

## Thank you 4111

### Chapter 4111: Do you think I won't be angry? 2

With that, he walked out. After a while, Xu Mo heard the sound of cooking coming from the kitchen. Kang Qiao's cooking was pretty good. He probably grew up cooking in the past, so the taste was pretty good too.

she thought to herself, other than his mother, no one else could enjoy such meticulous service from him.

she should be touched, but she just felt that something was missing!

xu mo got out of bed and wanted to take a shower, but after thinking about it, he didn't. instead, he went to the kitchen.

“what did you cook?” she asked as kang qiao was cooking.

“poison!” He said unhappily, then glanced at her. “Do you dare to eat it?”

...

xu mo reached out and hugged his waist. this was a very intimate action. from the past until now, she rarely kissed him like this. kang qiao was stunned for a moment, and then his heart palpitated.

he used to like wen yuan, for a long time.

of course, he was hoping for it. however, wen yuan already had someone in his heart. by the time he became famous, he already knew that ye mu bai was in her heart.

as for other women, he was just addicted to the game of flesh and money. he never wanted them to be warm and considerate to him, so this kind of embrace was unnecessary for kang qiao.

But at this time, when Xu Mo was holding him like this, he actually felt particularly comfortable and indescribable.

Her heart softened, and her voice became gentler. go get some fruit to fill your stomach. Don't go hungry, or your stomach will hurt again.

"is your heart aching?" xu mo was hugging him, his voice low, and he was deliberately acting coquettishly and trying to please him.

"You want me to cut it for you?" Kang Qiao looked down at her.

she smiled and let go of his body, not knowing that he had just been so shocked.

kang qiao watched as she obediently sat down at the small table and ate an orange before continuing to cook. knowing that she was hungry, he made two simple dishes and a soup. the taste was excellent. xu mo had already had enough of the orange, but he couldn't help but eat more after smelling the smell. in the end, his stomach felt a little bloated.

Kang Qiao put down his chopsticks and asked worriedly, " "what's wrong?"

Xu Mo bit his lip and said in a small voice, " " i don't feel well. i'll go lie down for a while after you eat. "

How could he not worry about her? he immediately went over and gently picked her up, walking towards the bedroom.

"did you eat too much or did you feel uncomfortable before?" he asked in a low voice.

Xu Mo's face turned red and he didn't go over."I ate a little too much."

His gaze was deep as he leaned against the bed and placed her in his arms. His voice was a little low."don't eat so much next time. you can eat when you're hungry."

Her stomach was different from usual and she could not eat too much, so it was a little troublesome to raise it. He wanted to bring her to his villa and get a chef or two to take care of her stomach.

when he was still around, he even posted that when he was not in B city, he would always worry about her meals and her work.

in private, kang qiao felt that xu mo's body wasn't suitable for managing the family of love all day long. she often went to look for sponsorships and had to socialize. just thinking about it made his heart ache.

However, he couldn't say too much now. He was still on probation.

Xu Mo leaned into his arms and said softly, "I'm not embarrassed."

As she said that, her expression seemed to be in pain. Kang Qiao became nervous all of a sudden, "what's wrong? "

Chapter 4112: do you think i won't be angry?(3)

xu mo let out a sigh of relief. " i'll be fine after resting for a while. don't go crazy again. "

Kang Qiao hugged her and covered half of her body with the blanket. He carefully placed his hand on her stomach and gently rubbed it to relieve the pain.

The night wind brushed against his face. Xu Mo leaned on his shoulder and was being hugged and rubbed like this, and it actually felt a little comfortable.

he had a special feeling.

her breath was a little buzzing and her voice was hoarse. "this is good."

Kang Qiao didn't move and let her rest in his arms.

...

“are you feeling better?” he asked softly after a long time.

she responded in a daze and then hugged his neck again. ” don’t move. hold me. ”

his heart softened for a moment, and he no longer had any other charming thoughts. he only hugged her with all his heart.

Kang Qiao had never thought that one day, he would be sincere to a girl other than Wen Yuan. But now, he was sincere to her.

Even if it was trouble, even if it was an idiot, he seemed to have accepted it.

After that, he coaxed her to sleep. He knew that her not recovering today had something to do with him being impetuous. Thinking that she had recovered a little, he did not care about her anymore. Now, he was a little regretful.

