

Thank you 451

Chapter 451-what should I do with you?

That kiss was as hot and scorching as his body.| It was hot.

she almost jumped up from the heat. she wanted to move, but her body was surrounded by hot iron.

He couldn't move!

he kissed her deeply, as if he was trying to melt her into his body.

PEI Qiqi, what should I do with you?

“I tortured you, I forced you, but in the end, I found that the one I tortured and forced was myself!

He had too much unwillingness, and all of it turned into a burning kiss, intense, red-faced, and heart-racing.

Her low cry was blocked by his lips.| his tongue was crushed into pieces, and he swallowed his breath.

The sound of car horns and a man's whistle could be heard all around, but those sounds seemed to come from thousands of miles away.

Their world was only left with that small world.

his domineering breath touched her, so hot and wet that she could not tell who was who.

the only sounds left were each other's breathing, panting, and heartbeats.

Her heart was so hot that it felt like it was going to jump out of her chest. They were stuck together and beating as fast as each other ...

When his lips left hers, her small mouth was slightly swollen, and she looked at him in a daze.

he was the same. his breathing was a little messy, and he was not as calm as usual.

“PEI Qiqi, you said you love me!” He suddenly grabbed her wrist and said coldly.

But his palm was so hot.

pei qiqi subconsciously wanted to pull her hand back, but he was already dragging her towards the nearest hotel.

It wasn't a top-notch hotel, but a four-star hotel to be exact. However, he didn't have the time to be so calculative.

he dragged her to the front desk, took out his wallet from his pocket, and threw it at the front desk. ”
get the best suite. ”

The receptionist was shocked. When she looked up and saw Tang Yu, she felt that he looked familiar.

After a second, she remembered ...

Oh my God, it's the president of Sheng Yuan!

But now, he was actually dragging a young lady to their hotel's karaoke room!

this little girl looked very young ...

Thus, the front desk lady's sense of justice came out. With a trembling voice, she asked, "do you have a marriage certificate?"

tang yu lowered his head and looked at pei qiqi, "she is my girlfriend."

PEI Qiqi was trapped by him and couldn't move, but she didn't make a sound.

Because it was too embarrassing!

seeing that she didn't resist, the front desk lady couldn't say anything. she took out 2000 yuan from her wallet and booked the best room. she also completed the procedures as quickly as possible.

tang yan held the room card and dragged pei qiqi into the elevator. he pushed her to the corner of the wall, used his body to block the camera and kissed her.

He didn't stop even when the elevator arrived. He hugged and kissed her all the way to the suite. He quickly swiped the door open and half-hugged and half-hugged her to the bedroom.

He threw PEI Qiqi onto the size bed. Her small, white face and long, black hair were so beautiful that it moved one's soul.

tang yu didn't immediately take her. he just stood at the head of the bed and gently unbuttoned her shirt.

pei qiqi's eyes were filled with a layer of mistiness as she looked at him.

She also yearned for him.

the fire started in the middle of the night, if it wasn't put out, both of them would feel uncomfortable.

thus, she crawled towards him like a kitten, her little hand pressing on his finger that was unbuckling his belt.

"let me do it." her voice was soft and charming, but there was also a hint of hoarseness.

Tang Yu lowered his head and looked at her. At this moment, she was submissive and was unspeakably obedient.

Chapter 452 What should I do with you?(2)

tang yu grabbed her arm and his voice was a little hoarse, "pei qiqi, are you sure?"

she knelt in front of him, and her small face only reached his waist. at this time, her face was buried, and her hair was fluffy. it was a little cute, but also a little attractive.

She looked up at him with her mouth slightly open. That dazed look simply made people want to kill her!

Tang Yu reached out his hand and gently caressed her face. He slowly said, "pei qiqi, what do you want to do to me?"

In his mind, he was imagining the last time Yingluo was drunk.

He felt his heart skip a beat. When he lowered his head again, he saw her little head ...

he groaned in embarrassment for a long time, then he grabbed her small head and pressed her into his arms.

he only rested for a while before he pressed her down and ruthlessly kissed her.

until he was exhausted!

the first ray of morning light shone into the bedroom. tang yu opened his eyes uncomfortably and saw pei qiqi wearing a bathrobe and kneeling on the sofa. she was using the hairdryer to blow her clothes dry.

she had no idea how much he had seen when she was kneeling with her back facing him and there was nothing under the bathrobe.

tang mo leaned against the bed and quietly watched her back.

