

Thank you 4251

Chapter 4251: in fact, rong yue is the substitute (5)

qin mo's breathing was also a little messy. he moved his face closer to her and his voice was extremely hoarse."i want to sleep with you, what's wrong with that? Don't tell me you want me to sleep with someone else?"

"Whatever you want!" he huan bit her lip and turned her face to the side.

her little face was really bright and stubborn, looking very detestable.

qin mo glared at her, wishing he could swallow her whole. once she was in his stomach, no one would snatch her away from him and he would not have to worry about her.

however, he couldn't bear to anger her like this and end up in a very embarrassing situation.

qin mo stared at her face and stroked it gently, as if he was considering how to treat her.

...

He Huan couldn't stand him. With a cold face, she said, "I'm going to take a shower.

qin mo's gaze changed for a moment. he then reached out and locked the bathroom door. without saying a word, he carried her up and walked straight to the shower head. then, he reached out and stopped the water flow.

The hot water poured straight down, and they didn't even take off their clothes.

He Huan almost jumped up, but it was too late. Qin Mo's kiss fell on her lips very quickly.

she was pressed against the hot wall and kissed by him. she was angry at first, but after being kissed so forcefully, he huan's body slowly softened.

It was inconvenient and uncomfortable in the bathroom, so he carried her out in the end. He didn't dare to do it on the bed, but on the sofa, he gently kissed her.

After one night, the jealousy and anger towards her had almost dissipated. After venting, a man's temper was always good. After it was over, he leaned against her and said in a hoarse voice, "Do you still smoke?"

"you don't need to care." he huan lay on the sofa angrily. her whole body was so sore that she didn't want to talk.

In comparison, Qin Mo's mood was much better. He leaned on her small shoulder and took a bite. "I'll carry you to soak in it. You'll feel better."

He Huan didn't want to talk to him, but Qin mo still carried her over and soaked her in the water for a while. He Huan did feel a little more relaxed.

She thought that she was going to sleep now, but Qin mo was really an expert at tormenting people. He did not let her sleep at all and hugged her on the sofa. It was enough for the two of them to lie down.

He trapped her in his arms and comforted her like he was comforting a kitten in pain.

He Huan was forced to lie in his arms, and her voice was a little hoarse."i haven't said that we're together."

"Then how long do we have to wait?" Qin mo smiled. Although his smile was very gentle, it had a strong meaning.

He Huan turned around and didn't say anything.

qin mo leaned over and said in a hoarse voice, " why? you don't want to answer? Then, let me ask you, why is Rong Yue in this production team?"

“He’s the scriptwriter, isn’t it normal for him to be here?” he huan was really speechless. he was too childish.

In fact, they had already quarreled once over Rong Yue, and now he was going to do it again.

She turned around and prepared to sleep. Even if she was on the sofa, she would accept it.

However, as soon as she closed her eyes, he gave her a hard slap on the butt. He Huan cried out in a low voice, ” “qin mo, what’s wrong with you?”

he leaned over and even raised his large palm dangerously.”we haven’t agreed on your smoking.”

he huan felt that he couldn’t keep looking at her, so she hardened her voice and said, ” “I won’t smoke in the future.”

“I don’t believe you.” he was insatiable.

He Huan was about to explode. She glared at him. ” what else do you want? you’ve already asked for enough. i can’t keep you company no matter how much you want. do you want me to call two for you? ”

Chapter 4252: qin mo, you’re just being unreasonable (1)

However, Qin mo did not let her off. He raised his hand and said in a hoarse voice, ” “you promise?”

he huan was triggered by him again and said angrily, ” “if you don’t want to, believe it or not.”

he came over again, but this time, it was much lighter and more secretive. he huan called out softly and asked him in a muffled voice, ” “What do you want?”

Qin Mo’s hand had never left her, and his voice was even more hoarse. don’t you know what I want? ”

he huan bit her lip and didn't say a word for a long time. after a long time, she said in a hoarse voice, " " qin mo, i'm very tired now and i want to sleep. if there's anything, let's talk about it in the future, okay? "

"Then take back what you said before." He said childishly, " you're not allowed to say that you'll give up. You're not allowed to say that you won't be with me in the future. Also, Rong Yue will force him to leave the crew. Or, I'll stay with the crew until you finish filming.

