Chapter 4811: i'm afraid of the dark when i sleep alone (10)

after the kiss, yi huan was still in his arms.

she bit her lower lip lightly, her eyes welling up with tears."Shen ting, Qianqian."

He had one hand on her waist, but he didn't want to hear anything from her.

He only wanted to kiss her.

He did the same.

They kissed for a long time, about one or two hours, but it was only a kiss.

...

No matter how many, on such a night, in the current situation, it was not suitable.

in fact, even kissing was considered crossing the line. after all, she had just broken up with ye xiangnan, and shen ting still had a girlfriend in name, wanwan.

But if they didn't kiss, they didn't seem to know what to do.

when they were finally done kissing, yi huan leaned gently on his shoulder. after a long time, she asked softly, " "Have you and Bai Anan ever been intimate?"

shen ting reached out and gently touched her hair. after a while, he said, " "i've never kissed you like this."

yi huan was at a loss. he meant that they had kissed.

it was just a different method.

she got down from his body and scratched her hair.”i’m sorry, i just ...”

“i was the one who initiated it.” Shen ting probably knew what she wanted to say, but he didn’t want to hear what she wanted to say.

yi huan shifted to the side and forced a smile. ” i’m going to sleep. ”

she ran as fast as a rabbit, and after a few steps, she realized that the strap of her pajamas had come loose.

She exclaimed, Oh my God!

She was filled with regret. Shen ting must have thought of her as a bad person, just like what she had done when she was 18 years old. She had picked up a slut who didn’t cost her money and left him behind.

He said that he was the one who initiated it, but she knew that she was the one who initiated the hug. If she hadn’t hugged him, nothing would have happened.

She hurriedly tied the straps, but she heard footsteps behind her.

Yi Huan turned around and saw Shen ting walking towards her.

she couldn’t help but take a step back. ” i’m going to sleep. ”

as soon as she finished speaking, a warm thing was placed in her palm.

Yi Huan looked down and saw a milk bottle.

“you’ve forgotten about this.” Shen ting said softly.

yi huan was dumbfounded. after a long time, she felt particularly embarrassed and bit her lip.”Thank you, Yingluo, and I’m sorry.”

“sorry for what?” “Are you sorry for kissing me?” he asked hoarsely.

“No,” she suddenly looked up.

“I said I was the one who initiated it.” as he spoke, he reached out and gently pinched her cheek. then, yihuan’s eyes went black. shen ting leaned over and kissed her again.

This time, he didn’t sit in such an embarrassing position. He was very tall and bent down to kiss her.

It was beautiful and shallow.

he pressed his lips against hers and said in a low and hoarse voice, ” “good night kiss.”

Then, he left.

yi huan did not dare to look up because her face was burning and her lips were trembling.

“does this count as snatching someone else’s boyfriend?” she asked softly after a long time.

“I thought you were going to Italy?” Shen ting smiled.

She was stuck again, unable to say a word.

Shen ting smiled again. He lowered his head and touched her face with his fingers, ” “Do you still feel uncomfortable now?”

yi huan felt that it was immoral, so she bit her lower lip and did not say anything.

Shen ting left the room gracefully. He still had some things to deal with. He was really busy every day. Secretary Wang was not exaggerating at all. He had been accompanying yihuan for the past few days and had a lot of things to deal with.

Chapter 4812: i'm scared of the dark when i sleep alone 11

shen ting left the room gracefully. he still had some things to deal with. he was really busy every day. secretary wang was not exaggerating at all. he had been accompanying yihuan for the past few days and had a lot of things to deal with.

After he left, Yi Huan could not fall asleep. She lay on the bed, holding the milk bottle in her hand but it was useless. She tossed and turned but could not fall asleep. She clearly did not recognize the bed.

At one o'clock at night, she couldn't stand it anymore. She got up and looked outside. Shen ting was still working.

he heard the commotion and turned his head. " "why aren't you sleeping?"

"Heat up the milk." Yi Huan coughed.

