Chapter 4681: I'm not good-looking? 4

by the time qin chen finished cooking, it was already an hour later. four dishes and two sets of palace desserts, which couldn't be eaten outside.

qin chen didn't make it in time, she had surgery to do.

when she left, he huan couldn't bear to leave. that's right, he was handsome, gentle, and knew how to cook. he was an upgraded version of qin mo.

he huan felt that it was a pity that qin chen was a woman.

she didn't know that she had actually sighed.

Qin Mo's dangerous voice rang out, "if qin chen was a man, what would you do?"

...

he huan was shocked and turned around to look at qin mo. she stuttered, "I'm not thinking of anything."

"What can I do?" he added.

Qin mo covered her mouth with his and looked at her. don't even think about it!

"I know. It's a sin to think about it." he huan bit her small mouth and snorted.

qin mo was originally a little unhappy, but at this moment, he laughed lightly and reached out to pinch her small face. "you dare to talk back?"

“i wouldn’t dare!” He Huan was still sulking. After a while, she looked at Qin mo and thought of something.”Chen, if she doesn’t eat, will she starve to death?”

“It doesn’t matter if she doesn’t eat for two days.” Qin mo teased her.

“is she a camel?” he huan looked at him.

Qin mo thought for a moment and replied in a serious tone, ” “she might not have a camel’s back, so huanhuan, you might have this ability.”

he huan glared at him and only realized what he was saying after a minute.

She glared at him, her face turning red.

After that, she didn’t want to talk to him anymore and just ate quietly.

Qin mo smiled.

after a while, he teased her again. ” where’s the present you bought for me yesterday? ”

he huan suddenly remembered and pouted.”then i met my mother.”

When she spoke, she always sounded a little delicate.

qin mo’s heart softened. he looked at her and asked in a low voice, ” “then tell me, if i don’t go, will you go home with your mother? Or do you insist on being with me?”

Aiyaya, they were clearly an old couple, but talking about this now actually felt like first love.

Qin mo also had an indescribable feeling in his heart.

he huan let out an “ah” and lowered her head. after a while, she seemed to have thought of something.”you’re here!”

There were only four words.

you're here!

Qin mo stretched out his hand and gently touched her face. Then, he said hoarsely, "silly girl."

"I'm not stupid!" He Huan said softly.

Qin mo laughed. if you're not stupid, why did you come back with me? "

He Huan didn't say anything, but tears welled up in her eyes. Qin mo knew that he had gone too far with his joke, so he gently pinched her face. "I'll take you for a walk later."

"didn't you feel unwell last night?" he huan was a little worried.

"I'm much better now," he said in a gentle voice, smiling.

Oh, " he Huan replied and continued eating.

qin mo knew her temper. she was definitely angry.

he reached out and gently held her hand, saying softly, "I won't do it again."

she did not say a word and was still a little dejected. in fact, he knew that she could not let it go because her heart was filled with rong yue. living with him was a kind of compromise. she probably could not accept herself like this.

qin mo's heart ached for her. he held her hand and said in a hoarse voice, " we are husband and wife. Even if your memory is only 18 years old, your body is already 33 years old. We have been husband and wife for many years. You belong to me and never belonged to Rong Yue.

Chapter 4682: i'm not good looking? 5

Qin Mo's heart ached for her. He held her hand and said in a hoarse voice, " " we are husband and wife. even if your memory is only 18 years old, your body is already 33 years old. we have been husband and wife for many years. you belong to me and never belonged to rong yue. "

He Huan did not know why, but when he said this, he felt relieved.

She felt indescribably relaxed. Perhaps she was afraid. Afraid that something would happen between her and Rong Yue later.

Oh, " she replied obediently, then finished the rest of the dishes.

her little stomach was round from eating.

so in the end, qin mo would call his sister over to cook from time to time. qin chen complained about it. she was the world's number one chief surgeon whose surgery cost tens of millions or even hundreds of millions. her second brother always asked her to cut the vegetables, and lan yu only ate a few times.

...

