

## Thank you 4591

### Chapter 4591: shameless, shameless (2)

in just one night, the number of comments about he huan reached a shocking amount of more than one billion. he huan was originally very low-key and only had about eight million followers on weibo. in an instant, she had shot up to a huge number of 20 million, which was equivalent to a popular celebrity. moreover, most of them were fans of her looks and not because of her talent.

at the same time, at the premiere of "twin".

He Huan and Qin mo were walking on the red carpet. The weather was a little cold, but he Huan still wore an evening gown today.

chanelle was wearing a classic black dress with a strap-top, revealing her fair skin and beautiful curves. she only wore a single diamond on her neck. the waist of the dress was tight, and the lower hem was loose. she was dressed in white and black, and with her perfect face, she looked like a little fairy.

he huan gave off the feeling of being pampered. she was 33 years old, but she looked like she was only 23 years old. this made the outstanding qin mo beside her look even more mature and steady.

shen ting followed them on the red carpet and stood on either side of he huan.

...

he huan's hand was holding qin mo's arm while the other was holding shen ting's hand. while everyone was discussing the origins of this good-looking boy, qin mo had introduced shen ting to the public in a public manner.

This was also a form of pressure, but also a form of tacit consent.

Shen ting was already a member of the Qin family. He could come and go with Qin mo at any time, so his status was naturally high.

At that moment, the three of them stood in front of the signature board and took the first photo. Of course, they later took a family photo and published it on King weekly. There was also a photo of Shen ting and Yi Huan sitting alone on the sofa.

yes, like brothers.

And now, the photo of the three of them was quickly posted on Weibo.

#A family of three with godly looks

#He Huan is a winner in life

in short, shen ting became popular all of a sudden. there were even star scouts who had ideas about him. however, when they thought about how he was personally brought up by qin mo, they would not take the path of a celebrity.

he huan and qin mo finished walking the red carpet and accepted an exclusive interview. shen ting was also at the side, and he performed exceptionally well. he was outstanding and generous, and his aura was no less than that of the qin he couple.

After the interview, they entered the hall. As they walked, he Huan asked Qin mo, ” “rong yue and ai mengmeng didn’t seem to come.”

then, she said with some worry, ” “I’m a little worried about AI Mengmeng. Will she not come? today, her negative news has been brought up again. It’s been quietly hanging on the hot search for more than 30 years. I’m afraid that she’ll be traumatized and won’t dare to come out.”

qin mo looked at her. ” you’re the one who brought her down from the hot searches, right? mrs. qin, you really love ai mengmeng. ”

he huan snorted softly,”you’re the one who’s in true love.”

she regretted it the moment she said it. such an unconscious sentence had simply given qin mo an advantage.

hence, she glared at him.

Qin mo laughed, "that's right, I'm your true love."

he huan was speechless. she took out her phone from her bag and called rong yue. however, after two minutes, no one picked up. he huan was a little worried and looked at qin mo. "He's not really not coming, is he?"

Qin mo continued to smile. he will.

"so you know? are you really that good?" he huan asked.

qin mo didn't say anything and only looked at he huan with a meaningful gaze.

he huan's face turned red.

Qin mo laughed again and said in an extremely detestable manner, "Blushing so frequently, you really look like a little girl."

#### Chapter 4592: Shameless, shameless (3)

qin mo laughed again and said in an extremely detestable manner, "blushing so frequently, you really look like a little girl."

"do you think your auntie is a little girl?" she turned around and looked at shen ting.

How could Shen ting interrupt her? he pursed his lips and didn't say anything, only smiling.

Qin mo was in a good mood and held one in each hand. "go sit and wait, there's still some time before the premiere."

as he walked with his arm around he huan's shoulder, she couldn't help but look up."why aren't you worried at all?"

qin mo looked at her for a while before he laughed softly. " " what's there for me to worry about? this is ai mengmeng's life, rongyue's wife's life, not my wife's. it's up to you whether you come or not. "

...