"Qin yihuan, do you really treat yourself like a baby?" Shen ting laughed.

...

it was bad enough to hold a milk bottle, but she still had to warm it at night.

"it won't taste good if it's cold," yi huan said self-righteously.

She went to heat up the milk. Seeing that she was busy, Shen ting closed his laptop and walked behind her to take the milk bottle from her hands. make another cup.

Yi Huan watched as he poured the milk out of the bottle and said, ” “That’s such a waste!”

Shen ting only glanced at her and didn’t say anything in the end.

Yi Huan stopped talking and gave a fake smile.

he made her some milk again and said, a little speechless, ” “i drink this all day, and my body reeks of milk.”

Yes, the 25-year-old Yi Huan still had the smell of milk on her.

however, it smelled good. shen ting didn’t tell her about that.

this was also one of the reasons why he didn’t object to her drinking milk. he really liked the taste.

as a mature man, a man who was busy with many things every day, he would not take the initiative to say it.

shen ting placed the milk bottle in her hands and smiled. ” “i’m going to sleep soon.”

Oh, ” Yi Huan replied. After a few steps, the electricity suddenly stopped. Then, there was a flash of lightning in the sky, followed by Thunder.

it was pitch black all around, and he couldn’t even see his fingers.

yi huan instinctively hugged shen ting. her teeth were chattering, ” “I can’t see.”

Shen ting’s heart ached.

He knew that she was afraid of the dark and that she couldn’t be alone in a closed space because she had been locked up when she was young.

they were kidnapped together and locked in a small dark room together. there was no one else, no food, and no water. they had to endure it for more than 30 hours. all they had was shen ting's warm embrace.

Yi Huan was scared. She shrank into his arms, afraid that Shen ting would disappear.

"don't be afraid, i'm here." he consoled her in a soft voice and then made a call to find out when the phone would be restored. however, he made a few calls, but the news he got was not very good.

He simply carried her and walked to the window.

outside, there was a thunderstorm. in just ten minutes, the street was full of water.

The rain was unprecedentedly heavy.

shen ting looked at her and then lowered his head.

yi huan hugged him tightly and refused to let go.

"yihuan!" he was helpless.

"I'm not letting go." "i'm scared," she said, burying her face in his arms.

she was really afraid of the dark, and even holding the milk bottle was useless.

shen ting had no choice but to carry her to his bedroom.

although she couldn't see him, she could smell his scent in the master bedroom. it was very nice.

"sleep first, okay?" shen ting's voice was soft.

yi huan was still clinging onto him like a little bear. shen ting sighed, "I'm going to take a shower."

But she didn't even give him a chance to shower. She just hugged him and said like a kitten, "I'm scared."

Chapter 4813: I'm afraid of the dark when I sleep alone 12

Shen ting was in a difficult position. he reached out to hug the little girl in his arms and sighed, "I'll be back in a while after I'm done, okay?"

"I don't want to." she was still clinging to him, refusing to let go.

Shen ting closed his eyes. When he opened them again, his fingers gently touched her hair. Then, he slowly moved his fingers to her ears and gently pulled them, "be obedient."

Yi Huan refused. Not only did she refuse, but she also pressed her little face against his chest and hugged him even tighter.

Shen ting's heart broke down. he was always a man.

But now, he couldn't leave her behind no matter what. After hesitating for a moment, he reached out and hugged her.

...

They lay down together and hugged her, comforting her.

At this moment, not only her, but even Shen ting himself also remembered that dark night.

he sighed and continued to hold her in his arms.

probably because she could feel his body temperature, yi huan only relaxed after a long time and leaned into his arms.

“In the past, what happened when there was a power outage at home?” Shen ting asked her in a soft voice.

“I’ll have a backup power supply,” she whispered.

although she often did this when she was young, they were still very young at that time, so there was nothing wrong with it. but now, she was a girl, and shen ting was a mature man.

this was not right.

at least, it shouldn’t be like this.

he also knew that she was afraid, but it was his fault for letting her do this.