However, Qin mo had a way to get her to come over and cook every few days. That was something that happened later on. At this moment, he Huan's small stomach was full and she didn't want to move at all. In the end, she still took a good nap with Qin mo.

When she woke up, Qin mo was still there. He was leaning on the bed and scrolling through his phone. He seemed to be texting the company's management.

he huan woke up and felt lazy all over. she did not want to move at all.

So, she continued to lie in his arms and said softly, " "qin mo, if you're really busy, then don't go out."

it's just routine work. It's the same with Secretary he's arrangements. I'm just waiting for you to wake up. I'll go, " he said softly. Then, he kissed her and got up to put on her sweater and coat. He did the same for himself. He took his wallet and walked out.

He Huan followed beside him and whispered, " "I didn't bring any money or cards."

Qin mo pressed the elevator button and looked at her, saying, " "come out with me. you don't need to bring your card."

" oh, " he huan replied. thinking about it, it made sense. her money was also his money. there was no difference.

when the elevator reached the first floor, qin mo brought her to a car. he huan looked at him and then at the car. she felt that there was something different.

It was only later that she felt that he seemed to be particularly dazzling today.

Usually, he was already very good-looking, but today, he seemed to be even more particular.

well, if he had to describe it, he seemed to be a little better looking than qin chen.

he huan stared at him without blinking. qin mo smiled. " what's wrong? "

He Huan let out an 'ah' and said softly, " "you're a little different today."

Qin mo smiled and pinched her face. "It's good that you like it,"

He Huan gasped, then said in a low voice, " "i didn't say i like it."

His gaze was a little deep. I don't like it and I'm dazed. I'm even drooling.

He Huan unconsciously reached out to touch her lips, only to realize that she had been tricked.

she glared at qin mo. qin mo laughed. ” i said you’re silly! ”

He Huan snorted and glared at him.

Qin mo smiled and opened the car door for her. He Huan got in the car and turned to look at him.
“qin mo, where are we going?”

“Let’s go buy some gifts first, then we’ll have dinner together to celebrate twin’s 2 billion Yuan.”
qin mo said with a smile as he fastened his seatbelt.

He Huan was stunned. 2 billion? Really? I still can’t believe it. ”

“it’s 2019, director he!” Qin mo tilted his head and looked at her. it would be better if you were willing to direct commercial films. Actually, you have the talent.

Chapter 4683: the experience of living with an old girl (1)

“it’s 2019, director he!” Qin mo tilted his head and looked at her. it would be better if you were willing to direct commercial films. Actually, you have the talent.

he huan was still in disbelief. after a long time, she said softly, ” “but i can’t remember at all.”

“i’ll teach you.” qin mo was very straightforward.

He Huan bit her lip. really? But you’re usually so busy with work.”

“time can always be squeezed out.” qin mo smiled.

He ruffled her hair and started the car.

...

After driving for a while, he suddenly said, "put on your seat belt, idiot."

Oh, " he Huan replied. She silently put it on and then looked very obedient.

Qin mo was driving and he was very focused on the car. However, he smiled slightly.

he huan didn't say much after that. she looked out of the car window. after a while, she turned back to look at qin mo. " qin mo, what kind of gift do you want? "

Qin mo was wearing a white shirt with a thin sweater on the outside. His long and beautiful fingers were holding the steering wheel, and he looked very pleasing to the eye.

he huan was in a daze again. just as she was in a daze, qin mo said, " you might not be willing to give me what i want. "

after he finished speaking, he turned his head and looked at her.

he huan's face suddenly heated up, and it was so hot that it felt like he was going to die.

her mental age was already 18 years old, so how could she not understand what he was saying? but even if she did, she had to pretend not to understand.

he huan's face reddened again and again, and in the end, she could only turn her little face to the other side.

Qin mo smiled and did not force her. He only reached out to hold her hand while driving. His voice was low and hoarse, and it was the unique scent of a man of his age.

"when the time comes, just let me know." he said with a smile, and then released her fingers.

He Huan bit her lip and gently held her hand. She felt a wave of heat in her palm. It was the temperature of Qin Mo's palm. It was only warm, but at this moment, he Huan felt that it was indescribably hot.

