

## Thank you 4081

Chapter 4081: my man had undergone vasectomy (5)

Ye Mulin unbuckled his seat belt and carried her to his lap.

“ye mulin, what are you doing?” bai suili screamed.

” didn’t you say that i like you a lot? of course, i want to like you. ” Ye Mulin did not do anything immediately. He paused for a moment and the little person in the back seat immediately opened the door and jumped out, leaving the space for his father to do evil.

“bai anan!” bai xiuli was furious.

Bai Anan pretended not to hear him and ran away quickly.

Ye Mu Lin had one hand on the steering wheel and the other hand was lightly pinching his rice worm’s little chin, playing with it.

...

“i want to get off the car.” Bai suili struggled against his body, but she had accidentally made him angry.

She was stunned for a moment, then looked down at the unsightly part under the expensive material.

“You’re shameless, Zhenzhen.” her little face was a little red as she gritted her teeth and scolded him.

ye mu lin continued to speak slowly and chuckled.”If I don’t have any reaction when you’re like this, then you’re not a man.”

In fact, he hadn't touched her for a few days, mainly because he was too busy. Every night, he would come home at about one or two O'clock and get up at six in the morning. He could see her all day, and Bai Sulli was almost asleep. It could be considered that he hadn't seen her for a few days, but the traces of her sleeping on the pillow in the morning indicated that he had come back.

today, he had some free time, so of course, he was angry.

you're just shameless. she gritted her teeth. you're so horny outside.

"Do you even care about the occasion for this kind of thing?" he chuckled and deliberately teased her. he even took her hand.

of course, bai suili refused. she was both shocked and angry, but she didn't dare to make a sound, for fear that others would hear her.

After staring at her for a while, he still felt that this was not the right place, so he let her go. get out of the car first. I'll wait for a while.

When Bai suili jumped out of the car, her legs were also a little weak. She made a face at him. I'll let you stare.

He was still sitting in the car, wearing a classic black suit. He looked handsome and compelling, and his face was slightly restrained because of the love Jade. It gave off a very restrained feeling, but also very tempting.

Bai Sulli looked at him and swallowed her saliva. She suddenly felt that her husband was a bit of a feast for the eyes.

Ye Mulin was still sitting in the car with his long limbs and a smile on his face. you can't bear to part with me. Do you want to get in the car? "

"I don't want to." The rice worm resisted the temptation and retreated. She even made a face at him, saying that he was a lecherous man.

Ye Mulin smiled. He smoked a cigarette in the car to calm the desire in his body before getting out of the car.

after tidying himself up, he made sure that there was no problem before walking into the hall. that little idiot still thought that he could fall in love with anyone!

he had a smile on his face, a smile that only men who lived a very comfortable life would have.

it might be a little hard to be with shirley, but he would get more fun. he was willing to do it, and he had no regrets.

when he walked into the living room, aunt gui had already laid out the dishes on the table. the house was lively, but the more lively it was, the less people there were. ye zhenggang was a little lonely, and this loneliness was without su fu.

after dinner, he went upstairs to call his ex-wife while his two sons were still there. su fu picked up.

” the children are all here. leave the little ones with me for the next few days. if you miss them, you can come over with ran ran and hao yun. ” Ye zhenggang sighed.

In fact, he missed her. Because he owed her and missed her, he had no choice but to accept Hao Yun’s existence.

Chapter 4082: my man had undergone vasectomy (6)

he even thought of competing to see who could live longer. if hao yun could not live longer than him, he probably still had a chance to reconcile.

even if he ended up with su fuzang, it would be good.

however, he was clear that it was impossible in this life.

Hao Yun was living as she wished, but he was all alone now, so how could he survive?

in fact, so what if he was buried in one place? su fu already had hao yun in his heart, while ye zhenggang had long forgotten about her.

he didn't notice what su fu said, but when he went downstairs, his eyes were a little wet.

...

The livelier it was, the lonelier it would be. This was the case for a person like ye zhenggang, who had fallen from prosperity, to have nothing in the end. It seemed like he had a family of children and grandchildren, but in fact, he had lost the most important person in his life.

Su Fu, the only woman who had surprised him, had still been lost by him.

