Chapter 4131: Kang Qiao, you're shameless!10

Xu Mo was dumbfounded. Listening to the voice on the other side, he wanted to say something, but Kang Qiao had already kissed him down.

All of a sudden, she couldn't even hold her phone. She bit her lip and desperately looked back.

"This is the xxx police station, how can I help you?" the person on the other end of the line repeated.

xu mo looked up, his fair throat trembling. he bit his lip to hold it back and tried to speak in the most ordinary tone, "I'm sorry, I called the wrong number."

her phone was thrown to the side. her eyes were a little wet, and she looked very moving.

kang qiao didn't care about the phone. he leaned over and held her face with both hands, saying in a low and hoarse voice, "You can't bear to do that to me, huh?"

...

Xu Mo glared at him and closed his eyes slightly. Kang Qiao, do you know that you're a bastard? "

She didn't want to cry, but she still cried. Her tears fell and seeped into the pillow.

she knew that she couldn't escape, so she buried her face in the pillow and didn't say anything.

kang qiao suddenly became gentle and kissed her lightly, "Are you angry?"

she refused to make a sound. she buried her face and tears fell.

“Why are you crying?” “I’m just teasing you. If you don’t want to do it, then don’t, okay?” Kang Qiao coaxed her.

he reached out and undid the tie on her hand. he clasped her fingers and rubbed them gently. “If you don’t want to, then don’t do it. Be good, don’t cry.”

he leaned over and sucked the tears from the corner of her eyes. she was still crying. he patiently coaxed her, but she seemed to cry even more.

Kang Qiao’s sexy voice murmured, “I’ve already coaxed you, why are you still crying?”

“You don’t need to care.” Her voice was hoarse, but she didn’t want to look at him, so she simply turned her face away.

kang qiao chased after her and kissed her, entangling with her.

a spoiled woman was probably very fierce. she kicked him. ” male b * tch. ”

His hand was suddenly held high, and the surroundings suddenly became dangerous.

Kang Qiao’s eyes were filled with danger.”You can do whatever you want, but don’t call me that in the future.”

“Why do you care?” she was a little willful, and her eyes were red.

Kang Qiao’s heart ached. He knew that she minded.

if they were just sleeping together like before, she wouldn’t mind at all. however, she was different. when she was with him, she would think about the past.

She couldn’t let him go, or perhaps she hadn’t really forgiven him.

forgive him for his abandonment, forgive him for his confusion.

Kang Qiao knew that he had to give her time and space, but he didn't want to. After he gave her time, she would probably fly away, so he would rather tie her up and break her wings to keep her.

Kang Qiao trapped her in his arms and pressed his face against hers. After a while, she was unwilling and struggled, so he used more strength to trap her, "Don't move Momo, don't move."

xu mo bit his lip. "kang qiao, let me go. really, let me go."

"i won't." He said in a hoarse voice, "not in this lifetime.

as he said that, he moved his face close to her ear and said in a hoarse voice, "I won't let you go again."

"go away." xu mo's eyes heated up and he bit his lip.

"i'm not leaving." he kissed the back of her ear. "momo, don't leave anymore in the future, okay? "

She didn't make a sound and buried her face in the wet pillow, ignoring him.

kang qiao suddenly smiled and bit her on the lips.

"You're ignoring me. Is it because I didn't do it with you?"

Chapter 4132: kang qiao, you are shameless!11

Xu Mo was shocked and turned around to glare at him.

He was too shameless.

Kang Qiao kissed her chin and then the back of her ear. His voice was full of desire,"But I haven't been able to become a Pixiu for many days."

"didn't you do it last night?" she asked, her throat tightening.

kang qiao laughed and leaned over to kiss her. his voice was hoarse, ” i wasn’t satisfied last night. ”

As he said this, he took her hand and let her feel the kiss.

...

the atmosphere suddenly changed, and the air was filled with traces of fire.

