Chapter 4521: plagued by scandals (2)

After a long while, she finally spoke in a low voice. Qin mo, you're shameless.

Hearing that, he laughed in a low voice, his laughter hoarse. it's okay for my own wife to be shameless.

He Huan rolled her eyes at him again, then opened the door and got out of the car.

qin mo followed behind him. as he walked, he lit a cigarette. however, he only took two puffs before putting it out and following he huan.

She waited for him at the elevator door. She pressed the button and waited for him. When Qin mo walked over, the elevator door closed.

He lowered his head to look at her.

...

He Huan was disgusted. you just smoked. You're not allowed to kiss me.

As she spoke, she pressed against his shoulder. The more she was like this, the happier he was. He said in an especially low voice, " it's not like you've never begged me before. Have you forgotten?"

As he spoke, his tall figure was a sharp contrast to her petite figure. His eyes were also clear and bright, while he Huan was as weak as a little beast.

Her face was red, and her voice was even weaker. "Qin mo."

He smiled and reached out to stroke her little head. silly girl.

It was probably because she really looked cute.

After a long time, the elevator arrived. He Huan opened her eyes, and they were filled with stars.

the life of an old married couple was, of course, a little boring. qin mo went back home to settle some work matters. he huan took a shower and prepared to sleep. however, when it was one o'clock at night, qin mo had not returned.

She woke up, looked at the empty pillow, and then sat up.

It was dark all around, but the heater was on a little high, so the temperature was very comfortable.

however, qin mo was not around.

He Huan lifted the blanket and walked out of the bedroom in her pajamas. She found Qin mo in the study room.

the study room was filled with the smell of cigarettes. qin mo held the cigarette in one hand and was on the phone with the other.

At this moment, his face was gloomy, as if there was something that was difficult to solve.

he looked up at he huan and said a few words to the person on the phone before hanging up. he asked her, " "Why are you up?"

He Huan leaned against him and said in a low voice, " "Why aren't you sleeping?"

qin mo said in a low and hoarse voice, " something happened. "

as he spoke, he stroked her soft hair. " go to sleep first. i'll settle it. "

he huan's intuition told her that this matter was related to her, so she stubbornly looked at him and refused to go to sleep.

qin mo laughed lightly, his voice hoarse. ” “you’re not obedient?”

He Huan was still stubborn. I just don’t listen to you.

Her little appearance made him smile, and his eyebrows relaxed as if all his troubles had disappeared.

“Go to sleep. I’ll take care of everything.” Qin mo muttered.

“What happened?” he Huan bit her lip.

he thought for a while and finally decided to tell her.

He didn’t say it immediately. Instead, he chose to get a coat for her to put on and settled her down on the sofa comfortably. He opened the window again and then came back to pour her a cup of hot cocoa.

qin mo sat opposite her and pondered for a moment before whispering, ” ” there’s a problem with the release of ‘twin’. some people have said that the second female lead, ai mengmeng, has a history of taking drugs. you know that the higher-ups have zero tolerance for this, so the problem is very troublesome. ”

He Huan was also stunned for a moment. After a while, she whispered, ” “AI Mengmeng has already retired from the entertainment industry.”

Chapter 4522: Scandal-ridden (3)

but her works are still there. By right, they should all be taken down. Qin mo said rationally and objectively, ” unless we delete all her scenes now. But the problem is that it doesn’t matter if AI Mengmeng’s scenes are gone, the entire film will also be missing many scenes of other important characters.

he looked at he huan and resisted the urge to smoke. he said calmly, ” ” i’ll try my best to save my schedule.ai mengmeng’s scenes will have a huge impact on the movie and her as a person. ”

in fact, he had already removed a few trending searches today, but there would always be new ones. they were all negative news about ” twin ” and ai mengmeng. it was obvious that someone had bought them.

After Qin mo finished speaking, he Huan was stunned for a while before she calmed down. “what if the approval is rejected? what’s the final result?”

