

Thank you 4121

Chapter 4121: what are you doing here? iv

he grunted and leaned his head on the back of the chair. his voice was almost low. I just rushed over from the airport. My assistant sent my luggage to my place. It took me more than ten hours to fly here, so I haven't slept for 24 hours. I'm going to sleep for a while.

After that, Kang Qiao fell asleep.

Xu Mo was a little speechless. She reached out and shook his arm. "kang qiao, get up. you can sleep here with teacher kang."

She said it a few times, but he didn't look like he was going to wake up. Later, probably because he found her annoying, he reached over to unbuckle her seat belt and pulled her to his side. He did all this with his eyes closed.

his strength was amazing, and xu mo couldn't refuse at all, so she was carried by him with one hand. she fell into his arms in a very embarrassing posture, and her hands clenched into fists and pressed against his shoulders."kang qiao!"

his eyes were still closed, and his handsome face was buried in her neck. his lips were also against her soft skin. the moment he opened his mouth, his hot breath entered her skin, and his whole body trembled.

...

"If you dare to move again, I'll take you right here." he said.

Xu Mo was furious. He clenched his fingers into a fist and punched his shoulder."This is nothing! kang qiao, let me go."

He opened his eyes and when his dark eyes met hers, Xu Mo was stunned for a moment and then shocked ...

his eyes were very complicated. there was coldness, desire, and also a trace of hatred.

She was even more annoyed. What did he have to hate her for?

kang qiao held her waist with one hand and said in a low and hoarse voice, " what's wrong? you didn't get back together with your ex-boyfriend today? "

xu mo took a moment to understand what he meant and sneered, " "what does that have to do with you? but if we're talking about getting back together, then he's not my ex-boyfriend, but my current boyfriend."

"you really dare to say it!" His eyes were cold, and his Adam's apple moved.

He wouldn't tell her that he had taken a few more explicit photos in the middle, and they were Xu Mo's photos.

Lin Minxin, that scumbag, I'm not going to let him off easy.

but xu mo didn't know about this, and he didn't want to tell her.

However, he was angry. He was angry that she had contact with someone like Lin Minxin. He was also angry that she didn't contact him and didn't respond. Was she really fine with it?

She clearly knew.

many thoughts flashed through kang qiao's mind. anger, hatred, they were all about her.

at this moment, he really wanted to strangle her when she said this.

Previously, she was cold because he was angry.

But she didn't have a heart, so she didn't know or know that Yingluo didn't love him anymore.

Kang Qiao let out a long breath, ” get off the car.

His voice was cold, as if he had made a decision.

xu mo stared at him.

he waited for a long time, but she still didn't get off him. he looked at her and said, ” “Get out of the car.”

This time, Xu Mo smiled coldly.”mr. kang, this car is mine.”

“Get out,” she said as she opened the car door.

but as soon as she opened the car door, she was dazzled by a flash of light. a large group of reporters outside just happened to take pictures of her lying on kang qiao.

He looked, well, very ambiguous.

xu mo almost jumped up. she quickly closed the car door and glared at kang qiao, ” “did you call for the reporters?”

he lazily leaned back and laughed lazily.”I'm not that bored.”

xu mo was very suspicious. then, he climbed into the driver's seat himself. ” get out of the car. ”

“how do i play now?” “Send me home,” he said in a low voice. [I'll update tomorrow.]

Chapter 4122: kang qiao, you're shameless!1

Xu Mo glared at him. if you want to go home, drive yourself.

He looked at her for a while and suddenly smiled.

He still looked tired, but he seemed to be quite happy.

He reached out and unbuckled her seat belt. Then, she was dragged back. The world was spinning, and Xu Mo didn't know why he switched seats with him. When she came back to her senses, Kang Qiao had already started the car, and his faint voice came over, "buckle your seat belt."

Xu Mo glared at him, then went to find his seat belt to buckle up. She looked ahead and recognized that this was not the way to his apartment. He probably knew what she was thinking, so he said in a faint voice, "I moved a long time ago, didn't you know?"

Xu Mo was embarrassed and didn't say anything.

...