...

He Huan had been discussing with him in a friendly manner earlier, but she couldn't hold it in anymore. She pushed him away from her. Qin mo, are you being reasonable? "

He wanted everything he wanted. If there was really something between her and Rong Yue, did he really think that he could easily do it with her?

Furthermore, Qin mo was also an expert in the industry. He was simply unreasonable and was just a lunatic.

with he huan's temper, she would have slammed the door and left, but yi huan was here. she had to be careful of yi huan. when the little guy woke up tomorrow, his mother would not be around.

Qin mo was too evil. He had her completely under his control.

While she was hesitating, she turned around and looked at Qin mo. Qin Mo's expression was not too good.

He was also looking at her, his eyes filled with an unfathomable sense of superiority.

he huan felt as if her tail had been stepped on, and she immediately went to sleep on the big bed.

as she lay beside yi huan, she felt an indescribable sadness in her heart. it was the kind of feeling that one would experience on a rainy day when the rain was pouring. her eyes were wet and hot. she was extremely sad.

however, she did not want to show weakness in front of him. she did not want to cry, so she buried her face in the blanket and cried secretly. soon, the blanket was wet and hot. she hugged the blanket tightly and leaned over to hug yi huan. she smelled the little guy's soft and fragrant body.

However, the gentler he was, the more embarrassed she felt.

What were the two of them now? it was nothing. he was happy to have brought yihuan over, but he had no idea what that night meant to hanhan!

no matter how slow he huan was, she roughly knew why she couldn't let it go, why she was so angry, and why she didn't take the initiative to divorce. it was because she had a vague feeling about something.

it was him. he had always been the dominant one. rong yue had always been a chasm between them. however, he seemed to have no scruples and forgot about it.

She felt that she was not worth it.

He Huan was sad when someone patted her on the shoulder.

She was shocked and buried her face even deeper. Qin mo then laid down and hugged her from behind.

He Huan paused for a moment, his voice hoarse."get out of the way."

"Why are you crying?" "I remember that you used to be like a boy, but now you've become so sentimental," he said in a hoarse voice.

He Huan's body was stiff as he hugged her, and she didn't want to talk to him.

she struggled silently but was unable to break free. qin mo seemed to be hugging her casually, but he was actually very domineering.

He Huan had no choice but to say in a low voice, ” “You let me go!”

“i don’t want to.” “Are you angry?” he asked in a deep voice.

she did not make a sound.

Qin mo continued in a low voice. in the past, I always felt that you needed time, so I let you go free. But later on, I realized that I was wrong. Once you were free, you never wanted to come back to Xuanji.

“aren’t you tired? Besides, we’re divorced now. Qin mo, if you want to relax, you can really let go of her completely.” he huan’s voice sounded a little dazed. ” you’re the one who chased after me. you’re the one who wanted to be together again. you can’t treat me like this. ”

...

“He Huan, you’re being unfair.” qin mo closed his eyes. ” you made me fall in love with you first. ”

Perhaps the men in the Qin family were all passionate. His brother had set his eyes on Tang Xue ‘er since he was young, and so did he. He had wanted to be with her since he was very young. After so many years of making mistakes, he had thought about giving up countless times. Even after the divorce, he still could not bear to do it. At first, he was a little hesitant, but when she blocked his door and smashed his car into pieces, Qin mo knew that he would not let her go in this life.

however, he couldn’t tell her how he felt. she probably wouldn’t understand how painful it was to like someone.

Just like now, he was clearly in pain, but he was still smiling.

“No matter if it’s pain or happiness, we’ll experience it together. I won’t let you go in this life.” qin mo’s voice was clear and firm in the dark night.

he huan was even sadder and did not say anything.

they were never together, and they were always out of sync.

he loved her, and she liked him, but why was she still like this? perhaps their personalities were not compatible. he was too strong and overbearing, and she was too headstrong. she was not willing to be the woman behind him and was not willing to accommodate him in everything.

there were so many problems that could not be ignored.

he huan was very afraid that this time, the ending would still be the same.

