

Thank you 4831

Chapter 4831: Men are all bastards (6)

shen ting took the opportunity to feed her one, and yi huan had no choice but to eat it in surprise.

She looked at him while eating.

shen ting's mood was obviously very good. " why are you looking at me like that? Are you surprised? I used to feed you all the time."

she continued naturally,"that was in the past. it's different now. i've grown up. let's talk about yingluo."

she paused for a moment, and her voice became soft."I thought that you would hate me for a long time for that matter."

"It's been so many years, isn't that a long time?" Shen ting asked.

...

"Ah!" Yi Huan replied,"but you were still in the same state a few days ago."

"You're pulling a long face, aren't you?" he smiled. " that's why you're treated differently when you're single. that's because you're someone else's fiancée. if you expect me to feed you, that's a sinful thought, miss qin. " shen ting teased her.

yi huan nodded and said,"What you said seems to make a lot of sense, but Shen ting, are you sure you'll be fine with it?"

"of course!" as he fed her, he said very naturally,"i'll punish you by sending you abroad to reflect on your mistakes for two years!"

"Ah!"

She was the one who wanted to go, so how did it become a punishment?

Yi Huan thought about it carefully. Suddenly, she realized that she didn't want to go that much anymore. Perhaps it was because she was too dependent on him. Her life was too good with him, but Shen Ting wanted her to go.

It was a punishment!

She suddenly realized that he was still angry.

But she couldn't understand why he was so good to her when he was angry.

"Is this a test?" she snorted after a while.

Shen Ting smiled, "If you want a reason, then it is!"

All of a sudden, Yi Huan felt that Shen Ting was a little abnormal.

She was clearly teasing him, but he could really endure it.

As Yi Huan ate the red dates, she hugged him and acted coquettishly, "You're already 31 years old. I'm going to be gone for two years and I'm already 33. If we date for a few more years, I don't know if you can be a father when you're 40."

"I'll get into a relationship in the next two years and get married once I return to China," Shen Ting said calmly.

Yi Huan's eyes widened in disbelief.

"I don't want to! We haven't even gotten to know each other yet, and you're getting married just because you want to?" She said, unconvinced.

Shen ting didn't take it to heart. He put down the bowl in his hand and crossed his arms in front of him. how many years have you been together with ye xiangnan? it's useless for you to get along with someone you're not suitable for. If you're suitable, you can get married in a month. Besides, what else do you have that I don't know about you? I even helped you shower once when you were young.

Yi Huan was speechless and could only stare at him.

Shen ting chuckled,"what's wrong?" are you unhappy?"

"You're overbearing." Yi Huan shouted.

In fact, she wasn't not angry at all. Every girl wanted to be valued and not get married casually. They were very familiar with each other, but in the past, they had only interacted like family members. How could it be the same?

Shen ting sighed. you finally know that I'm overbearing. However, I've never been overbearing towards you all these years.

Now, he finally had the right to exercise it.

yi huan was still staring at him.

shen ting pinched her little face. " i'll try. if i don't try, how would i know if you don't want to marry me? maybe you'll cry and beg to marry me! "

yi huan made a face at him. " i'm not going to cry and ask to get married! "

Chapter 4832: All men are bastards 7

Yi Huan made a face at him. I'm not going to cry and ask to get married!

But after she said that, her face started to burn.

It was as if she was the one who brought up this topic just now, as if she really hated to get married.

She asked herself if she got together with Shen ting because she really liked him or because she wanted to grab onto him. It was because she knew that he was the best man she had ever met, and that she probably wouldn't be able to meet such a good man in the future. Moreover, he treated her so well, Yingluo.

she was a little confused.

She also had the urge to grab him and trap herself before she could figure out all this.

...

but shen ting said that they would get married soon, so why was she hesitating?

You're so pretentious!

Shen ting smiled and didn't say anything. Their relationship was progressing very quickly, and he felt that it wouldn't take two years.

perhaps they could have a child while she was studying in Italy. in fact, they could get married at any time, and they could have any kind of wedding.

It wasn't that Shen ting didn't care about her, but he cared more about living with her.

of course, he couldn't let her know about his dark thoughts. he also admitted that he was more despicable than ye xiangnan, but he might not be able to endure it for long, yingluo.

shen ting remained silent and did not say anything.

yi huan looked at his expression and felt that he was a little strange. she peeked at his face for a long time.