She looked out of the car. It was already packed with people and cars. The street lights were like a long Golden Dragon, from one end to the other. When there was a traffic jam, the cars would also travel from one end to the other.

Kang Qiao was indeed a little tired. When the car stopped, he turned to look at her. "I'll smoke."

After he finished speaking in a cold voice, he took out a cigarette from his pocket and lit it up. Then, he took a long drag.

The smoke dissipated into the car window. He had rolled it down.

Xu Mo's body shrank, but he didn't say anything. He turned his head and looked out of the window on the other side.

The car was still stuck in a traffic jam that made one feel flustered.

Fortunately, Kang Qiao stopped after smoking one cigarette. He rolled up the window and turned on the music, as if he was driving his own car.

it was clearly his first time driving her car.

In the silence, he spoke in a deep voice, ” “Did you and Lin Minxin meet by chance?”

Xu Mo didn't want to answer his question, but for some reason, he answered, ” yes, I saw him when I was taking a walk. He's now in ruan Yun's hands.

“Are you asking me about business or personal matters?” she asked.

Kang Qiao's beautiful fingers landed on the steering wheel. He turned his head to look at her and said with a faint smile, ” “Do you want me to do it for work or personal matters?”

This kind of topic and conversation method was a little dangerous. Xu Mo glanced at him and didn't answer. He just kept silent.

The car in front of him moved, and Kang Qiao didn't continue the topic. He drove like this until he arrived at his villa. It was almost ten O 'clock.

what was supposed to be a 40-minute drive actually took almost two hours.

he stopped the car and turned to look at her. ” stay here for a night. it's too late. it'll take you an hour to get back even if you don't get stuck in traffic. ”

“It's not too late,” Xu Mo waited for him to get out of the car and wanted to move over.

in the end, kang qiao got off the car and she moved over. however, he held the car door with one hand and dragged her out with the other.

when she came into contact with his warm body temperature, xu mo lowered his eyes and said very softly, ” “Kang Qiao, let go.”

” i said it's getting late. i'll leave tomorrow. ” He lowered his head and looked at her chubby face.”or are you afraid or can't afford to play?”

his voice became lower and hoarse, and in the end, it felt like he was holding her in his mouth. he reached out to caress her face, but xu mo escaped. however, this made her feel like she was moving into his arms and letting him play with her.

In such a situation, even Kang Qiao couldn't help but smile. His breath was hot, " stay tonight.

After he finished speaking, he wrapped his arms around her waist and lowered his head to kiss her.

Chapter 4123: kang qiao, you're shameless!2

The moment he touched it, it was like an electric current had passed through him, and Xu Mo's entire body trembled.

but she didn't allow him to kiss her deeply. her lips were tightly shut, as if she was holding on to her last breath.

Kang Qiao chuckled, the tip of his tongue lightly brushing past her lips and then lightly pressing down, hinting at something. Xu Mo unconsciously bit his lower lip, but he accidentally bit Kang Qiao.

his eyes deepened as he stared at her. after a long time, he said in a hoarse voice, " "Will you bite me if I go in?"

xu mo was a little speechless and a little helpless as he just looked at him in a daze.

she couldn't hear what he was saying. she could only hear the rumbling in her ears. when she came back to her senses, she felt a pain on her chin. she instinctively opened her mouth and kang qiao kissed her.

...

They hadn't kissed for many days, so the feeling was different. It was like an electric shock. Xu Mo couldn't bear the kiss and couldn't help but step back. Kang Qiao didn't let her move forward until he pushed her against the car door.

The cold car made Xu Mo's head clear for a moment. She pressed against his shoulder and said with some difficulty, "don't whine."

"don't do it here?" Kang Qiao stopped and caressed her overly hot face. He said in a hoarse voice, "Don't you miss me at all?"

"I didn't." xu mo bit his lip and glared at him.

He chuckled. I know you want to.

He put one hand through the gap between her and the car, clasped her waist, and pushed her forward. you still dare to say you don't miss me? "

their bodies were in sync, and they were adults who had done it before, so they could naturally feel each other's passion. xu mo was a little angry and reached out to hit him."Let me go!"

"it's just a physical problem. it's never a problem."

