Chapter 4711: qin mo, why did i suffer a miscarriage 4

After returning to her room, she was a little bored. She looked around and found some of her clothes.

From the material and style of the clothes, they were definitely not for an 18-year-old girl. He Huan touched the fabric and sighed in her heart.

It was really 2019 now.

because she had slept a lot during the day, she just looked around casually and was not sleepy at all.

As she flipped through the books, she accidentally opened the bedside cabinet and her eyes froze.

it was a medical record, and the name was he huan.

...

she also recognized the doctor's handwriting. it was qin chen, and the date was a few months ago.

he huan flipped through the pages until she saw a few words at the end-

An accidental miscarriage.

his gaze froze and he couldn't move it away for a long time, just staring straight at it.

qin mo opened the door and saw he huan sitting by the bed with a medical record in her hand.

He understood everything at once. He slowly walked over and squatted beside her without saying a word.

he huan looked at him and closed the medical record. her voice was as soft as a kitten's."qin mo, how did i get a miscarriage?"

Qin mo took the medical records from her and said softly, " "It's my fault."

he huan was still staring at his face.

qin mo placed his palm on her face and whispered after a while, " we were quarreling at that time. I didn't notice that you were pregnant, and you didn't notice either, so the child was lost.

His voice was hoarse as he spoke.

in reality, that incident was not only hurtful to he huan, but it was also hurtful to qin mo. he could not let it go.

at this moment, the wound in his heart had been uncovered. it was hers and his.

He Huan's gaze fell into his eyes. After a long time, she reached out her fingers and gently placed them on the back of his hand.

Her voice was hoarse. Qin mo, do we also quarrel and get unhappy? "

Her voice sounded a little fragile. She was probably used to his kindness, so when he said that they had quarreled and that the child was gone, she always felt a little unreal. These days, she had been doted on so much that she almost forgot about Rong Yue and the hurt that they might have had.

She was already a child who was spoiled by sugar.

qin mo simply sat on the carpet and pulled her down into his arms. he placed his chin on her head and said, " we are also a normal couple. of course, we would quarrel. in fact, our marriage started with hanhan. "

Qin mo paused for a moment before he slowly said, " " rong yue fell into a vegetative state eight years ago. "

he huan's eyes widened. "so you're threatening me to marry you?"

"A threat?" Qin Mo's voice was low. you begged me for that.

"Is there a difference?" he huan's eyes widened. "qin mo! you're really shameless!"

He laughed. If he had any shame, yihuan's surname wouldn't be Qin.

"let the past be the past," he sighed, "don't think about it anymore, okay?"

he huan didn't say anything. when she was sleeping, she rested her head on his shoulder and couldn't help but ask, "Qin mo, why did we quarrel?"

After a pause, she asked hesitantly, "Do you have a woman outside?"

This time, Qin mo glared at her. what are you thinking about? You talk nonsense all day long."

he huan lay upright and looked at the ceiling. "but i don't understand. how can we disturb the miscarriage?" that child is yingluo."

Qin Mo's voice was also a little hoarse. the child is too young. We don't know his gender yet.

He turned over and held her in his arms, kissing her forehead. "Alright, stop thinking about it, okay?"

Chapter 4712: Qin mo, why did I suffer a miscarriage 5

He Huan lowered her eyes. She said yes, but she didn't sleep well that night. She would always wake up in the middle of the night.

After she woke up, she couldn't really fall asleep.

Qin mo had also woken up. He chose to accompany her.

Knowing that she couldn't fall asleep, he simply carried her to the living room, wrapped her in a small blanket, and watched TV together.

After that, he Huan cried.

She had lost her memories. She could not remember the existence of that child, but she still cried.

...

Qin mo also felt very bad. He comforted her for a long time but she still cried.

In the end, he decided not to watch the TV. He carried he Huan back to the bedroom. Every step he took was heavy as he carried her. He kicked the door open.

he huan seemed to have sensed something. she looked up, her eyes filled with panic.

Qin mo was quite determined. He kissed her on the forehead and said hoarsely, " "don't be afraid."

Yingluo (harmonious)

In the morning, when he Huan woke up, Qin mo was no longer in bed.

She lay on her side with one hand on her head and the other on Qin Mo's pillow. She stroked it gently, and there was an indescribable feeling.

After Qin Mo made breakfast, he went upstairs and saw he Huan's flustered appearance when he opened the door.

he smiled and sat at the head of the bed. he reached out and pinched her face. ” do you want to get up? ”

he huan shook her head and moved her head to his side, looking very obedient.

