

## Thank you 4341

Chapter 4341: Please call me miss he (4)

Before she could say anything, she was in so much pain that her forehead was covered in cold sweat.

He Huan instinctively wanted to pull her foot back, but Qin mo held it tightly, not giving her a chance to let go. He looked up at her and said in a lower voice, ” “bear with it.”

He Huan was in so much pain that she bit her lip so hard that it was almost bleeding. She tried to pull her leg out a few times, but it didn’t move.

qin mo looked up at her again and rubbed her head for a while. he huan fell onto the sofa in pain, her hands clenched into fists and she bit them.

“it hurts so much.” He put her feet down and leaned forward, his hands on both sides of her body, almost covering her whole body.

he huan opened her eyes and looked at him. her heart was fluctuating unnaturally.”what do you want to do?”

...

“what do you think?” Qin Mo’s voice was unusually hoarse. His fingers gently pulled down her straps and he frowned. “will this break?”

He Huan knew that he was unhappy. How could he not know the design of the gown? there were so many female celebrities in King Entertainment, and the straps were much thinner than this. How could he not be worried?

He had a dark mind and couldn’t bear to see her dressed like this.

As expected, Qin Mo’s finger movements became more dangerous and his voice was hoarse. “You’ll still be exposed. Don’t wear this in the future.”

he huan's feet didn't hurt as much as before, but she couldn't move at all.

she could only lean against the sofa and squint her eyes at the handsome man in front of her. then, she smiled."president qin, i'm not your wife anymore."

His fingers gently stroked her delicate neck, and finally pinched her sharp chin, his eyes fixed on her small face.

To be honest, his gaze was quite scary. At least, he Huan had never seen him like this.

in fact, she had seen it before. it was the night they got married.

she fell asleep in her pajamas, and he came back after drinking and saw her curled up in bed ...

He Huan would never forget that look in his eyes for the rest of her life. He had made her feel pain that night. He had no experience at all. Although he was very gentle, the look in his eyes had changed after she woke up after that one time ...

After that, in their married life, Qin mo was not gentle for a long time. They were not harmonious either. Until one time, he got drunk and trapped her under his body for a whole night. That night, he loved her many times and said many things. Only then did she know that he knew that she liked Rong Yue.

after that night of gentleness, there was no more gentleness. their relationship had been very stiff, and there was an indescribable feeling, until now.

he huan looked at qin mo and saw the desire in his eyes.

She closed her eyes slightly, and her voice became even lower. we've broken up.

"then aren't you dressed like this just to seduce me?" His voice was low and hoarse, and his slender fingers gently stroked her face.

he huan couldn't stand him. " qin mo, you're being unreasonable. "

qin mo laughed softly. he cupped her face with both hands and kissed her.

He Huan turned her head, but in the end, she couldn't break free because his hand was firmly holding her face, not allowing her to move. In the end, it was a little messy, and she was done on the sofa.

After they were done, Qin mo lowered his head and looked at he Huan, who was lying on top of him. There was a touch of gentleness in his eyes. let's make up, okay? ”

Men were generally like this. When their bodies were comfortable, they would naturally lose their temper.

He Huan was still lying on her stomach. Her feet were still in so much pain that she couldn't move, so she could only lie down.

Chapter 4342: Please call me miss he (5)

She said no in a low voice.

Qin mo thought that she was just throwing a tantrum. He kissed her face, got up, and carried her.

before he went to the bedroom, he looked down at the gowns on the floor.

it was a little violent!

For the next half of the night, they were just like before. Qin mo was very satisfied.

in the second half of the night, they slept in each other's arms. when he woke up in the morning, he felt particularly comfortable, and the darkness of the past few days had been swept away.

...

when he opened his eyes, he saw he huan's delicate little face. she had become a lot paler recently. in fact, she had been very fair since she was young, but because she did not take care of her skin after the filming in the United States, it became a little honey-colored.

