Chapter 4921: furious! she has someone she likes 5

Shen Wenxuan nodded slightly and said, " "yes. I've thought about it. "

The teacher looked at him, and after a moment of silence, he patted his shoulder and nodded. "alright, then. as long as you've thought it through."

Shen Wenxuan couldn't help but explain, " " my original plan was to set up my own law firm. teacher, i know you want me to stay in starlight because i'll get a decent job and i'll be like you in the future, but i don't want to do this. i want to live a different life. "

he paused for a moment, 'perhaps the feeling of walking on a single-log bridge to the end is not bad.'

lawyer chen patted his shoulder and reminded him, " the one above has a bad temper. You'd better think carefully. There's no turning back once you leave.

"I know, teacher." Shen Wenxuan smiled.

...

lawyer chen was a serious old man, but at this time, he started to gossip. " "By the way, do you really want miss su to be with you?"

"she's fine." shen wenxuan smiled. " i've liked her since i was in school. "

"i really like it." Lawyer Chen smiled. she's pretty good. She's quite different. Yingluo, you have good taste.

Shen Wenxuan smiled.

Lawyer Chen still wanted to say something, but he thought better of it and gave up.

if shen wenxuan didn't care about it, what could others say?

In the afternoon, su mu went to work. He got off work a little late. Usually, Wen Yuan would pick up ye Jie at this time and let the driver send him back when su mu got off work. Wen Yuan always felt that it was too hard for ye Jie to work like this. He meant that su mu could live with them directly. In this way, ye Jie could take good care of him. Besides, su mu did not have to work so hard.

Of course, su mu refused. thank you, Auntie. It's too much trouble for you to have me here.

Wen Yuan was well aware that su mu was just unwilling to do so because he was afraid of her son.

He couldn't force it, so he could only let the child walk more.

however, wen yuan was still quite concerned about su mu. he personally sent ye jie over in the evening and did not leave immediately. instead, he brought a supper for su mu.

While su mu was eating, Wen Yuan told ye Jie to go to bed by himself while she sat beside su mu. I heard that you studied media in college. It's a pity that you didn't continue your studies.

su mu's hand paused for a moment and then he smiled. " "It's all in the past, there's nothing to feel pity about."

wen yuan looked at her and cleared his throat. " i know a friend, a famous director. however, she has not been filming much in recent years. do you want to learn from her? if you want to further your studies in university, that's fine too. i can make the arrangements. "

To Wen Yuan, this was not only because he had a good impression of su mu. It was indeed an accident. They had a grandson, but su MU's life had completely changed. She wanted to make it up to him.

su mu ate slowly and bit his lip. finally, he said softly, " "i don't think so. i'm fine like this."

Wen Yuan was a little angry, "are you planning to sell shoes for the rest of your life?" not only for yourself, but for ye jie, you should also work harder."

su mu raised his eyes and looked at wen yuan.

Wen Yuan was also looking at her.

in the end, su mu said, " let me think about it. "

In fact, she was very clear in her heart. If she went to school and worked hard, ye Jie would definitely need the care of the ye family. Even if she had some things to deal with, she would need Wen Yuan to handle them. She felt that she had troubled the ye family enough and did not want to have too many connections with them.

Chapter 4922: She's furious that she has someone she likes 6

However, at the same time, she also knew that Wen Yuan was right. She should work harder for ye Jie.

wen yuan left.

su mu went to see his son. when he came back, he took a shower but couldn't fall asleep. he simply put on a nightgown and went to the window to take a nap.

Wen Yuan's words kept ringing in her mind.

su mu knew that wen yuan was right, but she had not figured out what to do at the moment.

if what wen yuan had said was true, she really wanted to keep a close relationship with the ye family. she did not want to do that. firstly, it would be troublesome. secondly, she really did not want to face ye xiangnan.

...

Although Yingluo and her had been husband and wife twice, she didn't feel anything. It was probably because she didn't like him or love him. Other than fear and nervousness, she didn't feel anything.

su mu waited quietly. suddenly, his phone on the bed rang. she walked over to take a look.

It was from Shen Wenxuan.

are you asleep? I just finished my work.]

su mu stared at the line of words, his vision somewhat blurred.

She suddenly felt as if those things from long ago had returned. Her heart was very, very hot, and something was about to jump out, but she held it in.

su mu took out his phone and typed in word by word: [i'm going to sleep soon.]

[yes] [sleep early]

Su mu replied with an "okay."

after that, he stopped sending her messages. the next day, when su mu finished his morning shift and got off work, she picked up ye jie and went home. she saw shen wenxuan downstairs.

shen wenxuan alighted from a white horse and smiled at the two of them.

Ye Jie was stunned. Then, she instinctively looked at her mother and clenched her small hands.

After a brief daze, su mu smiled and then squatted down, saying softly, " "ye cha, this is uncle shen."