She was in a deep sleep, but he was not sleepy at all. He stared at her face for a long time.

he actually had some things to arrange with her tonight, but he couldn’t bear to wake her up after such a scene. he looked at her in the middle of the night and made sure that she was fine before he fell asleep.

the next morning.

when xu mo woke up, kang qiao was already up and was coming out of the bathroom. she didn’t have a dressing room and he was a very particular person, so he went to the bathroom to change.

she opened her eyes and saw him walking over. he was wearing a very formal suit, as if he was going to attend a job.

xu mo leaned his head on the pillow and asked softly, ” “Where are we going today?”

She thought that he was only participating in a program and wouldn't be going out of the city. But Kang Qiao said, " " i'm going to France for two days to attend an award ceremony. i wanted to cancel it, but i really couldn't. "

She knew that he couldn't reject it because Yingluo probably won the award, so she smiled. "it's pretty good."

he also smiled. " you're happy too, aren't you? "

She hummed in agreement.

kang qiao's fingers gently caressed her face, " "I wanted to bring you along, but I was afraid that you would be too tired."

xu mo shook his head.

She didn't reject him. In fact, she felt that their relationship was just cohabiting. They weren't even close as a couple. They could just leave whenever they felt that they weren't suitable.

Kang Qiao looked into her eyes and probably realized what she was thinking. His eyes darkened, and he took a deep breath before changing the topic, " " come and stay at my place for the next two days. there's an auntie there to cook. i'm really worried about you being alone. "

"i can take care of myself," xu mo objected.

He stared at her and said slowly, " I've already told my mother. She's even more worried. Why don't you let her come here and take care of him for two days? "

this was even more excessive. how could xu mo bear this? he glared at him. " kang qiao, don't make me lose my freedom. i'm much better now. if you really don't want to cook, you can order takeout, yingluo. "

As soon as she finished speaking, he caught her red-handed. how can you eat takeaway with your stomach? "

She stopped talking and turned her face to the side.

Chapter 4113: Do you think I won't be angry?

For a long time, the two of them were silent, and his breathing became heavier.

after a long time, xu mo turned around and stared at him. "don't be like this. You'll make me feel like I'm a child who can't handle things. I'm in my early thirties.

Kang Qiao exhaled. you know that you are in your early thirties? if you could take care of yourself, would you have messed up your stomach like this? "

Xu Mo didn't know what to say for a moment. Kang Qiao continued, " "Come to my place, or my mom will come and take care of you."

She did not want to be so close to him, so she blurted out, " "What right do you have to control me like this?"

Kang Qiao's happy expression changed. He stared at her, " am I nothing to you? am I meaningless? "

...

"i just don't want you to care too much about me." xu mo bit his lip.

"If you must say" care "as" care,"then I have nothing to say." kang qiao's temper wasn't very good usually. he was very accommodating to staying at her place. last night, he stayed by her side for half the night, and now she was being so unreasonable.

"Xu Mo, I do like you, but don't think that I won't be angry!" His voice was slightly cold and hard.

with that, he got up, as if he was about to leave in anger.

Xu Mo didn't care about him.

When he walked to the door, he stopped for a moment, probably waiting for her to say something, but Xu Mo didn't speak.

In the end, he didn't say anything and left with a 20-inch suitcase.

this cold war had come out of nowhere.

kang qiao was very angry, but xu mo wouldn't be so angry. she didn't think much of it, but if he thought that taking care of her would allow him to control her, then he was wrong, yingluo.

however, after she made kang qiao leave, she took good care of her stomach and made food on time. she didn't go to the house of love.

the next day, teacher kang came over again. xu mo didn't know if kang qiao told him to come, so he didn't have the face to ask.

however, teacher kang told her about kang qiao's situation overseas and said that he wanted to buy her a gift. she asked xu mo what he wanted.

Xu Mo was stunned for a moment, then he smiled. "There's nothing I really like. I'm resting at home now, so I don't want anything."

Teacher Kang also smiled. She knew that the two of them were at loggerheads, but she couldn't interfere in this matter. She could only look at it according to her son's wishes and take care of Yingluo.

Teacher Kang left in the afternoon.