Xu Mo bit his lip and glared at him. Kang Qiao coaxed her, ” let’s do it once, huh? ”

in the end, a man’s words couldn’t be trusted. after doing it once, there would be a second, third, and countless times!

after that night, xu mo kicked kang qiao out of the house, changed the lock, and didn’t let him in.

however, in the next few days, she always felt that people would look at her when she walked around the neighborhood or ate nearby.

there was even a little girl holding a notebook and asking for her signature, because she was kang qiao’s wife!

Xu Mo was quite speechless. He called Wen Yuan and asked her for advice.

Wen Yuan was lying on the bed, waiting for ye mu Bai to come out. She held her phone and smiled.”You want to cut off all ties with him?”

Xu Mo felt a little guilty. it’s not me. I just don’t want him to be too serious.

“Are you afraid of hurting him?” wen yuan hit the nail on the head. ” are you afraid that you can’t give him happiness? ”

Xu Mo didn’t say anything.

wen yuan held his phone with one hand and drew circles on the bed sheet with the other. ” xu mo, you’re wrong. kang qiao is giving you happiness now. you just have to accept it. as for how much you’ve sacrificed, i don’t think he will mind for the time being. the one who cares about you should always sacrifice more. ”

As soon as she finished speaking, a warm and strong body came over from behind and whispered in her ear, ” “You’ve become a relationship expert?”

wen yuan patted his back. ” stop it. i’m talking to xu mo. ”

ye mu bai laughed and turned over to lean on the bed. his voice was a little hoarse.”hurry up,”

wen yuan glanced at him, but his face turned red.

president ye could not wait any longer. he grabbed her and held her in his arms. wen yuan’s body went soft from his touch through his clothes. he bit his lip and protested, ” “Kang Qiao!”

“if you don’t want to be live-streamed by xu mo, hang up the phone.” He gently bit her ear.

Wen Yuan pushed him away. stop it.

“you say what you want, i’ll do what i want, okay?” ye mu bai held her waist and started to dig in without holding back.

wen yuan was speechless. he bit his lip. ” wait a minute. ”

He smiled and stopped gracefully.

however, when wen yuan spoke to xu mo again, xu mo had already hung up the phone.

what a joke, she didn’t want to hear about spring palace.

Wen Yuan put down his phone and turned to glare at the man. ye mu Bai, you’re always like this.

He was no longer in a hurry. He grabbed Wen Yuan and placed him on his lap. He pulled his wife's hair from time to time and said, "don't talk too much about their Affairs. Kang Qiao just has to add some force to it!"

"I can't just ignore it!" wen yuan was helpless. "besides, isn't xu mo our friend?"

"She's your friend. To me, she's going to be a traitor soon." President ye snorted, took a cigarette, and lit it with a lighter.

wen yuan was against him smoking at home, but he rarely did that. hence, she had to bear with it.

Chapter 4133: You were the one who forced this child (1)

"What do you mean?" Wen Yuan continued to look at him.

ye mubai lowered his eyes. "why do you think kang qiao still doesn't have a manager? he has his eyes on xu mo."

being his wife and his manager at the same time, killing two birds with one stone. what a wonderful idea.

Xu Mo was someone that ye mu Bai had trained. Now that he was handing him over to Qin mo, of course, he was not happy. It was a big loss.

"are you angry about this?" wen yuan looked at him.

"what else?" president ye snorted.

...

Wen Yuan leaned into his arms and said softly, "I think Tang Qiao will go solo eventually, and I don't think he will stay in the entertainment industry forever. it's just like how you want to change

your family when you have one, right? Otherwise, it'll be very hard to be on set and separated from Xu Mo, and he doesn't think he can stand it. ”

As soon as Wen Yuan finished his sentence, ye mu Bai pinched her chin and chuckled. “which part of him do you think can't take it? are there no women sleeping?”

wen yuan slapped his hand away and said in a sweet voice, ” “i didn't say that.”

He pulled her back again, his thin lips gently touching hers, and he laughed in a low voice.”are you also worried that i don't have a woman to sleep with when i'm outside? Will you come and sleep with me?”

Wen Yuan couldn't stand his crazy words and wanted to strangle him to death.

*

In a luxurious apartment in B city.

he huan opened the door and entered. qin mo was watching tv with qin yihuan in his arms and was talking to her softly.