He Huan was a little shocked. She bit her lip and said softly, " "That's not right. You've put in so much effort. If AI Mengmeng doesn't come, wouldn't it be a waste?"

qin mo knocked her on the head. " "Why are you so silly? Think about it carefully. I did it, I did it. It's her loss not to come, not mine, right?"

he huan was shocked by his reasoning. she nodded. " yes, yes, yes. you're right. "

Qin mo pinched her little nose. "of course i'm right, so you have to listen to me."

He Huan snorted.

these sweet and playful scenes were portrayed in the reporters 'cameras and became the hot search again and again.

just an hour before the premiere, in rong yue's high-class apartment, he was holding a book in his hand and looking at his wife gently.

AI Mengmeng was sitting on the sofa watching TV, but he knew that she was distracted because her eyes were out of focus.

after a while, he asked her gently, " have you decided not to go? "

AI Mengmeng nodded. I'm just a supporting character. I'm not even a character. I won't be going.

after she finished speaking, rong yue didn't say anything for a long time.ai mengmeng couldn't help but turn to look at him."You can actually go."

Rong Yue smiled gently. why should I go if you're not going? "

as he said that, he lowered his head and continued reading his book in a calm and composed manner.

ai mengmeng pretended to continue watching the television, but after a while, she couldn't help but ask,"Why didn't you try to persuade me?"

rong yue was very indifferent and smiled slightly. " "convince what?"

"To convince me to go to the premiere," AI Mengmeng replied after a moment of hesitation.

after she finished speaking, rong yue let out a long " oh " and then lowered his head to concentrate on his book.

AI Mengmeng couldn't wait any longer, so she moved over and said softly, " "You really don't want to?"

Rong Yue hummed again.

ai mengmeng couldn't hold it in anymore. " the higher-ups made me sound really bad. "

rong yue finally put down the book in his hand and looked at her quietly. his voice was very slow and gentle."Mengmeng, no matter what the outside world says, I'll bear the burden and face it with you."

ai mengmeng was a little touched. she bit her lip and said guiltily,"Rongyue, I'm sorry. I've implicated you."

He smiled faintly, then thought for a moment and said, " "by the way, i had someone buy a piece of land in the countryside two days ago."

His sudden change of topic surprised AI Mengmeng, so she asked him, "what are you buying land for?"

Rong Yue said very naturally, " "We'll build a house and rear some chickens, ducks, fish, and meat. It'll just be the two of us living together. We won't meet outsiders, use cell phones, and don't have any children. We'll reduce our contact with the outside world. This way, we can stand aloof from the world and no one can harm us no matter what they say, right?"

Rong Yue said very naturally, " "we'll build a house and rear some chickens, ducks, fish, and meat. it'll just be the two of us living together. we won't meet outsiders, use cell phones, and don't have any children. we'll reduce our contact with the outside world. this way, we can stand aloof from the world and no one can harm us no matter what they say, right?"

AI Mengmeng looked at him, her eyes and expression a little dazed. After a long while, she said softly, why does this sound so strange to me? rongyue, are you mocking me? "

She had always thought that he would avoid her question. Who knew that not only did Rong Yue not avoid her question, but he also said in a very straightforward manner, " "Yeah, at least he's not too stupid."

She always thought that he was going to be angry, but Rong Yue lowered his head and continued reading his book.

ai mengmeng was especially agitated. she couldn't help but go over and pull his arm. "You actually want me to pass, don't you?"

rong yue snorted softly again as a reply to her.

...

ai mengmeng looked at him and finally couldn't help but ask softly, "Would you be happy if I went?"

Rong Yue looked up at her. His eyes were focused and quiet. After a long time, he said in a low voice, " "if you're going, it's for yourself."

"Can't you say something nice?" AI Mengmeng was a little unhappy.

Rong Yue smiled, and his smile was gentle.

He had always been a gentle man, and when she was like this, he looked at Yingluo gently.

ai mengmeng didn't say anything and just looked at him.

