Chapter 4311: not allowed to peek (1)

Qin mo frowned but still pulled her up. However, his gaze soon froze.

he huan's white dress was stained with a small patch of red blood.

qin mo quickly understood that she was being stubborn.

He Huan was 14 years old. She was on her period.

qin mo was older than her by a few years, but he could only be considered a teenager. his handsome face was also slightly red.

he huan was the same. her face was red as she glared at him, and her lips were pursed into a straight line.

...

she glared at him and said in a low voice, "turn around, you're not allowed to peek."

Only then did he come back to his senses. He quickly took off his coat and draped it over her.

he was 182cm tall, and the coat reached her knees when it was draped over her shoulders. furthermore, the coat was dark in color, so there was no problem at all.

he huan was shy and wanted to refuse, but she was feeling extremely uncomfortable. her stomach was swollen and a little painful.

qin mo's voice was low. "let's go. otherwise, it's going to get dark. i'll accompany you to buy qianqian's."

“don’t say anymore.” He Huan glared at him, but walked in front, looking a little proud.

and qin mo liked it when she was like this.

there were many good-looking girls in their school, but qin mo never took them to heart. the only one he liked was he huan. everyone in the school knew that he huan was under his protection, so no one dared to have any ideas about her.

he and ye mu yun were actually quite similar in the matters of men and women. the difference was that xue ‘er didn’t dare to talk back because she was afraid that her big brother wouldn’t be able to have it. he huan was embarrassed because he was afraid that he huan would look at he huan’s face.

Qin mo held he Huan’s hand and dragged her out of the school gate, not caring about the gazes of others.

he huan refused to take the car, afraid that she would leave something in the car, which would be even more embarrassing.

Qin mo looked at the GM hotel in front of him and sighed. ” i’ll get a room. you can take care of it. we’ll go home when you’re done. ”

“Then buy me that.” He Huan looked at him.

qin mo laughed. he dragged her along and walked slowly with her.

after a while, he asked her softly,”does your stomach feel uncomfortable?”

“What do you think?” he Huan glanced at him.

qin mo laughed. ” i might not have the chance to experience this kind of pain anymore. but, ran ran, i can make you feel a little more comfortable. ”

as he spoke, he carried her.

he huan cried out in shock, attracting the attention of many people on the road. qin mo smiled. "My younger sister!"

"i'm not your sister." He Huan gritted his teeth.

Qin mo smiled even more happily. then, let's change it to a future wife, okay? "

He Huan's face turned red, and she raised her small hand to slap him. "let me go."

He wouldn't let go.

she struggled, but her stomach hurt. he huan was furious and glared at him.

Qin Mo's heart still ached and he said in a low voice, " "Does it hurt?"

"What do you think?" She gritted her teeth and asked him. Then, she turned her small face away and rested it on his shoulder, ignoring him.

her little appearance was as proud as ever.

Qin mo smiled and pinched her cheek. we'll be there in a while.

he huan snorted again and continued to ignore him.

Qin mo walked on his own and soon arrived at the GM hotel. Due to his special status, he quickly booked a Presidential Suite and carried he Huan in. Then, he called the internal line to ask the waiter to send sanitary pads over.

he huan was listening at the side. her heart was in a mess, and she felt a little embarrassed.

Qin mo hung up the phone and smiled at her. "i'll be done in a while."

Chapter 4312: Not allowed to Peek 2

while waiting for the waiter to come over, qin mo took out his phone and did a search on baidu. then, he looked at he huan in surprise.

He Huan felt like her tail had been stepped on by his gaze. She asked fiercely, ” “Why are you looking at me like that?”

qin mo laughed evilly and waved the phone in his hand. ” it says that you can be a mother after your period. ”

He wasn't even 20 years old yet, so he was always curious about this. He looked at her with a passionate gaze. he Huan, can we have a child together? ”

“You wish!” He Huan wanted to vomit.

she stood there silently and did not speak to him anymore.

...

she was very uncomfortable now as blood kept flowing down, so her little face became paler and paler, and later she almost couldn't hold it.

