can't eat now, and she's very weak after the operation.

Kang Qiao nodded and was about to go in.

wen yuan called out to him.

Kang Qiao, " Wen Yuan's voice was soft but firm, " "You said you wanted to take it slow. Before you succeed, I will take care of Xu Mo."

kang qiao was stunned for a moment, then he clenched his fingers, " then i'll have to trouble you. "

Wen Yuan asked him to go in first. She had something to say to ye mu Bai, or perhaps she knew that ye mu Bai had something to say to her.

...

The door closed. She said softly, " you've seen it too. I want to take care of Xu Mo. I have four rooms that can accommodate him.

ye mu bai was helpless. " you said that you moved out just to live with xu mo, right? "

He put an arm around her shoulder. I'll buy another house opposite. You can stay over at my place when I move over.

Wen Yuan glared at him.

"Then we'll do it secretly in the future."

“We shouldn’t be living separately.” wen yuan pinched his waist and said, ” i’ll go in first. you can go to the office first. i’ll stay here. ”

Ye mu Bai looked at the time and said goodbye to her.

Wen Yuan watched him go to the elevator before he entered.

She didn’t go in before because she wanted Kang Qiao and Xu Mo to have a few words first. Now, she went in, but Kang Qiao was half-squatting there, and the two didn’t say a word.

Wen Yuan also went over and squatted down so that it was convenient for Xu Mo to look at her. She did not say anything and only touched Xu Mo’s face gently.

Xu Mo’s eyes were a little red, but he didn’t say anything.

Wen Yuan spoke in a low voice, ” when we are discharged, we will live together. Xiangnan and ye Hui will also be there.

Xu Mo’s hand moved and gently held Wen Yuan’s hand, even though this action was extremely difficult for her.

Wen Yuan smiled.

xu mo also smiled at her.

then, her eyes fell on kang qiao’s face. quietly, she moved her lips and mouthed two words, ” “Thank you,” he said.

Kang Qiao knew that she wouldn’t agree to be with him even if he brought her to the hospital. Love wasn’t a business, and it wouldn’t change just because he was touched. That was a decision only a child would make.

He respected Xu Mo’s choice and would not give up.

Xu Mo was really weak and couldn't eat, so they went out first.

wen yuan looked at kang qiao. "i know you want to stay here. how about this, you go to the ward and sleep for a while. i will stay here. when i go to class at one in the afternoon, you can take my place."

kang qiao thought for a while and agreed.

however, he said that he wanted to make a trip home. wen yuan looked at him.

"I suddenly thought of my mother." as kang qiao spoke, he placed his hand on wen yuan's shoulder, "I want to see her and talk to her."

Wen Yuan's heart was touched. She nodded."I'm greeting teacher."

Kang Qiao nodded and looked at Xu Mo.

He left and drove back to his mother's house. Teacher Kang had a class at the House of Love today and was a little surprised to see his son coming back early in the morning. He asked Kang Qiao to send him there so that he could talk to him on the way.

kang qiao opened the car door for teacher kang to get in. as soon as teacher kang got in, he frowned."You've been drinking,"

"i drank it last night. i'm awake now." kang qiao started the car.

Teacher Kang was still worried. don't drink so much. You're not a child anymore.

Chapter 4072: xu mo, i want to marry you (1)

kang qiao nodded, "i know, mom."

teacher kang continued,"so you still know that i'm your mother. look at you, you didn't even care about my wishes. you're not young anymore, yingluo."

"mom, i want to get married." kang qiao suddenly said.

Mrs. Kang knew that he had something to say, but she didn't expect him to be so direct. She paused."which family's girl is it?"

kang qiao stopped the car at the intersection and waited for the red light. he thought for a while before slowly saying,"It's Xu Mo."

"Xu Mo!" Teacher Kang smiled faintly. Xu Mo is very good. She's a good person and looks good.

...

Kang Qiao also laughed, " mom, she's a really good person, but she's just average looking, right? "

"you usually like it?" Mrs. Kang hit the nail on the head.

she felt that if her son liked her, she must be good-looking.