Shen ting slightly closed his eyes, and after a moment, he gave up struggling.

on a night like this, he was holding her just like when she was young.

outside, it was a storm, and inside the house, there was a slight chill.

however, yi huan was warm. she was like a small animal in his arms, feeling very comfortable.

in the middle of the night, she woke up in a daze and saw shen ting the moment she opened her eyes.

In the dark, his eyes were wide open, and Yi Huan said in a daze, “You’re not sleeping!”

“How do I sleep?” He said helplessly.

yi huan continued to move around until he was covered by the blanket.

shen ting let out a long breath. his large palm held her small head and gently stroked it.

"I won't tell anyone," Yi Huan said vaguely.

Shen Ting lowered his head, "alright, time to sleep."

"oh," she said obediently.

she quickly fell asleep, leaving Shen Ting behind.

He held her like this until the rain stopped and the world was bright again.

but as he held her, he carefully turned off all the lights in the bedroom, lowered his head, and carefully pressed her into his arms.

that night, it was a stormy night, but it also seemed to be calm.

In the morning, when Yi Huan woke up, Shen Ting was no longer by her side.

she sat up and realized that she was on Shen Ting's bed.

the grey bed sheet and the pillow with his breath on it reminded her of last night.

Chapter 4814: Qin Yihuan, think about it carefully 1

Yi Huan immediately buried her head in the thought of last night.

she didn't want to see anyone anymore!

Just as she buried her face in the pillow, Shen Ting appeared at the door. get up and have breakfast. I think you won't be too free today. Even if you don't show up, the reporters won't let you off. I'll send you to the company after breakfast. You know what to do with public relations."

Yi Huan turned over and lay flat on her back. She stared at the ceiling in a daze.

after a while, she said softly, " after I took over King Entertainment, I've been through a lot of crisis management, but I never thought that I'd have to deal with my own personal matters one day.

shen ting straightened his body and said indifferently, " " so, this incident reminded us not to get into a relationship at such a young age. "

...

"you're the one who's in a relationship, you're the one who's in a relationship!" yi huan jumped up.

shen ting ignored her and went straight to the dining room. " hurry up. otherwise, you'll be late. the media will accuse you of being overly sad. "

her answer was that she threw a pillow behind him, and it hit shen ting's waist.

shen ting turned his head around and looked at her for a few seconds. then, he bent down and picked up the pillow. he patted it and placed it back on the bed.

yi huan bit her lip.

he smiled. " if you're not that sad, get up and take care of your own matters. wipe yourself clean before you go abroad. otherwise, yingluo will seem too useless. "

yi huan snorted, lifted the quilt, and went to the bathroom.

she had forgotten that she was in the master bedroom, so she entered it naturally.

Shen ting quietly looked at her, his eyes filled with deep thought.

when yi huan came out, shen ting was already in the dining room. she had changed into her own clothes and was sitting beside him.

shen ting was reading an english morning newspaper. he turned his head and glanced at her. ” have some warm milk. ”

she took a sip in embarrassment, then looked at shen ting. ” are you going to KING entertainment?
”

she felt that shen ting would pay special attention to anything that affected the market value of the stock.

However, Shen ting only glanced at her and casually said, ” “you can handle this small matter on your own.”

Trifling matter tadpole yihuan sighed softly.

don’t drive for the next few days, ” Shen ting continued. I’ll pick you up.

yi huan refused without a second thought, ” “aren’t you very busy?”

“I can still spare some time for this.” He said in a low voice.

in fact, it was also right. the internal affairs of the group were already very stable. they were busy only because of their ambitions. if they didn’t have such great ambitions, they wouldn’t be so busy.

after shen ting finished speaking, yi huan looked at him while eating her bread, as if she was sizing him up.

“hurry up and eat.” he patted her hand, his voice neither warm nor cold.

“i won’t tell bai anan about what happened last night,” yi huan suddenly said.

shen ting looked up, but he didn’t seem to notice her. however, after a while, he roughly understood what she was saying. he frowned and said, ” whatever. ”

yi huan was not happy, she bit her lip and said, ” “What do you mean by” whatever “? you’re too casual!”