She wanted to shrink away, but he didn't allow it. He turned her over and gently held her in his arms. His hand touched her small face, which was warm and wet. why are you crying again? ”

he coaxed her and gently kissed her tears dry.

he huan was in pain and uncomfortable. it was as if all the pain came from qin mo's eyes and expressions.

between them, she had actually lost.

She struggled hard but couldn't break free. In the end, she buried her face in his neck and bit him hard. She bit him very hard as if she had used up all the entanglement of their lives and wanted to release it all in this bite, to let it all disappear.

her mouth was filled with the taste of blood, and she slowly loosened her teeth.

qin mo could not move at all. after a long time, he said in a hoarse voice, ” “don't cry, okay? My heart is in a mess when you cry.”

He Huan didn't make a sound. She just lay in his arms like a little beast that had exhausted all its strength.

She used to be so alive, but now, she was in his arms as if her wings had been broken. It was useless to struggle or do anything else. She was no longer the he Huan of the past. She could vaguely feel that the person she loved was Qin mo, and perhaps she always had been.

He Huan lay in his arms and cried for a while. She thought she wouldn't be able to fall asleep, but she fell asleep just like that.

Qin mo lowered his head and looked at the young lady in his arms. He had an indescribable feeling in his heart.

It was sour and painful, but also a little sweet.

Chapter 4254: Qin mo, you're just being unreasonable (3)

Qin mo lowered his head and looked at the young lady in his arms. He had an indescribable feeling in his heart.

it was sour and painful, but also a little sweet.

of course, he could feel that he huan's heart was full of teasing.

she only teased him and smiled. perhaps he was too overbearing!

Qin Mo's palm slowly landed on her back and patted her gently like he was coaxing a child. It was as if he was comforting her, but also comforting himself.

then, he turned around and looked at yi huan.

...

Yi Huan was sleeping soundly, and the child couldn't help but wake up at nine O'clock.

he huan did not take care of her much, but yi huan was very stubborn in liking he huan. he thought that yi huan was part of the reason why he was so stubborn. no matter how gentle other women were, they could not replace he huan as a mother, even though she might not have the self-awareness of a mother.

as she thought about it, she was really tired, so she closed her eyes.

when he opened his eyes again, the sky was already bright. he immediately looked at his arm, and he huan was no longer there.

the one lying in his arms was yihuan.

the chubby little guy was lying on his stomach with a look of satisfaction on his face. there was even drool at the corner of his mouth.

qin mo was amused. he reached out and adjusted her face. then, he looked at her face carefully, trying to find he huan's shadow on her face. however, yi huan looked more like him.

he felt proud, but also a little regretful.

At this moment, Yi Huan woke up.

She slept soundly and sweetly. When she woke up, her little face was puffy, her big and cute eyes were watery, and her skin was so white that it was translucent. She was like a soft and fragrant little bun.

qin mo had always doted on her. after being unhappy with he huan last night, he found yi huan even more adorable now.

she was much cuter than her mother.

the father held his younger daughter in his arms and kissed her. "are you hungry, baby?"

yi huan looked at him with her big eyes and reached out her chubby little hand. "daddy, what happened to your neck?"

Qin mo reached out and touched her. is it very obvious? ”

qin yihuan nodded her head vigorously. ” “It’s true.”

“it’s mom,” he said, looking at her.

qin yihuan sat on her father’s body and looked at him carefully. then, she giggled.”Daddy must be very afraid of mommy.”

He didn’t know why, but his younger daughter’s words were very pleasant to the ear.

“Yes, daddy is scared of mommy. But mommy, are you scared of yihuan?” qin mo was teaching children and he would not teach them well.

Yi Huan chuckled, and after a while, she seemed to have thought of something,”Then I can bite mommy too?”

