Chapter 4841: You're really shameless!9

Qin Xuan Hung up the phone and went downstairs angrily.

Sitting on the sofa downstairs, he couldn't understand why Bai Anan would stick to him.

he rubbed his chin with his thumb and finally fell asleep on the sofa.

he woke up only because bai anan's secretary was here. this woman was really planning to work in his house!

Bai Anan's head secretary had a sweet face and actually looked a little like ye Hui. Qin Xuan took a few more glances at her and asked her to wait downstairs while he went upstairs to call Bai Anan.

Bai Anan could sleep in his bedroom and climb onto his bed, but it didn't mean that Qin Xuan liked to let others come to his bedroom and watch.

...

He slowly walked upstairs and stopped at the corner of the stairs.

But he still knocked on the door of the master bedroom. When the door opened, Bai Anan was still in his bathrobe. She went back to the sofa and played with her phone. Her head was lowered, and her black hair covered her eyes."what is it?"

"Lawyer Bai, I'm not your subordinate." qin xuan crossed his arms in front of him.

I know, " Bai Anan said. what's wrong? "

"your secretary is downstairs." " go downstairs immediately, " qin xuan said coldly. " i don't like strangers in my house. "

Bai Anan finally put down the phone in her hand. you mean Yaren? I thought you would be happy. She is the prettiest girl in my lawyer's office.

"Is that so?" Qin Xuan remained unmoved.

bai anan smiled. " i thought you would prefer girls like ye hui. that's why i asked yaren to come and deliver this. "

After she finished speaking, Qin Xuan's expression turned ugly, because she had hit the nail on the head.

Although he wasn't particularly tempted, he still had some thoughts about it. He didn't expect Bai Anan to see through it. After all, it was probably the first or second time that they had been together, and she had said it out loud.

"i don't think so," Qin Xuan's voice was cold. go downstairs.

bai anan glanced at him and felt that he was being ridiculous. she walked out slowly, and as she fastened her belt, she said with ill intentions, " "By the way, President Qin, you're getting old and should find a girlfriend. Otherwise, you'll look a little weird if you're too hot-tempered."

qin xuan's face darkened again.

Bai Anan smiled and finally went downstairs.

She really treated this place as her home. As she slowly walked down the stairs, her Secretary's elegant eyes were staring straight at her superior and boss, and she stuttered, " lawyer Bai, is this ran ran your boyfriend? "

before she could say anything, secretary ya said in a low voice, " "He's very handsome," moreover, he seemed to be super rich. the decorations here were especially tasteful, and the smell of money permeated the air.

"A pretty boy. He has a bad temper." Bai Anan said indifferently.

she sat on the sofa and took stock of the items.

Secretary ya looked at the men's bathrobe she was wearing. Oh my God, Mr. Bai looked really good in it. It looked like a wife wearing her husband's pajamas. How should she put it? it just looked like a perfect match.

Lawyer Bai had always been very good-looking. He was also an elite in the industry and had high standards. Now that she finally had a man she liked, Secretary ya felt that this pretty boy, Yingluo, was more suitable for lawyer Bai than President Shen.

president shen looked like an elite like mr. bai. how boring would it be for two people of the same type to live together?

Chapter 4842: You are really shameless (10)

this, this pretty boy was different. he had a pretty face, and seemed to be more exquisite and beautiful than a woman. his figure was also very good, and his black trousers made his legs look very long.

Secretary ya sighed in her heart, What a piece of work!

mr. bai must have been very happy these two days.

bai anan flipped through a file and read it carefully. she didn't know that her secretary had thought so much in the blink of an eye. she only read it for a minute and asked yaren to go back.

after yaren left, bai anan didn't go upstairs immediately. she sat on the sofa and started reading the files.

qin xuan came down the stairs and saw her mesmerized look. he walked behind her, curled his finger, and flicked her hair."Change your clothes. Didn't you bring some clothes? what if someone comes to my house dressed like this?"

...

“Who will come if you live alone? At most, Auntie Zhong won’t find it strange if you come over, unless you’ve brought someone who’s not of my gender before. That would be strange.” bai anan’s eyes fell on the file as she spoke. her fingers were crooked as if she was about to pick up a mug, but she missed it and said naturally, ” “Go get me a cup of coffee.”

As soon as she finished speaking, she remembered that this was not her office, so she looked up and smiled at Qin Xuan. “Young master Qin, can you pour me a cup of coffee?”

Qin Xuan rolled his eyes. Bai Anan, can you be any more thick-skinned? ”

Bai Anan was still smiling.

qin xuan glared at her again, but he still went to the kitchen.

Bai Anan immediately looked at the file in her hand. This case was quite tricky, so she was engrossed in it.

At this moment, she heard a soft voice beside her. She thought that Qin Xuan had returned. coffee.

However, the voice was very soft and gentle. an ‘an? ”

hearing this voice, bai anan was scared out of her wits. she slowly raised her eyes.