She sneaked a glance at him and immediately looked away.

as qin mo drove, he noticed his little wife's actions from the corner of his eye. he only felt that it was interesting and cute.

after a while, his voice was clear and elegant. " "are you done thinking?"

"what?" he huan's voice was hoarse from being too nervous. he turned his head and looked straight at him.

She was completely like a helpless little rabbit.

Qin mo smiled. a birthday present! Otherwise, what did you think I was talking about?"

There was a faint smile in his voice, as well as a hint of teasing.

he xiaohuan was a little angry, but this anger was more due to her own helplessness. she seemed to be in his grasp.

therefore, she didn't answer him for a long time, nor could she answer him.

She could only sulk, but the way she looked when she was sulking was extremely cute.

qin mo looked at her and missed her.

he said in a low voice, " actually, it's a compensation from heaven. "

he finally understood that he huan's memory loss was not a loss, but a compensation. it was to make up for the loss in his heart.

Let them really start over again. He was the only one who would remember the unhappy past, while her memories were all good.

the beauty that belonged to him, qin mo.

Qin mo smiled and slowly drove the car into the parking lot.

They didn't get out of the car immediately, but stayed in the car for about half an hour.

Yup, I'll use this half an hour to kiss Yingying.

Chapter 4684: The experience of living with an old girl (2)

After an unknown period of time, Qin mo finally let go of her.

He Huan's face was very hot. She kept staring at Qin mo, unable to say a word.

her eyes were glistening and moved.

This was their first kiss after their reunion.

It was not a Dragonfly touching the water, but a real kiss.

both sides were panting, especially he huan, who was leaning back in her chair.

...

Then, looking at Qin mo helplessly was enough to melt his heart.

qin mo turned sideways and stared at her. the meaning in his black eyes made her tremble.

He Huan didn't dare to move, as if he would do something she couldn't handle if she moved, for example, kissing her for another half an hour.

after staring silently for about half a minute, qin mo finally smiled. ” ” dumbfounded. it's not the first time we've kissed. why are you acting so silly? ”

he huan bit her lip. ” i don't remember. ”

He smiled. think about it carefully.

after half a minute, she let out a cry and covered her face.

he had kissed her before. he had kissed her very gently during her first period.

When she was asleep, he said that she had grown up, but he Huan still didn't feel like she had grown up.

qin mo smiled and pulled her hand away. ” alright, get off the car. you're still acting like a little girl. ”

“I'm a little girl.” He Huan grumbled and looked at him sadly before getting out of the car.

qin mo also got out of the car and held her hand naturally, like an old couple holding a young lady's hand. he huan noticed something different and looked around. ” “why didn't you bring your bodyguard today?”

“Because you don't like it.” He smiled and said casually.

he huan didn't say anything. she lowered her head and looked at her hand. she struggled a little but didn't really break free. qin mo just smiled.

When they entered the mall, he Huan finally understood why he didn't bring any bodyguards. He had been eyeing the place so closely that there was no one else but the salesgirls.

There was only one person waiting at the door to welcome them. That person was Secretary he.

“Qin mo!” He Huan turned her head.

Qin mo laughed, ” I’ve bought it over. The employees here are all transferred over from King Entertainment, so there’s no need to worry about any sudden incidents.

he huan was especially speechless,”what if i go abroad for a walk?”

“I can also buy a Commercial Street,” He quickly said with a smile.

he huan didn’t know how other girls felt when men threw money at them. she just wanted to say that at this moment, she was very happy. oh, but she heard that he was her legal husband, so it was not right to spend money like this. she could only think that she didn’t want it to be like this.

“Hmm, I’ll bring bodyguards next time.” She didn’t want to go broke and live on the Northwest wind.

Qin mo laughed.

After that, he xiaohuan realized that she had been tricked. He had done it on purpose.

