Chapter 4931: A missed opportunity is a missed opportunity 2

However, only a few years had passed, and she, who had married well, did not have any feelings for him. In her heart, there was only profit.

Could the environment really change a person?

“i can handle it myself,” shen wenxuan replied calmly. I don’t need financial aid from my family.”

shen wenyuan was stunned. the corners of her eyes were twitching. she looked at her brother in disbelief and muttered, ” “Is it worth it for a woman?”

“i like her,” shen wenxuan said firmly. I want her to be my wife, sis. That’s it. ”

It could not be anyone else but her.

...

After he finished speaking, he opened the door and walked out.

Shen Wenyuan came back to her senses and shouted behind him, ” “You’ll regret this. You’ll get yourself killed!”

no, she could not let him go against the ye family. she could not let her brother be with such a woman.

otherwise, wen xuan’s life would be over.

however, she couldn’t represent anyone, and she couldn’t make any decisions for others.

shen wenxuan was capable of making any decision for himself. when he met su mu again, he bet everything he had without thinking. his career, marriage, and even his family.

He drove to su MU's old apartment and parked the car downstairs, but he didn't go up.

He was just standing quietly under an old tree, smoking. He held a phone in his other hand, hesitating if he should call her.

su mu went downstairs to take out the garbage and saw shen wenxuan standing there. she was stunned for a moment, but she still walked over slowly.

"Why are you here?" She stood in front of him and asked softly.

shen wenxuan looked at her quietly and smiled. "i was just passing by."

neither of them mentioned shen wenyuan, but they both knew that the other knew.

this was not a happy matter, and if they were to talk about it, they would definitely talk about something else. he could not afford to give her a promise now, and she had not considered this matter.

The two of them stood face to face for a long time before Shen Wenxuan said, "Have you eaten?"

"I've eaten. What about you?" Su mu had probably figured it out. if you haven't, I'll make you a bowl of noodles.

Shen Wenxuan hesitated for a second before he smiled. "Alright," he said.

su mu threw away the trash and went back to the small house with him. it was simple and plain.

but he felt at ease.

As soon as Shen Wenxuan entered, ye Cha pounced on him happily. "Uncle Shen,"

shen wenxuan picked him up and kissed his forehead. ” “Are you happy to see uncle?”

ye jie sweetly said that she was happy and then put her arms around his neck, worried.

su mu watched their interaction and went to the kitchen quietly. her eyes were a little hot.

She knew that if it were not for the accident, she would have married Shen Wenxuan and had a child as smart as ye Jie. She would have a simple but happy life.

however, there were no ‘ifs’ in life. if they had missed it, they had missed it. she was no longer an innocent girl who thought that they could be together as long as they truly loved each other.

a relationship that did not receive blessings usually ended in a tragic end.

as she cut the ginger, she thought in a daze that he must be very sad.

She knew that Shen Wenxuan wanted to persist, but sometimes, persistence was not enough to overcome reality. Neither of them could afford to wait for the other.

after ten minutes, she cooked a bowl of noodles and brought it out.

The fragrance was overflowing.

“My mom’s noodles are the best,” ye Jie said proudly.

Shen Wenxuan smiled. it smells good.

ye cha was even prouder.

Ye Cha was even prouder. She looked at Shen Wenxuan and said, ” “Uncle, try it.”

Shen Wenxuan smiled and then looked at su mu.

Such peaceful and warm times would probably not last long in the future.

shen wenxuan was a gentle, determined, and pragmatic person.

They were both adults, and they knew that it did not mean that they were full of love. He could give her a stable life now, but that did not include so many external conditions.

Shen Wenxuan sat down and ate his noodles. They were delicious.

...

It was as if his wife had already prepared a meal for him when he returned home.

originally, they could have spent the rest of their lives together like this.

Shen Wenxuan was going to leave as well, but he stayed because he was waiting for su mu.

Su mu was here, but they were not the same as before.

Shen Wenxuan finished his noodles and smiled. “It’s really delicious.”