“What else?” Shen ting smiled.

the smile on his face suddenly disappeared as he looked at her quietly. ” qin yihuan, did you really sleep with me last night because you were afraid? ”

yi huan was stunned for a moment and looked straight at him.

after a long time, shen ting smiled and asked, ” “just because you’re afraid?”

this time, yi huan answered him quickly, ” “of course i am.”

Chapter 4815: qin yihuan, think about it carefully 2

shen ting’s smile deepened, and he didn’t say anything more. he just took his coat, changed his shoes, and sat on the sofa to wait for her.

He had a lot of things to deal with, so he contacted Secretary Wang on his phone while waiting for Yi Huan.

yi huan was still in shock. shen ting’s casual words made her feel uneasy.

How should she put it? it reminded her of the night when she was 18 years old. She was also shamelessly clinging to Shen ting like this. At that time, Shen ting didn’t have a girlfriend. Now, he had Bai Anan.

she said that she wouldn’t say it, but was there a difference? it was just as shen ting had said, was she really just afraid?

In her heart, she had always thought that Shen ting belonged to her. No matter whether she was with ye xiangnan or not, Shen ting should be hers.

...

That was why she had done it that year.

yi huan was in a mess. she suddenly realized that she might have been wrong in the past.

now, he was wrong again, but it seemed that he was not wrong.

That kind of fuzzy feeling that was about to come out was driving her crazy.

her gaze fell on shen ting. he was sitting on the sofa, and the sun was shining in through the floor-to-ceiling window.

the room was beautiful.

and he was still as handsome as ever.

She looked at him and felt like she had missed something.

all these years, perhaps she had missed out on the precious shen ting.

Back then, her actions were so despicable in Shen ting's eyes. Last night, Yueyue relied on his concern and his life in the Qin family, but what did she rely on now? Shen ting wanted to leave the Qin family and even control the company.

On the other hand, he already had Bai Anan.

What she was relying on seemed ridiculous.

yi huan had never felt so ashamed before. she lowered her eyes and bit her lip, not saying a word for a long time.

Shen ting put away his phone and looked at her. Then, he smiled faintly. “you don’t seem to be such a fragile person!”

he got up and walked beside her, his long and beautiful palm falling on her hair. ” settle the matter. as for the rest, you can think about it carefully. no one will force you. however, think about it carefully and stop being as stupid as a pig! ”

“i’m not a pig.” “Have you ever seen a pig as pretty as me?” Yi Huan bit her lip.

“the common trait is stupidity!” it’s impossible for you to figure out something that hasn’t been clarified for more than ten years, ” he said rudely. deal with the things at hand!

the unspoken meaning was that she would come to me after she had separated herself from her ex-boyfriend.

yi huan could not tell that she was upset.

Then, she raised her eyes and looked at Shen ting.

Shen ting seemed to be very calm. At least, he was much calmer than her. She couldn’t tell what he was thinking.

she felt that he was implying something, but she also felt that she was overthinking it. besides, xuxu missed nan and bai anan at night.

therefore, the pig became lazy and didn’t want to think about it.

when she got into his car, shen ting patted her head and said, ” Qin yihuan, don’t tell me you can’t think it through in two years? ”

Ah? what two years?

shen ting fastened his seat belt and said in a calm voice, ” “You’ve been in Italy for two years. You should be able to think about and decide on some things, right?”

this was an obvious hint.

it should be a clear indication.

Her heart beat faster and she bit her lip, not knowing what to do.

The world was full of fantasy. At this time yesterday, she was still thinking about Nan’s fiancée, but less than a day later, Shen ting asked her for the results.

“no.” “Where’s Bai Anan?” she asked.

shen ting started the car, and his expression was calm.”she’s not a pig. it’s not like she can’t find a man.”

he had called her a pig again!

