

## Thank you 4861

Chapter 4861: bring her home to meet her in-laws (7)

“i can drive by myself,” bai anan refused.

She refused to admit it, but she soon remembered that her car had been driven away by the driver for maintenance. She didn't want to take a taxi, so she stopped Qin Xuan. “Hey, I want a ride.”

Qin Xuan smiled and leaned against the door as he looked at her.

bai anan ran back to her bedroom. when she came out, she changed into a casual outfit.

He was wearing a white knitted sweater, a pair of black pants, and a windbreaker.

this was the first time qin xuan had seen her so casual, and he was stunned for a moment.

...

bai anan hurried out and pressed the elevator button. she turned her head.”Let's go to my house for dinner.”

“don't you have a blind date?” qin xuan laughed.

bai anan did not say anything.

after two seconds, qin xuan gritted his teeth.”That's why you didn't chase me away this afternoon?”

She just wanted to take him home and make him back off. This woman was really making the best use of him.

Bai Anan got into his car and fastened her seatbelt. “You don't have anything to do at night anyway, and you don't have anywhere to go, do you? Do me a favor.”

“A vampire!” Qin Xuan started the car and snorted nonchalantly.

Bai Anan leaned back in her chair and turned her head. ” don’t you dare think about it. i’m not interested in someone younger than me who hasn’t fully grown fur. ”

” don’t worry, big sister, ” qin xuan snorted. ” i’m not interested in you at all. ”

big sister!

Seeing that he was still of value to her, Bai an ‘an held back.

the car drove for about an hour and arrived at the ye residence at six o ‘clock.

ye mulin was already half-backing off, but he was still one of the most powerful people in B city. he was not someone who could be easily offended.

Of course, those who were able to go on blind dates with Bai Anan would not be bad, and they were of equal social status.

Before Bai Anan got out of the car, she said to Qin Xuan, ” “Don’t talk so much later, just say that we’re ordinary friends.”

she still couldn’t embarrass the other party. after all, the two families had been in contact since they could gather together.

qin xuan only smiled. he got out of the car and went to the back to get the gift from the trunk. then, he went in with bai anan.

the moment they entered, ye mulin felt embarrassed.

The child of her old friend was still there, and Anan had come back for a blind date. Why did she bring the child of the Qin family?

bai suili's eyes lit up. this one looked better than that one, and she had always looked at the face.

she had always liked qin xuan. he was a good kid, a genius. shen ting was also good, but she had seen many pure-blooded businessmen like shen ting. moreover, qin xuan's looks had won bai sulli's heart, and she couldn't help but want to appreciate his looks for bai an 'an.

They were half happy and half worried, and the scene was a little subtle. Fortunately, ye Mulin introduced this child to his old friend, the Qin family. He meant that these two were the same, and there was no bias.

however, the other person was not a fool. bai anan and qin xuan's car kept coming back, so there must be a certain degree of relationship between them. what else could he say? he could only say that he was one step too late.

bai anan was the model daughter-in-law of the upper-class society, and of course, the most important thing was that she had a good father.

Young men might not like such a workaholic wife. After all, most men would still want to find a wife as beautiful as a flower.

dinner time passed in a subtle atmosphere. the young man tactfully took his leave. ye mu lin felt very apologetic, but there were some things that could not be said so he sent him off.

## Chapter 4862: Bring her home to meet her in-laws 8

Dinner time passed in a subtle atmosphere. The young man tactfully took his leave. Ye Mu Lin felt very apologetic, but there were some things that could not be said so he sent him off.

she turned around and glared at bai anan. " look at what you've done. "

bai anan put on a fake smile. " it was fine at first, but dad, i remembered later that this is the little brat who has been following me since i was a child. he likes to cry and has a runny nose. i don't want him. "

“I’m just one year younger than you. I just came back from France. What’s wrong with that?” ye mulin was both angry and amused.

it was obvious that qin xuan and an ‘an were just acting. they were not a couple.

“I won’t consider anyone younger than me,” Bai Anan snorted.

...

“you’re being childish.” ye mulin sighed. ” i’m fine with it. your mother talks about it all day. ”

“Qin Xuan seems to be two years younger than you,” he said to Qin Xuan.

“yes, that’s why he’s a little devil!” bai anan smiled.

Qin Xuan’s face turned green.

She was the little devil!

Even if he was a famous lawyer, even if he was two years older than him, so what? wasn’t he still unable to live?

he squinted at bai anan, and she glared at him fiercely.

In the eyes of the two elders, they were making eyes at each other.