Hearing the door open, she looked up. it's so late? ”

“It's only ten O 'clock.” He Huan raised her hand and looked at her watch.

Qin Mo's handsome face turned cold,”you used the word ‘talent’ very well!” mrs. qin, do you know that you're a married woman now?”

he huan didn't want to argue with him, especially in front of yi huan. she put down her bag and squatted in front of yi huan.”Why aren't you sleeping?”

Yi Huan did not see her often, but she still liked her. After all, she was her biological daughter.

yi huan was very beautiful. she had a bright head and delicate facial features, especially her big and bright eyes. she looked very cute.

“I’m waiting for mommy to come home,” she said as she stretched out her little finger.

he huan smiled gently. ” mommy has to work. sometimes, i’ll be late. in the future, yihuan can go to bed first. you don’t have to wait for mommy. ”

however, yi huan insisted, ” daddy has to work too, but daddy won’t be home so late. ”

After that, Yi Huan looked at he Huan carefully. Her expectant eyes made her heart ache.

He Huan didn’t know what to say.

alright, mommy is back, ” Qin mo said calmly. daddy will bring you to shower and sleep, okay? ”

yi huan looked at her mother stubbornly. ” i want you to wash me. ”

yi huan was already a few years old. she felt that she was at the age where her mother should give her a bath.

He Huan was stunned for a moment, then she smiled. “Okay, mom will wash you.”

as soon as she finished speaking, qin mo looked at her thoughtfully and didn’t say anything.

he huan led little yi huan into the bathroom while qin mo stood by the door.

She coughed lightly and said,”can you bring me a set of her pajamas?” I don’t know where to put it.
”

qin mo was still leaning on the bed. after a while, he smiled.”He Huan, you really are a good mother.”

he huan was a little annoyed and said to him in english, "if you're not satisfied, you can change to another one."

There was a touch of coldness on his handsome face. Then, he sneered and said in Chinese, "i don't remember marrying a fake foreigner."

Chapter 4134: You were the one who forced this child 2

but he still went to get a set of one-piece pajamas. he huan took it and looked at it. "Will it be inconvenient to take this off and go to the toilet?"

"Yihuan is way past the age to wet her bed," Qin Mo's eyes darkened.

after he finished speaking, he walked out with his slender body straight. he huan felt that he was angry.

she was not afraid of him getting angry. after all, she had been like this for so many years.

he huan gave yi huan a bath and filled the pink bathtub with hot water. yi huan was definitely well-off. from the small pink bathtub, it could be seen that it was custom-made by disney. her big head and small body were soaking in it, and she looked very cute. even he huan, who did not have much motherly love, liked it very much.

She had never taken care of Yi Huan before, so she was not very good at washing. Not only was she flustered, but the water had also turned cold by the time she was done.

...

the little girl sniffled as soon as she was carried out of the bathroom. he huan immediately helped her put on her clothes. however, it was difficult to put on a one-piece dress, so she had to do it for a while. after she was done, little yi huan hugged her and said, "mommy, carry me."

children were always clingy and wanted to be loved by adults. he huan hugged her and said, "Mommy, your clothes are wet. Can you go back to your room and sleep?"

Yi Huan rubbed against him for a while before she looked dejected and sad.

He Huan laughed.

fortunately, qin mo carried the little fellow at the door. the moment he picked him up, he frowned. "Why is it so cold?"

"Oh," he Huan replied, "the water was a little cold just now."

Qin mo glanced at her and said in an extremely calm tone, " "She's still young, she can't catch a cold. Be careful next time."

After he Huan agreed, she wanted to go back to the master bedroom to change her clothes or take a shower.

Qin mo hugged her and looked at her quietly for a few seconds. He seemed to want to say something but gave up in the end.

he carried the little one back to the bedroom and put her down after warming her up. he then told her a story and yi huan slowly fell asleep.

qin mo accompanied her for about ten minutes before turning off the lights and returning to the master bedroom.

he huan had already taken a shower and was sitting on the sofa in a bathrobe. she was reading a few pages, which were probably a script or something.

Qin mo walked over and stood beside her. His tall figure blocked the light, casting a shadow over he Huan. She looked up.