Kang Qiao was still smiling, holding the steering wheel and looking forward attentively. His expression was a little charming. Teacher Kang had not seen his son show such a sincere smile for a long time.

his smile was just like her students', tired and hypocritical. she had long wanted to tell him and had long disliked this kid.

Well, he was a little handsome now.

Kang Qiao turned to his mother and said softly, " Xu Mo might not be able to accept me all of a sudden because I wasn't good in the past. She's in the hospital now and I want to take care of her.

his voice was gentle and a little affectionate. ” ” mom, if xu mo doesn't agree, i might have to be single for a long time, or i might lose a lot to take care of her, such as fame and fortune, or my career, but i promise i'll take care of you two. ”

ms. kang looked at her son. kang qiao didn't know what she meant, so she kept looking at her mother.

after a while, teacher kang sighed.”Kang Qiao, you're finally on the ground like this.”

Kang Qiao wanted to ask again, but the red light turned green.

He sent his mother to the House of Love. When teacher Kang got off the car, she turned to look at Kang Qiao.”If you like girls, then go after them. Kang Qiao, mom never cared about what you said, and I won't in the future. Mom has a pension and doesn't need you to support her. You just need to support your wife and children. Don't let them suffer and don't let them suffer.”

kang qiao pursed his thin lips and finally smiled.

Teacher Kang also smiled and said,”mom's gone. I'll go see Xu Mo later.” Is she alright?”

“The surgery was done by Dr. Qin.” kang qiao muttered.

“doctor qin's medical skills can't be wrong.” teacher kang thought for a moment. ” let her be at ease with the matters here. i will take care of it. ”

Kang Qiao was about to drive away, but he suddenly got out of the car and hugged his mother.

Teacher Kang's nose was a little sour.

his son had not been like this for a long time.

she knew that he was hoping for her approval, but he was afraid that she would disagree.

In fact, why would she not agree? she felt that Xu Mo was quite good.

Teacher Kang felt that finding a person to marry and find a person to love was the same as finding the person you really wanted. What was the difference between thinking too much and finding a manager?

When she went over, she saw that Kang Qiao's manager wasn't very happy, saying that it was better not to have a relationship during the rise of his career, and that he shouldn't get married.

Kang Qiao relied on his talent to make a living, not his face. Why couldn't he fall in love, get married, and have children?

She wasn't old-fashioned and didn't think that her son had to give her a grandson. She just wanted her son to enjoy the best part of his life and not be bound by fame and fortune.

Chapter 4073: xu mo, i want to marry you (2)

teacher kang watched his son leave and smiled.

kang qiao drove away and went back to his place to sleep for about two hours. he got up and wanted to make some porridge for xu mo, but then he remembered that the nurse said that she couldn't eat anything for a few days, even liquid food.

her heart ached a little.

he went to the hospital after washing his face. wen yuan was still there. when he saw him, he smiled and said, "you're here? I'll go to school with you, and I'll come over at night. I heard that I can go to the general ward at night."

kang qiao nodded.

"I've talked to my mother," he suddenly said as Wen Yuan was leaving.

...

wen yuan turned around.

she looked at him and then understood what he meant. she said, ” “Good luck, then.”

Kang Qiao smiled. He walked over and hugged Wen Yuan, his voice hoarse as he whispered into her ears, ” Wen Yuan, thank you. I really need such encouragement at this moment.

“good luck.” “I hope that you and Xu Mo can be happy,” Wen Yuan patted his back.

She did not ask anything.

even if kang qiao was once a suspected HIV carrier, wen yuan believed that kang qiao was still the warm kang qiao. his true self was the warmth that he had once given.

” i’m going, ” she said in a soft and gentle voice. ” you take care of yourself too. ”

kang qiao nodded and watched her leave.

When he turned his head, he saw that Xu Mo had woken up and was looking at him quietly with tears in the corner of her eyes. He knew she wanted to cry, so he put his palm on the transparent glass and murmured, ” “Don’t cry,”

xu mo was still looking at him quietly, and after a long time, the corners of her mouth rose slightly.

At around five o ‘clock in the afternoon, Qin Chen came to check on her. After confirming that there was no problem, he transferred her to the VIP Ward. It was very expensive, thirty thousand a night, but it was nothing compared to the surgery fee of thirty million.

moving over, qin chen explained a few more things before leaving.

kang qiao sat next to xu mo. he was so close to her that it felt real.

