Chapter 4911: su mu will belong to our ye family in the future (1)

Su MU's face turned even uglier. He had no idea where he found the strength to push Wang yuanke away. I gave birth to and raised the child myself. Mom, you don't have to say such nasty things. dad and zhirou are both adults, and they should be responsible for themselves. it's true that you gave birth to me, but there's no need for me to take the blame for everything. it's fine if you don't like me, but i don't have to take the blame for a family's wrong life."

as soon as she finished speaking, wang yuanke slapped her in anger. " you're all grown up now, aren't you? I'm telling you, if you don't want it from the ye family, fine, I'll help you ask for it.

A red mark immediately appeared on su MU's face. She was embarrassed and angry, but she couldn't fight back since the other party was her mother. She could only stare at Wang Yuan with red eyes.

at this moment, a lady got out of a black rv on the side of the road. it was wen yuan.

Wen Yuan had seen the argument between the mother and daughter early on. He did not come down because he did not want to embarrass su mu. However, he actually hit someone now.

wen yuan's heart ached at once. which little girl was not the apple of her parents 'eyes? su mu's mother was too fierce. besides, su mu was ye xiangnan's child. wen yuan felt that su mu must have suffered a lot because of this. hence, she had no choice but to stand up for him.

...

Wen Yuan came over and held su MU's shoulder gently. He said in a soft voice, " this must be su MU's mother. May I know why you're hitting our Mumu? "

Wang Yuan was stunned. He spoke as if su mu was his daughter and she was a thug.

Su mu was also stunned for a moment. He turned around and looked at Wen Yuan. Auntie, why are you so hesitant? "

“I’m here to deliver something to ye Cha.” wen yuan said gently, ” go up and put some ice on your face. don’t let the child see you when you pick up ye jie later. ”

Su mu was a little uneasy.

wen yuan patted the back of her hand. ” leave it to me. i’ll settle it. ”

Su mu was still uneasy.

however, wen yuan’s gaze did not allow her to refuse. his powerful aura made su mu subconsciously listen to her and turn around to go upstairs.

seeing that she had left, wang yuan did not want to let her go. she shouted, ” “su mu, what do you mean? are you not going to care about your father and sister?”

Wen Yuan was not angry. Mrs. Su, let’s talk. Let’s not make things difficult for the child.

wang yuan was afraid of wen yuan’s imposing manner, but she did not want to let go of this opportunity. she stared at the huge ring on wen yuan’s hand and felt a little envious and jealous. then, she straightened her back and said, ” “What does Madam ye want to talk about? I’m disciplining my daughter. It has nothing to do with Mrs. Ye, right?”

su mu is indeed your daughter, ” Wen Yuan said indifferently. but at the same time, he’s also ye Xi’s mother. Do you think I should interfere in this matter? ”

wang yuan immediately caught on to what she was trying to say and laughed coldly. so what if she’s Ye Jie’s mother? she’s not your ye family’s daughter-in-law.

wen yuan was still calm. ” mrs. su, you’re only looking for su mu for money. the ye family can afford it. however, this is not a betrothal gift but a purchase. it’s a purchase that will end the relationship between you and su mu, who you’ve raised for 20 years. after you take this money, don’t harass su mu anymore if anything happens to the su family. otherwise, i think it won’t be a problem for the ye family to make him disappear with their ability. ”

wang yuan's heart sank when she heard this. she was a little scared, but she needed money and she hoped that wen yuan could give her a good price.

Chapter 4912: Su mu will belong to the ye family in the future 2

wang yuan's heart sank when she heard this. she was a little scared, but she needed money and she hoped that wen yuan could give her a good price.

that's right, even if she were to sell her daughter now, she could no longer care about her face.

Wang yuanke's face was full of desire and ambition. Wen Yuan said indifferently, "Is 10 million enough?"

Wang Yuan couldn't believe it. Her heart was trembling, and her originally mean face was now filled with confusion.

After a long while, she opened her mouth and said in a trembling voice, "Really?"

wen yuan's face was cold, "I have a few conditions. First, you can't let su mu know. Second, don't look for su mu anymore. Third, Wuwu."