Qin mo took the paper from her hand and said calmly, " other than your work and reading these contracts and scripts, don't you ever think about your child? "

he huan looked up. " i just gave her a bath. "

qin mo threw the things aside and grabbed her hand to force her to stand up. he easily held her waist with one hand.

their bodies were very different, and he had to lower his head to look at her.

his voice was slightly hoarse. " do you think that you're a good mother just because you gave your child a bath? he huan, do you still remember her birthday? do you know what she likes to eat, what she is allergic to, and what kind of small dresses she likes the most?"

he huan was speechless. after a long time, she bit her lip."you were the one who wanted the child."

Qin Mo's expression changed, and he tightened his grip on her waist. you mean that even if I didn't want it, you wouldn't want it back then? "

he huan did not answer the question. she felt that since the child was born and yihuan had grown up, there was no need to discuss the issue anymore.

Yihuan Xuanji was indeed an accident.

at least to her.

Although it was an accident, it was also within his calculations. She didn't want it back then because it was Xuxu.

Chapter 4135: You were the one who forced this child 3

At that time, she didn't want it because she was completely disappointed in Qin mo. At that time, he forced her to have sex with him, and that was why she had feelings for him.

she knew what he meant when he named the child qin yihuan, but at that time, she only felt that it was ironic.

If he really cared about she, he Huan, he wouldn't have treated her like that back then.

He Huan did not make a sound.

Qin Mo's expression became deep and dangerous. I thought you always cared about her.

"I don't care about her. Do you think we can maintain this marriage?" He Huan asked.

...

qin mo's eyes narrowed. he lifted her chin with one hand and asked softly, " " are you really doing this for yihuan? are you sure it's not because of that person called rong yue? "

He Huan's small body had a large capacity. She glared at him."rong yue is awake."

"yes, so your mind came back to life again. you didn't dare to divorce because you were afraid that i would deal with him, right? but you couldn't forget him, so you took his script and asked kang qiao to act in it. he huan, do you think i'm a fool? or do you think that you don't need to care about my feelings? you can do whatever you want and pursue your spiritual love to your heart's content, right?" Qin Mo's hand gently caressed her red lips and he spat out a few cold words, " "Where were you last Saturday? at his book signing event? what did he write in his book? can you explain it to me?"

He Huan was a little embarrassed. She bit her lip. I don't need to explain anything to you.

"you're right!" he actually nodded in agreement. " to you, i'm just a substitute. i'm just a photo. now that the real one is back, my appearance is no longer of any value to you. "

as he said this, his thin lips moved to the back of her ear, and his voice became even more hoarse. " but he huan, you're my wife now. no matter who you're thinking of, you have to go home and sleep with me. "

he huan couldn't take it anymore and turned her head to the side."don't say anymore."

"i've poked your sore spot?" he laughed coldly. " you're not even willing to make love with me when you see him. "

he huan was furious. she broke free from him and untied the belt of her bathrobe."didn't you want to do it? if you want to do it, hurry up."

qin mo stared at her face for a while before slowly looking down. after looking around, he coldly said, " "I'm not that hungry."

He Huan folded her clothes and sat on the sofa. She held one hand and mumbled, " "Qin mo, can't we just let each other go? Do you think you love me a lot?"

she smiled and looked up. " you love me. why would you bring a woman home to spend the night? " Don't make yourself sound so innocent. In our marriage, the only thing that's innocent is love."

Qin Mo's body froze and his fingers clenched into a fist. " nothing happened between us. she sent me back when i was drunk. that's all. "

"qin mo!" he huan lowered her eyes. " you said that you didn't touch her. but she had a miscarriage two months later. why did you appear in the hospital again to accompany her? "

qin mo's expression had never been so serious.

he huan looked exhausted. " you have nothing to do with her. why did you take care of her all these years? you went to her apartment and even stayed out all night. don't tell me that you have nothing to do with her. don't tell me that you've been keeping your chastity for me. "

"i've never slept with her." qin mo gritted his teeth. " he huan, don't be unreasonable. "

you didn't sleep with him, did you? I didn't sleep with Rong Yue either. I didn't go to his place for a night, and I didn't go out with him in the OB/GYN Department. He Huan's fingers gently touched his forehead. "i was pregnant when she had a miscarriage. i saw it with my own eyes and i have no intention of investigating you. are you still going to say that it has nothing to do with you?"

