

Thank you 421

Chapter 421 qi qi, you have to be responsible for your brother (2)

Tang Zhiyuan knew that it was cruel to say that, but he still said it, "as a father, I still hope Tang Yu can find a lady from a prestigious family. I like the Shen family's daughter the most. Miss PEI has met her before and they used to be very close.

PEI Qiqi's heart was already numb from his words.

parents would always plan for their children in this way.

She gave a shallow smile. I understand.

She did not say anything else.

What was there to say?

What was there to say to a strange and pathetic man?

At the same time, he was cruel.

the way he treated zhao ke was too ruthless.

pei qiqi raised her head and looked at this middle-aged man who used to be noble but was still decent. she saw a touch of coldness in his eyes.

She lowered her head and walked back to the ward silently.

Tang Xin sat there alone. She probably guessed what Tang Zhiyuan had said to her and meowed like a kitten, "Qi Qi, will you come and see me?"

PEI Qiqi didn't say anything. She just reached out and stroked Tang Xin's little head. Then, she pulled Tang Xin into her arms.

pei qiqi was still young, but towards tang xin, she felt like a hen treating her chick.

tang xin still looked at her pitifully, afraid that pei qiqi would not want her anymore.

After a long time, PEI Qiqi said softly, "I will think of a way."

tang xin cried out and hugged her happily, "qiqi, you're the best!"

pei qiqi's heart, however, was heavy.

how long could she have such a tang xin?

Tang Zhiyuan smoked a cigarette outside. He wasn't an unreasonable person. He wanted to let PEI Qiqi and Tang Xin talk so that Tang Xin wouldn't feel so bad.

From afar, a slender figure walked over. When she got closer, she called out, "uncle tang,"

Tang Zhiyuan turned around and smiled. "It's Shen Lian!"

shen lian smiled, "i'm here to see tang xin! how is she?"

tang zhiyuan's expression calmed down a little before he said, "PEI Qiqi is inside."

even though shen lian was still smiling, it was already a little forced.

he paused for a moment. then, he asked, " she got back together with yingluo and tang yu? "

"no, i didn't!" tang zhiyuan looked at shen lian. " recently, tang yu and that sun feifei seem to be getting closer. shen lian, you know that uncle tang has always thought highly of you. "

This was a kind of love cup. Shen Lian was like Lin Yun.

hearing this, shen lian looked a little shy, " tang yu already has a girlfriend. how can i ruin it? "

Tang Zhiyuan patted her. as long as you're not married, you still have a chance.

he couldn't let his son marry a flirtatious b * tch like zhao ke anymore. thinking about it made his heart turn cold.

all these years, he had actually lived with a woman like that. just thinking about it made him feel disgusted.

Through the court hearing, he already knew that Zhao Ke was raped by her stepfather when she was in her teens, and later on, she had fooled around with countless men.

he had found out through his lawyer and felt nauseated.

Therefore, family status was still quite important. Initially, he felt that Shen Lian and Qin Anlan's relationship made him a little unhappy. However, after thinking about it, it was not a big deal for young people to have a past.

The rare thing was that Shen Lian had been thinking about Tang Yu all these years.

tang zhiyuan didn't say much. shen lian was also considerate and didn't go in immediately.

After a while, PEI Qiqi walked out with a lunchbox.

When she saw Shen Lian, she was stunned for a moment. Shen Lian smiled and nodded in greeting.

Chapter 422 Qi Qi, you have to be responsible for your brother (part three)

At this moment, Tang Zhiyuan felt that Shen Lian was indeed a lady from a wealthy family. He liked her very much, so he said gently, " let's go see tang xin. "

the two of them walked in and pei qiqi stood there. when she passed by, she was stunned.

She remembered Tang Zhiyuan's words. She lowered her eyes and smiled gently.

So it was not a lie. The person he had his eyes on was still Shen Lian.

first love!

PEI Qiqi walked towards the elevator. She had already told Tang Xin that she wouldn't be coming over for the next two days.

she was so absent-minded that when she entered the elevator, she didn't realize that someone was coming out from inside, so she just went straight down.

her head was buried in that person's arms, and a familiar aura enveloped her.

she raised her eyes and stared at the man in front of her.