Qin mo saw that it was still early and did not mind being intimate with his little wife for a while.

Qin mo did not know if it was because she could not remember anything, but he felt a different feeling. This feeling was something only the person involved would know.

He caressed her hair gently and heard he Huan’s soft voice. ” qin mo, i want to stay here. or can we bring shen ting and yihuan to the apartment together? ”

I don’t remember, but I’m yihuan’s mother. Amnesia is not an excuse to shirk responsibility, don’t you think so? ” she said softly.

Qin mo chuckled and pinched her nose. “When did you become so concerned about the overall situation? I’m actually not used to it. ”

He Huan was furious. Qin mo!

He gave it some serious thought, then said, ” “Anyway, you’re not doing your proper work now, Yingluo.”

“What do you mean by not doing proper work?” no! he Huan was instantly displeased. my movie with a box office of 3 billion is still in screening.

qin mo laughed. ” that’s right. director he, it has only been half a month since you lost your memory. ”

He glanced behind her, and he Huan immediately understood. Her face was a little hot, and she buried her face in his arms, more or less coquettishly.

Qin Mo’s heart softened. He lowered his head and whispered into her ear, ” “actually, we should have stayed alone for a week.”

How could he Huan not understand? he was even more unwilling to come out and only hugged him.

Qin mo had an indescribable feeling in his heart. However, the children were going to wake up soon.

Some words were more or less inconvenient because Yi Huan could rush in at any time.

he pondered for a while before whispering, ” ” let’s stay here. shen ting doesn’t have a special room in the apartment. ”

He Huan didn’t expect him to agree so quickly and was stunned for a moment.

qin mo chuckled and pinched her cheeks again. ” wake up, i’ll go get yi huan. oh right, we have to send the children to school today. ”

“You’ve finally found your conscience,” he Huan snorted.

qin mo was already holding the doorknob, but at this moment, he turned around and said with a smile, ” “Who are you doing this for? he Huan, tell me.”

Chapter 4713: Qin mo, why did I suffer a miscarriage 6

When he asked this, he Huan did not say anything.

Qin mo smiled and did not force her. He left immediately.

he huan hugged her blanket and spaced out for a while. she couldn’t help but feel a little sad when she thought of the child. however, when she thought of yihuan, she felt a lot better.

after all, what was in his hands was the real thing.

He Huan got up to brush her teeth and wash her face. When she went downstairs, the two children were already sitting at the dining table.

yi huan was in high spirits today. she was so happy when her father told her that he and her mother were going to live here.

...

Qin mo sat in the main seat with an English morning newspaper by his side. He looked at it indifferently while drinking black coffee.

He Huan sat in her seat. When Shen ting called her "Auntie," she said it was early.

Shen ting was a child that she felt familiar with at first sight, and she didn't need time to get to know him. Yihuan was even more so, she was just a shadow and clingy, so there was no gap between them.

Everyone's breakfast was different. Qin mo was very thoughtful.

He Huan drank her milk and ate her breakfast. She felt warm inside.

she thought of last night and her face burned. she did not dare to look at qin mo.

At this moment, Qin mo looked over while flipping through the newspaper. He Huan's heart suddenly jumped, and she looked a little embarrassed.

"we are an old couple, mrs. qin." qin mo chuckled.

he huan glared at him. he was too despicable.

One of the two children pretended not to understand, and his young and handsome face was a little red. The other child was too young to understand, and he only knew to look at Shen ting's face. He cried out, "Big brother, why are you blushing?"

“you’re wrong,” shen ting said, looking very embarrassed.

I’m not seeing things, ” Yi Huan said. my brother’s face is really red.

He Huan’s face turned red when she finished her sentence.

Yi Huan looked at this and then at that, so she could not understand.

It was really strange!

He Huan wanted to dig a hole in the ground after eating breakfast. It was all Qin Mo’s fault.

so, she kicked him hard under the table as revenge.

Qin mo looked at her and smiled. He seemed to be very satisfied.

He Huan was furious. She regretted her weakness last night, but it was useless.

She was originally his.

after breakfast, qin mo personally drove the children. after sending the children off, he huan followed him to work. now, he would bring her with him wherever he went. she was like a small luggage.