Qin mo grabbed her and pressed her onto the sofa.

he huan felt a little dizzy. when he came back to his senses, his face was a little dark. he narrowed his eyes and glared at her. "Why didn't you tell me earlier?"

"Tell you that you had an abortion with another woman when I was pregnant?" He Huan raised her head and looked at him. "i'm sorry, you're not worth it for me to lower my self-esteem."

"then who is qualified? rong yue? Seducing him while she's already married and trying to get in touch with him?" qin mo pinched her chin with a lot of strength. her skin was especially sensitive, so a small bruise quickly appeared on her chin. when he let go, it was as if she was doing some special service for him.

qin mo continued to stare at her,"tell me, is that right?" Did you buy the copyright of his book because you wanted to relive old dreams with him? you said you've never slept with him, but you really want to sleep with him? can a vegetable satisfy you like I do?"

...

The more he spoke, the more obscene he became. He Huan struggled, but he held her down firmly and did not let her move. In the end, she was angry and reached out to slap him.

When the crisp sound of the slap rang out, the surrounding air froze.

qin mo's eyes were terrifying. he stared into her eyes. " in your heart, he is clean and i am dirty, right? "

He Huan turned away, not willing to talk to him anymore.

“why aren’t you answering?” He clasped her hand and pressed it above her head, his eyes slightly narrowed.”since you don’t want to say it, then do it. i don’t care who you have in your heart, as long as you sleep under me. he huan, do you want to know how you can’t help but hug me after every time you pretend you don’t want me? At that time, did you still have your white moonlight in your heart?”

He was too rough with her. He sneered at her. ” if rong yue sees you in this state, he will still think that you are the innocent little girl in his heart. can he still write such a fresh and pure story? ”

He kissed her crazily as he spoke. He kissed her lips and her neck. He kissed her in pain, and his heart hurt.

This was probably what it was like to love but not get it.

She didn’t love him and was only willing to believe what she saw. She didn’t want to believe him.

qin mo did have a woman before, but it was before marriage. after marriage, he never had one. that child was not even his. he had no interest in explaining now. he only wanted to ruthlessly sleep with her.

Of course, he Huan didn’t want him to do this. She struggled and her voice was disconsolate. let go of Hanhan. I don’t want her.

he grabbed her hand and pinned her down. ” i thought that he didn’t even want to love me anymore. he huan, don’t forget that you’re my wife. i’m your man. ”

As he said that, he reached out and pulled, easily succeeding.

he huan shrieked and rubbed her face against his shoulder. she couldn’t stand it when he was especially rough.

“are you still thinking about him?” his voice was sexy and hoarse. he panted and turned away from her to kiss her. he used so much force that it was as if he wanted to swallow her into his stomach.

Chapter 4137: pacify her (1)

the more she resisted, the more violent he was.

This was the first time he had treated her so roughly. He wanted to be gentler, but his anger made him unable to stop.

Just like that, he lost control a little, but later on, he became gentler and got a taste of it.

he held her face and kissed her lightly, his voice hoarse. "You just like to make me angry, don't you? he huan, stop contacting him, okay? I'll get someone to write scripts for you if you want to shoot them. You can shoot as many as you want."

he huan turned his face to the side and bit the pillow. then, he couldn't help but clench his fist and gently bite it, resisting the comfort he brought.

Just as both sides were deeply immersed in the Jade of love, the door opened with a squeak.

...

yi huan was standing at the door, holding a baby in her arms. "Father, my head is very dizzy and it hurts a little."

qin mo was still feeling warm, but it stopped very quickly. he cursed in a low voice and covered he huan with the blanket. he immediately pulled up his pants and jumped out of bed. he carried yi huan with one hand and reached out to touch her, " "Are you uncomfortable?"

Her head was burning.

