

## Thank you 441

Chapter 441 he only treats her alone (3)

The good thing about staying in the Rose Garden was that she could see Tang Xin the next day, and Tang Xin wouldn't be disappointed.

there was also a disadvantage. tang xin got up early and ran to tang yu and pei qiqi's bedroom early in the morning. she lifted the blanket and said, " qiqi, i knew you didn't run away! "

The last word was filled with fear!

" qiqi, qiqi, qiqi, " tang xin's voice trembled, " "i didn't know you didn't have yingluo to wear clothes."

Tang Xin felt that she was finished!

because her demon brother had already woken up. he opened his eyes and stared at her. he quickly covered qi qi with the blanket.

the elder brother's voice was unprecedentedly stern. " get out first! "

Tang Xin looked at him and was stunned for a moment, but she was still scared by the demon brother's eyes and went out with a cry.

PEI Qiqi curled up under the blanket and felt a little shy.

She was really not wearing a single piece! when she opened her eyes, she saw his naked body in a bathrobe.

she quietly moved back, pursed her lips, and looked up to see his deep gaze.

"let's hurry up. we can do it once," His fingers caressed her slightly opened lips, his voice a little hoarse.

pei qiqi immediately jumped off the bed and ran to the bathroom.

Even Tang Yu couldn't help but laugh-

Now he knew the best way to wake her up.

PEI Qiqi tidied herself up and went downstairs in the same clothes she wore yesterday.

Tang Xin was already sitting at the table waiting for breakfast. PEI Qiqi came down and Tang Yu slowly followed her.

Today, he was wearing a white shirt, a v-neck sweater, and a pair of well-ironed suit pants. He looked very noble.

PEI Qiqi sat down and pinched Tang Xin's face, " don't do this again.

But she didn't expect Tang Xin to be so picky with her words. Her eyes turned and she asked with a smile, " Qiqi, so you're planning to lie together with brother in the future without any clothes on!

pei qiqi's face turned red.

She stared at Tang Xin. eat breakfast!

“Qi Qi, you look so funny when you’re angry from embarrassment.” tang xin was serious.

On the side, Tang Yu was reading the newspaper. Although he didn’t say anything, there was a faint smile on his lips.

Tang Xin was still not afraid of death and asked, ” Qiqi, really? ”

pei qiqi didn’t reply to her. she lowered her head and ate her breakfast. after she finished eating, she was going to go to the company and fight for her life.

The one who made her work so hard was the demon brother that Tang Xin mentioned.

her relationship with tang yu was extremely complicated. even she couldn’t figure it out.

She hated him when he suppressed and forced her.

however, as long as he showed her even a little gentleness, she would forget everything and be willing to stay in his arms.

I don’t know if it’s like this, but there’s no absolute sex in the world. The reason why sex can be successful is largely because the woman gets enjoyment in the process.

She and Tang Yu were probably the same!

pei qiqi pursed her lips and didn’t say anything more. after eating, she looked at tang xin, ” i have to go to work. call me next time, yueyue. ”

Tang Xin was particularly childish, ” Qiqi, are you embarrassed? ”

PEI Qiqi coldly replied,”no!.”

“Qiqi, you just have it.”

“no, i didn’t!”

“you’re obviously blushing!”

pei qiqi took a small bun and stuffed it into tang xin’s mouth, ” “shut up!”

tang xin opened her eyes wide and looked at her innocently. then, she looked at tang yu and took the bread down. she asked, ” ” brother, is qiqi this rough when she’s with you? ”

Chapter 442 He only treats her alone (4)

“I will!” The older brother folded the newspaper and chuckled. “she’ll only be more boorish than this.”

Crude!

above!

torturing her brother like crazy?

There were countless stars in Tang Xin’s eyes, as well as yearning and worship.

however, it was only for a while because qi qi was leaving.

mom left her, and qiqi left her too, xuxu.

Tang Xin's little face fell, and she hung her head dejectedly, tears falling, " Qiqi, I know you don't like me anymore. I've lifted your blanket.

PEI Qiqi was a little embarrassed at first, but now it wasn't easy for her to leave.