Little ye Jie originally wanted to be smug, but the small person could also see that there was something wrong with uncle Shen, as if he was about to cry, so he hung his head dejectedly. “mom, i’m going to take a shower.”

Su mu smiled and Xiao Ye ran away.

Shen Wenxuan sat at the simple dining table. He wanted to smoke, but he gave up on that idea when he realized that they were indoors.

He turned his head and looked at su mu quietly. I thought that people who like each other would get married soon.

su mu was quite calm. he cleared the dishes and then sat down opposite him. Shen Wenxuan, the past is the past. Don't think about it anymore. Really, I don't think your life should be tied to mine. It's not good for you at all.

"You think so?" Shen Wenxuan smiled bitterly.

That's right, he was already 27 years old. He was no longer a young boy. He couldn't bring himself to ask her to follow him at all costs, and it was even more impossible.

Su mu smiled at Shen Wenxuan.

She knew everything. He did not dare to let go of his difficulties.

similarly, she was the same.

In the adult world, not everything could be solved by love.

She didn't want to implicate him either.

Their eyes met, and in the end, they did not say anything.

after ye jie finished his bath, he rolled into the quilt. it was not early, so su mu sent him downstairs.

Shen Wenxuan reached out to open the car door. He paused for a moment and turned back to Su mu."i'll apologize to you on behalf of my sister."

Su mu shook his head, she's having a hard time too.

besides, it was none of shen wenxuan's business, so he did not need to apologize.

shen wenxuan knew that su mu was never a weak person, but he was more aware of his sister's strength. shen wenyuan, who used to be crazy about love, had long disappeared.

Su mu said nothing more. She just stood under the streetlight and smiled indifferently.

Shen Wenxuan did not say anything else. He opened the car door and got in. He rolled down the window and said, " su mu.

She hummed in agreement.

It was just like that year.

shen wenxuan's eyes darkened. after a while, he said, " "I'm leaving."

He did not say anything else, because he would only be a burden to su mu if he said so much.

adult love had always been related to reality.

After Shen Wenxuan left, su mu stood there for a long time. Just as he was about to go back, a black sports car screeched to a stop beside him.

it was none other than ye xiangnan.

he bumped into shen wenxuan when he arrived.

at this moment, when he got out of the car, his expression was naturally not very good.

He walked to su mu.

"are you here to see ye jie?" su mu looked at him.

As soon as she finished speaking, ye xiangnan grabbed her shoulder, and the next second, she fell into his arms.

Chapter 4933: A missed opportunity is a missed opportunity 4

as soon as she finished speaking, ye xiangnan grabbed her shoulder, and the next second, she fell into his arms.

Su MU's face was a little hot and he only came back to his senses after a long time. He said in a low voice, "I miss Nan at night, let me go."

"You're seducing women all day long." He said in a hoarse voice.

He clearly looked so ordinary.

Su mu bit his lip. ye xiangnan, make it clear. Who's seducing other women? "

however, she couldn't say anything else after she asked.

...

her fingers clenched into a fist on his shoulder, and her voice was also broken ...

let go of me

However, not only did he not let go, but he also went even further.

when he let go of her, su mu could not help but give him a slap.

this was the second time she had slapped him. ye xiangnan was a little angry. he grabbed her hand and raised his hand high, as if he was going to slap her back.

Su mu didn't move away but just glared at him.

Ye xiangnan sneered. he was so gentle when he was with Shen Wenxuan. When he saw me, he acted like he had seen a ghost. Is he really that nice? ” Don't forget that I'm the one who was married to you, and you didn't really reject Yingluo that day. If you knew that you would meet him, you wouldn't have moved to my place at all. Are you regretting it now?”

Su mu just glared at him.

Ye xiangnan sneered again and said in a low voice, ” “give me ye cha and i'll set you free.”

Su mu pushed him away and laughed mockingly. “Mr. Ye, do you think I'm a three-year-old child? will you really let me go if I give ye Jie to you?”

No, he would not. He would never allow ye Jie's mother to marry someone else.

this was the overbearing nature of the rich.

she couldn't understand, but she could imagine.