“Hello, uncle Shen.” Ye Jie called out obediently.

he quite liked this uncle. he looked especially gentle.

he seemed to like his mother. the fathers of the children in the class looked at their mothers in this way.

Ye Jie could not help but look at her mother again.

Su mu felt quite uncomfortable and walked over. “how did you find this place?”

“i’ve asked lawyer chen,” Shen Wenxuan smiled. let’s go for dinner. You guys must be hungry.

“The lunch at school today was terrible,” ye Jie said honestly.

Su MU’s heart ached for him, but he only touched his little head and said nothing else.

Shen Wenxuan picked the little guy up and said, ” “Okay, let’s go eat. Let’s find a restaurant that children like to eat, okay?”

su mu looked at him and wanted to refuse. ” “it’s too much trouble for you.”

Shen Wenxuan glanced at her and placed little ye Jie in the back seat of the car. He fastened the seat belt for her and then opened the door to the passenger seat for her. get in. I’m taking a break today.

su mu looked at him. ” am i right? ”

she felt that this was not good, and she was a little embarrassed and uneasy.

after all, they had not seen each other for many years. she suddenly had a son.

she did not know if shen wenxuan meant it that way, but she felt that he would be the last person she could look for. she admitted that she felt inferior. many years ago, su mu might have thought

that he was a good match for shen wenxuan, the school hunk. however, many years later, she no longer had that confidence.

he was a promising lawyer, while she was just a shoe seller.

She suddenly felt inferior and sat in the car without saying a word.

Shen Wenxuan frowned, but his tone was still gentle. "What's wrong?"

Chapter 4923: She's on the hot search again 1

Shen Wenxuan was very gentle. Although he had been working for a few years, su mu still felt that he was the same as before.

su mu couldn't feel the change of time on him. he was just more mature than before.

however, she still felt that it was inappropriate. she roughly knew what he was thinking, but since he didn't say it, she couldn't reject him.

they did not talk much along the way until shen wenxuan stopped the car at the entrance of a restaurant. "we're here. there's ye xi's favorite children's meal here. my sister ate it once when she came back last time. it's pretty good."

Su mu smiled. your sister's child must be very big, right? "he asked.

shen wenxuan smiled. "yes, she's almost ten years old. i'll bring you to meet her the next time she comes back. ye xi, you should like her too. children always like to play with their children."

...

"it's more lively with more children," he paused.

su mu didn't know how to respond to that. he didn't speak for a long time.

shen wenxuan got out of the car and carried ye xun out of the back seat. su mu followed him.

"Thank you," she said with a smile.

shen wenxuan stood there and smiled. " what are you thanking me for? old friends have to have a meal together. besides, ye cha is hungry. "

"Isn't that so, ye Jie?" he lowered his head.

ye jie's little face was slightly red. she looked at her mother and then at this uncle.

he really liked this uncle, but he was afraid that his mother would be unhappy if he said something wrong.

How could su mu not know what the little guy was thinking? he reached out and touched his head. "alright, let's go in."

the three of them went in and sat down by the window. shen wenxuan was the one who ordered the food. after all, he knew su mu's taste after spending some time with her. children all liked the same food.

Therefore, the meal was very pleasant.

Shen Wenxuan didn't mention anything else and kept talking to ye Xi.

after dinner, it was almost eight o'clock, and it was time for the kids to go to bed. shen wenxuan paid the bill and came back. "alright, we can go back now. ye jie, do you have homework to do?"

ye jie said proudly, " i've already done it in school. "

Shen Wenxuan laughed.

He held little ye Jie's hand and walked outside while talking to su mu. It was a normal conversation, probably during su MU's usual working hours.

However, they didn't know that the three of them, as well as the person in the same car, had been photographed and made it to the hot search that day.

#Starlight's president's fiancée-to-be has a new lover

soon, it reached the top of the hot search.

shen wenxuan's identity was quickly revealed.

it turned out to be starlight legal team's popular fried chicken!

To dare to poach the boss's men, their courage was commendable.

But soon, a comment from an alumnus of a certain University was out of the circle. Shen Wenxuan was su MU's boyfriend in University.

Soon, a fantasy drama came out-

when su mu was dating shen wenxuan, he cheated on the president of starlight. however, after a few years, he still felt that an old lover was better. therefore, a large group of fujoshis were thinking about how the president of starlight had lost.

by the time shen wenxuan dropped su mu off at his home, he was already at the top of the search list. however, they were not in the entertainment industry and did not pay much attention to weibo, so they did not know about it.

When su mu got out of the car, his mobile phone rang wildly.

She took a look and realized that it was ye xiangnan. She felt a little uncomfortable, especially in front of Shen Wenxuan.

And so, he hung up.

Chapter 4924: She's on the hot search again 2

her phone rang again, but she ignored it and said goodbye to shen wenxuan.