“what’s the matter?” shen ting smiled.

Yi Huan furrowed her brows. you look like you’re planning something. Shen ting, did you know that you have this expression when you’re plotting against your opponents in the company? ”

“Did I?” he put away all his thoughts and smiled. it was the gentle shen ting again.

however, yi huan had seen his methods over the years, so she didn’t believe him easily.

he coughed lightly. ” i’m going to sleep. ”

Shen ting knew that she was really tired, so he didn’t drag her on to talk, even though he wanted to spend time with her.

Although they couldn’t do anything, it was good to talk.

He helped her lie down. He thought about how he had kissed her when they had discussed the wedding today.

yi huan was a little surprised, but she did not refuse.

Instead, she touched her lips and did not say anything for a long time.

” go to sleep. i’ll take you home tomorrow morning. you’ll have to rest at home for a few days with your injuries. ” His voice was very gentle, and he was so gentle and proud that he was drunk.

She seemed to have never heard Shen ting speak in such a tone before. It was so deep that it was as if he was talking to a lover.

his heart was throbbing, but he had to pretend that nothing had happened. it was a little hard.

She pursed her lips and hummed in acknowledgment, but after a while, she remembered. I’m fine. I don’t need to rest for a few days.

“Be obedient!” Shen ting said in a domineering manner.

He pressed his hands on her shoulders, not allowing her to refuse.

yi huan wanted to say that even her parents did not care about her like this, but she stopped herself.

suddenly, she realized that everything was different.

It was because her relationship with Shen ting had changed, so his attitude towards her was different from before. In the past, he would coax, lie, and pamper her more, but now, he treated her like a woman.

his status had also risen from being a big brother to a man.

yi huan’s face was hot again.

Shen ting placed his palm on her face, and he could naturally feel that her face was very hot. So, he smiled and said, ” “What’s wrong?”

“it’s nothing,” she said awkwardly and turned her head away.

what’s wrong? ” Shen ting leaned over and asked in a low voice, ” there’s really nothing, huh? ”

Chapter 4833: You’re really shameless!1

On the other side, Qin Xuan was driving with music playing in his car.

Qin Xuan liked to sing in an endless loop.

At that moment, it started to rain again. He turned on the windshield wipers.

it happened to be a friday, and it was rush hour after work. the traffic was so heavy that he had no idea how much bai anan had drunk.

Really, she's an old woman and just lost her love.

besides, he really suspected that she and shen ting had never even started a relationship.

...

if there was no beginning, there was nothing to be disappointed about. it was not like all the men in the world had died. however, with bai anan's personality, it was really difficult to find a man.

sometimes, it was not a good thing for a woman to be too rich or too capable. at least, she had fewer choices when looking for a man.

qin xuan bit his finger as he drove, waiting for the car to drive away.

It was not until nine O'clock that he finally arrived at the bar where Bai Anan was.

when sa bao showed him the bill, his face almost darkened.

A woman had spent more than 600000 Yuan in a bar, and she had ordered the most expensive dishes.

Qin Xuan swiped his card with a dark face and helped the drunk woman out.

Bai Anan was drunk and restless. She was still throwing a tantrum on his shoulder. Who are you? is it because the pretty boy wants me to buy you? "

It's a pretty boy, he's very good looking!

bai anan's hand gently pinched his face. hmm, not only did it look good, but it also felt very comfortable.

she's so tender and pretty!

Bai Anan's eyes were a little misty. She stumbled backward and leaned against a table. I told you, I won't give you the money.

"Pay?" qin xuan was so angry that he laughed. what kind of person did she think he was?

is he selling this face?

"mr. bai," he sneered, "you really think highly of me. are you satisfied with my face?"

bai anan stepped forward again and patted his face. "Around 200 yuan."

qin xuan's face darkened, and he grabbed her hand. "don't touch it!"