He was even a little greedy, as if it had been a long time since he had been so calm with her.

There were only the two of them.

last night, she said she loved him!

Tang Yu's lips curved up and his face was gentle.

PEI Qiqi finished blowing her clothes and carefully put on her underwear. When she took off her bathrobe, she heard a soft gasp. She hugged the bathrobe and turned around.

At this moment, she was really beautiful to the extreme.

Her long black hair fell on Bo Xiao's shoulders. The morning light reflected on her young body and softened her perfect curves. She was bright and moving.

On her small melon-seed face, her misty eyes were stained with a touch of moisture. Her small lips were bright red, and at this time, she was biting her lip and mumbling,

tang yu lifted the blanket and walked straight towards him.

PEI Qiqi opened her eyes wide and looked at him. She moved her body and wanted to escape, but her legs were soft.

Finally, he came to her side and reached out to gently remove the bathrobe from her hands.

There was something deep in his dark eyes, which was a little clear but also a little unclear.

When she realized what he was trying to do, PEI Qiqi subconsciously wanted to escape. However, her small body immediately fell into his arms again.

He hugged her whole body, and he hugged her tightly.

she couldn't fight back so she closed her eyes and said with a trembling voice, " tang yu, it's been so many times. "

He moved closer to her, and his burning breath scared her.

"Then, let's do it again." he whispered into her ear, then carried her to the bathroom.

when tang yu woke up again, it was already evening.

The bedroom was very dark, and only the faint sound of the central air conditioner could be heard. his hand reached to the side, but he missed.

The blanket was also cold!

he propped himself up and looked to his side, only to see a strand of black hair on the pillow.

tang mo was startled and looked at it for a long time before a sneer appeared on his mouth.

this coward!

just as he was about to get up, pei qiqi came out of the bathroom, fully dressed.

tang yu half-leaned back and smiled, " i thought you left. "

PEI Qiqi looked at him for a while and walked over. She half-knelt in front of him and pressed her lips to his neck, " Mr. Tang, today was a beautiful day.

Chapter 453 What should I do with you?(3)

Tang Yu looked at her without saying anything.

pei qiqi's little hand patted his handsome face. then, she took out a hundred yuan from her bag and placed it on his stomach, " this is your money for the night. "

His muscular arm immediately grabbed her wrist and said unhappily, " PEI Qiqi, I'm only worth a hundred Yuan? "

from last night until today, he had served her about seven or eight times!

One hundred pieces! he didn't even get 20 yuan each time!

His dark eyes stared into hers, " PEI Qiqi, you screamed so happily. Is it only worth a hundred? "

the gifted student tang yu received an unprecedented blow!

Last night, other than the first time when she took the initiative to serve him in Xuanji, he was the one who served her the rest of the time.

He had used all sorts of methods, as long as it made her happy, he had done it!

He was so submissive that he made her happy, made her tremble, made her cry and scream.

It was only worth a hundred Yuan?

"if 100 isn't enough, then 200." she generously put down another photo and looked at him with a smile. " president tang, you have to be considerate of a small boss of a suppressed company. not everyone can be like you, spending a hundred million on whoever you want to sleep with. "

His dark eyes were still locked on her. He felt that PEI Qiqi was a little different.

"that's why i only have two hundred!" She wanted to leave after saying this but was held back by Tang Zheng.

he looked at her and said slowly, "pei qiqi, will you give me 200 yuan if i make love with you in the future?"

She was stunned for a moment.

This logic seemed to be correct, but it also seemed to be wrong somewhere.

she immediately understood and reached out to pat him. she picked up her small bag and walked to the door. "it also depends on whether i'm willing to sleep with you."

tang mo leaned back and watched her leave, but he was in a good mood.

he was in such a good mood until the customer came over and his mood became even better. pei qiqi finally remembered to order a meal for him!

to be honest, he did not force her to stay because ...

he had really overexerted himself for the entire day.

it wasn't easy for men to do it many times a night. it was normal for them to do it three or four times, but he was a little tired after doing it last night and this morning.