As expected, it was he Huan!

qin mo’s wife, qin xuan’s aunt, it wasn’t an exaggeration to say that she was qin xuan’s mother.

The two families were in contact, especially after what happened in the South, so it was impossible for Bai Anan to pretend that she didn’t know him. She squeezed out a smile and immediately jumped up. She reached out to pull at her pajamas, unable to explain.” Aunt he, this is definitely a misunderstanding.”

He Huan was in a good mood. Shen ting and Yi Huan were together. She thought that Qin Xuan would have a hard time with this, but she didn't expect Qin Xuan to bring the girl back in his pajamas.

This, what else was there to say? his actions were Swift.

he huan was extremely satisfied. bai anan's looks were impeccable, and she had a clean background.

well, they were really good friends. in fact, it was like they were trying to climb higher up the social ladder. shen ting and bai anan had some relationship before, but as an auntie, she could see that shen ting's heart had always been on huan. so, the two children would not do anything out of line. shen ting also stayed at home every day.

Now that he was with yihuan, he was living outside. He Huan had experienced it before, so it was easy for her to understand.

But she really didn't expect Qin Xuan to move so fast and be with Bai Anan.

She had an interested look on her face.

Bai Anan hated herself to death. She was just after the pretty boy's two meals. Did she have to put herself in danger like this? now, even if he jumped into the yellow river, he would not be able to clear his name.

she scratched her head and tried to convince he huan. " "Aunty, Qin Xuan and I had a drink together, so Qin Xuan brought me back."

Chapter 4843: You're really shameless 11!

I know. It's not safe for girls to be out there. Plus, the hotel isn't clean. It's good for Qin Xuan to live alone. He Huan did not answer the question.

Bai Anan's heart turned cold. It's over, Yingluo.

at this moment, qin xuan walked over with a tray in his hand.

In addition to the coffee, there was also a sandwich that he made for breakfast.

This was undoubtedly true. Pajamas, breakfast, and love breakfast, what else could Yingluo say?

Bai Anan's head hurt, and she looked at Qin Xuan speechlessly.

...

Qin Xuan had actually heard the sound earlier, so he wasn't surprised to know it was he Huan.

he placed the tray on the table and looked at bai anan. " "Sit down and have breakfast."

Bai Anan was too embarrassed to read documents while having breakfast. She could have treated his house as her own office, but she didn't have the face to do so in front of the elders.

"i'm going upstairs to change my clothes," he said after a light cough.

"it's not too late to change after breakfast." He Huan held her hand and said affectionately, " "Let's go to the dining table. It's not good for your back if you keep sitting here."

bai anan's face darkened when she heard that.

Who's going to have children with Yingluo and Yingluo?

he huan smiled. other than qin xuan, there's only one male here, and the pajamas you're wearing are qin xuan's. who can you have a child with?

Bai Anan felt that she had to make things clear, so she coughed lightly. “Aunty, it’s really a misunderstanding. There’s nothing between me and Qin Xuan, and nothing happened between us. We just happened to meet.”

after she finished speaking, she carefully looked at he huan’s expression.

He Huan had a look of interest on her face.

Bai Anan cursed in her heart, what’s the use of explaining!

“auntie, you won’t tell my parents, will you?” she forced a smile.

“anan, i think qinxuan has to give us an explanation,” he huan said with a troubled expression. after all, things have already happened, yingluo.”

Bai Anan almost spat out the coffee in her mouth. She quickly swallowed it down. ” wait, wait, wait. nothing really happened between us. ”

He Huan just stared at her clothes.

Bai Anan glanced at Qin Xuan.

he huan patted qin xuan. ” what do you say? don’t tell me you don’t want to take responsibility! ”

Bai Anan was relieved. Qin Xuan would definitely deny it.

However, she didn’t expect Qin Xuan to nod. “Of course I have to take responsibility.”

He smiled at her after saying that.

That smile made Bai Anan’s hair stand on end. If there were no elders around, she would have jumped up and started fighting with Qin Xuan.

He was really too evil.

He Huan smiled. then it's settled. Your uncle Qin and I will discuss it. After all, this is a matter between the two families. We can't be careless and sloppy. You're not young anymore. Don't be like the young people and date for a few years. Dating after marriage is the same.

"You're right, Auntie!" Qin Xuan nodded in agreement.

bai anan stopped talking and ate her breakfast obediently.

he huan didn't stay for long and left quickly. before he left, he even gave a meeting gift.

bai anan's face was sore from laughing too much before she sent her away.

when the two of them were the only ones left, bai anan glared at qin xuan."you did it on purpose."

"yeah, i did it on purpose." Qin Xuan leaned against her and actually took a sip from the coffee cup she had just drunk.

It tasted good.

