

Thank you 431

Chapter 431 I only want her (part one)

“You’ve seen it?” pei qiqi’s straight black hair fell on little bo’s shoulders and she looked at him. she didn’t care about her fragile state and didn’t care that he was naked.

Anyway, it’s not like I haven’t seen it before.

The two of them were in a stalemate. After a long time, he laughed, ” what else, PEI Qiqi? is there anything else I haven’t seen before? can I see it? ”

Her answer was to throw the pillow at him ...

Shameless!

Watching her enter the bathroom, her slender figure was quite charming. Tang mo narrowed his eyes and suppressed his sudden desire after a while. | wang.

when pei qiqi came out of the bathroom, tang yu was no longer in the bedroom. she dried her hair and looked at the bottle of medicine by the bed. her eyes fell on it for a long time before she looked away.

after changing her clothes, there was actually nothing much to change. she was just wearing casual clothes, which made her look like she lived here.

When she went downstairs, she heard sounds coming from downstairs.

The voice was familiar yet unfamiliar at the same time. Who else could it be other than old master Lin?

“I don’t agree.” Lin Zhennan’s voice was like a thunderclap. It could be heard from a radius of ten miles, let alone PEI Qiqi who was on the second floor.

she stopped in her tracks and looked down the stairs while holding the handrail.

lin zhennan, tang zhiyuan, lin yun, and the lin family were all there, as well as sun feifei, who had an innocent face.

There was even someone PEI Qiqi didn’t expect to see-PEI Huan.

perhaps it was because of the ‘sisters’ connection’, pei huan immediately saw pei qiqi on the second floor. her lips curved into a smile, ” qiqi, you really do live here. ”

pei qiqi could roughly guess what had happened-running away was not an option!

She slowly walked down the stairs and said, ” “I’m not staying here. There was just a little accident.”

she looked at pei huan and pei huan looked back at her. she curled her lips and her voice was evil and charming, ” pei qiqi, i said before that we will fight to the death. ”

“no one wants to fight with you.” PEI Qiqi glanced at her and then walked to the dining table.

even with so many people around, tang yu still sat at the head of the table and ate very elegantly.

PEI Qiqi quietly sat beside him. He gently pushed her utensils to her. PEI Qiqi took small sips of the thick corn soup. It was so good that she wanted to cry.

She had been toyed with by him for more than ten hours since last night. She had not eaten and was famished.

if he wanted to go to hell, he would first eat his fill.

old master lin zhennan felt that he had been neglected. tang yu was like this, and so was the girl with the surname pei.

One by one, they didn't put him in their eyes!

he blew at his beard and glared at them. "do you still have any respect for me?"

Tang Yu was almost done eating. He slowly wiped his lips and then looked at his Grandpa and mother.

Were they here for an interrogation or a sentence?

He smiled faintly. how can that be? In B city, whoever sees Lin Zhennan will tremble."

The old man was finally willing to sit down on the sofa. He looked at his grandson, who was seven or eight meters away, and the girl, Yingying.

the distance was too far, and it was difficult to even speak.

seriously, why did he have to make such a big house? he was already tired from shouting.

Old master Lin rested for a while before continuing with his dark expression. in any case, I will not agree to this marriage.

He looked at PEI Qiqi. Those old eyes of his that seemed to be able to see through everything had a touch of coldness, "this girl is the child of that woman, Zhao Ke. I don't believe she can be any better.

Chapter 432 i only want her (part two)

pei qiqi was still eating and she ate numbly.

he knew that this day would come.

she just wanted to make herself look less weak.

She told herself that she was PEI Qiqi, not a 'persimmon'. She wasn't someone to be bullied.

Tang Yu opened his mouth, "Grandpa, you said it yourself. Tang Xin is very lively and innocent. She was also Zhao Ke's child.

"is this the same?" the old man was a little angry from embarrassment, and his walking stick knocked on the ground, "tang xin is zhenzhen. "

"Noble birth, is it?" Tang Zheng sneered. I don't remember you being so sure of my father's character, Grandpa.

tang zhiyuan's nose was full of dust. he couldn't say anything.

He was only here to join in the fun, but he really didn't agree with it.

he didn't agree in the past, but this time, he firmly opposed it.