After a simple meal, he returned to the Rose Garden.

Tang Yu didn't expect his mother, Lin Yun, to come over and Tang Xin to still be here.

Tang Xin had always been afraid of his mother, probably because she felt a little guilty.

lin yun was sitting on the sofa, and tang xin was on the other side, pretending to read comics, but she was really nervous.

Tang Yu looked at her like this. As he walked over, he took off his jacket and threw it at Tang Xin, "take this upstairs for me.

Tang Xin responded with an "Oh", as if relieved of a heavy burden, and went upstairs with his clothes.

lin yun didn't want to make things difficult for her, but she really didn't want to see tang xin ...

When she saw Tang Xin, she would think of her unfated child.

now that tang xin went upstairs, she heaved a sigh of relief, but lin yun also felt better.

tang yu slowly walked over and sat down on the sofa next to lin yun. when he leaned against the back of the sofa, there was a slight friction between the sofa and the fabric of his clothes. the soft sound made lin yun look over.

looking at his son, he felt an indescribable sense of satisfaction between his eyebrows.

lin yun was also a woman. she understood men, especially when this man was her son. how could she not see the reason for his satisfaction?

Chapter 454 the proud little tang tang! lin yun was relieved (1)

lin yun took a sip of tea and said faintly, "you've met pei qiqi?"

Tang Yu smiled but didn't say anything. It was a silent agreement.

lin yun put down the teacup and restrained her expression. she said seriously, "i remember that sheng yuan is acquiring the pei family, right?"

Tang Yu took a sip of tea to moisten his throat. Then, he replied to his mother, "yes."

lin yun looked at his calm face and felt a little angry.

Her son had always been outstanding, but he had done all sorts of stupid things to PEI Qiqi.

Buy women! now, she had caused such a big commotion. if it was someone else, it would be fine, but it was zhao ke's daughter. this was something lin yun couldn't accept.

"tang yu, what if i tell you to break up with pei qiqi?" lin yun looked at her son and said seriously.

Tang Yu's body slowly straightened but he didn't speak.

he knew his mother very well. it was not a smart move for him to declare his position now.

lin yun continued,"there were too many people last time, so i didn't want to embarrass you." But Tang Yu, you know best what I'm thinking."

At this moment, Lin Yun had expressed her position.

Tang mo wiped his face and lay back, closing his eyes."Mom, can we not talk about this?"

"Did I ruin your good mood?" Lin Yun's voice was a little cold, "Tang Yu, others might not know, but I'm the clearest about it. Why are you doing all this?! She just wants me to pity PEI Qiqi and soften my heart."

Tang Yu smiled bitterly.

but Tang Yu, I don't care about anything else. I don't even care if I give Sheng Yuan to someone else. There's just one thing. I can't let my grandson have Zhao Ke's blood. Lin Yun closed her eyes,"I can still remember the feeling of the child flowing out of my body."

tang yu looked at his mother and said in a hoarse voice, "what if Qiqi is pregnant? do you want her to experience the feeling of having a child?"

This time, Lin Yun was angry. She glared at Tang Yu, "if you don't do anything to make her pregnant, she won't get pregnant!

she couldn't sit still anymore. she couldn't continue this conversation with tang yu.

Tang Yu smiled, "I can't help it.

no matter how good lin yun's upbringing was, it was ruined by her excellent son. for the first time, she lost her composure and picked up her bag. "i'll be leaving first. " She was afraid that if she didn't leave now, she would make a move.

Tang Yu smiled and stood up, "I'll send you.

Lin Yun was also furious. She turned her head to look at him and asked with some ridicule, "President Tang, you still have the energy to drive?"

after one day and one night, he was about to collapse!

she knew that young people didn't know how to control themselves. she also had her younger days, but ran ran was her son and zhao ke's daughter.

Thinking about it still made him feel uncomfortable.

It was rare for Tang Yu to see his mother like this.