Chapter 4816: Qin yihuan, think about it carefully 3

yi huan glanced at him, her eyes misty.

it was an indescribable feeling.

shen ting smiled and focused on driving. they arrived at jin entertainment at around 9 am. shen ting didn’t get out of the car, even though he knew that xiang nan would probably meet her that night.

it wasn’t that he didn’t care, but after so many years, he couldn’t afford to care.

besides, she was his now.

Although he didn’t say it out loud, he knew that she would always be his.

...

ever since she was 18 years old, everything had changed. she just didn't want to admit it.

All these years, he had been angry because she had chosen to be with ye xiangnan after that night even though he was the one she liked. This was what Shen ting couldn't accept the most, and it was also what made him particularly angry.

But now, she wasn't thinking about him all night. She was ignorant of his feelings, but he could feel it. She was definitely not completely unaware of it.

the car stopped, and shen ting leaned over to open the door for her. he smiled and said, "i'll pick you up tonight."

Yi Huan bit her lower lip. I might not be able to get off work on time. I'll take the company's car back.

she got out of the car and suddenly turned around and bent down."what time are you coming home?"

shen ting's gaze was focused on her face. after a while, he smiled. " six o 'clock! "

"i'll cook," he said after a pause.

but I can't be sure that I'll be home on time for dinner, " Yi Huan said weakly.

go home

a faint smile appeared on shen ting's face. " i'll wait for you. "

yi huan wanted to say something, but she swallowed her words in the end.

Shen ting smiled. hurry up and go. The public relations department must be going crazy!

Yesterday was just the beginning. Today was the day that things would get out of hand. Shen ting no longer pampered her like a child. He could only pamper her at home, but at King Entertainment, yihuan was the CEO. She could not hide behind him.

Moreover, Shen ting believed that she had the ability to do so.

After he finished speaking, Yi Huan bit her lower lip and gently closed the door for him.

shen ting looked at her again, and the black sports car slowly drove away.

Qin yihuan turned around. Secretary Lin was already waiting for her. She sighed.”President Qin, it’s quite difficult to handle. The public relations department has arranged a press conference, and you have to attend.”

” ordinary people can go everywhere to recuperate after a break up, but i have to go everywhere. i don’t know if it’s me or them who’s out of love. ” Yi Huan also sighed and walked straight to the elevator.

It was a busy and troublesome day.

In the morning, King Entertainment’s shares had fallen quite badly. They held a press conference, which was considered to have been announced at the same time as Starlight’s side. In the future, the two companies would still be in a cooperative relationship, which eased the fall.

Yi Huan received a call from ye xiangnan at noon.

The two of them didn’t say anything for a long time. After about half a minute, ye xiangnan finally said softly, ” “Do you want to have dinner together?”

“Is this the last dinner?” Yi Huan’s voice was a little shaky.

Ye xiangnan hesitated for a few seconds before saying, ” “I guess so.”

Yi Huan lowered her eyes and agreed. She set a time and place with him.

they had broken up, but it was impossible for them to be on bad terms. for the sake of the company and the stock, they had to maintain a superficial relationship. besides, yi huan felt guilty, especially after what happened last night.

after hanging up the phone, she played with her phone for a while and deleted all the photos of ye xiangnan. after deleting them, she was in a daze and felt a little suffocated.

Chapter 4817: qin yihuan, think about it carefully 4

After hanging up the phone, she played with her phone for a while and deleted all the photos of ye xiangnan. After deleting them, she was in a daze and felt a little suffocated.

Secretary Lin came over with her meal and put it down gently.

seeing that huan was in a daze, secretary lin added softly, ” “President Shen said that President Qin’s health isn’t very good, so the meals sent to the mansion these days will be lighter.”