He walked back and looked at her pitiful face. why are you crying? "

tang xin continued to be pitiful, " qiqi, you don't love me anymore. "

PEI Qiqi felt helpless. She reached out and ruffled her hair. Her voice was a little hoarse, " "How can I not love you?"

her face was close to tang xin's, and her heart was as heavy as water and soft as she finally whispered, " "i do love you."

She loved Tang Xin, the little guy who had the same blood as her.

now, she could finally say it. perhaps this was the only time she could say it in her life.

Tang Xin was a little embarrassed being pressed against by her like this, and her little face was a little red, " don't love me too much.

thinking of this, she felt a little sad again ...

qiqi, don't love me too much. i'm afraid that i won't live long. you'll be too sad then.

so, just a little bit of liking was enough.

PEI Qiqi noticed her low mood and her heart sank as well. Instead, she didn't leave immediately.

she stayed with tang xin for a while until tang yu finished his breakfast. then, she left with him.

tang xin lay on the sofa and stared at their backs. pei qiqi knew that tang xin couldn't bear to leave, but she still hardened her heart and left.

before she got into the car, she looked at tang yu. her voice was a little low and hoarse, " is there no other way? Medical science is so advanced now."

She knew it was a little shameful to beg him, but she also knew that she couldn't do what Tang Yu couldn't.

Tang Yu's fingers were on the car door. When he heard what she said, he let go. He turned around and looked at her, his voice calm, " "She's my sister, of course I'll think of a way. i will try my best."

... these words, mr. tang really didn't lie to pei qiqi. last night, he really did try his best, he really tried his best to sow his seed in her body!!! (the author laughed shamelessly.)

pei qiqi looked at him deeply. after a while, she said softly and with much difficulty, " " although zhenzhen is zhao ke's daughter, she's innocent. don't anger her! "

tang yu's eyes became a little mysterious. he looked at her with a burning gaze but his voice was slow, " "pei qiqi, you also know that tang xin is innocent. what about you? You're also Zhao Ke's daughter, so are you guilty?"

she was stumped by the question and only spoke after a long while. " that's different. "

tang xin would always be tang zhiyuan's daughter and tang yu's brother and sister. this couldn't be changed.

But if she got together with Tang Yu, then what she and Tang Yu had to face wouldn't just be this little bit of blood and flesh, Yingluo.

"what's the difference?" Tang mo sneered and didn't come over. He just leaned on the door."The only difference is that you're a coward."

he was not in a hurry!

He would force her to have nowhere to run, and he would force her to crawl over and beg him.

sometimes, tang yu also felt that he was a pervert. but his perversion and his thoughts were only used on her.

However, she did not understand.

Chapter 443-he's so shameless!(1)

But it didn't matter, he would slowly teach her.

he would teach her what she didn't understand!

she wouldn't, he would force her to!

He would force her to do what she did not dare to do!

she even dared to do something like borrowing someone else's knife to kill someone. pei qiqi, what's there to be afraid of when you're with me?

one day, you will dare to!

one day, you'll dare to tell the whole world that you love me, that you can't live without me, that you're crazy about wanting to possess me! (It's quite perverted)

pei qiqi's lips moved but in the end, she didn't say anything. she opened the door and got in.

But what she didn't expect was that Tang Yu would also get into her car.

"send me to sheng yuan first," said mr. tang indifferently as he sat beside her.

pei qiqi didn't move from her seat. after she calmed down, she turned her head and looked at the noble-looking tang yu, " "mr. tang, if i'm not mistaken, you're now deliberately trying to acquire my company! Now you want me to send you to the divine distant? don't you think that's a little too much?"

tang yu smiled. " boss pei, number one-i overdid it last night. i'm a little exhausted! second, split? Then last night, when you were lying under a clone, didn't you cry out happily too?"

PEI Qiqi was a little angry and glared at him.

"boss pei's current state is completely different from last night! i still miss that little wild cat from last night." he chuckled.