Bai Anan was holding the coat of her suit in her hand. Inside, she was wearing a black spaghetti strap top. In fact, she had a good figure. Of course, she would not be ugly. How could the child of ye Mulin and Bai Suli be ugly?

bai anan tilted her head and stared at qin xuan, her eyes fixed on him.

it made qin xuan think of two famous phrases: women in their thirties and forties.

at that moment, he noticed that the men around him were staring at bai anan. her temperament was a little out of place. it was not that she was old-fashioned, but she was born with a noble air. noble men were common in this place, but noble women rarely came to this place.

"let's go," "two hundred," qin xuan coldly snorted.

Bai Anan immediately took her bag and walked out of the room, holding his arm.

just as she was about to get into the car, qin xuan suddenly thought of something and pressed her head against the car. "do you feel like puking?"

bai anan was very drunk. she shook her head.”Why do you ask?”

Her fingers gently touched the smooth lines of the car, and then she looked up. is it very profitable in this line of work? ”

a sports car that was worth more than 10 million!

Qin Xuan was both angry and amused. She didn’t recognize him, but she did recognize the car.

“it’s still alright, many little things add up!” he sneered.

if it’s 200 yuan, I’ll pay you for five years, Yingluo. Bai Anan patted his face again. come to my law firm and work as a receptionist. That’s good, Yingluo.

Chapter 4834: You’re really shameless!2

Her eyes were a little misty. in the future, rich women will come to me for divorce and lawsuits. This is the easiest way to say it.

She had unintentionally revealed something. Qin Xuan sneered in his heart. So, the righteous Mr. Bai liked to fight divorce cases.

Qin Xuan ignored her and pushed her into the car. He leaned against the car door and bent down.”if you dare to puke on my car, i’ll lick you back bit by bit.”

Bai Anan covered her mouth and looked at him in horror. “200, what are you so arrogant for?”

She took out two hundred Yuan from her wallet and threw it at his face.

“I only paid a few hundred thousand for your drink,” Qin Xuan said through gritted teeth.

...

bai anan looked straight at him. "as a man, is it expensive to buy me a few drinks?" she asked.

"Is it expensive? A few glasses of wine?" "Now, get out of the car," Qin Xuan said, grabbing her hand.

"I don't want to." Bai Anan hugged her handbag. I paid for it.

"200 yuan?" Qin Xuan gritted his teeth.

"Did you say that you're two hundred?" bai anan's face looked rather innocent.

Qin Xuan wanted to strangle this old woman. She was pretending to be innocent when she was drunk. Was she really drunk or just pretending?

he was considering if he should pull her out of the car and throw her on the road.

However, he gave up in the end. It was raining now, and he couldn't leave her behind no matter what.

He went around the car and got in. He felt like he had seen a ghost.

He started the car and turned on the music. "Where do you live?"

bai anan leaned back in her seat and seemed to have fallen asleep after a while. she mumbled, "let's go to your house!"

Qin Xuan's mind went blank, and he turned his head."my home?"

he reached out his hand and shook her roughly. "bai anan, are you taking advantage of me on purpose?" "If you really want a man, I can help you."

She didn't wake up, but she took a pillow from somewhere and hugged it. I want you. You're pretty good-looking. You have a conscience in the industry!

As he said that, he sighed with great satisfaction.

Qin Xuan frowned and glared at her.

And that drunk old woman had fallen asleep just like that!

outside the car, it was still raining.

his car was filled with the smell of wine and a faint smell of a woman's perfume.

qin xuan thought to himself in disdain. she actually knew how to use perfume!

he started the car and drove to his villa.

Qin Xuan lived quite far away. It was a 40-minute drive. As he drove, he would occasionally look at Bai Anan.

She was drunk. She had been so noisy just now, but now she was unusually quiet.

At a red light, Qin Xuan couldn't help but look at her for a minute.

Bai Anan had fallen asleep with her face tilted to the side. Her fair face was slightly red, and her hair, which was usually tied up, was now unfurled. Her black hair brushed against her face, and it was indescribably beautiful. The lines of her side profile were especially good, her nose was tall, and her lips were the most perfect color without any lipstick.

qin xuan suddenly thought of these words to describe bai anan's appearance.

She was beautiful but not alluring, and she usually consciously hid it. Now that she was drunk, she had a flirtatious look that she usually could not see.

However, no matter how flirtatious she was, she was still a 30-year-old woman to Qin Xuan.

He would not be interested!