He deliberately made her take the initiative to let the bodyguard follow her. He was too scheming!

he huan glared at him.

qin mo pretended not to know and continued to smile.

he huan snorted. he was too despicable!

hence, she walked in front. however, she had only taken two steps when qin mo grabbed her wrist.

qin mo smiled. ” let’s go together. ”

She glared at him fiercely.

Qin mo touched her little head. you're so silly.

"i'm not stupid." she emphasized.

Qin mo didn't say anything else. He only held her hand and walked around with her.

Secretary he followed behind them with a notebook in his hand. As long as he Huan looked at it for more than ten seconds, he would write it down and get someone to bring it over.

Chapter 4685: the experience of living with an old girl (3)

secretary he followed behind them with a notebook in his hand. as long as he huan looked at it for more than ten seconds, he would write it down and get someone to bring it over.

It was fine as long as the little darling was happy.

since qin mo's birthday present was to be picked by he huan, secretary he didn't have to make the decision. after all, president qin was the one paying her salary.

He Huan went to a few men's stores. Qin mo didn't like this one and didn't appreciate the other one. He Huan felt that his taste was very novel.

Well, in other words, it was strange.

When they arrived at a jewelry store, he Huan said weakly, "I'm not buying it."

...

qin mo looked at her and stretched out his finger. " i seem to be lacking something here. "

He Huan snorted again. only by not wearing it can I lie to the little girl!

Qin mo looked at her and smiled. "Do you think I'd lie to someone like me?"

he huan was stunned for a moment, and then her expression became a little angry. she was 18 years old, and she didn't know how to hide it.

Qin mo pulled her back and said in a gentle voice, " what's wrong? are you angry again? "

"I'm not." she was furious.

Qin mo reached out and pinched her little face. He thought that it was very fun. you really didn't? "

He Huan didn't say anything at first, but then she said gloomily, " "if you want to look for it, then go."

qin mo was amused. " where did you see me looking for it? "

As he spoke, he smiled again. help me pick a ring.

He Huan was in a bad mood. Actually, she didn't know why she was so concerned. He had only said something ordinary and it was the truth.

That was why she was always absent-minded when Qin mo was choosing.

qin mo picked one. the ring was a very simple ring, but it looked different on his hand.

"how's this?" qin mo's voice was warm and smiling.

he huan was actually stunned for a moment, but she still needed to be reserved as a woman, so he huan only gave a perfunctory " oh ". her eyes were clearly fixed on his hand.

her fingers were so beautiful!

Qin mo smiled again and said to the counter, ” “do you have a similar ring for women?”

the shopkeeper girl immediately smiled like a flower.”yes, yes. mr. qin, please wait a moment. let me take a look at mrs. qin’s finger size.”

it was also he huan’s first time being called mrs. qin outside, so she was still a little flustered. she bit her lip for a long time before saying, ” i’m not ran ran. ”

Qin mo suddenly looked at her, causing her to be unable to say those words.

After that, she obediently showed her palm to the shopkeeper. The shopkeeper seemed to know at a glance and quickly took out an exquisite ring and put it on her, saying, ” “this is the only one in the world. it’s designed by a famous designer, and it suits mrs. qin very well.”

He Huan wanted to deny it again, but in the end, she could only look at Qin mo weakly.

“It’s very beautiful.” Qin Mo’s gaze fell on her fingers.

This was something he should have done when she was 18 years old. He made her his girlfriend when she was 18 years old, but he fulfilled his wish many years later.

qin mo’s eyes were a little hot. after looking at her for a while, he pulled her out.

“You haven’t paid yet, and you’re already leaving?” he Huan whispered.

“I ordered this.” He said softly. Then, he stopped and smiled.”How else would there be such a suitable size?”

He Huan stood there and looked up at him. Suddenly, she reached out and took the ring off her finger.

the inner circle was engraved with the words “qin mo, one love, one he huan, one love”

Chapter 4686: The experience of living with an old girl (4)

Her lips trembled slightly, and she called out softly, ” ‘Qin mo.’

Qin mo acknowledged her and took the ring from her hand to put it on for her. “Don’t cry, okay?”