Previously, through the glass, he always felt that he was so close yet so far away.

Their relationship was delicate, so he didn't hold her hand. He only whispered, "Tell me if you feel uncomfortable."

xu mo lowered his eyes. "the nurse will do."

there were two nurses in the VIP ward. she didn't want kang qiao to be there, not only because of her feelings, but also because of her physiology.

The catheter had not been pulled out after the operation, so her face must be sallow. Although she did not pay much attention to her appearance, a woman would not want to be in such a sorry state in front of a man, especially when the urine bag was full. Just thinking about a big bag of cream made her drunk.

But Kang Qiao didn't care and wouldn't think about this. He just felt that she was so fragile now and she didn't have any family, so he wanted to be with her.

later, the nurse came over and said that she wanted to remove the catheter, so xu mo heaved a sigh of relief.

However, Kang Qiao was not happy, "it's only been a day after the surgery, and you pulled it out?"

"what else?" The nurse was speechless. the surgery wound was only five centimeters long. It's healing very well now. Mr. Kang, no woman is willing to use a catheter.

Kang Qiao wanted to hold on a little longer. He felt that Xu Mo's body had a knife wound. It would be very inconvenient for him to get up and go to the toilet. It would hurt.

just as he was about to speak, xu mo had already said, i also want to pull it out.

"Are you really going to pull it out?" Kang Qiao looked at her.

"yeah," "you're not going out?" she asked weakly after a long time.

“Why should I go out?” Kang Qiao was a little speechless.

#### Chapter 4074: Xu Mo, I want to marry you (3)

xu mo gritted his teeth. ” i’m going to pull out the catheter. aren’t you going out? ”

kang qiao looked at her and blinked, ” “do you need to go out? Only outsiders need to be free. Xu Mo, we’re going to get married in the future.”

The nurse at the side felt especially excited. Kang Qiao, he’s proposing!

and it was xu mo.

She really looked like a roadside flower.

The young nurse really wanted to start a live broadcast ...

...

guys, kang qiao’s large-scale marriage proposal scene, the gifts are spamming, double click 666!

however, a live broadcast was definitely impossible, so she could only open her eyes wide to see xu mo’s reaction.

“if you don’t get out, i’ll sue you for adultery!” xu mo was angry.

a treachery!

The young nurse gasped.

kang qiao looked at xu mo,”girls should be more civilized.”

In fact, what he wanted to say was that even if he wanted to see a traitor, he would still choose a prettier one. Xu Mo would be good enough to be his wife.

Of course, he didn’t say this out loud. He just stood up and said, ” “I’ll go out first.”

he was very gentlemanly, which made xu mo angry again.

The nurse waited for Kang Qiao to go out and said in a small voice, ” “Miss Xu, when are you and Kang Qiao getting married? can you give us a wedding invitation, and sign kang qiao’s name on it?”

” we won’t get married, ” xu mo said softly, ” “i’m not in a relationship with him.”

she let out a muffled groan as soon as she finished speaking.

It hurts!

when he pulled it out, it was painful and very embarrassing.

She seriously suspected that the nurse was not satisfied with her answer, so she had hit her hard.

The young nurse smiled. according to my experience, it’s better to get the pain over with. It’s better to get it over with. You’re feeling better now, aren’t you? ”

“i want to go to the toilet.” xu mo frowned.

as soon as he finished speaking, kang qiao pushed the door open and came in. ” i’ll help you! ”

the two nurses looked at each other and thought,”this is true love!”

He really wanted to keep this urine catheter and get Kang Qiao to sign it for an online auction!

The nurse left and Kang Qiao closed the door. Xu Mo was lying on the bed. "I don't need you."

"Then you can go by yourself." He didn't mind and just stood there.

He wanted to chase her and be with her, but he wasn't a good man either. He wouldn't give in to her blindly. He was still that Kang Qiao, with a poisonous tongue.

Xu Mo glared at him, and his eyes became misty again. Then, he turned his head and ignored him.

He walked over and lowered his voice. "Are you angry again?"