He put one hand on Lin Yun's shoulder and picked up the car key with the other. "How could this be? I will always have the strength to serve you."

although his voice was faint, there was still a hint of coaxing.

lin yun was also a woman. to her, tang yu was the gentlest weapon in the world.

no mother would be unmoved by her son's handsomeness, so she just glanced at him indifferently. "when did you learn all this?"

He paused for a moment, "and don't think that I will let you and PEI Qiqi be together just because you are like this.

tang yu laughed, "how would i dare! Moreover, Zhenzhen Qiqi doesn't want to be with me."

qi qi looked at lin yun and sighed in her heart.

Chapter 455 The proud little Tang Tang! Lin Yun was relieved (2)

Everyone in City B knew how cruel Tang Yu was to young girls outside, but he was playing this trick on her behind her back ...

seven-seven? She called him so affectionately!

At this moment, Lin Yun's heart was touched. No matter how different Tang Yu was from Tang Zhiyuan, he was still a man.

although they were mother and son, she knew him well.

the woman that tang yu wanted, he probably wouldn't give up.

Lin Yun was conflicted. She didn't want to see her son in pain. Although Tang Yu didn't say it, she knew it was difficult for him.

sitting in the car, lin yun and tang yu were both silent. neither of them spoke.

When they were almost at Shui Yun's place, Lin Yun said, " " tang yu, mom can't help you with this. "

Tang Zheng's slender fingers on the steering wheel tightened slightly. Like his mother, the person he didn't want to hurt the most in this world was his mother.

so, he tortured pei qiqi.

That was because she was the woman he would spend the rest of his life with, and he would have a lot of time to make it up to her.

his mother, on the other hand, could only slowly heal her wounds over the long years by herself.

"i know! i can understand." he slowly stopped the car and turned to look at his mother. " mom, i don't want you to force me. "

lin yun sighed. she was so angry that she didn't have any energy.

Tang Yu got out of the car, opened the door for her and personally walked her into the lobby.

"you followed me all the way here, you must have something to say, right?" lin yun stopped and turned back.

tang yu laughed bitterly, " yes! "

After a moment of silence, he continued, " "i think you know that qiqi is not living well!"

Her birth was a tragedy in itself, but for Tang Yu, it was perfect.

it was such a coincidence.

that night, he was drunk, but he could still remember that she was covered in a thin layer of sweat. she timidly pressed her hot little lips against his.

It was raw and alluring.

lin yun's expression didn't change. she had always been indifferent, and these things couldn't move her.

In the past, she did like PEI Qiqi. However, with Zhao Ke around, Tang Xin was still like that, let alone PEI Qiqi.

She could never accept being a daughter-in-law.

" mom, i just want you to know that i'm the one who's pestering her. i'm the one who won't let her go. i'm the one who forced her to do whatever she did to me. " tang yu's voice was a little soft, " don't take your anger out on her just because she's zhao ke's daughter. "

lin yun always had a good temper. especially in front of tang yu, she never spoke loudly.

At this moment, he was a little angry, and his expression was a little cold. "Tang Yu, when have I ever vented my anger on her? if i were to vent my anger on you, then i wouldn't have the attitude i have now."

"But you went to her, didn't you?" Tang Yu smiled.

lin yun was stunned and asked, " "PEI Qiqi told you?"

tang zheng pursed his lips and his voice was a little hoarse. " no, i just understand you. "

he stepped forward and hugged lin yun. his tall and slender body was slightly bent, and he buried his face in lin yun's neck.

"Mom, I'm very sorry to have hurt you." His voice was a little hoarse.

Lin Yun was moved.

tang yu had always matured early. she almost didn't remember when he acted like this.

This was a show of weakness, but also a plea.

tang yu couldn't say it out loud, so he used this method to soften up!

lin yun's eyes reddened. it took a while for her to control herself. she hit tang yu's shoulder, " brat, your mom won't fall for that. "

tang yu leaned on her shoulder and laughed in a low voice, " mom, which one do you like? Tell me,"

Chapter 456 the proud little tang tang! lin yun was relieved (3)

Lin Yun's heart ached when she heard that. Her son was born into a rich family. Even when Tang Zhiyuan cheated on her, he never begged his father for anything.

when it was his turn to meet pei qiqi, he became like this.

