

## Thank you 4851

Chapter 4851: you like qin xuan?(3)

” mr. bai! ” yaren heaved a sigh of relief. ” the difference in status is too great! ”

she looked at bai anan as she spoke.

Bai Anan smiled slightly. identity isn’t that important. It’s more important to like him.

secretary ya’s voice was very soft.”mr. bai, you really don’t mind?”

“what’s there to mind? Don’t tell me that men need women to support their families?” Bai Anan said matter-of-factly.

Secretary ya held the cake in her hands tightly and slowly said, ” “that’s because mr. bai has never been looked at like that before, so he doesn’t mind.”

...

“is that so?” Bai Anan smiled. I really don’t mind. I just want to be myself. Other people’s opinions don’t matter. If this man really loves you, he will protect you and not let the world hurt you.

Bai Anan suddenly thought of her parents.

Back then, her mother was actually in a very sorry state. Her identity was much worse than that of ordinary people, but her father was still the same as before. He gave up his favorite career for his mother.

Bai Anan grew up in a loving environment, but her personality was like ye Mulin’s. Sometimes, ye Mulin felt that it was a pity. He hoped that Bai Anan was more like Shirley, as girls were more adorable.

At the very least, he didn’t want to be that strong.

But Bai Anan felt that it was good. At least, she had been living well all these years.

After being in a daze for a moment, she quickly regained her senses. After all, she was still driving.

secretary ya was also deep in thought. they didn't speak until they reached the restaurant.

The restaurant Yaren had booked was not bad. It was French and there was a silver candle on the table with a White Rose.

bai anan looked at him and smiled. " people who don't know better might think that we're having a candlelight dinner. "

Secretary ya smiled and thought for a while."Why don't we go to another restaurant? doesn't lawyer bai like to eat hotpot? let's go have hotpot."

bai anan stopped her. " it's your birthday today. of course, you can have french food if you want. "

the two of them sat down. secretary ya was the one who ordered the meal. she had a good grasp of bai anan's preferences and quickly ordered two lunch sets. after the waiter left, bai anan took a sip of the wine before the meal and smiled."Secretary ya, you can get a boyfriend now."

"shouldn't we focus on our business first?" Secretary ya mimicked her and took a sip. Then, she choked a little and stuck out her tongue.

bai anan thought of something and asked,'did you get your license? you can be an assistant for a while, and after following another lawyer for a year or two, you can take charge of things on your own."

She took another sip of her wine. it's better than being a Secretary.

Secretary ya was silent for a moment before she slowly said, " "Not yet,"

Bai Anan did not take it to heart. then you have to hurry. she said.

Secretary ya smiled. Just then, the food was served. She was about to hit the table when Bai Anan stopped her. "Light the candle first and make a wish before eating."

secretary ya nodded, opened the cake, ordered it, and made a wish.

Bai Anan cut a piece of cake for her. "we can start now."

yaren smiled, ate the cake, and then began to enjoy the feast. this was probably the happiest birthday she had ever had since she started working. xuxu kept looking at bai anan.

"What's wrong?" Bai Anan looked up.

yaren squeezed out a smile. " i feel so happy now. "

"he looks so silly," bai anan laughed.

Chapter 4852: Do you like Qin Xuan?(4)

She reached out and pinched Yaren's face. It was also because the relationship between people of the same gender was usually good.

Secretary ya smiled. Mr. Bai, you're really good.

"Oh." Bai Anan started eating. I don't have a good reputation. I heard that my colleagues in the law firm even gave me a name called 'baopi'. Is that true? "

Secretary ya's expression was a little subtle, and she only managed to squeeze out a smile after a long time.

bai anan ate her food contentedly and said nonchalantly, " "When they receive their funds, they will definitely take back these three words."

” yes! ” secretary ya nodded her head vigorously. ” lawyer bai has a very high prestige in the firm now. ”

...

do you have to flatter me like this? I’m the boss, of course I’m bossy. Think about it, which law firm in B city has better treatment than us? ” bai anan smiled.

Secretary ya revealed a proud expression. “of course not.”

“This is it,” “It’s really hard to be a boss these days,” Bai Anan sighed.