...

wen yuan's gaze became much calmer. "you've disowned su mu in the newspaper. su mu will have nothing to do with the su family in the future."

Wang Yuan was completely stunned. She just looked at Wen Yuan.

She was a little hesitant.

"only one chance, mrs. su," wen yuan replied indifferently.

Wang Yuan trembled for a long time before she gritted her teeth. "I agree,"

Wen Yuan went back to the car, took a checkbook, and wrote down a set of numbers. He handed it to Wang Yuanke and said, "I hope Mrs. Su can keep her promise."

"That's only natural." Wang Yuanke's hands trembled uncontrollably as she held the check. She felt as if she had reached the peak of her life.

With ten million, she could still buy a house in the suburbs.

Wang Yuan took the check and left in ecstasy. Wen Yuan's voice came from behind her, "Mrs. Su, I hope you can keep your promise."

"Don't worry, Mrs. Ye. I mean what I say," Wang Yuanke turned around.

She then said coldly, "Besides, I don't want her anymore."

Su Mu came down from upstairs and happened to hear this sentence. Her face turned pale.

Wen Yuan heard the sound of footsteps and turned around to look.

Wang Yuan, on the other hand, was staring at Su Mu.

Their mother-daughter relationship had always been very thin, and they had only met a few times over the years. Now, they were no different from strangers.

Wang Yuan looked at him for a long time and then said softly, "Yes, that's Su Mu. From now on, we'll go our separate ways and have nothing to do with each other anymore."

Su Mu had been looking at his mother. Her lips were white. After a long time, she said in a low voice, "

"I know."

after all, she was her mother. su mu couldn't be indifferent when she said that she didn't want her anymore in front of others and that they were no longer related in the future.

wang yuan walked away without hesitation, but she paused again.

but he still left.

su mu just stood there for a long time in a daze.

On her face, there were still traces of Wang Yuan's slap, and she had to put on some foundation makeup to barely cover them.

Wen Yuan knew that she was upset and lowered his voice."Since fate isn't enough, then don't force it."

"thank you, auntie," su mu suddenly said.

she knew that wen yuan had used money to send her away. otherwise, wang yuan would not have left so easily and would not have left her alone.

Wen Yuan patted her. you don't have to be so polite with me. Get over it. Let's go and pick up ye Jie together. It's getting late. Don't let the child wait too long.

su mu nodded and got into the car with wen yuan.

Wen Yuan came to visit ye Jie from time to time. She was embarrassed and did not want to trouble others. Therefore, she would take the initiative to send ye Jie over on Saturdays and Sundays and refused to be picked up by the RV.

if ye jie wanted to grow up like an ordinary child, then he didn't need to put on such a show, in case his mentality changed.

Chapter 4913: Su mu will belong to the ye family in the future 3

In the car, su mu remained silent.

wen yuan patted her shoulder gently and asked in a low voice, ” “Does it still hurt?”

Su mu shook his head.

Wen Yuan did not disturb her. Su mu needed time.

about ten minutes later, they arrived at the nursery. ye jie was particularly happy. she threw herself into wen yuan’s arms and called him grandma. she also politely called him mother.

su mu was in a better mood when he saw ye jie.

...

wen yuan carried his little grandson and looked at su mu. he suddenly said, ” ” it’s friday tonight. i want to bring ye jie home. why don’t you go and have a meal with her? ye hui also says that she can’t see you every day. she said that you don’t visit her every time you send ye jie over. ”

Naturally, su mu could not refuse Wen Yuan’s offer. She owed Wen Yuan and ye Hui a favor.

thus, he nodded and agreed. ye xun was so happy that he cried out.

However, su mu went to the ye family’s house with him and found ye xiangnan there too.

this was not wen yuan’s deliberate arrangement. ye xiangnan happened to come over for something. he had just sat down when he noticed su mu’s arrival. they had just met during the day. he was a little unhappy at this moment, so he took a few more glances at her.

However, he realized that something was wrong with her.

there were a few inconspicuous finger marks on su mu's face, which he could see clearly from his angle.