Tang mo helped her up and said with a faint expression, "What's wrong?"

pei qiqi slowly stood up straight and only spoke after a while, "it's nothing!"

Tang Yu stared at her for a long time before he stepped out of the elevator.

Of course, he immediately knew why she had lost her composure. It was because he saw Tang Zhiyuan and Shen Lian. They must have said something!

as soon as tang yu walked into the room, tang xin called out like a kitten, " brother. "

she looked at tang yu pitifully-

she didn't want to call shen lian sister and didn't want to deal with her fake feelings.

she hadn't been here for so many days, and now that her father was here, she came. it was obvious that she was here for her brother.

moreover, after her mother went in, shen lian had disappeared, yingluo.

although tang xin was young, she wasn't stupid and understood it after thinking about it.

of course, tang yu knew what she was thinking. he walked over and patted her head, " it's sunny outside. i'll push you out for a walk. "

Tang Xin nodded and wrapped her arms around Tang Yu's neck, " "Big brother is the best. You know that I'm bored."

shen lian opened her mouth and said in a soft voice, " tang yu, tang xin is sick. let's take care of her if we can. "

Tang Yu's voice was calm and cold, " patients need sunlight more.

then, he took the wheelchair, carried tang xin up, and covered her with a small blanket.

shen lian didn't say anything else. however, tang zhiyuan couldn't help but say, " Tang Yu, it's not easy for Shen Lian to come here. You should spend more time with her.

Tang Yu was bending over to cover Tang Xin with a blanket. When he heard this, his face turned a little ugly. After he straightened up, he said coldly, " "if shen lian wants someone to accompany her, she can go elsewhere."

Tang Zhiyuan also knew that he had said something wrong and he couldn't keep his face straight.

Tang Yu thought about PEI Qiqi's expression just now. He paused for a moment before continuing, " "Dad, you don't need to care about who I'm with in the future."

how could a man who had caused his marriage to fail have the right to criticize him?

Tang Zhiyuan was furious. Tang Yu, no matter what, I'm your father!

"It's physiological!" Tang Yu wasn't polite to him and his heart was cold.

Even though he knew that Tang Xin wasn't tang Zhiyuan's daughter, Tang Zhiyuan didn't know.

he could still worry about those things when tang xin was so sick!

Perhaps in Tang Zhiyuan's heart, Tang Xin didn't have long to live, and she was a dispensable cricket.

Tang Zhiyuan almost passed out after hearing what Tang Yu said. His face darkened, ” “what are you saying?”

shen lian tried to persuade him gently, ” uncle tang, don’t hurt your feelings for me. i will feel guilty. ”

Tang Zhiyuan reached out and patted her. you’re the sensible one.

Tang Zheng sneered and pushed Tang Xin out.

tang zhiyuan turned his head and looked into shen lian’s eyes. he sighed,”tang yu will eventually know the good in you.”

Chapter 423 he wanted her to get pregnant (part one)

“I’m fine! Uncle Tang, as long as Tang Yu is doing well, it doesn’t matter if he’s with me or not. I think sun Feifei is not bad and she’s a good match for Tang Yu.”

this was what tang zhiyuan was thinking. in his heart, he didn’t actually dislike sun feifei. however, tang yu wasn’t really tempted. it seemed like he wouldn’t be able to do it for a while.

How should Shen Lian put it? she had a relationship with Tang Yu. She watched him grow up and knew him well. Tang Zhiyuan didn’t have to worry about her.

However, he did not say much.

shen lian smiled and slowly walked to the floor-to-ceiling window. she looked down, ” uncle tang, i think tang yu still can’t forget miss pei. look, tang yu can go down now. they’re chatting. ”

she sighed, ” i haven’t seen tang yu this happy in a long time. ”

tang zhiyuan frowned. then, he walked to shen lian’s side and saw tang yu and pei qiqi. they were talking about something through tang xin.

After a while, PEI Qiqi knelt down and said a few words to Tang Xin before leaving.

Tang Zhiyuan’s jaw tightened. He saw his son staring at PEI Qiqi’s back in a daze.