“it’s only cute when children don’t bite.” mommy and yihuan are both girls, ” Qin mo said with a smile. they’re afraid of pain.

and he would feel heartache.

After he finished speaking, little Yi Huan started to act cute on his body. She was so cute and adorable that Qin Mo’s heart was about to melt.

At first, he thought that he Huan had gone to film, so he did not think much about it and thought that he could only wait here.

however, just as he was messing around with yi huan, he huan returned. she had probably gone to have breakfast.

as soon as she opened the door, she was stunned to see the father and daughter having a good time.

Qin mo had a relaxed and happy expression on his face. It was as if she had never seen ran ran before.

her heart clenched, and she had an indescribable feeling, as if she had seen something.

she looked at it quietly for a while before saying, ” “I have to go in a while. You can go ahead.”

“I’ll be waiting for you here.” qin mo said matter-of-factly.

he huan looked at him and did not say anything.

the atmosphere was strange. at this time, yi huan ran over and hugged he huan. ” “Mommy, hug baby. Baby misses you so much, Yingluo.”

Chapter 4255: Qin mo, you’re just being unreasonable (4)

He Huan hugged her soft and fragrant body, and her heart softened. She lowered her head and kissed her. “Mommy missed you too.”

Yi Huan was so happy, like a Little Bear hanging on he Huan’s body, and she was acting like a spoiled child.

he huan’s heart was unbelievably soft, and she kissed him again and again.”baby, can you get up and have breakfast?”

Yi Huan looked at Qin mo. I want to go with daddy.

He Huan looked over. Qin mo was wearing a white bathrobe and was leaning against the head of the bed. Although it was a simple shirt, it looked especially good on him. His body was slender and strong.

qin mo also looked at her, his black eyes filled with deep meaning.

...

He Huan was afraid of looking into his eyes, so she turned her head away and ignored him.

“what time is your bus?” qin mo’s voice was slow.

“Ten more minutes,” he Huan said softly.

As soon as she finished speaking, Yi Huan wrapped her arms around her neck and refused to let go. Her little body was snuggling up to her, and it was obvious that she was reluctant to part with her.

he huan also knew that. she patted her little body gently. ” “i’ll come back earlier, okay?”

Yi Huan was still unhappy and refused to let her go.

he huan could only look at qin mo for help. qin mo’s expression was calm.”You can coax her yourself.”

you brought yihuan here. she cursed in her heart.

Qin Mo’s expression was a little playful as he stared at her. After a few seconds, he Huan remained unmoved. He then said slowly, ” “Yihuan, mother is despising us.”

Yi Huan’s little heart was already uneasy. When she heard Qin Mo’s words, her big eyes immediately filled with tears and she stared at he Huan.

then, she burst into tears.

the rain did not last more than two seconds.

he huan felt helpless. there was no other way. then, the shameless man continued to fan the flames.
” why don’t we go back, yihuan? ”

Yi Huan sobbed and said, ” “I want to be with mommy.”

wow, i’m so sad!

He Huan was speechless. The bus was about to leave, and Yi Huan was crying so hard, how could she leave?

qin mo, on the other hand, got out of bed and went to the bathroom to shave. he left yi huan to he huan.

he huan was speechless. she followed him into the bathroom. ” qin mo, you made her cry. ”

qin mo was already holding a razor. he looked at her in the mirror and smiled. ” “But she’s angry at you, not me.”

he even had an apologetic look on his face, which really angered he huan to death.

qin mo had already started to shave. he would occasionally look at he huan, and he was still crying happily.

He Huan was furious, but she had no choice but to coax Yi Huan. At this moment, her phone rang. She picked up the phone with one hand and carried Yi Huan with the other. She was very thin to begin with, so it was a little difficult for her.

The dispatch was urging them. Everyone was already prepared, only he Huan was left.

When he Huan was on the phone, Yi Huan’s eyes were fixed on her. She had forgotten to cry, but she would Twitch from time to time.

Qin mo was also slowly shaving his beard, but his attention was focused on this.

he huan stretched out her hand and placed yi huan in his arms. ” “You try to coax her.”