Qin mo noticed her abnormality and immediately carried her up. He called out to her twice, but he Huan still fainted out of embarrassment.

*

when she woke up, she was already lying on a soft bed. when she opened her eyes, she saw a magnified handsome face in front of her.

He Huan was shocked. Qin mo!

“you’ve fainted,” he said, blinking his beautiful eyes.

he huan sat up immediately and looked at the bathrobe she was wearing.

“what did you do to me?” she glared at him.

qin mo smiled. ” you fainted. i called the doctor over and said that you had lost too much blood. i knew that you liked to be clean, so i helped you take a bath and changed your clothes. that’s it. ”

he finished his sentence calmly, but he huan was already screaming, ” ”

“Is there a problem?” “We used to bathe together when we were young,” he said with a frown.

he huan lifted the blanket and wanted to get out of bed, but she felt dizzy again.

Qin mo replied calmly, ” it’s already 10 pm. I called uncle Kime and told him that you’ll be sleeping at my house tonight. My parents want you to stay the night.

she was still staring at him.

“i even called my parents and told them that uncle KIME asked me to stay the night,” he added.

he huan was so angry that her face turned red. ” you’re so shameless! ”

“I’m doing this for you. do you want me to tell you the truth, that we were in a hotel suite, and i helped you take a bath?” qin mo laughed and turned around her body before saying, ” “i’m lying. the waiter washed it for you. oh, right, the waitress.”

He Huan heaved a sigh of relief. Then, she became even angrier and threw a pillow at him.

her pale little face was also a little ruddy. after venting her anger, she felt much better. then, she felt a little embarrassed. after all, it was her first period.

qin mo roughly knew what she was thinking and ruffled her hair. ” ” i’ve washed and dried your school uniform for you. you can wear it tomorrow. also, remember to put some sanitary pads in your bag in the future. i heard that girls don’t always have this thing on time. i might not be by your side every time. ”

he was about to go to university, and he huan still had a few years to go to this school. he was worried just thinking about it.

However, as the heir to King Entertainment, he had no right to be held back several years. No matter what, he could not be with her forever.

After Qin mo finished speaking, he felt a little touched. He tugged her hair again. little one, did you hear that? ”

“it’s none of your business.” he huan said.

Qin mo stared at her. ‘How is this not related to me? didn’t i tell you that you can be a mother now, and i’m the child’s father?’

he huan was drinking water, and the water was sprayed on his young and handsome face.

Chapter 4313: No peeking (3)

the young qin mo’s face darkened and he glared at her for a while, but he didn’t say anything in the end.

He Huan also continued to drink her water gloomily, cursing in her heart.

what did it have to do with him whether she could be a mother or not?

He was really too evil.

qin mo sat on the sofa with his long legs and took the menu. then, he looked up at he huan. ” “What do you want to eat?”

He Huan was only in her teens and did not have a strong sense of gender. She was wearing a bathrobe and leaning against him. Her body was fragrant and soft, giving off the feeling of a young girl.

...

qin mo took another look at her and passed the menu to her. ” you order. ”

there was also a small ordering device. it was quite magical. he huan’s fingers were white, tender, and soft.

she studied it for a while, then ordered a few dishes according to her preferences. she looked at him and helped him order two of his favorite dishes. they grew up together, so she knew what he liked to eat.

After ordering, she threw the utensil aside and wanted to move it away. However, Qin mo pulled her onto his lap. He had long arms and legs, so she easily sat on his lap. Furthermore, she was so small.

qin mo furrowed his brows and looked at her with a look of disdain. ” “Come sit closer.”

“let go of me.” he huan bit her lip, not daring to move.

She did not move, so Qin mo dragged her over. He held her waist with one hand and gently rubbed her stomach with the other. He Huan was shocked and looked at her. “what are you thinking about? i’ll help you warm up.”

She was stunned again and looked at him.