He Huan also put on her clothes in a sorry state.

qin mo looked at her. " yi huan is having a fever. get me a thermometer and get me a glass of water. "

The little guy was sick, so the mood of being a parent was naturally extinguished. At this time, there was only worry.

He Huan immediately went to find a thermometer for Qin mo. After Qin mo put it down, he Huan went to get some water.

he tested the temperature of the water, but did not give it to yi huan immediately. instead, he squatted at the side.

“does she often have a fever?” she asked softly.

Qin mo glanced at her, his gaze a little deep. He said calmly, ” “Not often.”

Under his gaze, he Huan suddenly understood.”She caught a cold because I helped her shower?”

This time, Qin mo did not answer her. He only took out the thermometer and looked at it. 39 degrees. we have to go to the hospital.”

qin yi looked at his father happily and asked in a low voice, ” “do you need an injection?”

“It’s possible.” He kissed the baby and took the cup from he Huan’s hand. “Be good. Drink half a glass of water. Daddy will take you to the hospital.”

yi huan looked at he huan carefully, ” “mommy, are you going?”

Qin mo looked at her again and coughed lightly. “He probably went.”

” oh, ” yi huan said happily. ” let’s go to the hospital immediately. ”

She was really muddled from the fever, but she was so happy to go to the hospital.

he huan could not understand and looked at qin mo.

Qin Mo's expression was very calm. in the past, when she went to the hospital, she would ask other children why their mothers were holding them when they were getting injections. She would ask if she was born from a rock.

he huan could not refute his words and only felt a little guilty towards yi huan.

She was the one who gave birth to the child, but she was angry with him and did not take good care of him.

qin mo carried the little guy and walked straight to her bedroom. he put on his clothes, shoes, and coat. his movements were particularly swift. after he was done, he carried the little guy and said to he huan, " "Take your bag, you and yihuan will sit in the back seat."

He Huan nodded and followed behind him.

qin mo was very calm, but he walked very quickly. he took large steps into the elevator and left very quickly.

When they reached the garage, he opened the car door for he Huan to get in first and then carried Yi Huan to her. "coax her, she has a little temper when she's sick."

This was actually similar to he Huan. He Huan was also like this when she was sick.

he had coaxed her a lot in the past.

However, she didn't care at all. She still liked someone else.

She had never liked him and never put him in her heart.

he didn't understand how he was inferior to that man.

Chapter 4138: coax her (2)

qin mo's tone was very calm, but he huan could hear the unhappiness in his words. she didn't know if she was overthinking it.

Qin mo didn't say another word and started driving.

he huan hugged yi huan and felt her forehead heat up. she couldn't help but say, " qin mo, how far is the nearest hospital? "

" it's a ten-minute drive. it's not good to go to a hospital that's closer. " Qin Mo's voice was deep in the night.

he huan hummed in acknowledgment and pressed her face against yi huan's. " baby, are you feeling uncomfortable? "

Yi Huan hummed, " I'm dizzy. I want to sleep but I can't. mom, will i die of illness?"

...

nonsense. She won't. She'll be fine after taking medicine and injections. he huan wasn't very good at coaxing children, so she would do the same thing as her parents did when she was young.

" but mommy, i don't want to take the medicine, and i don't want to get an injection. it's so painful. can you let daddy do it for me? " yi huan's fever was getting heavier and her voice was softer.

He Huan laughed. is it useful to hit daddy? "

Yi Huan lay on the ground and thought for a while before she looked up."But when dad gives mom an injection when he's not feeling well, dad seems to get better and will become especially happy."

He Huan took a long time to understand what Yi Huan meant.

Her face was a little hot, and she moved to the side.

“Daddy’s discomfort is different from yours,” Qin mo, who was in front, said.

Yi Huan wanted to ask why, but because of the high fever and the pain all over her body, she closed her eyes and fell asleep soon after.

he huan lowered her head, looked at the little guy, and said softly, ” “She’s asleep.”

qin mo did not say anything. in this silence, he huan thought about what yi huan had said about injections. slowly, she started to feel uncomfortable.

fortunately, qin mo did not say anything inappropriate and only drove the car.

the quiet night became even quieter because of the silence. in the small space, there was only the atmosphere of joy and warmth.

a few minutes later, the car arrived at the hospital. qin mo got out of the car and carried yi huan. he asked he huan to help him put on his coat and quickly went to the emergency room.

the doctor checked and asked again before chiding, ” children must be careful when they bathe. if the water is too cold, of course they will catch a cold. parents must have common sense. ”

he huan stood there, not making a sound.

