

## Thank you 4491

Chapter 4491: you are my joy (7)

he huan stared at him for a while before smiling.”I suddenly feel like it’s worth it.”

“I just found out, Mrs. Qin.”

he huan’s face turned even redder. she broke free from him and walked in front of him.

It was obvious that he was a little angry.

Qin mo smiled and followed behind her. He held her hand and placed it in his palm to warm her up.

Her hands were always cold.

...

at first, he huan wanted to reject him, but she was really afraid of the cold. his palm was very hot, so she put her hand in qin mo’s pocket and held it.

qin mo smiled and also placed his hand in his pocket, holding it.

He Huan wanted to break free, but she gave up. It was very warm to put it in her pocket with him.

After that, Qin mo helped her pick out her clothes. Other than the black dress, he took all the clothes that came after and didn’t need to try them on. They were all styles that he liked. He Huan also wanted to be at ease.

after buying about ten sets, qin mo looked at he huan. ” “Are you tired?”

She hummed in agreement. I want to sit down for a while.

Qin mo looked at his watch. it's almost six. Let's eat out. I'll make a call.

The Qin family usually had dinner at 8 am. In fact, they could still make it in time, but Qin mo wanted to spend some alone time with he Huan. It was rare for him and he Huan to be like this. He really enjoyed this kind of time.

As he put his arm around her shoulder, he made a call.

yihuan will be staying in autumn garden tonight. Let's go back to the villa, okay? " he looked at her after hanging up the phone.

"Why?" he huan looked at him and asked.

qin mo held her shoulders with both hands and smiled gently. he then leaned over and whispered, " "Because I want to spend some time alone with you, Mrs. Qin. Are you satisfied with this answer?"

he huan reached out and tried to break free from him, but she couldn't. she could only passively look up at him. " we've been married for a long time. "

"We've only been married for a few days." He gently pecked her on the lips. we're newlyweds now. We should still be on our honeymoon, Mrs. Qin.

in fact, he really wanted to. during their first wedding, she called out rong yue's name on their wedding night. after that, they didn't have a honeymoon and were awkward for a long time.

This time, there was no one else between them. He hoped to go out with her. A month might not be realistic. At least, it would be eight to ten days.

he was thinking that after he huan's movie premiere, he would take her out.

now that he mentioned it so naturally, he huan was a little surprised. after a long time, she turned her face to the side and sighed softly."qin mo, i still hope that yihuan can stay by our side."

he had his own conditions, and this was probably her condition and bottom line.

it wasn't that qin mo didn't understand her, but he didn't want to do it.

“yihuan can study abroad when she's 16. qianqian doesn't need to be militarized. she's so young,” she said softly.

she tugged at his sleeve. ” even if you have any thoughts about the ye family, it's still possible. ye xiangnan is also in B city. they don't need to see each other every day. they can still grow up together. ”

Chapter 4492: you're my joy 8

qin mo's gaze landed on her face. after a long time, he asked in a low voice, ” “do you mind?”

“yes.” he huan raised her head, her eyes full of pleading. for the sake of pleasure, she lowered her posture, which was rare.

qin mo looked at her and suddenly laughed. ” “Please beg me.”

he huan was stunned. she did not expect such an answer.

qin mo continued to smile and did not say anything else. instead, he pulled her to the restaurant on the top floor.

it was also the best restaurant in B city.

...

qin mo brought he huan over and the manager immediately welcomed them. ” president qin, this way please. ”

she then led qin mo and he huan to a seat by the window. the view was especially good.

Qin mo, he Huan, pulled out a chair and sat on the other side of the table after she sat down. The waiter served the menu and Qin mo passed it to he Huan for her to take a look.

he huan glanced at him and ordered her own food. she was the one who decided on the dishes, the main course, and the desserts after the meal. the strange thing was that she knew what he liked.

“qin mo, what else do you want to eat?”