And now, her porcelain white skin contrasted with her delicate little face. It was really beautiful, and he had always liked that she had Jade-like hopes for her. As he looked at her like this, a desire that he shouldn't have rose again.

however, he also knew that he had gone a little overboard last night, so he only kissed her lips and got out of bed to make breakfast. he huan's kitchen was not bad, and the kitchen was very complete and well-polished, which meant that she never cooked.

qin mo wasn't surprised as he huan didn't know how to cook.

he got out of bed. there were no clothes for him to change into, so he put on last night's clothes. he wiped his face and went to the kitchen to prepare breakfast.

Actually, he was going to sleep a little longer, but he had a meeting at 9:30, so he had to leave later.

By the time Qin mo finished making breakfast, it was already 8:30 am. He ate a little and went to the bedroom.

He Huan was still asleep. He half-squatted and said in a hoarse voice, " I'm going to the office now. Don't forget to have breakfast when you wake up.

He Huan opened his eyes, looking a little dazed. His fingers gently caressed her red lips, and his voice was even more hoarse. I'm leaving.

he huan looked at him softly, and qin mo was naturally moved. he went up to kiss her before tidying his clothes and leaving.

that day, all of KING entertainment's employees felt that boss qin's mood was very free. his previous gloominess was swept away, or rather, he was not satisfied with what he had.

in the morning, qin mo had a meeting. at noon, he wanted to call he huan, but after thinking about it, he gave up. he changed to reading a magazine and casually flipped through it. he saw a watch that was quite good and suited he huan very well.

” secretary he, please come in for a moment. ” she pressed the internal line.

“President Qin, what’s the matter?” Secretary he immediately came over.

Qin mo pushed the magazine in front of her. help me order this watch. I want to get it before the afternoon.

secretary he was a little surprised. he looked down and saw that it was the most high-end gem watch from a luxury brand. each watch was about three million yuan. the money was not important. what was important was that boss qin had picked it out personally.

Also, she was probably the woman that boss Qin had spent the night with.

qin mo glared at secretary he and could not take it anymore. ” “I’m giving it to he Huan. What are you thinking?”

Secretary he blinked his eyes again. Ah, they’ve made up!

however, she made the order very quickly. after she paid for it, the shiny watch was sent to KING entertainment in minutes.

qin mo looked at the watch for a long time before putting it down.

when it was time to get off work, he gave he huan a call, but her phone was turned off.

He frowned, then drove directly to her apartment. She wasn’t home, so he had to wait downstairs while calling the people she might contact.

after looking around, he still couldn’t find her.

Qin mo was a little angry, but he suppressed it.

his intuition told him that she did not want to see him on purpose. she had turned off her phone and could not be found anywhere.

Chapter 4343: please call me miss he (6)

in the end, he went to her office. the staff said that he huan did not come to work today. qin mo frowned and left first.

he was driving aimlessly.

He didn't know where he Huan was, and he didn't know why she didn't want to see him.

he had thought that they had made up after last night, but now that he thought about it, it was obvious that she did not think so.

Qin Mo's fingers were on the steering wheel as he drove along the brightly lit Street. When he passed by a coffee shop, he saw he Huan.

She was wearing a pair of black trousers and a white sweater, looking very pure and beautiful. Sitting opposite her was a very young man. One look at his appearance and clothes, and one could tell that he was a good man.

...

moreover, he should be about the same age as he huan.

Qin Mo's fingers were gripping the steering wheel and his knuckles were almost white. He endured it and did not go over.

he huan looked up and saw qin mo.

He sat in the car, his face frighteningly dark.

he huan looked away and ignored him.

he couldn't take it now?

She was just meeting an ordinary friend, a college classmate. He just needed her help with a small matter, and a coffee was nothing.

He didn't think much of his visit to Ai Jia. Last night didn't change anything. It was just a physiological need. Besides, she had sprained her ankle and couldn't escape even if she wanted to. Besides, Qin Mo's technique was good and she felt comfortable. He Huan was never a pretentious person.

he huan didn't buy qin mo's words. it was fine if he was unhappy, but she was unhappy too!

they were more serious than the cold war now and were on the verge of breaking up.

In fact, she hadn't decided yet.

or perhaps, she was too soft-hearted.

but deep down, she knew that she loved him. that was why she was so worried and couldn't let go of him.