After a long time, she finally spoke. alright then. I'll go. Otherwise, people will say that I'm going to hide for the rest of my life.

rong yue smiled even more gently and closed the book in his hand. " i didn't say that. alright, since we've decided to set off, let's change our clothes and leave now? "

he got up, and ai mengmeng grabbed his arm. " rongyue, did you know that i would go? "

He stood there with his head lowered, and his eyes met hers. Then, he smiled."i know you're not satisfied either."

with that, he went to change his clothes, while ai mengmeng sat in her original spot and mumbled,"It's that simple."

rong yue probably heard it as his voice came from the direction of the changing room. " " it's always so simple. life is actually very simple. black and white, yes and no, there's no need to be so vague. if it's always like that, it's too tiring to live. "

AI Mengmeng couldn't help but retort. you make it sound so easy. It's as if everything is so simple. Then, you'll be the one to take out all the trash in the house.

Rong Yue had already changed into a new set of clothes and came out with an easy-going smile. I say, you're just too muddle-headed. You can't even sort out trash properly. It's a waste to live in this world, Yingluo.

"Food, or air?" ai mengmeng asked angrily. she had already forgotten what he had said earlier.

rong yue was still smiling gently. after a while, he said, " "It's Rong Yue."

if you're so stupid, won't you be wasting such a good rong yue?

AI Mengmeng savored the taste and felt that her husband was unrivaled in his shamelessness.

he didn't seem to be like this in the past.

She stepped forward and tugged on his tie."what made mr. rong so shameless?"

rong yue patted her hand lightly and then smiled gently. " "aren't all married men like this?"

Chapter 4594: Shameless, shameless (5)

AI Mengmeng was speechless when he said that.

"i'm going to change," she said, biting her lip.

she had only taken one step when her wrist was caught by rong yue. furthermore, it was a rare strong grab.

AI Mengmeng was stunned for a moment, then looked at him in a daze.

"It's fine as long as it's appropriate," Rong Yue's voice was even lower.

AI Mengmeng bit her lower lip and nodded.

...

she went to change into a wool dress with a coat on the outside. it was very simple and appropriate.

Rong Yue drove his own car, and AI Mengmeng sat beside him. She didn't make a sound and would occasionally scroll through Weibo.

as rong yue drove, he said in a very low voice, " " if i were you, i wouldn't be scrolling through weibo at this time. there must be an article trying to provoke you on it. "

AI Mengmeng put down her phone and looked at Rong Yue. "How did you know?"

Rong Yue's voice was especially low as he drove. because I'm not as stupid as you.

after he finished speaking, he even looked at her with a doting gaze.

When AI Mengmeng met his gaze, she placed both her hands on her knees, looking a little restrained.

"Why me?" she asked in a low voice after a long time.

why not? " Rong Yue sighed as he drove. why not you? "

ai mengmeng's lips moved slightly, and her voice lowered."rongyue, i don't actually have any good points."

"you do." Rong Yue said with certainty.

AI Mengmeng let out an " ah " and looked at him in disbelief.

"you're pretty," said rong yue with a smile.

AI Mengmeng was stunned, and her voice was especially low.”is this considered an advantage?”

Rong Yue chuckled. for a husband, yes.

AI Mengmeng was speechless. She looked at the road in front of her and didn’t say anything.

Rong Yue had always been very calm and did not make a sound.

In the end, AI Mengmeng couldn’t help but say, ” Weibo said that I didn’t dare to come out, like a turtle hiding in its shell.

“well, sometimes, a little.” rong yue actually nodded in agreement.

AI Mengmeng was so angry that she glared at him.”i’m out, okay? I’m not hiding.”

Rong Yue just smiled, and his smile was extremely forgiving.

After about 20 minutes, his car stopped in front of the red carpet for the premiere, which caused a commotion.

on the one hand, ai mengmeng was the female lead in the storm. on the other hand, it was also because of rong yue’s own halo. rong yue was now the hottest young screenwriter and was especially good-looking. he even had some rumors with he huan. however, no one expected such an upright character to marry ai mengmeng.