Their sex now was more intense than before. It was probably because they were enemies now, so she was more excited than before. However, these were the best eye-drops for a man, and it would only make him eat her more intensely.

pei qiqi didn't say anything more. she started the car and drove him to sheng yuan as fast as she could.

however, when she arrived at the entrance of sheng yuan, pei qiqi realized how naive she was.

there were two rows of employees at the entrance of shengyuan, standing straight as if they were receiving important officials.

her car passed by and stopped right in front of her.

just like that, tang yu got out of the car. he looked noble and unparalleled.

he didn't leave immediately. instead, he bent down and looked into pei qiqi's eyes, " " boss pei, i forgot to tell you something. the topic of this morning's meeting at sheng yuan is on how to acquire the pei family business as quickly as possible. "

pei qiqi couldn't take it anymore and opened the door to get out.

they were looking at each other in the eyes, right in front of his staff.

Mr. Tang was still smiling. PEI Qiqi angrily kicked his Kasaya.

what she didn't know was that her clothes didn't cover anything. the hickey on her neck was clearly visible, and what was more outrageous was that there were reporters at the scene!

Seeing the two of them in such a state, the reporters interviewed Mr. Tang and PEI Qiqi separately.

pei qiqi said this-he's split! shameless!

mr. tang smiled indifferently-this is called love! Interesting!

At this moment, PEI Qiqi was so angry that she didn't care about it for long. After giving him a kick, she felt good and closed the door to leave.

tang yu held onto the car door and said in a low voice, " "PEI Qiqi, do you know who sprayed your car during the new year? Did you know that you smashed Sheng Yuan's liquid crystal screen on the night of New Year's Eve?"

under her dumbfounded expression, he was very happy and said very meaningfully, " " boss pei, the new year's dinner that night must have been delicious! "

New Year's Eve dinner?

She was dumbfounded!

that night, she was drunk. when she woke up the next day, she vaguely felt like she and tang yu had spent the entire night rolling in the sheets.

Chapter 444 shameless!(2)

more importantly, she had dreamed of her shamelessly eating his kasaya.

there!

New Year's Eve dinner!

there!

pei qiqi's expression turned into stone as she stared at him. she didn't come back to her senses for a long time.

did she really do that to him that night?

however, she was only shocked for a moment before she thought ...

he had always known.

He had been toying with her and playing Yingluo.

pei qiqi was a little embarrassed and annoyed. she started the car quickly-

Mr. Tang stood there and looked at them. He didn't say anything, but the corner of his mouth slightly curved.

Meng Qingcheng watched a great show. He walked over and chuckled, " Tang Yu, it looked like it was really intense last night!

"You have nothing to do?" tang mo glanced at him and walked towards the hall.

The employees on both sides bowed and greeted in unison, " Good Morning, President!

Tang Yu walked straight to the elevator. Meng Qingcheng followed him and coughed, " "are you serious? are you really going to buy it?"

tang yu stood up straight and tidied his shirt in front of the mirror. he also slightly covered the hickey on his neck. actually, his body wasn't any better than pei qiqi's. her little hands and little mouth had also left quite a few marks on his body.

meng qingcheng's sharp eyes saw it!

he was instantly excited, " tang yu, you really let her do this to you? "

Tang Yu tilted his head and looked into the mirror. He said calmly, " "Why can't I?"

His gaze shifted to Meng Qingcheng in the mirror. Qingcheng, you don't have a woman. You don't understand.

This was called "eye-interest."

meng qingcheng was a little angry.

why didn't he understand? wasn't it just kissing and gnawing?

however, she couldn't tell that tang yu had such a strong taste! he seemed to be enjoying it.

It didn't look like it!

anyway, meng qingcheng felt that no one could think of a way to acquire someone else's company and then sleep with them at the same time.

in meng qingcheng's eyes, what tang yan saw was love and hate.

Most of the people in Sheng Yuan thought that Tang Yu was just trying to scare PEI Qiqi when he said he wanted to buy the PEI Corporation. So, no one took it seriously!

However, at today's meeting, everyone from Sheng Yuan's higher-ups to the front desk knew that Tang Yu had really decided to acquire the PEI family. Everyone was shocked.

After the meeting ended, Tang Yu returned to his office. Meng Qingcheng placed his hands on his desk, "what if PEI Qiqi still doesn't want to return to your side after the acquisition is successful?"

"She won't let me acquire it." Mr. Tang sat behind his desk and flipped through some documents. by the way, I'm going to set up a small team to deal with the acquisition of the PEI family.