When they arrived at King Entertainment, he Huan had a cup of tea at Secretary he’s place. Just as she was about to leave, one of Qin Mo’s second secretaries saw the hot search on Weibo and exclaimed, ” “Oh my God, Edgar was caught.”

secretary he furrowed his brows and was about to stop him when he huan asked, ” “Who is Edgar?”

the second secretary received the warning look from secretary he and realized it later on. however, he had no choice but to bite the bullet and say, ” she’s a popular female star who’s now involved in

many crimes, so Qianqian was arrested. According to rumors, if she's sentenced to at least ten years in prison, she's ruined, but she's already pretty much ruined.

he huan looked at the second secretary, not understanding why she was so nervous.

after he huan left, secretary he scolded the second secretary. "if anything happens, just wait for president qin to kick you out. can't you see how much he treasures you now?"

Chapter 4714: Qin mo, why did I suffer a miscarriage before 7

after he huan left, she closed the door. she kept feeling that something was strange. the second secretary's attitude just now was too strange.

however, she couldn't ask further. she always felt that aijia seemed to be a taboo in KING entertainment, and this taboo might be related to her.

her heart suddenly skipped a beat as she recalled the medical record from last night.

She quarreled with Qin mo about the child she lost.

so, she was restless the whole morning. she opened her laptop and searched for edgar.

she was a very beautiful woman, especially her pair of eyes. they were very charming, but not vulgar.

...

he huan closed her notebook. she didn't know why she felt flustered, but she couldn't explain it.

in the end, she decided to go out for a walk. she didn't dare to go out, and she couldn't go out either, so she just walked around KING entertainment's interior.

when he reached the 23rd floor, he huan met someone she had known since she was young.

su yiliu.

She was also a very beautiful woman who had grown up together. The SU family and the Qin family were also very close.

He Huan looked at her, and she looked back at he Huan.

A moment later, su Yiliu said indifferently, ” ” he huan, you won. i’ve been frozen and ai jia has been arrested. all that’s waiting for her is to go to jail. qin mo did all this to make the beauty smile. ”

he huan looked at su yiliu quietly, not telling her that she had lost her memory.

She had heard too many keywords.

Su Yiliu paused for a moment and said, ” however, I didn’t expect that the arrogant he Huan would choose to forgive me after her miscarriage. After all, Qin mo really wanted to be with me at that time, and even Auntie Qin agreed. He Huan, I remember that you were very cold and aloof. Back then, you went abroad for so many years because of Aijia’s incident, but now you don’t mind at all. Maybe she really has a story with Qin mo.

He Huan’s fingers were clenched tightly. She chose to be calm.”Such an attitude doesn’t seem like something someone who’s been put in the cold storage would say.”

With that, she turned around and left.

When she left, he Huan’s back was straight, and there was an indescribable sense of loneliness.

women, beautiful women, surrounding qin mo. she could guess that he had a story, but she shouldn’t have found out today. they had only talked about it last night.

He Huan’s heart was initially a little pink, but at this moment, it was all gone.

just like when yi huan was angry, every strand of her hair was dejected. she did not return to qin mo's office immediately. instead, she ordered a cup of coffee in the staff cafeteria. her body could not really drink coffee, but she wanted to drink it now.

He Huan was halfway through when tears suddenly gushed out, wetting her eyes.

She felt a little aggrieved, but she didn't know how to question Qin mo. The past was in the past. He said that they were very in love later on. She couldn't question him because of what others said, but she was also sad.

she sat there for half an hour before qin mo called her. he asked her gently where she was.

he huan sniffled. " i'm in the restaurant. " I'll be back in a while."

Qin Mo's voice paused for a moment before he asked her very gently, " "did you catch a cold? why are you sniffing?"

She gave a muffled " Oh ", feeling a little embarrassed and not wanting to tell him the truth.

How could he not guess what kind of person Qin mo was? he just brushed it off. "Come over, Secretary he has brought the food over. It won't be good if it gets cold."

He Huan agreed, but she sat there for another half an hour before going up.

Chapter 4715: Qin mo, why did I suffer a miscarriage 9

He Huan pushed the door open and saw Qin mo sitting on the sofa. There were two wooden lunch boxes on the coffee table in front of him. Neither of them was opened. It was obvious that he had not touched his lunch.

He Huan stood at the door. Her lips moved slightly, and she felt a little suffocated.

all of a sudden, she felt that it was not good for her to be like this. she had eaten some snacks at secretary he's place and she did not need to work. however, qin mo had been busy the entire morning and was waiting for her like this.

he huan pursed her lips and walked over slowly. she said in a low voice, " why aren't you eating? "

Qin Mo's eyes were originally closed. At this moment, he opened his eyes and said calmly, " "i'm alone, so i don't really feel like eating."