Kang Qiao laughed and sighed,"Then you don't mind having sex with me once or twice."

As he said that, he really carried her up and walked straight to his villa. There were two aunties who usually took care of her here. They were originally listening to the movement, but when they saw Mr. Kang coming back with a girl, they both hid and disappeared. So, in the big villa, only the sound of Kang Qiao's footsteps could be heard.

xu mo punched his shoulder hard. "let go. you're f * cking me. pervert, i'm going to sue you. "

He lowered his eyes. don't you want to? "

he carried her into his bedroom and thoroughly examined her in the extremely luxurious bedroom.

his body, which had been absent for a long time, naturally caught fire and burned for most of the night.

in the middle of the night, xu mo was so tired that he fell asleep. kang qiao, after being exhausted, was full of energy, as if all the energy that he had used up was being recovered by her.

He turned his head and stared at her, his voice low and hoarse. “you’re asleep?”

she didn’t make a sound and just buried her face in the blanket. kang qiao had no choice but to take out a tissue and clean her up like an old mother.

he went to take a shower again. after the shower, he was still not satisfied. his body was satisfied, but his heart was not.

he walked to the living room and took out a bottle of red wine from the wine cabinet. he poured himself a glass but did not drink it. he just played with the expensive red wine glass.

He took a cigarette and sat on the sofa with only his bathrobe on, looking at the night view outside.

however, his thoughts drifted to xu mo in the bedroom. he was still a little annoyed with her.

Chapter 4124: Kang Qiao, you’re shameless!(3)

she didn’t call him when he was overseas and her relationship with lin minxin was exposed.

She treated him as if he didn’t exist.

Did she think that things would pass by just because she kept quiet? Would ruan Yun and Lin Minxin let her go?

Because of his anger, Kang Qiao raised his glass and drank the wine in one gulp.

After drinking, she poured herself another cup, but her gaze fell from outside to the bedroom, quietly watching the person sleeping in the bedroom.

She was in a deep sleep and did not know anything. She did not know that ever since they got together, they had to face everything together. This fool had no idea at all.

...

did she think that he would leave and not look for her after quarreling a little? did she think that they would break up just like that?

kang qiao knew that it was because xu mo didn't care about him. after being hurt once, it wouldn't be easy to get back that kind of feeling.

his anger had also calmed down a little. he finished the wine in the glass and finished the cigarette. he should have returned to the bedroom immediately, but he didn't. he just quietly looked at the night view outside.

in the past, he was alone, but now there was xu mo.

And her House of Love.

kang qiao smiled helplessly and rubbed his forehead with his thumb. he had a headache ...

but in fact, it wasn't that big of a headache. compared to xu mo, other things were really nothing!

he smiled slightly and returned to the bedroom. he walked faster when he saw her and sat beside her. he stroked her eyebrows with his fingers and his heart softened.

they hadn't seen each other for a long time. she didn't miss him, but he missed her very much.

"You have no conscience." He mumbled, his fingers still gently caressing her face. This touch made her feel aroused again, but he cared about her body and did not do it again.

he lay beside her and quietly watched her sleeping face. he couldn't help but feel a little scared when he thought of her anxiety when she was sick. he went up and gently held her in his arms, as if it could give her a sense of security.

After a night, Xu Mo didn't know.

She was so tired that she only woke up at noon the next day. When she opened her eyes to look at the time, it was already 11 O'clock.

She gritted her teeth and cursed in a low voice. As soon as she sat up, she saw Kang Qiao walk in, looking satisfied.

"Why didn't you call me?" Xu Mo glared at him.

she didn't have anything important to do this morning, but-

she had something to discuss with teacher kang and they had already made an appointment. if she didn't go now, it would mean that she had too much sex last night, and it was with someone else's son!

Xu Mo felt embarrassed. She gritted her teeth and didn't know what to say. She lifted the quilt and wanted to get out of bed, but she immediately screamed, "kang qiao, where are my clothes?"

She went back under the blanket.

kang qiao kindly sat beside her, "you said it was hot after we did it last night, so you didn't want to wear it. don't you remember?"

"I don't have such a hobby," she said suspiciously, glaring at him.