Ye xiangnan couldn't help but look at his mother. Wen Yuan gave him a look.

Su mu was a little ill at ease.

at this time, wen yuan still wanted to give them some time to spend together. he sent ye hui, ye jie and the rest away.

su mu and ye xiangnan were the only ones left in the living room.

Ye xiangnan's voice was a little arrogant. what? did you get slapped too? " he asked.

Su mu turned his face away and didn't want to talk.

at first, ye xiangnan thought that she was being embarrassed at work. he knew what those clients were like, but now it seemed that that was not the case.

"Who did it?" he asked softly, frowning.

Su mu didn't answer, but he didn't say it was none of his business.

Ye xiangnan looked at his mother again. He had a feeling that his mother knew.

wen yuan threw him a look from afar, letting him experience it for himself.

Su mu prepared to go back after having dinner here. Wen Yuan did not ask him to stay, but he asked ye xiangnan to send su mu back when he went home.

Su mu refused, but it was useless. Ye xiangnan wanted to send her off graciously. After they got into his car, su mu didn't say anything. Ye xiangnan turned on the music.

When he reached the third red light, he turned off the music and turned his head. "Did your mother come to find you?"

Su mu looked like a cat whose tail had been stepped on.

my mom didn't say that, " ye xiangnan said calmly. don't overthink it. I guessed it.

If he wanted to marry her, he naturally had to know her family background thoroughly.

Su mu just looked at him without saying a word.

Ye xiangnan reached out his hand and touched her face. Surprisingly, her skin was very good.

"i'll hit the other side," he smiled,"it'll be symmetrical."

su mu shrank back. ye xiangnan said evilly, " "what, are you afraid? why weren't you afraid when you slapped me?"

Su mu turned his head and ignored him.

ye xiangnan smiled again, his eyes deep. " you're too soft-hearted, that's why you've made a mess of your life. "

he had already received news that his mother had given him a check for ten million yuan today.

Since su mu belonged to his family, it was not too much for him to ask.

But if they got wealth too easily, would the family be willing to let go of a money tree? Probably not.

Chapter 4914: Su mu will belong to the ye family in the future (4)

su mu didn't say anything, but just lowered his eyes.

” what’s the matter? ” ye xiangnan sneered. ” you don’t want to admit it? ”

“no, i didn’t,” He immediately denied it.

Ye xiangnan still wanted to say something, but the green light turned on, so he had to drive away.

When the car reached su MU’s building, she thanked him and was about to get out of the car.

he had locked the door from the inside. su mu put his hand on the door and turned around to look at ye xiangnan.”Mr. Ye, please move the car door away.”

...

Ye xiangnan unbuckled his seat belt gently and turned to the side with a nasty expression on his face. ” su mu, you’re considered a member of the ye family now, right? why? do you still have that worthless pride of yours? ”

he didn’t know why he was against her. he was probably angry that she had slapped him in the morning.

su mu bit his lip. ” mr. ye is right. my pride is worthless. so, please let me go, mr. ye. ”

“What if I don’t?” ye xiangnan chuckled.

Su mu then kicked the car door.

the result was that her hand was caught by him.

su mu was stunned.

Ye xiangnan frowned and asked what he wanted to ask, ” “You hate me that much?”

in his heart, he thought that they could live together as long as they didn't disturb each other's lives. however, he didn't expect that she wouldn't want to live with him at all.

He didn't understand why she didn't like him.

Was it because he did not look as good as her, or did she not like the life he gave her, or did she like such a simple life? sure, he could move in and see how diligent she could be.

Su mu looked at him quietly and then said in a low voice, " actually, it's not that I hate you or miss you. It's just that we don't agree with each other and have different thoughts, so it's hard for us to live together.

She paused for a moment. it's just that we don't like each other, so we're not willing to give in. How can Mr. Ye not understand such a simple truth? " It's not that you care, it's just that things didn't go according to your plan, so you're a little angry. As for what happened this afternoon, I'll apologize, or you can splash me or slap me. I definitely won't fight back."

ye xiangnan's expression didn't look too good after hearing what she said.

he touched her face with his fingers and said in a low voice, " " what were you thinking back then? weren't you afraid that i would take revenge on you? or did you think that i wouldn't do it? "

Su mu bit his lips and wanted to move away, but he didn't give her the chance.