Secretary ya didn’t say anything. She just looked at Bai Anan with the adoration of a little girl.

bai anan couldn’t stand the look in her eyes. ” just work hard. stop flattering me. ”

Yaren smiled and raised her bag. “thank you, mr. bai.”

bai anan smiled and did not say anything.

after the meal, she originally wanted to shop with yaren, but she gave up when she thought about what she was going to buy later. yaren had seen her wearing qin xuan’s pajamas and would definitely misunderstand. although she bought it because it was comfortable, she didn’t want yaren to misunderstand.

So, Bai Anan went shopping alone.

Carrying her briefcase, she walked around and went to a few stores before she found Qin Xuan’s pajamas and bed sheets. Of course, they were extremely expensive. She bought two sets and it cost more than 200000 Yuan.

“It’s really extravagant.” bai anan sighed that her life was not as exquisite as a man’s as she swiped her card.

the saleswoman made a big order and personally helped her carry it to the parking lot and put it in the trunk.

Just as Bai Anan was about to leave, a car beside her suddenly rolled down its window.

The person sitting in the car was none other than Qin Xuan.

Qin Xuan's gaze fell on the shop assistant and he frowned. "What did you buy, Bai Anan?"

Bai Anan didn't expect to see Qin Xuan here either. She coughed lightly. why do you care what I bought? "

it's none of my business, but I think this brand is a little familiar. qin xuan's eyes were filled with curiosity."or did mr. bai buy something shameful?"

Bai Anan was exasperated. Just as she was about to say something, the saleswoman beside her smiled sweetly. Sir, miss Bai bought two sets of bedding and bathrobes from our brand. They are all black ice Silk fabric and are very tasteful. It was definitely not something that could not be seen by others.

the saleswoman felt that she had helped bai anan out of her predicament, but when she said that, bai anan wanted to dig a hole in the ground and hide in it. what the hell was this?

"oh?" Qin Xuan smiled and got out of the car.

the saleswoman's eyes lit up. a luxury car, a handsome face, and a pair of long legs.

Qin Xuan glanced at her and gestured for her to leave. The sales lady left in disappointment.

Bai Anan opened the car door and threw her briefcase inside. Then, she leaned against the car door. young master Qin is very charming. He can even make the saleswoman's heart flutter when they meet by chance.

## Chapter 4853: you like qin xuan? 5

“that’s her business.” qin xuan also leaned against his own car and crossed his arms. ” ” bai anan, why did you buy the same bed sheet and bathrobe as mine? are you secretly in love with me? ”

bai anan sneered. ” has young master qin always been so narcissistic? ”

She paused and rolled her eyes at him.”I just feel that it’s quite comfortable.”

qin xuan gave her a strange look. ” really? then i hope you have a good night’s sleep.”

He sat in the car but did not close the door immediately. Instead, he seemed to be deep in thought. maybe it’s not the bed sheet or pajamas. Mr. Bai, you’ve been single for a long time, so there’s something wrong with you.

He chuckled. find a man. He’ll help you sleep better than bed sheets and pajamas.

...

Bai Anan was furious. She gritted her teeth.”It seems that young master Qin is very experienced in this area.”

“I don’t have any problems with that.” qin xuan smiled and closed the door. the car quickly left.

Bai Anan snorted and walked to the back of the car to open the trunk. She hesitated for a while and wanted to throw the things away, but she was really angry.

however, he thought that it would be a waste to throw away the 200000 yuan, so he brought it home.

After they got home, Bai Anan studied the washing and drying machine at home. It took her a long time to master it. An hour later, she laid it on the bed, took a shower, and changed into a black bathrobe.

lying on the bed, he felt very comfortable.

he sniffed it and muttered, "it's so expensive!"

She thought that she would fall asleep soon, but after staying up for a long time, she still could not fall asleep. She could only look at the ceiling and count sheep in her head.

When she counted to more than three thousand, Bai Anan finally fell asleep in a daze. She thought to herself, 'Qin Xuan is right. It seems that it has nothing to do with pajamas and sheets. Do I really need a man?'