"You're not wearing it." He smiled, got up, and found a set of clothes from the closet for her. "I'll make do with it. These are my 20-year-old clothes. I'm sorry, there's no women's clothes here."

"where are my clothes from last night?" xu mo refused.

After she finished speaking, he dangerously approached her, his pure masculine aura occupying her. Then, his hoarse voice sounded, ” “i was in a hurry last night, so i tore it.”

Xu Mo wrapped himself in the quilt, his face completely red, and said angrily,”Give me the clothes.”

Chapter 4125: kang qiao, you’re shameless!4

Kang Qiao smiled and didn’t make things difficult for her. He handed her the clothes, ” “i’ll be waiting for your lunch.”

xu mo was silent for a few seconds. ” you can go out first. ”

he was in a good mood. after taking a few steps, he turned back. by the way, my mom called. I said you were still sleeping.

“kang qiao!” she was so angry that she threw a pillow at him, but he caught it easily and smiled. ” “Do you think she doesn’t know that we’ve slept together or that we’ve done it?”

He placed the pillow on the bed and bent over. “She’s also quite happy.”

he even rubbed the tip of his nose against hers before walking out slowly, making xu mo so angry that he ground his teeth.

...

she immediately put on her clothes. even for a 20-year-old like him, they were too big for her. fortunately, she could still barely wear them after rolling them up. she brushed her teeth and washed her face. when she went downstairs, she saw that kang qiao was already sitting at the dining table with a wine glass in his hand.

He was drinking in broad daylight!

She mumbled to herself and slowly sat down.

Kang Qiao lowered his eyes. is there anything important in the afternoon? I mean the House of Love.

xu mo was hungry and started to eat. she didn't have to be polite with him. anyway, it was a matter of flesh and blood, so she just had to pull up her pants. so, she asked, " "why are you asking this?"

"If there's nothing important, I'll go to your place to move the things," Kang Qiao said slowly.

Xu Mo paused. I didn't say I was moving in.

"Xu Mo," Kang Qiao's voice carried a hint of anger,"What do you think I am?"

xu mo bit his lip. " i didn't think anything of it. we only slept for one night. don't tell me you think that we're going to be together forever? "

Without waiting for him to speak, she continued, " "by the way, you slipped away last night."

he knew what she was going to ask, so he said in a bad mood, " "i've taken precautions."

"That's good." Xu Mo nodded.

"You're quite skilled," she suddenly said with a smile.

kang qiao gritted his teeth. she used to mind that he had a woman, but now she laughed and praised his skills!

what did she think he was? something that doesn't cost money?

kang qiao's expression didn't look too good either. he ate with a gloomy face, and xu mo didn't care about him.

It made sense that he hadn't called her at all these days.

He had slept with her when he said he wanted to sleep with her and moved in when he said he wanted her to. Did she have any freedom at all?

Xu Mo ate happily, but the more happy she was, the more unhappy Kang Qiao was, and the meal was not peaceful.

after she finished eating, she went to look for her car keys and bag. kang qiao was angry and said directly, "in the living room upstairs."

xu mo directly went upstairs to take his things and went downstairs, ready to leave.

"Where are you going in the afternoon?" he asked.

"I'm going home to rest." Xu Mo snorted, somewhat annoyed.

"are you afraid to see teacher kang? are you afraid that she will say that you slept with her son?" he laughed.

Xu Mo was agitated. it was her son who slept with me, okay! Kang Qiao, don't put the blame on me."

kang qiao's smile widened, "right? i slept with you."

xu mo glared at him, then quickly walked out and slammed the door when he got into the car.

Kang Qiao only smiled, treating her as a child.

Her refusal was actually expected, but she was still a little disappointed. He always wanted to live with her, and then get married and have children.

Chapter 4126: kang qiao, you're shameless!5

kang qiao watched xu mo leave quietly for a while, then looked at his watch.

It was almost time, so she took her coat and went out.