He must have suffered a lot at PEI Qiqi's place!

after all, lin yun still loved her son. after a while, she spoke in a normal tone, " "i won't interfere, but i can't guarantee that your grandfather will be fine!"

she had lost her child for so many years! in fact, her hatred was not as strong as before.

however, jinrong was still lying there and might not wake up for the rest of his life. the old master would definitely not agree.

if tang yu were to force this, sheng yuan would be in a state of unrest in the future. although she and tang zhiyuan had worked hard to manage sheng yuan for more than 20 years, and tang yu had been in a tough spot for the past few years, many of the higher-ups in sheng yuan were old master lin's subordinates.

there was no benefit for yu shengyuan to fall out with the old man.

even if she didn't say anything, tang yu knew. he lazed around for a while longer, straightened up, and smiled, " of course. "

Lin Yun was a little unwilling and glared at him, " don't think that I'm giving you my blessings.

with that, she snorted and went upstairs arrogantly.

tang yu stood downstairs. after a while, he took out a cigarette and smoked.

He didn't relax, but felt guilty.

How could he not know that he had made things difficult for his mother today?

Lin Yun had hated Zhao Ke for so many years, but ran ran had given in for him today.

after tang yu finished smoking a cigarette, he called over a little girl and gave her some instructions before leaving.

When he walked out, he saw a black RV slowly driving into the courtyard. He recognized it at a glance. It was Tang Zhiyuan's car.

tang yu called the girl over, " mr. tang, have you been coming over a lot recently? "

The little girl nodded vigorously, her expression a little strange. I've been here a few times. Mr. Zhao even saw me once.

zhao yi?

tang yu smiled and waved the little girl away.

He could almost imagine how dark Tang Zhiyuan's face would be when he met Zhao Yi.

it seemed that his mother might not have the time to care about his affairs recently. it was already tiring enough to deal with the two men.

The fact that Zhao Yi came here instead of being satisfied with the company's monthly meeting meant that he had already made up his mind.

perhaps tang zhiyuan's divorce had triggered him!

This was good too! Perhaps her mother was forced by Tang Zhiyuan to the point where she had no choice but to choose what she wanted.

Tang Yu thought about it and walked towards Tang Zhiyuan.

Tang Zhiyuan's eyes fell on Tang Yu's face and he was a little surprised. After a while, he said, "why are you leaving now? It's getting late, stay for dinner!"

that tone was like that of a man's.

Tang Yu felt it was a little ironic. After being betrayed for more than 10 years, was a relationship something that could be fixed just because she wanted to?

He felt that Tang Zhiyuan had survived.

"i still have something to do later." He only refused indifferently.

He didn't want to get involved in his parents' Affairs. He believed that his mother could handle everything.

Tang Zhiyuan froze for a moment, as if he had just remembered something. Tang Yu, you should cut off all ties with PEI Qiqi. Your mother has been very troubled recently.

tang yu stopped in his tracks and a cold smile appeared on his face, "the one who annoys her has never been pei qiqi."

after saying that, he quickly left.

Tang Zhiyuan was given the cold shoulder. He reached out and touched his nose before he slowly walked into the hall.

Chapter 457-returning to the past

There was no one in the living room, and he only found out that Lin Yun was upstairs after asking the little girl.

tang zhiyuan tidied himself up and slowly went upstairs.

"he's not even as good as mr. zhao," the little girl mumbled downstairs.

moreover, she could tell that madam liked mr. zhao coming over. although there was nothing out of the ordinary, they just drank tea together and talked about buddhist scriptures and such. they were all quite good. huahua, how did talking about buddhist scriptures advance to talking about love?

Every time Mr. Tang came, he forced Madam to remarry him.

Mrs. Tang didn't want to, but Mr. Tang was thick-skinned enough to come and beg again.
she looked at him and felt that he didn't have any respect. she also looked down on tang zhiyuan.
tang zhiyuan didn't know what a little girl thought of him. he only wanted to get back together with lin yun.

he walked upstairs and pushed open her bedroom door. lin yun was lying down and resting.
she was lying with her back facing him, one hand on her waist and the other under her head.
the light green cheongsam outlined her figure very well, especially her back, which was very beautiful and charming.