“Delay the release. But this will have a huge impact on the box office.” qin mo’s voice was a little cruel. ” literary films don’t sell in the first place. with this wave of impact, you can imagine the consequences. ”

He Huan knew it herself. She also knew how cruel this was for AI Mengmeng. It was equivalent to directly putting her on the line of ‘taking drugs’. He Huan actually knew that AI Mengmeng would never take the initiative to touch it unless she was crazy.

...

She looked at Qin mo and still hoped that he could help. After all, this was her hard work and AI Mengmeng and Rong Yue were married.

qin mo looked at her pitiful expression and smiled. ” “Mrs. Qin, it’s rare for you to show a pleading look.”

“i’m not begging.” He Huan snorted. I just think that you can help.

qin mo’s fingers held a cigarette and played with it. after a while, he whispered, ” if this was easy to handle, I wouldn’t have stayed up in the middle of the night. He Huan, when have you ever seen me like this? ”

He Huan bit her lip and looked at him.

he smiled and reached out to touch her hair. ” ” i’ll try my best. if i can’t build a good relationship with them, i’ll think of another way. by the way, do you still have the film from before? i mean, the original film that hasn’t been edited? ”

He Huan nodded. yes, I participated in the trimming too. I have one in my apartment.

“Give me a set of your keys, I’ll go get them.” Qin mo stood up.

“Qin mo, it’s already past one o’clock.” He Huan also stood up.

Qin mo smiled. it’s already January 25th. There are only 14 days left before it’s released. How long do you think it’ll take if we have to rearrange it? ”

He Huan was speechless for a moment. After a while, she said, ” “qin mo, this is too hard on you.”

he laughed, his voice a little hoarse.”this is nothing.”

although he said it lightly, he huan knew how much effort it took to edit a film. furthermore, this film was not filmed by qin mo. then, she thought of a problem and coughed lightly.”Qin mo, do you know how to do it?”

Qin mo looked at her with a trace of amusement in his eyes. “You’re asking me if I know how to?”

he huan felt that qin mo didn’t mean it that way even though she was talking about film cutting.

her face was a little red, and she pretended not to notice.

qin mo smiled, took her keys, and drove out. when he returned, he huan was still sleeping on the sofa in the study room.

He put down the things in his hands and gently picked her up and placed her on the bed in the master bedroom.

he huan woke up immediately. she opened her eyes and asked, ” “you’re back?”

he grunted in agreement and reached out to stroke her hair.”I’ll read it for a while. You sleep first.”

she remembered that he had pressed her down and kissed her. his voice was especially gentle.”Be good and sleep first.”

Chapter 4523: scandal-ridden (4)

He Huan wanted to keep him company, but she was really sleepy. Her eyes opened for a while before closing again.

qin mo accompanied her for a while before taking his things to the study.

He closed the door of the study and turned off the heater. He was only wearing a thin sweater. He sat in front of the computer, took out a thick mother strap, and imported it into Yingluo.

Qin mo had never been to a professional school, but he had gone to take his own courses, which had been about half a year.

he felt that it was not bad.

He Huan’s body would definitely not be able to handle such a heavy workload. It was also unrealistic to get staff to work overtime during the new year. Qin mo knew that this was he Huan’s hard work, so he had to do it personally.

...

in the dimly lit study room, qin mo lit a cigarette and drank his coffee. he spent the entire night and morning watching the main clip. he then watched the edited version of ” twin ” and roughly understood what he huan wanted to express.

He held a cigarette between his slender fingers, slowly smoking as he looked at the blue screen in a daze.

in the smoke, he looked at the screen and wrote something. it wasn't until 10 in the morning that he looked up with sore eyes.

he huan pushed the door open and entered. the moment she entered, she choked. ” qin mo, how many cigarettes have you smoked the entire night? ”

Qin mo took a look and smiled lightly. I think there are two packets.

he huan just glared at him.

“Why are you looking at me?” Qin mo laughed.

“Let's go find Rong Yue later,” he said to he Huan.