Therefore, he hoped that his sons would be well and not follow his old path. He called his second son, ye mu Bai, to the study room and taught him a good lesson. Ye mu Bai understood that his second son was sad and resentful because he thought of his mother.

Ye zhenggang was in the wrong in this matter, but wasn't he feeling lonely now?

father, there's nothing going on between Wen Yuan and me. I can't say that I'm completely right about what happened in the past, but I've never thought of hurting Wen Yuan. It's all gone after we got married. I can guarantee one thing. ye mu bai smiled.

Ye zhenggang's expression was a little heavy. After a while, he let out a deep breath, "Mubai, if you love her, then treat her well. Don't lose her. If you lose her, you'll never be able to find her again.

"Dad," he said. "i'll find someone to take care of you," ye mu bai said in a low voice.

ye zhenggang was a little embarrassed, and after a long time, he waved his hand. "there's no need. no one takes better care of you than your mother. yingluo, there's no need for that. i'm not used to other people either. "

even when he spoke like this, he felt an unspeakable sadness in his heart.

She felt lonely when she was alone, but when there were more people, she felt lonelier and missed su Fu more.

Her heart ached a little, but she would never forget the pain.

ye mu bai did not know what to say. he had left with ye mu lin.

the children stayed. the couple found a place to have a few drinks. they chose a high-class bar that was member-only and chatted in secret. bai suili and wen yuan would have private conversations together. the two women would talk about lu man and ye mubai's past affairs.

you're saying that Lao Bai had a vasectomy and used his fingers to get Lu man pregnant? " Bai suili lowered her voice. insider news. I heard that Lao Bai had undergone vasectomy. Wen Yuan, you know about it, right? "

Wen Yuan looked at her for a while and lowered his head."lu man doesn't know."

Bai suili's voice was like a sheep's. she's doing it on purpose. I don't know what she did, but she got herself an illegitimate son and wants to drag Mubai down. By the way, why didn't Mubai announce to the public that he had undergone vasectomy? "

vasectomy can only deny that the child is not Mubai's, " Wen Yuan smiled. it can't deny that he and Lu man did not have sex.

Bai suili whispered,"you're right." then what do we do?"

Wen Yuan smiled. there's nothing else to do. Not responding is the best response. I think Lu man can either find someone to take over or abort the child. She can't blame anyone.

Seeing her like this, Bai suili felt relieved.

Wen Yuan's voice was soft. Xue Li, I can actually understand her. I've done crazy things to Mubai before.

## Chapter 4083: my man had undergone vasectomy (7)

She had practically gambled everything she had in exchange for a chance.

in the end, she got together with him as she wished. she knew how much she had been hurt, how many tears she had shed, and how many times her heart had ached. it wasn't that she didn't mind his past, but she couldn't afford to mind it.

in love, whoever fell in love first would be the weaker one and the loser.

the only way to turn the tables was to wait for the other party to fall in love with you.

ye mubai only loved her after they had ye hui. she couldn't bear to argue about the things that happened before the wedding. otherwise, they wouldn't be able to live together.

wen yuan knew exactly what he wanted. he would tighten the policies when he needed to, and let go when he needed to. this was the reason why she was so against lu man joining starlight.

...

And now, it was proven that her decision was right. Once she entered, things would not be as simple as they were today.

Bai suili was relieved. She looked up and saw her husband looking at her. His eyes were bright as if he wanted to eat her up.

Of course, he was going to eat her tonight.

the millet worm knew that if she did not listen to him and go home with him, she would be in a very miserable state tonight.

hence, he jumped down. " i'll go back first. you and old white should go home early too. "

Wen Yuan nodded and said goodbye to ye Mulin.

ye mu bai finished the glass of wine in front of him and walked over to hold her hand. "let's go home too."

"Shall we go back to the villa?" Wen Yuan looked at him.

"Why do you suddenly want to go back to the villa? Didn't you move out with great difficulty?" His smile was indulgent and doting.

"Shall we go for a walk and then stay in a hotel?" Wen Yuan asked, tilting his head.

"Are you sure about the hotel?" He stared at her, but he didn't give her time to refuse. He quickly booked a five-star super Presidential Suite, the kind that cost more than 100000 Yuan a night. He didn't even blink and booked it for three days.