Although Zhao Ke's three measurements were prominent, she was still a little loose, unlike Lin Yun's clear and indifferent expression. It seemed that she hadn't changed in all these years.

tang zhiyuan was a little moved for a moment. his heart felt warm. he gently walked over and hugged her from behind.

His warm lips touched the back of Lin Yun's neck, and he called out 'Yun Yun' with a hoarse voice.
lin yun was really tired today, and she felt like she was in a dream.

The back of her neck was kissed, and it felt a little hot and warm ...

It was very comfortable.

The long-lost feeling ignited her body. Lin Yun didn't move, letting the man behind her kiss her.
the kiss moved further down and touched her shoulder. a pair of warm palms began to unbutton her front buttons, and his fingers almost tore the buttons off in a hurry.

Tang Zhiyuan was really emotional. He hadn't hugged Lin Yun for more than ten years and he couldn't even move himself.

They had been married for more than ten years, but they had never been so excited before.

she wasn't young anymore, but her body and skin still gave people a very tight feeling. that was a body shape unique to the rules of life.

tang zhiyuan's arm was firmly wrapped around her waist. he used one hand to pull open her collar a little and his burning kiss was getting deeper and deeper.

Lin Yun felt like she was surrounded by hot water, floating up and down. She couldn't tell if it was day or night.

She didn't want to wake up either, but when the man's fingers slowly moved down, Lin Yun sobered up and called out, "zhao yi!"

These two words seemed to have thrown Tang Zhiyuan into the 18th level of hell.

when he kissed her and wanted to do that kind of thing with her, she was thinking of zhao yi.

tang zhiyuan's expression was extremely ugly. he flipped his body and pressed down on his ex-wife, who still had her charm.

Lin Yun's clothes were half undone, and her hair, which had always been tied up, was now spread out on the snow-white pillow, looking indescribably moving.

tang zhiyuan just looked at her like that. his heart was stirred and he was angry. "yunyun, what's going on between you and zhao yi?"

Lin Yun was completely awake at this time, and she also knew that she had accidentally called Zhao Yi's name.

this was good too. it also made tang zhiyuan give up on this idea.

she lay there beautifully, looking at him with a smile on her lips. "it's about what happened just now."

tang zhiyuan placed his fingers on her neck. "you did it with him?"

his eyes were a little aghast as he stared at her. as long as she admitted it, he looked like he wanted to strangle her to death.

Chapter 458-returning to the past

lin yun was still lying there indifferently. she didn't admit or deny it, but asked him back, "does it have anything to do with you? mr. tang!"

tang zhiyuan was slightly stunned. then, he started to get a little annoyed.

Yes, he was her ex-husband, not her legal husband, so she could openly flirt with Zhao Yi, right?

There was anger in his heart, so he pulled Lin Yun's clothes and kissed her crazily.

lin yun was shocked. she raised her head and broke free from his grip. she pulled his hair hard. "tang zhiyuan, you're crazy!"

He kissed her neck and said angrily, "Yes, I've gone crazy! yunyun, i'm going to make you mine today!" (what an explosive move ~~)

With a tearing sound, Lin Yun's clothes were almost torn apart. Tang Zhiyuan's eyes were red.

he yearned for her too much, and he was too afraid that yingluo would lose her.

he bit her crazily, his voice stammering, "yunyun yingluo told me that you're my yingluo."

He was afraid that Zhao Yi would chase her away. He was afraid that she would say that she had slept with Zhao Yi.

tang zhiyuan almost went crazy.

perhaps he could be with zhao ke in peace all these years because lin yun never remarried. if she did, he would have shot that man a long time ago.

He was gnawing at her like crazy, but Lin Yun pushed him away with force and slapped him.

he had used all his strength in that slap.

She slapped Tang Zhiyuan's face with a burning sensation.

He was stunned. After calling out to Yun Yun, he sat up and looked at Lin Yun.

Lin Yun sat up and leaned against the head of the bed. She looked at Tang Zhiyuan coldly. Mr. Tang, you're not drunk today, are you? "

He was a little bored. He touched his face and said in a heavy voice, "Yunyun, let's get married again, okay?"