His slender fingers held her sharp chin, and he realized that she was really very thin, so thin that she only looked like a handful of small bones.

Ye xiangnan thought back to that day. It wasn't like he hadn't reminisced about it. He was indeed very thin.

he probably thought of it now, and his gaze was a little different.

Su mu looked at him warily and couldn't help but move aside.

"Are you afraid?" "Still looking forward to it?" ye xiangnan smiled.

he was very sure that su mu only had him as his man. although he was not experienced in killing, he was still confident about this. in the past, she was naturally a pure little girl. after giving birth to ye jie, she would not have the chance to find a boyfriend.

He didn't know why, but this discovery made him feel very good. It was an indescribable feeling.

the way he looked at her was also a little evil. Su mu didn't want to pay attention to him. It wasn't that she didn't know what he was talking about.

Chapter 4915: Su mu will belong to the ye family in the future 5

Su mu didn't want to pay attention to him. It wasn't that she didn't know what he was talking about. In fact, he was even asking her to do it after their engagement was called off.

He was really shameless!

Su mu felt that there was nothing he liked about her. She had neither a figure nor a face, and she had a bad temper.

"mr. ye, i think you've misunderstood. i won't become that kind of woman," she said softly.

"what kind of woman?" He asked on purpose.

su mu raised his eyes and stared at him for a while without saying anything.

...

"With my woman?" ye xiangnan smiled.

Su mu turned his head away.

she was a little stubborn.

ye xiangnan's palm gently fell on her hair, and he said in a very low voice, I think you're more suitable to be a wife and not to be outside. I've never thought of that before.

as a woman, her appearance was simply not enough.

However, ye xiangnan refused to think about it. She was not qualified to be a wife. Her only advantage was that she had ye Jie.

Having said that, su mu turned to ye xiangnan and said, " Mr. Ye, I'm not suitable to be your wife either.

He understood what she meant. She meant that she would feel uncomfortable and could not accept the messy women he had outside.

he didn't force her. she would go back and beg him to get married anyway.

The SU family itself was a time bomb.

He didn't know why he was so kind as to tell her all this tonight. Perhaps it was because he saw her get beaten up, and he felt a little pity for her.

But it seemed that she didn't need it.

ye xiangnan truly felt that su mu didn't love him.

Let's not talk about love. There's no good feeling at all.

as a man who had been superior since young, this was quite a blow to his self-esteem.

after all, there had been too many women who had wooed him in the past, and there were few who didn't love him. besides, her conditions were really average.

Ye xiangnan didn't have any other thoughts. He just wanted ye Jie to get the best education and care.

He even had a slight headache when it came to su mu.

"it's actually easier to accept if you don't love me, isn't it?" he suddenly said after a long while.

Suddenly, he stared into her eyes. did your Qianqian like someone before? or is she still in love with someone else? " he asked.

That was probably why she couldn't accept such a boring marriage.

Ye xiangnan asked. Su MU's face was slightly pale, but she had no intention of denying it.

In fact, she used to like someone, but after some things happened, she couldn't face it anymore.

Her heart ached when ye xiangnan said it.

The dusty past had all been disturbed. Su MU's face was as pale as a sheet of paper, and he couldn't say a word.

Ye xiangnan's heart suddenly sank, and his voice became a little hoarse,"is there really such a person?"

Mr. Ye, don't you think you're meddling too much? " Su mu looked outside and whispered after a while, " "That was a long time ago,"

There really was such a person.

He had once occupied su MU's heart.

the mother of his child.

Perhaps it was the deep-rooted bad habits of men. Although they were not married, she gave birth to ye Jie for him. Therefore, in ye xiangnan's subconscious mind, su mu was his woman and belonged to him.

Now that he knew that there was a man in her heart, he felt a little uncomfortable.