Elder Tang's face turned pale and then red. After a long time, he finally said, "Tang Yu, do you think your mother will agree to this?"

tang yu's heart was as cold as water.

He knew that he could ignore his grandfather's opposition and Tang Zhiyuan's obstruction, but he couldn't ignore his mother's wishes.

Her gaze fell on her mother's face. Lin Yun's expression was very calm, "Tang Yu, this matter doesn't only concern my feelings. It concerns both the Lin and Tang families.

her meaning was very clear. even she did not agree.

tang yu looked around and finally smiled, "i know. did you come here today to express your attitude or to help me make the decision?"

His gaze fell on Sun Feifei's face. you too?"

Sun Feifei waved her little hand discreetly and said with a bitter face, "I'm just Hanhan. I can't help it.

tang zheng smiled. "it doesn't matter if you didn't have a choice or something else. this is my family matter. miss sun, please go back. "

Sun Feifei's lips moved as she carefully looked at Grandpa Lin.

The old man didn't stop her, so Sun Feifei left like a little mouse.

PEI Huan was a little anxious. What was going on?

She sneered, "PEI Qiqi, do you think you'll be fine if you hide behind Tang Yan?"

she looked at pei qiqi and her voice was filled with hatred, " "you're as scheming as your mother. women! You purposely made my mom go crazy. You set up Zhao Ke and Qianqian. That's your biological mother. PEI Qiqi, I really couldn't tell that my mom had raised a Wolf for so many years."

pei qiqi also finished her meal.

she lowered her eyes and smiled slightly."I owe Tang Yu! that's why he didn't cross the line with me. i owe my father, so i must avenge her. "

She looked up, and that pair of cold eyes was actually so soul-stirring.

"as for me and miss zhao ke, i think you can say that i'm ruthless!" PEI Qiqi smiled lightly. In that smile, only she understood the pain.

She personally sent her mother to prison and made Tang Xin lose her mother.

Her eyes fell on Tang Yu. She stared at him for a while before saying, "as for Tang Yu and I, you guys are overthinking.

she had no intention of explaining too much.

she didn't owe these people a single cent, and she didn't need to be responsible for their hearts.

They could think whatever they wanted.

She walked towards the door. Tang Yu was still sitting there but PEI Huan blocked her way.

PEI Qiqi, do you think that you can send everyone away with just a few words? " PEI Huan's voice was a little sharp. if you don't make things clear, you're not allowed to leave.

Chapter 433 i only want her (3)

"What are you saying, PEI Huan? is it true that auntie hired a murderer? is it true that she embezzled public funds?" PEI Qiqi coldly asked.

pei huan was speechless.

PEI Qiqi's lips curled into a cold smile, " PEI Huan, did you lose your financial backer? how much did you sell this for?"

PEI Huan was a little annoyed and glared at PEI Qiqi, " "what nonsense are you spouting?"

"you know very well in your heart whether or not you have!" PEI Qiqi didn't want to argue with her. She turned around, looked at everyone, and smiled indifferently, " Mr. Tang and I are just friends.

she lowered her eyes and laughed at herself. " it's just a little expensive. "

then, she walked straight towards the door. tang yu stopped her, " "Wait a moment."

PEI Qiqi paused and turned around.

tang yu's expression was unreadable, " i'll ask the driver to send you back. "

he paused and said, " i still have to take two more birth control pills. " i'll get someone to bring it down for you."

birth control pills?

Did everyone hear this keyword?

tang yu ordered the maid to go get it while he looked around at the people around him, " pei qiqi and i don't plan to get married so we won't have children. why? is that weird? "

old master lin's face was completely black!

not getting married? then what f * cking relationship would happen!

he even forced the girl to take birth control pills!

Tang Yu, don't go too far. The old-fashioned old master Lin was the first to shout.

This was too outrageous, would this work? If word got out, it wouldn't be laughed at. A man bullying a weak woman.

"Too much?" Tang mo chuckled and wiped his hands with a napkin, his actions elegant and Noble.

"This is too much?" he said indifferently.

he shifted his gaze to pei qiqi, " pei qiqi. you toyed with my body and my feelings. how is that too much?!" "

These words can't be heard!