Now that they had appeared openly, with Rong Yue holding AI Mengmeng’s hand, he would not alienate her because of her past. It was just as he had said, they were husband and wife.

husband and wife share honor and disgrace together. they are one.

for example, right now, under so many eyes and cameras, ai mengmeng was actually a little timid. she even wanted to retreat, but rong yue would not allow her to retreat.

his hand was holding her hand tightly, not giving her a chance to break free.

He smiled at the media and looked at AI Mengmeng with a gentle gaze, as if she was the only one in the world.

Slowly, AI Mengmeng's heart settled down. She even started to smile.

that was a smile that would only appear when one was being accepted and loved by a man. it was a smile that would only appear after one was happy.

rong yue held her hand and said in a low voice, " "isn't that good? It's actually not that hard."

#### Chapter 4595: shameless, shameless (6)

ai mengmeng was a little dazed. after a while, she turned her head and smiled faintly. " i think so. "

rong yue smiled again and didn't say anything more. he just accepted the interview with the media.

the media's questions were very sharp and merciless to ai mengmeng. they were basically saying that an artiste with a bad track record like ai mengmeng was not worthy of being with an ambitious young man like rong yue.

ai mengmeng was a little nervous and a little angry, but she was nervous and angry for rong yue. she was afraid that he wouldn't be able to accept it, but rong yue was very calm. at least, he was much calmer than her.

In the face of so many harsh media people, Rong Yue smiled slightly. " i'm not here today as the producer of 'twin', but because i'm mengmeng's husband. she's great. not only did she act in the movie, but i'm also very grateful to her as my wife in real life. she was my wife in the dark of my life. she didn't give up on me and took care of me. now, she has become a part of my life. "

Everyone at the scene was a little moved because Rong Yue said that he was seriously ill and that he might not be able to have children in the future, Yingluo.

...

The media was silent, but Rong Yue's tone was extremely firm. "I'm not grateful to my wife, but I really like and love her. She'll bear all the pain and suffering in the past, and we'll bear all of it. Also, she won't come out of retirement and take on any more shows because of Hanhan."

Rong Yue's gaze became affectionate. "She's my own woman, I can support her myself."

Everyone was moved, unable to say a word. Ai Mengmeng, on the other hand, cried.

Rong Yue smiled, and his voice was incredibly soft and gentle. "Why are you crying? Aren't you usually fierce?"

Ai Mengmeng bit her lip and didn't say anything for a long time.

At this moment, a round of applause suddenly sounded from all around.

It's for Rong Yue, a love with Rong Yue.

Rong Yue reached out to wipe his wife's tears and smiled. "When we got married, I said that we'll share both honor and disgrace together. I'll also always protect you and stand in front of you, so there's nothing to be afraid of. When everything comes, I'll be there."

Ai Mengmeng had only been crying, but now she was crying uncontrollably like a child.

No one laughed, and neither did Rong Yue. He just continued to gently wipe her tears away. After that, he kissed her and announced their love in front of everyone.

Sometimes, it was very mysterious, but love just came at the right time.

Many female reporters were wiping their tears. Who could be without mistakes? How many people could be forgiven and have love like Rong Yue's?

” twin ” had yet to be decided, but ai mengmeng was already a winner in life.

Tonight, there was finally one that made he Huan’s name a hot topic.

#rongyue’s love is number one.

The premiere of ” twin ” had also begun. The box office sales for that day were almost set, but on February 15, the pre-sales of ” twin ” and the movie Aijia produced were the same, both at more than 50 million Yuan. However, ” twin ” was gaining momentum. After an hour of screening, it had a rating of 8.8 for Douban and 9.6 for cat’s eye, which was a rare high score in recent years.

ai jia couldn’t sit still anymore. she was on the phone in the living room of the high-class villa while watching the live broadcast on tv. she saw he huan and qin mo being in love and ai mengmeng smiling happily with rong yue. if she was happy, what about her?