Yi Huan raised her eyes. Shen ting? ”

yes. Secretary Lin nodded with a puzzled look. the food that is sent to the mansion every day is decided by President Shen. Didn’t you know that President Qin ran ran ran? ”

Yi Huan was even more dazed now. She took a long time to come back to her senses. you mean, the food is ordered by President Shen every day? ”

...

secretary lin replied matter-of-factly,”who else could it be?” Old president Qin doesn’t ask about these things, while young President Qin only likes to play with technology and doesn’t want to care about the company’s Affairs. No one else but President Shen would worry about such trivial matters.”

yi huan bit her lower lip and stared at the wooden lunch boxes in front of her. she said softly, ” “You can leave first.”

she still couldn't accept the reality. her relationship with shen ting had been stiff for many years, and he had been preparing lunch for her all these years. what kind of mood was he in?

yi huan did not know, and she was a little afraid to know.

it was probably because she was afraid of letting him down!

She reached out to open the lunchbox and looked at the dishes she liked inside. Her eyes started to tear up.

All these years, she seemed to have been very willful.

She did what she wanted to do willfully and never considered Shen ting's feelings.

as she ate, she felt even more upset.

at this moment, his phone rang. it was a wechat message.

The profile picture was Shen ting.

Yi Huan opened the message and he only sent a few simple words: [what do you want to eat tonight? I'll make it.]

She looked at these words carefully for a long time, then typed almost carefully: [I'll be home at about 8.]

shen ting only replied with an “okay.”

she was probably really busy.

yi huan looked at the few lines of words quietly, feeling a little surreal.

too many things had happened in the few days that she had returned from abroad, and she couldn't get over it in a short time.

she finished her meal very slowly. usually, she would only eat half of it, but today, she finished it all. secretary lin came over personally to clean it up. she smiled and said, "it's already been suppressed outside. the hot search has also been removed. i've arranged for news of a little flower's love, yingluo."

Qin yihuan nodded and did not say anything.

secretary lin spoke again. "this time, we were actually implicated by starlight. the impact will be resolved soon, but starlight has a big problem. president qin, if president ye asks for your cooperation today, you can't be too soft-hearted!"

secretary lin was also considered a confidant, which was why she would say such caring words.

KING entertainment and starlight entertainment were both entertainment companies. now that such a thing had happened, it was better to beat the other party to death. it could vent their anger and also allow one company to dominate.

qin yihuan tilted her head and looked at secretary lin. she knew that this was a great opportunity.

She was hesitating.

In fact, he didn't have such an idea at first. After all, the two companies had been strategic partners for many years. Now that Starlight had a loophole, he had to admit that he was wrong.

yi huan's eyes narrowed slightly, and secretary lin knew her decision. she immediately said, "I'll get someone to write a draft immediately and let President Qin have a look."

Secretary Lin knew her decision and immediately said, "I'll get someone to write a draft immediately and let President Qin have a look."

after all, she was his ex-lover, so he couldn't eat too unsightly.

however, yi huan raised her hand and said, "it's okay. you guys can do as you see fit."

Secretary Lin was surprised. Did this mean that she was letting them do as they wished?

however, this was within his expectations. this had always been boss qin's style.

Secretary Lin quickly left the room. Yi Huan sat there quietly and looked at Shen ting's message again.

...

at six o'clock in the afternoon, she took the driver's car to a famous western restaurant. ye xiangnan was already waiting for her.

yi huan walked over and sat opposite him. ye xiangnan glanced at the waiter, and the latter immediately poured a glass of appetizer.

yi huan took off her coat and placed it on the back of the chair. she smiled, "I haven't been in good health recently, so I can't drink."

Ye xiangnan looked at her deeply and moved her appetizer to his side. He held it with his slender fingers and took a sip. He asked casually, "are you okay?"

"i'm doing fine, how about you?" yi huan let out a long sigh.

he put down the long and thin wine glass in his hand and smiled faintly. "do you think i'll be fine?"

“i’m sorry!” yi huan lowered her eyes. i’ve touched on a sad matter.”

ye xiangnan reached out and grabbed her hand. yi huan was shocked and tried to pull her hand away, but ye xiangnan was very strong.

He held her hand stubbornly, his voice low and hoarse.

he said in a low voice, ” do you know why we didn’t make it to the end? ”

Yi Huan looked into his eyes.