He turned his gaze away from her and stepped on the accelerator.

about half an hour later, the car arrived at his villa.

Chapter 4835: you're really shameless!3

the villa was a standalone building with a floor area of about 600 square meters. usually, only part-time workers would come because qin xuan didn't like to be disturbed.

he parked the car in the underground garage and turned off the engine. he turned to bai anan."We're here."

Bai Anan changed her position and continued to sleep.

qin xuan shook her roughly again."We're here, do you want to make a call?"

"How old am I?" Bai Anan mumbled and yawned again. I'm going to sleep now.

as she spoke, she actually opened the car door shakily and got out of the car shakily to walk towards the elevator.

...

Qin Xuan immediately got out of the car and chased after him.

bai anan had already reached the elevator. she leaned against the wall and looked at him.”being a pretty boy is really rich!”

The villa looked ordinary, but the interior was different. Just the security system alone cost millions, and the basement was exquisitely decorated!

Bai Anan felt that she had lived in vain!

His style reminded her of someone, Qin Chen.

only a legendary person would spend money like this.

Rich families weren’t that extravagant and weren’t as exaggerated as the books described, but Qin Chen was.

now, she had met another one, and he was raised by the qin family, qin xuan.

bai anan suddenly came to her senses. the pretty boy was qin xuan. she thought to herself that it was a pity that she couldn’t get the 200 yuan.

Qin Xuan also noticed that she seemed to have sobered up a little. He covered her with his palm and led her into the elevator.

Bai Anan stood in the elevator, feeling sleepy.

She rarely drank, but when she drank too much, she would want to sleep.

When she reached the first floor and stepped on the White carpet, she immediately kicked off her high heels, threw her handbag on the sofa, and her coat. Just like that, she put on her stockings and slowly walked up the stairs.

her posture was beautiful, her figure was excellent, and she had to admit that her face was beautiful too.

hey, ” Qin Xuan said, but she continued walking upstairs as if she didn’t hear him.

“bai anan, this is my home.” “in a strange man’s house!” qin xuan called out again.

Bai Anan’s voice could be heard from upstairs. “Qin Xuan, you’re younger than me by two years, right?”

what she meant was that if there was anything, she would not lose out!

“this woman!” qin xuan stared at the stairs and pulled his tie. ” “How thick-skinned! Is she really that casual and doesn’t care at all?”

He rolled up his tie and threw it aside. Then, he went to the kitchen and poured himself a glass of cold water.

He raised his head and drank it. Because he was too excited, the ice almost slipped into his throat.

Qin Xuan cursed again. He thought to himself that he should have thrown Bai Anan to the hospital where Shen ting and Yi Huan were staying. If he wanted to be sweet, he had to pay a price, right?

Qin Xuan put down his cup and decided to take a look at the drunk old woman upstairs.

As he went upstairs, he rolled up his sleeves and paused at the door of the guest room.

The door was open, but there was no one there!

his heart skipped a beat and his fingers clenched into a fist. ” it can’t be what i think, right? ”

He took a few quick steps and opened the door to the master bedroom.

Then, he was stunned.

In the master bedroom, a woman was lying on the black silk bed sheet under the dim yellow light.

that scene was very shocking.

Qin Xuan's Adam's apple bobbed a few more times. He slowly walked over and sat by the bed.

his fingers were trembling as he placed them on her shoulder. "bai anan, this is my bedroom!"

Her face was buried in a pillow of the same color, and her voice was weak. "just one night, don't be so stingy!"

Chapter 4836: you're really shameless!4

"I can't sleep if I don't sleep here," Qin Xuan said, raising his voice.

ah?

Bai Anan raised her eyes and stared at him. She swallowed her saliva and patted the spot beside her. "I'll give you half!"

I say, woman," Qin Xuan said through gritted teeth. why are you so thick-skinned?"

"both parties are willing parties, and nothing happened, so there won't be any civil disputes." "young master qin, what are you afraid of?" bai anan asked.

"Hey!" Qin Xuan raised his voice. Are you kidding me? I didn't take you in on my bed. Guest room. This is the last time!"

...

Bai Anan occupied the entire bed. "it's my last time too. i'll sleep here."

as if he had been scalded, qin xuan immediately bounced up.

she glared at her fiercely and gritted her snow-white teeth.”Bai Anan, I’m giving you one last chance! Are you sure you want to sleep here?”