“Uncle Tang, I think they really love each other. Please don’t ruin their relationship and don’t change anything because of me.” Shen Lian tilted her head and said with a serious expression.

tang zhiyuan didn’t say anything.

Downstairs, Tang Xin raised her head and looked at Tang Yu, ” brother, are you reluctant to let Qiqi leave? ”

Tang Yu nodded and reached out to touch Tang Xin’s little head, ” Tang Xin, if you miss your brother, just give me a call. I’ll pick you up and let you stay there for a few days.

“Can you see Qiqi?” Tang Xin asked in a low voice.

tang yu hesitated for a while before responding.

Tang Xin’s little face smiled slightly for a while, then collapsed again, and her voice revealed a touch of frustration, ” brother, how is my mother now? ”

tang yu was silent. after a long time, he sighed, " she was sentenced to many years in prison. "

Tang Xin's little head drooped, and every strand of hair was sad.

She looked up at Tang Yu and begged, " brother, if that day really comes, I want to see mom again.

This time, Tang Yu didn't hesitate and nodded.

but he immediately reached out to stroke her little head and said in a low and hoarse voice, " our tang xin will grow up well, brother promises. "

tang xin bit her lip and looked at him pitifully with tears in her eyes.

nothing was crueler than this. for a teenager, knowing that he didn't have long to live was a cruel thing. he didn't know how zhao ke and tang zhiyuan would let a child know about these things.

It was really disappointing to have parents like this.

tang xin groaned and threw herself into his arms. she was pitiful and her body was still trembling.

tang yu hugged her and didn't say anything.

when she returned to the ward, shen lian had already left. tang zhiyuan was still there.

tang xin looked at tang yu and saw that her brother's face had turned a little ugly.

Tang Zhiyuan didn't mention Shen Lian again. He only asked Tang Yu a few questions out of concern.

Tang Yu reached out and touched Tang Xin's little face. He smiled gently, " I'm going to work. I'll come see you tomorrow.

tang xin nodded obediently.

tang zhiyuan walked her to the door and paused at the elevator door. he couldn't help but say, " Shen Lian is a good kid. She's good to Tang Xin.

"it's impossible between shen lian and me." tang yu waited for the elevator and didn't give them any face.

Chapter 424 He wanted her to get pregnant (part two)

When she returned to the ward, Shen Lian had already left. Tang Zhiyuan was still there.

Tang Xin looked at Tang Yu and saw that her brother's face had turned a little ugly.

tang zhiyuan didn't mention shen lian again. he only asked tang yu a few questions out of concern.

Tang Yu reached out and touched Tang Xin's little face. He smiled gently, " I'm going to work. I'll come see you tomorrow.

Tang Xin nodded obediently.

Tang Zhiyuan walked her to the door and paused at the elevator door. He couldn't help but say, " Shen Lian is a good kid. She's good to Tang Xin.

"it's impossible between shen lian and me." tang yu waited for the elevator and didn't give them any face. Tang Zhiyuan spoke the truth. think about it. If Sheng Yuan and

Jin Taihe work together, they won't just be the top group in the North. They'll be unrivaled in the entire country!

"And then?" tang yu asked back.

tang zhiyuan was a little stunned. then?

"Isn't it every man's dream to be successful in his career?" he said with difficulty.

"What about you? why did you give up your career and your family for a woman?"

tang yu's eyes lit up. this was the first time he talked to his father about this, " "Can you still remember when you were the happiest in your life?"

the elevator door opened and tang yu walked in.

in the elevator, tang yu held his forehead with his fingers. he smiled gently but bitterly.

tang zhiyuan was still thinking about when he was the happiest.

that was when he just got married to lin yun. it was when they had tang yu. even though he was very busy with his career, he was really happy when he got home.

.....

At eight o'clock at night, PEI Qiqi returned from the company. She drove the car downstairs and turned off the engine. She sat there for a long time before getting out.