Qin mo smiled. it’s almost done. You ordered all my favorite dishes. Mrs. Qin.

he huan knew that he had a bad taste and kept calling her mrs. qin. she pretended not to know and ignored him. she picked up the appetizer and took a sip unconsciously, but she accidentally tasted the spiciness.

he huan’s little face was scrunched up, and she looked very pitiful.

qin mo held back his laughter and pushed the sweet food in front of him towards her. ” “eat something sweet to suppress it.”

He Huan ate a little with a bitter face and felt a little better. Then, she pushed her pre-meal drink to him.”you drink it.”

qin mo smiled and finished the wine in his glass. then, he looked at he huan. ” “you’re already an adult, yet you can’t even drink a bit of pre-meal wine.”

He Huan had only taken a sip, and her face was indeed red.

She looked very cute.

Qin mo looked at her as he slowly drank his pre-meal drink.

he huan’s face turned even redder.

At this time, the waiter began to serve the dishes. They were served very quickly, and the appetizer and main course were served almost one after the other.

“try the foie gras, it’s not bad,” qin mo said in a gentle voice.

” oh, ” he huan replied. she forked her fork and took a small bite. it was indeed delicious.

He Huan’s face was filled with satisfaction and joy.

Qin mo looked at her satisfied expression and felt even more satisfied than her. He forked a mouthful and sent it to her lips. “Take another bite of the Apple.”

Although he Huan felt that it was a little nauseating, she still took it. The Apple was crispy and fragrant.

After eating a piece, she felt that it was delicious and looked at Qin mo.

qin mo laughed and gave her another small piece. he huan still thought it was delicious and unknowingly, he had finished the entire portion.

After that. she was a little embarrassed. ” eat some. ”

Qin mo smiled and helped her cut the steak before starting to eat.

he huan was used to being independent and didn’t like to be taken care of by men. however, it felt good to be taken care of by a handsome man like qin mo. the women in the restaurant would be envious of him.

He Huan wasn’t a vain girl, but she still felt good at this moment.

however, she soon felt bad because she knew the person sitting at the table opposite her.

it was none other than su yiliu, who had just been banned.

Chapter 4493: You're begging me, huh? 1

He Huan's eyes darkened. Then, she lowered her head and drank her pumpkin and chestnut soup in silence.

Of course, Qin mo sensed that something was wrong with her. He looked up at the direction she was looking at before saying indifferently, " "You're not happy to see it?"

"No, I didn't," He Huan took small sips and said in a low voice, "B city is also my home. I can't control where she wants to eat."

qin mo looked at her and reached out to touch her hair gently. he smiled and said, " not bad. it feels like you've finally grown up, my little girl. "

He Huan slapped his hand away. who's your little girl? I'm not.

qin mo's voice was a little gentle, 'you weren't raised by my family? She'll be my wife when she's grown up. What was this called in ancient times?"

...

The more he spoke, the more he was being frivolous. He Huan couldn't bear to listen to it anymore. I'm going to the washroom.

qin mo smiled and let her go.

the main thing was that he huan had already eaten a lot. her appetite was not big to begin with, and qin mo thought that she was almost done.

he huan went to the washroom, and when she came out to wash her hands, she saw su yiliu.

He Huan looked outside, then retracted her gaze and gently turned on the tap to wash her hands.

Su Yiliu had already swept away the embarrassment she had in the morning and was dressed in bright clothes. After all, she was in the cold storage and still had her family and career. She would have the glory she deserved, but she could not become famous even if she wanted to.

when he huan was washing her hands, she stood beside him and said in a soft voice, ” “he huan, don’t you feel guilty being by qin mo’s side?”

he huan’s hands paused for a moment, then she asked in amusement, ” “Why should I be guilty? Did I become the third or what?”

After she finished speaking, her eyes met su Yiliu’s in the mirror.

Su Yiliu shuddered, and then she sneered, ” “don’t think that you can hold on to your position. if you can’t give birth to a boy, you’ll be abandoned by the qin family.”