He Huan returned home at 10 pm. She drove back by herself.

Downstairs, Qin Mo's car wasn't there. She silently heaved a sigh of relief. If he were to go crazy again tonight, she would definitely not be able to take it.

He Huan got out of the car and walked towards the elevator.

Qin mo leaned against the electric ladder, his expression not too good.

He Huan stopped in her tracks and looked at him. what can I do for you, boss Qin? ”

qin mo looked at her quietly and smiled bitterly. ” “he huan, i do like you, but it’s because i like you that you’re trying so hard to ruin this relationship, isn’t it?”

Her lips moved, but she didn’t say anything for a long time.

Qin Mo closed his eyes and did not say anything. He took out a box and placed it in her hands.”This is for you. If you don’t like it, throw it away.”

After he finished speaking, he walked out.

He Huan stood behind him, looking at his back. She felt a little lonely under the light.

She wanted to call him, but she couldn’t say a word.

After a long time, Qin mo turned around and looked at her.

it was quiet.

” he huan, i have never changed. i have never liked anyone else, ever since you were a child. ” His gaze was unfathomable, and he Huan could not understand what he was trying to say.

She was a little afraid, but she didn’t know what she was afraid of.

finally, qin mo laughed at himself. ” even if i put the whole world in your hands, you won’t believe that i love you. ”

he huan shook her head. ” it’s just a college classmate. ” qin mo, i can’t do anything if you put it that way. i’ve said many times that what i want is this sense of security. i’m tired of talking about aijia and i don’t want to talk about it anymore.”

Chapter 4344: please call me miss he (7)

tears welled up in her eyes. she didn't know why, but she said slowly, " "if that's the case, then let's just do this."

She still said it out loud and looked at him.

She didn't know where her courage came from, but she quickly walked over and stuffed the box in his hand. "this is for you,"

the moment the box was in his hands, her eyes became a little moist, but she held it back.

he turned around and left.

This time, Qin mo did not stop her. He only looked at her back quietly. He threw the box in his hand into the rubbish bin. However, when he got into the car, he closed the door and rummaged through the rubbish bin for a long time before he took it back.

...

he looked at the box and thought about how much he loved and hated he huan. he wanted to throw it away, but he couldn't bear to.

qin mo left in the end. this time, he didn't ask her to stay and their relationship went back to the freezing point.

They had not contacted each other for a week, and Qin Anlan's birthday was coming. He Huan did not have to attend, but Kime had a close relationship with the Qin family. As a junior, she had to attend.

su cheng had a lot of opinions about this. she whispered to her husband, " " shuheng, i heard from liangqiu that they're preparing to arrange a blind date for qin mo. the candidates for the banquet this time will all be present. there are about three or four of them. why did you let he huan go? it'll be so

much easier if she doesn't go. before this, i agreed because i saw qin mo's sincerity. but look at how he's become like this after just a few months. "

Kime was helpless as he looked at his wife. "If I don't go, I'll feel that he Huan is reluctant to leave."

su cheng was a little angry. " actually, it's clearly qin mo that can't let go. if it wasn't for he huan, he probably would have found his own happiness. i think that rong yue is not bad either. i didn't expect him to find a third-rate star. shuheng, you don't know how smart the girls in the entertainment industry are. now that they're with rong yue, there's an 80% chance that they'll throw him away after they're done using him. i've said it before, if you want to be with rong yue in the future, i won't agree. "

Kime smiled helplessly. "that shouldn't have happened."

su cheng was still worried,'i'm always worried. Anyway, don't get involved with Qin mo and Rong Yue in the future. They're not good people."

as a mother, her heart still ached when she thought about it.

KIME sighed and did not say anything else.

worried, su cheng called he huan over on the day of the banquet. she personally made arrangements for her and was finally satisfied.'hmpf, even if you lose, you can't lose face. don't make it seem like no one wants my daughter.'

He Huan was wearing a mint-green strapless dress. The color really made her look fresh, especially her beautiful neck and thin shoulders. She looked so sexy and didn't look like a woman in her early 30s at all.

Her hair fell to her shoulders and was tied up. This was the first time he Huan had tried this style. It was unnatural for her, but su Cheng insisted.