He drove a Bentley Mulsanne to an office building and took the elevator to a certain floor.

after walking through the long corridor, he knocked on the open door. ” “Director he.”

inside, there was a company of about 800 square meters. it was divided into many rooms and there was no extra space. there was only a small pantry in the corridor. he huan was holding a large stack of documents and looked at him.”Let’s talk in my office.”

kang qiao nodded and followed her in. he huan grabbed a staff member and said, ” “make a cup of coffee for teacher kang.”

...

Kang Qiao smiled. my mother is a teacher. My surname is Kang. You can call me Kang Qiao from now on.

He Huan looked at him carefully, then smiled. “I called them directly. As for them, you can train them one by one.”

Kang Qiao didn’t insist. He walked into he Huan’s office. It was a simple office.

the large office desk took up almost a quarter of the room. there was a set of sofas against the wall and a large bookcase. there were no decorations at all. this was also he huan’s personality. everything was simple.

the two of them sat down, and he huan passed him a script. ” take a look at the script. If you think it’s good, then take it. I heard that you don’t have a manager now and you’re dealing with everything by yourself, right? ”

“i’ve seen a few agents arranged by the company, and i’m not very satisfied with them.” kang qiao nodded.

He Huan laughed,”you want Xu Mo to be your manager?” Don’t forget that Xu Mo came from Starlight entertainment and our relationship has always been there. Are you planning to go to Starlight entertainment or are you planning to pull Xu Mo into King Entertainment?”

Kang Qiao didn’t answer directly, but read the script carefully.

He Huan also let go of the previous topic and clasped the sofa beside her. ” this movie needs a mature male actor to act in it. previously, i liked ye mu bai the most. after all, you know that he has a lot of acting experience. however, he is no longer an actor and is still qin mo’s opponent. from a certain perspective, this person is not a good choice. ”

as of now, kang qiao was in second place.

In Kang Qiao’s eyes, there was a profoundness that ye mu Bai couldn’t compare to. This might be related to his experience.

kang qiao had already seen through it and smiled, ” “why did you choose me? Is it because you’ve heard about me, So You Think I’m suitable?”

he had read it once and agreed with he huan’s opinion. the male lead in this movie was indeed suitable for him.

ye mu bai’s aura was too clean, but his acting skills could make up for it.

After Kang Qiao finished asking, he Huan just looked at him and smiled.

Kang Qiao’s temper disappeared. He lowered his head and looked at the script again. He read for about two hours. During this time, he Huan didn’t rush him. Instead, she changed his coffee once.

Two hours later, Kang Qiao looked up at he Huan, ” “i want to know how much you plan to invest in this film and who are the investors?”

“KING entertainment is fully investing in it,” he huan replied with a smile.

“Then I can’t take it.” Kang Qiao put down the script.

“Why?” He Huan took her cup of coffee, not in a hurry.

She could tell that Kang Qiao was very interested in the film, and the only difference in opinion was money.

“Your pay can go up to 80 million Yuan. You know, Kang Qiao, this is the pay of an A-list film.”

Chapter 4127: kang qiao, you’re shameless!6

I’ll act in it for free and invest another 200 million Yuan. I want to be an investor together with King Entertainment. Even Kang Qiao was straightforward.

He Huan looked at him for a long time before she smiled gently.”Kang Qiao, do you know that what you’re doing is considered betraying others? does president qin allow such a thing to happen?”

“These are two different things.” Kang Qiao lit a cigarette and took a puff. I will invest in the name of the company.

“You’re thinking of completing future financing, right?” he huan’s expression turned ugly. ” i thought you were doing it for art. ”

” even people like ye mu bai are doing it for money. moreover, i’ve never been an actress. i entered this industry to earn more money. ” “don’t i fit the character in your script?” kang qiao smiled as he held the cigarette between his fingers.

“Let me think about it,” he Huan sighed.

...

if she agreed to kang qiao's request, she would be betraying him. he huan knew qin mo's temper very well. if she started to let kang qiao escape from her control, she would be skinned alive by qin mo after KING entertainment lost kang qiao.

Furthermore, the script in her hands was written by that person. Qin mo did not know about it for the time being.

he huan's head hurt. she had always been decisive, but she didn't think about it immediately. instead, she took out a cigarette and lit it. she only took one puff before she snuffed it out."i'll give you a call when i'm done."