Bai Anan glared at him. you did it on purpose. Do you think I have no other way? "

Chapter 4844: You're really shameless 12!

qin xuan sighed. " my aunt isn't stupid. she was just joking. she didn't take it seriously. "

it was a joke, not serious?

Bai Anan raised an Emperor's Green pendant in her hand. "young master qin, this is called not taking it seriously and joking?"

Qin Xuan only smiled and didn't say anything else.

He didn't take it seriously. It was a joke that he thought in his heart. He really didn't take it seriously.

he wasn't against marriage, but he had never thought of marrying a girl like bai anan.

...

How should she put it ... He was too domineering. Just like Shen ting, he had the aura of an elite, while he was a more casual man.

He was surprised that he was really considering whether they were together and whether their personalities were compatible.

she was stunned for a moment, then she smiled.

Bai Anan glared at him, and her heart skipped a beat when she saw him smiling.

Although the pretty boy was very detestable, he was really quite good-looking. He didn't usually laugh, but he looked quite good when he did.

probably sensing her gaze, qin xuan looked over with a faint smile. ” “Bai Anan, don't worry. I have no other thoughts about you.”

“Thank you,” She snorted and picked up the cup to drink the coffee, not noticing that it was Qin Xuan's.

She lowered her head and remained silent. Qin Xuan's gaze fell on her.

after looking at her for a while, she said softly, ” “I'll send you back later!”

Joking aside, he didn't want to be associated with her.

Bai Anan didn't reject him, but she felt a little upset when she left.

She seemed to have been despised.

She had always been outstanding since she was young, and she had never been despised by anyone like this. Shen ting was not attracted to her, and they still respected each other. However, Qin Xuan's attitude clearly showed that he did not like her and despised her.

Bai Anan sat in the car. When the car arrived at her apartment, she got out of the car and turned her head. Qin Xuan, am I particularly annoying? " You're still a workaholic at your age?"

Qin Xuan didn't say anything.

bai anan knew it. she bit her lower lip and did not ask any more questions. she opened the door and got out of the car. but when she got out, she paused and bent down."Thank you. I don't feel so bad anymore."

Qin Xuan's fingers moved. it's good that you don't feel uncomfortable.

After she closed the door, he drove away.

bai anan stood there and watched his car drive away. suddenly, she felt that qin xuan was an emotionless animal. she did find out that he had some feelings for ye hui in the past. she also thought that he would pursue ye hui, but he didn't. even after two or three years, he didn't.

Ye Hui was very beautiful. If Qin Xuan was not moved by her, Bai Anan would have thought that Qin Xuan did not like women anymore. That was why he Huan was so anxious.

She laughed again. Her intuition told her that it wasn't. Qin Xuan just didn't like to share his inner world with someone.

At this thought, Bai Anan shook her head. "it's an occupational disease!"

She quickly stepped into the elevator. Of course, she left the meeting gift with Qin Xuan. Qin Xuan would explain it to he Huan.

bai anan had thought that she would not see qin xuan again after this incident. after all, she was no longer working at KING group, so it would not be easy for her to see him again. however, she had just returned from London and had bumped into qin xuan by accident.

It was Qin Xuan's blind date.

Bai Anan was about to enter her private room in a suit when she saw Qin Xuan walking over from the other side with a few elders.

this situation couldn't be any more obvious. there was nothing else other than a blind date.

Chapter 4845: He was actually angry at her (1)

Bai Anan was talking about business. Other than her suit, she was carrying a briefcase.

secretary ya was beside him.

as she walked, she suddenly stopped.

she and qin xuan were facing each other. she knew qin mo and he huan, but she didn't know the other two elders. they might be the parents of the girl.

No matter what kind of misunderstanding they had, Bai Anan still politely turned to greet them and let them pass. Secretary ya looked at her and also turned to the side, but she was a little suspicious.

Wasn't this the gigolo that lawyer Bai had stayed at last time? he looked like he was going on a blind date. He had also cleaned up exceptionally well today. He looked a little different.

...

this is a blind date, ” Secretary ya said softly. Mr. Bai, are you going to let him off just like that? ”

“Nothing happened!” Bai Anan also lowered her voice.

however, secretary ya didn’t believe such an explanation. she looked at her boss with suspicion.

Bai Anan could not care less about her and smiled politely at he Huan.

He Huan felt that it was a pity. She liked Bai Anan. Although she was two years older than Qin Xuan, she had a calm personality. Bai Anan was the child of ye Mulin and Bai Sulli. She was very good-looking, but her personality was like ye Mulin. She did not have the silly and sweet personality of Bai Sulli. She was a perfect match for Qin Xuan.

That day, she had also made the best of it. She didn’t expect that the two children didn’t have any intention. One directly denied it, and the other actually hid abroad for a few days before returning.

he huan sighed in his heart, but he couldn’t show it in front of the girl’s parents, so he just smiled like an elder. Anan, come to our house when you are free. Yihuan likes to hang out with you.

qin yihuan?