Shen Wenxuan also got out of the car, hugged ye Xi, and patted his little head. Then he said, ” “Go back quickly.”

Su mu nodded and went home with ye Cha.

Shen Wenxuan, on the other hand, stood alone under the old apartment for a long time. When he met su mu again, he almost instinctively decided what to do for himself.

However, su mu was different.

an unforeseen event changed su mu.

...

she was still su mu, but life had made her happy.

She might not be willing to be with him. Shen Wenxuan could sense her rejection, but if she gave up so easily, he wouldn't have been left alone all these years.

Su mu wasn't a great person, but he was irreplaceable.

just as shen wenxuan was feeling conflicted, a silver bentley suddenly stopped beside him. he recognized the person who got out of the car. it was president ye, who he saw at the weekly morning meeting.

at this moment, ye xiangnan's expression was particularly ugly. it could almost be described as gloomy.

he jumped out of the car, glanced at shen wenxuan, and went upstairs.

Shen Wenxuan got into the car quietly and sat in it for about five minutes before he finally drove away.

the next day, he found out about the hot search incident and why ye xiangnan would come over in the middle of the night.

at this moment, ye xiangnan was knocking on the door. su mu thought it was shen wenxuan and that he had dropped something in his car, so he opened the door without thinking."Shen Qianqian."

"why are you here?"

"You thought it was lawyer Shen?" Ye xiangnan walked past her.

ye jie was about to take a shower. when she saw him come in, she stood by the door and did not move.

Ye xiangnan lifted his chin and said,"go take a shower and then go to sleep."

Ye Jie didn't move, and there was a guarded look in his eyes. He felt that his father would bully his mother.

Ye xiangnan felt a stab in his heart. This son of his was not close to him at all now because Lin Lu had answered a phone call. If it were any other time, he might have coaxed him properly, but now, he was dominated by anger. He squatted down and restrained his emotions."Be good and go take a bath."

ye jie looked up at her mother.

Su mu gave him a look and ye Jie then left. His small back looked a little disappointed.

after ye cha left, su mu asked quietly, ” “Mr. Ye, what’s the matter?”

su mu? ” ye xiangnan frowned. su mu, can’t you mind your words? ”

Mr. Ye? ” su mu frowned. do my words and actions have anything to do with Mr. Ye? ”

“Take a look at Weibo.” Ye xiangnan said in a cold voice.

Tonight’s hot search topic had exploded, and it couldn’t be removed. Once it was removed, new ones would replace it. He was wearing a green hat especially Xiao hun.

su mu stared at him for a while, then lowered his head to browse weibo. then, he saw that he and shen wenxuan had become the male and female leads, and of course, the one in front of him.

Su mu was speechless. I’m just an ordinary person. If the news about me having a meal with a friend is blown up like this, it can only mean that Mr. Ye is a public figure. You can clarify that I have nothing to do with it.

“You think it’ll be that simple?” Ye xiangnan said in a cold voice.

su mu was a little angry, ’mr. ye, what do you want then? i’m not a public figure and i have my own life. i can’t not see anyone for the rest of my life just because you’re the president of starlight.”

you mean you want to be with Shen Wenxuan? ” He squinted his eyes and looked at her as if he was analyzing her.

Chapter 4925: She’s on the hot search again 3

“you’re the mother of my child.” Ye xiangnan said mercilessly,”After you accepted my mother’s 10 million dollars, I think you’re bound to the ye family. You don’t belong to the four words” grateful and grateful.”I think miss su still knows.”

su mu just looked at him.

his words were cruel, but they were true.

Indeed, Wen Yuan had just helped her solve a big problem and he was very good to her and ye Jie.

“Of course, we have a way to solve it,” ye xiangnan continued after a pause.

“ye jie has returned to the ye family, so miss su can pursue her own happiness,” he said in a soft voice while looking at su mu.

...

su mu’s heart suddenly clenched. he looked at ye xiangnan in a daze.

“at that time, miss su and i would truly have nothing to do with each other,” he said bluntly.

Su MU’s eyes were a little red.”ye xiangnan, don’t you bully others with your status.”

south pole at night smiled.

Yes, he was bullying her. He was bullying her for having no background.

he also knew that she couldn’t let go of ye jie, and that was why she was so sure of her.

Su mu confronted him for a long time and mumbled, ” “You can’t. You can’t take ye Cha away.”

“i can,” ye xiangnan squinted his eyes and said cruelly.

if she had to be with shen wenxuan, he would do it.

Su mu looked at him quietly. He knew that it would be like throwing an egg at a rock if he fought him, and he would get Shen Wenxuan into trouble.

No matter whether Shen Wenxuan was in Starlight or setting up a law firm, it would not be good for him to go against Nanzuo.