He Huan lowered her eyes and smiled.”In that case, miss su can work hard now and see if she can enter the Qin family after giving birth to the child.”

her words were obviously mocking, and su yiliu couldn’t get angry even if she wanted to.

He Huan smiled, turned off the tap, and slowly dried her hands. She continued, ” miss su, even if you give birth to Qin Mo’s child, as long as I don’t want to, you will never be able to enter the Qin family. Do you believe me? ”

Su Yiliu was so angry that her whole body was shaking, while he Huan smiled and walked toward the door.

At the door, Qin mo was leaning against the wall as if he had been standing there for a long time.

He Huan was stunned.

“mrs. qin, you seem to be getting more and more confident,” he smiled.

She bit her lip.

“this is a good thing.” qin mo laughed.

Then, without looking at su Yiliu, he pulled he Huan’s hand and left.

When he returned to his seat, he helped he Huan put on her coat and left with her clothes.

of course, he huan was the one who swiped the card, and boss qin enjoyed this moment.

on the way back, they sat in the car together. he huan didn’t say anything, so qin mo smiled. ” “are you angry?”

“are you angry at you or su yiliu?” he huan asked.

he pinched her cheeks with both hands. ” “how dare you talk about mrs. qin? what did you say before? you wanted me to have a child with another woman? hmm?”

he huan’s face was in pain from his pinching. she glared at him, her eyes welling up with tears.

Chapter 4494: you’re begging me, huh? 2

fortunately, his heart ached and he quickly let go of her. then, he warned, ” “in the future, you’re not allowed to say such things, understand?”

He Huan wanted to say something, but when he saw that his expression wasn’t too good, he knew that he was actually angry.

he was angry that she had pushed him to someone else.

Her voice was a little soft. are you angry? ”

“What do you think?” Qin mo glanced at her. Both of them held the steering wheel but did not start the car immediately.

He seemed to be willing to chat with her in the car for a while.

...

He Huan knew what he was thinking, so he didn't say anything. He just lowered his head and played with his fingers.

Qin mo also lowered his head and looked at her silently. After a while, his voice was hoarse and gentle. “Do you know where you went wrong?”

“I don't know,” She glanced at him and then looked out of the window.

“you ...” qin mo sighed.

he reached out and pinched her cheek. ” “i'll teach you a lesson when we get home.”

She was not afraid of him and made a face at him. This made Qin mo laugh happily. His voice was deep and hoarse. he Huan, you haven't done this in a long time.

It was as if he had returned to his high school days.

she was just a junior high school student, and he liked he huan, a junior high school student. she was small and cute, just like her.

qin mo drove the car and it took he huan a while before she realized that they were not on the way back to the villa. she asked him, ” “where to?”

Qin mo smiled. it's still early. Let's go to the hot spring.

he huan looked at him and did not say anything.

however, an hour later, she found out that qin mo had booked a hot spring villa and was going to spend the night there.

he huan felt that it was not a good idea to be here during the new year. moreover, yihuan was still at home.

qin mo parked the car and turned to look at her. ” “Didn’t you say that you wanted to please me or beg me? instead, you’re making me have a child with another woman?”

“didn’t you want to give her the copyright or something?” he huan asked.

“that’s just hype, and the copyright is still in my hands.” Qin mo smiled and unbuckled his seat belt. He took her dress and asked her to get out of the car.

after he got out of the car, he huan followed behind him, looking very unhappy.

qin mo laughed and walked in front. he used his fingerprint to open the villa’s door.

“you bought it?” he huan glared at him.

” that’s right, ” qin mo admitted shamelessly, ” “In the future, we can come here occasionally to take a bath.”

He Huan was a little speechless. She looked at him for a long time before whispering, ” “It’s such a waste,”

as long as I’m with you, it won’t be a waste, ” he said as he turned on the light and let he Huan in.

The interior was luxuriously decorated. Qin mo must have asked someone to do it on his own. It was also in he Huan’s favorite style, so it was quite beautiful.