"look at this small waist, which part of her looks like she has given birth before." Su Cheng was very satisfied. She would definitely have face if she went out like this. Why would she have to worry about not having a man?

He Huan felt a little helpless. After a while, she laughed bitterly. mom, this is too Grand. It's just a birthday party, not a red carpet walk.

“what do you know? this kind of party is equivalent to a blind date party.”

“i'm married.” He Huan said weakly.

Su Cheng sneered. divorce again? did you forget? do you know how many girls the Qin family found today? ”

this silly girl!

Chapter 4345: she is my woman (1)

He Huan was a little dazed and did not come back to her senses for a long time. Then, she said bitterly, ” “he's him, i'm me,”

Su Cheng helped her tidy her clothes and sighed. nothing else matters. I'm just afraid that you'll feel aggrieved. Do you understand? ”

he huan pursed her lips and looked straight at su cheng. she realized that her mother, who had always been like a young girl, was slowly growing older.

She lowered her eyes and said in a low voice, ” “I know.”

She really understood now. She had always been willful and did whatever she wanted, and her parents were worried about her. He Huan was silent for a while before saying, ” “mom, i want to go on a blind date.”

He Huan was stunned. He did not expect he Huan to think this way.

...

In fact, she didn't mean to do this. However, since he Huan said that she wanted to go on a blind date, her mother wouldn't reject it. She had never gotten along with Qin mo. Perhaps, they really didn't get along.

He Huan went to the hotel with her parents. It was the GM hotel.

looking at the huge signboard, she was reminded of the time when she and qin mo were young and he brought her here to stay for a night. she couldn't help but have an indescribable feeling.

She got into the car and stood in the night sky in a mint green dress, like a little fairy in the night sky.

"what's wrong?" Su Cheng walked over and asked her.

He Huan shook her head and smiled. it's nothing. Let's go in!

Kime, one in each hand, brought his wife and daughter in.

Their family's relationship with the Qin family was a little complicated, but fortunately, Qin Anlan and ye Liangqiu regarded it with great importance, so others could not say anything. However, he Huan's appearance was a little stunning.

Qin mo slowly walked down the stairs and saw he Huan standing in the living room. There were so many people there, but she still looked very different.

qin mo was dressed in a classic black and white suit shirt. there were a few girls from good family backgrounds around him. they were all very young, and their figures and looks were all top notch. they were certain that they would be able to give birth to an outstanding heir for the qin family.

When he Huan saw this, she understood immediately. She did not say anything and only smiled.

Qin Mo's gaze became a little deep. He also looked at her quietly for a while. Then, he spoke to the girls beside him. She didn't know what he said, but the girls all laughed. However, they seemed to be fighting for a higher position.

He glanced at he Huan, but he Huan had already gone to greet his parents.

He left his female companions behind and walked over.

ye liangqiu saw him and smiled. ” qin mo is here. your uncle KIME and aunt su are here. also, he huan is really pretty today. ”

“where’s yihuan?” he huan smiled.

Ye Liangqiu sighed. she might have had an upset stomach during lunch. She had diarrhea, so I asked Auntie to take care of her at home. The hotel’s air-conditioning is too strong.

he huan was worried, but she only nodded. ” “That’s true.”

She still looked outside and then silently looked at the time.

In fact, she knew that it was not Yi Huan’s stomach that was hurting. It was just that it was inconvenient for Yi Huan to be present at the blind date.

she did not know why her heart ached. she did not want yi huan to see qin mo getting married to someone else.

She thought that she might be able to raise Yi Huan. Even if Qin mo did not agree, she would find a way to persuade him. After all, if he remarried, there would always be a woman who could give birth to a son for him.

Because of Yi Huan, he Huan became a little absent-minded. When she turned around, she happened to bump into Qin mo.

She was in a trance again.

qin mo reached out to support her, his gaze deeply landing on her face. after a long time, he whispered, ” “You don’t look too good.”

## Chapter 4346: she's my woman 2

"I'm fine," she said. He Huan shook his head.

she broke free from him and wanted to leave, but in the blink of an eye, he grabbed her arm again, and his voice was even lower. "Do You Want to Dance with me for the opening dance later?"