Mrs. Qin must be joking!

Bai Anan did not expose him. She smiled. alright, aunt he. I’ll definitely go when I’m free. By the way, when are they getting married? ”

He Huan sighed. yihuan will be going abroad for two years. She said she’s going to learn some photography. Let’s go to Milan. Shen ting wants her to go too.

Bai Anan smiled and did not say anything else.

she knew very well that for the next two years, KING corporation’s main focus would be overseas. that was probably why shen ting would be at ease and let go of it. however, in her opinion, they would kill someone very soon.

It was actually the same no matter where he was.

Bai Anan was a little absent-minded. When she came back to her senses, her eyes inadvertently fell on Qin Xuan's.

his gaze was judgmental, and bai anan did not like it. it was as if all her thoughts were exposed to him. she smiled. uncle, aunty, I'll go over now. The client is still waiting for me.

She was about to leave when he Huan suddenly called out to her, " "girls shouldn't drink too much."

bai anan stopped in her tracks. she seemed to be a little surprised, and she forgot to look at her face.

a few seconds later, she found her voice. " "secretary ya can drive. don't worry, auntie."

The unspoken meaning of her words was that she had to drink.

Today's client was a drunkard and a little rude. He didn't dare to do anything to Bai Anan because of her family background, but she still had to drink a few glasses of wine. If she had been lying next to her father, she wouldn't have been able to get to where she was today.

Of course, the other clients did not have the face to do so. This was the biggest client in the office after King Corporation. Now, she was the biggest. It was nothing to accompany her for a drink or two. Even if she was asked to send Secretary ya out, she would have to think about it.

Chapter 4846: He was actually angry with her 2

bai anan left.

they were about to leave, but after a few steps, he huan turned around. " qin xuan, why are you not moving? "

Only then did Qin Xuan take two steps forward and smile. "I'm fine."

He Huan looked at him thoughtfully. She felt that there was something wrong with Qin Xuan's attitude. A few days ago, he came to return the things and said with certainty that he and Bai Anan had only met a few times. But now it seemed that this silly boy could not let go. At least, he had a good impression of her.

Thinking of this, she sighed, "tonight's blind date was in vain again!"

She looked at Qin mo, feeling a little listless.

...

they went to the private room. the girl was pretty, but not as good looking as bai anan.

she had a good temperament, but not as good as bai anan.

She had a good career, but not as good as Bai Anan's.

She had a good temper, but not as good as Bai Anan's.

the other party's conversation was not bad, but qin xuan was obviously absent-minded.

He Huan sighed again. This kid was just fooling them. He had no intention of getting married at all.

In the past, she wouldn't have let him do as he pleased. Like Qin mo, she forced him to go on blind dates. Perhaps he would fall in love with one out of ten. However, after Qin Xuan treated her coldly again today, he Huan didn't blame him and sent the girl away with Qin mo and Qin Xuan.

the other girl was quite disappointed. after all, qin xuan's conditions were really good, but he didn't even smile at her the entire night, let alone have any intention of interacting with her.

however, there was no other way.

after sending her off, qin xuan heaved a sigh of relief.”uncle, aunty, i’ll send you back.”

“i did drive.” qin mo glanced at him.

qin xuan nodded. ” i’ll drive you to the parking lot then. ”

qin mo wanted to say something but stopped. he huan pulled him and he finally gave up.

When they arrived at the parking lot, Qin mo rolled down the car window when he closed the car door. Qin Xuan, ran ran.

Qin Xuan stood outside and smiled.

qin mo furrowed his brows. ” do you have a girl you like? ”

“No, I didn’t,” qin xuan said directly.

qin mo placed his fingers on the steering wheel and turned his head. ” “You’re so ...”

he huan interrupted him, clearly trying to protect him. ” look at you. qin xuan doesn’t like you forcing him to get along with you and then force him to marry you in the future? ”

Qin mo looked at his wife disapprovingly. She had spoiled Qin Xuan too much.

there were three children in the family, and qin xuan was probably the last to arrive. he huan was also ai jia’s child, so she was probably a little sensitive. she treated qin xuan exceptionally well and listened to everything he said.

qin mo didn’t agree with this as it would spoil the child. fortunately, qin xuan didn’t go astray.

he huan started to act like this again when it came to marriage.

“don’t interrupt!” qin mo said in a low voice.

“what am i inserting? i’m stunned.” he huan suddenly frowned. my stomach hurts! Xuxu, Qin mo, hurry up and drive! I want to go home!

“what’s the matter?” qin mo asked with a worried look.