His voice was hoarse. I'll carry you. I'll try not to touch your wound.

seeing that she was silent, he picked her up.

Xu Mo struggled.

don't move. It's very painful when the wound opens. You have to resuture it. If you stab the flesh with the needles, you'll die from the pain if you don't get anesthesia this time. He looked at her and said, deliberately trying to scare her.

xu mo's lips moved, and after a long time, he finally squeezed out a sentence, "i didn't say i wanted to be with you."

He gently carried her to the bathroom and said while serving her, "but i want to be with you."

Xu Mo was slightly stunned. He didn't realize that from the beginning to the end, he had personally served them.

She had been seen naked.

When she came back to her senses, he had already retreated to the side. She sat on the toilet bowl, embarrassed and angry.

Knowing that she was angry, he said gently, "it's nothing. i've seen and touched them before. i won't laugh at you. don't be angry, otherwise, you'll be the one who causes the wound to hurt."

Xu Mo turned his head and felt that he was really in a sorry state.

After a long while, she bit her lip. it hurts.

"where?" he thought that her wound hurt and quickly went to check.

Chapter 4075: xu mo, i want to marry you (4)

Kang Qiao thought it was the pain from his wound, so he said instinctively, "i'll help you take a look."

xu mo was stunned and stared at him for a long time, unable to say a word.

Kang Qiao was a mature man after all. He quickly understood that she wasn't talking about the wound on his hand, but another part.

After all, he was a mature man. He walked over and closed the door, saying in a very soft voice, "i'll help you take a look."

Xu Mo was really speechless and very weak. what do you think? "

kang qiao stared at her and said in a soft voice, "lower your pants a little, let me see."

...

Xu Mo really couldn't take it anymore. Kang Qiao, we have nothing to do with each other.

"Just like a piece of white paper, isn't it?" His voice was very soft.

xu mo's voice quieted down and he looked at him quietly.

he smiled faintly. "let me see, maybe it's a doctor. you choose one. qin chen might have gotten off work. it might be a male doctor."

xu mo just glared at him.

But in the end, she still let him see it. Kang Qiao carefully checked it and looked at her again. "Maybe it's been too long, it's a little inflamed. Let the nurse apply some medicine later."

Xu Mo endured the pain and peed. He helped her pull up her clothes and carried her back to the ward. At this moment, Wen Yuan came over. He didn't come alone and brought teacher Kang along.

When they arrived, Kang Qiao was bending over and carefully placing Xu Mo on the bed. He didn't get up immediately, but leaned over and looked at Xu Mo, as if he wanted to kiss her.

teacher kang and wen yuan looked at each other at the door.

What to do?

should she stay still or disturb them? after all, xu mo was sick now, and her son couldn't really do anything.

there was hope in wen yuan's eyes, "just don't move and don't make a sound."

The two of them were standing at the door. Kang Qiao's back was facing them, so he couldn't see them, but Xu Mo saw them, including Kang Qiao's mother. He felt very uncomfortable.

"wen yuan, teacher kang, you guys are here?" Xu Mo's voice was weak. She placed her hand on Kang Qiao's shoulder and tried to push him away, but Kang Qiao leaned in and kissed her in front of Wen Yuan and his mother.

xu mo was dumbfounded.

“This is my answer,” he said softly.

Xu Mo was still in a daze, his hand touching the place where he had been kissed, but teacher Kang said, “Xu Mo is sick now, Kang Qiao, don’t torture her.”

kang qiao maintained his posture, still looking at her, but he smiled.

his smile was very charming and his teeth were very white, xu mo’s heart was in a mess.

“Alright, I won’t torment her.” kang qiao said and then straightened his body.

he still looked at her for a few seconds before looking at his mother. ” “How did you get here with Wen Yuan?”

he naturally helped his mother to sit by the bed. this was a sign that they were very close, and only family members would sit by the bed.