” please close the door for me, ” bai anan snorted. ” thank you. ”

qin xuan walked over and closed the door, but he also locked himself inside.

After a while, he took some clothes from the bedroom and opened the bathroom door. “Bai Anan, don’t you regret this!”

She didn’t want him to cry and make him take responsibility!

Qin Xuan went to take a cold shower. He must have been too angry to take a cold shower. He had never seen such a thick-skinned woman who had to lie on a strange man’s bed.

although he knew that she was drunk, if she wasn’t evil, how could she have such thoughts now?

after qin xuan finished his bath, he changed into a black silk bathrobe.

Yes, the only person in the Qin family who had received Qin Chen’s extravagant and wasteful true inheritance was Qin Xuan.

The place he lived in was all famous, and every piece was priceless. He didn’t think that it was bad. He liked this kind of life, and it was more inclined to the darkness element.

bai anan, on the other hand, did not have any dark elements.

she was bad, and it was obvious that she was bad. furthermore, her surname was bai.

Qin Xuan ruthlessly dried his hair and glared at Bai Anan. In the end, he went to sleep on the sofa.

Of course, he couldn't fall asleep. He didn't like the bed.

Every single one of his bed sheets was made of silk, and so were his pajamas. If he didn't do this, he wouldn't be able to fall asleep.

Of course, Bai Anan did not know that he was like this. She slept peacefully on his two-meter bed.

The drunk Bai Anan was very obedient. This was something Qin Xuan suddenly thought of at three O'clock in the night. Although he couldn't fall asleep, it was still better than taking care of a drunkard!

With that thought in mind, she felt much more at ease. She lay down and played the company's new game on her phone.

Yes, in addition to new energy sources, he also developed some games and developed high-speed rail. Qin Xuan was almost omnipotent. He was a genius.

Of course, geniuses would also feel lonely. He had no one he loved. Other than his family, there was no one else.

Qin Xuan slowly sat up in the night.

he would often wake up at night and couldn't fall asleep after waking up.

he sat there until dawn.

that was why he liked to sleep with the lights on. he didn't like to wake up in the dark, as that feeling was terrible.

after he gave up, he sat up straight and a voice came from the other side. "qin xuan, i'm hungry. i want to eat hotpot! "

qin xuan frowned and slowly turned his head to look at the old woman on the bed.

“Bai Anan, don’t you think you’re asking for more?” he gritted his teeth.

“Many?” Bai Anan grabbed her hair and said, “I don’t think so!” aren’t you supposed to take care of me?”

you’re eating hotpot at midnight, Bai Anan. You’re not pregnant! Hmph! Qin Xuan let out a long breath. only a pregnant woman would be so unreasonable.

“really?” “pregnant women can do this?” bai anan’s eyes widened.

He did not make a sound.

was this the main point?

Bai Anan thought that he had admitted it, so she nodded. “then you should get pregnant.”

“ah!”

qin xuan was shocked.

bai anan smiled. ” have you ever donated for in-vitro fertilization? ”

qin xuan was speechless. did she really think that he would wait on her?

And in such a way!

He gritted his teeth. there’s only one way for me to have children!!!

Chapter 4837: You’re really shameless!5

bai anan was stunned for a moment, and then asked in a daze, ” “What way?”

Qin Xuan stared at her, and there seemed to be some sparks in his eyes.”natural conception.”

it took bai anan a while to understand what he meant, and she blushed.

Then, he was furious. You’re not normal!”

Qin Xuan smiled faintly and said slowly, his tone carrying a hint of inexplicable mockery, ” your way of thinking is abnormal. are you a machine? ”

“I’m not a machine. I just don’t want to have any contact with you!” Bai Anan said confidently.

...

Qin Xuan got down from the sofa and crossed his hands in front of him.”Oh, really? what if it’s shen ting? would you still choose manual labor?”

Bai Anan could not answer!

her face turned white and red as she glared at him.

Qin Xuan sneered again. it seems that there is a District. But if Shen ting and yihuan are not surprised, they will have a child soon, Yingluo. there was no need to ask him how he knew. He was a man, and he knew that Shen ting had been waiting for a long time.