He Huan sat beside him and opened the lunch box as she mumbled, " "you're not a little kid anymore, you need someone to accompany you!"

...

qin mo's eyes darkened as he stared at he huan. " it's different today. "

His words reminded he Huan of last night. Her face was a little hot, and she pretended to do something while saying softly, " "What's the Difference? the sun rises and sets all the same."

After she finished speaking, she turned to look at Qin mo.

Qin mo also looked at her in the same way. There was an indescribable look in his eyes.

He Huan felt her face burning even more. She lowered her eyes and did not speak for a long time.

"it's time to eat," he said after a while.

Qin mo smiled and nodded.

The two of them finished their meal in silence. He Huan was the one who cleaned up after the meal. She was a little absent-minded, but Qin mo finally couldn't bear it anymore. He reached out and grabbed her hand, saying in a hoarse voice, " "there's nothing like what you're thinking."

" ah! " she exclaimed and stared at qin mo with wide eyes.

Qin mo leaned back on the sofa and closed his eyes. didn't you meet su Yiliu in the company? "

"how did you know?" He Huan's voice was soft.

qin mo smiled. "you haven't seen me in the company for such a long time. shouldn't i ask?"

"don't you want to know what she told me?" he huan asked after a moment of silence.

This time, Qin mo said firmly, " some unimportant things. They're already old and rotten.

He Huan was a little speechless, and she raised her voice. "qin mo, how is this not an important matter? maybe we wanted a divorce or hanhan because of these women!"

"we fell in love later." "they didn't cheat on me like you thought, and they didn't do anything like that. if i liked them, they wouldn't be like this today, right?" president qin said in a very practical manner.

"that sounds reasonable," he huan snorted.

but Qin mo, "she said after some thought," you're talking about them. There's someone else other than su Yiliu!

"AI Jia, didn't you want to ask her?" Qin mo paused for a moment before he spoke.

he huan bit her lip and did not speak.

Qin mo smiled lightly. there is nothing between us. The things in between are too complicated. I will tell you slowly in the future. In short, Rong Yue is the one who wants to send her in.

He Huan's mind was also spinning quickly. She held her breath and looked at him."why is it rong yue and not you?"

” that’s because rong yue is more qualified to hate her. however, ran ran, ” qin mo thought in his heart.ai jia must have something in his hands, which was why she could let ai mengmeng leave as she wished.

After he said that, he Huan understood. She widened her eyes. but you’ll make Rong Yue lose AI Mengmeng.

Chapter 4716: qin mo, why did i suffer a miscarriage 9

“if she’s going to lose something, she’ll lose it eventually. do you think ai jia will let ai mengmeng go? they’re sisters and didn’t let her go before. do you think she’ll let her go now that ai jia is like this?” qin mo said, hitting the nail on the head.

He Huan nodded, but then she was a little confused. “What did she do?”

Qin Mo’s expression became gentler, and his voice became even lower. there are some things that are better left unknown.

He Huan had forgotten everything. He hoped that she could grow up purely, just like yihuan, who knew nothing.

He Huan stared at him for a long time before whispering, ” “why do i feel like you’re feeling guilty?”

qin mo smiled. ” i’ve already asked you to follow me 24 hours a day. what other problems do you have? ”

...

He Huan felt speechless.

It was a boring topic anyway, so she didn’t want to talk about it anymore. After strolling around for the whole morning and eating something, she wanted to sleep.

Once she entered, Qin mo immediately followed her.

“Qin mo, what are you doing?” he Huan’s eyes widened.

“Let’s take an afternoon nap together,” he said matter-of-factly.

he huan looked at the time. ” it’s almost 1:30. don’t you have work to do? ”

qin mo rested his head on his arm and turned to look at her. he smiled. ” you worked too late last night, and I helped you answer your questions just now. He Huan, don’t you plan to take responsibility? ”

what work was too late?

he huan’s face turned slightly red, and she turned her back to him, not wanting to talk to him anymore.

Qin mo laughed and pulled her into his arms, coaxing her, ” ” alright, alright, time to sleep. you’ll get wrinkles if you don’t sleep well. ”

“I’m only 18!” He Huan immediately shouted.

“Mrs. Qin, you’re 33!” He ruthlessly exposed her beautiful dream.

“i’m 18 years old,” he huan snorted.

qin mo laughed and whispered in her ear, ” “Then, why are you willing to do it?”