Xu Mo was not dead. Of course, she could feel it. So, she turned her eyes to Wen Yuan, hoping that she could help him out. However, Wen Yuan pretended that he did not understand, could not see, and could not understand. He completely implemented the ‘no’ policy.

xu mo had no choice but to deal with it with teacher kang.

but teacher kang knew that xu mo was the person his son wanted to marry. after such a major operation, kang qiao’s methods were too outrageous and torturous.

she sighed. ” he should be raised well. he really shouldn’t be like this. don’t think too much about this good child. raise him well. i won’t allow him to do anything reckless. ”

Chapter 4076: Xu Mo, I want to marry you (5)

kang qiao stood by the bed like a dutiful husband. he smiled, ” “Mom, I can’t do anything even if I want to. She just finished her surgery. You’re thinking too badly of me.”

Teacher Kang turned around and glared at his son.

Kang Qiao smiled and stopped talking.

on the contrary, xu mo found it a little unbearable.

She simply replied with a few words and said that she wanted to sleep. Teacher Kang gently covered her with the blanket. Although it was a simple action, Xu Mo's closed eyes were a little wet, and she felt an unspeakable sadness or throbbing.

all her family members had left her, and she only had wen yuan. however, teacher kang was an elder, just like how her mother gave her the feeling.

...

She wanted to cry, but she held it in.

Wen Yuan stood there and watched quietly.

the reason why she was on kang qiao's side was because he had a good mother. she believed that kang qiao was sincere, and that teacher kang would take care of xu mo like his own daughter.

nothing was better than this.

she could take care of xu mo, but there were many things that she couldn't replace.

xu mo couldn't eat and needed to rest. with the kang family's mother and son around, wen yuan was at ease, so she left at around eight in the evening.

When they returned to the apartment, ye mu Bai brought the two children home. One adult and two children were watching television in the living room. When Wen Yuan returned home, ye mu Bai immediately stood up."you haven't eaten yet, right? i'll go heat it up."

"i'll do it myself." "you must be tired after a long day," wen yuan said softly.

“it’s rare that you’re willing to be considerate of me.” he pressed down on her shoulder. ” but i’ll go. look at your eyes, they’re red like a rabbit’s. did you cry? ”

He bent down and looked at her face to face, carefully looking into her eyes.

Wen Yuan said no.

But how could she hide it from him?

She clearly did. It was clearly because Xu Mo had cried, and she was probably crying while driving.

Ye mu Bai brought her to the kitchen and made her sit there while he heated up the food. “Xu Mo’s surgery was very successful, why is he crying?”

wen yuan looked at his back. at first, he did not say anything, but then he got up and hugged him from behind.

Ye mu Bai patted her with one hand while he was busy with his work. “Why are you acting coquettishly again?”

“mubai, i’m just a little sad.” She pressed her face against his back. I didn’t know that Xu Mo was sick. She’s been sick for a long time, ran ran. I haven’t been good to her or cared about her enough.

ye mu bai sighed. he knew that his wife would not be in a good mood tonight. he lowered his voice and said, ” wen yuan, xu mo did not want to disturb you because you have a family. look, she might be willing to talk to you about the money, but she is sad. why would she always be willing to ask you to go out and accompany her? ”

“I’m still sad.” “you’re not comforting me well at all,” she said softly.

ye mu bai smiled bitterly, but his voice became gentler.”didn’t you say that kang qiao is going to be with her? someone will take care of her in the future.”

“you also agree?” Wen Yuan was surprised. He loosened his grip a little and walked to his side to look up at him.

ye mubai acknowledged him. ” kang qiao isn’t a bad person, but he’s not as good as wen yuan in this circle. really, if my surname wasn’t ye and i wasn’t born into this family, i might be so dirty that you can’t stand it. so, i can understand kang qiao very well. ”

wen yuan reached out and poked his arm. ” hey, even if you don’t sleep with women, you’ve slept with many women. aren’t you dirty? ”

Chapter 4077: my man had a vasectomy (1)

“then i’ll shower a few more times tonight, okay?” He lowered his head and rubbed the tip of his tall nose against hers a few times. It was very affectionate.

wen yuan was speechless. ” i’m not in the mood, and i’m not interested. ”

ye mu bai smiled and did not force her. he only heated up the food for her, especially the ones that had not touched her chopsticks.

he would accompany wen yuan while he sat there to eat. he would even use his chopsticks to serve her food from time to time.