Because it was the weekend, she didn't wake up until 10 in the morning. It was the elevator that woke her up. Her mother, Bai Sulli, had called. "anan, come home for dinner tonight."

bai anan grabbed her hair. "mom, i don't think we can do it tonight. "

Bai suili rolled her eyes. look at you. You're working so hard. How can you care about anything else? "

"What do you mean by other things? I've taken good care of myself, I'm chubby and fair." bai anan's voice was a little hoarse.

"hmph! " bai sulli snorted. "you're 30, anan. do you plan to be single for the rest of your life? "

bai anan felt a headache coming on. "mom, i've just broken up with someone. you need to give me some time to calm down. "

"Pfft, you think you can lie to me? It's impossible between you and Shen ting, how could you have lost your love?" your aunt he called me and told me that you stayed at Qin Xuan's place for a night, " Bai Xiuli said. is that true? "

bai anan's mind was in a mess.

after a long time, she stuttered, ” ” i’m drunk. i didn’t sleep with you. mom, please don’t misunderstand. ”

“I know,” Bai suili’s tone actually sounded a little disappointed. but an ‘an, you’re too bad. You’re alone with a man and a woman, and you can’t even get Qin Xuan!

Bai Anan did not know whether to laugh or cry. mom! Why should I? ” she asked.

” if you can’t be shen ting’s wife, then marry his younger brother and let shen ting work like a horse for you to earn money. ” bai suili’s thoughts were completely from the bai family, and she was very happy.

ye mulin, who was at the side, could not listen anymore. he walked over and took madam’s phone away.

Chapter 4854: you like qin xuan? 6

Ye Mulin, who was standing at the side, could not bear to listen any longer. He walked over and took the lady’s phone away. Then, he said to Bai Anan,”Don’t listen to Your Mother. Come back for dinner tonight.”

there was indeed a young man who was a long-time friend of an ‘an’s. an’ an should have guessed it, and it was reasonable to meet him.

At first, Bai Anan wanted to refuse, but she thought that Qin Xuan might be right. Could it be that she had been single for a long time and always suffered from insomnia?

Hormonal imbalance, just thinking about it made her scared.

maybe she would become normal after meeting a good-looking man!

Bai Anan scratched her head, agreed, and hung up the phone.

...

he raised his hand and looked at the time. it was still early in the evening.

she grabbed her hair again and tied it into a bun. then, she got out of bed and went to the bathroom.

looking into the mirror, she looked at herself. why did she look so young? she didn't look like her father at all. as she brushed her teeth, she thought to herself, 'am i such a failure? shen ting doesn't like me, and even qin xuan doesn't like me and treats me like an old woman. how am i old?'

He was clearly very young!

bai anan wiped the water off her face and went downstairs after some simple skincare.

the part-time helper wouldn't come on the weekends because she didn't like to be disturbed. but at the same time, she didn't have any food to eat. she had a habit of eating breakfast and lunch together. bai anan took out her phone. "let's call for delivery!"

She did a search and found that it was a vegetarian hot pot.

However, that restaurant didn't have delivery, so she could only go there to eat. She didn't want to go out, so she made a call. The front desk on the other side kept saying that they didn't have delivery, and their shop was too busy.

bai anan was quite disappointed. she just wanted to have a meal today.

the manager personally came over to apologize and was about to hang up when qin xuan, who was out for dinner with shen ting and qin yihuan, overheard the conversation. he walked over. "Her surname is Bai? is she called bai anan?"

the manager held the phone and looked at qin xuan. he naturally knew young master qin and knew that the person on the other end of the phone was not an ordinary person. thus, his tone became more respectful. "May I know miss Bai's full name, Qianqian?"

after hearing that, he immediately said to qin xuan, ” “yes, it’s miss bai anan.”

” i’ll take it with me. ” qin xuan thought for a moment. ” make her a pot and go with the side dishes.  
”

“Ah?”

The manager felt that this was inappropriate and mumbled, ” “i’ll deliver it myself, how can i trouble president qin!”

“my friend,” qin xuan replied.

He didn’t want to waste time talking to the manager, so he went to the private room. brother Shen ting, yihuan, I’m not eating with you.

shen ting seemed to have heard bai anan’s name, so he smiled. ” “why don’t we ask mr. bai to come over and eat?”