"i didn't mean that." Lin Yun buttoned up her clothes but found that she couldn't do it anymore, because he had torn half of it.

she didn't care about the clothes anymore. she just looked at him and said in a faint voice, "zhiyuan, we're in the past. after more than ten years, i have no feelings for you. "

"is it because of zhao yi?" He asked urgently.

lin yun didn't say anything, just sitting there and looking at him.

After a long time, she sighed. Zhiyuan, you're still like when we first got married. You're still impulsive like a child.

Tang Zhiyuan's heart ached when he heard that. When he and Lin Yun first got married, he was really, really happy.

only in front of lin yun could he act like a child.

he then recalled that he was indeed the dominant one in front of zhao ke. zhao ke had once served him so gently and charmingly, while he had fallen into gentleness and abandoned the child in his heart, wanwan.

tang zhiyuan's voice was trembling. "yunyun, i'm back. do you still want me? "

lin yun leaned there quietly and said after a while, "I don't want to."

Her voice was light and firm, but it was like a small hammer pounding on his heart. It was very painful.

I can't go back, Yingluo.

He and Yunyun.

tang zhiyuan left in a daze. when the little girl closed the door, she secretly spat.

This man was scum!

the little girl went upstairs and saw that lin yun had already gotten up and changed into a set of pajamas. the light blue cheongsam had been torn so much that it was unsightly and thrown on the floor.

"Go and deal with it, don't let Mr. Zhao see it," Lin Yun said lightly.

The little girl's heart was filled with joy. She hummed in agreement, took her bag, and threw it away.

She just knew that Madam had Mr. Zhao in her heart.

lin yun stood on the balcony alone for a long time. it was impossible for her to have completely forgotten about tang zhiyuan, but she did have feelings for zhao yi!

Chapter 459-the older the wiser

PEI Qiqi's days were even worse.

With Meng Qingcheng's actions, the PEI family was on the verge of collapse.

Luckily, PEI Qiqi sold her land last time and most of the shares were in her hands. Otherwise, even if the shareholders were to argue now, she would go crazy.

xiaowen went in and out of her office countless times a day, but none of them was good news.

pei qiqi was so thin that she looked like she could be blown away by a gust of wind. also, it had been half a month since she last got together with tang yu.

actually, pei qiqi knew very well that if meng qingcheng really wanted the pei family to be destroyed, he wouldn't need to put in so much effort. he was like a cat trying to catch a mouse. he wanted her to die, but he didn't want her to die so thoroughly.

if it wasn't for her father, pei qiqi would've given up on her.

It wasn't that she was willful, but if she couldn't hold on, Yingluo was like a rookie fighting with an expert. The result was already expected.

Xiaowen stood there, feeling a little uneasy. boss PEI, our reserve funds are about to be used up.

After this incident, some shareholders requested to withdraw their shares.

PEI Qiqi felt that her father was indeed a good person. The most valuable part of the PEI family's assets was this piece of land. In the end, even though it was his private land, it was now part of the PEI family's assets.

this was the last straw that crushed her, and it could also be said that it was the last piece of driftwood that saved her ...

At least, she would be able to leave unscathed, but she would be penniless.

how could she not know what xiaowen said?

"i'll think of a way." he paused and held his forehead.

Xiaowen sighed in her heart. She had thought of everything that could be thought of. She was just short of selling it. | body.

at this moment, pei qiqi's phone rang. she picked it up and saw an unfamiliar number.

She picked it up and saw that it was Lin jinrong's mother.

her voice was gentle. " miss pei, our old master would like to see you. "

old master lin?

PEI Qiqi didn't need to think with her knees to know that this was nothing good.

thus, she pursed her lips. " what's the matter? "

no one in the lin family talked about this anymore. mother lin was probably forced to make this call. she hesitated for a moment before saying in a low voice, " "Don't worry, miss PEI. The old master won't make things difficult for you."

PEI Qiqi smiled, "Grandpa wants to see me. Of course I have to meet him." &Nbsp;

after hanging up the phone, xiaowen said nervously, " we can't go. These people think that they're rich and don't care about us. Moreover, Sheng Yuan is treating us like this. There's no need for us to go.