“Ah!?”

He Huan’s voice was a little shaky.”Willing?”

however, she immediately thought of what she wanted.

Her face was a little red, as if it was on fire.

Qin mo smiled gently and did not say anything else. He was indeed tired. He had been working overtime every day ever since she lost her memory.

the current president qin only wanted to retire early.

he huan soon fell asleep, but qin mo did not.

For a superior like him, if he were to fall asleep in an instant, what difference was there between him and a pig (he Huan)?

he lay down quietly and thought for a while. he thought about ai jia and ai mengmeng's departure, and he felt that something was wrong.

rong yue couldn't find ai mengmeng, but in fact, it wasn't that qin mo couldn't find her.ai mengmeng always needed her identity card. at certain times, qin mo would suddenly stand up, walk to the desk outside, and press the internal line."Help me find AI Mengmeng's whereabouts, at all costs."

Secretary he had hired the most famous hacker in the industry and found AI Mengmeng's whereabouts in less than an hour. It turned out that she had not left B city but had chosen to hide in a small hotel in the suburbs of B city. She had rented a very small apartment in the past two days, the kind that was only 28 square meters.

qin mo looked at the photo and could not help but sigh. " AI Mengmeng was truly in love with Rong Yue.

Before Qin mo left, he instructed Secretary he to inform he Huan that he had a business meeting to attend to when he woke up.

secretary he nodded his head in understanding, but he was still a little worried. " "If he Huan knew about this, would he think too much?"

Chapter 4717: qin mo, why did i suffer a miscarriage 10

qin mo glanced at secretary he. ” i don’t want he huan to know too much. ”

I understand! Secretary he replied.

Qin mo took his coat and left the house. He drove his own car and after about an hour, they arrived at an old building in the suburbs of B city. It was the kind that did not have a residential area.

even such a building, which was 28 square meters, cost about 4000 yuan a month. this was very difficult for ai mengmeng.

Moreover, she had started to work. She found a job as a waiter in Western food and put on Japanese makeup. No one would recognize her. Occasionally, some customers would recognize her, but she would smile and say that they had mistaken her for someone else.

on this day, she happened to be working an afternoon shift. when she walked down the open-air corridor, she was stunned.

...

Qin Mo’s car was parked downstairs with the window down. He sat in the car and smoked quietly, obviously waiting for her.

AI Mengmeng slowed down, but still walked over.

Qin mo stubbed out the cigarette and looked at AI Mengmeng. get in the car. Secretary he has asked for leave on your behalf. Let’s find a place to have a cup of coffee.

AI Mengmeng was uneasy. She had known Qin mo for a long time. Perhaps he had treated her well because of Yihuan or helped her because of He Huan, but they had never sat down and had coffee together as equals. She knew very well that there was a huge difference between her and Mr. Qin.

Just as she was hesitating, Qin mo had already opened the car door for her and said again, "Get in the car."

AI Mengmeng acknowledged him and got into the car.

Qin mo started the car immediately. AI Mengmeng, who was sitting beside him, still felt uneasy.

After driving for about ten minutes, they arrived at a pretty good coffee shop. AI Mengmeng thought to herself that this was probably the best in the area. With Qin mo's status, he would naturally not find a bad place. His secretary would arrange all these things well.

AI Mengmeng got out of the car and looked up at the café in front of her. It was much better than the one she worked in.

They entered together. The waiter saw Qin mo and called him Mr. Qin. After seeing AI Mengmeng, he was stunned for a moment and then called him manager.

AI Mengmeng was shocked. Qin mo asked her to sit down and talk.

After they sat down, they each ordered a cup of coffee.

AI Mengmeng took a small sip and said softly, "Mr. Qin, I can't accept this."

"I've put the café under He Huan's name. If you want to reject me, you can tell him." Qin mo said calmly. "I will take care of Rong Yue for you. I have already arranged for an auntie to take care of him for 24 hours. Auntie also has some nursing knowledge. Besides, auntie is already 40 years old. What you are worried about will definitely not happen."

AI Mengmeng's lips moved, instinctively wanting to ask.

qin mo stopped her and continued, ” ” it’s rong yue. he really cherishes himself. i guess he’s waiting for someone. ”

ai mengmeng’s lips moved again, looking helpless. after a long time, she asked softly,”Is he alright?

Qin mo smiled. his wife ran away and his body is in such a bad condition. How can he be in a good condition? although Auntie can take care of Rong Yue, she can’t take care of him emotionally.