The interior was very warm, probably because of the hot spring.

He Huan took off her coat as soon as she entered. Qin mo took it and took off his coat and sweater. He poured her a glass of hot water and went to the hot spring to check on her.

He Huan sat there drinking water as she looked at the one-story villa. It had the style of a Hotel Villa in Lijiang. In addition to the main house, there was a large parking lot and a courtyard full of green plants.

Just as he Huan was feeling around, Qin mo walked over. the temperature of the water is just right. Let's go over.

he huan immediately turned around and looked at him.

her heart started to beat faster and faster.

Chapter 4495: You're begging me, huh?

They had been husband and wife for many years. Although they didn't spend much time together, they had all the things that should have happened.

However, they had never been in the hot spring together. In fact, they had never even taken a bath together.

that was why he huan was a little nervous.

however, qin mo did not seem to notice her nervousness. seeing that she was not moving, he immediately walked over and frowned. "what's wrong?"

He Huan shook her head. nothing.

qin mo carried her up and she was a little frightened. she quickly put her arms around his neck. "qin mo!"

...

“you look a little absent-minded.” He smiled and muttered as he walked, ” “Are you nervous, Mrs. Qin?”

He Huan was so angry that she punched him on the shoulder and glared at him.

he had clearly done it on purpose. he had long seen through it.

qin mo continued to smile. ” are you feeling better now? ”

he huan was still staring at him.

qin mo could not help but laugh, ’alright, i won’t tease you anymore. Be good. Oh right, when you’re soaking in the bath later, you can think of how to please me. ”

“i don’t want to please you.” He Huan bit her lip.

qin mo laughed softly and touched her with the tip of his nose. he said in a very low voice, ” “i don’t want to go home, okay?”

He Huan’s lips trembled a little, and her eyes were lowered. Her beauty was like that of a deer, and she was actually indescribably cute.

Qin mo could not help but reach out and touch the tip of her nose.

he huan’s nose had a few small freckles, and she looked very cute. not only did she not look old, but she also had a girlish look. with her watery eyes, she was really beautiful.

however, qin mo was very restrained. at least, he was very restrained when they were in the hot spring. he also took care of her very carefully.

He was afraid that he Huan would faint because she was not in good health.

however, this didn't include after soaking in the hot spring.

After soaking, Qin mo casually put on a bathrobe. He Huan was also prepared to wear a bathrobe, but Qin mo took the new dress he bought and said, "wear this."

"I'm going to sleep soon," he huan frowned.

"I'm wearing this because I'm going to sleep," President Qin chuckled.

he huan was half a beat slower. after a while, she whispered, "Qin mo, you're too bad."

mr. qin then laughed in a low and hoarse voice. "how am i bad?"

as he spoke, he helped her put on the black dress and gently fastened the belt.

After that, Qin Mo's gaze became a little dangerous, and his dark eyes kept on deepening.

he huan bit her lip and called out to qin mo in fear. he hugged her and kissed her while mumbling, "call me big brother."

Brother?

she looked up, her eyes were misty, and her small face was blushing because of the temperature.

Qin mo carried her and walked towards the master bedroom.

he huan bit her lips and wrapped her slender arms around his neck. she wanted to say something, but qin mo lowered his head and whispered, "Didn't you say you were going to please me?"

He Huan's face was a little red. She bit her lower lip and gently rested her head on his shoulder.

later on, the price of pleasing him was a waste of 280000 yuan in one night.

.....

The next morning, he Huan woke up in Qin Mo's arms.

When she opened her eyes, she saw his magnified handsome face and his shallow breathing.

She looked at him quietly and could not help but reach out to touch his face gently. Qin mo had also woken up at this time. He opened his eyes and looked at her with his long and narrow eyes.

He Huan's hand stopped in mid-air. After a long time, she said, " "You're awake?"

Chapter 4496: You're begging me, huh?