She was wearing high heels and looked a little tired. When she reached the door, she stopped.

at the door, tang mo was leaning against the wall with a cigarette in his hand and his legs casually stretched out, looking very long.

the key in her hand fell to the ground, and the crisp sound of it fell to the ground.

but no one cared ...

because he had already thrown away the cigarette and caught her with one hand, pulling her into his arms.

As the world spun, she was pressed against the wall.

there was a sharp pain in the back of her head, and her tears were about to fall.

tang yu's hand reached behind her little head and massaged her scalp. as if he was comforting her, he looked at her with deep eyes!

She couldn't move for a moment, afraid that he would kiss her if she moved.

But even if she didn't move, he still kissed her.

he kissed her deeply.

pei qiqi backed away. he placed his palm on the back of her head and pressed it even tighter so that he could kiss her deeper.

PEI Qiqi opened her eyes wide and looked at his teasing expression. There was a touch of pain in his expression.

In the end, she didn't know how she returned to the house, but when she regained her senses, they were already on the sofa.

pei qiqi pushed against him, " tang yu, don't cry. "

her eyelashes fluttered and she was terrified. they shouldn't be like this. they shouldn't be in such a daze.

But he didn't give her a chance to say no. He knew her weakness.

He was unstoppable.

Tang Yu bent down and kissed her. His thin lips touched her ear, " PEI Qiqi, did you miss me?!

"i didn't!" she frantically shook her head. i didn't miss you!"

She was like a hopeless little beast struggling, but how could she escape from his palm?

in the end, he got what he wanted. pei qiqi punched his shoulder and cried, " Tang Yu, you bastard.

Yes, he was a bastard!

But he missed her, especially today!

He frantically tried to find a trace of comfort.

Chapter 425 he wanted her to get pregnant (part three)

It was at this moment that he realized that he was also fragile and needed to be comforted!

He also needed to feel that she was still by his side!

It was late at night. He looked at her expression as she lost control because of her. It was only at this moment that he felt that she loved him!

everything returned to peace.

She was lying on her stomach, but he didn't leave immediately. He just lay there with her, but he didn't let his weight pressure her.

After a long time, he finally got up.

He still remembered that when they were at their most passionate last night, she still did not forget Hanhan.

Tang Yu took a look and let out a deep breath. He reached out and pulled PEI Qiqi out of his arms. He placed her down and occupied her for a while.

He seemed to be deliberately maintaining that posture, his long arms and legs dominating her, not allowing her to move.

His gaze was deep and PEI Qiqi couldn't stand it. She turned her face away and felt uncomfortable.

his heart ached a little. he had been too rough just now!

His fingers caressed her lips, carefully feeling the details, and his voice was a little hoarse."You're not going to ask me why?"

her voice trembled under his teasing. " i don't want to ask. "

His fingers paused, and she immediately felt a tension. She bit her lip and didn't dare to make a sound.

Tang Yu was silent for a while. Then, he got up and walked straight to the bathroom.

He didn't avoid her and just took a shower in the small bathroom.

the sound of water entered her ears. pei qiqi closed her eyes and didn't dare to think.

if he had forced her the first time, she had acquiesced to the second time.

She wanted to get up, but her body was soft and she didn't want to move.

She lay there for a long time until she saw Tang Yu walk out.

Her lean body was only wrapped in a short bath towel. Water droplets slid down from her waist and abdomen, entering the bath towel, which was very seductive.

PEI Qiqi just looked at him. Tang Yu glared at her but didn't say anything. He took off his towel and picked up his clothes from the floor to put them on.

when he straightened his body again, he looked at her. his elegance didn't diminish at all, "pei qiqi, think about our relationship now. " also, what did we do just now?"

PEI Qiqi's reply was to willfully throw a pillow at him.

he had already done it, and he even put on a cold face for her to see!

she turned her face away and chose not to answer him.

tang yu looked at her lying on her stomach and didn't know what she looked like.

his adam's apple kept rolling, and his thin lips were tightly pursed, but he didn't say anything more and just walked away!

he left?

pei qiqi bit her lip. she was extremely angry. she hadn't even had dinner and he was already bullying her. it was almost midnight-(mr. tang made her hair stand on end). she was very hungry but she had no energy at all.

when she heard the sound of the door closing, she knew that he had really left.