"then i'll wait for the good news from you, director he." kang qiao stood up without making a sound.

He Huan felt that Kang Qiao was another Qin mo, and he was very easy to talk to.

if someone could act, she would kick him away right now.

He Huan's temper wasn't small either. She asked someone to send Kang Qiao away, to drive him away.

after kang qiao left, he raised his hand to look at the time. he originally wanted to visit his mother, but after thinking about xu mo, he decided to visit her.

when she arrived at xu mo's building, her car was not there.

kang qiao sat in the car and smoked two cigarettes. knowing that she went to the house of love, he was a little annoyed.

wasn't she tired after a night of work?

After some thought, he called Xu Mo and she picked up.

"where are you?" He asked directly.

Xu Mo paused for a moment, "Kang Qiao, who are you to ask me this?"

"The man you slept with last night," Kang Qiao gritted his teeth.

Xu Mo's answer was to hang up on him. He was so angry that he wanted to call again, but he also had his pride, so he didn't call after thinking about it.

he didn't leave. instead, he parked his car, smoked, and slowly read the script he had stolen.

As they waited, the sky turned dark.

When Xu Mo's car slowly drove over, she saw Kang Qiao wearing a black shirt and white shirt. She was sitting in an expensive car, holding a cigarette in one hand and reading something.

the further she walked, the faster her heart beat. kang qiao was really good-looking.

as the car passed by, kang qiao looked up and met xu mo's focused eyes.

to be honest, he was a little tired, but he seemed to have recovered from the exhaustion.

All her unwillingness had melted away.

Between heaven and earth, there was only pure white like ice and snow. There was only him and only Xu Mo.

Kang Qiao suddenly remembered that night a long time ago. They were also here, in his car. They made love like crazy. What kind of mood did she have that night?

how did she feel when he misunderstood that she was the one who did it?

He looked at her calmly, and under this calmness, he could hide the unspeakable fire in his heart.

kang qiao opened the car door and got out.

Chapter 4128: kang qiao, you're shameless 7

Kang Qiao got off the car and walked towards Xu Mo's car.

Xu Mo stopped the car and turned off the engine, but he didn't get out immediately. Instead, he sat in the car and pretended to be cold. what is it now? didn't you sleep enough last night? ”

“what do you mean sleep? girls should be more refined.” “Open the car door, or do you want me to do it myself?” Kang Qiao asked as she closed the window.

Xu Mo thought for a moment and opened the door. Anyway, he had spent the whole night doing it last night, so he should be a soft-legged shrimp today.

She got out of the car and held her bag in front of her. “speak.”

“i'm hungry, let's go eat.” He said calmly and then took her bag in his hand, especially naturally.

...

Xu Mo was stunned. eat? you and me? ”

“What else?” “You're going to watch me eat?” he looked at her.

xu mo stood still. ” i mean, why should i eat with you? i want to eat at home. ”

Kang Qiao grabbed her waist and stood still, ” ” stop it. i'm a little tired and don't want to cook. if you're willing to cook, i don't mind waiting for another hour. ”

He was very serious when he said that.

Xu Mo looked at him and suddenly lost his temper. He went out with him and said after a while, ”
“Why didn’t you drive?”

“let’s eat at the door. it’s very convenient.” He smiled.

However, Xu Mo still felt that it was a little strange.

there was no high-class restaurant here, only a vegetarian restaurant. the food was good and there were many people.

When she was dragged in by him and countless eyes were on them, Xu Mo wanted to scream.

Kang Qiao was a celebrity, a super popular celebrity, but he didn’t even wear a pair of sunglasses.

He was clearly framing her.

Therefore, when he was ordering, she covered her face with her hands because many people were taking photos of them.

she lowered her voice, “kang qiao, did you do it on purpose?”

“On purpose? i brought you here to eat?” He took out his wallet and paid, then led her to a seat by the window. He said very casually, ” “Is it wrong to order food with your girlfriend?”

“I didn’t admit that I’m your girlfriend.” she gritted her teeth. ” put on your sunglasses. ”

“i’m not blind,” he refused.