Chapter 4916: su mu will belong to our ye family in the future 6

It was probably because men cared about certain things the most, so he said a little abruptly, "You and him, do you have any Hanhan?"

he didn't say the last few words, but su mu could guess it.

She glared at him.

in fact, ye xiangnan also knew that he was overthinking. when they were pregnant with ye jie, she was still a little girl, and it was even more impossible for her to have a chance to be with that person.

He was just curious about what kind of man she would like with her personality.

However, ye xiangnan didn't know that the man was working in Starlight and his position wasn't low.

...

he was feeling very uncomfortable, but he didn't know where this discomfort came from.

In the end, he opened the car door and said in a cold voice, "get out of the car."

su mu got out of the car. the moment he got out of the car, he felt a little cold. he reached out and hugged himself.

Ye xiangnan's sports car drove away.

He was in a bad mood.

it was not because he cared about su mu, but because he felt that he was being despised. he thought that she would not like any man. she was so weird and had a bad temper. how could she like any man?

it turned out that she was not. she would also look at other men with admiration. what was so good about that man? was he better than him?

Ye xiangnan felt very uncomfortable, very uncomfortable. His male self-esteem had been challenged.

He drove home and threw himself on the big bed. When he turned his head, he could still smell the faint fragrance on the pillow. It was su MU's smell.

In fact, it was not bad for her to be his wife. At least he did not hate her and did not reject being in the same room as her.

he said that su mu was useless, but he was actually wrong. she was so thin that she was just right.

it took him a long time to fall asleep. that night, he had a messy dream in which su mu got married.

When she woke up, she felt that it was ridiculous.

On the other side, su mu had a rest day on Monday after Saturday and Sunday. After sending ye Xi to school, she received a call from star light's Secretary, saying that there was a document for her to re-sign because there was a problem with it.

su mu guessed that it must be because of the property agreement, so he agreed without any hesitation.

When they arrived at Starlight, the Secretary took her to see lawyer Chen, not ye xiangnan.

Su mu heaved a sigh of relief. If she could, she didn't want to see ye xiangnan.

however, when she arrived at the small conference room, she was stunned. not only was lawyer chen there, but there was also a familiar yet strange person.

someone su mu knew.

An old friend that he had not seen for a long time.

she mumbled the other's name, "Wen Xuan, Qianqian."

Shen Wenxuan was surprised and even shocked.

he stared at su mu, unable to believe that the person written on the document was the su mu he was looking for.

She had a son with President ye, and she was going to marry President ye. Now, the engagement was canceled.

shen wenxuan was su mu's senior at university. he was two years older than her and had graduated from the law department. he was now in the law team of starlight and was considered a favorite student of lawyer chen. lawyer chen had a high opinion of him.

However, from the way lawyer Chen looked at it, his favorite student seemed to have a connection with miss su, and this connection might make President ye unhappy.

Lawyer Chen had watched ye xiangnan grow up, so he knew his personality very well.

he probably didn't want to see miss su and shen wenxuan reunite after a long time. lawyer chen was a little annoyed. he shouldn't have asked wenxuan to come.

Chapter 4917: she's furious that she has someone she likes (1)

as she thought about it, she decided to solve the problem. at least, she wouldn't give them the chance to be alone or let xiangnan see her.

However, just as the two of them were looking at each other, ye xiangnan pushed the door open and entered. He seemed to say casually, "Lawyer Chen, how did it go?"

Then, ye xiangnan's eyes stopped, and he looked at the couple quietly.

even a blind man could see that they were having an affair.

even more so, he huan was not blind.

Ye xiangnan gritted his teeth and squinted his eyes. lawyer Shen, please leave first. I have something to say to miss su.

...

Wow, so the adulterer was in his company. If he remembered correctly, in less than three years since Shen Wenxuan had joined the company, lawyer Chen had mentioned it several times in front of him. He had high hopes for him.

even bai anan had said that shen wenxuan was a good lawyer and had a bright future.

Ye xiangnan gritted his teeth and thought, " yes, it's not bad. Su MU's eyes are even better.

Shen Wenxuan smiled calmly. I'll take my leave first, President ye.