"we'll be staying there for three days. miss wen, let's date." he smiled.

wen yuan's face was a little red. "it's enough to hold hands in a relationship. we don't need to stay in a hotel. why don't we stay separately and go home separately?"

"adults have different ways of dating." he grabbed her hand and took a bite."miss wen, what do you think?"

wen yuan hugged his arm. "we're going to watch a movie. i want to have some snacks after that. then, i'll take a walk to the hotel."

this was what love should be like.

ye mu bai smiled lightly and did not say anything. he directly hugged her and walked out of the door.

when they arrived outside the club, there was a flash of white light. he knew that someone had secretly taken photos of wen yuan. he reached out to block wen yuan's face from being photographed. he was a little annoyed that they were disrespectful to wen yuan.

he did not deal with lu man's matter because it had nothing to do with him. everything was just lu man's one-man show. however, he did not want wen yuan to be involved in such a scandal. she was someone he wanted to cherish.

So, his bodyguards in the dark pulled out the person who took the photo and smashed the camera.

Ye mu Bai, on the other hand, hugged Wen Yuan and went to spend some alone time with him.

The feeling of being in love was really good.

The eldest son of the ye family and his rice weevil were in love every day. Even Bai Anan's presence could not affect the passion of the couple.

Bai Sulli was the one who drove back. Ye Mulin sat beside her with a lazy expression on his face. She knew that he had not rested for a long time. He had been busy for about a month, going abroad and visiting the South. He was exhausted.

I'll make you some tonic when we get back, " she said in a little sheep's voice while driving.

oh! Since she married him, Bai suili's age had also decreased.

Ye Mu Lin's clean and long fingers supported his chin as he smiled. "I'll cook for you tonight."

Chapter 4084: That wine is very strong (1)

When the little sheep heard this, it knew that this was not going to be an ordinary night.

Her little face was a little red, and after a long time, she whispered, "ye mulin, can't you control yourself a little?"

“You want me to control myself?” “I’ve worked so hard for this job,” he said in a hoarse voice. “I can’t even hug my wife to my heart’s content. What’s the point of me living?”

The rice worm coughed lightly and tried to reason with him. “You can’t say that. Think about it, there are actually many things to do in life.”

“For example, making love.” He answered.

Bai Suili, “There’s no way to continue this conversation.”

...

They were an old couple, and everything was familiar to them. When they returned to the villa, he carried her into the bedroom.

The servants all avoided her.

In the bedroom, the rice weevil was taken. The elder had done a terrible job. She felt that he was so energetic today. When he really couldn’t take it, he would put his arms around his neck, act coquettishly, and praise him. She knew best what he liked to hear now.

Usually, if she had this realization, he would definitely let her go, but today was different. No matter how she begged him, he still trapped her under his body and did it again and again.

After that, Ye Mulin kissed the sweat on her forehead and said in a hoarse voice, “I’ll carry you to take a bath.”

“I want to soak for a while, it’s sore all over,” she said.

As he said that, he glanced at her with a grumble.

Ye Mulin laughed. After that, when he carried her to soak in the hot water, he slowly said, “When I was socializing with old Zhou and the others this afternoon, I got a very strong and drunk lunchbox.”

Bai suili caught on and grabbed his arm, ” “they ran ran found a little girl.”

He didn't deny it. He looked at her with a smile, reached out to rub her round earlobe, and blew a hot breath on her side.”your man has been holding it in for the entire afternoon.”

“You can also go find a little girl.” She said gloomily.

Ye Mulin laughed. you're saying that out of anger again, Wanwan.

He caught her on his body and said in a low and hoarse voice, ” “if i had found someone else, i wouldn't have the energy i have now.”

His actions frightened her so much that she pressed against his shoulder. “I don't want it anymore, Yingluo.”

he slowly tried not to scare her, his voice low and hoarse.”Bear with it.”

Finally, he pulled her into his arms and kissed her lips with all his might.

in fact, it was not dragon tiger wine. he could not bear it when it was just her. besides, they had not done it for a long time.

after two more rounds in the bathroom, bai sulli, who had been cracking bones and stewing marrow, could barely walk. he carried her to the bedroom to rest and bent down to kiss her on the lips. ” “i'll go downstairs. i'll call you later.”

bai suili immediately wrapped her arms around his neck. ” no, i'm not hungry. ”

I'm hungry, Mrs. Ye. I'm starving after cooking so many times. he smiled, feeling that it was not enough to be with her. he laughed at himself in his heart.