Lawyer Bai?

Qin Xuan looked at Yi Huan and smiled. “forget it, i’ll send it over!”

just as he was about to leave, shen ting called out to him, ” “qinxuan.”

qin xuan tilted his head.

” think carefully. are you going to be a normal friend or with another identity? ” shen ting’s tone was very gentle.

Although he was only a few years older than Qin Xuan, he cared for Qin Xuan like a father and a brother, just like how he loved Yi Huan.

Qin Xuan smiled. I know what I’m doing. It’s just a hot pot. Besides, it’s just a gesture.

after he left, yi huan said lazily, "since when did qin xuan have such a gentlemanly thing?"

"probably from now on!" shen ting smiled.

Chapter 4855: bring her home to meet her in-laws (1)

shen ting nodded. "that's true."

Yi Huan looked a little lazy while Shen ting was busy serving her food. Yi Huan ate for a while before she said, "do you think qin xuan likes bai anan? look at him, he doesn't treat other girls like this. He's gone on blind dates more than ten times, but he doesn't even send girls home. He's afraid of being pestered by others. I think every blind date he attends is just like having a proper meal with my parents. In fact, we're family. There's no need to make such a big scene for a meal. You see, for such a Grand occasion, my mom has to put on makeup and dress up. She even has to put on the most expensive jewelry. I'm tired just looking at her."

shen ting laughed at her words. he turned his face to the side. "auntie said that?"

"No, I just guessed." Yi Huan held her chin, "the three of us are like children playing house. Are you tired?"

"Maybe they're just enjoying it!" Shen ting laughed.

he paused for a moment. "it's a mutual achievement. maybe qin xuan hopes that auntie can expand her social circle. after all, auntie has been a bit of a homebody all these years."

...

yi huan shrieked. "my mom must have offended everyone in the circle in the past two years. only new friends would be willing to go on blind dates with her. the others would only be willing to play mahjong with her."

Because it had been more than a dozen times, Qin Xuan really only had blind dates with the girl and there was no follow-up.

More than ten times, without exception.

Too many people wanted to marry their daughters to Qin Xuan. Qin Xuan was a genius and had hundreds of billions of Yuan in assets. Who didn't want to marry him? but Qin Xuan didn't seem to have much interest in women.

Yi Huan thought so too. She thought that he had some bad habits.

But today, it seemed very normal, very normal.

After Shen Ting heard her complaints, he could only smile.

He had never thought that Qin Xuan was abnormal. As a man, he understood men better. Qin Xuan had just never met a girl who could move his heart. At one time, he thought that the girl was Ye Hui, but after Qin Xuan showed a trace of surprise at first sight, it seemed that he had no other expression.

And so, Shen Ting knew that it wasn't Ye Hui.

But no matter how he thought about it, he never thought that this person would be Bai Anan. Qin Xuan didn't seem to like Bai Anan's type.

However, no matter how unbelievable it was, it happened.

Shen Ting smiled and did not say anything else. He continued to serve Qin Yihuan more dishes.

Yi Huan was full and rubbed her stomach, "Are you trying to make me fat so that I won't be able to find a boyfriend in Italy?"

"Your boyfriend?" Shen Ting's eyes were warm and gentle, completely unlike the smiling tiger that was rumored in the business world.

Yi Huan's skin tightened.

shen ting still had a wet and harmless appearance, ” ” i thought that we would have a status now, eating and sleeping together. qin yihuan, you still want to find a boyfriend? ”

“A slip of the tongue!” Yi Huan said with a fake smile.

She chuckled and laughed in an extremely forced manner!

“should i be punished?” shen ting lowered his eyes.

Yi Huan wanted to bite her tongue off. This man, this man, can you not punish me so easily!

just thinking about it made him feel extremely miserable!

She said weakly, ” by the way, you must be busy with work.

You won't go to Italy to punish me, right?

Shen ting's eyes had a faint smile.”What do you think?”