He Huan was puzzled. why are you looking for Rong Yue? ”

Qin mo smiled. I heard that Rong Yue wrote a documentary for AI Mengmeng. Maybe this script can be brought forward, but AI Mengmeng will have to work a little harder. You too. I hope that you will be in charge of the filming. As for the editing, leave it to me.

“you sound very professional.” he huan looked straight at him.

“Of course.” Qin mo laughed and took his coat. He did not look like he was going to wash up, but he Huan could not let him work so hard. She bit her lip and said, ” ” qin mo, you should at least take a nap. you can go in the afternoon. ”

qin mo looked at her, his eyes bright and clear. after a while, he mumbled, ” “you feel bad for mrs. qin?”

He Huan bit her lip and looked at him with a pitiful expression. Qin mo said in a low voice, ” “speak.”

he huan bit her lower lip again. after a long time, she said in a low voice, ” “i do feel a little heartache.”

qin mo looked at her for a long time before taking off his coat. he then pinched her face and said in a low voice, ” “i’ll listen to you. i’ll go after a good night’s sleep. a good man should take care of his body and give his woman happiness, right, mrs. qin?”

He Huan’s face was a little red. After a long time, she whispered, ” “Why are you bringing this up again? you’re really shameless.”

Qin mo smiled and went to the kitchen to prepare some food. After eating with her, he even asked Mrs. Qin to take a nap with him. However, he only slept for about three hours and woke up at one in the afternoon. After that, he ate a simple meal and went to Rong Yue’s place.

On the way, Secretary he called. Qin mo was driving, so he asked he Huan to pick up the call. “Answer it, it’s Secretary he. He should be talking about AI Mengmeng.”

he huan answered the call. when secretary he heard he huan’s voice, he paused for a moment before saying, ” “director he, i don’t know who’s deliberately messing with ai mengmeng, but she’s always on the hot search.”

“tell her i know.” Qin mo said calmly as he drove.

Chapter 4524: Plagued by scandals (5)

he huan looked at qin mo and asked in a low voice, ” “what do we do now?”

Qin mo did not say anything. After a while, he said softly, ” “Don’t you like a female star very much? if we expose that she had a child out of wedlock, do you think this news will overshadow AI Mengmeng’s?”

he huan knew who the female star was just by thinking about it. she was KING entertainment’s most popular female star. she was a person who dominated the hot search all year round. her clothes and bag would also be on the hot search, not to mention a topic like having a child out of wedlock.

It was a good thing that the Weibo post was not exposed.

However, he Huan still looked at Qin mo suspiciously. won't there be a negative impact? "

qin mo focused on driving and smiled. " "I forgot to tell you, she's getting married."

...

"Ah!" He Huan exclaimed.

qin mo continued, " the groom's family is rich and powerful. in fact, they have been secretly married for three years. this time, they just want to make it public. since her contract hasn't arrived yet, i can use this to do her a favor. it's not a big deal for her to be on the hot search. i'll leave this to secretary he. when 'twin' screens, she can attend the show with her rich husband. "

that would push it to the peak and drive the popularity of " twin ". it all depended on the quality of the movie.

he had some confidence that qin mo would be in charge of it personally. however, it was definitely impossible for ai mengmeng to appear as the second female lead. he was a businessman, but he couldn't be influential.

there were also some rules that had to be followed.

after he finished speaking, he huan looked at him with a strange expression."qin mo, i feel that you are very suitable to be a profiteer."

qin mo looked at her with an amused expression. " this is a profiteering merchant. He Huan, you probably haven't seen a real profiteering merchant.

she was curious.

Qin mo laughed. the ye brothers are the true profiteers.

He Huan stared at him. and you still want yihuan to marry into a profiteer's family? ”

qin mo laughed in a low voice, then whispered, ” ” in the future, ye xiangnan will definitely inherit starlight entertainment. at that time, starlight and KING entertainment can form a super body, and our yihuan will no longer have to be a profiteer! ”

Mr. Qin admitted that he was lying to his wife. King Entertainment would not work for Starlight entertainment, and neither would Starlight. Hence, Yi Huan should be the heir.