After sending Qin Xuan off, Bai Anan returned to her room. Ye Mulin was waiting for his wife in the bedroom. He looked up.”Have you talked to Anan?”

bai suili was really worried, because this daughter had the same personality as ye mulin.

back then, if they had not gotten married by accident, she suspected that ye mulin would have been single for the rest of his life.

He was really a workaholic.

On the wedding night, he only stayed for two to three hours before catching a plane. After the wedding, she spent most of her time at the old house and was not treated coldly, but she remembered that he was really busy during that period.

An 'an was almost the same!

Time was running out.

Bai suili leaned into her husband's arms, her face full of worry. "i'm really afraid that anan won't be able to meet the man in her heart in the future."

"She did." Ye Mulin smiled.

" ah? " bai suili asked, " really? why didn't i feel it? "

Ye Mu Lin looked at her, speechless."do you think anan is the kind of girl who won't refuse? Is it really that simple for her to bring Qin Xuan back?"

Bai Xue Li stared at ye Mu Lin for a long time before she found her voice."You're saying that Yueyue and Anan have taken a fancy to that pretty boy from the Qin family?"

She still found it hard to digest.

Ye Mulin smiled. what else? do you have a better explanation? It's obvious that she brought a man home to meet her parents."

"Qin Xuan, do you feel that he doesn't like an 'an?" Bai suili was a little absent-minded.

"At least I don't hate him. Do you think he's that free?" Ye Mulin hit the nail on the head.

Bai Sulli felt that she had lived her life in vain. She wanted to ask Bai Anan questions, but ye Mu Lin stopped her. "It's about the children. Let them settle it themselves."

bai suili nodded again, looking very obedient.

all these years, she had been very obedient and was controlled by ye mu lin.

he was happy to manage her, and she was also willing to be controlled by him, for decades.

bai anan was actually envious of her parents' love. she used to think that she could get something from someone like shen ting, but later on, she realized that love had its own attributes.

there was fire in shen ting's heart, but it would not be ignited because of her.

Chapter 4863: bai anan, are you into me?(1)

At this time, she was in her room on the second floor, lying in front of the terrace and looking outside.

It was already very late. She had taken a shower, but she didn't feel sleepy at all. She held a glass of red wine and looked at the dark night outside.

Qin Xuan had already left, and the liveliness in the ye residence suddenly calmed down.

she had always been quiet and used to being alone, but now she was not used to it. she should work, but she felt that qin xuan was right. what was the point of being a workaholic every day?

she held the phone in her hand and looked at it quietly. after a long time, she wanted to make a call, but she put it down.

In the end, she put down her phone and looked out into the night.

...

Her phone didn't ring until she fell asleep. She tossed and turned in bed, unable to fall asleep. In the end, she decided to send a message to Qin Xuan. She was the one who had dragged him here today, so she had to at least make sure he got home safely.

[ have you reached home yet? ] She slowly typed a line of words.

"I've been back for a while. What's the matter?" she replied after about five minutes.

Richard was fine. I'm just asking. I'm asleep. ] this time, bai anan wrote quickly.

after she sent the message, she covered her face with another pillow, feeling that her face was burning.

It was already so late and she still sent a message. Would Qin Xuan really think that she was a 30-year-old woman who couldn't live without a man? he was so despicable and had such wild thoughts, so he would definitely think so.

she was about to send a message to clear her name when qin xuan replied again, [ are you interested in me? ]

[ no! ] Bai Anan quickly sent the message and turned off her phone.

On the other end, Qin Xuan looked at his phone quietly and didn't say anything for a long time.

he was also standing on the balcony of the bedroom, looking outside.

He looked outside quietly.

After a while, he looked down at his phone again, but there were no new messages.

He had never been in a relationship before, and he had never impulsively wanted to marry a woman. But he knew that he and Bai Anan were no longer ordinary friends.

what was it? it was a step that none of them wanted to admit.

The corners of Qin Xuan's mouth rose slightly. His slender fingers gently stroked the phone, and he didn't say anything for a long time.

He didn't reply, and she didn't write back either. They probably weren't people who took the initiative, Hanhan.

in fact, when she asked him to go to the bai family, he knew the reason, but he still went. he could have rejected her.

Qin Xuan sighed slightly. He was probably very lonely.

by the time qin xuan and bai anan met again, it was already the wedding of ye xiangnan and su mu.

before that, bai anan, the lawyer, had been in a dilemma for a few days.

she was spinning her pen in her office and was so absent-minded that she didn't even notice secretary ya coming in.