Qin mo laughed lazily. He hugged her like he was hugging a little doll. He Huan felt warm. He didn’t do anything else, so she leaned comfortably in his arms. She felt that her bleeding area was much better and even felt a little dizzy.

Qin mo didn't stop. His gaze fell on her little face, which was about to fall asleep. Her face was a little pale because of the blood loss. Qin Mo's heart ached for her. He didn't know if he was in a trance or not, but he kissed her on her pale pink lips.

he huan immediately woke up and looked at him in confusion.

She felt her lips were a little hot, but she wasn't sure if he had kissed her, so she could only look at him helplessly.

Qin mo laughed. what's wrong? ”

he huan's gaze fell on his face. just as he was about to speak, there was a knock on the door.

“the food is here.” Qin mo carried her up easily with one hand and placed her aside. He then went to open the door.

He Huan's words were about to come out of his mouth, but he swallowed them down.

Qin mo opened the door and the waiter outside took a few more glances at him because of his young age. However, he heard that he was the heir of King Entertainment and the girl he brought with him was the daughter of a close friend. She seemed to be very precious to him and it was said that her period had come.

it was probably her first time, so she was at a loss. but it was great to have such a handsome and rich boyfriend.

The first time she had her period, she was in the Presidential Suite with full service. Everyone had different lives.

qin mo pushed the cart in and set it up. he took a rose from the crystal bottle and handed it to he huan. ” “this is for you. i heard that a girl's first time has to be a little formal.”

He Huan took the cake and peeked in. He realized that he had actually asked someone to send a cake over.

qin mo grinned and bent down to carry her. ” “our little princess.”

He Huan was stunned. I’m not from your family. i’m surnamed he.”

qin mo hugged her steadily and a smile appeared on his face. his voice was a little slow. ” ” my parents always say that you belong to my family. what do you think they mean by that, huh? ”

Chapter 4314: Don’t peek (4)

he huan’s face turned red, and she wanted to ignore him.

She knew that he was good to her, and she vaguely knew that he liked her, but it was just as he had said, she was part of his family, and it didn’t feel good.

he huan didn’t like this. she was only a teenager. she knew that her big brother had already set tang xue ‘er up when he was only a teenager. she wasn’t tang xue’ er. she wanted to go out and have a look. she didn’t want to be kept by a man and locked up in her own home. she was he huan, not anyone else.

Even though Qin mo was handsome and had a good family background.

He Huan sat down quietly and watched as Qin mo cut a piece of cake for her.

She stubbornly refused to eat, so Qin mo smiled. “Are you still angry?”

...

he huan ate a small piece of cake. qin mo pushed a cup of warm milkshake over. ” drink something warm first. ”

he huan looked at him, drank half a glass of water in small sips, and ate the cake.

Qin mo kept looking at her. Then, he smiled. just eat a little. Let's eat.

He Huan deliberately took a few more mouthfuls as a silent protest.

qin mo looked at her and smiled. he took the cake away from her.

“Qin mo, you're too overbearing.” He Huan said angrily.

qin mo glanced at her. ” your stomach will feel uncomfortable if you eat too much sweet stuff. ”

She didn't say anything and ate her meal gloomily.

qin mo placed the dishes on her plate. ” you don't like it when i control you? ”

“No one will like it.” He Huan was still sulking.

Qin mo touched his chin and said very slowly, ” but the girls in the high school Department all want me to talk to them. Just one sentence is fine.

“Then you can go and find them.” He Huan was impervious to anything.

qin mo was furious. ” he huan, you? ”

He Huan glared at him,”why are you so fierce!” Do you think you're so great just because you're handsome, you weird Yu?”

At that time, she only thought that he was weird, but later on, she found out that it was because he liked a girl. It was natural for him to be like this when he liked a girl. Moreover, she was younger than him by a few years, and he thought that it was his responsibility to take care of her. In addition, he had seen many scenes of his brother treating Xue 'er, so he was naturally influenced. Moreover, he Huan was indeed very small, and he really wanted to protect her in his heart and treat her well.