Thinking of the South Pole laughed lightly. He placed his finger on his lips and did not deny it.

this was the main reason why su mu gave up on shen wenxuan. it was not because of the shen family, but because of ye xiangnan.

she couldn't let shen wenxuan's life become difficult because of her. he had his dreams and his career. there was no need for him to sacrifice everything for her.

humans could be a little selfish, but they could not be too selfish.

Su mu stepped back, while ye xiangnan put his hands in his pocket and said indifferently, ” “I'm just here to tell you that Xun will be staying at my parents” place from tomorrow night. As for you, Hanhan ...”

“I’ll stay here.” Su mu said indifferently, ” you don’t need to worry about it, Mr. Ye.

ye xiangnan frowned and smiled, ” “su mu, you’re really heartless sometimes. to put it bluntly, you’re a traitor. it’s the ye family who has been helping you all this time. i don’t need to remind you what shen wenxuan’s sister did today, right? Guarding against me is like guarding against a thief. After all, I’m ye Xi’s father.”

Su mu suppressed himself. ye Jie is ye Jie, and I am me.

Ye xiangnan stared at her and said slowly, ” it seems that you still want to be with shen wenxuan one day. but, su mu, i can tell you that it’s impossible. ”

su mu glared at him, his eyes full of resistance and disgust.

She really didn’t like him at all!

She hated him!

“You’ll be willing to come to the ye family.” Ye xiangnan walked forward and pinched her chin,””it’s best that you clear away the things that you shouldn’t have in your heart. don’t let me know that you’re thinking of someone else.”

Chapter 4934: missed, missed (5)

he released her after he finished speaking.

he took a step back and looked into her eyes.

Su MU’s lips were tightly pursed as he looked at him quietly.

even if they had nothing to do with each other, it was unfair that they had nothing to do with each other. all of her major decisions and private life were decided by the ye family. wen yuan had good intentions, but it was also a form of restriction.

Su mu was very clear-headed.

there was someone in her heart, but it was probably buried in her heart forever. if she didn't want shen wenxuan to die with her, she had to let him go.

...

Su mu said in a low voice, " we can wait. You'll be the one to get married first.

"Is that so?" He smiled and looked at her again, then slowly walked upstairs.

"i'm thinking of the south at night," su mu stopped him from behind.

He paused and turned around to look at him.

"You think marriage can be without love and loyalty, right?" su mu said softly.

He didn't say anything and continued to look at her with his deep eyes.

Su mu smiled bitterly. but I'm not. I'm Chenchen.

she paused for a moment and said in a hoarse voice, " I'm still looking forward to marriage. I don't think marriage is like that. It's not what I think, and it's not what ye Jie thinks. Mr. Ye, you're also Wanwan. You shouldn't have stopped looking forward to it so early. You should find a woman you love and get married.

I was, " ye xiangnan sneered, " but don't you know why I married you, su mu? "

Su MU's face was ghastly pale under the streetlight.

"I'm sorry," she said in a low voice after a while.

“It’s too late,” He said coldly, then turned around and walked upstairs.”Come and open the door. I want to see ye Jie.”

su mu bit his lip and went up anyway.

he turned sideways to let her open the door. the light was dim, and he couldn’t see the other person’s face clearly.

all of a sudden, ye xiangnan reached out and grabbed her shoulder, pressing her against the wall.

“your eyes are very red. did you cry?” he asked.

are you crying for Shen Wenxuan? ”

“no, i didn’t,” su mu denied it quickly and didn’t want to talk nonsense with him. he took out the key and started to open the door.

the door opened, but he grabbed her hand. it was a little unsightly to pull and pull.

And all of this was seen by ye Jie. The little person was wearing a small white bathrobe and looking at them.

He remembered that mommy went downstairs to take out the trash. Why is daddy here, Yingluo?

Ye xiangnan soon let go of su mu, walked over, and picked up ye Xun. “You’re not sleeping yet?”

“i can’t sleep,” ye cha said in a low voice.

“daddy, can you tell me a story?” ye xiangnan smiled.