He raised his eyes. Qingcheng, you'll be the team leader.

Meng Qingcheng almost jumped up. Team leader? The team leader of the girl-picking group!

Was this running a house?

but meng qingcheng couldn't stop his boss from calling the shots.

"This is training." tang yu suddenly chuckled.

Meng Qingcheng thought he had heard wrong. exercise? Do I, Meng Qingcheng, need this kind of training?"

did they underestimate him too much? he wasn't boasting, but if he really did, pei qiqi wouldn't be able to last more than a few months.

tang yan lowered his eyes and said softly,"it's pei qiqi!."

he wanted her to be as strong as steel and not be easily hurt.

He wanted her to walk to his side and tell him, "Tang Yu, I want you!

meng qingcheng wanted to ask, but tang yu didn't give him a chance to answer.

Chapter 445 Shameless!(3)

because of tang yu's orders, one of sheng yuan's teams continued to torture the pei family.

in half a month, pei qiqi had slimmed down. her waist was also slimmer. her palm-sized face and big eyes made her look even more lovable.

Every day, he slept less than six hours and spent the rest of his time visiting clients, but he was rejected again and again.

sheng yuan was already planning to acquire the pei family, so who would dare to do business with them?

when tang xin saw pei qiqi again, she was stunned as well. she pulled pei qiqi's hand, "qiqi, why did you lose so much weight?"

They sat on the sofa while Tang Yu sat in front of the piano in front of the floor-to-ceiling window. He was playing a song.

PEI Qiqi was distracted and recognized that it was für Elise.

tang xin looked back at her, pursed her lips and said unhappily, " qiqi, look, your hair isn't so black and bright anymore. "

Tang Yu couldn't help but look.

PEI Qiqi touched her hair and replied with an 'Oh'.

Tang Xin pouted, " also, look at your waist, it's very thin, but your P \* s aren't perky anymore, and your chest isn't that big!

not perky anymore? not big?

Tang Mo closed the piano lid and turned his head. His eyes were burning as he looked in PEI Qiqi's direction.

From top to bottom, he could see everything clearly.

It was indeed a little small!

should he let qingcheng relax a little and let pei qiqi gain some weight?

Mr. Tang touched his chin and thought in a serious manner.

Because this would affect his sense of touch and satisfaction.

he liked pei qiqi's body. he liked her satiety even though it wasn't exactly full. | full, but just right, one hand holding the kasaya.

And as for that perky and flirtatious look,

For a man, the visual impact was very important when it came from behind!

he looked at her quietly. after a while, pei qiqi felt his gaze and looked over.

After that, PEI Qiqi pursed her lips and didn't say anything.

She saw the desire in his eyes.

tang xin looked at this one and then at that one, feeling a little strange ...

there seemed to be something wrong between brother and qiqi. last time, they slept together naked. but today, qiqi was very cold to brother. they didn't even say a word.

Tang Xin looked at it and was a little anxious.

However, Qiqi was very calm and even made some snacks for her. She didn't look angry.

tang xin ate happily while looking at pei qiqi. she always felt a little scared.

Qiqi, today is Saturday. Will you be staying? " Tang Xin finished a bag of snacks like a little mouse and asked while licking her fingers.

" yes, i have a social event tonight. " PEI Qiqi's voice was soft as she reached out and touched Tang Xin's head.

tang xin was a little disappointed, and then looked at her, " qiqi, can't you reject it? "

" the company's situation hasn't been good recently. it's been maliciously suppressed!

" PEI Qiqi laughed and said it on purpose for Tang Yan to hear.

Mr. Tang finally stopped fantasizing, opened the piano cover and started to play it again. He said in a low voice, "PEI Qiqi, you can also ask for my help."

pei qiqi didn't say anything. tang xin, on the other hand, ran over and hugged tang yu's arm. her voice was soft and sweet, "brother, please help qiqi!"

Tang Yu continued to play his violin but answered Tang Xin's question, "your qi qi might not need it!"

"How could this be? how could this be?" tang xin was even more anxious than pei qiqi. she turned around and gave pei qiqi a look, "qiqi, tell me you need it."

Chapter 446 Shameless!(4)

mr. tang chuckled, "pei qiqi, tang xin said that you're pushing that! Was it? if it's true, i can help!"

at this moment, pei qiqi felt like tang yu could go and shit!

he was too shameless!