He said these words to make he Huan happy and to comfort her.

He Huan would definitely feel sorry for yihuan in the future.

However, his wife was not easy to deal with either. She said almost immediately, ” in that case, yihuan doesn't have to work hard anymore. She can grow up peacefully.

qin mo's fingers gently touched her hair and he smiled. ” “but what if they don't have feelings for each other, does that mean yi huan has to learn again? then how old do i have to work for?”

he huan only glanced at him with a pitiful expression.

Qin mo reached out and pinched her little face. His voice was low and hoarse. “so cruel?”

“you should be able to work until you're 60, right?” She still asked pitifully, feeling more distressed and happy.

Qin mo stopped the car by the side of the road and turned to look at her. but I'm 60 years old and yihuan isn't even 30 yet. She still has to take over. There's no other way.

as he said this, he huan interpreted another meaning. ” Qin mo, have you been planning to let yihuan take over the company? ”

Chapter 4525: Plagued by scandals (6)

Qin mo tilted his head and looked at he Huan. After a long time, he smiled faintly but didn't say anything. He just patted her little head.

He Huan was a little disappointed. She lowered her eyes and did not speak for a long time.

qin mo looked at the green light and started the car again. he sighed slightly. "let her grow up by our side. Studying abroad at the age of 18 is the biggest concession I can make. He Huan, none of the Qin family's heirs left the family after the age of 10.

he huan felt sad and turned her face away. after a long time, she said softly, " qin mo, i know. i just can't accept it. "

She had been very free since she was young, so it was hard for her to imagine the life that Yi Huan would have to face in the future.

was he like qin mo, restricted in many things and unable to do as he pleased?

...

he huan thought of this and suddenly asked in a low voice, " Qin mo, are you very unhappy? "

qin mo didn't say anything. his fingers on the steering wheel tightened, and then he snorted softly. " sometimes, yingluo. "

He paused for a moment before continuing in a low voice, " "The unhappiest time is when Yingluo finds out you like someone else."

At this time, he even went to find Rong Yue magnanimously because he loved he Huan, so he tolerated him.

president qin's awkward performance left he huan dumbfounded. after a long time, she came back to her senses and snorted."don't give me that, you're practically a thief crying thief."

Qin mo smiled and did not say anything else.

what he didn't tell her was that with her by his side, he would never be unhappy!

The car drove for about an hour and arrived at Rong Yue's apartment.

of course, the atmosphere was a little low, mainly because ai mengmeng had been affected by the hot search incident. she was once again tagged, even though she had left the circle.

rong yue opened the door and smiled faintly. "President Qin,"

Then, he glanced at he Huan's face. "he huan,"

ai mengmeng poured tea for them. no matter how pampered he huan was, she was still a woman. she could tell that ai mengmeng was very sad. even if she had hurt yihuan more or less in the past, he huan was innocent in some things.ai mengmeng should not be associated with these things and think too badly of ai mengmeng.

moreover, she was rong yue's wife now.

Rong Yue had always been calm, but he was always affected. He just forced himself to stay awake.

He Huan was a little worried as she watched. At first, she was worried about whether "twin" could be released. But now, she was more worried about Rong Yue and AI Mengmeng.

twin" was over, and AI Mengmeng's life was over as well. This kind of mental blow would be nailed to the pillar of shame for the rest of her life, and she couldn't escape it.

He Huan looked at Qin mo. Men were much more direct. Qin mo asked Rong Yue for the script and the two men entered the study room.

they looked very harmonious.

He Huan and AI Mengmeng were left alone in the living room. The atmosphere was a little strange. AI Mengmeng's eyes were slightly red. "I'm sorry, director he, I've caused you trouble."

"You're not the trouble." He Huan said casually, then looked at AI Mengmeng. "You should know who it is. Why don't you say it?"

Her tone was gentle, but it gave AI Mengmeng a lot of pressure.

she didn't dare to say it out loud because she cherished her relationship with Rong Yue. she was afraid that her only happiness would be taken away if she said it out loud. therefore, she was very careful and didn't dare to.