Mr. Bai, Mr. Bai, Mr. Bai, Mr. Bai, Mr. Bai, " Secretary ya called out several times.

" oh, " bai anan said. " what's the matter? "

Secretary ya coughed lightly. I've placed these documents on the table. Mr. Bai, please take a look at them later. They're to be signed today.

"i see," bai anan nodded.

secretary ya smiled and was about to leave when bai anan stopped her. " "Secretary ya, can I ask you something?"

“What is it?” Secretary ya asked curiously.

bai anan thought for a moment. ” well, what does it feel like to like someone? ” she asked.

“mr. bai, you ...” secretary ya frowned.

“I’m helping my friend ask.” Bai Anan scratched her head and asked uneasily.

Chapter 4864: Bai Anan, you’ve fallen for me

after bai anan finished speaking, secretary ya coughed lightly. ” “Which friend?”

bai anan sounded a little fierce. ” why are you asking so much? ”

“i can only give you an answer if you ask me in more detail,” secretary ya said with a smile.

bai anan glanced at her and coughed. ” “it’s ye hui.”

Secretary ya naturally knew that ye Hui was her younger sister. She smiled and said, ” “Ye Hui also has someone she likes!”

Bai Anan did not say anything.

...

Secretary ya held her chin and thought for a while before she said softly, ” ” liking someone means that you want to be with him anytime, anywhere. when you’re with him, you feel especially good. when you’re not with him, you miss him a lot. when you see him with someone of the opposite sex, you’re worried about the gains and losses. ”

“is that so?” “Is it that serious?” Bai Anan was a little suspicious.

“mr. bai, wasn’t this how you were when you liked president shen?” secretary ya coughed lightly.

“can you not mention that?” bai anan rolled her eyes.

Secretary ya smiled. that President Qin Jr. Is not bad either. His looks are especially good, ran ran. However, he is President Shen’s younger brother. Otherwise, he would be quite compatible with lawyer Bai.

Bai Anan looked at her, and Secretary ya stuck out her tongue. “I’m just talking nonsense! lawyer bai, i’m going out to do some work.”

bai anan didn’t say anything. she only opened the file after she left. but after reading one page, she couldn’t continue reading. she was lost in thought for a while.

liking a person ...

She wanted to be with him anytime and anywhere?

You feel especially good when you’re together?

Did he feel worried when he was with others?

bai anan felt as if she had been possessed by two crickets. no, she was possessed.

No way. She would not like someone younger than her, who had not even fully grown his hair, and still despised her.

Bai Anan abandoned that thought and flipped open the file to read the Yingying book quietly.

after a while, yaren brought a cup of coffee over. ” lawyer bai, these are the newly bought coffee beans. Have a taste.”

Bai Anan looked at her. thank you.

Secretary ya smiled and left.

bai anan took a sip of her coffee and felt much better. she continued to work.

as for the questions in his heart, go to hell!

She gathered her emotions and stopped thinking about someone.

when it was time to get off work, ye hui called. ” an ‘an, do you want to come to my house? yueyue, the weather in my house is going to change. ”

Bai Anan tidied up the documents on the table and held the phone in one hand. what’s wrong? ”

ye hui paused for a moment, ” my brother is getting married soon, isn’t he? He’s rumored to be a little flower in the company, and he’s very popular. That little flower’s tail is high up in the sky. No matter what, su mu will be the wife of Starlight’s CEO in the future. My brother’s actions are such a slap in the face that I can’t stand it. You don’t know that woman called su mu, and my brother knows about it but he didn’t say anything.”

bai anan’s head ached. ” then let me ask you, how did your brother know? su mu told him? ”

“no.” Ye Hui said with certainty, ” she didn’t say it. It should be that little flower deliberately let the news out. It was to make su mu lose his cool!

bai anan smiled. ” an 18th-tier celebrity like her just wants to be on the top. ”

Ye Hui was dumbfounded on the other end of the phone, ” you mean, she wants to replace su mu as my sister-in-law? ”

Bai Anan shook her head and said,”how is that possible?” “She’s not that stupid. She just wants to stabilize her position. Think about it, if xiangnan doesn’t have any feelings or disgust for su mu, she’ll have achieved her goal. She just wants to be famous. It’s not easy to marry into a rich family. If su MU’s child wasn’t so important, xiangnan would definitely marry Yi Huan. Why would she have the chance to marry an 18th-tier star?”

after she analyzed it this way, ye hui nodded her head. " i think so too. "

bai anan smiled faintly. " i have a business meeting tonight, so i might not have time. i'll talk to xiangnan later. "

She paused for a moment. no matter how much I dislike su mu, I have to give him some face. After all, su mu is going to be Mrs. Ye in the future. He's still very important.