He Huan tried her best not to cry, but she still sniffed.

qin mo placed his palm on her head and rubbed it gently. ” you’re already so big. ”

As he said that, he still couldn’t hide his inner feelings and leaned over to kiss her.

All the shopping guides and young ladies in the mall were stunned by this scene.

...

f * ck, president qin really looks so soft!

Oh my god, oh my god, there were pink bubbles floating everywhere. It was even more romantic than an idol drama.

the main thing was his looks.

He was truly tall, rich, and handsome!

after qin mo was done kissing her, he straightened his body and said in a low voice, ” do you feel like you’re in love now? ”

he huan bit her lip and suddenly hugged his arm, not allowing him to straighten his body.

qin mo's voice was low. " what's the matter? "

He Huan hung on his arm like a Little Bear. Qin mo looked at her for a while and smiled. do you want me to kiss you again? "

she didn't say anything and just looked up at him quietly.

Qin mo laughed. After kissing her, he said in a low voice, " "are you satisfied now?"

"A little." She stuttered.

qin mo straightened his body and held her hand. " "Let's go eat."

"Is this enough for your birthday present?" he Huan asked as they walked.

he hummed and looked down at her. " with you, it should be enough, right? "

He Huan's face turned red again.

she couldn't really remember what she had eaten that day. when she really came back to her senses, qin mo had already driven the car back to the apartment.

"why aren't you getting out of the car?" He tilted his head and looked at her.

He Huan was still floating, and her voice was in a daze."We're home."

the corners of his lips curled up slightly. " otherwise? "

Oh, " he Huan replied. She unbuckled her seat belt and was about to get out of the car.

However, her wrist was immediately caught by a strong hand and gently pressed against the back of the chair.

“Qin mo.” He Huan weakly turned her face to look at him.

he was very calm and still had a faint smile on his face. if one didn’t really feel it, one wouldn’t be able to tell that he was being treated so forcefully.

Qin Mo’s other hand gently pinched her chin. “Don’t you have anything to say to me?”

“what did he say?” He Huan felt even more powerless, so he kept looking at him.

qin mo smiled and let go of her. the pressure on he huan’s wrist was released.

she was stunned again and looked at him. qin mo opened the car door and turned his head. ” i thought you would always say that you’re very happy. ”

” ah! ” he huan exclaimed again, unable to say a word for a long time.

“Silly girl.” he got out of the car and walked over to her side. he opened the door and carried her out of the car. he huan refused, so he patted her. “be good.”

he huan bit her lip and mumbled, ” i don’t want to be obedient. ”

qin mo laughed. he laughed quite happily and carried her home.

he was very satisfied with their current way of getting along, and he huan had also temporarily forgotten about rong yue.

after all, the 40-year-old qin mo was not like those in their 20s. a mature man was very good at coaxing women. he xiaohuan could not resist him at all.

After returning home, Qin mo went to the study room to settle some work matters. He asked he Huan to take a bath and sleep first. However, when he returned to the bedroom, he saw that the little thing was not only not taking a bath or sleeping, but was even playing games!

Chapter 4687: The experience of living with an old girl (5)

he saw that he huan was still playing the game and was extremely engrossed in it.

qin mo took off his sweater and threw it on the back of the sofa. then, he sat beside her.

Pulling her ear, he said, ” oh no, it’s already so late and you’re still playing games.

As he said that, he raised his hand and looked at his watch. It was already past 11 O ‘clock.

In this way, he felt that he Huan’s crimes were unforgivable.

He Huan’s ear was being pulled by him, and she cried out in pain. She was reluctant to put down the phone in her hand, and her little fingers were still moving.

...

qin mo snorted and stopped carrying her. he placed her back on the sofa while the little fellow continued to play with her.

qin mo leaned close to her ear. ” is it fun? ”

“It’s so fun. I’ve passed a few levels today.” He Huan didn’t really sense the danger and was still playing happily.

Qin mo smiled and walked towards the bathroom. “i’ll go take a shower first.”