Chapter 4596: The one I love has always been you, Qin mo 1

ai jia’s grip on her phone was so tight that her hand bones were almost white. she tried her best to hold it in. after a long time, she finally said with an extremely distorted voice and expression, ” this small one can be happy alone. why? ” Then, she smashed a lot of things in the room, including phones and televisions.

It was smashed into pieces.

along with the sound of something breaking, all the expensive things in the villa were smashed.

however, she didn’t care about aijia. what she cared about was that everyone would be happy. what she cared about was that she might soon be crushed by he huan’s ” twin “. commercial films couldn’t beat literary films, and she would become a laughing stock.

Aijia panted, her eyes filled with an indescribable gloominess.

he was even more ruthless.

...

at this moment, she suddenly came back to her senses when she heard a soft cry from upstairs.

That's right, she hadn't lost yet. She hadn't lost yet.

The day ended with "twin"'s box office earnings of more than 130 million. However, by midnight, the pre-sales had already exceeded 100 million. It was expected that the box office of 215% would be a huge figure of 300 million.

this result caught everyone's attention, both within and outside the industry.

moreover, there was a rising 'spiritual shareholder' on weibo. the fans of "twin" kept checking the box office results over and over again. of course, there were also some who watched it twice or thrice.

other than qin mo's promotion, "twin" was indeed worthy of such a result.

That was what the industry critics said. The shooting method was experienced, and the editing and editing were amazing. Although it was a literary film, the rhythm was comparable to suspense, but at the same time, it did not lose the beauty of a literary film.

And the biggest highlight of the film was the short five minutes of AI Mengmeng's acting. That was the best performance AI Mengmeng had ever given her career. However, she didn't perform, and everything was just her acting.

AI Mengmeng vividly displayed the joy and loss she felt when she first arrived in B city, as well as the loss and fear in her eyes when she fell to the bottom of the valley. Some senior internet celebrity fans sighed. They didn't know if "twin" was an art film or a film that explored human nature.

Of course, the biggest winners were still the male and female leads. At the end of the premiere, he Huan hugged the male and female leads and smiled."this should be a film that will bring you many awards. good luck."

Kang Qiao also let out a long breath. He had seen the original film before and it was perfect. He just didn't expect it to be so amazing after re-editing. His scenes were cut out, but the effect was much better than before.

he could tell at a glance that this was qin mo's technique. it was a pity that qin mo didn't become a director.

As it was a great success, they held a small celebration party at Qin Mo's behest. During this period, the staff and the main actors of the original film crew were all present. The venue was an exquisite small hall in the LAN Yu family's Grand Hyatt Hotel.

It was very warm in the hall. Everyone was still wearing their gowns, but they were very relaxed because they were family. He Huan had even taken off her high heels.

"Mrs. Qin, you're too full of yourself," Qin mo whispered as he leaned against her.

he huan sat on the sofa and looked up at him. she smiled sweetly. "this is rare. "

she even held a cocktail and took a few small sips provocatively.

Qin mo watched as her beautiful lips touched the edge of the glass, and the dark red liquid slid down her small throat.

He knew she was doing it on purpose, so he moved closer to her and said in a hoarse voice, " "You did it on purpose, huh?"

Chapter 4597: the one i love has always been you, qin mo 2

He knew she was doing it on purpose, so he moved closer to her and said in a hoarse voice, " "You did it on purpose, huh?"

He Huan was still smiling sweetly. Her beautiful little body was leaning against the back of the sofa, looking very relaxed.

If it was in the past, Qin mo would never allow her to appear in front of others like this. However, everyone was so happy today. He Huan was also in a good mood, especially after they had just quarreled once.

he wanted to make her happy and please her.

So, he leaned close to her ear and said in a hoarse voice, " don't go too far, Mrs. Qin. Otherwise, ran ran.

"Otherwise what?" She tilted her head and looked at him.

...

There was a hint of mischief in her eyes, but there were also small sparks in them.

qin mo's heart was boiling. he leaned over and said something. then, he looked at her meaningfully before going to socialize with others.