Then, he nodded to lawyer Chen and glanced at su mu before he left.

lawyer chen knew what was going on and smiled. ” “Go and sort out the case we were discussing just now. We’ll discuss it again later.”

Shen Wenxuan nodded and left.

He was elegant and graceful.

after they left, lawyer chen also packed up his things and left. ” “Then I’m almost done.”

He was trying to send his favorite student away. He was in a difficult position. On one hand, it was a child he had watched grow up, and on the other hand, it was a student he admired very much. It would not be good if either of them was injured.

however, from the looks of it, miss su seemed to have her own feelings for wen xuan.

After lawyer Chen left, su mu woke up from his trance and wanted to leave by instinct.

Ye xiangnan stopped her. don’t you want to explain? ”

“Explain what?” su mu asked in a cold voice.

Ye xiangnan sneered,”it’s hard to guard against a thief in the house.”

Su mu was immediately infuriated. ye xiangnan, what do you mean? ” he asked.

he grabbed her hand. ” don’t you know what i mean? you like that shen guy, don’t you? ”

“crazy, i don’t know what you’re talking about.” Su MU’s voice was cold. He wanted to shake off his hand, but he couldn’t.

Not only did he not let go of her, but he even evilly pressed her against the wall.

When su mu broke free, he felt a sharp pain on his chin.

he was like a dog, biting people.

in fact, ye xiangnan wasn't any better. he snorted, "you're keeping yourself pure for your first love? Why weren't you like this before? weren't you happy? why can't you stand it now?"

she raised her hand and wanted to slap him. he had gone too far.

ye xiangnan caught her and said in a cold voice, "do you think you can slap me again and again? su mu, don't be so arrogant. "

Not to mention her, even Lin Lu was very cautious of him. When he was unhappy, Lin Lu didn't dare to say a word. She even dared to slap him again and again.

Did she really think that she could do whatever she wanted just because she had given birth to a son for him?

"thinking of the south at night, can't we just go our own way?" she turned her head away. "shen wenxuan and i are not what you think we are. we haven't seen each other in a long time. "

"It just so happens that we've reunited after a long time, and we can continue our old relationship." Ye xiangnan snorted. don't tell me you don't think that way. Your eyes can't lie to me. You like that pretty boy.

su mu was instantly infuriated and blurted out, "yes, i like it, so what? i can't like him?"

the air seemed to have frozen after he finished speaking.

Chapter 4918: furious! she already has someone she likes (2)

As soon as su mu finished speaking, ye xiangnan stared at her with an ugly expression.

After a long time, he narrowed his eyes. don't forget that you're ye Jie's mother. Don't you feel ashamed that you still like a man? ”

what's there to be ashamed of? you're ye Jie's father too. You can even sleep in the same room with another woman publicly. Why can't I like someone else? ” su mu lowered his eyes.

Then, she felt a little sad.

she had almost forgotten about that person.

shen wenxuan was her senior, the most outstanding one in the school. su mu was very ordinary, but no one would have thought that shen wenxuan was the one who pursued su mu, the kind that had started from the moment su mu entered the school.

...

su mu didn't believe it either, but she couldn't resist it.

Shen Wenxuan was an outstanding and pragmatic boy, and many girls in the school liked him.

when shen wenxuan held su mu's hand and walked around the campus for the first time, everyone's eyes almost fell out of their sockets.

This was unexpected.

su mu thought to himself that if it weren't for the accident that night, she and shen wenxuan might have gotten married now and would have a child soon.

however, there were no 'ifs' in life. the reality was that she was an unmarried mother.

shen wenxuan, on the other hand, seemed to be from a previous life.

seeing her today, su mu seemed to have just remembered that she was only 24 years old. she felt that the past few years had been very long and she felt that she was very old.

Ye xiangnan sneered at su MU's absent-minded look, "What, are you reminiscing about the past? Su mu, it's no use for you to miss him. With Shen Wenxuan's current status and condition, how could he be willing to waste his time?"

"Don't say anymore." "I know my identity," su mu said in a low voice. "I don't need mr. ye to emphasize it again and again."