Qin Mo's eyes were filled with a smile. He was in a very relaxed state as he smiled."I didn't want to touch it, why aren't you moving?"

"mrs. qin, i didn't want to touch you. why aren't you moving?" he said as he held her hand.

"Qin mo," he Huan glared at him.

He smiled and let her go. Then, he lay flat. where are we going today? "

"shouldn't you be picking up yihuan?" he huan took the initiative to lean over and put her hand on his shoulder. perhaps she was not used to it, so she withdrew her hand a little.

Qin mo lowered his eyes and looked at her. He Huan put it back and said in a soft voice, " "You said it last night."

...

"we agreed on this." he huan lowered his eyes.

“I didn’t say that I didn’t want yihuan to come back, but Zhenzhen asked her to stay in autumn garden for a few more days.” Qin Mo’s voice had a hint of a smile.

He Huan mustered up the courage to look up at him.

qin mo smiled. ” it’s because i want to be alone with you. is there a problem, mrs. qin? ”

He Huan was a little clumsy again. She didn’t say anything and just turned around. She rested her head on the White pillow and drew circles on it with her slender white fingers.

qin mo walked over and hugged her gently. his breath was warm. ” what’s wrong? do you not like to hear it or do you not want to be with me? ”

He Huan was completely helpless against him. She didn’t say a word and continued to draw circles on the pillow.

Qin mo looked at her and laughed softly. “Huanhuan, you’re so cute.”

after that, they skipped breakfast and directly had yingying for lunch.

In the afternoon, Qin mo brought he Huan back to the villa. He Huan thought that she could rest, but Qin mo picked out a more formal outfit for her and changed her coat into a coat.

qin mo helped her to button up her coat. he huan saw that he had changed into a formal handmade suit and couldn’t help but ask, ” “where are we going?”

“a concert.” Qin mo purposely asked her in surprise, ” “you don’t know about kang qiao’s concert?”

this was kang qiao’s farewell concert. qin mo had received the invitation a month ago. he knew that he huan would be attending as well, but she wasn’t at the studio and her assistant was sick, so she probably didn’t notice.

so, she was surprised now. after a while, she asked softly, ” “kang qiao?”

“yeah, there will be one on the first and fifth days of the new year, but i heard there will be a surprise today.” Qin Mo’s fingers gently rubbed he Huan’s head. ” he’ll be playing the theme song ‘night general’ for ‘twin’ today. don’t you want to hear it? ”

he huan’s eyes widened, and there was some mist in them.

qin mo showed her the invitation and she saw that the organizer of the concert was KING entertainment. he huan looked at qin mo and did not say a word for a long time.

“A wedding gift, huh?” Qin mo laughed softly.

he huan was in a daze again. after a long time, she whispered, ” “Qin mo.”

“are you touched?” He smiled again and reached out to adjust her coat. alright, let’s go.

He Huan’s eyes were still misty, and she didn’t move when he pulled her away.

“What’s the matter?” Qin mo stood there and chuckled.

Chapter 4497: you’re begging me, huh? 5

he huan pursed her lips and muttered with some difficulty, ” “Qin mo.”

She didn’t finish her sentence and just kept looking at him.

Qin mo continued to smile at her and patiently waited for her to continue.

He Huan pursed her lips and looked at him with some difficulty. Finally, she said in a low voice, ” “Qin mo, let’s give it a try.”

After she finished speaking, she raised her head and looked at him seriously.

at this moment, he Huan's eyes seemed to be filled with countless stars.

...

Qin Mo stared into her eyes for a long time. Suddenly, he covered her eyes and pulled her small body into his arms.

Her eyes were so beautiful that he didn't dare to look at them.

He Huan was a little surprised by Qin Mo's sudden change of emotions and was a little embarrassed.

She was in his arms, and her soft skin leaned against the material of the suit. She could vaguely feel his body temperature. She could not see it, but she could feel it.

He could feel his heartbeat and Qin Mo's emotions.