Most of the people present were from the older generation, so how could they hear such words? all of their faces were red.

He was so anxious, so anxious!

PEI Qiqi pursed her lips and looked at him.

tang yu threw down the napkin in his hand but his words were directed at elder tang, " "I'll do even more outrageous things to her later on, Yingluo."

he paused and smiled faintly. " there are many things that you can't bear to see later! "

the old man was so angry that he almost turned around. he shouted loudly, " i say, why are you angry with a young girl? from today onwards, don't see her anymore. " as for your marriage, your mother and i will make the arrangements for you."

"i was the one who wanted to torture her!" Tang Yu chuckled, " it's not just you guys. I also think that Hanhan is despicable.

as tang yu spoke, he slowly walked to the door.

pei qiqi stood there in a daze.

What was he saying?

Tang Yu looked noble as he slowly walked in front of her. He bent down and looked down at her, " PEI Qiqi, I told you. Your days from now on won't be easy.

his fingers pinched her small chin. " so, you have to hold on. "

He paused, smiled, and spoke in a low and hoarse voice that only they could hear, " "Of course, you have another choice, that is to tell these people that you want me, you want to be with me!"

PEI Qiqi's eyes widened and she stared at him in a daze.

Suddenly, she understood his intention.

All his intentions were to protect her, and everything was on him.

but on the other hand, he was forcing them!

he was forcing her to return to his side.

pei qiqi didn't say a word. she just looked at him and then turned to leave.

Chapter 434 I only want her (4)

Tang Yu had one hand in his pocket as he coldly watched the coward leave Xuanji.

In the luxurious Hall, it was silent. No one knew what to say.

Originally, the main point was PEI Qiqi's identity. She was born and raised by that b * tch. How did it become Tang Yu forcing PEI Qiqi to satisfy his selfish desires?

this scene made people unable to look straight at it.

lin yun wanted to say something, but as a woman, she couldn't say anything. she only sighed and said that she really couldn't be pei qiqi's mother-in-law.

Even if they didn't need to live together, they still felt very distant.

the first time she saw pei qiqi, she felt that she looked familiar. she felt that she looked similar to zhao ke when she was young. at first, she thought that it was a coincidence. who would have thought that she was zhao ke's child?

if zhou meilin didn't go crazy and tell pei huan, she might never have known about this.

Lin Yun later thought that PEI Qiqi probably knew the truth when she ran away from the wedding.

she didn't feel good. as a mother, how could she not know what tang yu was thinking?

He could only scare the old master with his stance.

He felt a little sour in his heart! Tang Yu was concerned about her, but her son still wanted Zhao Ke's daughter.

But elder Tang was unwilling. He looked at Tang Yu, "are you giving up on us for that girl?"

tang mo lowered his eyes and smiled. his smile was a little light and a little bitter.

"How would I dare?" he said slowly. however, if you force me, i will give up what i can give up, such as sheng yuan's position and shares! Or rather, the inheritance of the Lin family in the future."

This time, the old man was so angry that he almost turned his back. This kid was forcing him to abdicate!

Retreating for the sake of advancing, he played a hand of 666!

however, even though he was angry, he didn't dare to push tang yu.

if he didn't do anything, would these old bones have to go back to work?

You must be joking!

The group of people came quickly and left quickly. However, PEI Huan was unwilling. She felt that this was too easy on PEI Qiqi.

But she still got 10 million.

However, 10 million Yuan was not going to last her long. She was used to spending money. The wife of the man she was close to found out about her and went to King Entertainment to slap her. Recently, she had not been able to get any decent jobs, let alone commercial or film roles.

No matter how unwilling PEI Huan was, she could only leave. However, she did not expect ...

The next day, Sheng Yuan dropped a shocking bomb.

At the morning meeting, Tang Yu announced that he was going to acquire the PEI family corporation.

All the executives sat there, not daring to make a sound. President, if you say you don't want to buy it, then you don't. If you say you want to buy it, then you don't!

anyway, as long as you're happy, it's fine.

meng qingcheng couldn't help but sigh.

How much love did she have to put in so much effort?