Ye Hui muttered in a low voice. I think he doesn't care anymore. He doesn't even think of himself as someone who is about to get married. He doesn't care about his reputation in the future.

bai anan did not say anything, but she knew in her heart that it was because xiangnan did not care about su mu. or perhaps, he blamed su mu in his heart. after all, the appearance of this child had caused him to lose his love.

god knew what he had been doing all these years. if he was a little faster, wasn't yihuan going to be his stepmother?

She said a few more words to comfort ye Hui before getting off work.

She didn't expect to see ye xiangnan at the place where she was having a social gathering.

ye xiangnan was with a group of rich and powerful people from B city whom bai anan was quite familiar with. she remembered that ye xiangnan didn't have a close relationship with them in the past. now that they were about to get married, things became chaotic.

of course, she understood the reason. she leaned against the side of the bathroom and said, " you miss nan. you're out with your friends? "

This club was also where Bai Anan often received her clients. Her clients were divided into two types: rich women and men.

rich women usually only needed to listen to their words, but rich men had higher expectations. of course, they would not dare to have any ideas about bai anan. bai anan did not mind spending some money. she did not have a strong sense of morality. if everyone was perfect and a role model, she would probably lose her job.

After settling down the two customers, Yaren stayed behind to settle the bill. Yaren didn't drink, so she was relieved.

When she came out to wash her hands, she saw Xiang Nan coming out of the private room next door. He looked in and saw that everyone in the room knew each other. The atmosphere was also dark, so it was easy to guess what was going on inside.

small celebrities and models didn't need money. what they wanted was fame and resources. these were the things that the children of the rich families didn't lack. nan wasn't like this in the past.

ye xiangnan looked up at bai anan in the mirror and said in a low voice, " "You came out to play?"

"i'm here to entertain clients." "What about you?" Bai Anan smiled.

She moved her chin. I saw quite a few young models. Aren't you afraid that su mu will find out? "

Ye xiangnan washed his hands under the tap and said with a calm expression,"does it have anything to do with her?"

" ye hui called me. she was very worried. " Bai Anan agreed. xiangnan, you really don't like su mu, but you should leave him some face. Besides, you have a child. You should give him a complete childhood.

"You're lecturing me now?" ye xiangnan straightened his body and wiped his hands slowly with a tissue. his voice was a little light and a little unhappy.

"thinking of the south at night," bai anan said in a serious tone.

ye xiangnan's expression was a little helpless, but at the same time, he looked indifferent. " ye jie's childhood won't be too bad. "

Chapter 4865: Bai Anan, you're into me (3)

bai anan was calm. ” give the mother and son living expenses on time. let them live and die on their own. then, you’ll indulge in pleasure? ”

this time, ye xiangnan really frowned. ” “bai anan, i’m very busy! but i’ll go and see ye jie.”

bai anan snorted coldly. ” why don’t you just bring ye jie back? don’t hold su mu back. she won’t be happy if she marries you. ”

ye xiangnan smiled. ” is that so? she has to be willing. i won’t force her to get married. ”

He only wanted ye Jie.

However, su mu refused to give it to him, and ye Cha had chosen su mu.

...

ye xiangnan seemed to see himself in the past, so he couldn’t bear to be cruel to the child. he could only say sorry to the child’s mother.

bai anan looked at him and felt that he was beyond saving. she added, ” ” if you don’t like it, you can get a divorce after you get married. you can give su mu some compensation and let him raise ye jie. at least ye jie won’t be an illegitimate child. ”

Ye xiangnan leaned against the wall and looked at Bai Anan. isn’t it the same no matter who you marry? ” Divorce is very troublesome.”

He always had some feelings for ye Jie, so it would be better for su mu to take care of him. Besides, ye xiangnan was very calculative about having another child. Well, ye Jie was su MU’s child, and he would not have a child out of wedlock.

However, he didn’t have any plans for the time being. It was still for ye Cha, who needed the best care.

When Bai Anan heard this, she roughly understood what Xiang Nan meant. If they were not relatives, she would have said that he was such a scumbag!

she was helpless. ” don’t go too far. su mu is ye jie’s mother no matter what. ”

Ye xiangnan was about to say something, but his eyes inadvertently glanced to the side.

He saw a figure. It was su mu.

his future wife.