Xu Mo had a good meal and was lying on the sofa, feeling a little bloated.

she gently put her hand on her stomach and gently rubbed it. her heart softened when she thought of how kang qiao had rubbed her stomach the same way that night.

it seemed that she was quite cold when he left.

Xu Mo let out a long breath. He felt that he was wrong, but then he felt that he was right. Why did she care so much about him? they were just friends. If she didn't like him, she could just leave.

But his heart was still a little stuffy and flustered, so Xu Mo wanted to go out for a walk.

But as he walked, he met an acquaintance!

it was none other than her ex-boyfriend, lin minxin.

xu mo put on his sportswear and walked out. he happened to see lin minxin and ruan yun together in a coffee shop. his appearance had changed and xu mo could tell at a glance that he had plastic surgery.

the root of the mountain was too high, and the long chin and the open corners of the eyes were indeed better looking. he could be considered a handsome man, but compared to the natural ones, he still lacked some essence.

Xu Mo stood outside the coffee shop and watched quietly for a while before he decided to leave.

she didn't expect the newbie that ruan yun was supporting to be her ex-boyfriend. the world was really small.

Chapter 4114: do you think i won't be angry? 5

Just as Xu Mo was about to leave, Lin Minxin also saw her and his gaze was a little straight.

"You know Xu Mo?" ruan Yun frowned.

"Yes, I do." Lin min smiled bitterly.

as he spoke, he put down the coffee in his hand."I'll go and say hello."

He got up very quickly and immediately ran towards the door. Ruan Yun looked at his expression and guessed that it was definitely not as simple as knowing him. They probably had an intimate relationship in the past.

ruan yun was not in a hurry and just sat there quietly waiting.

...

Outside, Lin Minxin was in a hurry and caught up to Xu Mo in a few moments. He called her name, "xu mo,"

xu mo turned his head and looked at him quietly. he was surprised, but he had expected it.

At that time, her family was in trouble, and he had left without hesitation, saying that he couldn't afford to waste time.

That was when their relationship was at its best.

that day, xu mo sat from dark to dawn. she always thought he was joking with her and that he would come back soon to tell her that he regretted it, or if it was true, that he wanted to get through this difficult time with her.

However, she waited from night to dawn, but the person she thought she would spend the rest of her life with did not appear.

time waited for no one, and neither did her family in the hospital. she could only wipe her tears dry and work hard as ye mu bai's assistant. her salary was earned through her blood, sweat, and tears. at that time, she told herself that she could not trust any man, especially when it came to money.

Now, this man had appeared in front of her again, looking at her with a longing and nostalgic gaze.

xu mo only felt that it was ridiculous and ridiculous.

She quietly looked at the man in front of her and lowered her voice."It's been a long time,"

In contrast to her coldness, Lin Minxin was undoubtedly much more enthusiastic. Although Xu Mo looked a little Haggard in front of him and was no longer as young as before, there was an indescribable beauty in his eyes, unlike the young and ordinary Xu Mo he used to.

he knew that she was with kang qiao, but he didn't think that they could last long. kang qiao was very popular, and xu mo was probably just an appetizer for him. he would break up when he was tired of him, unlike him and her, who were pure lovers in their youth.

moreover, he also knew that xu mo had a good relationship with president ye of star light entertainment. although KING entertainment was not worse than star light entertainment, KING entertainment had too many mature artists and he was not young anymore. he wanted to hang out with xu mo so that he could go to star entertainment and they could get married.

Besides, her charity House raised a lot of money in a year, which was comparable to what a popular superstar made.

With such conditions, Lin Minxin naturally wouldn't care that she had a relationship with Kang Qiao. This was how the entertainment industry worked. If she couldn't even let go of this little thing, how could she be popular?

Lin fan's mind moved, and then he revealed a nostalgic expression."I heard that you were sick a while ago. I've always wanted to visit you, but I was afraid that you wouldn't welcome me."

xu mo directly said,"i really don't welcome you. you're right." lin minxin, if there's nothing else, you can pretend that you didn't see me when you're on the road in the future. let's not have anything to do with each other so that i don't implicate you."

after she finished speaking, she turned around and left.

she didn't miss this person, only loathed him.

It wasn't disappointment. This guy didn't deserve to be disappointed.

He was scum.