He Huan felt a wave of emotions in her heart, and she had nowhere to put it. Her hands quietly, quietly hugged Qin Mo's waist and hugged him very tightly.

It seemed like there was never a moment when she liked him so much.

When they weren't too young, they were also at Qin Mo's best age, when he was the most mature and charming.

Unsurprisingly, they were late for the concert. When the car was parked in the parking lot of the concert hall, He Huan raised her hand to look at the time. "It's very rude to be late. Qin Mo, why don't we not go?"

Qin Mo looked at her and smiled. "We'll enter from the VIP passage and sit at the back."

He Huan looked at him. He knew what she wanted to ask, so he smiled. "It's very convenient to move around in the back."

He Huan's face turned red and she tilted her head to look at him.

Qin mo held her hand and got out of the car first. He went around to open the door for her.

he huan got out of the car and let him hold her.

She wasn't used to it before, but this time, she seemed to be very used to it.

they walked side by side in the long corridor, as if they were going to walk for a lifetime.

when he huan said that, qin mo's voice was hoarse. " "we'll keep going."

"Do you have a better choice?" he asked.

He Huan pursed her lips and finally smiled.

She leaned her head on his shoulder. Although it wasn't a very passionate action, it was still a very intimate action.

Qin mo tilted his head and looked at her. Then, he smiled and pressed his face against hers. "He Huan, don't we look like an old couple? in the future, when we're 70 or 80 years old, we'll still be like this, like an old father-in-law and an old mother-in-law."

"Probably." he huan lowered her eyes and smiled. " qin mo, won't you get tired of ran ran? "

Since he was late, Qin mo didn't care if he had more time. He stopped in his tracks and looked at her seriously.

after a long time, he shook his head. " if i don't know, why would i get tired of it?! "

the voice was almost sighing.

After that, he reached out and touched her face gently. he Huan, I'm already 40 years old. I've given you the best time of my life as a man.

he huan wanted to say something, but her lips moved. in the end, she squeezed out a sentence, " "what do you mean by" the best time for a man "? you're really shameless."

He laughed. then, do you like me for being shameless, huh? Like last night's shamelessness, do you like it?"

Chapter 4498: you're begging me, huh?

He Huan's face turned red again.

she looked up at him and called his name. " "Qin mo."

qin mo's fingers touched her face gently. " "alright, let's go in."

he huan looked at him again, then moved his hand down and gently held qin mo's hand.

Qin Mo's hand moved and his gaze landed on her face.

He was a little surprised and surprised.

...

he looked straight at her, and then the corners of his mouth curled up slightly. his fingers slowly clenched, and he held her hand in his palm.

He Huan raised her head and stared at him Xuxu.

Qin Mo's voice was hoarse. he Huan, " he said. I don't seem to have to be jealous of anyone anymore.

he had finally gotten what he had been longing for.

at this moment, he really wanted to hug her, to hold her in his arms and comfort her, but time did not allow it. his voice was low and hoarse."If we don't go in now, we're going to leave."

"So, we're going in now?" he huan smiled.

qin mo held her hand and entered through the VIP passageway. after entering, they sat in the last row.

kang qiao was playing a famous song. the sad song was like weeping and complaining, and the female audience was teary.

Even he Huan, who had a heart of stone, was staring at the stage without blinking.

After a while, Qin mo whispered in her ear, " "Why are you crying?"

" ah! " he huan exclaimed. then, she touched her face. it was dry, and there were no tears.

She was so angry that she glared at Qin mo, but he smiled indulgently.

After that, he held her hand, and he Huan naturally leaned on his shoulder. She said in a small voice, " "this is very impolite."

"Didn't I tell you? we'll be the last." he laughed and nudged her little head again. " watch the stage carefully.'night will be starting soon.' by the way, i forgot to tell you that wen yuan will be on the stage. "

he huan's eyes widened. ye mu bai doesn't mind?"