Bai Anan followed his gaze and saw him too. She smiled gently and said, ” “I’m Bai Anan.”

Su MU’s face was a little pale. He must have heard it, but she still forced a smile.”hello,” he said.

bai anan sized her up. she was dressed in plain clothes, and her looks were above average. she was pretty, but not stunning. compared to the women around xiangnan, she was not worth much.

Bai Anan sighed in her heart. In the past, aunt Wen’s comeback was also because of Wen Yuan’s unrivaled beauty. Uncle’s body was very honest. Now, Nan’s body and heart were unmoved. How did she change her mind?

Moreover, from su MU’s expression, she could tell that he didn’t have any feelings for Xiang Nan and that he was probably doing this for ye Xi.

Bai Anan sighed, knowing that things were not looking good.

“You missed Nan,” she asked,”do you want me to send you back?”

“I can take the bus later.” Su mu shook his head.

“i’m here to settle my salary,” she explained.

Bai Anan was quite surprised. Su mu used to work here?

ye xiangnan's face darkened. su mu works here?

What kind of place is this? is this a club? it's a place for men, Xiao hun.

"i'm a waiter at the restaurant," su mu nodded.

Bai Anan nodded. Oh, it's from the restaurant.

she glanced at ye xiangnan and thought,"you should be relieved now!"

however, she could also imagine xiang nan's emotions just now. they were about to get married, and his wife was working in such a place. fortunately, yingluo was working in the restaurant.

She still insisted on seeing su mu off, but su mu refused. "I live not far from here, and there's a late bus. I really don't need to trouble you, miss Bai."

Chapter 4866: don't even think about what you can't have (1)

her words were neither humble nor arrogant, but there was a sense of alienation in them. how could bai anan not hear it?

she sighed in her heart.

Nan had made such a big move, but it was actually a little wishful thinking on her part. She didn't care much about it!

Perhaps he didn't care even more than Xiang Nan.

of course, bai anan wouldn't meddle in his affairs. after su mu left, she turned to ye xiangnan."What do you think? do you want to be a flower Guardian?"

He paused for a moment. xiangnan, I say, Yingluo, you've never interacted with her before, have you? "

...

ye xiangnan didn't say anything. he just played with the lighter in his hand, and his eyes were flickering.

Bai Anan snorted. I don't care about you. Just don't end up begging him on your knees.

"I won't!" Ye xiangnan chuckled with a hint of mockery.

bai anan couldn't help but snort again.

However, she also knew that su mu had no other advantages except for his son.

she had grown up with xiang nan and knew him well. he was someone who looked at faces.

Come to think of it, no matter if it was ye Hui or Yi Huan, they were both ranked in the top in B city. Everyone in the ye family, young and old, was a beauty. Su mu could not be considered as a beauty, he could only be considered as a delicate and pretty girl.

So, she didn't care anymore. Bai Anan really didn't think that this couple would be good.

she quickly left.

Ye xiangnan had planned to go to the private room as well, but for some reason, he didn't leave and just waited in the corridor.

su mu came out in about 20 minutes.

she was slightly surprised to see ye xiangnan there.

At that moment, ye xiangnan was sure that she didn't want to see him.

"i have something to talk to you about," night thoughts to the south pole said lightly.

Su MU's fingers clutched his backpack tightly. "What is it?"

Ye xiangnan glanced at her and then walked out first.

Su mu had no choice but to follow him out. When she was outside, she couldn't see him, so she looked around.

The car in front of them flashed its lights and honked.

Su mu lowered his eyes, opened the car door, and sat beside him. He turned his head to look at him.

"Put on your seat belt." ye xiangnan's voice was very cold. it didn't sound like he was talking to his future wife, but rather to someone irrelevant.

su mu didn't do as he was told, but said softly, "go ahead,"

ye xiangnan had never been patient with women, especially with someone like su mu. he emphasized again, "Put on your seat belt and tell me the address."

She did not understand and looked straight into his eyes.

she was really ordinary and not gentle.

Ye xiangnan closed his eyes. I want to see ye Cha. I want to talk to you about our marriage.

"I don't want anything." "don't worry, mr. ye," su mu said softly.

ye xiangnan sneered. "i do hope that you'll ask for something. but you want nothing but a marriage contract. su mu, is this what you want?"

"i'm sorry!" su mu lowered his eyes. "i can sign the divorce agreement."

this sentence immediately ignited ye xiangnan's anger. he sneered, "divorce agreement? miss su, is this how you treat your marriage?"