He Huan was stunned for a moment, then she smiled. "it's not appropriate for today's occasion."

The word 'inappropriate' made Qin mo frown again. He wanted to ask what was inappropriate, but he Huan had already left. She went to the balcony and took out her phone to call the Qin residence. She wanted to hear yihuan's voice.

in the past, she told her mother that it was a blind date but now she didn't want it anymore. she wanted yihuan. if qin mo wanted to remarry, she must take care of yihuan.

The Auntie on the other end of the line picked up the phone and she still called her young Madam enthusiastically. He Huan did not correct her and directly asked Yi Huan how she was doing. Who knew that Yi Huan's voice would immediately ring on the other end of the phone, crisp and clear, "mom."

...

He Huan felt an indescribable feeling in her heart, and her voice was hoarse. "Yihuan, does your stomach still hurt?"

yi huan shook her head. " it doesn't hurt anymore. "

tears welled up in he huan's eyes. " have you eaten? "

yes, I have. Auntie's baby food is very delicious. It's different every day. Yihuan is very full, but she misses her mother. Yi Huan found an opportunity to act coquettishly.

He Huan licked her lower lip. then, mommy will come over to accompany you, okay? ”

yi huan immediately agreed.

he huan put down her phone and turned around to see su cheng.

Su Cheng’s expression was indescribable, and she sighed. “He Huan, you’re really stupid.”

he huan was in a daze for a moment, then said, ” mother, I gave birth to yihuan. I didn’t think that I’ve done anything wrong to her in the past, but she was left alone at home tonight. Furthermore, this is Qin Mo’s blind date party. I can’t accept it. I can’t dance with someone else dressed like this.

mother, I’m the one who gave birth to yihuan. I’m sorry, ” she sobbed.

As she spoke, she leaned her head on su Cheng’s shoulder. Su Cheng’s face was expressionless, but she gently stroked he Huan’s hair and whispered, ” ” i’m your mother too. i can understand your feelings. just don’t regret it. ”

she actually felt that it was a pity. they were clearly in love, but they could not be together. he huan and qin mo were both proud, but qin mo usually accommodated he huan. however, she could not understand why!

He Huan muttered an apology in a low voice and left the balcony.

half an hour later, she changed into a pair of jeans and a black t-shirt and drove away.

in the GM hotel, qin mo was still alone with a glass of red wine in his hand.

he didn’t see he huan. he had looked through the entire banquet hall, but he didn’t see her.

To be honest, she was very stunning and beautiful tonight.

Her hair was a little longer and was tied behind her. It was the first time he had seen her so gentle and young.

It was almost at that moment that he really wanted her.

But now, she had disappeared and was waiting for him to start the opening dance.

Just as Qin mo had no choice but to pick a dance partner, a call came from the Qin residence, saying that yihuan had disappeared, ran ran.

Qin Mo's entire body was stiff as he held onto his phone. how could that be? "

"It was young Madam Wanwan who took yihuan away," the helper said carefully.

qin mo heaved a sigh of relief. he then realized that he huan had gone to autumn garden.

Chapter 4347: she is my woman (3)

At this moment, the banquet was about to begin. Qin mo couldn't leave and he had to start the dance.

However, Qin mo still ignored the young and beautiful girl's hand and strode out of the banquet hall.

The scene was in an uproar.

"Qin mo." After the young girl recovered from her disappointment, she followed him. "what's wrong with you?"

Qin mo turned around and smiled. "I have something important to do, please excuse me."

at this time, ye liangqiu also came over and looked at his son.

...

“Mom, I’m going back to the Qin residence for a while.” Qin mo said in a hoarse voice.

ye liangqiu had long heard that he huan had left for autumn garden. now that her son had rushed over, it was hard to say who he was going to see. she sighed in her heart-

these two little ones really made the adults worry.

this time, it was her idea for qin mo to test the two little ones ‘hearts.