They chased each other just to make things difficult for PEI Qiqi. Even if they were to make things difficult, it was only for Tang Yu.

The love he had was so pure!

Because of this, Sheng Yuan even held a Grand press conference and announced Tang Yu's decision in a very high-profile manner.

Everyone in Sheng Yuan felt that there was no one else like Yingying!

Shouldn't an acquisition be done in secret? shouldn't it be done in secret, killing the other party until they were all gone, and then finally looking at the other party in a victorious manner?| Lick me?

He made it so high-profile, but the other party was not willing. Was he going to fight to the death?

After the press conference, Meng Qingcheng went to Tang Yu's office.

Tang Yu sat in his office chair and focused on reading the documents.

meng qingcheng sat at the corner of his desk and sighed, " i was wondering why you got angry with a young girl! i admit that pei xiao qi is very good-looking, but there's no need to be like this!"

"what?" Tang Yu didn't look up and his voice was calm.

meng qingcheng sighed, " you know it in your heart! who are you doing this for? Even if you say that you're taking revenge on ran ran, you can only lie to the old master. Pei Xiao Qi's heart is as clear as a mirror. You dote on her, so she won't fall for your tricks."

Chapter 435 boss pei, you want me to continue?(1)

Tang Yu put down his pen and looked up at Meng Qingcheng. After a while, he chuckled, " "Qingcheng, I'm serious!"

Meng Qingcheng frowned, " you mean Wanwan? "

Tang Yu pursed his lips and leaned back in his chair, " I'm serious about taking revenge on her. The acquisition of the PEI family is also a real deal."

he just wanted her, wanted her world to only have him, tang yu, who was the only person she loved, hated, and cared about.

what happened between them had nothing to do with others.

he even knew that his mother would probably look for her alone.

Tang Yu didn't plan on interfering with this. He would just let her handle it herself.

he also felt a little uncomfortable in his heart. actually, he didn't need to worry about her. she had an indestructible body now.

Such a small thing, yet it was so stubborn.

Meng Qingcheng was stunned for a long time before he said, " Tang Yu, you're crazy!

Tang Yu laughed at himself and held his forehead. After a while, he chuckled, " yes, I'm crazy. From the first time I saw her, I've already gone crazy!

Otherwise, why would he only touch PEI Qiqi out of so many women?

otherwise, why would so many women love him and want his love, but he only liked her!

He liked her so much that he was willing to give up for her. He liked her so much that he was willing to bear everything for her.

He understood the old man's thoughts!

meng qingcheng didn't say anything else.

he was simply a pervert!

He didn't know how much love was needed for Tang Yu to fight against his entire family and be with PEI Qiqi.

tang yu was actually taking everything on himself.

It was impossible that PEI Qiqi didn't know. It was just that her obsession was too deep and often hurt others and herself.

Meng Qingcheng could understand PEI Qiqi's decision. No one would be able to let go of such a complicated relationship and such deep hatred.

PEI Qiqi wasn't exactly running away, she just couldn't face it.

He had not seen the battle that day, but he had heard that it was called the joint hearing of three halls in ancient times.

Pei Xiao Qi was just a little girl and was very shy. If it was someone like PEI Huan, she would just let it go and cry that she wanted to be with Tang Yu.

however, pei qiqi was pei qiqi. she wouldn't do that.

the more conflicted and resistant she was, the more tang yu couldn't let her go!

Just as Meng Qingcheng was about to leave, the door opened with a hint of urgency.

pei qiqi walked in front while xiao ran followed closely behind. it looked like he was trying to stop her, but he was actually just watching the show. he coughed lightly, " president, boss pei wants to see you. "

she made a helpless expression. meng qingcheng shrugged, " you guys take your time to talk. "

he walked out and gave xiao ran a look. xiao ran naturally understood, so he walked out with him.

PEI Qiqi was standing by the door. Tang Yu looked at her and lowered his head again. He flipped through the documents seriously, " boss PEI, it might be difficult for me to come over at this time.

He smiled lightly. there are no birth control products here. i might not be able to satisfy boss pei.”