Other than disdain, there was also a strong sense of rudeness in his tone.

after being stunned for a moment, su mu raised his eyes and stared at him.

Ye xiangnan was a good-looking man with a face that could turn all living beings upside down. Su mu was a little absent-minded after a while, while ye xiangnan's face looked even worse.

as expected, she was a greedy and shallow woman!

Chapter 4867: Don't even think about what you can't have (2)

ye xiangnan's face turned even darker.

as expected, she was a greedy and shallow woman!

He turned his face away, unwilling to look at her, and his voice was stiff. "Put on your seat belt."

"You've been drinking," To his surprise, su mu said, I'll drive!

"Is that the main point?" ye xiangnan gritted his teeth.

Su mu said softly,"ye Cha only has me!" i can't let anything happen to me. "

...

he couldn't!

ye xiangnan leaned back in his chair. "how many years have you had your driver's license? "

“Four years.” She said.

Ye xiangnan turned his head and suddenly said, ” “How old are you?”

he had no idea about her age, and he only knew that her background was not very good. he also knew that her looks were average, and she was not interested in other things.

su mu was a little surprised that he would ask this. he bit his lower lip and answered, ” 24. ”

24?

Ye xiangnan was shocked. Ye Jie was five years old this year, which meant that she had given birth to ye Jie at the age of 19.

His back was covered in cold sweat, for that possibility.

Su mu probably knew what he was thinking, so he pursed his lower lips slightly. “i’ll be an adult then,”

Ye xiangnan squinted his eyes and didn’t answer. Instead, he opened the door and got out of the car.

he pulled open the car door just as su mu opened the door and got out of the car. when su mu raised his head, his head bumped into his chin.

Ye xiangnan felt a pain on his chin and cursed in a low voice.

However, he didn’t criticize her. Instead, he sat quietly in the car.

Su mu sat down as well. He probably had never driven such a good car before, so he familiarized himself with it first. Ye xiangnan had thought that she was not good at driving, but su mu drove very steadily.

he didn’t even need to ask for the address.

finally, the car stopped at her old apartment. after the engine was turned off, she said softly, ” “let’s talk here.”

“Let’s go and see ye Jie.” He actually had nothing to say to her.

su mu’s face was slightly pale. ” he’s already asleep. ”

“is there anyone else in the house?” Ye xiangnan suddenly asked.

su mu didn’t say anything for a while. then, ye xiangnan narrowed his eyes.”You’re leaving a five-year-old child alone at home?”

Su MU’s face turned paler. only occasionally.

She had been taking care of the child alone because after she got pregnant, her family didn’t recognize her, let alone help her take care of the child. Later, for some reason, she found out that the child was ye xiangnan’s Zhenzhen, mainly because ye Jie missed ye xiangnan so much that their faces were almost exactly the same.

her parents and younger brother and sister wanted to bring her home, but su mu was unwilling.

she would rather suffer alone. she didn’t want ye jie to be involved with them. if she could, she didn’t want to marry ye xiangnan. she knew that this man didn’t like her and even hated her.

in fact, she did not like him either.

She knew that if the ye family wanted ye Jie, she would have no other choice but to get married, unless she never wanted to see ye Jie again.

ye jie was her life.

She thought that maybe this was good. If Mr. Ye didn’t like her, he could continue to look for other women outside Hanhan, and she could be with Ye Han. Maybe she could use the living expenses he gave to hire someone to take care of Ye Han. She, Hanhan, had to work, and she couldn’t not work. She was afraid that if she didn’t work, she would lose everything one day.

Su mu was not a person with much sense of security and did not trust others easily. He was not special but different from others.

As soon as she finished, ye xiangnan frowned. "you still want to do it often?"

"no, i'll take good care of him." Su MU's voice was soft and gentle."Mr. Ye, please rest assured."

Chapter 4868: don't even think about what you can't have (3)

su mu couldn't refute ye xiangnan's words.

He was right.

However, she had no other way.

another reason she agreed to get married was that ye jie would be taken good care of and would not be alone at home like tonight.

She didn't say anything, and ye xiangnan's voice became colder and colder."Get out of the car."

su mu turned his head and looked at him quietly.

...

ye xiangnan got out of the car, closed the door, and waited for her outside.

su mu's legs felt a little weak, so he got off the car as well.

"Lead the way." Ye xiangnan lifted his chin slightly.

he was as cold as ever.

su mu pursed his lips and walked into a dark corridor. it was dark because it was an old community.

Ye xiangnan followed behind her. He lit a cigarette and smoked it slowly. In the smoke, he looked at su MU's back.