What made her even more devastated was that Tang Xin was still clapping her hands, "of course Qiqi needs it!

"Tang Xin." pei qiqi couldn't help but roll her eyes, "i don't need it."

Tang Yu played the piano and laughed, "there will always be such a time, don't forget to look for me!"

PEI Qiqi ran over and laid on his other side. Qianqian just lay there by his neck and his entire body tensed up.

It had been a long time since she had taken the initiative to get close to him when she was awake.

her long hair was scattered on his neck, and it was a little itchy. it was indescribably soft and beautiful.

Of course, as a man, he could also keenly sense the changes in her.

She was indeed thinner than before. She was very, very light as she lay on his shoulder.

"I'll definitely find you." PEI Qiqi said into his ear. Then, she buried herself in the ground and bit him hard!

Tang Yu's entire body went numb. He froze and couldn't react.

It was very painful, but that pain was also sweet.

so, when pei qiqi thought she was about to remember, he quickly held her down with one hand and said in a deep voice, "you want to run now?"

She was pressed down by him and couldn't move. She looked a little embarrassed.

tang xin looked at it and swallowed her saliva.

big brother is so rough!

Tang Zheng turned to look at his sister and said in a low voice, "didn't you say you wanted me to help her? let's go upstairs for a walk.

tang xin looked at it, and then, she felt that she had to do something for qiqi.

If she went upstairs obediently, Qi Qi would put down her face and beg her brother.

yes, that's it!

So, Tang Xin obediently went upstairs. PEI Qiqi almost fainted!

tang yu tilted his head, " tang xin, don't peek. "

on the stairs, tang xin moaned, and then there was the sound of footsteps running away.

pei qiqi waited for tang xin to run far away before gritting her teeth, " " tang yu, let me go. "

he let go of her, but he placed her on the piano.

The crisp and muffled sound startled her. She screamed and instinctively hugged his body.

he then let go of her, and her body fell back heavily.

he pressed her down with one hand to prevent her from getting up as he leaned over slightly. " boss pei, didn't you say that you're asking me to do this? "

She kicked him angrily. Tang Yu quickly grabbed her foot and the next second, her shoe was thrown to the ground.

those little feet are so cute, yingying.

"is this how boss pei begs for help?" he asked in a bewitching voice.

PEI Qiqi sat on the piano, looking indescribably fragile.

"PEI Qiqi, you can really beg me." He pulled her slightly, and she slid straight into his arms, falling into his arms in a very embarrassing position.

she turned her face away in embarrassment, " tang yu, don't go too far. "

He looked at her fixedly, his thin lips slightly pursed, and suddenly let go of her in a daze.

The sudden loss of warmth made her feel a little empty.

"pei qiqi, did i go too far?" tang yu said lightly. She was stunned for a moment, then looked up at him.

her back was pressed against the piano. it was very hard and uncomfortable, but she didn't dare to move!

at this moment, tang yu couldn't take any anger.

"PEI Qiqi, you've grown up!" He looked at her sorry state.

Chapter 447 Tang Yu, I love you!

she was stunned for a moment, then looked up at him.

Her back was pressed against the piano. It was hard and uncomfortable, but she didn't dare to move because she knew that if she moved, he would want her!

At this moment, Tang Yu couldn't take any anger.

“pei qiqi, you’ve grown up!” He looked at her disheveled appearance and smiled faintly. doesn’t boss PEI have a social event to attend? I won’t be seeing you out.”

She was stunned for a moment!

He’s letting her go just like that?

Tang Mo’s handsome face had a touch of mockery. boss pei, do you need it now? ”

she kicked him again with her bare foot. this time, he didn’t dodge, so she kicked yingluo.

tang yu glared at her.

She bit her lips and did not dare to speak for a long time. She only looked at his ashen face.

Tang Yu’s expression softened, ” PEI Qiqi, didn’t you say you were leaving? ”

His tone was very calm, but at that moment, it made her feel unspeakably uncomfortable.

It was as if she could feel the infinite sorrow in his heart.