Besides, she really had no intention of being with him, so why should she drag him down?

after a long silence, su mu said, ” “I understand, Mr. Ye.”

her voice was the same as before, but it had lost its vitality.

Ye xiangnan could also feel it, but he didn't say anything. Instead, he waited for ye Jie to come out of the bathroom and hugged him. do you miss daddy? ”

Ye Jie just looked at him and lowered her head.

he didn't say he wanted to, and he didn't say he didn't want to.

Ye xiangnan smiled bitterly, knowing that he was no longer close to his son.

He was now using underhanded means to get him back. Without su MU's care, this child would not be happy.

so, huhu

When ye xiangnan was leaving, he cast a deep look at su mu.

Su mu didn't say anything. She just leaned against the wall. She felt that her life seemed to be bound to ye xiangnan, unless she gave ye Xi to him or he got married. However, neither of these two possibilities seemed to be possible for the time being.

Su mu was quiet, his eyes dull.

Ye xiangnan opened the door and went out. Su mu closed the door immediately and leaned against it as if he was infected with a virus.

ye xiangnan could feel it. he stood at the door and smoked a cigarette before leaving. on the way, he received a call from ye hui.

Ye Hui's voice carried an indescribable meaning, " "Brother, you must be at sister-in-law's place, right?" she asked.

He did not make a sound.

Ye Hui spoke again: " I saw the hot search. You must have gone to threaten eldest sister-in-law.

the older brother:

"She's not your sister-in-law," he finally said hoarsely after a long time.

"then why do you still care about her? who cares who she's dating?" Ye Hui smiled and deliberately provoked him.

"I just don't want her to affect ye Cha," ye xiangnan said in a cold voice.

Chapter 4926: She's on the hot search again 4

"isn't this normal? it shouldn't affect ye jie." ye hui grinned. " besides, su mu will have to get married eventually. he can't stay with you for the rest of his life. if you don't get married, he can't get married. what kind of logic is this? "

ye xiangnan's face darkened.

Ye Hui opened her mouth again. brother, think about it carefully. Do you like sister-in-law? if you do, you should quickly confess. Otherwise, if someone else snatches her away, it will be too late for you to regret.

“I don’t like her.” Ye xiangnan’s voice was stiff and emotionless.

“really?” ye hui’s voice was drawn out.

“Of course,” ye xiangnan replied impatiently, “what else?”

...

Ye Hui was still smiling. Her temper was especially good and it was as if she would never get angry.

Often, ye xiangnan felt that she was not like the children of the ye family. All the children of the ye family had a temper, but ye Hui was too gentle. She was so gentle that he felt that she had lost her personality.

But thinking about ye Hui’s condition, she could be happy for a lifetime. If there were no accidents, he would let her be.

besides, there was nothing bad about it.

Ye xiangnan was a little absent-minded. He didn’t pay attention to what ye Hui said again and hung up the phone.

the next day, the trending topics finally died down. ye xiangnan met shen wenxuan in his office.

The atmosphere in the huge office was delicate. The second Secretary poured a cup of coffee and ran away. He did not dare to stay and be bombarded.

Shen Wenxuan was rather calm. He had already accepted the situation when he found out about su MU’s past.

Ye xiangnan was still very polite to him. lawyer Shen, please have a seat.

he was being too polite, at least not like he was treating his subordinates.

he sat opposite shen wenxuan and sipped on his coffee casually.

“president ye, are you looking for me about su mu?” shen wenxuan asked.

Ye xiangnan admired him. It was good to get straight to the point. He didn’t like to beat around the bush, so he nodded. ” yes, lawyer shen should be clear about the relationship between su mu and me. we have a son and we almost got married before. my mother, qianqian, or rather, the ye family, has never given up on ye jie, so you know what i mean. ”

“President ye, do you love su mu?” Shen Wenxuan asked calmly.

Ye xiangnan looked at him quietly.

they all knew the answer.

how could the noble young master ye fall in love with someone so easily, especially an ordinary girl like su mu? in cinderella’s story, the female lead was also very beautiful.

shen wenxuan laughed bitterly. ” since you don’t love her, you won’t be happy even if you marry her. why would you torture yourself? ”

in starlight, he naturally knew about the relationship between president ye and qin yihuan. it was easy to imagine who ye xiangnan had in his heart.

“I don’t think it’s torture,” ye xiangnan said indifferently.

because to him, it was the same no matter who he married, and he didn’t feel there was any difference.

Shen Wenxuan was a man, so he naturally understood what he meant.

“this is unfair to su mu,” he said gently but firmly.

“unfair?” Ye xiangnan smiled, “she can get the best compensation.” in the future, her son will be the ceo of starlight entertainment. lawyer shen can understand this.”

shen wenxuan gave a faint smile. ” this is not what su mu wants. president ye, you don’t know her at all. ”

Chapter 4927: She’s someone I’m protecting (1)

Ye xiangnan stared at Shen Wenxuan and asked, ” really? Does that mean that you know her very well, lawyer Shen?”