As he Huan said this, Qin mo laughed, ” “You still know that I'm handsome!”

“I also know that you’re narcissistic.” he huan muttered softly. then, her mood improved a little, and she ate her favorite dishes.

She was small, but she ate a lot. After eating, her little stomach was full. The blood that she had lost seemed to have returned, and even her little face had some color.

She took Qin Mo’s phone to play games while Qin mo finished the rest of the food by himself.

in the end, he cut a small piece of cake and ate it very slowly. then, he wiped his lower lip and asked the waiter to take the food away.

He looked at the time. It was nine O ‘clock in the evening, so he could let her play for a while before she went to bed.

He took a blanket and covered he Huan. He Huan was having fun and did not even look up. Qin mo went to the bathroom by himself.

When she came out, she was wearing the same bathrobe as her. Her young body looked extremely good in the White bathrobe. He Huan glanced at it unintentionally and put down her phone. After a long time, she said in a low voice, ” “You have a pretty good figure.”

qin mo bent down and took out his phone. he said in a low voice, ” “Time to sleep. I still have school tomorrow.”

“I haven’t done my homework.” He Huan’s eyes widened.

“sleep first. i’ll help you write it tomorrow morning.” He quickly made a decision.

He Huan:

Chapter 4315: No peeking (5)

Although it was a Presidential Suite, it only had one bed.

He Huan looked at the bed and then at Qin mo.

qin mo decided for her, 'sleep together! we've slept together when we were young, and besides, i won't have any thoughts about you, little bean sprout.'

as he spoke, he pulled her over and trapped her in his arms.

The two of them were covered in the blanket, cuddling like they were in a fairy tale.

but now, he huan was asking him to carry her. it was as if they had returned to the past.

...

when she was unhappy, when she couldn't walk, or when she was feeling uncomfortable, qin mo would always carry her on his back until they became distant.

"He Huan, Are you sure?" Qin Mo's voice was a little hoarse.

He Huan grunted and patted his back.

Qin mo froze for a moment, then squatted down. come on up!

He Huan leaned over and wrapped her arms around his neck. I'm done.

Qin mo smiled. it's as light as before. It's as if there's no portion at all. He Huan, can't you eat more? "

" i've eaten a lot. " she bit her lip, looked at him, and then buried her face in his neck. " i'm so sleepy, i want to sleep. "

he did not allow her to sleep and wanted her to chat with him. he huan yawned again. " i'm so sleepy. "

qin mo carried her on his back. after thinking for a while, he gave up on his car. it would take about two hours to walk from here to where they were staying, but he was willing to carry her like this.

his voice was hoarse,”did you have a good night?” don’t you have anything to say to me?”

“what are you talking about?” he huan’s small hands tightened, and her breath was warm.

Qin Mo’s voice was especially hoarse in the dark. “it’s about you and rong yue.”

“oh, it’s all in the past.” he huan leaned on his shoulder. ” he said he would give me a secret. ”

“What?” his voice was even more hoarse.

he huan propped himself up on his back and gently bit his neck.”I don’t intend to tell you.”

qin mo’s voice suddenly became dangerous. ” “Is that so?”

he huan actually laughed and hugged his neck tightly, saying yes.

“i’ll let you say it when we get back,” he said, patting her lazily.

After that, he changed his mind and carried her back to the car, driving all the way home to take a walk.

After they went back, they interrogated him on the size bed, but he Huan did not say anything. In the end, she sobered up and remembered how ridiculous she was just now.

After they were done, Qin mo kissed her small forehead and said in a hoarse voice, ” “I shouldn’t have let you go. I regret it.”

the photo had been deleted, but he still cared.

he huan was lying in his arms, her head resting on his chest. she had one hand around his neck, and her voice was a little distant.”Qin mo, I’ve just recalled the past.”

“what is it?” he lowered his head to look at her.

he huan raised her head and smiled at him. ” it was a long time ago. ”

A dreamy look appeared on her face. “do you still remember when i was in my teens, the first time we stayed in GM hotel?”