Bai Anan was still glaring at him. She thought that he was detestable and had a sharp tongue.

Qin Xuan still felt that it wasn’t enough, so he spat out word by word,”natural conception. are you envious?”

bai anan couldn’t take it anymore. she took a pillow and threw it at him. ” qin xuan, are you crazy?
”

qin xuan quickly caught the pillow and sneered. " only women with endocrine disorders would be sick and think of in-vitro fertilization! "

bai anan's expression was a little strange. after a moment, she lifted her chin. " sure, let's get pregnant naturally! "

qin xuan couldn't help but roll his eyes. after a while, his eyes were calm. I'm not interested in a drunk 30-year-old woman. I'd rather make hot pot!

"Go to hell!" Bai Anan threw another pillow at him.

qin xuan caught it with a half-smile. " bai anan, are you sure you want to eat hotpot? you don't want me to make a phone call for you. i can also book a hotel room for you. i can afford ten or twenty thousand! "

If spending money could make this 30-year-old woman happy, he would spend money to send her away now.

bai anan jumped down from his bed. " i want to eat hotpot now! "

qin xuan grabbed his messy hair. " you're crazy! "

As he walked, he took off his black silk bathrobe and went into the changing room to change.

bai anan shrieked and covered her eyes.

But then, she called out from behind him, " "pretty boy, you have a good figure!"

"Try calling me a pretty boy again." qin xuan gritted his teeth. " i'll throw you out immediately. "

bai anan didn't dare to do that. she was staying in his house after all, and he had to make her hot pot in the middle of the night.

However, she wondered if he would.

Barefooted, Bai Anan got out of bed and saw Qin Xuan coming out of the dressing room. He had changed into a set of sportswear, and he looked tired.

Seeing that she was about to go downstairs, Qin Xuan was a little annoyed. "Go take a shower before coming down."

"it's stinky," he said, shaking his head.

he didn't know if he had mysophobia, but the bed had been laid by a drunk woman. he would wait for her to leave the next morning and change the sheets directly. he would make sure the auntie washed him twice.

as he was thinking, he saw that damned old woman go to his bathroom. he was about to ask her to go to the guest room, but bai anan turned around again."qinxuan, i don't have any clothes."

Chapter 4838: You're really shameless!6

Qin Xuan narrowed his eyes. wear my bathrobe.

she was really a troublesome woman.

She would also have to wash her bathrobe twice tomorrow.

he said he would wear his clothes, but he didn't expect bai anan to wear the clothes he had worn tonight.

He was downstairs, so Bai Anan would not go through his wardrobe. So, she wore his clothes.

The villa had a constant temperature, so she was barefooted when she came down. She only found a pair of slippers to put on when she went downstairs and went straight to the kitchen.

...

Qin Xuan was really making hotpot. He took out the ingredients from the refrigerator and prepared them with great familiarity. Hearing the footsteps behind him, he asked, "what kind of hotpot base do you want?"

"I don't want spicy food, anything else is fine." bai anan stuck her head in. "you really know how to do it? i thought you wouldn't."

After all, he was a pampered young master who was a tech upstart in his teens. It was normal for him to not know how to cook. She didn't expect him to be so good at it.

"isn't it normal for him to know how to cook?" qin xuan said lightly. "shen ting knows how to cook too, and he can cook very well."

"qin xuan, that's enough. do you have to keep mentioning shen ting?" bai anan snorted. "why are you so happy? i'm heartbroken."

Qin Xuan also copied her and snorted, "when did you fall in love?" It's just a one-sided love."

As he spoke, he glanced at her.

Then, he shifted his gaze away, his Adam's apple moving uncontrollably.

bai anan was wearing his black bathrobe, and her long hair was still wet because it had been washed. her collar was wrapped well, and there was nothing that should not be exposed, but it was really embarrassing.

Moreover, she was so beautiful that she didn't even know it.

Bai Anan didn't seem to know that she was good-looking. She seemed to be used to it all the time.

She had seduced someone, but he didn't even know.

Qin Xuan frowned. go and dry your hair.

“i don’t want to blow, it’ll dry in a while.” She said nonchalantly, ” do you have fruit? I want to eat salad.