“A little.” Shen Wenxuan replied calmly.

ye xiangnan narrowed his eyes.

the man in front of her could not be compared to her in terms of status and power from birth to today. he had su mu’s past and perhaps su mu’s heart.

he did not expect that he would not be able to win su mu’s heart after being poor for so many years, even though he was as rich as a country and had so many women at his disposal.

She did not love him.

...

perhaps they had the chance to love each other, but that night ...

ye xiangnan didn’t pursue the matter any further. after all, he was more concerned about his reputation and shen wenxuan’s safety.

He wasn't a person who could separate private and private matters. He hoped that Shen Wenxuan would stay. After all, after lawyer Chen retired, Shen Wenxuan would be the most suitable candidate.

from a certain perspective, ye xiangnan admired talented people. there were not many people that ye xiangnan admired. in his eyes, some of the middle and upper echelons were useless. shen wenxuan was one of them.

Shen Wenxuan didn't think too much. President ye, I've already decided.

ye xiangnan looked at him for a while, then stood up and walked to the floor-to-ceiling window. after a long time, he said in a low voice, "Lawyer Chen should have told you about my plan. Shen Wenxuan, is it worth it for a woman? is it worth it to walk this path to the end?"

He turned around and looked at Shen Wenxuan.

President ye, " Shen Wenxuan smiled. there's a person I love in my life plan.

love?

" you've been apart for so many years, " ye xiangnan said hoarsely. " so many things have happened. how do you know she still likes you? "

"So, I want to pursue her again." shen wenxuan said in a low voice, his voice full of emotion.

this was the first time ye xiangnan had seen him like this.

Lawyers had always been one of the few emotional creatures. Shen Wenxuan used to be one of them. Ye xiangnan had always thought that Shen Wenxuan would be the best successor, but it turned out that Qianqian's heart was just as passionate.

shen wenxuan left.

Ye xiangnan sat alone for a while.

Not long after, he received a resignation letter.

Shen Wenxuan had left Starlight ahead of time and had paid a large sum of money for breaching the contract.

The Shen family's conditions were not bad, and a million Yuan penalty was not a big problem for Shen Wenxuan.

Ye xiangnan held the resignation letter in his hand and read it quietly. After a long time, he picked up the phone on the table and dialed Bai Anan's cell phone.

Bai Anan picked up the phone. Before he could speak, she said, "you want to talk about Shen Wenxuan, don't you? I want to work with him. Shen Wenxuan is very capable. I can't just let go of the money and not make it, can I? we are both businessmen. He must be very busy with his law firm. I'm afraid he won't have the time to pursue your wife.

"su mu is not my wife," ye xiangnan said, frowning.

"ex-wife, yingluo, ex-girlfriend? And an illegal wife? The child's mother?" Bai Anan said gloatingly.

"You sound happy?" ye xiangnan said in a cold voice.

"there's nothing to be happy about. shouldn't we hug each other for warmth since we're also heartbroken?" bai anan pointed out.

Of course, she was not referring to su mu when she broke up with him, but Qin yihuan.

in the ye family, even a fool knew that ye xiangnan didn't like su mu and couldn't forget qin yihuan. he didn't give up on su mu for ye jie and didn't force su mu for ye jie.

Bai Anan sighed. xiangnan, you actually have another choice. You can give ye Jie the best and live well on your own. Ye Jie doesn't have to be the heir of the ye family. Think about the family. Shen

ting, an outsider, is the decision-maker. Even if ye Jie follows su mu into someone else's house, he's still your son. What's impossible? ”

ye xiangnan pursed his lips, and bai anan asked again, ” “Is it because of ye Xi, or for your own face, or you can't let go of su mu? have you thought it through?”

of course, ye xiangnan wouldn't confide in her, so he hung up the phone.

That night, he returned to Wen Yuan and ye Mubai's place. Wen Yuan brought ye Jie over because su mu had a night shift.

When ye Xun saw ye xiangnan, he called him “dad” very indifferently. After that, he didn't talk to ye xiangnan much.

Ye xiangnan sat beside him, playing Lego with him in silence.

Ye Jie glanced at him, then lowered her head and continued.

Wen Yuan smiled. isn't it good? in the future, when ye Jie comes over, you can come and accompany him. Children always need their parents to accompany them.

she paused for a moment and then told him about su mu's work. she sighed, ” “It's a pity,”

Ye Jie probably felt that the topic was related to her, so she sneaked a glance at her grandmother and then continued to play LEGO as if nothing had happened.

ye xiangnan looked at his mother and asked casually, “What did she say?”

“she said she needed to think about it.” wen yuan told the truth and then warned, ” you're not allowed to stop him. I think su mu is a good seedling. Besides, he's still young. He can't live his whole life for ye Jie.