Chapter 4526: Plagued by scandals (7)

actually, he Huan didn't expect AI Mengmeng to say it. she was just saying it casually. if AI Mengmeng wanted to say it, she would have said it a long time ago. she didn't want to force her.

After that, they didn't talk much and just drank tea.

the matter was done by the man.

Qin Mo spent the entire afternoon deciding to shoot a short documentary about five minutes long. AI Mengmeng would be the actress. Actually, it wasn't. It was just a replay of the experience.

Qin Mo walked out with the script in his hand. He stood in the living room for a moment before saying, "Pack up, we'll take a private plane to the border tonight."

He Huan looked at him.

...

Qin mo smiled. that's AI Mengmeng's hometown. We'll shoot there. When we return to B city, we only need to do a few more shots. This is a self-narration and the best way to clear AI Mengmeng's name. Also, AI Mengmeng only has one chance.

He Huan looked at him and was surprised. She almost felt like crying.

In fact, Qin mo had done things that he usually disdained for her.

Suddenly, she felt touched. An indescribable feeling rose in her heart. She wanted to express something to him, but now that there was someone else around, he Huan could only suppress her thoughts and just look at him.

qin mo could roughly guess what she was thinking. he also looked at her quietly for a while and smiled.

He Huan's face suddenly turned red.

qin mo turned his head. "let's go back and pack up. we'll meet at the airport at 8 pm."

as he spoke, he was about to leave with he huan when rong yue stopped him. "president qin,"

Qin mo turned his head.

"Thank you," said Rong Yue in a slightly hoarse voice.

Qin mo replied indifferently, "you don't have to thank me. The conditions there are a little tough. I've brought some backup medicine.

After he finished speaking, he left with he Huan.

After they got into the car, Qin mo was about to start the car when he Huan held his arm and said softly, "Qin mo, thank you."

“What’s going on?” qin mo smiled. ” thank me one by one. ”

he huan continued to look at him without saying a word.

Qin mo pinched her cheeks and said, ” he Huan, don’t forget that I’m your husband. It’s my duty to do anything for you. Isn’t that what married couples do? ”

he huan was a little embarrassed. after a long time, she leaned over and pressed her face against his arm.

Qin mo lowered his head and looked at her gently.

just like that, they spent about ten minutes alone before qin mo started the car.

It was already six O ‘clock in the afternoon when he parked his car in front of the apartment building. The sky was getting dark.

when they returned home, they had a simple meal. after that, qin mo made arrangements and he huan packed their luggage.

he huan was fine by herself, but this was the first time she was helping qin mo pack. she opened his wardrobe and took out two sets of clothes and a coat. she did the same for herself.

Qin mo spoke on the phone, ” ” i only need one coat. there’s not enough space in the suitcase. besides, i’ll be back in a few days. ”

Oh, ” he Huan replied and took out his coat. Qin mo continued to make the call and prepared some common medicine and other things. He Huan looked at him and felt that she was a little idiot.

After Qin mo hung up, he passed the phone to he Huan and squatted down to close his luggage.

He stood up, looked at he Huan, and sighed softly. “i’m just afraid that you won’t be able to adapt there. the environment is very difficult, even though it’s only five days.”

Chapter 4527: The game of the rich (1)

Qin mo looked at her and gently ruffled her hair. His voice was even lower as he said, " the main thing is that your body isn't in good condition right now. If it was in the past, I wouldn't have been worried.

He Huan shook her head,"I'm much better now, huhu."

however, she coughed as soon as she finished speaking.

qin mo looked at her. " you still say it's okay? look at shield's delicate face. "

"where did i get that?" He Huan pursed her lips and looked at him.

Qin mo took the scarf and gloves from the side and helped her put them on. One by one, she looked very tight.

...

When they left, it was 6:40 pm. Qin mo took the express lane and drove to the airport.

In the car, he Huan asked him,"can we rent the equipment and other things locally?"

it was too slow to transport it by car now. it would take about two days on the road, so they definitely wouldn't make it. she was afraid that there were no rental stores in the local area.