Qin Chen leaned over and said in a low voice, ” ” mom, look at brother. he’s lost his soul. but he huan is really beautiful now. she’s not any worse than aunty su, right? ”

Ye Liangqiu looked at Qin Chen’s Black shirt and black pants. It was hard to understand Lan Yu’s taste, but she was relieved that Qin Chen was doing well.

“Not bad?” ye Liangqiu sighed.

After she finished speaking, she looked at Qin Mu. Chencheng, look at Qin Mu. He’s quite normal. Do you want to change your Voodoo? ”

“oh, i see. that’s because zhou chongguang has nourished it well.” qin chen said indifferently.

“then, didn’t lan yu nourish you?” ye liangqiu couldn’t help laughing.

qin chen held a glass of red wine and smiled. it’s all because I’ve nourished him. Mother, haven’t you realized that Lan Yu is becoming more and more enchanting? ”

Ye Liangqiu:

qin chen finished his red wine and walked over to replace qin mo to dance with the girl. although she was also a woman, the young, beautiful girl with a good family background still blushed.

She wanted to call Qin Chen hubby!

The Qin couple could only sigh at their daughter's actions. Fortunately, Lan Yu didn't mind. Qin Chen's rotten peach flowers were much more than Lan Yu's. After this dance, people would definitely come to propose marriage later, and they would have to spend a lot of effort to prove that Qin Chen was a woman.

what a headache! qin anlan and his wife looked at each other.

it was his birthday, did qin chen have to steal the limelight like this?

Ye Muyun brought Tang Xue 'er to sit on the sofa. Tang Xue' er's face was full of admiration. Mr. Ye calmly said, " " there's no point in looking at her. no matter how pretty chenzhen is, she's still a woman. she can't satisfy you. "

his little bun was a little unhappy. " ye mu yun, you're getting more and more shameless with your words. "

"When in Rome, do as the Romans do! i heard your parents "even more explicit conversation when i went downstairs once. do you want to be obedient?" President ye smiled faintly and looked at his little wife.

Tang Xue 'er glared at him. ye Muyun!

He smiled and continued to feed her food. Then, he deliberately fed her a few glasses of wine, successfully making her slightly drunk. He liked to see his little wife's lazy little girl look. She was not very young anymore, but Xue 'er looked especially young. She was so small.

In fact, he also knew that others would think that he was a pervert, but he didn't care. He just wanted to pamper her like this.

When his little wife leaned into his arms, a little drunk, he immediately got up and picked her up. He also said hello to his parents, " "Dad, mom, Xue 'er is drunk. I'm taking her upstairs to rest."

this break was remarkable.

#### Chapter 4348: she is my woman (4)

the people of the qin family were already used to ye muyun's evil doings, especially the parents. they could only sympathize with this little wife. tang xue 'er clearly should have grown up, but she forced ye muyun to become a child.

It was really a bad taste.

On the other side, Qin Chen finished a dance and was about to leave when the girl blushed and asked for her WeChat.

qin chen raised his eyebrows, then added another rotten peach after some thought.

of course, lan yu was watching how his wife seduced women. to be able to poach qin mo's woman, should he be proud or proud?

qin chen came over and directly kissed lan yu on the lips. "are you angry?"

...

"What do you think?" lan yu directly wrapped his arms around her waist and fiercely bit her lips a few times, showing great dissatisfaction.

Qin Chen laughed and satisfied him to his heart's content.

The young lady who had just added him on WeChat looked hurt, and her eyes were filled with tears.

'He' was actually G!

lan yu looked at the girl's dejected look from the corner of his eye and sighed, "i'm being treated as a G again."

however, he quickly pulled himself together. ” “how are you going to compensate me tonight?”

“What do you think?” Qin Chen chuckled.

Lan Yu didn’t say anything more. He chuckled and reached out to pinch her face.

In fact, his Chenchen was always flirting outside, but at home, she was as obedient as a cat.

The banquet continued. It would not stop just because of Qin Mo’s sudden departure.

qin mo rushed back to the house and the auntie said that he huan had left with yi huan for about an hour. she even brought a small suitcase with her.

“did he say where he was going?” qin mo frowned.