Ye Jie felt that they were not that close, but he was a child after all. When he thought of the warmth from before, he was a little fascinated and hesitant.

Ye xiangnan carried him and walked towards the small bedroom.

Ye Xun's bed was only 1.2 meters long. Although it was simple, the entire room was clean and tidy. Even the blanket and pillow smelled like the sun, so loose that it made people feel comfortable.

when the two of them laid down, they already occupied the entire bed.

ye jie was stuffed into the quilt, only showing her small head. she was resisting and yearning.

He was in a difficult position.

ye xiang was lying on the south side, holding the little guy with the quilt and telling the story in a low voice.

After talking about Snow White and Cinderella, Xiao Ye Jie finally couldn't help but say, "dad, i'm not a little girl."

Chapter 4935: Missed, missed 2000 words

ye xiang was lying on the south side, holding the little guy with the quilt and telling the story in a low voice.

after talking about snow white and cinderella, xiao ye jie finally couldn't help but say, "Dad, I'm not a little girl."

"then what story do you want to hear?" ye xiangnan lowered his head.

"SpongeBob SquarePants, can daddy do it?" ye cha's little face was filled with anticipation.

Ye xiangnan looked at his son and coughed, "Of course you can."

He took out his phone and searched on Baidu. After a while, he began to tell ye Jie.

...

Ye Jie probably loved to hear it and felt very satisfied, so she fell asleep in a while.

ye xiangnan looked at his little face in silence. after a while, he raised his head and saw su mu at the door.

“He’s asleep.” Ye xiangnan said in a low voice.

it was probably because he hadn’t spent time with ye jie for a long time that his heart had softened.

su mu nodded, ” thank you. ”

However, he didn’t move away, probably waiting to see the guest out.

“Do you have any extra blankets?” ye xiangnan asked without thinking.

su mu was stunned for a moment.

“Or do you want me to sleep in your room and share the bed with you?” ye xiangnan frowned.

Su mu turned around and left. After a while, she came back with a blanket and put it by his hand.

“i’ll take a shower first,” ye xiangnan stood up.

su mu stood there for a long time before he repeated, ” “Shower? Didn’t you want to sleep?”

ye xiangnan was already in front of her. he leaned against her, lowered his head, and murmured in a soft voice, which was not necessarily a kind of malicious teasing, ” “Don’t you take a shower before you sleep?”

blocked by him, su mu finally said in a low voice after a long time, ” “Okay, but your pajamas aren’t here.”

ye xiangnan looked at her, didn’t say anything, and dashed into the bathroom.

The bathroom was very small. In his eyes, it was only the size of his palm.

She took a shower and opened the door of the bathroom. Su mu was at the door.

He was drying his hair with a towel as his gaze fell on her face.

Su mu turned his face away.

her face was a little hot.

ye xiangnan threw the towel on her head and snorted, ” “It’s not like I haven’t seen it before, there’s no need to make such a big fuss.”

Su mu pulled off the towel and glared at him.

ye xiangnan smiled and went to the window in the small living room with a pack of cigarettes and a lighter in his hand.

He opened the window and stood there, smoking two sticks silently. Su mu couldn’t help but say, ” ye xiangnan, don’t smoke here.

“The window is open.” He turned his head.

There will be a taste. su mu bit his lower lip.

As she spoke, she coughed lightly.

ye xiangnan looked at her in silence. in the end, he put out the cigarette without saying anything.

"I'm sleeping." "Su mu, you're really stubborn and bad-tempered," he suddenly said after taking a glance at her.

she didn't answer and just watched him walk into ye jie's bedroom.

Ye xiangnan turned around at the door and sneered, " "You're afraid that I won't sleep here and that I'll have to squeeze with you?"

"No." "But I'm just afraid that I'll make Mr. Ye feel wronged," su mu said quietly.

this form of address really pulled their relationship a lot further apart. there was a sense of alienation, but it was also deliberately to avoid suspicion.

Ye xiangnan looked at her. there's no one else here. You don't have to do this.

su mu didn't say anything. for her, he was just an outsider.