She was very thin, probably only 160, so ordinary that he didn't want to take another look.

at the same time, he also frowned.

ye xi lives here?

he grew up here when he was only four or five years old?

Ye xiangnan had lived outside with Wen Yuan when they were young. However, Wen Yuan was from a well-to-do family and had a good income. He was also taken care of by ye Mulin and had never suffered. An an, on the other hand, had wandered around for a while.

at this moment, he thought of bai suili, but bai suili was about a hundred times less beautiful than su mu.

fortunately, ye jie was like him, made from the same mold, so ye xiangnan did not do the dna test.

One look and he could tell that it was his son.

Su mu opened the door on the second floor. Ye xiangnan frowned even more when he saw what was inside.

it was worse than he had thought. it was not an exaggeration to describe it as a family with only four walls.

it was less than 40 square meters, with one room and one living room. other than the necessary old furniture, there were only ye xi's toys. fortunately, it was kept clean.

"Ye Cha is asleep," su mu said as he looked into the room.

ye xiangnan looked at her and then walked over.

On the 1.5-meter bed with blue and white sheets, Xiao Ye Jie had taken off her clothes and folded them neatly at the head of the bed. The quilt was also very well-fitted, and she was sleeping soundly.

her little head was exposed outside the blanket and was lying on the white pillow. the pillow looked a little loose and made people think of the smell of the sun. ye cha looked very comfortable.

but even so, ye xiangnan was still unhappy. how could his son sleep here?

His eyes fell on Nan, and he looked at her silently for a while before he said in a low voice, "help him put on his clothes. i'll take him away."

su mu was stunned. after a long while, he said hoarsely, "why?"

"You're the same," "You're letting my son live here?" ye xiangnan shifted his gaze to her.

Su mu bit his lip. this is the best I can give him.

ye xiangnan frowned and said, put his clothes on.

Su mu didn't move.

ye xiangnan took off his coat, pulled ye jie out of the quilt, and buttoned it up. it looked like a small quilt. he carried ye jie and walked to the door.

"Mr. Ye, you can't drive after drinking," su mu caught up with him.

“So,” “get down and drive,” he said, looking down at her.

su mu knew that he couldn't stop him, so he sneered, ” “i know.”

she walked behind him and bit her lower lip as she closed the door.

the soft sound of the door closing seemed to have closed the first 24 years of her life. she didn't know what was waiting for her in front.

When he went downstairs, ye Jie, who had been sleeping soundly, suddenly woke up. He stared at the handsome man in front of him in a daze. He knew that this was his father, but he must be dreaming to be in his father's arms now.

ye cha looked straight at him, and ye xiangnan smiled. ” “Daddy will bring you home.”

at that moment, su mu was sure that he liked ye jie. there was a lump in his throat. for the first time, he felt that his decision seemed to be right.

ye xiangnan turned around and looked at her again. ” go open the door. ”

su mu stepped forward and opened the door of the back seat. after ye xiangnan got in, she closed the door with mixed feelings and went to the driver's seat.

Ye Xun opened his eyes and asked in a daze, ” “Which home?”

...

Ye xiangnan's voice was gentle and magnetic. the place where ye Jie will live in the future.

No man would be able to resist a little boy who looked exactly like him. Even a mother who didn't like her child would be unable to refuse such warmth.

therefore, the moment he saw ye jie, ye xiang nan haowang hesitated and decided to cancel the engagement. it was not because his relationship with yihuan had faded over the years. even if it was not, his choice was still ye jie.

After he finished speaking, ye Jie's bright eyes had a little more expectation, and then she asked in a low voice, "Mom and I won't be coming back in the future?"

ye xiangnan nodded.

"but there are still many toys there," ye cha said after some thought.

"I'll buy new ones in the future." ye xiangnan kissed him.

He said without hesitation when he thought of the shabby toy.

Ye Jie was a little disappointed. She quietly looked at her mother's back. Her mother was driving, so she probably didn't know that he wanted it very much.

however, su mu said, i'll bring it to you tomorrow.

ye jie was satisfied and happily nestled in her father's arms. it was getting late and the little guy was really tired. he tilted his little head and fell asleep.

ye xiangnan lowered his eyes, and his gaze became a little gentler. after a while, he said, "Slow down."

Su mu pursed his lips and drove quietly.

She recognized the villa he lived in and had been there once. About half an hour later, she parked the car in front of the villa.

She got out of the car to help him open the door. Ye xiangnan glanced at her as he got out of the car. wait for me in the living room.