Qin mo hugged her with one hand and stared at her for a while before he said slowly, " " is work really that important? is it so important that you don't even want to coax her? "

"Qin mo, you are so unreasonable." He Huan shook her hand.

Chapter 4256: qin mo, you're just being unreasonable (5)

His eyes deepened and he smiled. "if you know me a little, you'll know that i've been very tolerant of you."

"Maybe." he huan couldn't help but get angry. she turned around and wanted to leave.

Yi Huan looked at her and did not dare to cry anymore. She wrapped her chubby arms around her father's neck and looked very unhappy. Her big eyes were full of tears.

qin mo put down the razor in his hand and patted yi huan's back. he then said softly, " " he huan, in your heart, is work more important than yihuan or even more important than me? don't you have the patience to spend ten minutes coaxing her? "

"You know that's not what I meant." He Huan turned her head.

"then, what do you mean?" Qin Mo's voice was a little hoarse. yihuan threw up on the plane and didn't even eat dinner. All she wanted was to see you. But he Huan, you don't seem to care.

...

He Huan's heart ached. She did not know that Yi Huan had airsickness, so she was heartbroken.

"I'm fine," Yi Huan said, shaking her head.

then, she stared at he huan. however, this made her heart ache even more.

He Huan's heart softened, and she went over to hug Yi Huan and coax her. Then, she made a call to the dispatch office, " "You guys go first, leave one car for me."

after she hung up the phone, she helped yi huan put on her clothes and kissed her. " "now, mommy will take you to breakfast."

yi huan wrapped her arms around her neck and said embarrassedly, " "I haven't brushed my teeth yet."

He Huan smiled. then let's brush our teeth first.

although she treated yi huan very well, she was obviously not so friendly to qin mo. she carried yi huan to the restaurant alone and ignored qin mo, who followed behind her.

Yi Huan was a spoiled child, and the hotel's breakfast was not very delicious, so the little guy was a little picky. He Huan knew this, so she was very patient.

from the beginning to the end, she ignored qin mo. however, he seemed to be in a good mood and seemed to be enjoying the time when she was busy taking care of yi huan.

after breakfast, he huan looked at her watch and said to qin mo in a low voice, " I really have to go. I'm the director, Qin mo. You should know that!

She thought that he would always say a few harsh words, but Qin mo didn't. He only smiled faintly. "i'm still here today, but i have to leave tomorrow afternoon. i'll come back earlier in the evening."

He Huan nodded and agreed.

before she left, she still kissed her relatives. she was a little reluctant, but she really had to do her work.

this was also the first time he huan had the feeling that she didn't want to work and wanted to rest for a long time.

when she was leaving, her eyes met with qin mo's. he still had an enigmatic look on his face, and she almost did not dare to look him in the eye.

after a long time, he huan still left.

Yi Huan sat on Qin Mo's lap and said in disappointment, "daddy, will mommy not want us?"

"i won't," Qin mo lowered his head and kissed his younger daughter on the forehead. "mommy likes yihuan so much, so she won't."

"oh," yi huan replied. then, the father and daughter looked in the direction that he huan had left.

He Huan went outside. The production team had left her a business car. She got in and looked at the time. It had been half an hour.

Thinking about Yi Huan's torture, he felt that half an hour was not a long time.

When the car arrived at the set, the Assistant Director had already made arrangements. They were just waiting for he Huan to arrive.

when he huan arrived, kang qiao was the first to arrive. he smiled and said,"I thought that everyone would be able to rest for the day."

Chapter 4257: For the first time, I felt like a married couple (1)

when he huan arrived, kang qiao was the first to arrive. he smiled and said,"I thought that everyone would be able to rest for the day."

"the crew never rests." "Are you joking with me?" he Huan looked at him.

"Is it that obvious?" kang qiao laughed again. "i just helped you relax a little. if you don't thank me, look at how fierce you are. "

He Huan ignored him. As she walked, she asked thoughtfully, "you and xu mo are doing well now, right?"