AI Mengmeng bit her lip and said in a low voice, ” I have my own difficulties.

“Is it because of Edgar?” Qin mo asked, hitting the nail on the head.

AI Mengmeng’s eyes widened and she looked at Qin mo helplessly. “Mr. Qin,”

Qin mo lit a cigarette and slowly took two puffs. “What did Aijia say to you?”

Chapter 4718: i can’t go back with you (1)

ai mengmeng’s eyes widened and she looked at qin mo helplessly. ” “mr. qin,”

Qin mo lit a cigarette and slowly took two puffs. “what did aijia say to you?”

AI Mengmeng paused for a moment, then took a big gulp of coffee. Her eyes were listless as she mumbled, she’s too scary and cruel.

qin mo did not interrupt her and listened to her.

“You won’t be able to imagine her,” AI Mengmeng said.

after she finished speaking, she was stunned for a moment. suddenly, her eyes met qin mo’s and her voice was very soft.”mr. qin, do you have an older brother called qin lu?”

...

qin mo's expression changed.

He stared at AI Mengmeng.ai Mengmeng said softly, " Mr. Qin, AI Jia has a child, and it's Qin Lu's. So, even if Rong Yue sued her, Mr. Qin would eventually find a way or use several times the manpower and resources to get her out. Rong Yue doesn't know, but you came to me today. I'm telling you this not because I hope you can save AI Jia, but because you have to. Qin Lu left for Mr. Qin, right? "

This was actually a huge piece of news, but Qin mo was very calm when he heard it. He only said that he understood.

"Are you going to save her?" AI Mengmeng asked softly, looking at him.

qin mo didn't say anything because he had to investigate as well.

ai mengmeng was a little disappointed when she didn't get a reply. she lowered her head and took another sip of her coffee. " don't tell rong yue that i'm here. "

qin mo agreed to this point.

However, even if Qin mo didn't say anything, she still met Rong Yue. More accurately, Rong Yue found her.

it was also in that small apartment that ai mengmeng had cooked noodles. a bowl of noodles outside cost more than ten yuan, but if she cooked a bowl herself, it would only cost two or three yuan. she only earned six or seven thousand yuan a month as a waiter, so she had to be more frugal.

yes, she had rejected qin mo's good intentions and wanted to be independent.

If Rong Yue could stand up after so much effort, so could she.

Besides, she didn't want to spend anyone else's money other than Rong Yue's. The vain AI Mengmeng from the past was already dead. She wanted to live well and be worthy of him.

Qin mo said that he was waiting for her. In that case, she had to be worthy of his waiting.

AI Mengmeng's eyes welled up with tears as she thought about Rong Yue. She wiped her tears away before she managed to hold them back.

At this time, there was a knock on the door. She thought it was the neighbor lady who came to deliver something. The people here were very hospitable and would send some dumplings and noodles over from time to time.

Thus, AI Mengmeng didn't think too much and opened the door directly.

She was stunned when she saw the door.

the person at the door was not the neighbor lady, but rong yue.

he was dressed in black and stood quietly at the door, staring at her.

AI Mengmeng's lips trembled uncontrollably, and she couldn't say anything for a long time.

he had lost weight, and his face looked a little serious. he was a little different from the rong yue of the past.

His palm gently touched her face, and his voice was a little hoarse."I've been looking for you for a long time."

AI Mengmeng was shocked. She wanted to escape, but he didn't give her a chance. Very quickly, he came in and kicked the door.

He missed her so much, so much so that he couldn't care less.

ai mengmeng took a step back, bit her lip, and looked at rong yue. her voice was also very soft.”rongyue zhenzhen”

Rong Yue hugged her gently. His expression was a little suppressed and restrained, but when he hugged her, he was very gentle.

It was so gentle that AI Mengmeng almost cried!

Chapter 4719: i can't go back with you

When she was hugged, when she was in his arms, all her persistence seemed to collapse, turning into a hug that night.

reuniting after a long time was naturally different.

Late at night, AI Mengmeng leaned on Rong Yue's shoulder and asked in a low voice, " how did you find me? "

Rong Yue's voice was very soft. I followed President Qin here.

AI Mengmeng's eyes widened as she looked at him in disbelief.

Rong Yue smiled bitterly again. what's the matter? "

...

AI Mengmeng covered her face and only muttered after a long time,”rongyue, this doesn't seem like something you would do.”