Ye xiangnan didn’t care about other people’s eyes. He held her hand and said in a low voice, ”I’m not looking for an excuse. It’s just that we’ve been different since many years ago.”

yi huan blinked her eyes and ye xiangnan laughed at himself.”Yihuan, how am I not as good as him?”

was he xuxu referring to shen ting?

yi huan did not ask, but she knew that he was talking about shen ting.

her lips moved slightly, but ye xiangnan stopped her. ” don’t tell me you’re not, yihuan. You can lie to others, but you can’t lie to yourself!

ye xiangnan finally let go of her. he leaned back in his chair and sighed, ” I don’t know when it started, but when you talk to me, it’s always Shen ting doing whatever he wants. You didn’t do anything wrong. You’re just too slow.

As for Shen ting, he should also know about it.

he just waited patiently, perhaps because he had the same pride as him.

He was the same.

That was why the three of them had wasted so many years and were finally free.

yi huan was not the saddest person in this incident. it was him, ye xiangnan. no one knew what he was thinking and no one could understand his feelings.

he was about to marry a woman he didn't like, didn't know, and didn't know. otherwise, his child would be an illegitimate child, which was not allowed in the ye family.

However, he really did like yihuan. He used to love her a lot, but he did not dare to love her anymore.

he knew that she would be someone else's sooner or later.

after ye xiangnan said so much, yi huan only smiled and looked straight at him. ” ” ye xiangnan, if you think i like someone else, but i've been with you all this time. you've never tried to make me like you! ”

She stared at him, her eyes misty.

Chapter 4819: Qin yihuan, think about it carefully 6

she stared at him, her eyes misty.

both he and shen ting said that they liked her and loved her, but she also wanted a certain amount of love and liking. she wasn't an object that could be given or made do.

She didn't know what went wrong between them, but the problem definitely wasn't just her. She wasn't going to take the blame.

After she finished speaking, ye xiangnan was also stunned for a moment.

“It's my fault!” He smiled bitterly after a long time.

Yes, it was his fault.

...

They had been together for so many years, but he had never thought of getting back at her. Instead, he had watched her be unhappy. He was even more despicable than Shen ting. That man thought that it was yihuan who had let him down, but he had let yihuan down.

Ye xiangnan finally understood that she had not left, but he had lost her.

His throat tightened. There were so many things he wanted to say, but in the end, he couldn't say a single word. He could only eat with her in peace.

yi huan lowered her head and looked at the steak on her plate."Later on, I won't be too gentle with Starlight."

Ye xiangnan seemed to be surprised, but when he looked up, he gave an obvious smile.

"As expected," he said softly,"this is who you are."

Yi Huan took a sip of the soup and whispered,"thank you for your understanding."

ye xiangnan's eyes always had a hint of longing.

he still remembered how she was like when she was young. the little one would always follow behind him and call him brother nan. when she grew up, she was not very willing to call him that.

He had always liked her, but he was not the one she liked.

It was Shen ting, the man who had always been by her side.

Ye xiangnan let out a long breath, " "why aren't you eating? don't you have an appetite?"

“i don’t really have an appetite. i’ll ask the helper to cook something light when we get back.” Yi Huan smiled and said indifferently.

however, she still accompanied him to finish dinner, even though she did not eat much.

When she left, ye xiangnan offered to send her off, but Yi Huan shook her head and refused. “the driver is waiting for me!”

she looked at him and whispered, ” take care. ”

this was the best way to end their relationship. there were no tears or scoldings. it was not because she was gentlemanly enough, but because they had stopped loving each other.

if they didn’t love each other anymore, there was no need to tie each other up.

when yi huan got into the car, ye xiangnan suddenly called her, ” “yihuan,”

she paused, then turned her head and looked at him.

“you’re living with shen ting now, right?” ye xiangnan smiled lightly.

Yi Huan was stunned.

After a while, she also smiled and did not deny it.

This time, she did not deny it.