She adjusted her emotions. "I've already signed the document. mr. ye, I'll be leaving first."

She raised her foot, but ye xiangnan still grabbed her wrist firmly.

"Are you going to find him?" do you like it that much? "ye xiangnan asked in a low voice. you can't wait to see it again because you can't forget it?"

Su mu pursed his lips. I don't know what you mean, but I don't have to report it to you. Ye xiangnan, Mr. Ye, we're actually not related at all.

"Is that so?" ye xiangnan sneered, "I thought you and I both knew that you now belong to the ye family."

"I'm not," su mu said firmly. I'm sorry."

She pulled her hand away, opened the door, and left.

ye xiangnan stood in the small conference room, his mood in a mess.

he had called her here to ask her to think about it. after all, few women could refuse such wealth. however, subconsciously, he hoped that she would refuse. if she regretted it so soon, she would be no different from other women. only then did he realize that he had expectations for su mu.

What was he looking forward to? she could grab a handful of them even with her eyes closed. She was different from others. Was he going to love her well after marrying her?

ye xiangnan allowed her to leave because he thought that shen wenxuan would know what to do even if su mu was willing to. after all, men were all pragmatic. there was no need for a woman to reconcile with a child.

But sometimes, there would be some exceptions.

su mu walked out of the starlight building and waited for the bus at the bus stop.

A gentle voice came from behind him. “su mu,”

Chapter 4919: she’s furious that she has someone she likes 3

her body stiffened for a moment, and then she turned around.

It was Shen Wenxuan.

su mu and he looked at each other for a long time.

The sunlight shone through the treetops and onto their bodies, giving off speckles of golden light.

Su mu smiled. long time no see.

“Yeah, long time no see, su mu,” Shen Wenxuan smiled back.

...

“let’s have a cup of coffee together,” he said in a relaxed tone. i haven’t seen you for a long time. i wonder how you’ve been.”

In fact, he should have known by now whether she was doing well or not. After all, the newspapers and gossip were full of news about her and ye xiangnan. As long as one was interested, one could find out.

su mu checked the time and agreed.

Five minutes later, they were sitting in a café across from Starlight. Su mu was sitting while Shen Wenxuan sat opposite her with a cup of coffee in his hand. “It’s hazelnut-flavored, the one you like.”

Su mu took a sip and smiled, you still remember.

“of course i remember.” Shen Wenxuan’s gaze fell on her face and he said softly, ” “I was looking for you for a long time.”

he didn’t tell her that he had dropped out of school for half a year to look for her.

they looked for her everywhere but could not find her. the su family kept their mouths shut and when they were forced to, they said that su mu did not exist in the family.

shen wenxuan already had a bad idea at the time, but he didn’t expect that the male lead would be his current boss.

If it was someone else, they might have retreated, but he had never liked anyone all these years.

He thought that if she didn’t marry ye xiangnan, it was enough to prove that they could still be together. He knew that she had a child, so he didn’t care that much.

because he was more concerned about whether she was still there.

He had been waiting for many years.

Shen Wenxuan didn’t tell her the whole story. He only stated that he was looking for her.

Su mu had been quiet as usual.

She held the cup of coffee in her hands. The coffee was wrapped in a layer of paper. It was warm, just like how Chen Wenxuan felt.

she lowered her eyes and said softly, " yes, it's exactly as you think. There was an accident, and I'm pregnant.

She wanted to continue, but Shen Wenxuan stopped her gently.

he knew that it was an unpleasant memory, a mixture of pain and embarrassment. if he could, he would rather listen to her in a more private space.

Perhaps, it would be in the near future.

"Su mu, I know." "Are you okay now?" he looked at her gently.

Su mu was stunned for a moment and then muttered, it's alright.

shen wenxuan smiled. " that's good. "

He sipped his coffee slowly and told her about his recent situation.

he talked a lot and su mu listened carefully. they sat together and chatted like two old friends. in the end, su mu was shocked to find that he said a lot to express one thing.

He was still single.

The atmosphere was a little strange. After all, he was an adult.