He still went to the kitchen. This was the most high-end villa area. The lights were bright outside the kitchen's floor-to-ceiling window. He could see the swimming pool outside. It was as blue as the sky. In the distance, there were other villas.

the night was quiet. ye mulin stood below with a rare relaxed expression.

In his current position, he rarely had the chance to relax, and only when he was with Xue Li could he feel his body and mind relax.

as he was in a high position, he could somewhat understand ye zhenggang's choice back then.

Power was indeed charming and easy to get lost in, but he would never do that, because for him, the biggest temptation in his life was Bai Sulli.

Chapter 4085: that wine is very strong (2)

She was a messy, lazy, and stupid rice weevil who did not know many things. However, he wanted to give her a lot. Even if he had to give up everything, he wanted to make her happy.

they didn't want any more children. on one hand, they couldn't bear to see her suffer the pain of childbirth. on the other hand, they wanted to enjoy their married life. yes, enjoy it. he didn't feel tired at all.

he enjoyed it.

a pair of thin arms wrapped around his waist from behind. the little woman's face, which had endured too much rain and dew, was pressed against his back. she said softly, " "Ye Mulin, you're the best."

she remembered that when she used to follow behind old white, ye mu lin would always look at her with disdain. fortunately, she was the stupidest creature in the world, but in fact, he was the stupidest. there were so many capable and beautiful women, but he chose her.

"you know that i'm well?" his voice was really charming, with a unique masculine voice.

...

Bai suili laughed, then asked in a low voice, "How did you feel on our wedding day?"

he was marrying her on behalf of old white. she remembered that his face was sullen at that time.

chief ye paused for a moment, then chuckled, " "Secretly feel good!"

"Can you be more serious?"

"I think I raped you on our wedding night. Was that considered serious?" He teased her on purpose.

bai xiuli was furious. " what rape? you obviously don't know how to do it. you're just a rookie. "

that day, she was in so much pain, and he had gone on a business trip as soon as he had pulled up his pants.

Ye Mulin was still smiling. He placed the noodles into two exquisite bowls and placed one in his little wife's hand. His voice was filled with love. "are you feeling comfortable now?"

Bai Sulli said, "other than blushing, it's still blushing."

She took her own bowl and ran to the small dining room to eat. She ate very well.

Ye Mulin, on the other hand, did not eat immediately. Instead, he leaned on the side and smoked a cigarette. He felt satisfied when he saw her eating so happily.

after finishing a cigarette, he came over to join her.

After Bai suili finished eating, she didn't want to leave, so she looked at him and said, "i'll wash the dishes later."

"Just leave it. "I'll let Auntie wash it tomorrow," he said lightly.

bai suili refused. " just a while. it won't take much time. "

the moment she said that, ye eldest looked up at her and said very slowly, " wait, I want to do it two more times. Accompany me.

Ah!

Bai suili almost screamed and wanted to escape.

as he ate, he caught her with one hand and easily pulled her over to sit on his lap.

he finished the noodles in a few bites and carried his little girl back to the bedroom.

bai suili's fist kept hitting him,"I knew this noodle wouldn't taste good."

he was like this every time. if he wanted to make more, he would say that he would make noodles for her to eat to make her feel touched.

It was also considered a half-time break.

He's too bad, Wuwu!

Ye clan's eldest son chuckled,"the noodles aren't good. I'll feed you something better." It's your favorite."

bai suili's face turned red, and she glared at him,"I don't have a favorite."

"Then let me do it, I'm also your favorite." He laughed hoarsely and kissed her for a long time, until she was soft before he succeeded.

he was very satisfied that night.

at the same time, the second son of the ye family was also satisfied.

He brought Wen Yuan back to their villa. It was also a gentle night. In this gentleness, it was as if Lu man and all the things in the past did not exist, and there were only the two of them.

He slept until it was almost 10 O 'clock. He had to go to the company and got out of bed to get dressed.

Chapter 4086: That wine is very strong (3)

wen yuan woke up.