He was such a jerk. PEI Qiqi walked over and angrily swept the documents in front of him to the side. She stared at him with her midnight-like eyes and said word by word, ” “why did you announce the acquisition of the pei family?”

tang yu’s gaze landed on the scattered documents on the side and chuckled. so she had a temper too.

his gaze landed on her face again, and his expression was serious. ” this is sheng yuan’s decision. why? does boss pei have an opinion? ”

pei qiqi pursed her lips and her expression didn’t look good, ” tang yu, what do you want? ”

what was he doing?

His body slowly leaned back against the back of the chair. His dark eyes stared into her eyes, and there was a trace of evil in the corner of his mouth.

Chapter 436 boss pei, do you want me to continue?(2)

PEI Qiqi, don’t you know what I want to do with Yueyue? ” His gaze fell on a certain part of her body, and the hint was very obvious.

This ‘what’ was her!

pei qiqi was a little embarrassed and raised her hand to slap him.

it was just that a large palm grabbed her small thin arm, and he held her gently and loosely.

“PEI Qiqi, who allowed you to have such a bad temper? hmm?” He stared at her, not letting go of any of her expressions.

her expression froze for a moment, then she looked at his cold face and suddenly understood.

why did he do all this?

A little flustered, a little confused

the more persistent he was, the more afraid she was.

she wanted to break free, but she couldn’t. not only did he not let go of her little arm, but he also pulled her to the desk.

he sat down and looked down at her sorry state, as if he was watching a little pet struggling helplessly.

Boss PEI, I never joke. his slender fingers gently caressed her red lips, and one hand pressed on her back to stop her from moving.

This kind of posture was too embarrassing. The moment PEI Qiqi moved, he pressed her down and said in a low and hoarse voice, ” if you don’t want anything to happen at this desk, you better be more obedient.

pei qiqi was so angry that she bit him. she bit him hard.

Tang Yu didn’t break free and just let her bite him. that was until pei qiqi tasted blood.

She suddenly let go and looked at him helplessly.

Tang Yu retracted his finger and gently licked the blood off. He smiled, " " boss pei's anger has subsided. if it's gone, i still have something to do. "

He stood up and walked toward the door with a stack of documents in his hand.

PEI Qiqi quickly climbed down and chased after him. Just as he was about to open the door, she pulled on his sleeve, " Tang Yu.

He turned his head and looked at her deeply, and then she was forced to kabe don.

he kissed her lips and her neck almost crazily.

she wanted to struggle, but she was pressed against the door roughly again. her hands were raised above her head, and her body was pressed tightly against his. she could also feel his eagerness.

tang yu just kissed her and nibbled on her neck. he didn't do anything else.

However, PEI Qiqi knew that her body had succumbed to Wanwan's superb skills.

after a long time, he buried his face in her hair and said in a low, hoarse voice, " "pei qiqi, you were the one who sent it over!"

she trembled uncontrollably, and her legs almost could not stand.

"Next time, I won't be so lucky." "go to the lounge and tidy yourself up!" he said as he bit her ear.

pei qiqi's hands were still around his waist and she didn't let go. she hadn't recovered.

tang yu bit her again, " Boss PEI, do you want me to continue? "

She tried to break free but she couldn't. Her voice was like a kitten, " Tang Yu, what do you want? "

he did not put the pei family in his eyes, not to mention that the only land the pei family had was now his.

"You don't know what I want?" his large palm grabbed her sharp little chin, " pei qiqi, i was only waiting for one sentence. "

as long as she told him to stop, he would stop.

as long as she said that she didn't care about anything else and that he just wanted to be with her.

Then, they would be together.

he had done so much for her, and she was still so young. he didn't know if she could understand.

She looked up at him, stunned.

how could she not understand? but he clearly knew, clearly knew her situation.

his mother had come to look for her before. she was very polite and distant.

Chapter 437 boss pei, do you want me to continue?(3)

Lin Yun had told her very clearly that she couldn't accept Zhao Ke's daughter.

Tang Yu also knew this, so Tang Yan loved Tang Xin and never brought her to her.

that day, Lin Yun left first and Pei Qiqi sat alone in the cafe.

His feelings at that time were exactly the same as when he first learned that Zhao Ke was his mother.

However, she was no longer the little girl she was before. She would not cry or admit defeat easily.