Chapter 4856: Bring her home to meet her in-laws (2)

“President Shen is very busy every day.” yi huan laughed cheekily.

shen ting took a piece of her favorite meat and placed it in her bowl. he said very slowly, ” tomorrow, i'll ask secretary wang to show you my work schedule for the next two years. but i also know that i'll probably spend most of my time in Italy for the past four weeks or something. ”

what did he mean by probably?

I've never seen anyone more shameless than you! Yi Huan complained.

"is that so?" shen ting said, "then let's not see each other for two years. you can find a boyfriend and i can find a girlfriend."

"no," Yi Huan snorted and hugged his arm with both hands.

...

Shen ting laughed and didn't say anything.

at this time, the manager came over and asked if they needed anything. yi huan stopped joking and said, " "did president qin leave?"

the manager smiled. " he left about ten minutes ago to deliver miss bai's things. by the way, is president qin coming back for dinner? do you want me to ask the kitchen to make a new pot base or something? "

this rich man should be quite particular.

"no need," shen ting replied indifferently. because qin xuan would not come back.

yi huan looked at him and understood something from his eyes. she stretched her back and said, " "i'm so full, i want to take an afternoon nap. shen ting, are you full?"

He turned his head and glanced at her faintly. Then, he took a towel and wiped his lower lip. He paid the bill and left with her.

yi huan thought that he would bring her back to his apartment, but halfway through the journey, she realized that something was wrong. this was not his apartment, nor hers, and it was not the qin family's villa.

instead, it was a rustling sound.

“Shen ting?” she was surprised, surprised, and even a little shocked.

he was at a loss.

it’s my mother’s birthday today, ” Shen ting said. I’m bringing you back to celebrate her birthday.

yi huan mumbled,”why didn’t you say so earlier?” we can eat there, or else it’ll be rude!”

“You don’t like to eat noodles.” shen ting smiled.

B-but I didn’t buy you any gifts. Yi Huan was still arguing.

Shen ting smiled again. I did.

Ah, Luo, Luo yihuan didn’t know what to say.

In fact, it was not her first time going to Shen ting’s house. She had been there twice when she was 15 or 16 years old. At that time, Shen ting had already gotten his driver’s license, and he had brought her home during the new year. Shen ting’s mother liked yihuan very much.

To put it more realistically, Shen ting’s assets came from the Qin family, and yihuan was cute. As a mother, she knew what her son was thinking, so she naturally treated yihuan well.

in the past, shen ting’s mother was also a very strong-minded person. that was why she was so heartless as to send her son away to be raised by someone else. fortunately, qin mo was very understanding and polite. shen ting would often come back during chinese new year and other festivals. he was usually too busy, so he had no time.

after that, yi huan grew up and finally got together with ye xiangnan.

her son was disappointed day by day, and as a mother, she felt that she had let her son down. if she didn’t let him go to the qin family, he wouldn’t have suffered in the end. shen ting was unhappy every day, even if he had so much.

Shen ting's mother also knew about Bai Anan and was very satisfied with her. However, Shen ting had never brought her home for her to see, so she knew that her son's heart was still on Huan.

everyone knew about yi huan's annulment of her engagement, but not many people knew that she was with shen ting.

In private, Shen ting didn't want to wait any longer.

No matter how much restraint he had, it was useless.

Chapter 4857: bring her home to meet her in-laws (3)

shen ting's mother didn't know about it at first. however, when they were about to eat longevity noodles at noon, her son came back. the car door opened and yihuan got out of the car. she knew that they were together.

yi huan hadn't been here for more than ten years! Shen ting's mother had also seen how she looked like when she grew up from magazines, and she looked even better in real life.

however, an old lady who always kept a low profile, especially in front of so many guests, was still able to keep her composure. she pulled them into the living room with one hand each, and father shen was naturally happy.

They had always been afraid that the Shen family's bloodline would end.

in the main hall of the villa, there were about 20 people, including the elders and the younger generation. the scene was not small, and when they saw shen ting return with yihuan, they were all very interested.

yi huan wanted to cover her face. she also thought that only his family members would be there. she did not know that there were so many relatives.

...

However, she couldn't do that. She wasn't a child anymore, and she would be rude and embarrass Shen ting.