She kicked the end of the bed angrily and bit her small mouth. She didn't know how cute she looked right now.

tang yu walked to the door but didn't leave immediately. he stood in front of her door and smoked a cigarette. then, he picked up his phone and called xiao ran, " get someone to send a meal suitable for girls to this address. "

he gave the address.

however, xiao ran had been with him for a long time, so he immediately guessed whose house this was.

She was a little surprised. Wasn't the president prepared to be with Miss Sun?

why, did he reconcile with pei qiqi?

Chapter 426 Childish! Laughable! Shameless!(1)

She kicked the end of the bed angrily and bit her small mouth. She didn't know how cute she looked right now.

tang yu walked to the door but didn't leave immediately. he stood in front of her door and smoked a cigarette. then, he picked up his phone and called xiao ran, " get someone to send a meal suitable for girls to this address. "

He gave the address.

however, xiao ran had been with him for a long time, so he immediately guessed whose house this was.

she was a little surprised. wasn't the president prepared to be with miss sun?

why, did he reconcile with pei qiqi?

However, Xiao ran knew that the president wasn't a frivolous person. For him to give such an order, PEI Qiqi must be the most important person in his heart.

Besides, it was impossible for him to be with Sun Feifei. Although men were often fickle, their CEO would never be.

tang yu put down his phone, finished his cigarette, and left.

half an hour later, the super luxurious take-out arrived by two managers. when pei qiqi received it, she was a little confused.

"It was miss Xiao's orders." the two managers only said that.

pei qiqi immediately remembered that it was tang yu. she thanked him and went back into the house. at this moment, she was no longer in the mood to eat. she was no longer hungry.

He looked at the four dishes and the soup. They looked, smelled, and tasted great. The soup was especially attentive. It was a top-grade ingredient for spring supplements.

She was in a daze for a while. When she thought of his expression when he left, she pursed her lips and sent him a message.

i've received the meal. have you eaten?

on the other side, tang yu was driving.

It was a night in early spring, and his coat was casually thrown in the back seat. He was only wearing a sweater, but he still had half of the window down.

he heard the phone ring. he turned his head and took the phone. it was from qiqi.

as for the content, he was both satisfied and dissatisfied.

He was good to her, so she wanted to repay him!

With one hand on the steering wheel, he dialed PEI Qiqi's number with his other hand.

The other end of the line rang for about three or four times before it was picked up. It was her somewhat muffled voice.

“Is it to your liking?” he asked very lightly, his voice clear and noble. along with the night wind, there was a trace of confusion.

this was probably the legendary cold wind!

PEI Qiqi picked up her chopsticks and poked a small yellow croaker. She bit her lips, ” have you eaten? ”

His voice turned even colder. we’ve eaten. We’ve had three meals. Miss PEI, have you forgotten? ”

” tang yu, do you have to speak like this? ” Her voice was soft and weak, but there was a hint of stubbornness in it.

He could almost see her waving her little claws at him, baring her fangs.

She chuckled with a hint of mockery. when I was sweating like rain, you didn’t feel bad about whether I had eaten or not!

PEI Qiqi was stunned. She never thought that Tang Yu would one day be so shameless and childish!

While she was still in a daze, she suddenly heard the sound of a car crashing.

a loud bang! then, he groaned.

“tang yu! tang yu!” she clenched her phone tightly and stood up. she rushed toward the door. Tang Yu, what’s wrong? ”

When she reached the door, she remembered that she had forgotten to bring her car keys, so she went back in, put on her slippers, took her car keys, and rushed out.

on the other side, tang yu’s voice was weak. he was still sitting in the car and watching the smoke coming out of the car.

and the one in front was a green belt!

he hit himself!

he did it on purpose!

Chapter 427 childish! laughable! shameless!(2)

Tang mo sat quietly, not caring about the car or getting out to check.

He didn’t care if the front of a car that was worth more than 10 million was damaged beyond recognition.