He Huan didn't suspect anything else and just nodded, letting him do as he pleased.

qin mo looked at her from the bathroom door and then closed the door.

in less than ten minutes, qin mo came out of the bathroom. he was wearing a bathrobe and casually wiped the water off his hair with a towel while looking at he huan's phone.

just as she was about to pass, she suddenly pulled it out."Time to sleep."

He Huan let out an "ah" and her small body jumped up."qin mo."

Qin mo took his phone and helped her exit the game. Then, he looked at her and said, " I said I was going to sleep just now.

with that said, he reached out and pulled her down with him, covering her with the blanket.

he huan opened her eyes and looked at the darkness that followed. she was a little speechless.

she punched the blanket with her small fist. " qin mo, you're being unreasonable. "

" oh, really? " he said. " i gave you a chance, but you didn't listen and kept playing. " by the way, was the game fun?"

he huan's voice was soft and tender again."you're being unreasonable."

Qin mo ignored her and closed his eyes to sleep.

He Huan lay there, looking into the darkness.

"i want to take a bath."

"I'm so stinky."

” qin mo!!! ”

She called out to him for a long time before he reluctantly answered her. Oh, you lost the right to take a bath because you were playing games. Do you regret it now? ”

He Huan was a little shocked and glared at him.

However, this kind of stare was not obvious in the dark.

He laughed again. he Huan, you’re really a dirty child.

“you’re the one who didn’t allow me to take a bath,” she cried out.

“is there? You’re the one who gave up.” He chuckled.

“Qin mo, you’re too despicable.” He Huan gritted his teeth.

qin mo patted her. ” this is what you have to do to disobedient children, no, internet-addicted girls. ”

he sniffed it and then said in an extremely detestable manner, ” “It’s really stinky.”

He Huan wanted to cry.

Although she did not smell bad, she was pampered since she was young. It was a good habit to take a shower before bed. If she did not take a shower, she would not be able to sleep. After a long time, she finally believed that Qin mo was really not willing to let her go.

her little mouth curved down and she bit her lip. after a long time, she said in a low voice, ” “Qin mo, am I hard to manage?”

“Yeah, it’s more troublesome than Yi Huan.” He closed his eyes and reached out to ruffle her hair.”at least yihuan is more obedient.”

He Huan leaned on his shoulder and bit her lip. then you can send me to Shen ting's place. You can take care of yourself.

Qin mo was shocked. How could she do this? could she be more shameless?

Chapter 4688: the experience of living with an old girl (6)

Qin mo was shocked. How could she do this? could she be more shameless?

Qin mo looked at the middle-aged girl in his house and did not have any reaction for a long time.

He did not know that he Huan could be so shameless.

he was really shameless.

Qin mo sat up and turned on the light. Then, he looked at he Huan with a funny and angry expression."how old is shen ting? he's already supporting you?"

He Huan said with confidence, " didn't you say that he's taking care of Yi Huan, and you said that I'm not like her? that's why Shen ting doesn't feel any pressure taking care of me!

...

"He Huan, can you be any more shameless?" Qin mo didn't know whether to laugh or cry.

"this logic isn't wrong." The way she tried to reason with him was very vivid.

qin mo stared at her face for a long time before sighing softly. " "yes, there's no mistake."

however, if there was any logic to it, they would not be together now.

“you!” he sighed softly.

he huan was a little proud, and his eyebrows were full of joy.

qin mo reached out and touched her face. his voice was slightly hoarse. ” “Alright, go and take a bath. Don’t do it again.”

He Huan immediately jumped off the bed and ran to the bathroom.

Qin mo didn’t go to sleep immediately. He sat on the bed and swiped his phone to help her pass a few levels.

he could hear the sound of he huan humming in the bathroom. she was actually taking a bath at this late hour, he thought.

However, such an atmosphere was still pleasant. Qin mo cleared five levels, and he Huan also ran out. She was wearing pajamas with Cartoon Milk cows on it.

Qin mo placed his phone on the bed, caught her, and tucked her under the blanket.

her body smelled nice. oh, it helped him sleep.