“What’s the use of minding?” president qin’s voice was a little dissatisfied. ” just like how i mind that you used rong yue’s script to film the drama and poached kang qiao. ”

as he said this, he bit her face as if he was very unwilling to give up. ” my heart is broken into pieces by you. ”

He Huan let out a soft cry of pain and covered her face. She looked at him with a complicated expression.

She looked very cute, so Qin mo took a few more bites. He Huan felt that he was really rude. He probably knew what she was thinking about at the concert hall. Qin mo reached out to hug her and said in a hoarse voice, ” “we’re in love, so everything that doesn’t make sense is reasonable.”

“You’re being unreasonable.” He Huan glared at him. you wouldn’t be saying that if someone took a picture of you.

In fact, they had been photographed by someone close to them. The moment Qin mo bit he Huan, it was photographed and uploaded on Weibo. Unfortunately, it was a big verified account and it was shared by several other big verified accounts. Hence, the hot search that night became #President Qin’s wife’s looks.

In the photo, he Huan was wearing a black wool dress with a string of Chanelle beads on the front. Her black hair was scattered over her shoulders, and her small face looked particularly fair and clean under the dim light.

When Qin mo kissed her, her eyes widened and she looked at him innocently.

His expression was so damn alluring.

Chapter 4499: you’re begging me, huh?

When Qin mo kissed her, her eyes widened and she looked at him innocently.

her expression was damn alluring.

moreover, her face was extremely small when compared to qin mo's.

this photo had gone viral. it was directly exposed on the internet and the index was 7 million +. Weibo's programmers had already started working overtime, breaking down and crying, but the people involved were completely unaware.

she looked at qin mo.

qin mo's fingers touched her face gently. " isn't it normal? "

...

This scene was captured again, and the next hot search was #How long CEO Qin's fingers are. The verified users shared it again, and in the end, they actually thought about other aspects, which made people not know whether to laugh or cry.

but he huan and qin mo didn't know. just as qin mo said, when in love, anything that didn't make sense would make sense. no one looked at their phones for the whole night. during the new year, KING entertainment's employees saw the hot search, but president qin was in love, so no one dared to disturb him. so, president qin and his wife hung it on weibo for the whole night, and the limelight was even higher than kang qiao's concert.

He Huan knew nothing.

Just as she was getting intimate with Qin mo, Kang Qiao's concert was coming to an end. The final performance was between him and Wen Yuan ...

night fell.

Wen Yuan sat in front of the piano in an ink-colored long dress, looking elegant and gentle. Kang Qiao stood beside her, watching her play the prelude. Wen Yuan looked up at him and smiled.

kang qiao also smiled warmly.

when they looked at each other, ye mu bai gritted his teeth in the audience.

That night, Wen Yuan and Kang Qiao also made it to the hot search #Kang Qiao and Wen Yuan are a good match. What kind of celestial beauty is this?

however, no matter what, it couldn't beat qin mo and he huan's hot search. they were steadily at the top and their popularity didn't drop even after a night.

It was mainly because he Huan, who was in her early 30s, had a girlish aura. It was too surprising. Photos of he Huan since she was young were also dug out. It was amazing that he Huanmei had returned.

it should be the power of love.

Moreover, her looks were no worse than top flowers and popular young flowers. She only looked more pampered.

At this moment, the cooperation between Kang Qiao and Wen Yuan continued. This was the first time in recent years that Kang Qiao had put in so much effort.

it was a beautiful scene.

It was also super melodious, the kind that could get one's ears pregnant.

He Huan was mesmerized by what he heard. She held Qin Mo's hand and whispered, "Kang Qiao is really good at playing. Qin mo, don't you think this is the best you've played in all these years?"

qin mo turned his head and looked at her. there was a small flame in his eyes and his voice was a little dangerous as he lowered his voice."do you often go to his concerts?"

No matter how stupid he Huan was, she could also hear the jealousy in his voice. She bit her lower lip. of course I do. Sometimes, when I'm in the same city, I'll go and listen to it.