“Let’s get up together and go to the company with me. I’ll get the driver to send you to school later, or you can go see Xu Mo.” He gave her a kiss.

wen yuan thought for a moment. ” i’ll go and see xu mo! ”

after all, the matter was there, so she still asked, ” “what do you say about lu man’s matter?”

“that never happened.” ye mu bai’s voice was very soft. ” wen yuan, i won’t admit it. however, i don’t want to hit her when she’s down. let’s just do it naturally. ”

wen yuan thought about it and agreed.

...

if ye mu bai were to make a big fuss about lu man’s matter and bring benefits to himself, he would be too unkind and lose his demeanor.

he didn’t explain and just ignored her.

she followed after him. ye mu bai prepared breakfast and lunch as a way of getting by. he planned to take her out for a good meal at night.

he dropped her off at the hospital and went to the company for a meeting.

Wen Yuan went to see Xu Mo but did not expect to meet Lu man.

After not seeing her for so many days, Lu man looked much more Haggard. However, when she saw Wen Yuan, she immediately put on a fighting stance. Wen Yuan could only sigh in his heart but still went up to her.

“Do you have time to sit together?” Lu man asked.

Wen Yuan looked at her hand on her waist as if she was very concerned about the child in her stomach. She thought that she should give the child a fair treatment. At least, she should let Lu man know the truth before making a choice.

they chose a café. wen yuan ordered a cup of matcha while lu man ordered a glass of water.

wen yuan sipped his coffee lightly and said in a low voice, ” “you’re planning to give birth to it?”

“yes, give birth to it,” lu man looked at her and said slowly.

do you want this child, or does Qianqian want to disgust me? you know that Mubai will not acknowledge this child, Qianqian. Wen Yuan’s voice was even lower.

lu man’s lips trembled. ” but it’s ye mu bai’s child. we had sex at the award ceremony in hong kong.  
”

Wen Yuan did not say anything.

not long ago, ye mu bai and lu man went there as well. at that time, they were discussing a collaboration, so when lu man said that they had sex and had a child, she seemed to have no way to refute it. however, lu man did not think of one thing.

” mubai has undergone a vasectomy. even if he sleeps with you a hundred times, he won’t let you have a child. ” Lu man, ” Wen Yuan said softly, ” I don’t mean to win by telling you this. I just want you to make the right choice.

lu man was dumbfounded. she could not come back to her senses for a long time. she stared at wen yuan. ” you’re lying to me, aren’t you? ”

“No, after I gave birth to ye Hui, he had a vasectomy because we don’t want children anymore.” Wen Yuan said quietly, ” so, this child can’t be his. As for whether you’ve slept with him, I think Lu man, you know best in your heart. You have the best resources. Why waste your youth on a man who doesn’t belong to you? ”

Lu man’s face was still pale. After a long time, she finally said in a low voice, ” “I don’t believe you.”

“It’s up to you whether you believe it or not. You can also give birth to it and do a DNA test. You should know the results.” “lu man, this is a child. you shouldn’t use it as a tool.” wen yuan’s voice was gentle. it’s up to you to decide if you want to give birth to her or not, but you have to give her motherly love when she’s born, because you’re the one who decided to give birth to her. ”

it’s over, ” she said and stood up. I don’t think you’re that stupid.

lu man sat there and waited for wen yuan to take a few steps before she suddenly asked, ” “why did you tell me? wouldn’t it be better if you didn’t tell me and just watched me make a fool of myself? don’t you hate me?”

Chapter 4087: i have nothing to do with him (1)

wen yuan shook his head. ” i don’t hate you, and i don’t want to see you make a fool of yourself. lu man, i’m just a woman who wants to protect my marriage. i’m not wrong. it’s you, qianqian, who’s at fault. don’t forget that ye mu bai is married. it’s immoral for you to do this. ”

It was Lu man’s own choice to reap what she sowed. It was also her choice to not die if she did not seek death.

she would have to bear the consequences whether she gave birth to the child or not. ye mu bai would at most be disturbed by the rumors, but the truth would eventually come to light. everything would be over without a trace.

Therefore, it was foolish to use one's life to take revenge or scheme against others.

wen yuan would not. if this man no longer loved her, she would leave him without hesitation.