Kang Qiao's eyes were filled with gentleness. mm, not bad. Xu Mo is pregnant.

"So fast?" he Huan was a little surprised.

...

"Sometimes, when you should trap it, you should trap it." Kang Qiao smiled meaningfully.

he huan looked at him strangely and said, "a man like you wants to trap a woman?" i thought it was a woman who trapped you."

Kang Qiao smiled. it's not that outstanding men don't want stability. President Qin's conditions are good enough, but he is still very loyal, right? "

He Huan looked at him. so there's a hidden meaning in your words. I won't say anymore. Let's start filming!

"I'll get the scriptwriter to add a kissing scene for you later!"

Kang Qiao just smiled and didn't say anything.

However, he Huan also silently listened to his words. Perhaps Qin Mo's mentality was the same as Kang Qiao's. Could she and Qin mo really start over again?

this question had troubled her for the entire day. for the first time, he huan had been distracted by work.

And it was for a man!

After work, the crew was supposed to have a gathering, but she declined and returned to the hotel early after receiving some funds.

It was only six O 'clock in the evening. When he Huan got out of the car, she saw the clouds in the sky and the sky was getting dark.

the hotel lights were already on, and the golden brilliance dyed the sky.

he huan entered the elevator and checked the room door. qin mo and yi huan were not there.

she was stunned for a long time before she went to the changing room. seeing that their luggage was still there, she heaved a sigh of relief.

he did not know why he heaved a sigh of relief.

She took out her phone and dialed Qin Mo's number. He picked up very quickly. He Huan asked, "Where are you guys?"

However, Yi Huan said in a childish voice, "mom, dad is taking me out to play. come quickly!"

"oh," he huan replied. she lifted her sweater and sniffed it. "Mommy, can you take a shower?"

Qin mo picked up the phone. I'm at Pingan Street. Take a taxi and come over. I'll send you my location later.

"oh," he huan replied, then went to take a shower.

In less than ten minutes, she came out with her hair dry. She opened her closet and picked from the few clothes she had. She made a t-shirt with a sweater and a pair of jeans. Actually, he Huan didn't know why she was so concerned about it. Why did she want to wear something different from usual?

Perhaps Qin mo was usually too particular!

However, she quickly realized that he was no one to her, so why should she care about what he thought?

thus, he huan closed her eyes and picked out a thin sweater and a pair of jeans before leaving the house. she took a taxi to where qin mo and yi huan were.

to her surprise, qin mo was playing with yi huan at the children's city. yi huan was a child after all and was very interested in these things. she was very happy. it was the first time he huan had seen her so happy.

“mommy, yihuan killed so many enemies.” yi huan sat beside her father and pointed her gun at the ‘bad guys’.

Chapter 4258: for the first time, i felt like a married couple (2)

He Huan took a glance and confirmed that it was just J random attack. Then J she looked at Qin mo. He was actually sitting next to her in J suit and was about to start J fight.

he huan looked at him but did not say anything.

and this glance seemed to drive away all the dissatisfaction and dissatisfaction from yesterday, disappearing.

Qin mo was tall and it was uncomfortable to sit in such a small seat. Hence, he got up and called he Huan over.

he huan felt a little weak, but for yi huan's sake, she sat down to accompany her. however, she was not good at this, and she died with yi huan in less than five minutes.

When the word ‘game over’ lit up, little yihuan still could not accept it. After a long time, she rubbed her eyes and slowly turned to look at he Huan.”mom, you’re a noob.”

...

Qin mo chuckled at the side, which made he huanke angry.

“I’m not as ignorant and incompetent as your father!” She snorted.

Qin mo was not angry, but his eyes were clear. It’s a new term, it’s the first time someone has said that about me. ”

“Daddy will get you a doll,” he said as he picked Yi Huan up.

He was tall and Yi Huan was only a few years old, so she looked like a little doll in his arms.

Yi Huan was overjoyed and clapped her hands, ” “i wanted daddy to catch it just now, but daddy refused.”

Qin mo glanced at he Huan. mom is a girl too. I like this too.