Shen ting held her hand naturally and passed a box to his mother. mom, this is the birthday present yihuan picked for you.

mother shen couldn't close her mouth. she opened it in front of all her relatives. inside was a white jade guanyin, about 15 centimeters long. it was a rare large piece of suet jade, and the color was of good quality. it could be considered a rare treasure.

Mother Shen was slightly touched.

In fact, she knew that her son had picked her. Yi Huan's face was a little confused. She was probably dragged here at the last minute. But it didn't matter. As long as the child was willing to come back with Shen ting, it was good.

shen ting had everything now, but when she had sent him to the qin family, who knew how many people had scolded her behind her back, saying that she was snobbish and greedy, and she had never defended herself.

In the past, Shen ting had made many choices. Although his parents wanted their children to become successful, if he was not willing, she would never force him.

and now, shen ting was still the child of the shen family, and he would come back during the new year and other festivals. now, he had even brought back the spoiled daughter of the qin family. who would dare to say that their shen ting was someone else's servant?

Mother Shen's eyes were a little wet as she thought of the past.

she looked down at the gift to hide her loss of composure. " i like it. good boy. "

The surroundings were silent.

They held their breaths. They were still suspicious. Would Qin yihuan be with Shen ting?

at this moment, shen ting gently pushed yi huan. ” aren’t you going to greet them? ”

yi huan was a thick-skinned person, but her face suddenly became thin. she stammered and opened her mouth. she wanted to call her ‘auntie’, but she felt that it was too unfamiliar. she and shen ting were already in such a state, and the people around them were watching a good show.

She suddenly realized that Shen ting’s journey to where he was now might not have been easy. He was not a child of the Qin family, and while he enjoyed the convenience, he also had to bear a lot of pressure.

hence, she thickened her skin and said, ” happy birthday, mom. ”

shen ting’s mother was so happy that she cried. she looked at her husband speechlessly.

at that time, shen ting’s father strongly opposed shen ting going to the qin family. shen ting’s excellence made him believe that in the future, his son would be a phoenix among dragons, and there was no need for him to go to other people’s houses.

But now, his son had really gotten someone else’s daughter. What else was there to say? he was going to have a Y family!

Shen ting’s father smiled and glanced at Shen ting.

mother shen, on the other hand, was touched by mo yi’s hair. then, she went upstairs and took out a jewelry box. inside the box were all the things that shen ting had bought for her all these years. they were very expensive.

Chapter 4858: Bring her home to meet her in-laws (4)

she picked out a small box from the inside and opened it. inside was a set of pink diamond jewelry.

mother Shen caressed it carefully and smiled. ” “Shen Ting hasn’t said anything all these years, but when he gave me this set of jewelry, I knew who his wife was in his heart and who he wanted me to give this set to. Yihuan, take this. It’s a gift from me and a gift from Shen Ting.”

It was her birthday today, and her son was happy. No matter how hard she tried to hold it in, her eyes still teared up.

Oh, ” Yi Huan replied, then reached out to wipe mother Shen’s tears.

Shen Youran’s mother was embarrassed. ” I’m sorry, I’m too happy. ”

“I’ll be happy every day then,” Yi Huan laughed.

...

“I’ll be happy every day if Yihuan stays here with me every day,” mother Shen said as she looked at Shen Ting.

Shen Ting touched his forehead, indicating that this request was a little too much!

Yi Huan was also embarrassed and did not say a word.

Shen Ting smiled and said, ” Yihuan is preparing to go to Milan to study photography. It’ll be about two years. For the next two years, my focus will be there as well. We’ll get married when we come back.

Yi Huan looked at him.

Hmph Hmph, now that you’ve revealed your true colors, you still said that you’ll give her freedom and give her two years.

It was all fake!

shen ting also looked at her and smiled. then, he brought her to see his aunt and all the other women. he called them down one by one, and yihuan made a small fortune.

On the other side, although mother Shen could not see her two children every day, she was already satisfied.

She had thought that her son was going to be single. She didn't expect that someone would suddenly give birth to ye xiangnan's child. She really had to thank that person.

However, mother Shen was worried that Shen ting was just a substitute. So, after sending off the relatives and friends in the afternoon and arranging for yihuan to stay in Shen ting's room, mother Shen asked Shen ting worriedly.

as a mother, she was always afraid that her son would get hurt.