Ye xiangnan didn't close the door and lay down beside ye Jie. The bed was indeed small, and it was difficult to turn over.

Su mu thought for a while and said in a low voice, " why don't you go back? you might not be used to this place.

ye xiang, who was lying in nanping, glanced at her. "you don't have to go to work tomorrow, and you don't have to wake up early?"

"i have an afternoon shift." She said in a low voice.

ye xiangnan said lightly, " then let's send ye jie to school together tomorrow morning. by the way, you have noodles for breakfast, right? mushroom chicken noodles are ready. it was quite delicious last time. "

Su mu glanced at him and said, you're here just for a bowl of noodles.

she had an impulse to tell him to finish the next bowl of noodles and get lost, but her mind told her that it was dangerous to say that.

“to keep my son company,” ye xiangnan chuckled.

as he spoke, he leaned over and kissed xiao ye jie gently. in addition to his current appearance and the fact that he was in such a simple and crude place, he looked very much like an ordinary father.

Su mu looked on quietly with a faint smile on his face.

she didn’t even know how gentle her expression was, but ye xiang nanyi caught it when he looked up.

He stared at her attentively for a while. Su mu seemed to have noticed it, so he put away his expression and moved back a little.

it was probably because he was there, so she dragged it until very late to take a shower. she was very tired after a long day and had all sorts of things to do.

su mu was in a deep sleep, but he woke up in the middle of the night.

it was raining outside. the raindrops hit the window, adding a touch of profoundness to qiu ping.

su mu opened his eyes for a while and felt a slight chill. when she got up, she remembered that there was a small window in the living room that was not closed. it was opened when ye xiangnan smoked at night. it was not cold usually, but now it was raining, so it was chilly.

Su mu went out to close the window. After he closed it, he felt that the house was a little warmer. She didn’t put up any defenses and even forgot that there was a man at home.

in the end, she turned around and found ye xiangnan standing behind her.

she was stunned for a moment and only spoke after a long time,”why are you so cowardly?”

“Come and close the window?” ye xiangnan smiled.

She hummed in acknowledgment and wanted to return to her bedroom.

He caught her hand. His hand was warm, while hers was a little cold.

She fell beside him and smelled the faint smell of tobacco on him. She was a little flustered, especially in the middle of the night when a man and a woman were alone.

Especially when they were so close.

you don’t want to get married because you only have Shen Wenxuan in your heart, ” ye xiangnan said in a low voice. are you willing to give up everything? ”

“no.” She struggled out of his hand and wanted to break free, but he didn’t want to let her go. There was nothing she could do.

“no, then what is it for?” “you were fine before he showed up, and you moved to my place,” he said coldly.

Su MU’s eyes opened slightly. it’s Lin Lu, okay? ye xiangnan. You’re so good at distorting the truth.

He took a step forward, and she retreated, her eyes guarded.

she didn’t know what he wanted to do, but he looked particularly dangerous.

However, she was wrong again. He didn’t want to do anything. He just walked forward and said, ” Lin Lu has gone over. If you mind, we won’t have any private dealings in the future.

however, he could not guarantee that there would be no one else. this was the part where su mu felt that he was especially terrible.

“i don’t mind.” she gritted her teeth.

“really? you don’t mind?” He whispered in her ear, ” “tell me, are you not tempted at all? are you with me?”

It was probably a man’s desire to win. He didn’t believe that she didn’t have any feelings for him, not even for his appearance or his wealth.

Chapter 4936: su mu, you’re so hot-tempered 1

su mu widened his eyes and stared at him.

Ye xiangnan’s voice became deeper and deeper, just like the night.

the rain outside the window was still falling, and the droplets on the window glass were particularly clear at this time.

the moment su mu opened his mouth, he found that his voice was a bit soft.”No, I didn’t,”

She bit her lip. I never did.

ye xiangnan’s side profile brushed past her ears. in just a few seconds, su mu felt that his back was covered in cold sweat. it was not a good feeling.