How could Qin mo not remember? he didn’t say anything and only ruffled her hair gently. “I thought you didn’t remember.”

He Huan was silent for a long time before she said in a low voice, ” “if, if we grew up together, i would probably like you very, very much from the start, just like the other girls.”

He was so outstanding and good-looking, but he Huan had grown up with him and had long been used to his various outstanding qualities and good qualities.

Chapter 4316: Remember your identity (1)

She thought that if he didn’t take it for granted, she would always like him.

Just as Rong Yue had said, he was a little overbearing, so she found a gentler Rong Yue.

She thought that it was because she liked him, but it wasn’t.

If he was, she would not have fallen in love with Qin mo after marriage.

He Huan didn’t want to tell Qin mo about this. To her, this was a mental journey. She had liked Rong Yue before. Even if he was ignorant, she still liked him.

This was also the reason why she didn't give in no matter how much he interrogated her in bed.

...

Qin mo smiled and lowered his head to look at her. Then, he gave her a small kiss.

He was a little indulgent, and she had an X-ray tomorrow, so no matter how dissatisfied he was, he still coaxed her to sleep first.

He Huan was still in a daze. She suddenly hooked her arms around Qin Mo's neck and leaned against him. "You even told me a story that night."

"you still remember this?" qin mo laughed.

Then, his voice became low and hoarse. what do you want to hear? "

"cinderella." she leaned against him in satisfaction and closed her eyes. her little face had never been so gentle before.

Qin mo could not help but pinch her face. "I've never seen such a fierce Cinderella like you."

"There's no Prince as fierce as you." She said fiercely, and then pinched his waist. "hurry up and tell me."

Qin mo smiled helplessly and began to tell her a story. He Huan was already tired and fell asleep in less than a minute.

her sleeping face was gentle and cute. qin mo looked at her for a long time before he put her down and left.

he went outside to make a call. the person who picked up the phone was none other than rong yue.

"Are you interested in having a drink together?" qin mo said.

On the other side, Rong Yue thought about it and said lightly, ” “Alright,” he said.

Qin mo changed into a set of outdoor clothes and covered he Huan with a blanket before leaving the house.

The night was as cold as water. It was already one o ‘clock in the morning. He and Rong Yue had an appointment at a bar.

The two outstanding men arrived almost at the same time. Qin mo was dressed in black, while Rong Yue was dressed in black pants and a white shirt. He looked clean and tidy.

Qin mo picked a hidden spot and sat down with Rong Yue. He only ordered two glasses of red wine.

“President Qin didn’t call me here to discuss the script, did he?” rong yue smiled and spoke first.

in fact, qin mo didn’t know why he had called rong yue out.

No, he wouldn’t!

that photo was only taken by someone who had the intention to take it, so it seemed a little ambiguous. this was too easy for qin mo to understand.

He picked up the cup and chuckled. ” of course not. i just heard that you’re going back to B city tomorrow and won’t be able to see you for a month or two. ”

“did president qin miss me?” rong yue suddenly said.

Qin mo was stunned and shook his head. you’re also selling rotted meat? ”

Rong Yue laughed. After that, Qin mo didn’t ask anything and Rong Yue didn’t say anything either. They just drank a glass of wine and sat for a while before they parted. Rong Yue returned to the hotel while Qin mo returned to his own residence.

“I received a photo of you and he Huan last night.” Qin mo suddenly said after they got into the car.

Rong Yue smiled and did not explain.

indeed, there was nothing to explain.

qin mo's gaze was locked on him. after a few glances, he drove away.

when he returned to his residence, he didn't go to sleep immediately. instead, he went to the study room and made a few calls.

Chapter 4317: Remember your identity (2)

Then, he smoked his cigarette and waited quietly.

" i'm sorry, mr. qin. the surveillance camera in the restaurant was broken tonight, so i can't provide you with what you want. "

Qin mo held the phone and was silent for a while before he said in a low voice, " "Alright, I got it."

he slowly put down his phone and sat quietly smoking. he frowned slightly.