“I’m not feeling well. My stomach hurts. I have to lie down for a while, Yingluo.” She clutched her stomach and quickly gave Qin Xuan a look. Qin Xuan understood her tacitly and also had a worried expression.”then hurry up and send auntie back!”

qin mo looked at him, then at he huan, but he still started the car.

when the car drove out of the hotel, qin mo saw that his wife was still pretending. he could not help but roll his eyes. stop pretending. You’re always speaking up for that kid. Do you think I don’t know what you’re like? ”

Chapter 4847: He was actually angry at her (3)

he huan put down her hand and snorted. ” alright, i’ll stop pretending. i’ll lay my cards on the table!
”

Qin mo laughed coldly as he drove.”You do this every time, aren’t you sick of it, Mrs. Qin?”

he huan took a pillow and played with it subconsciously as she said, ” “why don’t you let qin xuan meet someone he likes by himself? why do you insist on him going on a blind date?”

Qin mo was silent for a long time.

He Huan couldn’t wait any longer and turned to look at him.

After a long time, Qin mo finally spoke, "because I'm afraid he'll be lonely!" Shen ting and yihuan will have their own family after they get together. They can't be stuck together like they were when they were young. You know Qin Xuan, he doesn't say anything, but he's extremely sensitive."

...

"So you thought you should find him a companion?" "i don't care if he's willing or not," he huan asked angrily.

Qin mo laughed, " i just want to eat with him."

After he finished speaking, he Huan's eyes widened. She looked at Qin mo for a long time and couldn't believe that Qin mo wanted to eat with Qin Xuan during this blind date. After a long time, she mumbled, " "you can ask him to go home!"

Qin mo did not say anything.

then, he huan realized that qin mo didn't want to be too deliberate. he didn't want to show that he was paying too much attention to qin xuan. otherwise, qin xuan would be very sensitive.

She also fell silent for a while before saying in a low voice, " " let him decide then. qin mo, i think he likes bai anan. at least, there are some things about her that attract him. "

what she didn't say was that bai anan was strong enough to tolerate young master qin's delicate and sensitive nature.

she couldn't say these words out loud, as it would destroy her own prestige.

However, even if she didn't say it, Qin mo knew what she was planning. He smiled. it's hard for them, Yingluo. You know that Qin Xuan doesn't like women, especially women who are older than him. I don't think he's interested in marriage.

"Ah," he Huan said, "how did you know?"

“Men understand men.” qin mo sighed. ” i’m almost 30 years old. there’s not a single woman by my side who lives like a monk. either her heart already belongs to someone else like shen ting, or she doesn’t want to get married. ”

he sighed again. ” what happened when he was a child has a great impact on him. i heard that ran ran went to see aijia, and aijia was terrified after that. ”

He didn’t finish his sentence.

He Huan was also silent for a long time before saying, ” “Qin mo, was I too heartless back then? why did I have to send AI Jia to prison? this seems to be very unfair to qin xuan.”

qin mo held her hand and shook his head. ” “No, this will cause the least damage to Qin Xuan. You weren’t wrong back then. Edgar is a time bomb.”

He Huan let out a long sigh. I just feel that it’s unfair to Qin Xuan. He’s not very happy.

“You’ve tried your best, you dote on him so much.” Qin mo sighed. actually, this child isn’t that weak. He Huan, calm down and cut him when you need to. Just treat him like the other two children. I think Qin Xuan will feel better this way.

he huan let out an ‘ah’ and stared at qin mo. then, she snorted.”It sounds like I didn’t get any recognition at all.”

“how could it be!” Qin mo smiled and said,”Qin Xuan calls me uncle outside, but he calls you mom.” Isn’t that enough?”

Chapter 4848: He was actually angry at her (4)

“that’s because i dote on him.” He Huan’s energy was suddenly restored. She felt that she was not in the wrong and Qin mo could not do anything to her. In reality, he doted on her too, so she was always right.

as they were chatting, qin xuan was about to leave when his phone rang.

He opened it and saw that an unfamiliar number had requested to join his WeChat. A few seconds later, he realized that it was the woman who was going on a blind date tonight. He did not hesitate and rejected the request.

Although it was a little direct and hurtful, he didn't want people to have too much expectation because of him. He didn't like to waste time and didn't want to waste other people's time.

She found her car and was about to get in when she saw Secretary ya helping Bai Anan out of the car. Bai Anan seemed to be drunk, but she was not completely drunk.

just then, bai anan said to the secretary beside her, "I forgot to bring my briefcase. Go back and help me get it."

...

secretary ya was stunned for a moment, but she immediately nodded and went back to get it.

she remembered that there were a few important documents in mr. bai's bag. it would be a serious problem if he lost them.

After Secretary ya left, Bai Anan leaned against a car and rested for a while. She was waiting for the alcohol to subside. She had drunk about a bottle of red wine, and her face was a little hot and her body was a little unsteady.

Just as she felt a little comfortable and cool in the wind, she felt a burning gaze on her face.

"It's you again, Qin Xuan!" She smiled.

Qin Xuan closed the car door and walked over to her.

she put her hand on the car door behind her, looking like she couldn't take the alcohol.