“you’re a celebrity,” xu mo insisted.

kang qiao looked at her, and when she felt a little scared, he said, ” “But I only want to be your man.”

xu mo:

Kang Qiao brought up her previous topic, ” “It’s true that you’re not my girlfriend. We’re probably friends.”

His voice wasn’t soft. Xu Mo wanted to strangle him, but there were so many people around. She could only endure it. She held her chin and played with the chopsticks in her hand, waiting for food.

Kang Qiao’s gaze softened,”are you still angry? I didn’t even settle the score with you when your bed photos were exposed.”

“What kind of bed photo is that? it’s just a kissing photo.” xu mo snorted. ” don’t you have any exes? you have a lot of them. ”

After she finished speaking, Kang Qiao didn’t say another word.

xu mo glanced at him.

Kang Qiao’s heart was in pain. It was because of his past, which in her eyes was a male b * tch’s past, that he didn’t even have the right to be jealous or angry.

he was angry, but he really couldn’t, because she had seen his live version. if he continued to be angry, she probably wouldn’t know where she would be.

He wasn’t young anymore, and he didn’t want to waste the limited time he had in his life.

It was like this.

Kang Qiao endured it.

the waiter also served the dishes and recognized kang qiao. he even took the menu for kang qiao to sign. later, seeing that kang qiao didn’t put on any airs, the boss came over and asked for a photo.

Chapter 4129: kang qiao, you're shameless!8

kang qiao stood there and looked at xu mo, who was snickering. he reached out and grabbed xu mo, placing him in front of him. " my wife. "

the boss's eyes lit up even more. he brought his 18 waitresses and took a good photo with the celebrity.

Xu Mo wasn't willing because this kind of photo would definitely be hung on the wall to attract customers. If she took it so obviously, would she still be able to live in this community in the future?

she wanted to escape, but she was so small that kang qiao could hold her in his arms with one hand.

his body was very hot, and it was very easy to hold her with one hand. xu mo leaned against his tall and strong body, and he had to admit that it was quite a pleasure.

she decided to lean on him, but she didn't expect that kang qiao would shamelessly put his hands around her waist and put his chin on her shoulder. it was an intimate position.

...

Xu Mo struggled a little, but he refused to let go. He even laughed in a low voice."mrs. kang, pay attention to the camera."

The last picture was of her looking at him from the side, and he was doing the same.

very, yes, very loving!

The boss was particularly satisfied and said that he would wash dozens of them and hang them everywhere. Xu Mo had no face, so he had already gone to eat and was eating silently.

kang qiao sat opposite her, " are you thinking about moving? "

"how did you know?" After Xu Mo finished speaking, he stopped the rest of his sentence and looked up at him.

kang qiao smiled. " my place is quite spacious. i don't know if a certain someone would be willing to come. "

"I don't want to cohabit with a man." She said in a small voice.

Kang Qiao still heard it and immediately asked, " "What about marriage? Would this be better?"

"how long have we known each other?" she couldn't stand it anymore.

"It seems to have been many years," Kang Qiao said slowly.

Xu Mo snorted,"you think my breasts are small." &Nbsp;

"Did I?" As he ate, he took the time to speak slowly, " "Did I make you think that I'm looking down on your small breasts last night? I think I've been taking good care of them. You were very happy last night and they were very well comforted."

"kang qiao, i'm eating." xu mo couldn't take it anymore.

he smiled and did not say anything else.

After the meal, there was a crowd at the door asking for his signature. Kang Qiao put on his sunglasses and said politely but coldly, " "I'm sorry. I'm out for dinner with my wife. We don't want to be disturbed."

xu mo couldn't refute her. she couldn't say that she wasn't his wife.

At this moment, Kang Qiao held her hand and walked around leisurely, " "Let's walk for a while before we go home."

“We should go back to our own homes,” she said through gritted teeth.

“Is that so?” he was still holding her hand, “let’s go to the convenience store in front to buy something.”

she thought that he had bought cigarettes, but he did!

Things! afterwards! smoke!

don’t ask her how she knew!

This was because after he bought the cigarettes, he also smoked two boxes of large condoms and paid for them.