He Huan was still sitting there, thinking back to what Qin miaoxiao had just said.

he told her not to get drunk.

she wanted him to take care of her when she was drunk, just like how he would take care of a baby.

Mrs. Qin thought naively that since yihuan wasn't around, she was the youngest.

at that moment, she automatically ignored shen ting.

AI Mengmeng and Rong Yue also participated. Rong Yue's health wasn't too good, so he couldn't drink, so AI Mengmeng spent most of her time with him. After Qin mo pulled Rong Yue away, AI Mengmeng was a little bored by herself, so he Huan asked Shen ting to call her over.

The two unfamiliar women were more relaxed after drinking some wine, and some of their words became more bold.

ai mengmeng was also drunk. she said what she should and shouldn't have said. he huan actually found it quite interesting. she also knew why rong yue liked ai mengmeng. no, it wasn't like, it was love.

After that, AI Mengmeng was dragged away by Rong Yue. She seemed to have gone home. He Huan's brain wasn't working well after drinking two glasses of wine, so she didn't know where AI Mengmeng had gone.

When she woke up a little, she was on the balcony of the banquet hall. It was a little cold, but not too cold.

he looked outside through a layer of glass. because it was late at night and very cold, the sky was covered with a layer of mist.

he huan thought in her heart that she and rong yue had never been in love. she had only thought that they were.

They had known each other for a few years and seemed to have liked each other for a few years. However, she had never thought of bringing him home because she was worried about Qin mo. She was afraid of Qin mo and knew that Qin mo would be angry.

However, at that time, she was still young and clearly felt that there was nothing between her and Qin mo.

She thought about it again. Perhaps it was because she was afraid that Qin mo would not force her to drink the damn red bean soup after he found out. Even if he was fierce, he would not be fierce to her anymore. He might find another girl to be fierce to her and force her to do all sorts of things.

mrs. qin junior's heart was filled with small feelings. she thought that she had always cared about qin mo, probably the most, even during the days when she thought she liked rong yue.

She turned her head and wanted to look for Qin mo.

However, the moment she turned her head, Qin mo was right behind her.

he had a handsome face and always looked good. there was a gentleness in his eyes that she could understand.

He Huan's heart started to heat up. She was touched, but she also felt a little uncomfortable. It wasn't for herself, but for Qin mo.

How long had he been behind her?

Just like that, they stared at each other in the middle of the night without saying a word.

however, the night was beautiful.

Chapter 4598: the one i love has always been you, qin mo (3)

he huan's eyes also became gentler. qin mo finally took a step forward and smiled."Mrs. Qin, I knew you were getting cocky. How many glasses did you drink?"

She was not usually like this and would not look at him like this. She did not hide it at all. His little princess he Huan was very proud and never took the initiative.

he huan tilted her head and smiled. " only two cups. "

He finally stepped forward and held her hand, his voice lowered by a few degrees."But I think you're drunk."

He Huan didn't say anything and continued to look at him. Then, she placed her small hand on his shoulder and rested her small chin on his shoulder. Her voice was especially soft as she said, " Qin mo, I want to go home.

His heart was also boiling. After a long time, he said, " okay.

...

he carried her and walked out. he huan only came to her senses when they were in the car. she looked at qin mo and said, ” “Where’s Shen ting?”

They sat together in the back seat. Old Zhao was driving the car. Qin mo hugged her and said in a low and hoarse voice, ” he’s only 13 years old. He went back to sleep a long time ago. He’s not as crazy as you.

Oh, ” he Huan replied. Then, she fell into his arms and did not speak.

qin mo could actually sense that she had something on her mind. he endured it for a while before lowering his head.”What are you thinking about?”

“nothing,” he huan shook her head.

qin mo laughed and didn’t say much. after all, he didn’t want to make a fool of himself while old zhao was in the car.

just like that, the car slowly drove back to the apartment they used to live in. he huan then came back to her senses.”why are you here?”

qin mo carried her out of the car and explained, ” “it’s too late. we’ll wake shen ting up if we go back,”

He Huan was a little shocked. What kind of reason was that?

however, it was late at night, and she had some alcohol, so she was unable to resist.

all she did was lie in his arms and listen to his heartbeat. then, she felt the elevator rise.