He didn't tell he Huan about this matter and let it pass. He Huan continued to film as usual while Qin mo stayed in C city most of the time. He would return to B city once or twice a week to visit he Huan. Occasionally, he would bring him over to visit he Huan and take a look at Hanhan.

Time passed very quickly and " twin " was about to be completed. Qin mo also received Rong Yue's new script, " don't talk to him ". He read it from the beginning to the end and had to admit that Rong Yue was extremely talented.

...

” don’t talk to him ” was the female lead, ai jia, and he wanted kang qiao as the male lead. however, since kang qiao acted in ” twin, ” he might not be willing to do it. after considering other factors, he gave up and chose another very capable male actor.

When he Huan returned, she saw a piece of paper and a script on the coffee table.

she took a look and sat on the sofa, exhaling. ” “Don’t you think the actors you’re using are too old?”

Although ” twin ” used Kang Qiao, the female lead was very spiritual. One was mature, and the other was spiritual. They were a good match.

AI Jia’s acting skills were not bad, and she could make it as a literary film, but it was already a little difficult for her to match the background of the script. Moreover, the male lead was an older man. As a director, he Huan felt that he was a little too old. She pointed out her shortcomings. the quality of the movie might be good, but you have to think about the audience. If you must use Edgar, you’d better change the male actor or replace him.

qin mo leaned back on the sofa and placed his hands behind his head. his gaze was fixed on he huan. after a while, he smiled.”Then who do you want me to replace?”

“i’m not the one doing it, so i don’t have much of an opinion.” “I’m going to take a shower.” He Huan got up.

sit down. Qin mo stretched out his hand and pulled her. I have something to tell you.

“qin mo?” he huan looked at him.

“then, are you willing to bid for it?” qin mo smiled.

“i’m not interested,” she patted his leg. ” i probably can’t capture miss ai’s beauty in the photos. you can find someone else! ”

As she spoke, she broke free from him and got up to go to the bathroom.

She didn't expect that he wouldn't let her go even when she was taking a shower. He followed her in and hugged her from behind, chuckling."your words are a little sour."

"i'm just asking for a favor." He Huan continued to look at her body and thought for a while. in my opinion, she doesn't have much intelligence left. Qin mo, you clearly know in your heart that you're just returning the favor. But you forgot that ran ran, you're not doing better than her.

"I know," He kissed her neck and sighed."you have a sharp eye, especially when it comes to choosing an actress. you should really be a man."

He Huan was speechless. Qin mo, can you not say such things while hugging me? " she asked.

She was a man, so how could he take her?

Qin mo smiled. shall we shower together? "

he huan rolled her eyes. " i knew it. "

An hour later, both of them came out of the bathroom with satisfied expressions.

Chapter 4318: Remember your identity (3)

During dinner, Qin mo suddenly whispered, " "he huan, i want you to be in charge of this film."

she looked at him and took a small sip of the appetizer after a while. then, she smiled. " i won't work with aijia. you know the reason. qin mo, don't make me do things that i can't do. also, i won't change my words. if you have any ambiguous relationship with aijia, i will quit. "

" i won't argue with you, " she added softly. " i can maintain our relationship and live together to take care of yihuan. but we can talk about remarrying later. i don't want to be in a marriage. "

She did not want to be divorced a second time!

qin mo suddenly spoke,"i'm not asking you to film her, but hanhan."

he smiled. " you're filming. i'm still going to the production team. we're still living outside. " Why don't we just film it in C city? we don't even need to move."

...

He Huan was speechless and shook her head. "you weren't like this before."

I think as the CEO of King Entertainment, it's okay to be willful for once. He chuckled and reached out to touch her face."Don't you think so?"

He Huan ignored him and lowered her head to eat her salad."We're not on vacation when we take scans."

Qin mo just looked at her and smiled without saying anything.

Later on, to he Huan's surprise, Qin mo did not replace the male lead but AI Jia.

he had told he huan about it the next morning. he huan was a little shocked. after a while, he said slowly,"it's a little unexpected."