Xu Mo really didn’t want to admit that she was his wife!

she wanted to leave, but the entrance was full of his fans.

She suddenly had a bold idea. He had done it on purpose. He had pulled her here. In the future, everyone would know that they had slept together and used a few boxes of condoms.

xu mo was furious, but no matter how angry she was, she still pretended to be in love and stuck to his back, her hands secretly pinching his waist.

“don’t mess around, i’m paying. I’ll make it when we get home.” His voice was elegant and pleasant, and he was good-looking, so he was mesmerizing.

everyone understood the meaning behind his words.

it was kang qiao’s wife or girlfriend who couldn’t wait to go home and become a pixiu.

When Xu Mo went out, he was so angry that he walked in front and ignored him.

He wanted to reach out to hold her hand, but she ignored him.

Chapter 4130: Kang Qiao, you're shameless! Part 9

Kang Qiao wasn't angry and just followed behind her. why are you angry? isn't this how married couples usually are? ”

Xu Mo asked him in return, ” are we husband and wife? ”

“Aren't we husband and wife?” he looked at her and smiled.

“We're already sleeping together, what else can we be other than husband and wife?” He clasped her hand and played with it in his palm, not caring about the gazes around him.

Xu Mo bit his lip. are you trying to make me unable to stay here? ”

“Is it that obvious?” he smiled.

...

xu mo gritted his teeth,”kang qiao, do you know that you're a bastard?”

Kang Qiao smiled, ” really? I think I'm very considerate. For example, I know you want to do it tonight.

“no,” xu mo bit his lip.

“I want to.” He pulled her to stand under a tree and turned her shoulder around.

she wanted to shake him off. ” kang qiao, can't you have some? respect other people's choices. ”

“do it with me, or i’ll go find someone else.” he looked at her seriously. ” do you want me to find someone else? many, many women. i’ll sleep in one woman’s bed tonight and another woman’s bed tomorrow. do you want me to do this? ”

She glared at him.

He continued to speak shamelessly. you’ve taken in so many people. Why don’t you include me? Xu Mo, if you don’t want to be with me, I’ll let you see me fall.

He was blatantly threatening her.

Xu Mo was furious. whatever you want.

“how cruel.” however, he smiled and pinched her face, his eyes indulgent and doting.

Then, he lowered his head and kissed her. She wanted to push him away, but his kissing skills were really good. She was angry and anxious. She hit his shoulder hard with her hands and said in a muffled voice, ”you dirty male b * tch.”

In a moment of panic, he had even blurted out these words.

Kang Qiao was originally trying to coax her, but her words inevitably reminded him of what happened before.

he released her lips and glared at her for a long time before whispering, ” “do you want to see how male b * tches please their sugar daddies?”

His tone was full of danger. Xu Mo was also frightened and looked up.

he was smiling, but there was no smile in his eyes. they were full of bitterness.

Xu Mo’s fingers clenched. Jiang Yi, you bastard.

“Bastard, I’ll serve you once.” His voice was low and hoarse as he carried her horizontally.

“What are you doing?” She was anxious and reached out to hit him, but he didn’t care. He brought her back to her apartment, closed the door, and carried her into the master bedroom.

He found the tie at the head of the bed, fastened it on her, and put it on. Then, he half-knelt in front of her, took off his coat, and gently undid the buttons of his shirt, one by one.

His actions were very seductive, like a gigolo. Even Xu Mo, who was used to seeing all kinds of handsome men in the entertainment industry, couldn’t help but be tempted. She licked her lower lip and stared at him.”What are you doing?”

He unbuckled his belt and chuckled. “What do you think?”

xu mo was so scared that he closed his eyes. ” i’m telling you, don’t mess around. i’ll call the police. ”

“Sure.” He stuffed the phone into her hand and even helped her dial 110. Then, he leaned on her and began to plunder her body. As he enjoyed it, he said, ” “Call the police. I’ve already dialed it for you. Call for help and say that Kang Qiao is raping you.”

“Don’t think that I don’t dare to.” Xu Mo bit his lip.

he chuckled and bit her soft neck. ” “the call went through.”

a gentle voice came from the other end,”hello, this is the XX district police station, ran ran.”