Her heart beat a little faster, and she couldn’t tell if it was his or hers.

When she was at her most emotional, the elevator dinged and he carried her home.

The heater in the apartment had been turned on a long time ago, so she didn't feel cold. This was probably arranged by Qin mo in advance.

he huan had a little too much to drink, but she was still thinking that he was actually a very meticulous and gentle man. it all depended on how she wanted or repaid him.

When they got back, he wasn't in a hurry to let her sleep, nor did he say that he was going to take a shower. Instead, they sat in the living room and watched a movie together. He played a romance film and even brought a bottle of red wine over with great interest, pouring two glasses for each.

It was rare for he Huan to be so happy because she had been tense for a long time. She tilted her face and looked at him. you still want to celebrate? ” i thought you'd want me to take a shower and go to bed, or i'd have to change out of this dress.”

qin mo stretched out his long arms and legs and turned to look at her. ” you look pretty good. you don't have to change. besides, it's not cold at home, right? ”

After he finished speaking, he swept her into his arms. His embrace was very warm, and it was indeed not cold.

he huan didn't say anything else. she just leaned gently in his arms, holding a glass of wine in her hand, and mumbled, ” “A toast to the past.”

he smiled. ” accompany me. ”

He said those words softly, but only he knew how unhappy and lonely he had been all these years. He always hoped that someone would accompany him on such a night.

He Huan took a sip of wine and looked at him.

He Huan took a sip of wine and looked at him.

Qin mo merely smiled.

he huan suddenly felt sad for him. her voice lowered as she said softly, " qin mo, you must have had a hard time these years. "

qin mo was probably in a good mood and wanted to tease her. he laughed gently."it's not bad, at least there's someone in my heart."

"I thought you had a group of people in your heart," he Huan said as she glanced at him.

qin mo smiled and put his arm around her shoulder. " "mrs. qin, i'm not as universal as you think."

...

As he spoke, he seemed to have thought of something and said in a low voice, " "How about you? have you been well all these years?"

He Huan broke free from him and sat on the other side. Then, she whispered, " " i don't know if it's considered bad, but i've been struggling. should i come back? will there be anyone else by your side after i come back? "

even though their relationship had been extremely bad all these years, he huan could still vaguely feel that he was still in her heart. after all, they were once husband and wife.

after he huan finished speaking, she looked at him. there was something that could be called moisture in her eyes.

It wasn't tears, it wasn't crying, it was just sighing.

Even though they were together, they had missed each other for many years.

qin mo and he huan had both missed and wasted their best years.

mrs. qin wasn't usually so emotional, but she had been drinking today. she was very, very sad. she was extremely sad.

she leaned her head on the sofa and stared at the glass of wine in her hand. she said very softly, "Qin mo, I really want to go back to the past. If I can go back, I will definitely love you properly, even more than I love you now.

Qin mo knew that she had drunk too much. Otherwise, she would never say these words even if she was beaten to death. However, he still did not make a sound and accompanied her. He only secretly recorded her words so that he would not be afraid that she would deny it in the future.

Qin mo smiled. Mrs. Qin, it's 2019 now. Don't be so emotional. We've been together for now, okay? "

she had really drunk a little too much. she would not usually act coquettishly and be so unreasonable.

her little face was a little tipsy as she leaned on the sofa and said softly, "but i've missed a lot."

As she spoke, she straightened her body and reached out to rub his face.

Mrs. Qin's eyes were full of girlish feelings. She bit her lip and said in a soft and sweet voice, "but Qin mo, I missed the best time for you.

when he was 20 years old, when he was 30 years old, she had missed the best times of a man's life.

she used it to be angry with him, to have a cold war with him, and to separate from him.