Between them, they had come to this stage!

at this moment, they were right in front of each other, close at hand, but those sweet moments of the past could only be played backward like a video.

their gazes were glued together, not leaving for a moment.

after a long time, tang yu sighed, ” “PEI Qiqi urged you to leave!”

before i change my mind, leave this place-

Otherwise, I’ll want to rip your clothes off and have you on this piano.

There was a touch of warmth in her eyes as she looked at him. Her fingers trembled uncontrollably as they caressed the side of his face.

it was warm as usual.

Her fingers gently touched his face, slowly at first, but then became a little anxious as she carefully caressed it.

tang mo let her touch him for a long time before he said in a hoarse voice, ” PEI Qiqi, if you don’t plan to return to my side, then you don’t need to show me such warmth.

he suddenly put her down and held her body in place with one long leg, not allowing her to struggle.

She lay on her back helplessly and looked at the man above her.

His face was solemn, especially his jaw.

“PEI Qiqi, we don’t have to do this.” His dark eyes were bottomless as he watched her.

She felt as if she was sucked in and couldn’t move her body.

“tang yu.” her voice was weak, like a kitten meowing.

she yearned for him. she yearned for yingluo’s suppression, which almost drove her crazy.

she pretended that she didn't care, that she had nothing to do with him, that she could do it!

However, every night, her heart and body would tell her-  
she missed him!

"Tang Yu!" she called him again pitifully.

He looked at her cruelly, "PEI Qiqi, if you can't do it, then don't give me hope." &Nbsp;  
then, i will use my own method to do it.

she looked into his eyes and saw coldness.

She knew that when he was ruthless, he could be more ruthless than anyone else.

he could pamper her to the extreme, but he could also drag her down to hell directly.

pei qiqi closed her eyes, " tang yu, let me go. "

a touch of desolation flashed across his eyes. he lifted his body slightly and slowly let go of her.

after a short while, he adjusted his emotions and looked at her quietly for a while, then got up and went upstairs.

When he was halfway up the spiral staircase, he paused and turned around ...

PEI Qiqi was still half-sitting there in a daze.

tang yu said lightly, " i'll get the driver to send you later. "

Chapter 448 Tang Yu, I love you!

PEI Qiqi propped herself up and looked at him. She said numbly, " "no need, i drove here myself."

he looked at her for a moment, then spat out a few cold words, " "As you wish."

PEI Qiqi just watched him walk upstairs.

her body was still weak, and she couldn't support her standing. she slowly slipped and fell to the ground.

She didn't remember how she walked out or how she drove. She only knew that her car had driven into his grass and crushed a large patch of roses.

pei qiqi sat in the car and was a little dumbfounded.

When she reversed the car, she crushed another large area.

tang yan stood on the second floor and watched without any expression on his face. tang xin held her face, " brother, qiqi is so rude. "

After a while, she gathered up her courage and asked, "does Qi Qi also press down on brother like this?"

his mind was filled with bloody scenes. he was just a child!

but in tang yu's mind, there were only yellow pictures of men!

he couldn't tell tang xin that her qiqi didn't like to be on top.

she was lazy and usually liked to be at the bottom.

And he loved to tease her from behind.

His gaze was a little unfathomable. The reason he let her go today was because he was in a bad mood.

It wasn't that he wasn't interested, he was just angry with her.

tang xin looked up at her noble brother again, " brother, are you just going to let qiqi go? "

"She will come back!" tang yu said this and walked towards the study room.

Tang Xin immediately followed-

"brother, how did you know?"

"Tell me."

"When will Qi Qi come back?"

"Brother, is it because Qi Qi doesn't want to sleep with you naked?"

the older brother finally stopped in his tracks and turned around to look at the hot-tongued little guy."you talk too much."

Tang Xin stuck out her tongue and didn't dare to speak again. When Tang Zheng entered the study, she stuck out her tongue and pretended to be angry, " "You're so fake! Actually, I just wanted to make a bet."

tang yu had just closed the door. when he heard tang xin's words, he shook his head.

In fact, Tang Xin was right!

He did have some bad habits in some aspects, although not as good as Qingcheng. however, he had a strong interest in pei qiqi's body. even now, youyou seemed to be possessed.

.....

At 10 p.m., In a private room of a famous hotel.