Qin mo didn't explain. He just reached out and pulled her into his arms, kissing her fiercely. "You heartless little thing."

He Huan felt a little pain from his bite and patted him away. are you a dog? it hurts so much. Also, I'm not from King Entertainment. If you're a different actress, why do you always have to look for me? "

However, he pulled her into his arms again and locked his eyes on her. "Because I want to have a work of our own."

However, he Huan was not interested in this. She lazily patted his good-looking face."Yihuan is."

Qin mo was speechless, but he still let her go. you really don't have a conscience.

He got up, feeling a little disappointed.

at this moment, he huan hugged him from behind and leaned over. " I don't want to film for the next six months. I'll stay in B city with you. Isn't that good? "

qin mo's body stiffened for a moment, in disbelief.

He Huan's fingers gently rubbed his shoulders and she chuckled."do you still think i have no conscience?"

qin mo reached out and pulled her over from behind, placing her in his arms."really?"

"of course, this is also on the basis that you keep your word." She said lazily.

After she finished speaking, she broke free from him and went to wash her face and brush her teeth. Qin mo leaned on the side of the bed and finally understood the message in her words.

she was asking him for more.

He chuckled and did not say anything. He followed her to the bathroom and closed the door.

After a while, he Huan's scream could be heard. Qin mo, you bastard!

yes, he was a bastard. he was only a bastard to her!

this time, he had made he huan arrive late. in the end, he had personally sent her to the set. he huan had ignored him for a few days and refused to do it with him. of course, this was something to be said later.

When Qin mo was driving back, he received a call from Secretary he, saying that AI Jia had gone to C city.

qin mo frowned. ” give her a call. tell her that i’m waiting for her at KING entertainment’s branch office. ”

Chapter 4319: remember your identity (4)

however, when qin mo went over, ai jia had already arrived and the atmosphere in the company was a little tense.

qin mo didn’t mind. he had always been clear-headed in the company. aijia was neither a shareholder nor a senior executive in KING. he didn’t know why his subordinates had to be at her beck and call!

Therefore, when Qin mo entered King Entertainment’s branch company, his expression did not look good. It was unknown what those insensible people were up to.

ai jia was already waiting for him in his office. qin mo stood by the door for a few seconds before walking in. he ordered the secretary to pour two cups of coffee.

“i heard that you changed the female lead of” don’t talk to him “to ai mengmeng, is that true?” ai jia’s voice was a little tense.

qin mo sipped his coffee lightly and said slowly after a long while, ” “this is the company’s decision.”

...

“This is he Huan’s decision, right? She doesn’t want me to take the film and she doesn’t want me to stay by your side, right?” Edgar’s voice was a little tense.

Qin mo remained silent. he Huan isn’t an employee of King Entertainment, so she has no right to make decisions. Besides, the role for this film has never been decided.ai Jia, I don’t know why you’re in C city now, but I have something to tell you.

aijia looked at him with a dark expression.

qin mo pressed the internal line and said, "send the documents in."

the secretary came over, put down a document, and said softly, "Secretary he sent this message to President Qin."

Qin mo gestured for her to leave first. After the door closed, Qin mo said very softly, "aijia, this is a supplementary agreement. i think you're not in a good mental state and not suitable for filming. i've written the penalty for breach of contract here. it will be transferred to your account within three days. check it carefully."

Edgar was stunned for a long time before she whispered, "qin mo, i don't believe that you would treat me like this!"

Qin Mo's expression didn't change. Aijia, the past is the past. We have to learn to let go. I am and you are.

"it's because of he huan, isn't it?" "Even if I don't affect your lives, even if I just want to see you miss the Qin continent, you won't allow it, right?" she smiled gently.

Edgar picked up the document. What if I don't want to?"

"The compensation agreement is automatically in effect." "i'll send you to the United States to recuperate," qin mo said indifferently and looked at ai jia.

ai jia lowered her eyes. "qin mo, i don't need the contract, but i don't want to go back to United States either. i want to live on the land where the qin continent is."