Lin Minxin was still standing behind her. He said softly, ""i've been regretting it all these years, and i've missed you."

Xu Mo paused, turned around, and said mockingly, ""your acting skills are pretty good. you'll be famous in the future!"

Chapter 4115: Ex-boyfriend (1)

xu mo was somewhat speechless.

The person who had left first had actually said that he missed her. What did he miss? he didn't want her in the past, but now he did. She didn't miss her, but she was afraid it was something else.

xu mo turned around and smiled. " so many years have passed. there's no need. really. "

Lin Minxin continued to stare at her quietly, reminiscing about the past.

xu mo was no longer a little girl. she would not let a few glances get to her. she smiled faintly and wanted to leave, but lin minxin grabbed her wrist."Xu Mo, wait a moment."

she shook him off without thinking and said in a cold voice, " there's nothing much for us to talk about, Lin Minxin. The past is the past. I'm sure you won't forget about it.

...

his expression was a little unsightly, but he was still unwilling to give up."you're not willing to give me another chance?"

This time, Xu Mo didn't answer him. He just shook his head and walked forward.

it was already you and me between them. what else was there to say?

xu mo left, but lin minxin was still standing behind her. he called her name again, ” xu mo. ”

not only did she ignore him, but she also walked faster and faster.

What Lin Minxin didn't know was that ruan Yun had taken a video of him and Xu Mo's fight and sent it to a few verified accounts. Two hours later, Xu Mo and Lin Minxin became the top three trending topics. The title was related to Kang Qiao-Kang Qiao's current girlfriend cheated on her ex.

Ruan Yun was a really ruthless character. She had broken up with Kang Qiao, but still had to eat two mouthfuls of blood.

when lin minxin returned to the café, ruan yun said calmly, ” ” if the reporters interview you, remember not to mention your past with xu mo. just say that you can't forget yingluo and that you didn't expect her to be with kang qiao. ”

Lin Minxin was a little confused. Ruan Yun sipped her coffee and smiled. it's just a normal way of creating hype. If you want to wait until you have a work, I don't know when, but I'm aiming for you to gain popularity.

Although Lin Minxin was already in his early thirties and wasn't considered young, he had done his plastic surgery quite well. She had also helped him lie a few years younger so that he was now 26 years old. Anyway, who knew?

lin minxin was a little uneasy, but he still listened to ruan yun's every word. ruan yun was a gold-class manager who had single-handedly created kang qiao. of course, he had to listen to her.

of course, when he was alone, he wanted to return the favor. ruan yun was single, so she must have her needs. however, she rejected him and said that she would not mess around with artistes.

however, lin minxin knew that she had an affair with kang qiao. everyone in the industry knew about it.

Now that she mentioned the hype, Lin Minxin thought that ruan Yun probably wanted to take revenge on Kang Qiao. As the saying goes, love breeds hate. He thought that it made sense.

two hours later, xu mo appeared on the hot search. because he was also an artist under KING entertainment, qin mo was a little angry. wasn't this a slap to his own face?

Moreover, he was the clearest about who had such a hand!

qin mo called ruan yun into his office with an ugly expression.

the secretary quickly went out, knowing that boss qin was going to get angry.

qin mo looked at ruan yun, and there was a hint of anger on his face. he didn't hide it. "i don't care about what happened between you and kang qiao, but it's your fault that you bought the trending search to insinuate kang qiao. ruan yun doesn't create hype like you do. even a hundred lin minxins can't compare to kang qiao. do you understand?"

#### Chapter 4116: ex-boyfriend (2)

ruan yun was not convinced. "i can help him up. he won't be inferior to kang qiao."

"Do you think Kang Qiao will be popular with that plastic surgery? even if he becomes a celebrity, do you think the reputation and status he will leave in the industry will be comparable to Kang Qiao? King Entertainment created a superstar, not a fresh meat. Moreover, Lin Minxin is going to be a piece of old cured meat soon!" qin mo reproached her rudely.

Ruan Yun still wanted to say something, but Qin mo waved his hand in the air. "i don't care if you're not convinced or not. i'm only telling you that kang qiao is someone i want to protect with all my might. he's just an insignificant person. don't compare yourself to him so easily."