Xiaowen looked at PEI Qiqi worriedly and whispered, " Boss PEI, you can't drink.

In fact, it was only a case worth one or two million Yuan. If this had happened in the past, boss PEI would not have bought it.

how dare a small company like this act arrogantly and tell boss pei that he would sign the contract after he drank this glass of wine?

Xiaowen was cursing in her heart, but she did not dare to say it out loud. After all, boss PEI needed customers now.

No matter how young he was, he still cared.

pei qiqi looked at the glass of golden brandy in front of her and her eyes went straight. then, she picked up the kasaya.

” boss pei, you’ll get drunk after drinking this glass. ” xiaowen said worriedly. her heart ached for boss pei because he was only 21 years old and had not graduated from college.

PEI Qiqi shook her head, ” little Wen, I’m fine.

Xiaowen still stepped forward. boss PEI, I’ll drink this glass on your behalf. I’ll also drink two glasses to show my sincerity.

As he spoke, he snatched the cup from PEI Qiqi’s hand and drank it all in one go.

PEI Qiqi couldn’t stop her in time and could only watch as Xiaowen finished it.

Chapter 449 Tang Yu, I love you!

At the table, the boss of the other company was probably in a good mood. He clapped his hands in satisfaction. “secretary xiaowen has a good tolerance for alcohol and is very loyal! it was really a happy thing for boss pei to have such a trusted aide! It’s such a happy occasion, we should have a drink.”

As he spoke, he silently filled the cup that Xiaowen had put down.

xiao wen wanted to take it but pei qiqi stopped her. she smiled faintly, ” let me drink! ”

she looked at the two bosses and slowly drank the wine in the glass.

“can we sign the contract now?” She instructed Xiaowen to take out the agreement and leave it there. vice president Cheng and President li won’t be using us two young ladies for fun, right? ”

In that case, the two of them couldn’t say anything, because they had agreed to sign after drinking this glass of wine.

He was just trying to make things difficult for them, but the two girls drank it without even blinking.

now, the future was truly fearsome, and it was just two little girls.

His old face tensed up, but he still signed Wuwu.

although the little girl in front of them was quite beautiful, or rather, extremely beautiful, they did not dare to touch her. they left after saying a few words.

the moment she left, pei qiqi’s body went limp. she looked at xiaowen, ” are you okay? ”

“It’s fine, I can drink a lot!” “boss pei, what about you?” xiaowen shook her head.

pei qiqi leaned back in her chair, ” “I’m going to the bathroom to puke.”

the alcohol was so strong that her stomach couldn’t take it at all. now, she felt like she was on fire.

xiaowen wanted to help her up, but pei qiqi insisted on going in alone.

He vomited so much that his stomach acid was about to come out. He then leaned against the wall and came out. Xiaowen had already asked the waiter to bring him some Hangover Tea. be careful, it’s hot. Drink a little and you’ll feel better! I’ll send you back later and cook some congee for you.”

pei qiqi drank it in small sips. her mind was still clear, ” no need. ”

although she was a little weak now, her mind was clear, especially clear.

xiaowen was worried, so she rested for a while and left at the door after seeing that she was fine.

PEI Qiqi wanted to walk for a while, but she only felt a little more comfortable when the wind blew.

In the bag she was carrying, there was a contract worth more than a million Yuan.

She thought it was a little ironic. Or rather, she had left Tang Yu. This was the reality.

She desperately drank to get a contract. The two of them were on good terms today, but she knew that the worse one would come later.

however, she had no way out.

under the streetlight in front, an elegant figure stood.

pei qiqi blinked and thought she was seeing things.

However, the person in front of her was still him and still Tang Yu.

His dark eyes locked onto hers, like a deep pool that attracted her to be dazed.

in fact, her body was also trembling slightly.

she just looked at him, looked at him, and suddenly, she turned around and ran in the other direction.

She was afraid. She was afraid that if she went over, she would never be able to bear to leave Hanhan.

After a few steps, an arm grabbed her body and pulled her into his arms.

he immediately smelled the alcohol in her mouth and frowned. ” “did you drink?”