“i don’t like it.” He Huan said stiffly.

qin mo gave her a mocking look.

When she was young, she especially liked one of his collector’s toys and refused to leave his room. When she was 8 years old, she slept with him, Yingluo.

How could he Huan not understand the way he was looking at her? she glared at him angrily.

as for qin mo, he only smiled.

he went to exchange 100 coins, took a look at the claw machine, and then began to pick up the toys.

he huan knew that these dolls were hard to get. after all, they were here to earn money and not to make children happy. however, qin mo managed to get four to five dolls in a row, and she was a little impressed.

“take this,” Just as she was thinking about it, Qin mo had already thrown her a few dolls. Then, he lowered his head and focused on picking them up.

he huan hugged the doll and snapped out of her daze. she looked at his calm and serious side profile. he was even holding yihuan in his hands. he looked like the most ordinary father in the world and did not look like the ceo of KING entertainment at all.

she was a little lost in her thoughts. at this moment, qin mo threw her a doll. his gaze swept past her inadvertently and seemed to carry a slight smile.

he huan’s face heated up. she didn’t know why it was hot, but she lowered her eyes and didn’t dare to look at him. after a while, he threw them over again, and there were a few of them.

“daddy, you’re the best!” little yihuan was clapping.

qin mo looked at he huan. ” sometimes, mom thinks that i’m great too. ”

He Huan glared at him and Qin mo took the opportunity to chuckle again. There was an inexplicable sense of ridicule in his laughter.

after that, he caught a few more, but he huan could not hold them anymore. there were a bunch of envious children around, so with yihuan’s consent, he huan distributed the toys and only kept one for herself and yihuan.

qin mo had used up the 100 coins in his hand and did not exchange any more. it was time to eat.

Chapter 4259: for the first time, i felt like a married couple (3)

Qin mo had used up the 100 coins in his hand and did not exchange any more. It was time to eat.

this was a multi-purpose shopping mall. after looking around, they went to the third floor to find something to eat.

C city was considered a bustling place with a developed economy, so they had to queue for half a day just to have a meal.

Yi Huan had picked a themed restaurant and insisted on eating there, so they had to call for numbers and line up. Qin mo was carrying the child, so he Huan went to arrange the queue. Qin mo sat there and looked at her. For the first time, he felt that his relationship with he Huan was like fireworks.

moreover, this feeling only happened after they got divorced. qin mo thought to himself a thousand times that he had really squinted his eyes for a divorce.

he waited like a boss while he huan sat down and said in a low voice, ” “We’ll have to wait for about half an hour.”

...

qin mo was originally a little proud of himself, but when he saw the slight fatigue on he huan’s face, he couldn’t help but say in a low voice, ” “If you’re tired, Lean on Me.”

He Huan was actually used to the fatigue from work, but it didn’t include being eaten by a Qin beast for half a night. She was a little tired now and wanted to lean on Him, so she didn’t refuse. She gently leaned on his shoulder and closed her eyes.

when she leaned on his shoulder, qin mo’s heart softened. he turned his head and looked down at the girl on his shoulder. she still had short hair and was still thin. she was beautiful but she was still a little plain. however, she had been like this for so many years. he did not know why he was so persistent.

It was as if his taste was like he Huan’s, that she looked good in whatever way she was.

however, qin mo always hoped that one day, he huan would change for him. one day, when she appeared in front of him with long black hair and a dress, she would truly love him!

Although she was fine like this, men always had their own imagination.

Qin mo stared at her, his eyes filled with love. He couldn't help but gently caress her face.

He Huan was a light sleeper and immediately woke up. is it our turn? ”

Qin mo shook his head. no, you should sleep a little longer.

however, he huan had already woken up from her light sleep and didn't want to sleep anymore. another reason was that there were too many people around, and she was a little embarrassed.

She had no idea how many women were envious of Qin mo when he looked at her in her sleep. How many husbands would still have such a look after they had a child?

under the envious gazes of the women, he huan sat there for about ten minutes before they finally had their meal.