Qin mo was King Entertainment's boss and he had an extremely strong personality. Ruan Yun didn't dare to argue with him. After a while, she said in a firm voice, "I've removed the hot search."

"No need, I'll go." "Tell that Lin Minxin of yours to be careful with his words. Otherwise, don't blame me for being merciless when I freeze him," Qin mo said in a calm voice.

Ruan Yun had witnessed Qin Mo's temper today. He did not give her any face at all.

...

Just as she was about to exit, she saw a very slender girl about 160 centimeters tall enter. She was wearing a simple black pair of jeans with a white t-shirt on it and was carrying a bag. She couldn't tell her age and looked a little mature, but she also felt small, like she was in her early 20s.

When he Huan entered, she did not look at ruan Yun. Instead, she directly spoke to Qin mo, "I'll go pick up Yi Huan."

Ruan Yun knew that this was he Huan, Qin Mo's wife.

he huan was an internationally famous director, but she rarely showed her face and kept a low profile, so she didn't recognize her just now.

ruan yun stopped walking and deliberately slowed down. she heard boss qin's calm voice. "I'm free now, let's go together!"

He picked up his jacket and car keys, walked out of the office with he Huan, and closed the door.

Seeing that ruan Yun had not left, Qin mo stopped in his tracks. ruan Yun, go back and think about what I said just now.

Ruan Yun said yes and watched them leave.

she went back to her office and gritted her teeth. she had never thought that qin mo would like kang qiao so much.

logically speaking, kang qiao's status had already reached a certain height and it was unlikely that he would be able to rise any further. now, KING entertainment should be producing new blood. only fresh blood could compete with starlight entertainment's young hunks like bai jingxuan. lin minxin was indeed not as good looking as bai jingxuan, but he was unscrupulous and desperately wanted to climb up. in this aspect, he was very similar to kang qiao from back then. this was also the reason why ruan yun chose him.

“why did director he come over today?” she asked her assistant.

He Huan had been back for quite some time now. She had her own studio and would not come to King Entertainment easily. She thought that something must have happened and she was not around just now. Lin Minxin might have missed out on a chance. After all, being in he Huan’s movie was a big deal, even if he was the second male lead.

The assistant was about to talk about this, so she lowered her voice. ” sister ruan, director he is here today to pick people for the new movie. i heard that he picked a young hunk and two older actresses. their acting skills are good, but it’s not confirmed. ”

“The male lead is a young hunk?” Ruan Yun didn’t believe that this wasn’t he Huan’s doing.

The assistant laughed,”how could I?” the male lead was already decided a long time ago. it’s kang qiao, KING entertainment’s number one.”

#### Chapter 4117: 1200 words of ex-boyfriend

As she said that, she suddenly shut her mouth and looked at ruan Yun, not daring to say anything else.

After all, ruan Yun was Kang Qiao’s manager in the past, and the Commission was huge. Now, Jian Jia was quite miserable. This was the reality of the entertainment industry. A capable artiste was God. Now that Kang Qiao was favored by director he, his career would only be more prosperous.

She was afraid of offending ruan Yun, but ruan Yun mumbled, ” “So it’s like this!”

It was no wonder that President Qin valued Kang Qiao so much, he Huan’s favorite.

Most people in the company didn’t know about President Qin’s conflict with he Huan, but ruan Yun knew a little about it. President Qin really loved he Huan, but she didn’t know if he Huan felt the same way.

The assistant saw that she wasn't angry, so she leaned over and whispered, " "They're mainly here for Kang Qiao. The others are packed up. But it's up to director he to decide if they're going to be used or not. Most importantly, it's up to Kang Qiao. He can use whoever he wants to act with."

...

after he finished speaking, he looked at ruan yun and waited for her to speak.

Ruan Yun looked at her. who's the fresh meat you picked? "

"not even an 18th-tier one." the assistant was a little disdainful. after thinking for a while, she said, " "but he's still young. he can play the younger kang qiao."

Just this alone was enough for ruan Yun to know that Lin Minxin wasn't good enough. He was already in his thirties, how could he act like a young man?

"Do you know who this script belongs to?" she asked.

"I don't know about that either." The assistant shook her head.

Ruan Yun knew that she wouldn't be able to get anything out of him, so she didn't force him. She turned on her computer and wanted to look at the internet.

at this moment, his cell phone rang.

her eyebrows relaxed. she knew who was calling. at that moment, it felt like a lifetime had passed.