However, the little girl who had just taken a bath did not feel sleepy. She had probably slept too much during the day, so she kept pestering him to talk, mainly because she wanted to see yihuan.

qin mo was silent in the dark for a while. he then turned his head to look at the little head on his shoulder and said in a hoarse voice, ” “You really want to see her?”

” oh! ” he huan said softly. ” can you let me see her? maybe i can be a good mother! ”

qin mo continued to look down at her. after a long time, he suddenly said, ” ” let’s meet tomorrow, but we don’t have to live together for the time being. shen ting can take good care of her. ”

he huan was a little hurt.

He reached out and touched her little head. His voice was low and hoarse. listen to me. Shen ting knows her better than you do. Also, I want to live with you alone for a while.

” then, when can i live with yihuan? she’s my child, isn’t she? ” He Huan said hoarsely.

of course, ” Qin mo smiled slightly. otherwise, why would I give birth to him? ”

“I’m not joking,” he Huan glared at him.

“I’m not joking! just like you said, she’s your child and no one can take her away from you.” ” let’s go. ” qin mo kissed her cheek. ” we’ll live together in autumn. ”

“That long?” he Huan looked at him.

“Then winter is good.” qin mo chuckled.

hence, the little guy who had been disgusted for a long time immediately shouted, ” “If it’s autumn then it’s autumn, we can’t drag it on any longer. Also, Wuwu”

She stretched out her fair fingers and counted them one by one. in addition, I want to see her once or twice a week, including but not limited to eating, showering, and sleeping together.

qin mo was angry and amused at the same time. ” are you treating it as your own house? ”

“Isn’t life just eating, bathing, and sleeping?” He Huan asked him back, and he was stumped.

Qin mo thought about it and realized that it was indeed the case.

qin mo thought that he was right and couldn't refute it. he huan's eyes were sparkling.

after a long time, qin mo suddenly reached out to cover her eyes and let out a long breath. " time to sleep. "

"you can't beat me in words," he huan snorted.

He smiled. yes, I can't win you in an argument. Mrs. Qin is going to sleep soon.

Satisfied, he Huan leaned against him. After a while, she suddenly said softly, " "qin mo."

"What?" what's wrong? " Qin mo stroked her little head. what's wrong now? "

...

He Huan's face pressed even closer to his. we must have had a good life before!

"It's not bad," he said.

"You Must Love Me very much!" She said with great certainty.

qin mo did not know whether to laugh or cry. he pressed her into his arms."Don't talk anymore. I have a meeting to attend tomorrow."

He Huan was obedient for a while before she said in a muffled voice, " "you just love me very much."

qin mo was helpless and sighed again. " "Yes, I love you very much."

"Alright, time to sleep." He lowered his head and kissed her.

he huan wrapped her arms around his neck and didn't make a sound. she was very obedient and fell asleep very quickly after a while.

When she woke up in the morning, Qin mo had already gone to make breakfast. She sat up and leaned against the head of the bed. what was he still waiting for?

of course, he huan would not take the initiative. she just bit her finger and sighed in her heart.

he would never admit that he was expecting something.

Qin mo had prepared breakfast and came over to wake her up. He saw the little fellow sitting there in a mess.

qin mo laughed, " what are you thinking about? get up. come to the office with me today. i'll bring you back to the villa tonight. didn't you want to see yihuan? "

" oh, " he huan replied. she felt that she had more motivation for the day.

She sat up, her hair in a mess. where are we sleeping tonight? "

he probably knew what she wanted, so he smiled warmly. " "I'll sleep in the villa. i'll come back tomorrow."

He Huan was a little excited and ran to the bathroom.

qin mo laughed, his feelings were a little complicated.

To him, he was happy that he Huan was like this. However, to Yi Huan, she might be lacking a little bit of maternal love. After all, he Huan was a middle-aged girl now. How could she have any maternal love for Yi Huan?

It was better to count on Shen ting than he Huan.

As Qin mo was thinking, he Huan had already come out. After having breakfast, they went to King Entertainment.

However, he Huan did not expect to meet Rong Yue at King Entertainment.

didn't they say that his health wasn't good and that he had to stay in the hospital for a few days?
why did he come over?