“take an apple and have a bite.” Qin Xuan would not spoil her.

she was really treating him like a valet.

Oh, ” Bai Anan said. okay, I’ll go hungry. I’ll wait for you in the living room.

“i’m so hungry!” he rubbed his stomach as he walked.

qin xuan looked at her back and snorted. ” i really don’t know where she got her confidence from. ”

As he hummed, he cut a few fruits and made a fruit salad for her. He went to the living room and placed it on the coffee table.

Bai Anan was lying on the sofa, watching TV. This was her home, and Qin Xuan was her valet.

when he brought it over, she merely lifted her eyelids. ” thank you. ”

As he ate, his eyes were still fixed on the television, completely ignoring his pretty boy.

“Are you also this casual in another man’s house?” Qin Xuan gritted his teeth.

“oh, i’m a guest.” Bai Anan stretched and looked at him strangely. “you’re not happy? if you’re not happy, i’ll go to someone else to improve it. after all, everyone’s happiness is the most important thing.”

“You still want to go to another man’s house?” “Aren’t you afraid of being eaten by others until not even your bones are left?” Qin Xuan sneered.

Bai Anan didn't seem to care, 'I have a child! didn't you say that i have a problem?'"

what kind of woman are you? " Qin Xuan was furious. you're so thick-skinned.

bai anan smiled and said, "i'm just going with the flow!" Just like Shen ting, Xuanji."

she clapped her hands. " actually, i'm not that sad. but shouldn't the normal procedure of breaking up be to drink a little wine? it's just a process. this is called a ritual! "

Chapter 4839: you're really shameless!7

"are you here to celebrate or to relieve your worries?" qin xuan's pretty face darkened.

"Both!" Bai Anan didn't try to avoid him.

"even so, you can't let others pay for your ceremony!" qin xuan sneered.

Bai Anan was surprised and said, 'ah! I don't think I called you, boss Qin! You were the one who dragged me out of the bar. You're lucky that I didn't Sue you for attempted rape!"

qin xuan really wanted to put the hotpot on her head and see if she could still say such words.

he was really infuriated!

...

how could there be such a thick-skinned woman in this world? it was barely acceptable for her to be born with such a chewy face. she was so thick-skinned and had a poisonous tongue. yingluo was really the type that he disliked and admired the most.

Qin Xuan didn't say a word. He walked straight back to the kitchen and continued to make the hotpot.

anyway, it was the last time.

after sending her off the next morning, they would not see each other again, and he would not have to endure strange old women anymore.

he didn't say a word, and his face was tense until the time to eat. bai anan, on the other hand, was in a good mood and had a lot of food. qin xuan wondered why she was so thin even though she could eat so much.

in fact, it wasn't that she was thin, but that she was a little too fat. however, she didn't think it was enough to be a little too fat. her figure was so beautiful that qin xuan's adam's apple moved again.

the reason why bai anan enjoyed the food so much was that qin xuan's cooking skills were so good that even the tip of her tongue would get pregnant.

She had always liked to eat hotpot, and his food was not bad compared to the ones outside. It was only more hygienic.

After eating for half an hour, she was finally full. She leaned back in her chair and looked at Qin Xuan. "You're eating so little."

qin xuan quietly packed up his things."I don't have the habit of having midnight snacks."

"it's good, keep your figure!" bai anan smiled. "after all, you have such a weird temper. if you don't have a good face and a good figure, you will probably be single in the future! "

qin xuan looked up at her. "what a coincidence. i think the same way about you. that's why you're not going to eat supper anymore. otherwise, you probably won't be able to get married. "

"It doesn't matter!" Bai Anan was not angry. She smiled. "it's good that you have a job. who said you have to get married?"

Qin Xuan was surprised, and then he added, ” “find an excuse!”

“Why are you looking for an excuse?” bai anan snorted. ” i’ve never taken a step back. that’s not my style. ”

Qin Xuan stared at her for a while longer before packing up. I’m going to the study. Bai Anan, you can either watch TV here or go to sleep. It’s up to you where you want to sleep.

Bai Anan stretched her back and said,”alright, I’m going to sleep.” Thank you, President Qin.”

She did say something human.