“No, I just said that I’m taking yihuan out to play for a few days.” the helper said carefully,”although young madam is feifei, i can’t stop her if she wants to be happy.”

qin mo nodded,”i’m fine.” i’ll go find her. ”

after saying that, he turned around and walked out. he got into the car, but he didn’t start the car immediately. instead, he smoked a cigarette.

In the faint smoke of the night, Qin Mo’s eyes were a little blurred, and his expression was so dark that it was hard to see.

After a long time, he called he Huan’s number, but her phone was turned off.

he frowned and tried to call her again, but her phone was still turned off, so he sent her a wechat message.

[ where are you and yihuan? I’ll come over. ]

Of course, it was like throwing a stone into the ocean. He Huan did not even bother with him.

Qin mo held his phone in one hand and the cigarette in the other. He slowly finished smoking and snuffed out the cigarette before starting the car.

He went to Qin Chen's apartment first, but there was no one there.

He didn't need to go to his place, as there was definitely no one there.

qin mo looked for a few places that she might have been to, but he could not find her.

In the middle of the night, he sat in his car, quietly looking at his phone, dialing again and again-

He Huan still turned off her phone.

qin mo didn't want to alert anyone, so when his parents called to ask, he said that he was with he huan.

However, after hanging up the phone, there was still an unspeakable worry in her heart. After all, it was very late. Where did the two of them go with their luggage?

It wasn't until 3 am that Qin mo remembered that he and he Huan bought a villa in B city after their marriage. They rarely went there, but he Huan liked it very much. When they got divorced, he gave the villa to he Huan.

The car started immediately and arrived in front of the villa half an hour later.

In the dark night, the lights in the villa were on, and it was warm.

qin mo sat in the car and watched silently. his mood seemed to have calmed down.

## Chapter 4349: She is my woman (5)

His car slowly drove into the courtyard and stopped. He got out of the car and the guard at the gate came over.”President Qin,”

qin mo lit a cigarette and stood there, looking upstairs. ” “how long has he huan been here?”

“I came over at ten in the evening,” the guard answered honestly.

Qin mo nodded and slowly walked in. He pressed his fingerprint to open the door.

the first floor was dark without any lights on, so he didn’t turn it on. he walked upstairs slowly.

when they arrived on the second floor, the dim yellow lights in the corridor of the second floor were very beautiful.

...

it was very quiet.

He passed through and stopped at the door.

behind the heavy door were his wife and daughter.

of course, he huan was ignoring him now, but yi huan was still his child.

Qin Mo’s spiritual arts won for a short time and he pushed the door open.

The room was filled with dense mist.

In the traditional and gorgeous master bedroom, he Huan and Yi Huan were sleeping on the bed. On the large bronze bed, the White silk quilt had slid to the side, revealing the two little ones.

yi huan was wearing a one-piece nightgown. she was cute and round. she was hugging a small pillow on her four limbs. her soft and chubby face was on the pillow, which was sunken in a big part.

on the other side of the big bed, he huan was lying on her stomach. the pillow was under her stomach, so it was obvious that they had been playing a little game before they went to bed.

he huan's hair was let down, and her black hair was draped over her shoulders. she was wearing a black t-shirt and a pair of jeans. she was small and thin, and qin mo noticed that she seemed to have lost a little weight.

he just looked at her quietly, thinking about how she looked when she appeared in mint green. she was so beautiful, and now, she was very cute.

He was a young he Huan.

Qin Mo's eyes flashed with desire and warmth. He bent down and kissed Yi Huan, then he kissed he Huan. It was a kiss.

he huan was in a deep sleep and slowly felt that something was wrong. she opened her eyes and saw his lustful eyes. she was shocked and immediately hugged her pillow and shrank into the bed.

Late at night, he stood in front of the large bronze bed in formal clothes. He slowly took off his coat and threw it to the end of the bed. Then, he carried he Huan up. He did not dare to leave Yi Huan because she would be scared when she woke up in a strange environment.

he carried her and placed her on the sofa at the side. he huan was shocked and angry. she hit his shoulder. " put me down. qin mo, what are you doing? "

He placed her on the sofa. After she sat down, she even bounced and looked up at him.

qin mo stretched out his hand and gently caressed her little face. " "I've been looking for you for half the night."

she couldn't stand his beastly gaze and turned her face to the side.