...

ye xiangnan’s eyes locked on her for a long time, and he suddenly smiled. he’s got a backbone, but miss su, a backbone can’t be eaten. You should understand it best right now, right? ”

“so what if you and shen wenxuan like each other? you can’t be together, can you?” she said slowly.

after he finished speaking, he walked past her.

At that moment, su mu was expressionless, but he seemed to be crying on the inside.

Thinking of the South at night, he was right.

She stood there motionlessly until it was late at night and the rain outside the window became heavier. She then returned to her bedroom.

Su mu inevitably slept late in the morning because he had gone to bed too late. It was already seven o'clock when he opened his eyes.

when she got up, the house was quiet. but when she stuck her head out, she saw the two of them sitting in the living room. they looked like they were waiting for breakfast.

Su mu scratched his head. why didn't you call me? "

ye xiangnan glanced at her. " you're sleeping so soundly. if you don't get up soon, i'm going to send ye xun to school myself. "

Su mu immediately went to the washroom to brush his teeth and wash his face. He then changed his clothes.

She quietly ordered two bowls of noodles and brought them to the dining table.

Ye xiangnan sniffed it. It was the same smell, very fragrant.

while eating quietly, he suddenly looked up and asked, " " have you ever stood up for shen wenxuan? "

Ye Jie sold su mu out in her childish voice. uncle Shen has eaten it once.

su mu cast a glance at him. ye jie didn't dare to make a sound and lowered her head to eat her noodles in silence.

ye xiangnan's face darkened. he put down his chopsticks and stopped eating.

Su mu also felt quite speechless. I'm not eating or cleaning.

ye xiangnan lit a cigarette and walked outside. "Come down if you're done, I'll wait in the car."

su mu didn't say anything. ye cha said, "dad, i'll definitely eat fast."

after all, he was still a child, and he still yearned for fatherly love.

ye xiangnan turned around and smiled, but he didn't look at su mu.

su mu sat there and watched ye cha eat his noodles.

Little ye Jie looked up at her mother after a while and said in a low voice, "Mommy, will you marry daddy again?"

su mu shook his head. "no, but ye jie might have to live with your grandparents. they can take better care of you."

as she spoke, her voice was a little choked up and a little reluctant. her fingers ran through his hair gently, feeling that she had let her son down. however, such a choice was painful for su mu, and she knew that it would be even more unfair to ye jie if she didn't make this choice.

after she finished speaking, the little person was stunned for a moment and looked at her eagerly.

"ye jie, don't you like grandma very much?" Su mu said in a low voice, "mommy can also visit you anytime."

ye jie was silent for a while before asking her in a low voice, "mom, will you have other children and not have ye jie anymore?"

"i won't," Su mu hugged him and pressed his face against his cheek. He said softly, "why would I?"

Chapter 4937: su mu, you're so bad-tempered 2

ye jie stopped talking and obediently stayed in her arms.

“Go get your little bag, we’re going to school.” su mu’s voice was a bit hoarse. ” i’ll clean up for you tonight. then, we’ll go to grandma’s place. is that okay? ”

ye jie stared at her, her little face a little tense.

Su mu knew that he was feeling a little conflicted and insecure, so he coaxed him, ” ” if grandma wants me to stay with you for one night, then i’ll stay with ye xun for one night. on saturday and sunday, i’ll bring ye jie home when i’m free, okay? i’ll try my best to move to a bigger house. one day, when i can protect ye jie enough, we’ll live together forever, okay? ”

” oh, ” ye cha replied and lowered his head, but he still felt a little dejected.

su mu rubbed his hair again and smiled warmly.

...

Ye Jie put her small shoulders on her shoulders and went to her room to get her small schoolbag. She carried it on her back. mom, I’m done.

su mu adjusted his posture for him and then squatted down. ” “little man, why are you so listless? you can’t do that.”

Ye Xun looked at her. His expression was indescribable, but it was more of a helpless one.

Su mu smiled and said nothing. He patted his shoulder and said, ” alright, you may leave.

Ye Jie made an “Oh” sound and obediently went downstairs with her.