He reached out for a cigarette and sat down to smoke slowly. His posture was very elegant and relaxed, and his face did not have much expression.

in less than ten minutes, the chief of B city’s highest traffic police force appeared in person and stood outside the car with his back bent. ” is mr. tang in any serious condition? We’ll send you back, and we’ll also send this car for repair.”

tang yan put an elbow on the window and looked at the director outside. ” no need, you guys go back first. ”

The director was very worried. The Green Belt was blocking Mr. Tang's car, which made Mr. Tang very unhappy. What if the higher-ups blame him?

Hence, she refused to leave.

tang zheng flicked the cigarette ash away. "chief zhao, if you continue to stay here, i can't guarantee that you can go to work as usual tomorrow. "

chief zhao was stunned, but he immediately understood what he meant. hui zimo took his men and left.

in the car, little straw cape spoke his mind to chief zhao. "chief zhao, don't overthink it. i have a feeling that mr. tang is waiting for someone. "

He chuckled. you can't understand the world of the rich! a sports car, just to pick up a girl, he crashed into her. "

Chief Zhao, who had only made it this far at his age, glanced sideways."did mr. tang deliberately hit it?" this can't be!

the young man smiled calmly,"chief zhao!" it's not a strange thing now. 10 million yuan is nothing to a person like mr. tang. haven't you heard about what happened a while ago? 20 billion, 20 billion, he threw it into the water without even blinking."

Chief Zhao sighed. He knew about this.

Then the main character tonight was probably that PEI Qiqi.

"speaking of which, that sun feifei didn't get promoted?" chief zhao looked at the people below.

The young man laughed again. how can he? he's so different in terms of looks. Men are all visual animals. If he's used to big meals, how can he swallow light porridge? "

chief zhao thought about it and felt that it made sense, but he was still a little worried. " "Then how are we going to end this?"

"There's no such thing as cleaning up the mess." The young man comforted him, " Mr. Tang doesn't care about this now.

After that, the two men, one old and one young, laughed meaningfully.

At the scene, Tang Yu smoked a few more cigarettes before PEI Qiqi's car arrived.

tang yu sat there and watched her car stop by the side of the road. he immediately opened the door and jumped out.

She was wearing pink home clothes and slippers as she ran over.

when she saw him, she slowed down and slowly walked toward him.

one was inside the car while the other was outside.

"Why aren't you coming out?" Her voice was a little hoarse, and her face was red from the cold, especially her nose. She looked very cute.

Tang Yu was still sitting but he didn't smoke anymore. He looked at her deeply, "you care about me?"

his eyes were clear and bright ...

she was familiar with that look. every time tang zheng wanted to make love, he would look like that.

pei qiqi instinctively took a step back, but it was too late. his arm hooked her and pulled her to his side. with the car door between them, he kissed her.

so deep and rough that he almost wiped her lips.

Chapter 428 childish! laughable! shameless!(3)

Tang Yu was still sitting but he didn't smoke anymore. He looked at her deeply, "you care about me?"

his eyes were bright.

She couldn't be more familiar with that gaze.

pei qiqi instinctively took a step back, but it was too late. his arm hooked her and pulled her to his side. with the car door between them, he kissed her.

she could smell the cigarette in his mouth.

Very quickly, she realized that she had been tricked!

There was no car accident. It was all a prank.

All her worry turned into anger. She couldn't resist it. In the end, she raised her hand and slapped his handsome face.

"pa!" it was so loud!

on the busy road, golden lights and shadows intertwined.

the handsome man sat in the car while the beautiful girl stood outside. they were in a deadlock!

she wanted to escape. she took a few steps back and wanted to run. she couldn't care about her car anymore.

she had a premonition that she would be devoured by him until not even her bones were left. she had only run a few steps when her small body was hugged from behind.

a car brushed past her, and he suddenly hooked his arm around her waist.

tang yu stared into her eyes sternly, "pei qiqi, do you want to die?"

She was a little dazed, a little dazed, and even more frenzied.

His arms were as wild as iron pincers, and he easily hugged her. He buried his face in her small neck and said in an extremely hoarse voice, "pei qiqi, why don't you dare to admit it if you care about me?"

being held by him like this, her body went soft and she could not move.

She looked up and felt his thin lips on her neck. He could bite her in half with one bite.

there was a fatal danger.