Qin Xuan watched her go upstairs as if she was in her own home. He couldn’t help but say, ” lawyer bai, your alcohol tolerance is actually quite good. ”

Bai Anan paused for a moment. She placed her hand on the stairs and smiled.”i trained it. you know that you have to drink everywhere. if you drink too much, you won’t vomit.”

qin xuan was surprised and didn’t say anything for a while.

to be honest, he and yihuan had never had the experience of drinking with others. he was in the technology industry and many people begged him for help. besides, he had the qin family and shen ting behind him. there was no need to mention yihuan.

in this generation of the qin family, shen ting was the one who needed to drink.

Shen ting had a huge amount of water. Perhaps this amount of water was also from drinking.

Bai Anan was born to be the chosen one, but did she have to drink with others until they vomited?

Chapter 4840: you’re really shameless!8

Seeing his gaze, Bai Anan smiled and shook her hand gently. isn't that normal? ”

then, he walked back to yingying's bedroom.

qin xuan felt that she was certain that he wouldn't do anything to her. this woman really knew how to judge a person's taste.

It was really too detestable.

Qin Xuan went to the study and worked the whole night until eight in the morning. He felt that as a strong woman, even if she had a hangover, she would still get up early in the morning.

but when he pushed open the door of the master bedroom, he saw bai anan sleeping soundly on her stomach, holding his pillow in her arms.

...

with that self-righteous look, those who didn't know better would think that this was her house and this was her bed.

Besides, she didn't even close the door. Did she really think he was safe?

Qin Xuan walked over and pushed her. Bai Anan, you should get up. Don't stay on my bed anymore.

he didn't hide his disdain at all!

“It's the weekend,” Bai Anan slapped his hand away.

so ... he gritted his teeth.

bai anan turned around and looked at him. ” I think we only ate half of the hotpot last night. We can make up for it at noon.

This meant that she was going to stay here for half a day, Yingluo.

why don't you say that I'll make dinner? " Qin Xuan sneered.

" that's fine, " bai anan said shamelessly. " i'll ask my secretary to send my laptop over in the afternoon. it's the same for me to work here. "

"Bai Anan!" "didn't you say it's the weekend?" qin xuan couldn't help but ask.

" yeah, that's why i'm not going to the office. is there a problem? " She pretended to be innocent and pure, but the words 'shameless' were written all over her face!

qin xuan felt that he had a dispute with a lawyer, the most famous lawyer in the industry, because he had chosen a scholar who met a soldier. how did she become a lawyer? she might be more professional if she was a gangster!

"You're clinging to me now, aren't you?" he gritted his teeth.

" i'm leaving tomorrow. i'm taking a two o'clock flight to Switzerland tomorrow afternoon. " She said very lightly.

It seemed very light, but to Qin Xuan, it also seemed like a very tempting condition.

If he were to bear with it a little longer, she would be gone. Moreover, if she went abroad, he would not contact her or provoke her. He would not need to bear with it anymore.

&Nbsp; Qin Xuan endured it. ask your Secretary to bring your clothes over. Don't wear men's clothes and walk around my house. It's ugly!

"you can't help it?" bai anan smiled. " do you want me to make a call for you and book a hotel room for you? i can afford ten or twenty thousand, but you have to be back before dinner. eight o'clock at the latest, or i'll starve to death. "

"bai anan!" "what kind of woman are you?!" he clenched his fists.

“A lawyer!” she wasn’t angry and smiled. ” be good now. go and make breakfast. i’ll sleep for a while after eating. ”

After she finished speaking, she buried herself in the blanket again, treating it as her own bed.

Qin Xuan walked out and called Shen ting at the door. He couldn’t bear it anymore. He wanted Shen ting to get rid of this woman. He couldn’t bear it anymore.

however, no one picked up shen ting’s phone.

Qin Xuan was stunned for a moment before he understood.

F * ck, so early in the morning!

And so fast!

Shen ting was really fast!

he heaved a long sigh of relief. he was a little surprised when he thought of bai anan.

with bai anan’s wealth, if she dressed like this in front of shen ting and deliberately went to his apartment, shen ting would not be able to resist it. men would also feel lonely. after all, yihuan had been with ye xiangnan all those years.

But he couldn’t understand why a woman like Bai Anan would be so proud.

Kangkang was so bold and unrestrained in front of him!