It was Kang Qiao.

Her fingers trembled slightly as she pressed down and put it to her ear."Kang Qiao."

Kang Qiao's voice was cold. ruan Yun, if you're unhappy, you can deal with me. But don't do anything to Xu Mo. Otherwise, I can't guarantee that I won't kill your new artiste. You won't be able to stay in King Entertainment anymore.

kang qiao wasn't trying to scare her. she knew that he had the ability to do so. didn't president qin's meaning just now make it clear?

ruan yun wasn't someone to be trifled with, and her voice was faint. " "i don't understand what you mean."

" don't tell me that you didn't buy the trending searches. we've worked together for so many years and i know your methods the best. i'll give you half an hour to settle this or i'll make lin minxin unable to take care of himself. " kang qiao's voice was cold.

Ruan Yun was exasperated, 'you really fell in love with Xu Mo? What's so good about her that she's worth you giving up on everything?'"

I'm still me. I didn't give up on everything. I'm just living in a different way and finding someone I love. Kang Qiao's voice was still very cold. you should know that my contract with King Entertainment will end in half a year. If I make some requests to renew the contract, do you think President Qin will agree? "

Ruan Yun slowly put down the phone.

qin mo would definitely agree.

she knew that she had no value anymore.

Ruan Yun laughed softly. She had given up so many years of her youth, but in the end, she had lost to Xu Mo.

Kang Qiao should be dazzling, how could he be content with being ordinary now?

ruan yun smiled lightly, but her smile was a little desolate. she had tried so hard for so long, but she could not compare to his first heart.

If it was Wen Yuan, it would be fine, but she was really unwilling to accept Xu Mo.

ruan yun dialed the number and removed the trending topic. but even so, the wave just now was enough for lin minxin to be in the limelight. even after removing the trending topic, there was a new #lin minxin is kang qiao's girlfriend's ex-boyfriend. in short, this was a momentum that couldn't be suppressed.

Ruan Yun didn't know what to do.

in the afternoon and evening, the three of them made it all over weibo. the reason was that someone posted a photo of xu mo and lin minxin kissing in the past. it was actually very innocent, but the title was very ...'bed photo'. in an instant, weibo went into a frenzy.

on the other side, kang qiao also noticed it.

he clenched his fists and wanted to call xu mo, but he hesitated.

they were still in the middle of a cold war, and he seemed a little weak to call her now. besides, she was the one pulling and tugging at her ex-boyfriend.

Chapter 4118: What are you doing here?(1)

Kang Qiao didn't call Xu Mo. Instead, he remained silent.

Since he didn't say anything, Lin Minxin didn't dare to say anything because of the pressure from Qin mo.

after a few days, the news was finally replaced by news of a young flower born after the 80s having an affair.

After a few days, Kang Qiao didn't contact him. Xu Mo thought that they had moved on. After all, with Kang Qiao's position, he really didn't need to care about her.

Xu Mo went to work at the home of love and couldn't help but feel a little uncomfortable when she saw teacher Kang. However, teacher Kang was calm and composed, as if she didn't know that the two children were having a conflict. She still brought her some snacks and even said a few words of concern.

of course, xu mo wouldn't reveal anything in front of the elders, so he just said a few words.

...

when it was time to get off work, xu mo drove home and saw teacher kang waiting for the bus at the intersection in front. she was holding her heart as if she was very uncomfortable, so he quickly stopped the car there and got out to help teacher kang."what's wrong, auntie?"

"it's an old problem." teacher kang saw her and smiled."I'm fine."

you're still saying that you're fine? I saw that you were feeling unwell from a distance. I'll send you home. Xu Mo helped her into the car, and when he started the car, he asked worriedly, " "Why don't we go to the hospital?"

Teacher Kang refused,"I said it's fine!" Really, don't worry about me! i'll go back and take two pills. i'll be fine after lying down and resting for a while."

Xu Mo hummed and looked at the rearview mirror while driving. "you can't be like a child, afraid of injections when you're not feeling well."

Teacher Kang was speechless.

Xu Mo knew that he had guessed correctly and smiled."You're right. Let's go to the hospital."

she looked like she was about to turn the car around. teacher kang said anxiously, I'm really fine today. Look, I'm fine now.