That was why the one being loved was fearless!

...

Lu man had always been the loser. She had never gotten anything and had too many delusions.

Or perhaps, she did not love ye mu Bai that much. She just could not stand the fact that a man did not take her seriously and could not stand the fact that she had lost to Wen Yuan, who was not famous at all.

After Wen Yuan left, Lu man was still sitting quietly with her hand on her lower abdomen.

there was really a life here. the child's father was a wealthy businessman, but he would not allow her to give birth to the child. now, she could only abort the child.

she couldn't bear the risk of being a single mother. she still wanted to be an international lu.

However, when the storm passed and she was involved in a circle of scandals, she was no longer the Lu man she used to be. She had no films to take on and no variety shows to do. She was practically banned.

it was only later that she realized how silly she had been.

Ye mu Bai had ye Mu Lin's back. How could she think that she could escape unscathed?

Lu man had disappeared from B city and the entertainment industry. She had lost terribly.

wen yuan arrived at xu mo's ward. xu mo listened quietly and said softly, " " she's just too conceited. i never thought that lu man would be such a reckless person. "

"this is probably true love!" wen yuan smiled.

what true love? it's just finding the best path after weighing the pros and cons. This kind of thing doesn't deserve sympathy. I bet she'll abort the child. Xu Molue sat up, his face pale."i have some news that she is very close with the boss of a certain group. The child is most likely that person's, and you still want President ye to be a bastard."

In fact, other than disgracing Wen Yuan, Lu man's intention was very sinister. If they were to get a divorce, she could go after President ye again, or abort the child and say that the test was wrong. Or if they did not get a divorce, Lu man would claim that the child was president ye's. If she gave birth to the child, it would be disgusting enough.

Wen Yuan covered her with the blanket. don't talk anymore. Take a break. It's only been two days since the operation.

"I'm much better, but I'm so hungry that I can't eat anything," xu mo muttered.

wen yuan laughed. " you'll be able to eat it in a few days. just bear with it for a little longer. by the way, i only saw the nurse. where's kang qiao? "

When she asked this, Xu Mo's expression became uneasy. After a long time, he whispered, " "Why are you asking about him?"

" i asked him to take care of you, " wen yuan said. " of course i have to ask when he's not around. "

Xu Mo looked at her. I told him to go back. I don't want him to take care of Wen Yuan. What's the big deal? "

wen yuan could tell that she had not changed her mind immediately and could not force her. after all, she was a patient. " tell me what you want to eat. i'll have someone prepare it and send it over in two days. also, you really have to take care of your body. "

## Chapter 4088: I have nothing to do with him (2)

“i know,” xu mo said in a low voice.

wen yuan reached out and touched her face gently. ” it’s good that you know. you’re the person i’m most worried about. ”

In her heart, Xu Mo was always on her mind. Xu Mo had never told her before that he was feeling unwell. She also knew that she could not take care of him all the time. However, it was different if she had a family. Teacher Kang and Kang Qiao were good choices. This was Wen Yuan’s assessment after he gave up on the emotional aspect. At least teacher Kang was an upright and easy to get along with person. In addition, she liked Xu Mo very much.

Xu Mo could reject Kang Qiao, but she couldn’t reject teacher Kang.

Teacher Kang had come to see her and take care of her. Although she politely said that there was no need, it was not easy for her to rush the old man here, so it was teacher Kang who had to accompany her every night, which made Xu Mo very uneasy.

Kang Qiao arrived at nine in the evening. His mother was sitting by the bed and chatting with Xu Mo, looking tired. He pushed the door open and entered. Xu Mo glanced at him and said in a low voice, ”You can send Auntie home. There’s a nurse here.”

...

kang qiao walked over, bent down, and spoke to his mother gently, ” you were busy with class in the afternoon. Why are you here at night? I’ll stay here!

Teacher Kang sighed. Xu Mo is used to having me around. It’s not convenient for a man like you to be here. After all, you’re a girl.

Xu Mo really didn't know what to say after she said that. He could only open his mouth and coax her to go home first."It's good that Kang Qiao is here. Teacher Kang, you can go home first. I'm really fine here. Dr. Qin's surgery was done very well. I don't feel much pain and can get up. I really don't need care. There are nurses here too."