Su mu looked straight at Shen Wenxuan and forgot to control his expression.

shen wenxuan smiled. " my parents have immigrated and i live alone. i don't usually open my restaurant. i wonder if i can freeloader a meal at your place. "

Su mu was stunned again.

shen wenxuan was still smiling. " i can help you pick up ye xi when you go to work. "

Su mu was stunned and didn't say anything for a long time.

"i might have to set up my own law firm, so i'll be busy at the start," shen wenxuan said.

Su mu shook her head and came back to her senses. She said softly, " " you don't have to worry about me. i know you have a bright future in starlight. "

Chapter 4920: She's furious that she has someone she likes (4)

su mu shook her head and came back to her senses. she said softly, " you don't have to worry about me. I know you have a bright future in Starlight.

Shen Wenxuan smiled. I've already planned to do so. However, there's still half a year left in the contract.

su mu felt a little stressed. she didn't want to change someone else's life because of her. besides, she had just met shen wenxuan, so she didn't think about it in that way.

Shen Wenxuan smiled. don't feel too pressured. You know my business partner, Bai Anan, President ye's cousin.

Ye xiangnan and Bai Anan were of the same year, but they were born a few months apart.

Su mu knew that Bai Anan's law firm was the largest in B city. Shen Wenxuan had wanted to work with her since a long time ago?

...

Shen Wenxuan smiled and did not say much. He did not give her too much pressure either.

Later, when they left the café and it was getting late, Shen Wenxuan treated her to a meal.

su mu had to go to work at one o'clock in the afternoon, so he parted ways with shen wenxuan.

At the same time, the air in the president's office in the Starlight building was very cold.

Lawyer Chen sighed in his heart. What the hell is going on?

Shen Wenxuan was his favorite student, so he thought that he would be more restrained. Su mu did break off his engagement with President ye, but the child was still President ye's, which meant that they had done it together. He had to avoid suspicion!

elder chen didn't know what his favorite student was thinking. it was too risky.

He let out a long breath and looked at ye xiangnan, "I think it might be a misunderstanding. Wen Xuan just went out to settle some matters.

ye xiangnan was sitting on an authentic leather chair, playing with a mobile phone in his hand.

He raised his phone and looked at Dr. Chen.

old chen's heart skipped a beat, and he couldn't help but take it.

ye xiangnan's phone had a few high-definition pictures of the male and female leads. they were none other than elder chen's beloved disciple, shen wenxuan, and ye xiangnan's mother, su mu.

Lawyer Chen was speechless.

” an hour of coffee and an hour and a half of dinner, ” ye xiangnan said. ” it’s a long time. what do you think, uncle chen? ”

In the face of a crazy jealous man, lawyer Chen certainly couldn’t cover up for him on the surface, so he just hit the gangster. “actually, it’s been a long time since we last met, so we talk a lot.”

as he spoke, he carefully returned the phone to ye xiangnan.

ye xiangnan’s expression was still very ugly.

Lawyer Chen thought about it and said, ” “young man, it’s inevitable to be a little impulsive. if you care, i’ll go talk to him.”

ye xiangnan turned his head and said in a low voice, ” “i just don’t want the people in the company to be involved in too many private matters.”

Just thinking about how he wanted Nan’s son to call his subordinate ‘father’ in the future made him shiver. He thought that this was the main reason, not because he couldn’t bear to leave that woman.

What’s so good about her? she’s not surprisingly pretty, and she’s so flirtatious.

Lawyer Chen left his office and went straight to Shen Wenxuan.

Shen Wenxuan went back to work the moment he came back and didn’t take a break.

lawyer chen knocked on the door and looked up. ” “Teacher,”

he stood up immediately and lawyer chen walked in slowly. the two of them sat on both sides of the sofa.

Lawyer Chen looked at him. you’ve decided? ”

In fact, Shen Wenxuan had mentioned to him about opening a law firm, but he had not agreed to it because he was about to retire. He had intended to train his student to be his successor.

the position of the head lawyer in starlight was not low, and shen wenxuan had the ability to do so.

sigh, how did zhenzhen and miss su get involved?