PEI Qiqi’s body didn’t move at all. She raised her head and looked at him, her voice sharp, ” “yes, i did drink.”

suddenly, she chuckled and tilted her head. ” mr. tang, don’t you want to know why i drank? ”

his gaze deepened.

pei qiqi’s fingers trembled as she took out the contract from her bag and threw it at him, ” 1.5 million. Xiaowen and I each had a full glass of brandy.

“actually, it’s also very cost-effective!” she tilted her head as if she didn’t care, but she also looked like she was about to break down in the next second. ” i know that if i wasn’t once mr. tang’s woman, i might not be able to take this glass even if i had ten glasses. ”

Chapter 450 Tang Yu, I love you!

Tang Yu looked through the document and memorized the information. Then, he returned it to her and said in a calm tone, ” “You don’t have to drink it,”

yes, not drinking. Watch as the company's business goes bankrupt due to poor management and get acquired? " She looked into his eyes, " Tang Yu, you're born into a rich family and you've received the best education. You can get anything you want. but i'm different! You haven't experienced my life, so you don't know. A Yingying ..."

She raised her head and blinked away the tears in her eyes. how difficult is it for someone who hasn't even graduated from college to manage a company? "

"and now, thanks to you, the whole world knows that the pei family is a piece of meat in sheng yuan's mouth." She sneered. of course you don't know what it feels like to be in such a panic. You're so high and mighty, always standing at the top and looking down on everyone.

if he loved her, he would treat her like a little sweetheart, a little baby!

Now, she didn't want to be by his side. She was his enemy, and he wouldn't stop until he killed her. tang yu kept looking at her and didn't say anything.

In the early spring, the sky was very cold. In the late night, it started to rain again.

she stared at him for a long time and a bitter smile appeared on her face. she took two steps back and said in a weak voice, " tang yu, let's just leave it at that! "

she closed her eyes,"just like this."

She turned around, but he immediately hugged her from behind.

It was drizzling, and their clothes were slightly wet. It was not comfortable to hold each other like this. It was a little warm and a little damp, wet and hot.

Tang Yan buried his face in her neck, " PEI Qiqi, but I'm not willing to let you go.

At that moment, perhaps it was anger or perhaps it was because she was drunk, but PEI Qiqi's little universe exploded. She turned around and slapped her!

Tang Yu's handsome face was slapped hard. Because she used too much force, she was gasping for breath and there was a trace of fear in her eyes.

tang yu didn't care about his face. his arm was so strong that it almost broke her waist.

There was rain on his face and eyelashes, which made his eyes look even more unfathomable.

pei qiqi raised her head. her shoulders were pressed down by him and her red lips trembled, " are you going to hit me back? "

He stared at her and slowly said, " PEI Qiqi, when did I become a man who hits women in your heart? "

He had hit her once, just that one time! He had told himself that he would not be rough with her in the future.

PEI Qiqi's body trembled slightly and her lips were tightly pursed. Only the rain continued to flow down her face.

" tang yu, " she finally said in a trembling voice, " can you let me go? "

“then who’s going to let me go?” He pressed on her shoulder and said in a desolate tone, ” “pei qiqi, when you hugged me and said you loved me, did you let me go? It was never me who didn’t let you go!”

he pointed at his heart. ” you’ve always been the one who didn’t let me go! ”

he laughed coldly. ” you’re afraid, you’re worried, you’re retreating! Did you really love me? pei qiqi, tell me, do you love me?”

The raindrops hit her face, blurring her eyes. She couldn’t tell which was the rain and which was the tears.

she didn’t make a sound and just looked up.

In his heart, there were a thousand of her who loved him! but it was hard to say!

” tang yu, do you know that we won’t be happy? ” she backed away and finally broke down. with tears streaming down her face, she looked at him, ” tang yu, why did you force me? ” why?”

she hugged her head and felt very, very cold.

“I admit that I’m not brave enough!” she closed her eyes, and tears rolled down from the corners of her eyes. one by one, they rolled down her face.

those tears seemed to flow into tang yu’s heart, making him feel bitter and uncomfortable.

she raised her head slowly and looked into his eyes. she said firmly, ” but i love you! ”

there was no other love like hers-humble, weak, and looked up to!

as soon as she finished speaking, her body was pulled into a hot embrace, and then she was kissed hard ...