Qin mo held the steering wheel and said calmly, " don't worry, all the equipment will be sent over on a private plane. King Entertainment's best team will also be there. We're just short of a director.

of course, he had also brought the editing equipment with him so that he could work when he huan was filming.

the environment might not be good, but it would only last for a few days.

After this, everything would be fine.

Qin Mo's car stopped at the airport. He stretched out his hand and held he Huan's finger. Then, he opened the door and got out of the car. take your bag. I'll carry my luggage.

"oh," he huan replied. she took a large bag, which was also for work. there were very few ordinary daily necessities.

Before he boarded the plane, Qin mo received a call. He Huan was waiting for him at the boarding gate.

she saw that his face was a little serious, so she asked him softly, "What's the matter, Qin mowei?"

qin mo's voice was a little low. "aijia's new film is also scheduled for 214. and it's a commercial film."

As the president of King Entertainment, he was the president of King Entertainment. Of course, she knew about this film, but the female lead wasn't AI Jia.

qin mo said that he got it and looked at he huan.

He knew that she had heard him, so he just smiled and said, "let's go," he said.

He Huan caught up with him and asked in a low voice, "she did it on purpose, didn't she? she was the one who made AI Mengmeng's name on the hot search, wasn't she?"

Qin mo looked at her and smiled after a while. that's not important.

"Then what's important?" he Huan immediately asked.

"the most important thing is to do your own thing." Qin mo held her hand tightly.

rong yue and ai mengmeng also came over. rong yue's expression was very bad, while ai mengmeng looked worried. "rongyue, i can go by myself. you don't have to follow me."

Qin mo walked over and raised his hand to look at the time. "let's go together, it's getting late."

AI Mengmeng wanted to say something but stopped. Rong Yue held her hand tightly and lowered his voice. "Let's go. It'll only be suspicious if I stay."

This was not only a reshoot, but also a trade secret.

In the end, the group boarded the private plane and soon took off to a certain border area.

The private plane stopped at the airport, and then they changed to a helicopter to take a walk inside.

The location was remote. When the helicopter landed, he Huan looked around in disbelief. That small house was a hotel?

He Huan looked at Qin mo, who shrugged his shoulders. "It's a hotel, no mistake."

the poor director he used to film urban literary films, and the shooting locations were not bad. he had never been to such a place.

Chapter 4528: The game of the rich (2)

She looked at him in a daze.

Qin mo laughed in a low voice. if you're afraid of bugs at night, you can sleep on my body.

"i'm not afraid." He Huan snorted and followed Qin mo to check in. There were about seven or eight people in the group, and Qin mo was the leader.

it was already 10 o'clock at night. after getting the room card, he said, " it's getting late. Everyone should rest early. We'll wake up at six in the morning tomorrow.

this routine was a little strict, but there was no other way. time was tight.

Qin mo took the room card and dragged his luggage along. He brought his pet to their room. It was already the best but it was still simple and crude.

...

It was too shabby.

After he Huan entered the room, she was dumbfounded. She had never stayed in a room like this.

it was a large white bed made of wood, the kind that would fall apart if one was not careful. half of the curtains had fallen down and were covered in dust. the floor looked as if it had been bitten by rats and had countless holes.

he huan looked at him and tilted her head to look at qin mo.

qin mo smiled,"i've stayed in worse places before." It's not that easy to be the heir."

"Then, does yihuan have to be like this in the future?" he Huan was still being cheeky.

It was hard for her to imagine that yihuan, a little princess, would one day live in a worse place than this. She was stunned for a moment.