When they went in, he Huan was the one who scanned the QR code to pay, just like a normal couple. Yi Huan was the happiest. She sat beside her mother and told her what they played today. He Huan looked at Qin mo in surprise.

He appeared to be very enigmatic, holding the appetizer in one hand and shaking it gently.

he huan had to admit that some men were born to be noble. even in such an ordinary restaurant, qin mo's posture was so elegant that it was as if he was eating high-end french food. what was more amazing was that he had brought yi huan for the whole day. now that he had taken off his jacket, the shirt inside was flat and neat, as if it had been permed.

Of course, there were already many women peeking at him.

he huan only realized it after a while.

she picked up a glass of water to drink to hide her feelings.

Chapter 4260: For the first time, I felt like a married couple (4)

qin mo seemed to have sensed something. he gently swirled the cup and took a sip.

he huan was also drinking water, but she choked after taking a sip. it was not plain water, but white orchid.

he huan tried her best to hold it in. because it was too rude in the restaurant, she held it in for a long time and tears came out.

Qin mo pushed a small plate of desserts over. eat this.

she didn't have time to argue and immediately ate it in small mouthfuls, stopping after a few pieces.

qin mo smiled, 'are you afraid of getting fat? actually, it's fine for you to be so thin.'

...

He Huan frowned. it's not what you think. I don't really like sweet things.

He continued to smile, 'so you like salty food?' I didn't know!"

At first, he Huan really didn't notice what he meant. When she came back to her senses, she glared at him. Qin mo didn't avoid her gaze and his clear eyes told her that he meant what she thought.

he huan felt that he had no moral integrity. she wanted to ignore him, but her face turned red.

a chuckle was heard. it was obvious that this guy was too proud. he huan was so angry that she kicked him under the table. however, when she wanted to withdraw her foot, it was caught by a hand. then, her shoes were taken off and her foot was violated.

tears welled up in he huan's eyes. she had never thought that qin mo would do such a thing!

she tried to break free, but she couldn't. instead, he tickled her feet a few times, which seemed very interesting.

Qin mo only let her off when he saw that she was really getting angry.

he huan's face was red.

little yi huan buried her head in her dessert, how would she know about the fun between her parents?

At this moment, the waiter came over to serve the dishes. They were all cute food that children liked, while the adults only had steak. Fortunately, the taste was not bad.

qin mo was especially considerate. he cut a plate of beef for he huan and passed it to her. then, he switched places with her and smiled. " eat this. "

He Huan had fallen for his tricks a few times. She muttered softly, " "Those who are unaccountably solicitous are either evil or thieving."

"Then, which type do you want me to be?" Qin mo asked playfully.

"shameless." he huan lowered her head and ate. she was really hungry. filming was already very tiring, and she was the director. she had even played with them for a long time. it was already past eight o'clock.

She was thin, but she had a huge appetite. She finished the steak very quickly.

qin mo was speechless. " where did you eat? there's no meat anywhere i touch. "

He Huan snorted. if you're not satisfied, you can find someone else. You don't have to force yourself.

Qin mo looked at her, smiled, and gave her half of his share. He Huan rejected, " "Order another one!"

he still gave it to her and ordered another set for himself.

“i won’t eat what you’ve eaten,” he huan insisted.

qin mo looked at her for a long time before he smiled. ” “i thought we were already helping each other, but it turns out we weren’t!”

he then said with a deeper meaning, ”you don’t even like this, if i really let you waste your time?”

“Qin mo!” “are you going to let me eat or not?” he huan glared at him.

“you were the one who said that i’m ignorant and incompetent,” he said with a deep gaze.

That was why he had to show her how unlearned and incompetent he was, and how bad he was.

He Huan was speechless. Was he being too petty?

After the meal, Yi Huan was tired. Qin mo paid the bill and brought them back to the hotel. Unexpectedly, he threw Yi Huan at Kang Qiao’s place.”I’ll give you a chance to do an internship with a baby, Yingluo.”

Kang Qiao took a soft and fragrant bun. He felt helpless and amused. He clearly wanted to spend some alone time with her!