He Huan was eating some snacks at Secretary he's place when Rong Yue pushed the door open and entered.

Secretary he cursed in his heart. She had forgotten that Rong Yue was coming over today. He Huan was also here. If boss Qin knew about this, he would be so jealous.

However, no matter how bad it was, he still warmly received her. "mr. rong, president qin is in a meeting. it'll end in about half an hour. why don't you wait in the guest room for a while?"

Rong Yue's gaze fell on he Huan's face. He Huan was also looking at him while eating her snacks.

in her memory, she did like rong yue, but now he had a wife.

he huan couldn't lie to herself that she didn't care or like him anymore, but she had to control herself.

He had a wife.

she stared at him like that. secretary he felt bitter in his heart. what if boss qin saw her?

The more he thought about it, the more it would happen.

While Secretary he's heart was still trembling, Qin Mo's men were already standing at the door of the secretary's office. They knocked on the door with the documents in their hands and said to Rong Yue, " "Let's talk in my office."

secretary he heaved a sigh of relief, thinking that boss qin was still very generous.

Just as he was thinking about it, Qin Mo's gaze turned to the little fellow and he coughed lightly. "Stay here and eat."

secretary he, the second and third secretaries were all speechless. boss qin was so stingy!

however, qin mo was not ashamed of it. on the contrary, he was proud of it. he had to keep a close eye on his wife, especially a lost little lamb like he huan.

...

he talked with rong yue for a while. the script was secondary. the main thing was about ai jia.

It was time to reel in the net.

The information and drama vouchers that Qin mo brought were enough to send AI Jia to prison for ten to twenty years.

As they were talking, Rong Yue lit a cigarette but was stopped by Qin mo. "Stop smoking. Qin Chen said that it's best for you to quit smoking and women with your broken body. Women can't do anything about it, but you can always quit smoking, right?"

therefore, rong yue just smiled and stopped smoking. he just lit it between his slender fingers.

After a while, he suddenly looked up. actually, he Huan, Hanhan, has always liked you. It has never been me.

Qin mo was a little surprised.

"kang qiao told me." Rong Yue smiled calmly. maybe it's because an outsider sees more clearly. Kang Qiao has always been an outsider. That's why he can see more clearly than us.

Qin mo nodded his head slightly. I understand.

Rong Yue thought to himself that Qin mo should have already known about it. However, the one who knew and expressed his feelings was the 33-year-old he Huan. Facing the he Huan who had returned to the past, he was probably also helpless!

rong yue left very quickly. he huan watched him walk past from the secretary's office, and she stared at him helplessly.

she thought that rong yue would just walk over like this. however, when he was about to reach the elevator, he suddenly turned his head to look at her and gave her a warm smile.

he huan was a little relieved.

she thought to herself that perhaps after so many years, she had returned to this moment just for this relief.

She waved at Rong Yue. The warmth in Rong Yue's eyes increased and he finally left.

He Huan's hand fell and she said to Secretary he, " "actually, ai mengmeng is not bad. rongyue should be very happy, right?"

"yes, they're very happy," secretary he replied with a smile.

he huan made a face. " i'm relieved! "

After she finished speaking, she ran off to look for Qin mo.

Secretary he looked at he Huan's back and thought to himself, " boss Qin is already so old. It's probably going to take a while for him to be with this little guy.

he huan went to qin mo's office. qin mo was reading some documents and looked very calm.

She went over and pressed on his shoulder from behind, her voice a little delicate. “You, don’t you have anything to say to me?”

qin mo’s gaze was still on the documents in his hands. he smiled faintly, ” ” what’s there to say? we’re an old couple, and rong yue has a wife too. if i have to say something, i still want to tell you that you’re mine! ”

he huan stuck out her tongue and sat on the armrest of his chair. after a while, qin mo pulled her into his arms. he huan protested softly, ” qin mo, aren’t we an old couple? we shouldn’t be so close. ”

“we’ve always been like this.” he touched her hair and smiled gently.

He Huan’s face turned red again.

she couldn’t say a single word.