Qin mo smiled. girls don't need that. They just need to be a female president.

he ruffled her hair,"actually, if you want her to be more relaxed, there's another way, and that's yingluo."

he paused for a moment. he huan looked at him. " what is it? "

“a playmate.” Qin Mo’s voice was almost like a sigh,”or rather, it’s Ye Xiang Nan’s spare tire.” If yihuan and ye xiangnan don’t like each other in the future, this is the only way to stop yihuan from suffering.”

he huan looked at her husband and felt as if her world view had been shattered. what’s the difference between her and a child bride? ”

“Of course there is a difference.” qin mo’s voice carried a hint of indifference. ” the other party’s family background can’t be bad. ”

She was at least a child from a family with a net worth of hundreds of millions. However, compared to King Entertainment’s net worth of hundreds of billions, there was still a huge difference. Qin mo had already found a suitable candidate and he was just short of bringing her home. If yihuan was raised in the ye family, then this candidate was not needed and could not exist.

He Huan opened her eyes and looked at him in disbelief.

Qin Mo’s fingers gently caressed her face. I’ve already chosen the candidate. She’s four years older than yihuan and the same age as ye xiangnan.

her aptitude was top-notch, so her appearance was naturally top-notch.

He Huan held her face and said in confusion, ” “Qin mo, how can you do this?”

“Why can’t I?” Qin mo turned on the air conditioner and took off his coat. His voice was almost cruel.”This kind of thing isn’t uncommon in the rich and powerful.”

“but this isn’t good,” he huan’s voice was weak.

there’s nothing bad about it. He’ll become the Vice President of King Entertainment when he’s 25. If he can’t do it, he’ll be abandoned. Qin Mo’s voice was cold,”of course, all these years of hard work, Zhenzhen.”

Before he could speak, he Huan said, ” ” qin mo, don’t say anymore. it’s too cruel. ”

“This is the game of the rich. We must comply.” qin mo gave a faint smile.

“Will yihuan agree?” he Huan asked in a low voice after being stunned for a while.

“she won’t know.” Qin mo spoke indifferently.

Chapter 4529: The game of the rich (3)

Qin mo stretched out his hand and gently pinched her small face. His voice was low. when I’m done with this, I’ll bring that child back to B city to show you. You’ll like her.

then, she said gently, ” go and take a shower. ”

however, he huan was unwilling. ” what’s the use of me liking him? it’s up to huan to like him. ”

qin mo simply carried her up. ” take a shower and go to bed early. we’ll talk about this tomorrow. ”

However, after he carried her into the bathroom, he realized that the bathroom was not a bathroom. There was only a hole in it.

And it was not a very clean pit.

...

not only he huan, even qin mo was stunned.

the two of them were stunned for a long time before he huan turned his neck. ” qin mo, are you sure you’ve lived in a worse place? ”

Did the definition of worse mean that there wasn’t even a pit?

Qin mo was also a little speechless. He sighed, ” “I’ll go ask if there are any better rooms.”

He Huan’s voice was like a little lamb.”you already asked for the best room, have you forgotten?”

even qin mo was a little speechless. after a while, he whispered, ” “So, that’s it?”

He reached out and carried her back to the bedroom. After thinking for a while, he said, ” then I’ll go down and get two hot water bottles and a basin. We have to wash it.

when he said that, he huan’s face turned red. then, she looked at qin mo.

He smiled and went downstairs.

As soon as he left, he also took away the only sense of luxury in the room. He Huan also noticed that the white bed sheet was actually beige in color. There was a strange color on it. Honestly, she definitely couldn’t lie down on it, and she jumped up as if she was jumping.

then, he huan stared at the black cockroach on the bed. there was an unspeakable fear in her eyes. before she could regain her senses, she shrieked,

Qin mo came up in about half a minute. When he opened the door, he saw he Huan crawling on a broken chair, staring at the big bed. On the bed, there was a black little cockroach.

Qin mo smiled and walked over to flick the cockroach off. He opened the window and threw it out.

As soon as he opened the window, he Huan felt cold. Although they were in Yunnan, it was still very cold and humid.

when the window was opened, it was as if a lot of fog had drifted in, and he huan felt a little cold.

qin mo immediately closed the window and turned around. he pulled her into his arms and rubbed his head. ” “You’re so timid and afraid of the cold. I really shouldn’t have brought you here.”

how can we film if we don't bring them here? don't tell me you know how to do it? " he huan complained in a low voice.

qin mo's eyes lit up and he kissed her on the cheek. he said with a deeper meaning, " "I can do a lot. I've told Mrs. Qin before."