Ye xiangnan leaned on the sofa and smiled. ” mom, didn't you also become a full-time housewife for me and ye hui? ”

“If you have the ability, then marry her!” Wen Yuan scolded with a smile as soon as he finished speaking.

Thinking of Nan Zhi Yan at night

Wen Yuan sighed. maybe your personalities are not compatible. If you can't force him, just let him go. As for ye Xi, he is your son after all. He will always be your son no matter where he goes. No one can take him away.

Ye xiangnan frowned. There was a deeper meaning in his words.”mom, what are you saying?”

“i'm not blind,” Wen Yuan sighed. xiangnan, you don't like su mu. If she really has someone she likes, please let her go. This child is really pitiful. Qianqian gave birth to ye Jie for you at such a young age.

ye xiangnan didn't say anything. he didn't agree, and he didn't disagree.

However, no one had expected that before ye xiangnan could do anything, the Shen family had made the first move.

shen wenxuan's parents and sister were both overseas. no one knew where shen wenyuan got the news, but she flew back to city B two days later to meet su mu.

the meeting place was booked by shen wenshu. it was a high-class coffee shop.

Su mu went to work. He was in a hurry and didn't have time to change out of his work clothes.

she sat across from su wenyuan. she had met su wenyuan once or twice in the past, and shen wenyuan had been polite to her at that time, unlike this time, where she was indifferent and even had a mean look in her eyes.

shen wenyuan ordered a cup of coffee for her and said, ” “miss su, what's your price?”

Chapter 4928: She's someone I'm protecting 2

shen wenyuan ordered a cup of coffee for her and said, "Miss su, What's Your Price?"

Su mu raised his eyes and stared straight at Shen Wenyuan. After a while, he said softly, "i don't know what you mean."

Shen Wenyuan came from a well-to-do family and had married well. She was used to a pampered life and didn't know what suffering was.

Moreover, she would not have a good impression of su mu, a woman who had gotten pregnant before marriage and had an ambiguous relationship with her younger brother. She would not be nice to him either. This time, she had come back under the orders of her parents to solve this problem.

No matter what, she could not let Wen Xuan continue to make mistakes and want a woman who had a child out of wedlock.

In terms of qualifications, reputation, and appearance, su mu was not good in any way. In the past, he might have had some talent that made the Shen family look at him differently. Now, it was already polite to describe him as useless.

...

She gave birth to a son for the ye family, but the ye family still didn't let her in, right?

This was great. They were forcing her to hand it over to their Wen Xuan. Where in the world would there be such a good thing?

just the thought of it made shen wenyuan despise him even more. she looked at su mu even more rudely and even scornfully. "miss su, don't pretend to be innocent. i know what girls like you are thinking. don't you just want money or to climb up the social ladder? let me tell you now, our wen xuan will never be a successor. even if he can't survive in city B, i and my parents will take care of him when he goes abroad. the shen family's wealth is enough for him to live a carefree life for the rest of his life, but it's different for you, miss su. i heard that your mother has cut off all ties with you and even published your name in the newspapers. our shen family can't tolerate your reputation."

Su mu was so angry that his fingers were shaking.

She held the cup and tried her best to calm herself down. Her lowered eyes were emotionless. After a long time, she looked up and quietly looked at the strong woman in front of her. miss Shen, Shen Wenxuan and I are a thing of the past. I have never thought of anything else. If you're still worried, Qianqian can follow him every day.

shen wenyuan did not expect a lowly person like su mu to rebut her like that. he even put himself on a pedestal, as if wen xuan was the one who was pestering her.

In a cold voice, she said very impolitely, " " miss su, you're very eloquent but i'm not here today to test your eloquence. i just want you to promise that you won't see wen xuan again. that's all, name your price! "

Su mu stared at her. She was so arrogant as if she could knock her out with money at any time.

Su mu said softly, "one hundred million." are you giving it to me?"

What?

shen wenxuan's face fell and he almost lost his composure. " "su mu, don't push your luck. 100 million? why don't you just Rob someone?"

"Since you're here to throw money at me, you should be able to name a price." Su MU's expression was also a bit cold.

she stood up and was about to leave.

Shen wenyue was so angry that she grabbed su mu and forgot her identity.

A cup of coffee splashed on su MU's face.

it was very hot!

soon, su mu's face turned a little red, but it was not to the extent of being injured. he was just a little embarrassed and disheveled.

she looked up and was about to say something, but a pair of hands pressed on her shoulders with a particularly gentle force.

su mu was a little surprised and turned his head.

it was wen yuan.

wen yuan was drinking coffee with he huan, talking about introducing su mu to he huan and asking he huan to train su mu. he did not expect to see this scene. it was not convenient for him to intervene. after all, it was su mu's private matter.

however, he didn't expect the other party to be so strong and rude.