Rong Yue laughed softly. why doesn't it seem like something I would do? mengmeng, i want to see you. i don't have a way, but i know that president qin has a way.”

“Rongyue, you’ve been corrupted,” AI Mengmeng said weakly.

“Did I?” I don’t think so, ” he said with a smile.

“Come back with me,” he said, lowering his head.

as soon as he finished speaking, ai mengmeng’s body stiffened. she said in a low voice, ” i can’t go back with you. ”

“Why?” Rong Yue frowned.

AI Mengmeng was leaning on his shoulder. At this moment, she moved to the side and skillfully took out a cigarette from the cigarette box at the side. Rong Yue grabbed her hand and said, ” “You smoke?”

“no, i’m just lighting it up to take a look.” AI Mengmeng’s voice was soft. Then, she thought of Rong Yue’s body, so she didn’t light the cigarette.

Rong Yue was surprisingly tolerant. when you’re really annoyed, it’s fine to smoke one or two. It’s fine as long as you don’t get addicted.

AI Mengmeng couldn’t help but ask,”you don’t mind?”

“I just don’t want you to be too depressed,” he said in a soft voice.

ai mengmeng’s fingers were still holding the cigarette, but she felt like she was holding a poisonous snake. he had said that he would allow her to smoke one or two, but ai mengmeng felt that this was not good at all. rong yue was also annoyed, but he had never smoked before. he had been trying hard to be a good person.

ai mengmeng didn’t say anything. she just threw the cigarette box into the bin and said softly,”I won’t smoke again.”

Rong Yue nodded in satisfaction. He even touched her head like Mo's little pet. This made AI Mengmeng wonder if she had fallen into his trap just now. However, Rong Yue was usually a very friendly person. He didn't seem to have used any underhanded means.

So, she looked at him suspiciously, which was quite cute.

rong yue's fingers gently clasped her chin and his voice was slightly low. "Are you afraid of that?"

ai mengmeng's expression changed. she stared at rong yue and asked, "how did you know?"

Rong Yue was very calm. that person was released from prison. He came to me and I spent three million Yuan on him.

"you spent three million to buy the photos?" ai mengmeng bit her lip.

"No." Rong Yue's expression changed slightly. After a moment, he continued, "i'm just spending money to make this kind of scum disappear completely."

after he said that, ai mengmeng was stunned.

for a long time, she looked at rong yue and couldn't say a word.

she had never thought that rong yue would do such a thing, and it was for her.

Rong Yue smiled bitterly. come back with me. President Qin told me about AI Jia.

ai mengmeng looked at rong yue. "she will continue to harm others."

"are you scared?" Rong Yue said softly, "she's not a good person, but because of such a person, we have to separate. You plan to hide from her for the rest of your life and compete with her to see who can live longer. But AI Mengmeng, I may not be able to live that long. I may only have ten or twenty years left. No matter how short it is, I want to spend it with you. Honor and disgrace are no longer important to us. What's important is to be together and face it together, okay?"

AI Mengmeng gritted her teeth and looked at him.

she was already wavering and hesitating.

Rong Yue smiled. don't think about it anymore. I know you miss me.

AI Mengmeng turned around and ignored him.

Rong Yue was really shameless now.

"You're sleeping already?" Rong Yue pushed her.

AI Mengmeng agreed softly.

"didn't you cook some noodles? i'm hungry." "You haven't eaten either, have you?" he said, amused.

"i'm not hungry anymore," ai mengmeng bit her lip.

Although she said those angry words, she also knew that he was not in good health. It was already very hard for him to work his mind and body, and he probably really couldn't take it without anything to eat.

She was worried, so she looked at him.

However, Rong Yue looked especially good. How did he look like he was in low spirits?

her heart finally ached for him, so she quickly got up and put on a coat.

The noodles that were cooked previously were inedible. Other than being cold, they had also formed into lumps.ai Mengmeng looked at them for a while and felt her heart ache before throwing them away.

living alone, everything was simple for her. she rummaged through the refrigerator and only found one serving of dumplings that was given to her by the lady next door, so she took it out and cooked it. fortunately, there was enough for two of them.

after ai mengmeng was done, she prepared the condiments and placed them on the small dining table in two portions. it was a really simple meal, the kind that would make the two of them seem especially cramped when they were sitting together.

AI Mengmeng was a little uneasy. rongyue, just make do with it. Why don't you go home and sleep after you finish eating? there's no heater here. I'm afraid you won't be used to it.