As Wen Yuan was eating, he looked up and saw his smiling eyes. He paused for a moment and asked, ” why are you looking at me? ”

“I wanted to see you.” ye mu bai said in a low voice.

...

“what’s there to see!” Wen Yuan bit his lip.

“I want to keep you company,” he said with a smile.

He reached out and gently touched her eyes.

wen yuan was suddenly touched, but he did not say anything. he ate quietly and cleared the bowls.

She turned around and saw that ye Mubai was not there, not even in the living room.

she thought that nan and ye hui were already asleep, so she went to take a look for a while before continuing to look for ye mu bai.

He was smoking in the study. When he saw her come in, he gave her a faint smile.

wen yuan stood at the door and thought for a while. ” “are you angry?”

“What are you angry about? Something about me being dirty?” he smiled faintly.

Wen Yuan walked over. you said you’re not angry. You’re obviously angry.

she took the initiative to walk over and sit on his lap.

Ye mu Bai put out the cigarette and lowered his head to look at her. “didn’t you say that you weren’t in the mood and interest?”

“but you’re angry. if it can make you a little happier, sometimes i can make a sacrifice.” She hugged him and kissed his chin. I was just joking. Why did you take it to heart? ” she said.

Ye mu Bai leaned back, and Wen Yuan followed suit. He instinctively hugged ye mu Bai tightly.

Ye mu Bai hugged her, and his voice was a little low and hoarse. Wen Yuan, I’ve always felt that if we didn’t have those ridiculous years, we would have been much happier. At least, you would feel much better.

At first, Wen Yuan hugged him and did not say a word. He seemed to think for a while before he replied in a low voice, ” ” i can’t say that i don’t mind, but mubai, if these women always appear,

then i'd rather before marriage, i'd rather not know about it. i'd rather hurt less than now or in the future. ”

He lowered his head and bit her lips.”then why did you run away from home, mrs. ye?”

“it’s just a small punishment,” She mumbled as she pressed her body close to him.”mubai, don’t think about it anymore. let’s forget about it, okay?”

he smiled and did not say anything.

However, Wen Yuan knew why he said that the next day.

it was because one of his women had gone crazy. that woman was lu man.

Probably because she was unwilling to accept it, or because King Entertainment had also rejected her, Lu man had released a statement to the media that she was pregnant with ye mu Bai’s child.

lu man was indeed pregnant.

however, wen yuan was definitely not ye mu bai’s child. she still had the trust that a married couple should have. it was not that he would never sleep with another woman, but he wanted to maintain their relationship as husband and wife. even if something were to happen, he would resolve it in time and not let things get to this point.

Besides, he could not possibly make Lu man pregnant.

Of course, when Wen Yuan saw the news, he did not say anything. He did not explain himself under the siege of the reporters.

the reporters outside were spreading rumors that they were living separately because lu man was pregnant.

Chapter 4078: My man has undergone vasectomy 2

Yuan Yuan sat in the car after class.

Ye mu Bai's call came in. Wen Yuan looked at the reporters outside the car and smiled. " president ye, is this phone call to comfort or to compensate? "

"None of them." he gave a slight smile. " i just want to treat miss wen to a meal. would you do me the honor? "

Wen Yuan lowered his head and his voice became softer, " " you're not busy with the emergency public relations at this time, but you're still thinking about an old couple having a meal? "

then, " his voice dragged out a little, and there was a hint of a smile in it, " " since we're an old couple, mrs. ye, do you believe me at all? "

"you want me to believe you?" wen yuan looked down.

...

"i know you believe me, but i hope you won't be angry." His voice turned hoarse, and his tone was like a plea. "wen yuan, don't be angry, okay?"

she was silent for a while before she mumbled, " "It's hard not to be angry, but I'll try my best! mubai, i've told you that this is all in the past and i won't pursue it. besides, i know that this child has nothing to do with you."

at the end of the day, he heaved a long sigh of relief. although he had thought about many things in his heart and was somewhat certain, wen yuan did not say anything. he was still worried about his personal gains and losses and did not dare to do many things.

he didn't say much, only telling her to take the child back to the apartment first, and then he would go home to pick her up later.