“Is there a need to fight like this?” qin xuan frowned. ” you already have everything. do you really need to show your face in public like this? ”

Bai Anan smiled. sounds like I’m quite a traveler.

Those who knew that she was a lawyer would think that she was an 18th-tier female star who wanted to drink with them.

Qin Xuan looked her up and down, then sneered, ” “Do you think that you’re free from all the dirty work just because you’re wearing a business suit and drinking like this with a man?”

Bai Anan was furious. She hit him with her handbag. that’s enough, Qin Xuan. I’m having a few drinks with a client. What does that have to do with you? ”

He had one hand on her side, and half of his body was trapping her, not giving her a chance to escape.

he leaned in closer and his voice was even more hoarse.”Why don’t you let the Secretary drink?”

Bai Anan laughed dryly.

“What are you laughing at?” Qin Xuan’s tone wasn’t very good.

Bai Anan laughed dryly again. Yaren is looking at you. Why don’t you ask her why she didn’t help me drink? ”

Qin Xuan immediately let go of her and turned to the side.

holding her handbag, secretary ya said unhappily, ” that’s because other people have to drink with Mr. Bai. Who am I? I can only be a driver. I’m not even qualified to drink.

Bai Anan smiled and flipped her hair. ” young master qin is a flower in a greenhouse. how would he know about this! ”

if you don't drink it, you're not giving face to others. who will come to find you in the future?

qin xuan's expression turned ugly at her words.

He pursed his lips but did not say anything. He straightened his body and walked toward his car. He opened the door and looked up at Bai Anan."perhaps everyone has their own way of living!"

"that's true." bai anan stood there, smiling.

That smile stung Qin Xuan's eyes. He didn't know why, but he was a little angry.

she was angry at bai anan for being like this. she didn't belong in this kind of place and shouldn't be drinking with others.

She was most suited to sit on the sofa at home, handling some matters on her laptop, or simply do nothing, watch TV in her pajamas, and get up in the middle of the night to make hot pot!

Chapter 4849: You like Qin Xuan?(1)

Of course, it was someone else who made it for her.

he shouldn't be drinking like this!

Qin Xuan's thoughts might have something to do with the environment. He Huan had been raised well. Shen ting appeared in yihuan when she was very young, so she didn't have to work hard. She lived happily.

in comparison, bai anan was a little embarrassed. he couldn't understand why she chose such a life. wasn't it good to be pampered?

he got into the car and started the engine. when he saw secretary ya coming over, he sat quietly in the car for a while before starting the car.

After he left, Secretary ya walked to Bai Anan and looked in Qin Xuan's direction. She asked curiously, "what did president qin say to you just now?"

...

Bai Anan sobered up a little and turned her head."how do you know he's qin xuan?"

"it's in the magazine!" Secretary ya whispered, " she's even prettier in real life than in the magazines. Her skin is so delicate. She's the best in the world.

bai anan glanced at her. " i'm almost 30. how can i be so fragile? "

Secretary ya's face was full of fascination. anyway, your skin is very good.

Bai Anan took the things from her hands and opened them. She felt relieved.

she sat in the back seat and closed her eyes. " drive slower. i'm not feeling well. "

secretary ya was a little surprised. she turned her head and said, " " what's wrong, mr. bai? i didn't drink much tonight. " bai anan never vomited no matter how much she usually drank. she would be fine after a good night's sleep.

Bai Anan let out a long breath. "i'm fine. i'm probably not in a good mood."

Secretary ya thought so too. Mr. Bai had just broken up and probably hadn't gotten over it yet.

she slowed down the car and drove all the way to bai anan's apartment building. she turned her head and said, " "Mr. Bai, let me send you up!"

"No need," Bai Anan shook her head.

she got out of the car with the documents and walked into the elevator.

Secretary ya watched her go in before driving the car away.

Bai Anan was alone in the elevator. She looked at herself in the mirror and felt a little tired.

Her busy work and Shen ting's matter had been a big blow to her. Bai Anan rubbed her brows and thought, 'Yingluo is 30 years old now. Even that little brat Qin Xuan went on blind dates, and it seems like he goes on blind dates often. Should I go on one too?'

She smiled bitterly in the mirror.

when she returned to her 180-square-meter apartment, she opened the refrigerator and poured herself a glass of milk. she opened her laptop as she drank.

bai anan didn't have much entertainment, and work was her biggest source of entertainment. she had never felt that there was anything bad about this kind of life. in the beginning, she liked shen ting probably because she and shen ting had the same values. even if they lived together in the future, there wouldn't be too many conflicts.

But now, Bai Anan felt that she was probably going to be alone for the rest of her life.

she looked at the laptop screen, and qin xuan's face appeared in front of her eyes.

he seemed to be in a bad mood tonight. bai anan thought he was crazy. he didn't even have a wife. why should he care about her?

She was a little confused, but she couldn't watch it anymore, so she closed her laptop.