Teacher Kang looked at her, " then, Kang Qiao is here? I'll come again tomorrow afternoon."

xu mo knew it was a trick, but he was helpless. he smiled bitterly as he watched kang qiao and teacher kang leave.

The young nurse who was watching from the side knew what was going on. She smiled. " kang qiao is chasing you. even old mother has used it. he is quite sincere. "

Xu Mo lowered his eyes. he's so sincere. I don't dare to believe him.

As long as Kang Qiao was in this circle, she really didn't dare to trust him.

No, she didn't dare to believe that he would leave this circle.

Xu Mo wasn't naive. It would be a joke to say that someone who had been through fire and was famous in this circle still had true love. If Kang Qiao had one, it would be Wen Yuan, not the Xu Mo he ridiculed for being flat and strong.

to her surprise, kang qiao came back after five minutes. xu mo slowly laid down, " "Where's teacher Kang?"

he sat by her bed and said shamelessly, " "i asked the driver to send her back."

"I don't need anyone here, you can go back!" Xu Mo covered his face with the quilt and said coldly.

she had made up her mind to ignore him.

"If you don't want me to be here, I can ask my mother to come over and accompany you. I think the car isn't too far away." Kang Qiao didn't force her.

after he finished speaking, he looked like he was about to make a call. xu mo was so angry that he smacked the phone away from his hand.”Don’t you have any shame?”

Her phone fell on the blanket, and because she used so much force, it affected her wound, causing her face to turn pale.

kang qiao couldn’t care less about his phone as he leaned over,”does it hurt? check if the wound has opened.”

with that, he pressed her shoulder with one hand and pulled off a corner of the blanket and then the hospital gown without her objection.

Chapter 4089: Do you still want to say one thing and mean another?(1)

When his fingers touched her waist, he felt that she was very thin. She had lost a lot of weight. In addition to the surgery, she could not eat these days and could only be on nutrient fluids. His heart ached a little, and then he carefully lifted his clothes.

looking at the faint blood on the gauze, he looked up at her. ” you’re bleeding a little. I’ll get the nurse to change the gauze for you.

Xu Mo said no willfully, but how could he allow her to say no? He directly told the nurse beside him to let the doctor come over and take a look. Xu Mo whispered, ” “didn’t you say that you only need to change the gauze?”

kang qiao put down his clothes and covered himself with the blanket. his voice was low and hoarse, ” “i’m not a doctor, so i don’t keep my word. let the doctor take a look. be good.”

Xu Mo looked at him and didn’t say anything. He gently placed his hand on the quilt.

he said he was sorry for hurting her.

...

xu mo didn't feel good when he heard this. these words seemed to have an inexplicable meaning.

two young nurses were standing at the side, whispering to each other and looking over from time to time.

the doctor arrived quickly. it was a curly-bearded male doctor.

Kang Qiao frowned, "are there no female doctors?"

Chief doctor Wang looked at Kang Qiao."there are still male doctors in the obstetrician department."

xu mo's pale lips pursed slightly. "chief wang, don't bother about him. "

"men are all controlled at home," chief wang said with a smile.

He carefully lifted Xu Mo's Hospital gown and looked at the wound. it's nothing serious. I'll help you change your wound. You can't make any big movements after this. After all, you just recovered.

His hands and feet were very agile, and he was very gentle. Although it was his abdomen, Xu Mo didn't feel anything wrong. Doctors didn't distinguish between men and women.

On the other hand, Kang Qiao was very concerned. However, he turned this concern into bitterness and swallowed it.

After chief Wang was done bandaging, he laughed again. young lady, you're not bad. I even saw you on TV! Recuperate and continue."

Xu Mo was a little embarrassed when he said this, so he forced a smile.

chief wang made a gesture and said,"alright, let's rest!" just bear with it for a while longer, and you'll be able to eat some simple liquid food in two days."

xu mo nodded. " thank you, chief wang. "

Chief Wang smiled and went out. Before he left, he even glanced at Kang Qiao's face.

after the department director left, the two young nurses tactfully followed him out."mr kang, call us if you need anything, we'll be outside."

kang qiao nodded.

when he closed the door and returned, xu mo was lying there without a sound.