Shen ting smiled and said indifferently, " " all these years, we've actually been together since the day yihuan came of age. "

mother shen was shocked!

such a thing actually happened?

However, as an elder, she was too embarrassed to ask for the details. Shen ting was grateful for yihuan's stubbornness back then. If it weren't for that night, she would probably be with ye xiangnan without hesitation, and he wouldn't have had anything to do with her.

Shen ting then talked to his parents about some things, but mother Shen still asked, " are you two really going overseas? aren't you going to get married? Shen ting, you're already 31. You can be a father at this age.

"if yihuan is pregnant, we'll register our marriage immediately and we'll have the child," shen ting replied naturally.

Shen youran's mother understood that she was going to let nature take its course. Based on the current level of passion, she should be able to hold a grandson soon, but she was afraid that she wouldn't be able to hold one later. There were people at the Qin family's side!

Shen ting smiled. aunt he will probably be busy with Qin Xuan's marriage. She won't be able to take care of us.

Mother Shen also liked Qin Xuan very much. She mumbled, that's right, that's right. That child should be getting married soon. He's 28, right? he's really good-looking.

shen ting smiled, "yes, but i think you'll have a girlfriend soon .."

"which family's girl is she from?" Shen ting's mother asked naturally. She didn't expect Shen ting to give her an explanation. After all, B city was so big that she wouldn't know who it was even if he told her.

but shen ting smiled. " bai anan. "

mother shen was shocked for the second time today. she looked at her son and didn't say anything for a long time. she still didn't understand the meaning in his eyes. was qianqian getting old and unable to keep up with the rhythm?

This, this, this ... Couldn't they have expanded the search area a little? why did it turn out that they were all old acquaintances?

Chapter 4859: bring her home to meet her in-laws (5)

Mother Shen's gaze had that kind of meaning in it, so how could Shen ting not see it?

She coughed lightly. mom, I've only had a few meals with Bai Anan. It's nothing.

Mother Shen glanced at him. She knew that with her son's character, he wouldn't lie, and he wouldn't do anything out of line for no reason. Thinking about it, she felt that it was not bad.

qin xuan was a sensitive child who didn't accept others easily. bai anan's personality complemented his. with that thought in mind, mrs. shen felt that she should go and offer some incense.

it's great that all three children have good results.

Shen ting saw that she was so optimistic and it was her birthday, so he didn't want to dampen her spirits. After chatting for a while, he went to his bedroom.

...

when he opened the door, he saw yi huan sleeping soundly on the bed.

She never had a proper posture when she slept. Now that she was lying on her stomach, her face was buried in the White pillow, and her black hair covered half of her face.

shen ting slowly sat down by the bed. he reached out his fingers and gently touched her face. his voice was also a little low. "you're still like a child."

As he touched her hair, he thought that her hair should be very long after a year.

His gaze then fell on the green shadow under her eyes, and he knew that she had been a little tired these days.

shen ting's face heated up, and he didn't dare to continue thinking about it.

she would not wake up for the time being, so he took a book and quietly accompanied her.

Yi Huan didn't wake up until two O'clock in the afternoon. When she opened her eyes, she saw Shen ting sitting beside her. Her voice was a little shallow."shen ting?"

"you're awake?" he asked.

yi huan's face was red as she woke up. she moved her head and rested it on his lap, "how long have i been sleeping?"

Shen ting smiled. it's half past two.

"it's been so long, isn't it especially impolite?" yi huan said, but she did not move.

Shen ting chuckled and pinched her face affectionately. my mom won't mind.

"there's a difference in your words." Yi Huan stared at him with her bright eyes.

Shen ting laughed again. He decided to lie down with her and tell her about his youth.

They had been together for many years, but he had never said anything about it. Yi Huan tilted her head. you would do that too? "

"I was only a teenager back then. It's normal for boys to be a little mischievous." Shen ting was still smiling, and he felt a sense of peace and beauty.

he had been with yi huan for a long time. if you had to say that there was a storm, there would be no storm. however, he had confirmed a long time ago that she was the one who would spend the rest of his life with him. his heart would only be slightly moved by her.