As for Qin mo, seeing that the usually majestic director he was being lectured in front of the doctor like a primary school student, the anger in his heart lessened a little. He said calmly, ” “Do you need an injection?”

The doctor pushed up his glasses. give her a shot to reduce her fever and take some anti-inflammatory medicine. Go back and observe her. If she’s high in temperature, take some cooling medicine. It’s best to lower her temperature physically.

Qin mo nodded his head.

“go pay the money and then get the medicine for the injection,” the doctor said after he finished writing the list.

qin mo hugged her and he huan followed behind him. he was very tall, and she followed behind him like a shadow. occasionally, she would suddenly think that if qin mo wasn't around, she would definitely be in a very sorry state.

thinking of this, she didn't feel that he was so annoying.

qin mo waited at the side with yi huan in his arms. he huan paid the fees, took her medicine, and went to get an injection.

During the injection, Yi Huan looked at the syringe for a long time and did not come to her senses. After the injection, Yi Huan started crying and buried her face in Qin Mo's arm. “Dad, I don't want an injection. It hurts.”

The little girl was very cute when she was acting coquettishly, not to mention that Qin mo had always doted on her. Hence, he held the baby in one hand and said in a low and hoarse voice that was very pleasant to the ear and gentle, ” “it'll be fine in a while. it's like a mosquito taking a bite,”

Chapter 4139: Coaxing her (3)

“Why do the mosquitoes want to eat me?” yi huan was in tears. ” it's so small. why does it want to eat me? wahhh! ”

Qin mo had no choice but to coax her patiently. This young lady was always so noisy every time she got an injection.

he huan stood at the side and watched the father and daughter. just now, she thought that with qin mo around, she wouldn't be in such a sorry state. however, she suddenly felt that she was a little redundant at this moment.

Just as Qin mo had said, she had not asked about yihuan all these years.

He had asked her if Yi Huan was still her child, other than the fact that she had given birth to Yi Huan from her womb.

he huan's eyes were a little hot. as she looked at yi huan's young face, there was an indescribable feeling in her heart.

...

She just watched quietly. After a long time, Qin mo started to cheer up."Let's go,"

He Huan returned to her senses. are you done? "

"it hurts," yi huan said pitifully.

she leaned over and let he huan carry her.

He Huan took her into her arms and hugged her, but Qin mo took her back and walked downstairs.

"can we go home now?" he huan asked.

"what else? you're hospitalized just because you have a fever?" "go home and take care of her," he said simply.

he huan didn't say anything else. she felt that he was in a bad mood and she didn't want to touch him.

In the car, Qin mo asked her to take off Yi Huan's coat and feed Yi Huan some water.

He Huan took a milk bottle filled with water that Qin mo had poured for her. She was a little stunned."She's already so big, why is she still using this?"

qin mo started the car and his tone became even more indifferent, " "She's quite persistent about this Yingluo."

The car left the hospital.

Outside the car, the night was gentle, and Qin Mo's eyes were like ink in the night. He continued, "Maybe I've never felt the warmth of a mother."

he huan didn't want to talk to him, so she lowered her head and fed yi huan water.

sure enough, yi huan was very persistent about the drink. she drank it as soon as she held it. she looked very reluctant to part with it, which made he huan feel a little guilty.

Yi Huan drank the water and fell asleep quickly with the milk bottle in her mouth. However, her face was still burning hot and abnormally red. He Huan gently caressed her face and tried to remove the milk bottle with one hand, but the sleeping little person immediately held her tightly.

he was very persistent.

He Huan was stunned, and her heart ached.

qin mo did not say anything.

the car drove back to his residence. qin mo was still full of joy, and he huan followed behind with her things.