When she spoke, it was rare for her to speak in such a tone. Qin mo looked at her.

He Huan's face was pressed against his arm, and she acted coquettishly, which was rare. "you're not angry about this too, are you?"

"what do you think?" Qin mo muttered, his gaze becoming gentler. He rubbed her little head. "You actually admire other men!"

his tone was slightly dissatisfied.

He Huan looked up at him and suddenly said, " "qin mo, you're so cute."

Qin mo lowered his head, 'cute? Mrs. Qin, Are you sure? I was cute last night, too. How am I cute? what did I do that made you think I was cute?"

he huan's face turned red again, but fortunately, the light was dim and she could not see it.

he was really too detestable and shameless!

Chapter 4500: I can do a lot, Mrs. Qin (1)

Qin mo chuckled and looked at Kang Qiao and Wen Yuan on the stage.

kang qiao used to be an artiste under KING entertainment, so he knew a little about his private life. he had liked wen yuan for many years, but wen yuan had lost his love for ye mu the moment he saw her.

Fate was something that could not be lacking even a little.

At this moment, the concert had also ended.

wen yuan and kang qiao thanked the audience. the scene of the handsome man and beautiful woman standing side by side excited ye mu bai. qin mo smiled and left with he huan.

Back in the car, he Huan was still immersed in the song "night general" and couldn't get out. She hugged Qin Mo's arm. "qin mo, don't you think that wen yuan and kang qiao are really a good match? even their names match."

...

qin mo was fastening his seat belt. as he did so, he looked at her quietly and smiled gently.

"What are you laughing at?" He Huan bit her lip and asked.

Qin mo reached out and pulled her hair. "if you say it in front of ye mu bai, i'll believe you."

he huan's eyes widened as she looked at him in disbelief. "qin mo, you're too evil."

"Which part is broken?" qin mo chuckled. "tell me, okay?"

"He's even worse now," he Huan bit her lip.

He laughed, looking extremely happy, and then his gaze became very gentle. "Let's go back to the apartment, okay? I'll play the zither for you."

He Huan's eyes were fixed on him. After a while, she asked, "you know how to play the zither?"

he pinched her face again. "i know a lot. mrs. qin can slowly discover it in the future."

He Huan bit her lip. I'm 32. I'm not Mrs. Qin.

"it looks very small." Qin Mo's voice was a little hoarse, "you must not know how embarrassed you look."

He didn't say anything else.

“How what?” he Huan looked at him.

qin mo’s gaze was unbelievably gentle. then, he looked at her and did not say a word.

“Keep me in suspense,” he Huan said as she glanced at him.

qin mo smiled and placed his long fingers on the steering wheel. he turned his head and looked at her. ” “let’s go home.”

The White Mulsanne started up slowly. He drove while he Huan scrolled through her phone in boredom. Then, she saw the hot search about her and Qin mo. He Huan was a little surprised and opened her eyes wide to look.

Qin mo took a moment to look at her, then smiled and asked, ” “What are you looking at?”

“it’s nothing.” he huan bit her lip.

“oh, oh.” qin mo smiled and continued to drive. he stopped at the red light in front and turned his head to look at he huan. she was still looking at her phone. her eyes were a little wide, and she looked inexplicably cute.

it seemed that she had changed a little recently.

qin mo did not disturb her and lit a cigarette for himself. he rolled down the car window and smoked while waiting for the red light. it was a beautiful posture.

However, he only smoked one cigarette to satisfy his craving. When they arrived at the apartment, he turned off the engine and let he Huan sit in the car. He got out of the car and smoked two cigarettes.

After waiting for a while, he Huan couldn’t help but roll down the car window. She rested her face on the window and looked at Qin mo.

it was a dark and cold night, but he stood there smoking without a coat.

“qin mo, aren’t you cold?” he huan couldn’t help but ask.

He stood there, wearing only a sweater on his slender body. He pinched the cigarette between his fingers, took a puff, and then walked over. I’ll be fine after this.