He got closer and closer, trapping her between the sofa and himself. His voice was particularly hoarse. "Is there a reward for clearing the game now?"

he huan bit her lip and asked, "what reward?" I don't know."

qin mo laughed softly and reached out to carry her up. he then placed her on his lap.

If she didn't know what he wanted to do before, she was very clear about it now. She didn't know where his appetite came from!

she struggled, but qin mo leaned over and said expressionlessly, "do you want yihuan to watch our live broadcast?"

she was furious, but she couldn't do anything to him. he got what he wanted. he huan was so angry that she pounded on his shoulder. however, this would only make qin mo feel better.

He kissed her lips carefully, his voice hoarse. "You're so beautiful tonight. Where are your clothes?"

he huan didn't need to think to know what he was thinking. she snorted and turned her face to the side. "I've thrown it away."

Qin mo didn't mind. After throwing it away, he could still buy it. He always wanted her to wear it and hug her once.

It was always inconvenient to have fun, but one time was enough.

qin mo finally let her go, but he bit her shoulder unwillingly. he huan cried out in pain, but she did not dare to make a sound, afraid that she would disturb yi huan.

qin mo hugged her and felt a little dazed. he kissed her for a while longer and said, ” “Carry you to the shower?”

He Huan didn't want to talk to him at all. He was so hateful.

...

Qin mo was in a good mood. Even though he was not satisfied, he still carried her to the bathroom and served her like how he would serve little Yi Huan. In the end, he Huan's face turned red and her breathing became erratic. She got up, grabbed her bathrobe bag, and ran away.

Qin mo looked at her back view and smiled gently. Then, he also did a simple wash.

back in the bedroom, he huan and yi huan were under the same blanket, only revealing their two fluffy little heads.

He still had something to say to her, so he overbearingly dragged her out of the blanket and carried her to the sofa. He wrapped her in the blanket and said, ” “why did you run away tonight? are you jealous?”

He Huan was a little tired and didn't want to talk about this with him.

she lay in his arms and mumbled a sound of agreement. no matter what he said, she would reply with an agreement. this successfully made qin mo angry. he pinched her small chin and said expressionlessly, ” “Shall we try again?”

he was angry, and so was he huan. she immediately propped herself up and sat at the side, flicking her hair.”do you want to fight?”

“I just want to know what you think,” he said, suppressing his voice.

it's just an accidental physiological need. That's what I'm thinking. he huan said in a low voice, "are you satisfied, president qin?"

qin mo stared at her. "i didn't even get a good look at those women. i didn't even get to see what they looked like."

He Huan felt embarrassed and turned her face to the side.

the appearance of those girls tonight was the biggest embarrassment to her. it didn't mean that he didn't exist without a choice.

Her voice was very soft and a little bitter, "qin mo, if you remarry, i don't mind not getting married if i want to take care of yihuan myself."

He was stunned for a moment. He didn't expect her to be so abnormal tonight because of this.

after a long silence, he asked her, "you're just feeling heartache?"

"what else? does he feel bad for you?" He Huan's smile was a little bleak. Qin mo, you don't need it. Everything you have means that you will never lack women.

qin mo laughed coldly, "i'm happy as long as i don't lack women. you and yihuan are not important to me anymore? He Huan thought to herself, I really feel like all these years of love have gone to waste.

"then you can continue to feed the dogs." he huan snorted.

Qin mo gritted his fine white teeth.

he huan ignored him. she bit her lip and did not speak for a long time.

Qin mo stared at her for a while and gritted his teeth. why would I like a woman with a heart of stone like you?"

In the end, he was not willing to give up, so he pulled her over and kissed her fiercely. He Huan was wrapped in a small blanket and could not move at all. She thought that he was going to be rough with her, but he did not. He only hugged her and said in a hoarse voice, "Let's stop fighting for a night. He Huan, I also want to rest."

he huan was a little surprised and looked up at him. qin mo closed his eyes."Sleep now. I have to rush back for a meeting tomorrow."