He Huan and Wen Yuan both felt that in B city, even the two of them and Bai suili would not be able to do such a thing. Who was the Shen family? they had never even heard of them and only had a small amount of money.

in B city's social circle, one could not enter without power. the shen family was really not ranked.

At this moment, Wen Yuan had to come out no matter what. She held su mu down and said in a low voice, "wipe your face first and leave it to me."

Su mu was stunned for a moment. He wanted to say something, but in the end, he said nothing.

He Huan pulled her over and handed her a tissue.

As for Wen Yuan, he teased her with a faint smile.

Shen Wenyuan was taken aback. She had not expected to meet Wen Yuan.

wen yuan, ye mu bai's wife, was considered the boss of their wen xuan.

was wen yuan going to stand up for su mu now? the ye family clearly did not want su mu.

How could it be?

just as her mind was in a mess, wen yuan opened his mouth and said in a calm tone, "miss Shen, I think you're mistaken. It's not that xiangnan doesn't want su mu, but su mu refused to marry into the ye family and come to the ye family to educate him. We thought that su mu had high standards and we couldn't force him. We're also happy and blessed that su mu was willing to look up to lawyer Shen. However, we didn't expect the Shen family's attitude to be like this. Since that's the case, we can't force him either. It's just that miss Shen is too petty and ungentlemanly. You poured the cup of coffee on su MU's face, but it's equivalent to splashing it on my face. No one has ever dared to be so disrespectful to our ye clan's face."

ye clan?

shen wenyuan's heart trembled when she caught this information.

"miss shen, how do you think we should settle today's matter?" wen yuan smiled.

shen wenyuan felt that she had to figure out when su mu had become a member of the ye family.

"What is the relationship between miss su and the ye family now?" she asked in a trembling voice.

Wen Yuan laughed indifferently. He laughed in a calm manner, "I'm going to take su mu as my goddaughter. Miss Shen, do you think my goddaughter is qualified to marry into your family?"

shen wenyuan was stumped by his words. it was not her intention to say whether it was enough or not.

her face turned pale. she knew that today's matter could not be resolved peacefully.

Wen Yuan would not let her off so easily.

“madam ye, i was wrong today,” she said softly after a long time.

wen yuan smiled. ” you’re very sensible. you don’t need me to teach you what to do, do you? ”

He still spoke in a casual and calm tone. People were often like this. The higher they stood, the less flustered they would be. Only the nouveau riche would feel that the world revolved around them, and all they talked about was money.

shen wenyuan was a mean person, but she was also very smart.

she forced a smile and picked up a cup of coffee on the table. just as she was about to move, wen yuan stopped her. ” “Wait a moment.”

She thought that Wen Yuan had let her off. However, Wen Yuan said to the waiter, ” “Get me a hot one.”

shen wenyuan was stunned. she did not expect wen yuan to do this.

Chapter 4929: She’s someone I’m protecting (3)

shen wenyuan was really stunned. she did not expect wen yuan to treat her like this.

at least, she was quite famous in B city and could be considered a socialite. however, wen yuan treated her like this.

With a pale face, the waiter brought a cup of hot coffee over. It wouldn’t hurt people, but it would definitely make people uncomfortable.

“Miss, your coffee,” the waiter said politely.

shen wenyuan looked at wen yuan in embarrassment.

wen yuan sat down calmly and patiently.

...

Shen Wen yuan knew that she had to accept the cup of coffee today, so she gritted her teeth and held the coffee high with her eyes closed, pouring it over her head.

The surroundings were quiet as everyone watched the drama unfold.

after the cup of coffee was finished, wen yuan smiled faintly and said, ” “Miss Shen, just treat it as buying a lesson and at the same time teaching you how to behave.”

Then, he took his bag and walked toward su mu. Suddenly, he turned around and said, ” “even our xiangnan can’t bully her. what right do you have?”

these words made shen wen yuan feel even more embarrassed. she stood there and accepted the mocking looks.

she had never been in such a sorry state since she was young, so she gritted her teeth in hatred.

Su mu, don’t even think about entering the Shen family.

it had to be said that this big sister was really good at self-confidence. su mu had already said that he had no thoughts, but she did not have a hundred million yuan in her mind.

on the other side, wen yuan looked at su mu gently and lovingly. ” “it’s almost too late. i’ll go with you to pick up ye jie.”

After this incident, it was indeed too late, so the two of them took the driver’s car to go.

In the car, Wen Yuan slowly revealed his plans. He wanted su mu to continue studying media. Besides, he also arranged for su mu to learn from he Huan to make movies and documentaries. Not everyone had the opportunity to have such connections and resources.

su mu was silent for a while. wen yuan said softly, ” “Are you still hesitating now? today, Shen Wen yuan can climb over your head and bully you at will. Who will appear tomorrow? Ye Xi is still young, he won’t always be a child. He needs a strong person on his way to growth, and if that person doesn’t want to go south, it must be you.”

su mu’s lips moved and wen yuan smiled slightly.”Don’t you think so?”

su mu knew she was right.