Ye xiangnan's Villa was quite big. It had three floors and was about 1000 square meters in total. It was equipped with two chefs, two aunties, and a gardener.

when they entered, the servants were still awake. "master, is this young master ye jie?"

After all, everyone knew that they were about to get married.

ye xiangnan nodded. "get zhenzhen a glass of water."

the three words "miss su" fully expressed his impression of su mu, and the servant knew it in his heart.

There was nothing to say about young master ye Jie. After all, he was Sir's child. However, there was really no need to pay too much attention to a woman like miss su. A woman who did not respect herself did not need to be too good to her. Besides, she did not know if she could last long with Sir.

ye xiangnan went upstairs to send ye jie to the children's room. aunt wang and aunt chen's faces immediately turned dark. the customer was unfamiliar. "miss su, please have a seat."

Su mu did not feel good. She understood that she might not even be as good as a servant in this villa.

aunt wang went to get some water, and aunt chen chimed in, "Miss su, please don't take it to heart. When you and Sir get married, we'll call you Madam."

Su mu felt that his face was not that big. He said in a low voice, "Just call me su mu!"

aunt chen felt that she was quite tactful. they didn't want to call her madam either. a woman from such a background wasn't worthy.

Su mu felt that his face was not that big. He said in a low voice, "just call me su mu!"

Aunt Chen felt that she was quite tactful. They didn't want to call her Madam either. A woman from such a background wasn't worthy.

now was just the right time, but she put on a fake smile. "how can you just call her by her name? sir will blame us. it's better to call her miss su. "

su mu didn't say anything.

at this moment, aunt wang came over and placed a glass of ice water in front of su mu. "Miss su, please have some tea."

Su mu glanced at them but didn't say anything. At this moment, ye xiangnan slowly came down from upstairs. The two aunties knew that they were going to talk about something, so they left tactfully.

...

Ye xiangnan sat on the sofa opposite su mu. He glanced around but said nothing.

"Mr. Ye," su mu said in a soft voice.

"You can call me ye xiangnan." "Also, you can stay here," he said.

"Let's stay in the master bedroom on the second floor. The children's room is next door." He frowned.

"i don't need it." su mu swallowed.

Ye xiangnan stared at her. so, you're saying that you won't live with him anymore? or that we can stop getting married? " he asked.

Su mu was speechless. No matter what, she was at a disadvantage. It was not up to her whether she got married or not. If she didn't get married, she would lose ye Jie.

She looked down and did not say anything.

ye xiangnan said very lightly, "i won't live here until i get married, yingluo, except for coming to see ye yingluo."

The truth was that he might not have time in ten days. He had been very busy recently, and the storm of canceling the engagement was a heavy blow to Starlight.

"thank you, mr. ye," su mu said softly.

Ye xiangnan frowned, but he didn't correct her. He paused for a moment before saying, " also, go to Starlight headquarters tomorrow. I have an agreement to sign with you.

su mu knew that it was a prenuptial agreement. all the wealthy families signed this.

She hummed in agreement.

Ye xiangnan stared at what she was wearing. She was wearing a pair of jeans and a white t-shirt with a coat on the outside. Although she was clean and tidy, she looked quite old. It really didn't suit the identity of Mrs. Ye. Even if they were not married yet, it would be embarrassing to be photographed.

He took out a card from his wallet. I've written the password on the back. Every month, I'll get my Secretary to transfer one million Yuan to you for your household expenses. You can go and buy some decent things yourself.

he thought she would understand.

su mu hesitated. " mr. ye, that's too much. "

“it won’t be much,” He felt that she was playing hard to get, so he pushed the card in front of her. if it’s not enough, tell my Secretary.

Su mu naturally sensed his subtle psychological activity. She was a little embarrassed but still put away the card.”thank you,” he said.

ye xiangnan’s face was even more disdainful. ” i’ll sleep in the study tonight. ”

with that said, he unbuttoned the top two buttons of his shirt and let out a long sigh. he walked upstairs without paying any more attention to her or introducing her to the place she lived.

Su mu was very ill at ease. She felt that she did not belong here at all as she sat here in such a luxurious place. However, she had no other choice. It was just like the preposterous incident back then. She did not do it willingly, but she had to bear all the bitter consequences alone.

She didn’t expect ye xiangnan to come. Only ye Jie was a comfort to her.

she sat quietly for a while before aunt wang came over and smiled politely. ” ” miss su, if you don’t want to drink the water, we’ll take it away. we still have time to get off work. please understand. ”