With that, she walked out without even looking at the agreement.

Qin mo clenched his fists. After a while, his Secretary came in. miss AI has left.

qin mo let out a long breath.

He walked out and sat in his car. It took him a long time to drive back to his residence.

on the other side, he huan received a call from ai jia.ai jia's voice was very soft."Can we have a chat?"

Almost immediately, he Huan recognized AI Jia's voice."You're Edgar?"

"yes," ai jia sat in a white sports car and took off her sunglasses. " I'm just on the road outside the set. There's a coffee shop by the road. Can we sit down and have a cup of coffee? "

he huan still went.

she was dressed very casually, which was completely different from how delicate ai jia was.

The two women sat down and the waiter brought them coffee.

"what brings you here?" he huan asked.

AI Jia's gaze fell directly on he Huan's face. After a long time, she whispered, " i really don't know why he likes you!"

what else could I do? steal my brother's girlfriend? " he huan laughed coldly.

Aijia sipped her coffee and said lightly, " he Huan, believe it or not, even if I quit, Qin Mo's side won't be peaceful. A man like him is bound to have women pestering him.

he huan laughed. after a long time, she lowered her eyes.”It sounds like you admit that you’re no different from those women.”

AI Jia’s expression turned ugly. She looked at he Huan and smiled coldly.”i hope you will always be happy.”

“ai jia!” he huan called out to her as she wanted to leave.

ai jia stopped.

...

He Huan’s voice was very low,”do you like Qin mo or Qin Lu?” Does Qin Lu know what kind of woman you are?”

ai jia put on her sunglasses, looked at he huan, and left without saying anything.

he huan sat there quietly for a long time before she finished her cold coffee.

She felt that there was something wrong with AI Jia. She sat for a while and then made a call to the United States. I want to check on AI Jia.

When she hung up the phone, she was in a bad mood. She was in a bad mood even when she went to the set, so she ended work early that night. When she returned to the apartment, Qin mo was busy with something in the kitchen. He Huan also did not know what special day it was that made him cook.

She was a little annoyed, so she sat on the sofa and lit a cigarette. She didn’t smoke it and just lit it.

qin mo came out of the kitchen and saw her sitting. he came over and ruffled her hair. ” “Why did you light a cigarette?”

“i met ai jia today,” he huan looked up.

” oh, ” qin mo replied. ” i terminated my contract with her today. ”

he huan stared at him. after a while, she sighed. ” qin mo, i think there’s something wrong with ai jia’s mind. ”

qin mo smiled. ” no, she’s fine. i think she’s fine. ”

“I’m afraid that she’ll hurt yihuan,” he Huan was worried.

Qin mo frowned. she won’t. Aijia is just a little boring. She won’t do anything to yihuan.

In his impression, AI Jia was a generous and decent woman who had never hurt anyone.

“I always feel uneasy,” he Huan lowered her eyes.

she always felt that there was a secret about ai jia that they didn’t know about. even among the people she knew, no one knew ai jia, and the feelings between ai jia and qin lu were unknown.

he huan’s heart was in a mess, so she did not do anything after dinner. she just took a shower and lay on the bed. qin mo begged her to have sex with him, but she refused. she just quietly spaced out.

qin mo’s voice was a little low. ” i’ve already terminated my contract with her. i won’t care about her matters anymore. he huan, i can’t lock ai jia up. she’s an adult and an individual. ”

“I know,” he Huan looked at him and said in a bitter voice.

She still rejected him and turned around to tease him.

In fact, AI Jia had an impact on their lives. At least, her appearance made he Huan feel uneasy.

early the next morning, he huan was feeling a little uneasy. she almost got hit by a shard on set. fortunately, kang qiao pulled her back in time. there was only a shallow cut on her arm.

dark red blood seeped out, and he huan was a little dazed.

At this time, she also got some news from the United States, and an email was sent to her account.

he huan looked at the sender and decided to read it when she got back. right now, she had to treat the injury on her arm!