He held her neck roughly, forcing her to turn her head and kiss her.

The night wind was cold, but he was so, so hot.

pei qiqi closed her eyes and felt very uncomfortable.

Trembling, trembling!

After that storm of kisses, he did not let go of her immediately. Instead, he hugged her as if to comfort her.

She was still trembling in his arms, as pitiful as a Reed in the wind.

“PEI Qiqi, you can’t run away.” he kissed her, his voice like he was making an oath.

after that, he bit her thin shoulder through her clothes, and it was a little deep.

she cried out in pain.

by the time he let go, there was already blood on her shoulder, and deep teeth marks were floating there.

She was in pain, but he didn’t feel any heartache. He reached out and touched the bite mark and pressed it against her face, ” PEI Qiqi, this is a mark. You’re mine in this life.”

this was his decision!

although it was painful and would hurt many people, he would not change his mind once he had made up his mind.

“i told you, you’d better hold on.” after saying that, he actually laughed happily.

PEI Qiqi was stunned. Then, she realized something. She didn’t know where she found the strength to push him away.

the night wind was strong. she looked at him. ” tang yu, do you know what this means? ”

He smiled at her. His smile was calm and filled with love, ” PEI Qiqi, I know. It means that we are going to hell together.

but did that matter?

she was timid and unwilling to go down, so he dragged her down.

she wanted to be a saint, but he would not give her the chance!

pei qiqi, when did i say i wanted to be a filial and loyal person?

In this life, I’ve had everything I wanted. I don’t want to lose what I’ve had, and I don’t want to hand it over to others.

it was as simple as that.

She retreated while he staggered forward.

Chapter 429 Childish! Laughable! Shameless!(4)

Tang Yu, we can't do this. she wanted to escape, but how could someone as strong as him give her the chance to escape?

In her car, he had taken her in the back seat.

there were no safety measures!

The result was that both of them caught a cold, Yingluo.

also, it was captured by the surveillance camera and made the headlines the next day.

chief zhao was having a headache. this matter had been suppressed again and again, but in the end, it still made the entertainment news headlines.

The whole world felt sorry for Sun Feifei. Indeed, the scariest person in the world was still her ex-girlfriend.

sun feifei's manager was very good at handling matters. she took the opportunity to hold a press conference. sun feifei cried and said that she would give tang yu and pei qiqi her blessings and that love couldn't be forced.

Sun Feifei had left a good name for herself and was doing well for a while.

tang yu was wearing a white sweater and grey sweatpants. he was holding a cup of coffee in his hand as he sat on the sofa in the rose garden and listened to xiao ran's report.

Although Xiao ran was reporting in a serious manner, she was secretly paying attention to him.

the president looked lazy, and there was a hint of satisfaction on his face. it was an expression of a man who had been fully satisfied.

Was it really a cold?

Xiao ran thought unkindly, 'are you sure it's not Yingluo playing with exhaustion?'

However, she was the most professional secretary and reported her work very calmly.

in the end, tang yu agreed. she suspected that her president didn't listen to her.

"Go and buy me a bottle of vitamins." tang yu drank a cup of coffee and said casually.

xiao ran was surprised again, but he still did as he was told.

Tang Yu stopped her, " don't tell Qiqi.

Qiqi?

secretary xiao's heart skipped a beat. it was indeed the case.

There were two reasons for his heart to flutter. One was that the CEO called her 'Qiqi' and not 'PEI Qiqi'. Two, why would he buy vitamins for no reason?

xiao ran didn't dare to think too much. he quickly went out to buy something and handed it to tang yu.

Tang mo held it in his hand, looked at Xiao ran, and said lightly, " "you should go back to the company first!"

xiao ran nodded, but he could not help but look upstairs.

after she left, tang yu lowered his head and looked at the medicine bottle in his hand. he took out another bottle from the table, replaced it, and threw the rest into the bin.

Then, he lazily walked up to the master bedroom on the second floor. When he opened the door, PEI Qiqi was still asleep.

He raised his hand and looked at his watch. It was already eleven o'clock.

however, he remembered that she had almost no time to sleep last night. she was occupied by him the whole time and almost bled.