Xu Mo only let her go after she promised him again and again.

The car drove off again. She drove while teacher Kang texted in the back seat. Xu Mo was relieved to see that she should be fine.

After a long time, they finally arrived at teacher Kang's house.

Xu Mo originally wanted to go back directly, but after thinking about it, he was worried."teacher kang, i'll eat at your place."

"I'll make you something delicious," teacher Kang said with a smile.

Xu Mo liked her very much and coaxed her,"i'll cook today."

Teacher Kang was still smiling as she took her upstairs. Her place was a little simple, but Xu Mo was very used to it. It felt better than at Kang Qiao's place.

it was very real.

as soon as she entered the house, teacher kang was busy looking for fruits and food for her. xu mo went to the kitchen and opened the refrigerator."the ingredients are all here, so you don't need to go out."

even so, she still took stock of the food and ordered some fresh ingredients from the delivery service. after she was done, she put on an apron and started to cook.

At Xu Mo's Place, it was natural to cook for teacher Kang, not for Kang Qiao. Because of teacher Kang's contribution to the Family of Love, and because teacher Kang took care of her when she was sick, she would remember this kind intention.

while xu mo was cooking, teacher kang made another phone call and talked for a long time in the room.

when he came out, he chatted with xu mo. " the young people nowadays don't know how to cook. wen yuan is better at cooking than my students. "

in fact, wen yuan had the best background, but he was not impetuous, and teacher kang did like him.

As she said this, Xu Mo hummed softly, "Wen Yuan's cooking is quite good, but most of the time, it's President ye who cooks."

Chapter 4119: what are you doing here? 2

She laughed, and teacher Kang could not help but laugh as well. "you little brat, there's a hidden meaning behind your words."

"are you not happy that wen yuan is doing well?" Xu Mo and her were related, so there was no need for her to hide it now that there was no one else.

Teacher Kang also laughed. it's pretty good. You're doing pretty well too. I hope that you'll live well too.

There was a deeper meaning in his words.

Xu Mo was smart enough not to answer, afraid that Kang Qiao would be mentioned.

She wasn't sure how much teacher Kang knew about her and Kang Qiao, but she probably wanted to be a mother. Otherwise, she wouldn't have taken care of her.

...

She continued cutting the vegetables and said softly, "actually, i just want to be normal."

teacher kang said in a low voice, "xu mo, you'll have to get married and have children in the future. "

"Let's leave it to fate," Xu Mo said softly and then laughed, "Teacher Kang, aren't you living well like this?"

“That’s not the same.” teacher kang sighed and reached out to touch her hair. she wanted to say something but swallowed it down.

xu mo didn’t say anything and started cooking in silence.

teacher kang looked at the time, his expression a little anxious, but he suppressed it to not let xu mo see it.

Xu Mo had prepared two dishes and a soup. When he brought it to the dining room, he said, “I’ll make it simple. I can’t cook the main dishes well either.”

Teacher Kang quickly said, “that’s good enough. I’ve already troubled you.

Xu Mo helped her scoop rice and smiled. teacher Kang, you don’t have to be so polite. It’s what I should do. I’ve also taken care of you before.

“Then Kang Qiao took care of you. If one day he’s not free, will you go and take care of him?” teacher Kang said.

xu mo was stunned for a moment, then he smiled. ” “he’ll have an assistant and a helper.”

Teacher Kang sighed. how can it be the same? an assistant and a part-time worker are only convenient for work. How can it be like a spiritual comfort? ”

as she spoke, she secretly glanced at xu mo and stopped there. ” i heard that he might be filming later, and he might be gone for almost half a year. i’m really worried about him being alone outside. ”

Xu Mo pursed his lips and said in a low voice, ” “he’s going into the film industry.”

Teacher Kang paused for a moment and sighed.”Actually, I don’t know much about this either, so I’m asking you.”

xu mo hummed in agreement and thought for a while. ” i’ll help you ask in a day. ”

She could always ask Wen Yuan. Wen Yuan would definitely ask President Ye and she would be able to get some information.

However, Xu Mo was a little puzzled, "why don't you ask Kang Qiao directly?"