She was herself for once.

as for whether ye xiangnan would tell bai anan and whether bai anan would cause trouble for shen ting, that was shen ting’s business. since he wanted her to stay with him, he had already prepared for bai anan to find out.

Yi Huan suddenly thought that perhaps she had just matured.

she would not have asked him about what happened between him and Bai Anan. he said two years to let her understand everything. she thought that two years was also what she gave him.

If he couldn't bear to be with Bai Anan in the next two years, she would give her blessings.

yi huan smiled and took a step back, " i miss brother nan. take care. "

On such a late autumn night, ye xiangnan's eyes were a little wet. He couldn't help but step forward and hug her. "You too,"

after all, they had grown up together. this hug made him realize that he still loved her.

Chapter 4820: qin yihuan, think about it properly 7

After all, they had grown up together. This hug made him realize that he still loved her.

it was just that his pride had let her go. he clearly had so many years to make use of, but if he had been a little better to her and put in a little more effort, he would not have lost her.

just as they were hugging, there was a flash somewhere. it was obvious that someone had taken a picture.

Ye Xiang turned his head to the South, but did not find the person following him.

"forget it," yi huan shook her head.

Because even if it was exposed, she would say that it was a photo from before and would never admit it.

...

ye xiangnan probably guessed what she was thinking. he shook his head and looked at her deeply. "let's go back,"

someone was waiting for her.

yi huan got into the car.

the chauffeur asked her if she was going to the apartment or the villa, and yi huan told him shen ting's address.

The chauffeur was surprised. He knew that was where young master Shen lived. Was the young miss going to live together?

Yi Huan sensed his thoughts and snorted, "Uncle firewood, what are you thinking about? Shen ting is my brother."

uncle firewood chuckled. "that's right. he's a good brother, but eldest young master is already over 30 years old. it's time for him to start a family. You're already doing so well in your career, you can't be busy with work all day."

Yi Huan felt that there was a hidden meaning in his words, but she could not refute him at the same time. She could only snort softly.

Uncle firewood knew when to stop and only laughed continuously.

When the car stopped outside Shen ting's apartment building, there was a person standing in the living room. It was Shen ting.

Thus, uncle firewood smiled even more happily. When he opened the door, he joked, "if you stick to brother like this, brother won't be able to find a wife."

yi huan simply glared at uncle firewood, but uncle firewood didn't mind. he only nodded at shen ting as a form of greeting before leaving.

Yi Huan stood there and looked at Shen ting as he walked over. She snorted, "uncle firewood is so good at pretending.

Shen ting was wearing a set of home clothes. They were clean, so he must have taken a shower.

He stood side by side with her and watched the black RV drive away. what did he do to you? why do you look so unhappy? "

yi huan looked at him and said, " "he said that it was my fault that you couldn't find a wife."

shen ting looked at her again and walked towards the elevator. yi huan followed by his side. " i haven't done much in the past few years. "

"Once isn't enough?" He stopped in front of the elevator and suddenly turned around.

yi huan was shocked. she retreated involuntarily, but she retreated so fast that she almost hit the wall.

shen ting stretched out his hand and pulled her back. however, the result was that their bodies were stuck together.

She wanted to break free but he didn't let her. He trapped her at the elevator door and hugged her very tightly.

Yi Huan bit her lower lip. Shen ting, are you crazy? let go of me.

He didn't let go and only looked down at her.

don't forget that you already have a girlfriend, " Yi Huan said as she kicked him.

"Is this your reason for having a meal with ye xiangnan?" he sneered.

yi huan was stunned, she only spoke after a while, ” “how did you know?”

This was no different from an admission.

She thought for a moment and then said, ” “It’s uncle firewood. He must be the one who Tattletale.”

Traitor!

He was so evil.

“Even if uncle firewood didn’t say it, I could guess it.” Shen ting’s voice was calm.

As he said that, he pressed the elevator button. Yi Huan did not realize that he had successfully changed the topic.

after entering the elevator, he quickly let go of her and yi huan naturally rolled to the other side.