At this moment, she looked at Tang Yu and said in a trembling voice, "I won't give in."

She had thought that he would be angry. After all, these past few days, after all, everything he had done had shown that he was angry.

However, he was looking at her. He smiled and placed his thin lips on her ear, "Pei Qiqi, I don't want you to give in either!"

He paused for a moment, and his thin lips seemed to have become hotter. His voice was low and a little hoarse. "I like it more when you're on top of me."

She was embarrassed and gave him a kick.

He could actually make such a joke when she was so upset!

Pei Qiqi was angry, but he was in a good mood.

Her anger meant that she cared.

If she didn't get angry, he would get even angrier and the consequences would be even more serious.

He let go of her and tidied his clothes in front of her. He looked like a beast in human clothing.

"I'm going to the meeting! Boss PEI, I hope that you can come up with a more powerful counterattack the next time you come." He reached out and ruffled her long hair. "I'm looking forward to it! Oh right, remember to tidy it up!"

He reminded her kindly and walked out.

He wasn't afraid that she would run away. Anyway, she always had something to ask of him, such as Tang Xin.

When Pei Qiqi walked into the washroom and saw her sorry state, she almost went crazy!

Her hair was like a bird's nest, and a few buttons of her clothes had been ripped off. What was even more outrageous was that he had bitten her neck hard, leaving two marks on it. It was somewhat intentional.

Her face was flushed red, and so was her little mouth. It was red and especially fragrant.

She looked at herself in the mirror. She was clearly in a state of dissatisfaction.

Detestable!

She had no place to vent her anger, so in the end, she naively wrote the word 'bastard' on the bathroom mirror with her lipstick. When she came out, she was in a better mood.

However, Pei Qiqi was still too naive, Yingluo.

she wasn't wearing a high-collared shirt today. even if her hair was let down, the two obvious hickeys on her neck couldn't be hidden.

The employees of Sheng Yuan all knew her. As she walked past them, she received a lot of ambiguous gazes.

when pei qiqi walked out, her face was burning hot.

she did not dare to come in the near future!

tang yu felt like he was already very patient with her, but in the eyes of others, his patience was extremely shocking!

because of sheng yuan and because of tang yu's declaration, the pei family became a hot piece of meat and pei qiqi was a piece of fat meat.

No one dared to move or eat it.

However, everyone knew that it was necessary to step on him.

if he didn't, how could tang yu acquire it?

The PEI family was besieged on all sides overnight, and all their partners withdrew even if they were losing money.

xiaowen went in and out of pei qiqi's office countless times every day, but it wasn't any good news.

PEI Qiqi was getting busier and more tired day by day.

But no matter how busy she was, she didn't forget Tang Xin.

She was worried about her and worried about whether she was doing well and whether there was anyone to take care of her.

What worried her the most was that Tang Xin's phone had been taken away by Tang Zhiyuan, and she couldn't contact her.

Chapter 438 Boss PEI, do you want me to continue?(4)

pei qiqi returned home exhausted. it had been almost a week since she last saw tang yu.

she was very worried about tang xin.

there were a few times when she wanted to call tang yu and ask him how tang xin was, but she would put down the phone many times.

It was 10 O'clock at night.

She sat on the sofa alone and watched TV. She didn't know what was on the TV, but it made the house seem less deserted.

her phone rang and her body jerked. then, she stared at the phone without moving her eyes.

it was tang yu!

her fingers wanted to touch the phone, but she didn't dare to. she just left it there, not daring to touch it for a long time.

after a long time, she finally picked up. however, it wasn't tang yu's voice on the other end. it was tang xin's, " qiqi. "

pei qiqi was a little surprised, " tang xin! where are you?"

Tang Xin glanced at Tang Yu, who was leaning against the wine cabinet, and said in a small voice, " "i'm with my brother."

pei qiqi pursed her lips and thought about it. tang xin took tang yu's phone and called him.

She was silent, and Tang Xin called out softly, a little coquettishly, " "Qi Qi, can you come and see me? It's not easy for me to come out, and I'm going back tomorrow."

PEI Qiqi felt conflicted. Why did she go to Tang Yu's place?