"If he had wanted to talk to me about this, I wouldn't have talked to you about it." Teacher Kang sighed. "Actually, I don't expect him to become famous. I only hope that he can be safe and find someone to live a good life with."

Xu Mo sighed, "Teacher Kang, Kang Qiao actually became famous a long time ago."

Although she didn't know, she could guess that with Kang Qiao's conservative net worth of more than one billion over the years, if he invested, it wouldn't be just a conservative figure, he would be an S-list male star.

Teacher Kang sighed. "What's the use of being famous? He's still one person. Forget it, let's not talk about him. Let's eat."

Just as he said that, someone knocked on the door.

Xu Mo looked at Teacher Kang. It's already so late. Who's coming?"

Outside, the sky was already dark.

Oh," Teacher Kang said, "it might be Kang Qiao. He said he was here for dinner today."

Xu Mo's heart was filled with anger. Kang Qiao had gotten the advantage of this meal.

Chapter 4120: What are you doing here?(3)

However, she thought about it carefully. He had taken care of her for a long time, so a meal was nothing, so she was calm.

Teacher Kang went to open the door. It was Kang Qiao.

Kang Qiao seemed to have come from outside, looking a little Haggard.

Black pants, grey shirt, and a long black coat. It was simple but very beautiful.

When he saw Xu Mo, he seemed to be a little surprised. Then, he walked in quietly and greeted teacher Kang with one hand on her shoulder. He brought her to the dining table very naturally and then looked at Xu Mo with a faint smile. "he's here too?"

xu mo didn't want to talk to him anymore, so he hummed softly and then looked at him. "Get me another bowl."

...

even though she tried her best to appear calm, her voice was still a little hoarse and unnatural.

Kang Qiao glanced at her and smiled. Then, he went to the kitchen and took a bowl to fill his own bowl.

Teacher Kang looked at the two and felt that they were a little awkward.

it didn't seem like they were going to separate, and there was some meaning to it.

Teacher Kang looked at Kang Qiao and smiled, " "I was not feeling well and Xu Mo saw me on the way. This child is very good. He wanted to send me home and cook for me."

kang qiao smiled and gave a piece of meat to teacher kang. " mom, you have to thank her properly. "

Teacher Kang glared at him. what I mean is that you should thank him. I'm an old man. My limbs aren't nimble. I don't know what young people like.

It was the first time she glared at her son like that. Kang Qiao felt helpless and looked at Xu Mo, ” “Miss Xu is warm-hearted and doesn’t ask for anything in return.”

teacher kang was furious. this son was not usually like this, but he was different today. he was clearly here, but it seemed like he was going to fight with xu mo to the end. She really didn’t understand the world of young people.

teacher kang was so angry that he stopped talking.

xu mo knew from the beginning that kang qiao’s arrival was all because of teacher kang. in fact, she didn’t feel anything when she and kang qiao parted on bad terms. but now that she saw kang qiao’s attitude, she thought that it was good to separate.

he was getting impatient, and she didn’t miss it too much. she still lived her life alone, which showed that separation was a good thing.

she didn’t say anything and ate in silence. the kangs didn’t talk much either, and the whole meal was silent.

After the meal, Xu Mo took the initiative to clean up the dishes and then took the initiative to leave.

There was no point in staying any longer.

Teacher Kang felt that Kang Qiao was being rude and glared at him. you’re not seeing me out? ”

Kang Qiao looked at Xu Mo, ” “I’ll send you!”

“no need, i drove here,” xu mo said lightly.

Her heart was finally soft, and she bid teacher Kang farewell very gently. She even hugged her and told her to take care of her health.

teacher kang nodded and told her to come over often, but xu mo didn’t dare to.

after xu mo left, teacher kang turned around and scolded his son,"you're really pissing me off. what a good opportunity to make up. don't tell me you were just playing around before, and it was just a spur of the moment. xu mo is such a good girl."

Before she could finish, Kang Qiao pressed her shoulder, "I'll go see her off."

only then did teacher kang nod in satisfaction. "be careful when you drive on the road. "

Kang Qiao made a hand gesture and quickly went downstairs.

as soon as xu mo got into the car, kang qiao opened the door and sat beside her. "i didn't drive. can you give me a ride? "

"You didn't drive?" Xu Mo was in disbelief.