"you don't want nan and ye hui to go?" Wen Yuan asked him.

" oh, " he said. " i'll send them to my dad. he misses the child too. "

it had been many years since su fu and ye zhenggang divorced. ye zhenggang was still alone and quite lonely, so he always thought of letting the children stay for a few days.

Ye mu Bai felt that this was the right time.

Wen Yuan thought about it and agreed. It was indeed time to let the child have some quiet space.

She went to pick up xiangnan and ye Hui first. Xiangnan knew something and saw the reporter's face tense.

Ye Hui leaned against the car window curiously, "Mom, why are those people following us?"

she made a face. "you're panting like a big wolfdog."

wen yuan, who had been feeling a little depressed, was amused.

"mother, a child said that i'm going to lose my father or mother. he said that you two will get a divorce." she looked at wen yuan with a look of longing.

"How could that be?" "Aren't father and mother doing well?" Wen Yuan smiled.

"But mom moved out," Xiang Nan's face was still tense.

Children were sensitive. They were happy to move out, but after thinking about it, they felt that something was wrong.

wen yuan sighed,"aren't mother and father living together these few days?" xiangnan, don't think too much. we won't get a divorce. just now, dad called and said that he'll send you to stay at grandpa's place for a few days."

"what about you guys?" Xiang Nan was a little worried. will you get a divorce? then ye Hui and I will be left behind? "

Wen Yuan laughed. I want to take care of aunt Xu Mo. She's sick. Besides, dad wants to go on a date with mom and he has to deal with some adult matters. Xiangnan, we're fine. Nothing will happen between us, okay? ”

After her affirmation, little Xiang Nan finally let go and happily played other things.

wen yuan heaved a sigh of relief. he was prepared to tell ye mu bai to keep an eye on his ex-woman. otherwise, his little darling would think that they were going to get a divorce and become a left-behind child.

Chapter 4079: my man had a vasectomy (3)

wen yuan looked at the time and realized that it was still early. he thought for a while and returned to the apartment. he helped the two babies pack their things and drove to the house that ye zhenggang was staying at.

That was the ye family's old house, the place where ye zhenggang and su fu had lived for many years. It was also the old house where Bai Sulli had lived for a while when she had just married.

That day, it was so lively and warm. Su Fu had taken care of everything inside and outside, but now, only ye zhenggang lived alone. Occasionally, ye mu Bai and ye Mu Lin would come over with their lovers and children, but that was only occasionally. Most of the time, ye zhenggang was lonely.

This time, Wen Yuan had brought the two children over. He was overjoyed. Although he scolded mu Bai for being indecent with a woman, he thought to himself that Wen Yuan would not have come to complain if he was not so indecent.

He thought that Wen Yuan was here to complain, but Wen Yuan did not. She only said that she would take care of the two children for a few days. Of course, ye zhenggang was willing to do so. Although he lived alone, he had a chauffeur and an old lady. He was also willing to take care of the two children himself.

The two children ran to the courtyard to play. He let the Auntie at home Watch them while he and Wen Yuan sat down and chatted.

...

Wen Yuan had been his daughter-in-law for two generations. However, he was still a little restrained when they got along. After all, her personality was not like Bai Sulli's. Bai Sulli used to dare to act coquettishly with ye zhenggang. However, she did not dare to do so after they got hurt. Every time ye zhenggang saw Bai Sulli, he would also feel uncomfortable.

An 'an, on the other hand, was especially affectionate and called him Grandpa without any awkwardness.

Every time this happened, ye zhenggang would feel grateful to Xue Li. She had never said anything bad about him in front of her baby an an.

ye zhenggang looked at the two children outside as he spoke. he was starting to miss his baby an an.

He liked every single one of his grandsons, and he wasn't biased toward any of them.

in the past, he had always felt that power was important. now that he was old, he realized how precious family was. he also felt more and more that he had let mu lin down.

although mu lin was now in a high position and was living well with xue li, politics was not his hobby. it was only his responsibility. this son of his was too outstanding, and he could still blossom in a desperate situation.