He placed the bottle of medicine on the bed and sat by the bed to look at her. He reached out to caress her delicate little face and asked in a low and hoarse voice, " does it hurt a lot? "

He wasn't gentle last night. He was as rough as he could be. Her body was covered in bruises, and she looked a little tired. Especially her neck, where he had kissed her all over.

Last night, he was so excited that he almost ate her.

PEI Qiqi slowly woke up when he called her that.

when she opened her eyes, she saw tang yu sitting beside her. her lips were slightly open. they were red and looked very attractive.

Tang Yu sat there and looked at her quietly. His eyes were deep.

pei qiqi couldn't stand such a gaze and sat up. she didn't notice that her pajamas had slipped to her shoulder.

His teeth marks were on her small and thin shoulder. He had left them on her.

it wasn't as deep as before, but it still looked a little erotic ...

Chapter 430 Childish! Laughable! Shameless!(5)

Tang Yu couldn't help but reach out to touch it. He touched it gently and his eyes looked a little distant.

PEI Qiqi's body trembled. She looked up at him with tears in her eyes.

Every time he touched her, she would feel a little afraid.

"do you want to get up and eat something?" tang yu asked lightly.

She shook her head, but in the next second, her eyes fell on a small bottle at the side.

The packaging of the bottle was Yingluo birth control pills!

she stared at him for a long time before finally moving her eyes back to his face.

tang yu smiled, " i didn't have time to take any precautions last night. "

So, these were all prepared for her?

PEI Qiqi bit her lip and hugged her body.

even though she had never thought of having a child with him, she still felt a little hurt when he placed a bottle of morning-after pills in front of her.

“what, you don’t want to eat?” He suddenly leaned in close to her face. His voice was hoarse and low, “ if you don’t want to eat, you might get pregnant. PEI Qiqi, are you sure you want to have my child? ”

When he said the last sentence, his eyes were a little deep, and his slender fingers were placed on her heart.

“PEI Qiqi, tell me! if you say yes, i’ll immediately throw this bottle away.” and immediately do it a few more times! deeply, deeply, to make sure that she would get pregnant today (pretty shameless)

Her lips trembled slightly as she kept looking at his handsome face, unable to move her eyes away as if she was possessed.

tang yu’s lips curved up and he chuckled. then, he whispered into her ear, ” do you want to have a baby? ”

she was stunned for a long time, unable to extricate herself from his gentleness.

But when her eyes fell on the bottle of medicine again, all her rationality came back.

She took the bottle of medicine, looked at it, and then at him. Finally, she opened the bottle, took one pill out, and swallowed it.

there was already no clear line between the two of them. at this time, they really could not have another child to disrupt everything.

moreover, she did not want this child to be as weak as her when he was born.

tang yu’s gaze was fixed on her as she finished eating. his gaze was a little unpredictable.

pei qiqi thought he would get angry but he didn’t.

tang yu just smiled, ” isn’t it uncomfortable to eat like this? ”

then, he handed her a glass of water. yingying seemed to have guessed her choice.

pei qiqi looked at him suspiciously but still took it and drank two mouthfuls. it did feel much better!

tang yu stood up and pursed his lips, ” let’s have lunch together. ”

pei qiqi sat there for a long time before she said, ” “I want to take a shower first.”

He didn’t leave immediately, but stood there and looked at her.

“Get out,” PEI Qiqi said softly.

“pei qiqi, which part of you have i not seen before?” He raised his eyebrows and leaned there. He had originally taken out a cigarette, but for some reason, he didn’t smoke it and just held it between his hands.

He looked like he was going to quit smoking!

PEI Qiqi was a little embarrassed. Everything that happened last night was out of control. She didn’t know why she ended up with him again, and in three different places!

her house, in the car, and his place!

she was probably too angry, so when she got up, she pulled off the thin pajamas on her body.

she stood in the gentle sunlight and let him look at her beauty.

It was beautiful and alluring.

what he couldn't stand the most was that there were many hickeys left by him on it. looking at these marks, he was reminded of his impetuousness last night.