That’s right. Today, she had deeply experienced how important social status was to a person, and how much confidence it could bring to a person.

wen yuan picked up ye jie with her and left after sending the mother and son back.

at this time, it was already late. su mu was cooking quietly. ye jie always felt that something was wrong with her mother today. however, the little one didn’t dare to ask. he just leaned on su mu.

su mu lowered his head and looked at him. then, he smiled.”What’s wrong, ye Jie?”

“mom.” “A little kid said that I don’t have a father,” ye Jie said softly.

Su MU’s heart ached. He squatted down and touched his son’s little head. ” how can our ye jie not have a father? ye jie’s father and mother are just not together. ”

Ye Cha looked straight at su mu and suddenly said, ” “Mom, what about uncle Shen?” she asked.

Her small face revealed a touch of fascination.

su mu was stunned for a moment, then he said softly, ” “uncle shen is uncle shen.”

Su mu was stunned for a moment, then he said softly, ” “Uncle Shen is uncle Shen.”

“Will he come back? will he take us out for dinner?” Ye Cha asked carefully.

” what do you want to eat? ” su mu pinched his nose. ” i’ll take you there. ”

ye jie suddenly hugged her. her small body was soft and warm. su mu’s heart softened, but tears welled up in her eyes. she tried her best to hold it in.

She was ye Jie’s mother and she could not cry weakly in front of her child.

he only asked once about ye jie’s life at school and stopped asking. however, su mu knew that he was very concerned about it. she thought that perhaps she should really listen to wen yuan’s advice. since she worked so hard, she could feed ye jie but she could not give him any respect or protect him from being hurt by the rumors.

...

She squatted down and touched her son’s face gently, saying softly, ” “mommy might have to go to school too. i’ll work hard together with ye jie in the future, yingluo.”

also, mom had no family. other than her father, she had no other family.

Ye Jie was the only thing she had.

ye jie was very surprised and stared at her.

Su mu hugged him and felt his warm little body.

Wen Yuan was right. She was only 24 years old and she should plan for ye Xi. However, at the same time, she was not only ye Xi’s mother but also su mu. She should live like herself and not live as an accessory to someone else’s life.

At the same time, Shen Wenyuan flew into a rage at Shen Wenxuan.

In Shen Wenxuan's luxurious apartment, Shen Wenyuan's choice of words was very rude. "Wen Xuan, how could you be so hung up on that shameless woman? don't you know that she had a child with someone else? How old is that child? if you're with her, how are you going to walk out of this world in the future? what kind of eyes will others have on you? picking up the broken shoes that ye xiangnan used?"

"Shen Wenyuan!" shen wenxuan stared at her. " what are you trying to do? what did you do to su mu? "

"What did I do? why don't you ask her what she did to your sister? i just offered her a price to leave you. this was also what dad and mom wanted. you know that she asked for a hundred million yuan. i've never seen such a shameless girl. who does she think she is?" Shen Wenyuan was probably so angry that she tried her best to vent her anger.

shen wenxuan calmed down and looked at his sister. " i know what kind of person su mu is. "

"what do you know?" Shen Wenyuan sneered,"you know that she's still in a relationship with the ye family, right?" " the ye family is backing her up. wen xuan, don't go against the wall. i've already told dad and mom about this. they've already found a girl for you. she's quite a nice girl and she's quite famous for playing the violin. i've seen her photos. her looks are miles ahead of su mu's and she has a good personality and temper. you'll like her. "

"How would you know if I like it or not?" Shen Wenxuan asked.

shen wenyuan said matter-of-factly, " a marriage is always a match of equal social status. you and su mu don't match each other at all. besides, she has a child. it won't help your career at all. "

Shen Wenxuan frowned. I don't need anyone's help.

Shen Wenyuan sneered again. it's like adding flowers to a brocade. Wen Xuan, the other party's father is the principal of Media College. You should know how important he is. We're doing this for your own good. We've given you full consideration when choosing a partner. Besides, we won't consider this. You'll need funds to set up a law firm, right? you can afford to fork out a few million, but I think you'll still need our support for 20 to 30 million. This isn't something that su mu can

help you with. Think about it carefully. You're no longer a child, so don't let your emotions get the better of you. the past is in the past, no matter how beautiful it is, it can't be eaten."

shen wenxuan looked at his sister quietly, as if she was a stranger to him.

He remembered that many years ago, Shen Wenyuan fell in love with a man from an ordinary family. His parents naturally disagreed, so Shen Wenyuan ran away from home and pretended to jump off a building. She made a big scene.