Rong Yue held the bowl of dumplings and could tell that she didn't make them herself. He took a bite absent-mindedly and asked, "what about you? you're not coming back with me?"

AI Mengmeng shook her head, her voice a little soft."I won't go back. I've thought about it. It's good for me to live outside for a year or two."

She pretended to say in a relaxed tone, "I want to be independent too. You can't always take care of me!"

rong yue's gaze fell into her eyes and he said in a very light tone, "But I need someone to take care of me. If you don't go back, aren't you afraid that I'll sign the papers and find another person to marry? AI Mengmeng, are you sure I'll be waiting for you?"

his words were almost unreasonable.

AI Mengmeng's eyes welled up as she stared at Rong Yue.

it was the same for rong yue. after a long time, he spoke again, "ai mengmeng, i'm not joking. i know her. the thing that you can't experience in a relationship is loneliness. once you're lonely, you'll change. are you still going to leave now and live here alone, leaving me there? "

Her lips started to tremble, and so did her voice. but, Xuxu, Rong Yue, I feel that I'll implicate you if I get together with you. I'm not worthy of you.

She finally spoke her mind. She was afraid that she wasn't good enough for him and that one day he would despise her.

Rong Yue's face did not have much expression."i'm not in good health. not only can't i live for long, but i can't guarantee a normal life either. But I know that I can make you happy, and that's enough. If a person can't be perfect, then don't blame yourself, don't you think so?"

Chapter 4720: i can't go back with you 3

after he said that, ai mengmeng was stunned.

rong yue had a faint smile on his face. I'm not more perfect than you. I've liked someone else, but your feelings are a blank slate. So, in front of you, I'm the humble person.

AI Mengmeng looked at him for a long time, then lowered her eyes. have you seen the bank card I left behind? "

Rong Yue only hummed and asked softly, " what's wrong? "

ai mengmeng bit her lip. " i gave ai jia 40 million yuan. i thought she would let me go. rongyue, i'm sorry. you worked so hard to earn money, but i'm not. "

"It's a little wasteful." he actually nodded and continued, " however, I already told you when we got married that these are all your betrothal gifts, so you can spend them however you want. As for the living expenses in the future, the man should be the one earning the money to support the family, so no matter where the money went, I won't say anything. A man shouldn't blame his wife, right? besides, you only gave me this money because you wanted to be with me. If I continue to blame you, I'd be too stingy.

...

ai mengmeng was a little stunned. after a long time, she said slowly,"You already knew!"

“yes, i’ve known about it for a long time,” rong yue replied.

“then why are you still dealing with edgar?” AI Mengmeng asked anxiously.

rong yue reached out and stroked her hair. ” of course, because she hurt you. Even if she might be released now, I’m your husband. I’ll always protect you.

AI Mengmeng couldn’t say a word. She could only stare at him, her lips moving slightly.

rong yue smiled and looked at her, looking especially gentle.

ai mengmeng finally spoke,”rongyue, i’m going to cry.”

“i know,” he said in an especially gentle voice.

As he spoke, he picked up two dumplings from his bowl and gave them to her. “you’re eating too little. eat two more.”

ai mengmeng stared at him for a while, then lowered her head and ate two. her cheeks were stuffed full, and after a while, she said in a low voice, ” if i don’t go back, will you really marry someone else? ”

Rong Yue smiled and pinched her face gently with his long and beautiful fingers. I thought you didn’t care.

AI Mengmeng didn’t say anything. She just lowered her eyes and ate a few more dumplings before saying in a low voice,”If you don’t care, then there wouldn’t be such a conflict.”

She looked at him and lowered her voice. am I very spineless? ”

” yeah, ” he said with a smile. ” a little, but i quite admire it. ”

AI Mengmeng looked at him again and didn’t say anything.

rong yue knew that she was thin-skinned, so he didn't say anything more and just finished the dumplings together.

He watched the TV for a while and watched AI Mengmeng clean up the house. She was very good at housework. She had been able to clean up the house very well when they lived together in the past. Although this place was small, it was still very clean.

After she was done, AI Mengmeng said uneasily, "rongyue, why don't you go back and stay first? I can drive.

"together?" rong yue looked at her quietly.

AI Mengmeng hesitated for a moment before nodding her head firmly."Yes, let's go together,"

rong yue sighed. " there's no rush if we're together. let's sleep here for the night. "

she was still uneasy. she felt that this place was too simple and crude. his health was not good, and she was afraid that he would not be used to it.