After taking a shower, she felt a little hungry. She touched her stomach and suddenly thought of the hot pot at Qin Xuan's house.

bai anan went to the kitchen and opened the refrigerator. there were all kinds of things inside, but she didn't know how to make hot pot.

He opened his laptop and did a quick search before finally following the steps.

“It smells weird.” with a look of disgust, she spat it out and stared at the pot of food in front of her.

In the end, he still poured them all out.

She was still hungry, so she went to sleep.

Lying on the bed, she still felt that something was wrong. She turned her head and looked at her bed sheet. Suddenly, she felt that it was better to change it to black silk. Qin Xuan’s bathrobe was also quite comfortable to wear.

bai anan didn’t sleep well that night. the next day, she went to the office with dark circles under her eyes. as soon as she sat down, secretary ya came in and placed the morning’s newspaper in front of her. ” lawyer bai, this is today’s morning’s newspaper. ”

“a cup of coffee, please.” bai anan lowered her head and flipped through the morning paper.

Of course, she also saw that her cousin of the same age was in the headlines every day, both in the financial and entertainment news. His good looks were not wasted. Bai Anan sighed.

secretary ya brought the coffee over and gently placed it on the table. ” president ye is getting married next week. the invitation is here. ”

she handed over the invitation.

bai anan shook her head. ” you even gave me an invitation?! ”

She took it out and looked at it. It was a very ordinary invitation. It didn’t have the aura of a rich man at all. It was a very perfunctory feeling.

Bai Anan couldn’t help but sigh. we didn’t even take our wedding photos!

Secretary ya echoed, ”yeah!” I heard that President ye doesn’t like Xuxu’s future Mrs. Ye very much. They didn’t even prepare a wedding House and it’s still the villa they used to live in. It’s not renovated either. It’s either black or white and there’s no joy at all.”

bai anan looked at secretary ya. ” you know a lot. ”

“there’s gossip every day,” secretary ya said with a smile.

“Do you know who that girl is?” Bai Anan asked, as she suddenly remembered something.

secretary ya’s expression was a little meaningful.

“Go ahead,” bai anan said calmly and took a sip of her coffee.

secretary ya coughed lightly. ” she doesn’t have a good background. i heard that she used to be the manager of an 18th-tier star in starlight, wanwan. later, something happened, so she resigned. however, i didn’t expect her to hide because she was pregnant with a dragon child. at this time, she came out to let the child recognize her father. don’t you think that she’s really scheming? ”

bai anan glanced at her. ” maybe he has his own difficulties! ”

“Mr. Bai, you’re so kind!” Secretary ya cupped her face.

This was definitely sarcasm, because Bai Anan was famous in the circle of rich people for being ungrateful and vampire-like. She had probably done too many bad things, and now she had a rare kindness in her.

bai anan glared at her again. ” you’re getting more and more insincere. ”

“it’s obviously a rainbow fart.” Secretary ya was all smiles.

Bai Anan glared at her again. She didn’t know what to say. In the end, she lowered her head to drink her coffee while reading the newspaper. The girl named su mu would not have a good life in the future.

It was quite clear from the gossip that su MU’s original family was terrible. His father was a gambler, his mother was weak, and he had a younger brother who looked like a vampire. The whole family lived in the suburbs of B city.

bai anan could tell the general story at a glance. it was nothing more than a night of longing for student nan and student su having a good time together. student su had no intention of resigning, and then gave birth to a child. at first, everything was fine, and nan could continue to live his life as a rich man's son. but this child was accidentally discovered by the su family to be a dragon's child.

Chapter 4850: do you like qin xuan? 2

thus, the following plot was created.

“It's really melodramatic. i don't understand!” bai anan pursed her lips and smiled.

“President ye will be very unhappy in the future, right?” Secretary ya said softly.

Bai Anan folded the newspaper and glanced at her. su mu will be the one who's unhappy. He'll only feel good if he misses the South at night.

she was a little worried.

Xiang Nan's situation was different from uncle Bai's. Aunt Wen had a good family background and uncle Bai had always liked aunt Wen. However, su mu was really ordinary in his photos and his family background was so poor.

...

thinking about it, it would be very difficult for her to enter his eyes.

when a married man's heart was not with his wife, one could imagine what his life would be like. he would be very indifferent!

bai anan was born in a good family and had seen many of such resentful couples in the circle. after she became a lawyer, she helped the rich ladies fight lawsuits. a group of big bosses hated bai anan to death. if she was not ye mulin's daughter, she would have been devoured alive.

Bai Anan sighed and threw the morning paper into the bin.

it was really early in the morning, but the more unnutritious the food was, the better it was sold.

public morals were degenerating day by day.

Bai Anan finished her coffee and started her day's work. Yaren said, "last night, Mr. Zhang agreed to leave the work for the next year to our firm. Lawyer Bai, you're the best.

bai anan put down the pen in her hand and said with a blank expression, "As expected! If he dares to let me drink, then I won't dare to not give him face."

after all, no one in B city dared to not give her father, ye mulin, face.