However, ye zhenggang had already realized that Mu Lin was the unhappiest of them all.

perhaps he was happy most of the time, but as a man, he could imagine that when mu lin came into contact with lawyers, he would more or less feel disappointed.

perhaps the older a person was, the more they would think. things that they didn't care about in the past were now all in their minds.

Ye zhenggang sighed, "Wen Yuan, be good with Mubai!" I don't believe he will."

wen yuan smiled and said, " father, we're doing well. i'm just worried that it'll affect the two children. "

how could I not know? Mubai pitied me for being alone at home. Don't coax me. ye zhenggang sighed and felt a little sad.

Because she thought of su Fu.

Just as Wen Yuan was about to comfort him, ye mu Bai called him. Wen Yuan? ”

Wen Yuan picked up the call. I'm at father's place with xiangnan and ye Hui. You should come and have dinner with me.

Ye mu Bai was a little surprised. He then said softly, ” “Sure, we can have a candlelight dinner any other day.”

wen yuan hummed in agreement and said in a gentle voice, ” “Then I'll wait for you at dad's.”

She was about to hang up the phone when ye mu Bai called out to her. “wait a minute, wen yuan.”

wen yuan was surprised.

“We'll talk about it tonight,” he said in a hoarse voice.

She smiled and hummed in agreement.

After hanging up the phone, ye Mubai's thoughts were still fluctuating. He held his breath and felt the pain in his lungs. However, the pain was also sweet.

he took his car keys and went out. he got into the car and drove towards the ye family's old residence. at this time, there were reporters following him at all times, and they magnified his private affairs countless times. fortunately, his family was still somewhat powerful, so the reporters did not dare to write nonsense.

He drove for about an hour to the old house and jumped out of the car. Ye Hui and Xiang Nan ran over and jumped on him, one in each hand.

...

“these two little pigs are so heavy.” He carried the two children and smiled. Then, he leaned over and kissed Wen Yuan on the cheek. “The child’s mother is heavier.”

Wen Yuan looked at him disapprovingly.

then, she walked inside with him side by side and whispered, ” “in a while, mu lin and xue li will bring an ‘an over. an’ an is also making a fuss about staying here for a few days, she wants to play with nan ye hui.”

“Dad has a headache,” she said with a smile.

ye mu bai put down the two children and turned to look at her. “He’ll be happy. It’s been a long time since we’ve had such a lively time.”

wen yuan did not say a word. his face was very gentle in the night.

Ye mu Bai suddenly grabbed her and called out softly, ” “Wen Yuan,”

She hummed in acknowledgment and turned to look at him.

ye mu bai stood in the dark of the night and did not say anything. he only looked at her with his eyes.

his gaze was gentle yet extremely possessive. the smile on his lips was also very charming. at this moment, wen yuan suddenly understood that she had finally gotten what she had been longing for for many years.

She no longer had to be jealous of anyone.

At this moment, this man truly belonged to her.

She looked up at him.

The surroundings were quiet, with the occasional fragrance of flowers and the chirping of small insects. All of this made everything even more beautiful.

Finally, he reached out to grab her wrist and gently pulled her into his arms. He lowered his head and kissed her gently.

“have i ever said that i love you?”

“i don’t talk much, but i do a lot.” “But I like both,” she said with a smile as she wrapped her arms around his shoulder.

ye mu bai’s heart skipped a beat. he looked left and right, then gritted his teeth.”wen yuan, you’re getting better at flirting.”

most men would think that lu man was very feminine, but that was not the case for ye mu bai. lu man was only superficial to please others, but wen yuan was a woman in his bones. all of her charms belonged to ye mu bai alone. he was not willing to share her charms and looks with others in private.

“do you like it?” wen yuan asked as he wrapped his arms around his neck.

“How can I not like it? I like it very much.” He bit her lips lightly.

However, it was not appropriate for a lover’s intense activity to take place in the old residence, so he took her to the living room.

on the other side, ye mulin’s car had already driven in. they were about to get out of the car, but bai sulli and bai anan peeked at xiao bai and his wife kissing.

ye mu lin, a person with high status and power, actually let them be helplessly. he only complained a little, ” “Bai Sulli, you’re going to lead an ‘an astray.”

“don’t you like me like this? how is it broken?” She even talked back to him!