When they reached home, he carried Yi Huan directly to the bed in the master bedroom. He helped Yi Huan take off her coat and change into a pair of pajamas.

the little guy woke up and realized that it was his father's bed. he rolled around happily.

It seemed like she used to sleep with Qin mo often.

he huan felt that he was an outsider and that he was the third party.

"Do you want daddy to carry you to the washroom?" Qin mo bent over and asked gently.

Yi Huan said something and Qin mo carried the little guy away. After a while, he brought him back and placed him on the bed. He covered him with the blanket and looked at he Huan.”Get me a glass of water.”

he huan agreed.

when she walked out, there was an indescribable feeling in her heart. it was as if all the arguments they had had disappeared, and the only thing left in the world was the love sickness.

She even had an unreal feeling that she couldn’t describe.

She poured some water and put it down gently. Qin mo looked at her and fed Yi Huan the medicine. Naturally, he coaxed the child to take the medicine, but Qin mo was not impatient at all.

After feeding Yi Huan the medicine, Qin mo held the cup and touched the little guy’s forehead with his other finger. He felt that the fever had subsided a little and he was slightly relieved.

She looked up and saw he Huan standing there. She smiled.”aren’t you going to take a shower?”

Previously, he was only halfway through, so he would feel uncomfortable now.

he huan misunderstood his meaning. she stopped and said in a low voice, ” “Then I’ll sleep in the guest room after I shower.”

Without waiting for his reply, she walked out.

His wrist was caught.

...

qin mo put down the cup in his hand and rubbed his forehead with one hand.”When did I say that you were sleeping in the guest room?”

“Yihuan is sleeping here.” He Huan said softly.

Qin mo looked at the child and lowered his voice, ” “You think that a married couple sleeps in the same bed just for sex, right?”

he huan didn’t say anything. this was probably what she thought of him.

Hence, Qin Mo’s expression turned a little ugly. He reached out and pulled her to his side. He looked up at her. “yihuan is sick. don’t you need to take care of her as a mother?”

“I thought you didn’t need it,” he Huan’s lips moved.

“it doesn’t matter if i need it or not, what’s important is that yihuan needs it.” ” he huan, ” qin mo said softly, ” i can support you when you are working. however, when you are in this house, you can ignore me. yihuan is your child. ”

As he said that, he suddenly pulled her to his side and hugged her tightly, as if he was going to break her waist.

” he huan, do you have any self-awareness as a mother? you gave birth to her when you were ten months pregnant. she’s so cute, how can you not take her to heart? ” Qin Mo’s voice was a little tense, revealing his patience and restraint.

He Huan was a little surprised. She didn’t know that he would suddenly be like this. Qin mo looked a little frail and weak, unlike his usual strong self.

She lowered her head and looked at his black hair. After hesitating for a moment, she put her hand on his shoulder.”I don’t care about her.”

Qin mo said hoarsely,’if you cared about her, why would you sleep in the guest room when she had a high fever? he huan, what do you want? do i want a lot? do you want a lot from yihuan? how can you be so heartless!”

he leaned his face against her waist and his voice was extremely hoarse. ” why can you be so cruel? why can you be indifferent? you said that you want yihuan after the divorce. how can i be at ease with a mother like you? Tell me, how are you going to take care of her?”

He Huan was shocked and did not say anything for a long time.

she could only feel qin mo’s heart beating very fast. his skin was very hot. she suspected that he had also caught a high fever from yi huan. otherwise, why would he be so hot?

He Huan pushed him. Qin mo, let go of me. I’ll go take a shower and accompany her.

however, qin mo did not let go of her. not only did he not let go, but he hugged her even more tightly. his thin lips kissed her waist and abdomen through her clothes. there was a kind of confusion inside.

it was not because of qing yu. when yi huan was sick, he did not have such thoughts. he was only sure that this hateful woman was still by his side. this hateful woman was still there and had not left. she had not abandoned him and yi huan.

She didn’t. She left three days after giving birth to yihuan.

Qin mo had completely fallen into a demonic state. It was as if he didn’t care and there were only the two of them left in the world.

“qin mo.” He Huan was shocked. She placed her hand on his shoulder and said,”Be more rational, yihuan is sick.”