She could be considered to have relied on her father. Although he was strong, she didn't deny that she had relied on him.

Secretary ya's flattering started again. that's because Mr. Bai is trustworthy.

bai anan looked at her and smiled. she pulled out a drawer and took out a bag."this is for you. it's your birthday today, isn't it?"

Secretary ya held her face in her hands and was surprised and happy."Thank you, Mr. Bai."

it was from hermès. although it was just an entry-level payment, it was about 70000 to 80000 yuan, which was yaren's salary for two months.

"Then, shall we have dinner together tonight? it's my treat. " secretary ya shifted a few steps toward him.

“all the colleagues?” bai anan asked.

Secretary ya screamed. there are more than a hundred people here, lawyer Bai! I’m just an odd-job worker! Do you have to kill me like this?!

bai anan thought for a moment. ” forget it. just me. ” is this your return gift?”

Yaren was from city H, and she wouldn’t go back to spend her birthday with her family at the age of 26. She was on good terms with Bai Anan, so it wasn’t a big deal to spend her birthday with her. She lowered her head and said, go order a cake and report it to the company. Also, order a decent afternoon tea for all the employees in the afternoon. Consider it your treat, but report it to my company.

“thank you, mr. bai,” secretary ya said happily.

“Go out and do your work,” Bai Anan smiled.

after secretary ya left, she was slightly stunned.

It seemed that she had never cared about her birthday. She had never had the habit of celebrating her birthday except for her birthday. It was fine when she was young, especially after she studied abroad and got a lawyer’s license. She had never had the time to celebrate her birthday.

Therefore, it would be good to have a meal together tonight. After that, they could take a walk to digest their food and buy a set of bed sheets and pajamas.

as she thought about it, she felt that the night wasn’t too boring anymore, and her mood became slightly better.

in the afternoon, bai anan got off work on time. secretary ya followed her happily with a cake in her hand, like a little follower. bai anan smiled.”we’re going to have dinner to celebrate your birthday. don’t make it seem like we’re still at work.”

only then did secretary ya come to her side. she was quite excited.

many of her colleagues in the office had not left yet, so they were very envious of secretary ya.

However, he couldn't be envious of her. She was a popular person who worked for Mr. Bai, and she wouldn't be bad in the future.

what was lawyer bai's background? he was either rich or noble, how could he be the same as ordinary people?

Secretary ya was also a good person. She was just a Secretary who usually flattered others and asked for warmth in her daily life, but she actually managed to climb up to a higher branch.

Mr. Bai might look peaceful, but he was actually quite cold and aloof. He didn't get along well with his subordinates. However, Mr. Bai was a good person and knew how to reward and punish clearly. Hence, they didn't find anything wrong with him.

bai anan was driving. she sat in the car and looked at yaren.

She didn't look too good, as if she cared about what others said.

Bai Anan smiled. it doesn't matter what other people think. What's important is that you're happy. It's your birthday today.

"am i being too high-profile?" yaren forced to smile.

"Normal colleagues would also do these things. It's not high-profile. They just think that you're getting more. But the world isn't fair, is it? there's nothing to complain about. if you have the time, why don't you do something else?" bai anan said as she started the car.

She was usually this rational. Even when faced with her relationship with Shen ting, which had ended without a hitch, she still drank alcohol for an entire afternoon in a daze and it passed.

speaking of which, bai anan had no desires.

however, she also had a damn desire to win. only love, she knew that there was no way to determine the winner.

She had never been the one to be loved.

bai anan pursed her lips and said lightly. yaren chimed in, ” ” that’s true. why should i care about what other people think? it’s too tiring to live like that. ”

“That’s the way to think.” Bai Anan smiled. you’re always thinking about what other people think. You’re living for them.

yaren hugged the cake and nodded vigorously. ” “mr. bai, you’re so amazing.”

“it’s not that i’m good, it’s that yingluo is still young.” Bai Anan was still smiling. She looked pretty when she smiled.

Yaren looked straight at it and said in a low voice after a long time, ” actually, Mr. Bai, you’re really good-looking.

“is it good?” I’m not a monk, ” Bai Anan said nonchalantly. I don’t care about my appearance.

Yaren retorted in a low voice, ” a lot of people will like you if you’re good-looking.

She paused for a moment. actually, President Qin Jr. Is not bad. Lawyer Bai, have you ever thought about Yingluo wanting to be with him? ”

“You mean Qin Xuan?” Bai Anan smiled. I didn’t think of that. Yingluo, I guess we don’t get along well.

yaren responded with a soft “oh” and then asked in a low voice, ” “what if he’s after you?”

bai anan turned her head, puzzled,’what if? yaren, do you like qin xuan? if you like him, i can introduce him to you. he should prefer people like you!”

Because he somewhat liked ye Hui!