PEI Qiqi smiled and closed the documents on the table. She looked at Xiaowen, " you just said that the PEI family's liquid funds are all gone, right? "

xiaowen was stunned for a moment. after a while, she said, " there's no more. however, boss pei, old master lin is so old. he can be your grandfather. "

PEI Qiqi patted her on the back of the file and snorted, " "Nonsense."

Her gaze was a little distant. he's looking for me. I naturally won't return empty-handed.

"aren't you afraid that mr. tang will be angry?" xiao wen stuttered.

pei qiqi picked up her bag, " he's going to destroy the pei family. i'm not afraid of him getting angry! "

As she said that, she pinched her own face. " xiaowen, look at how much weight i've lost. i'm still afraid of him getting angry! "

xiao wen looked at pei qiqi carefully for a long time before saying, " "boss pei, why do i feel that you're acting coquettishly with mr. tang now? did you guys really break up?"

pei qiqi walked straight to the door and didn't turn back. she just said, " "What do you think?"

how would xiaowen know!

In any case, she had seen hickeys on boss PEI's neck a few days ago. It was very suspicious.

is it the rhythm of being together with mr. tang again?

pei qiqi threw her bag into the car and calmed down for a while before starting the car. she followed the address that mama lin gave her and drove to the lin residence.

The Lin residence was located in a private estate in the suburbs. Old master Lin liked peace and quiet, and had some of his old style of being a big sect, so the garden was very big, the kind that would make one lose their way.

In particular, there were two guards standing at the door, looking very majestic.

PEI Qiqi's car slowly passed through the main gate and drove straight on kapok Avenue towards the main house. She didn't expect to see Wanwan, who had to make a few turns,

after driving for about ten minutes, they arrived at an antique house. it really looked like a paradise.

PEI Qiqi stopped the car and opened the door to get out. Mama Lin was already waiting at the door with a troubled expression.

She didn't want to get involved in this kind of thing. She was Jinrong's mother and Lin Yun was Tang Yu's mother. Now that things had turned out like this, if she didn't handle it well, she wouldn't be able to see her sister-in-law anymore.

When Pei Qiqi walked over, Lin Jinrong's mother still sighed.

She was indeed a very good looking girl, a good match for Tang Yu. Too bad she was born to Zhao Ke.

Today, PEI Qiqi was wearing a pair of white slim-fit pants with a pair of leather boots. On top of that, she wore a thin sweater and a rice-colored windbreaker. She looked refreshing and a little handsome. She was different from the ones that mother Lin had seen before.

However, she had lost some weight.

"Follow me in!" Mother Lin said in a low voice.

Pei Qiqi followed behind her and saw the place where Old Master Xuanji lived. It was the same as the palace, with three entrances inside and three exits outside. The only thing missing was the palace maids and eunuchs.

Mother Lin opened the innermost door. It was actually a bedroom. Old Master Lin was sitting in front of a small table. In front of him was an incense burner, and the fragrant tea also had an unusual fragrance.

This was a place that could immediately calm people down, and it was also a place that made people feel awe.

PEI Qiqi bent over and carefully sat down opposite Grandpa Lin.

Mother Lin's lips curved up at her actions. She had never seen anyone act so casually in front of Elder Lin. Even Tang Yu and Jinrong, who doted on her the most, didn't dare to act rashly.

PEI Qiqi sat properly and looked at Grandpa Lin.

The old man was still wearing a light gray robe, which was as antique as the house ~

She merely lifted her eyelids and instructed Mother Lin, "Go out first. Stand guard outside and don't let anyone in."

Mother Lin lowered her eyes. "Yes."

That attitude was really like the *déjà vu* of a big family in the past.

However, PEI Qiqi wouldn't fall for it. She wasn't related to Grandpa Lin and didn't need to be submissive to him.

After closing the door, Old Master Lin moistened his throat in preparation for his roar.

He looked up, and his old but sharp eyes were stained with a touch of anger. "Miss Pei, do you know why I've called you here?"

"I don't know! You can tell me now." Pei Qiqi said, neither obsequious nor arrogant.

the old man had been snubbed and had wanted to strike first to give this girl a warning, but she was not afraid at all.

His old face darkened but his deliberate actions made him look extremely cute in PEI Qiqi's eyes!