He Huan was drunk. She fell on his shoulder and said sadly, " " qin mo, i can't even tell if i'm the one who's been cruel all these years or if you're the one who's been cruel. we've actually been separated for so many years. "

qin mo didn't know whether to laugh or cry. she had drunk too much and kept thinking about this. however, his heart softened soon after.

He still could not let go of his Huanhuan.

She loved him so much. (Mr. Qin's ego has also inflated!)

qin mo's gaze was gentle as he looked at his wife.

she was rarely this cute. he had suffered enough from her since he was a girl, and tonight, it seemed like he could get back at her with interest.

Qin Mo's fingers could not help but touch he Huan's face. of course, you're the one who's cruel. Abandoning your husband and child is exactly what a cruel little thing like you should be saying.

Chapter 4600: The one I love has always been you, Qin mo 5

qin mo's fingers could not help but touch he huan's face. " of course, you're the one who's cruel. abandoning your husband and child is exactly what a cruel little thing like you should be saying. "

he said it wasn't enough and pinched her face hard.

he huan cried out in a strange voice. she had lost all her temperament, as if she had returned to her teenage years.

qin mo stared at her for a while and suddenly said, " you're only 33 years old. He Huan, I was 32 years old when I married you.

and now, he was 40.

Qin mo thought to himself, he's actually 40 years old, 7 years older than her.

...

He was suddenly worried that she would dislike him for being old, so he gently pinched her chin. "Do you think I'm too old, huh?"

He seemed to be quite serious.

He Huan was speechless. She stared at him for a long time. Qin mo, aren't you bored? "

Qin mo increased the strength in his hand, and she wailed and screamed.

In the end, she was still tired. However, for the first time, Qin mo did not let her sleep and only let her lean on Him.

he huan was so sleepy that her eyes were closed into a line. she leaned into his arms and said innocently, " "Qin mo, what's wrong with you today?"

Qin mo lowered his head and looked at the young lady in his arms. He had liked this young lady for many years."he huan, this is the only night we have in our lives."

she had told him a lot tonight, and he was very happy and wanted to say and do something, but in the end, he only wanted to spend the night alone with her.

He had he Huan to accompany him that night, so he was not lonely.

He Huan had fallen asleep.

in his arms.

Qin mo looked at the time. It was 3:30 am.

he chuckled. she had endured enough.

the heater was on, but it was still night time. he huan snuggled into his arms, looking very cute.

Qin mo took the coat on the back of the sofa and covered her with it. He adjusted his position so that she could fall into his arms comfortably.

On the coffee table, there was still a little wine left in the wine glass. It gently swayed and exuded a charming color in the night.

qin mo suddenly didn't want to waste the night, the wine, and he huan's sudden gentleness.

He reached out for the glass and took turns to drink.

Using this gentle night to go with the wine, using tonight's affection to go with the wine, using the little fellow in his arms to go with the wine, all of this was so wonderful, so wonderful that he almost didn't want to sleep.

however, when he touched her face and saw the faint blue under her eyes, he hesitated and retreated.

In the end, he could only sigh and let her go.

A hangover and staying up late were extremely bad, especially when he Huan's body was not in good condition.

She woke up from her dream. She sat up and looked at the time. It was already eleven in the morning. The sun was scorching hot. He Huan scratched her head and felt a headache.

Then, as if she had thought of something, she grabbed her mobile phone and scrolled through the cat's eye box office rankings. She was surprised to see that the top of the box office today was "twin", which had reached 150 million Yuan so far. The commercial film that Aijia was producing had lost 20 million Yuan, and was only at 130 million Yuan.

he huan rubbed his eyes and could not believe that he had really surpassed them.

At this moment, Qin mo walked over. He Huan looked up at him and said in a little lamb-like voice,  
” ” qin mo, he’s number one in the box office. ”

Qin mo was dressed in a formal suit. He walked over and leaned over to kiss her. His voice had a hint of a smile.”isn’t it normal? i did it myself.”

he huan snorted. ” you’re very smelly now. ”