He Huan said pitifully, " I don't believe you will.

Qin mo smiled and carried he Huan into the bathroom. Although it was really painful to look at the Big Hole, he Huan had no choice but to brush her teeth and wash up.

after she was done, she went back to the bedroom and stood there, not knowing when she should sleep.

Qin mo turned around after soaking his feet and looked at he Huan. "I'll lay it out with my coat. You definitely won't be used to it."

as he said that, he pinched her face and said in a low voice, " you're being a little pretentious! "

He took his coat from his luggage and laid it out carefully. Then, he looked at her. "Come here."

he huan babbled. she had already changed into her pajamas. she carefully crawled over and lay down. other than the faint smell of sunlight on his clothes, it smelled good and made her feel at ease.

she lay on the coat and qin mo looked at her. in fact, he felt a little disgusted in his heart. that was why he lay down with his coat on. after lying down, he could still smell a bad smell, which made him feel disgusted.

He Huan raised her eyes and looked at him eagerly. your face seems to be stinky. I thought you were used to it.

qin mo simply couldn't take it anymore. he reached out and patted the back of her head."That was 20 years ago,"

He Huan laughed evilly. Then, she moved her little head like a small animal and snuggled into his arms, soft and obedient.

Just when he thought she would say something soft, he Huan's voice was soft and alluring. "So, you've been living in luxury all these years, right?"

"Huanhuan," It was rare for him to call her that, but every time he called her that, it meant that he was going to exercise his right as an older brother. He Huan had to call her that when she was young.

...

However, this brother had always had bad intentions since he was young and had a strong desire for her.

now that he called her like this, she was stunned. she looked at him helplessly, not knowing what he was going to do to her.

"are you itching for a beating again?" qin mo pinched her face.

as he said that, he used a little force. the poor he huan's face was deformed as she looked at him pitifully.

Qin mo laughed. call me brother so that I can spare you, you heartless little thing.

he huan cried out in pain.

He was too despicable.

The little bun frowned and glared at him.

“I’ll let you go if you scream.” Under such harsh conditions, he could still joke with her and relax.

Tears welled up in he Huan’s eyes. She was bullied by him.

she didn’t want to give in, but it was too painful, so she could only call out to her brother with tears in her eyes.

Qin mo smiled in satisfaction and let her go. Then, he swept her into his arms and moved closer to his coat. He Huan also moved with him and said softly, ” “Be careful of your schemes.”

He was still smiling, and he lowered his head to kiss her face.”time to sleep.”

as he said that, he pulled the blanket over and covered himself with it while suppressing his disgust.

he huan was also quite speechless. she could only bury her little face in his arms.

they were not the only ones who were destined to have a hard night’s sleep. rong yue and ai mengmeng were also destined to have a hard time sleeping.

AI Mengmeng had grown up here since she was a child. In fact, she could still bear it because the house she used to live in was even worse than this. However, Rong Yue was not used to it. Although he was not born into a rich family, the living conditions here were still unexpectedly simple for him.

his expression hurt ai mengmeng a little, and she said in a low and hoarse voice, ” “Rongyue, do you think this place is very bad?”

rong yue looked at her and sighed softly. then, he touched her small head. ” nothing happened. ”

his health wasn’t too good, and in such an environment, it was indeed difficult for him. however, this difficult situation was also for ai mengmeng. a good man should do anything for a woman.

However, even though he said that, he still couldn’t fall asleep at night and tossed and turned.

In the morning, Rong Yue had a slight fever. However, he knew in his heart and pretended that nothing had happened. He took his medicine and got up. Everyone gathered on the bus downstairs. Breakfast was biscuits and bread because he really could not eat the food here.

The location of the harvest was AI Mengmeng's old home. The car drove into the difficult mountain road and stopped two hours later. He Huan almost vomited from the shaking in the car.