Now, they wanted to acquire her company. They were going to kill her!

Moreover, no one in the world was optimistic about them. She had also said that they were friends. Now, she was in a hurry to go there every night, with some unclear meaning.

after hesitating for a while, tang xin pouted and looked at her brother pitifully, " "Qiqi, don't you like me anymore?"

this time, pei qiqi's heart completely softened. she coaxed in a low voice, " "i'll be there in a while."

tang xin's voice immediately became light, " "okay, i'll wait for you."

she hung up and returned the phone to tang yu. then, she pouted, " "brother, when are you going to return my phone to me?"

Tang Yu held a glass of red wine in one hand and put his phone in his pocket with the other. He patted her bald head and smiled, " when you're obedient.

tang xin's heart squinted. how was she disobedient?

however, she still obediently ...

Brother's words are always right! It was all the truth! i can't refute!

pei qiqi arrived an hour later. she was wearing a 70% denim with a long gray sweater and a pair of sports shoes. it was obvious that she had rushed over.

the maidservant welcomed her in respectfully and whispered, " miss Tang Xin is asleep. Do you want to go upstairs and have a look? "

He fell asleep?

pei qiqi was stunned. Then what was she here for?

but thinking about it, tang xin's health wasn't good, and it was common to fall asleep so late, so she nodded, " "i'll have to trouble you."

the maidservant smiled and brought her upstairs.

tang xin's room had a pink princess style and was a little playful.

Tang Xin's small body was lying between the quilt, so small that it was almost invisible.

pei qiqi slowly walked over. just looking at her made her heart hurt. tang xin was so young, but she had to endure so much pain. besides, tang xin kept smiling.

She sat down and reached out to touch Tang Xin's little face.

Tang Xin was asleep, her little face warm.

pei qiqi looked at her and her heart softened.

tang xin always called her qiqi. she wondered if ran ran could call her sister in the future.

Chapter 439 He only treats her alone (part one)

but she thought about it and decided to call her qiqi. she hoped that tang xin would never know that she had such a sister, who was always so innocent and lovely.

she could bear the darkness alone.

PEI Qiqi couldn't help but lower her head and put her face close to Tang Xin's little face. She felt a long-lost warmth.

because they were her blood relatives.

She flipped through a lot of medical books to understand Tang Xin's illness, but she knew that if it was so easy, Tang Xin wouldn't have to suffer so much.

"she's asleep, don't wake her up." Tang Yu's voice came from the door.

PEI Qiqi looked up and saw him wearing a black sweater and standing by the door. There was an empty wine glass in his hand.

she looked at tang xin again. although she was reluctant and knew that tang xin would be disappointed tomorrow, she still got up.

"i'm leaving," he said softly as he walked to the door.

He looked at her and did not move away. I'll send you downstairs.

pei qiqi pursed her lips and didn't refuse.

she didn't dare to do anything to him because she had to go through tang yu if she wanted to see tang xin.

Although she was angry, she had no choice.

Her small hands quietly clenched into fists, and her watery eyes stared at the man walking in front of her.

When she was halfway up the stairs, Tang Yu suddenly turned around and blocked her way.

pei qiqi's heart skipped a beat. she pursed her lips and looked at him in a daze.

tang yu said lightly, " boss pei is really a sentimental person. you have a deep sisterly bond. i couldn't tell. "

She was already used to his taunting, so she didn't say anything and just looked at him quietly.

Tang Yu's face was cold, " let's go!

When he turned around, she thought he would leave, so she began to move down.

The result was that he didn't move, and she directly lay on his back ...

before she could react, he had already caught her and pressed her into his arms.

pei qiqi couldn't move and didn't dare to scream for fear of waking tang xin up.

He did it on purpose!

He was deliberately luring her over!

"pei qiqi, you're good to everyone! pei minghe, tang xin, why are you so cruel to me?"

He lowered his head and was very close to her.

pei qiqi gritted her teeth. "let me go. tang xin will wake up. "

His thin lips moved to her ear and his voice was a little hoarse. "later, if you keep your voice down, she won't wake up."

PEI Qiqi was stunned. Then, she started to struggle, "Tang Yu, you're crazy. We can't have sex again.