That was enough.

his eyes were a little bright, and yi huan suddenly understood. she reached out to block his eyes and cried, " "You're not allowed to look."

shen ting faintly smiled. " why can't i look? which part of you isn't mine? tell me, okay? "

Yi Huan felt that he was shameless enough, but he did not seem to be wrong.

While the two of them were fooling around, Qin Xuan was in Bai Anan's apartment. The woman who couldn't wait to eat hotpot was busy with work and didn't even look up.

qin xuan crossed his arms in front of his chest. " you're getting worse, mr. bai. "

He paused for a moment, as if he had recalled something. by the way, it seems like you can only have dinner with your Secretary. You even celebrate your birthday with your Secretary? ”

Bai Anan’s fingers were tapping on the keyboard. it’s Yaren’s birthday, not mine. I don’t have the habit of celebrating my birthday.”

qin xuan was speechless. he raised his hand and looked at his watch.”Hurry up,”

“is that so?” Bai Anan stretched lazily and closed her laptop. Then, she sat down at the dining table with Qin Xuan.”how did you find me?”

“Isn’t your reflex arc a little too long?” Qin Xuan was a little dissatisfied.

bai anan took a bite. the taste was the same as she remembered, but it was a little worse than qin xuan’s.

She narrowed her eyes in satisfaction before answering him.”I don’t really care about other things when I’m working.”

“workaholic,” qin xuan replied with a smile.

...

“I’m not marrying you, why are you so anxious?” Bai Anan flicked her hair and looked up at him. “also, you’re trying to please me for no reason today. you must be up to no good!”

“don’t use your profession’s harshness to speculate on other people’s kindness,” qin xuan said coldly.

Bai Anan stopped what she was doing and looked at him silently for a while. Then, she smiled maliciously.

“What are you laughing at?” Qin Xuan was a little annoyed.

Bai Anan looked at him again and poked the fish with her chopsticks. She said softly, ” “you just don’t want to be a third wheel!”

he hit the nail on the head.

qin xuan rubbed his nose.”Your nose is really sharp!”

it’s a habit of my job. It’s just a normal deduction. “Besides, I won’t be particularly grateful to you,” Bai Anan said matter-of-factly.

“You’re really rational,” Qin Xuan chuckled.

bai anan snorted. ” i’m not a little girl anymore. don’t you think it’s silly of me to be touched so easily? ”

qin xuan smiled and didn’t say anything. he ate the hotpot with her.

after the meal, she still had work to do, so it was qin xuan who naturally cleaned up. he didn’t leave after he finished, and bai anan didn’t chase him away.

she was really too busy, and qin xuan didn’t seem to have much of a presence here. he would only occasionally bring her some hot tea or something. bai anan felt that it was a good use. if she wasn’t qin xuan or young master qin, she would have used it all year round.

however, the peaceful time ended at five o’clock in the afternoon. bai anan had just finished her work when bai suili called. ” Anan, have you left yet? the guests have been drinking tea here for an hour. Didn’t you say that you would be back earlier? ”

Bai suili lowered her voice and hid in a corner to make the call.

bai anan patted her head as she listened to the call. ” ” mom, i almost forgot. i’ll change my clothes and go back immediately. ”

bai suili couldn’t help but reprimand him.

she hung up the phone and was a little worried. was an ‘an not interested in men anymore?

Bai Anan also hung up the phone. She looked up and saw Qin Xuan’s meaningful gaze. She coughed lightly.”I’m going out in a while, you take care of yourself.”

Before he could finish, Qin Xuan asked, ” “a blind date?”

bai anan felt a little uncomfortable. in qin xuan’s eyes, she looked like she hated to be married.

“i’m just going back to my parents ‘house for a meal,” she said, trying her best to act nonchalant.

Qin Xuan chuckled. so be it. I didn’t say anything. Besides, Didn’t I tell you that you need a man? ”

Bai Anan was furious. hey, that’s enough. I told you I can’t sleep. I’m sleeping well.

“is that so?” “i hope so.” qin xuan smiled.

he took the car keys. ” you’re not coming back tonight, right? i’ll give you a ride. ”