He smiled. what's the matter? "

xu mo looked at him, and after a long time, he muttered,"it's no use, kang qiao, it's impossible between us."

"What do you mean by impossible?" He sat beside her and said in a gentle voice, " "as long as we don't give up, it's possible."

Seeing that she did not look well, he changed the topic. are you hungry? "

"What do you think?"

as soon as she finished speaking, kang qiao gave her an extremely ambiguous smile. " i'm hungry too. "

Xu Mo turned his head. if you're hungry, go eat. Yingluo, it's best to go home. Don't come over.

There was no one in the ward, so he didn't need to pretend anymore. He went over directly and leaned against the side of her pillow. His voice was low and hoarse. I'm not hungry.

Xu Mo's face was a little hot, and she was a little angry. She wanted to turn around and get angry at him, but Kang Qiao suddenly gently pressed on her waist and said in a hoarse voice, "director Wang said, don't move too much, or it will be bad if the wound opens again."

She continued to glare at him.

Kang Qiao smiled and moved closer to her, almost to her ear,"it seems like we haven't done it in a long time. i'll feed you when you're better?"

xu mo really didn't expect that he would say this to her on the hospital bed. she gritted her teeth."Kang Qiao, if you're in a relationship, you can find someone else. You don't lack a bed partner."

His expression wavered for a moment, as if he had been injured.

after a moment, he muttered, there won't be anyone else in the future! I'm serious."

just as she was at a loss on how to deal with him, he had already gotten up and did not pester her any further.

...

kang qiao didn't eat anything after he came back from outside. he didn't have the mood to be exquisite, so he directly ordered a takeaway. a person of his status only ordered a simple meal and finished it in the ward.

Xu Mo really wanted to ignore him, but when he smelled the fragrant smell in the air, he licked his lower lip.

"you want to eat?" "Bear with it," he laughed.

she turned her head away in anger.

Kang Qiao packed up his things and came over, ” “I also want to.”

“Let’s have two children in the future, okay?” he said to himself.

when he said this, xu mo remembered the time when she swallowed the morning-after pill. the night was so cold, and she sat on the road alone and drank about ten bottles of beer, crying out loud.

and now, he was telling her that he wanted to have two children.

Xu Mo lowered his eyes,”there are many people who want to have children with MR. Kang.”  
&Nbsp;

He laughed and reached out to touch her head.”When my mom was around, you were kind to me. Now that there’s no one else, you can just call me Kang Qiao.”

He leaned closer to her. we’ve slept together, haven’t we? ”

Xu Mo glared at him. you’ve slept with so many women. Why don’t you care about them one by one? ”

no man would answer this question. kang qiao was not stupid.

He didn’t answer the question, but said,”ruan Yun is no longer my manager, Wanwan.”

Xu Mo suddenly looked up.

He smiled bitterly. Xu Mo, I just want to tell you that I really want to take care of you and cherish you. Even if Hanhan loses everything.

xu mo’s eyes had already turned from shock to calmness. she looked at kang qiao and said in an extremely light voice, ” “That’s just your one-sided thought. Kang Qiao urged me to be alone.”

“Kang Qiao, you’re used to this kind of life, can you bear to leave?” he paused for a moment and said with a slightly bitter voice.

“Xu Mo, you don’t know how good you are.” He sighed.

He didn’t force her and just tidied up the blanket for her. you’ve been talking for a long time. Take a break. Call me if you need to go to the bathroom.

His care was too overbearing and Xu Mo could not trouble Wen Yuan to take care of her, so she could only accept it.

she thought that they would have nothing to do with each other after she was discharged.

therefore, she stayed in the VIP ward of the hospital. this small ward seemed to become the sweetest place, as kang qiao would come over whenever he was free.

two days later, she could eat. teacher kang started to make her different kinds of tonics, but it was always kang qiao who sent them. their relationship was lukewarm in private, but in the nurse’s eyes, xu mo was the person in kang qiao’s heart. the reporters smelled blood and began to investigate, intentionally or otherwise.

Ordinary people couldn’t enter the VIP Ward, but the reporters were so powerful that they found out that the person Kang Qiao went to see was Xu Mo, the one who fought with the little puppy Bai jingxuan.