But he had already started to kiss her unceremoniously, folding her in his arms.

Kiss her deeply, deeply.

she wanted to move, but he stopped her and touched her inside and out in the most shameless way!

pei qiqi's little fist hitting his shoulder was nothing to him.

"Didn't you say we were friends? If I don't do it, how can it be considered?" His breathing was also a little chaotic, as if he had been enduring for a long time.

She was pressed against the armrest, and when she looked down, she saw nothing. It was a little scary.

PEI Qiqi screamed. Tang Yu kissed her and at the same time, he took over her.

He admitted that he was despicable.

but he wanted her!

he couldn't control his emotions as he leaned against her neck and panted.

This was the first time PEI Qiqi realized that a man's voice could sound so nice when he was doing this ...

Deep in the night, in the dimly lit Hall, there were the suppressed voices of men and women.

it took him two hours to bring her back to his bedroom. in that beautiful and romantic bedroom, he didn't let her go, hanhan.

Chapter 440 He only treated her alone (2)

PEI Qiqi knelt and looked at the man in front of her.

Tang Yu pinched her little chin and slowly kissed Yingying.

Late at night.

She was like a little beast in despair. Tang Yu's voice was a little hoarse, "are you okay?"

She couldn't say a word and closed her eyes. Tang Yu, you're so embarrassed.

He finally let her go, flipped to the side, and lay flat to calm himself.

PEI Qiqi moved and wanted to get up, but he pressed her down, "we'll leave tomorrow!"

As he spoke, he got up and walked straight to the bathroom to take a shower without avoiding her.

When she came out, she was only wearing a bathrobe, the belt tied loosely.

PEI Qiqi still didn't want to move. Right now, she didn't even know if they were really in that kind of relationship.

Tang Yu slowly walked over to the bedside table. He took a cigarette from there and lit it up. After taking a puff, he left.

he's leaving just like that?

pei qiqi was speechless. she looked in the direction he left and didn't know what to do.

she lay on her stomach. the night was the calmest.

she was thinking, what was her relationship with tang yu?

Was it a pure physical relationship?

she didn't know, and she didn't want to waste her time.

she let her thoughts run wild, and the more she thought, the more sleepy she became. she laid there and fell into a deep sleep.

late at night, tang yu returned to his bedroom from the study.

After he walked in, he stood there for a long time before sitting down beside her.

PEI Qiqi was still lying on her stomach. She didn't change her position. Her long black hair fell over her shoulders, giving her a soul-stirring beauty.

tang yu's fingers gently touched the mark on her shoulder. back then, he bit her deeply. he didn't even know why he was so cruel.

he was at a hot-blooded age and had not touched her for a week. now, just the thought of having a child with her was a little out of control.

but, qi qi, i still feel lonely when you are by my side.

this kind of coercion, this kind of method, even if you end up with me, even if you're pregnant, you'll still hate me.

He hugged her from behind and carefully placed her in his arms.

it was only when there was no one around that he could put her in his arms with peace of mind.

To himself and to her, he admitted that he loved her deeply!

pei qiqi, this time, i will wait for you here. i will wait for you to walk over on your own.

i'll wait for you to say that you love me!

His face was pressed against the back of her neck, and he was no longer sleepy.

he had been waiting for this embrace for far too long.

He had never thought that one day, he would have to make do with someone like this.

It was obviously easier to give up, but he couldn't do that.

he wanted to be with her no matter what!

PEI Qiqi, I don't want to be the only one suffering. If I'm in pain, then we'll be in pain together.

His mood brightened up a little. He reached out to hug her and pressed his lips against her neck.

just like this, he slept with her, hanhan.

in the trash can at the side, countless

master, i'm very expensive, okay?

Even if you want to use it, you can't just poke holes in our bodies!

this will affect the effect, and i'll get pregnant!

You're being very unkind and will affect my reputation in the industry!

Lin Yun had told her very clearly that she couldn't accept Zhao Ke's daughter.

tang yu also knew this, so tang yan loved tang xin and never brought her to her.

that day, lin yun left first and pei qiqi sat alone in the cafe.

His feelings at that time were exactly the same as when he first learned that Zhao Ke was his mother.