When they got out of the car, ye xiangnan had already leaned against the car and smoked two cigarettes. When he saw them coming over, he raised his hand to look at his watch, but he didn't say anything. He opened the door and let ye Jie sit in the back.

when su mu was about to go up, he stopped and raised his eyebrows."Sit beside me, I have something to say to you. Let's talk while we walk."

as he spoke, he opened the door on the passenger side in a very domineering manner.

su mu took a look at him and got into the car without saying anything.

ye xiangnan closed the door, went to the other side, opened the door, and started the car.

It was already getting late.

the car was a little fast, but it didn't stop him from talking to her. he seemed to have thought about it. this nursery will last until the end of this semester. I'll find him a private school again.

Su mu turned his head. this nursery is good. Ye Cha is used to it.

Ye Cha wanted to say something but stopped.

ye xiangnan's voice was cold. "really? very good, yingluo. do you really think it's good?" You know that all the children of the ye family have been attending elite schools since young and have received the best education. They even have bodyguards when they go in and out. You, Yan Yan ..."

"but he's living with me now, and i have the right to decide on his matters. i don't want him to become someone like you." although it was difficult, su mu still said it.

Ye xiangnan's face suddenly turned a little unsightly. He was silent for a while,"our circle is more complicated than you can imagine. anything can happen. my mom didn't mention it because it's not easy to talk about it. i still need to arrange these things. Even if I get married and have other children in the future, do you really think that it has nothing to do with ye Jie?"

this was also the reason why he wanted to marry su mu. he liked ye xi, and so did the elders in the family. if there were no accidents, he would be the future heir. how could he marry someone else? it would be unfair to give birth to a boy for ye xi. moreover, ye xiangnan did not seem to have such a great desire to get married and have children.

There was a child right there, so why did he need to do anything?

Chapter 4938: Su mu, you're so bad-tempered III

ye xiangnan didn't say anything else. he was just informing su mu about these things. if he really interfered, su mu had no ability to stop it. besides, ye jie would be staying with the ye family most of the time in the future, so it was indeed inappropriate for him to go to an ordinary school.

He stopped talking and focused on driving. They arrived at ye Jie's school in less than ten minutes.

su mu got out of the car and walked to the door with ye cha. then, he reached out his hand and touched ye cha's little head."You have to listen to your teacher, do you understand?"

Ye Jie nodded obediently. goodbye, mommy.

as he spoke, he turned his head and looked in the direction of ye xiang's south.

Ye xiangnan also looked at his son and waved at him.

...

Ye Jie's little face suddenly turned a little red, and then she jumped in.

this was the first time his parents had sent him to school together, and ye jie had always remembered it.

Many years.

su mu stood up and looked at his son for a long time before he returned to the car.

“To the mall?” ye xiangnan tilted his head.

su mu replied with a ” hmm. ” today was her last day of work. wen yuan would arrange for her to attend classes and do some work later.

ye xiangnan drove quietly. in the end, he couldn’t help but take out a cigarette, light it, and roll down the window.

Su mu took a look at him and was a little speechless.

she really thought that he had all the poison in the world.

What a waste of his good looks.

ye xiangnan looked at her and snorted, ” I really don’t know how you managed to survive until now with such a bad temper. You must be very unloved at home, right? ”

As soon as he finished, su mu said in a stiff voice, ” “It’s not your fault.”

Ye xiangnan smiled. He knew that he had touched her sore spot. However, her current situation was more or less related to him. If it wasn’t for ye Jie that night, she might be fine now and married to Shen Wenxuan.

The thought of that possibility made him uncomfortable.

in fact, he clearly did not like her either.

From top to bottom, from inside to outside, there was not a single place that he admired.

Ye xiangnan flicked the cigarette butt away and closed the car door. it’s none of my business, but Qianqian, su mu, you’d better not do anything out of line. You’re ye Xi’s mother, and I don’t want people to point fingers at him in the future.

su mu was a little angry. he said coldly, " ye xiangnan, don't go too far. Don't you know that you're the one who should behave? you're also the one with a messy private life, right? "

who's the person Shen Wenxuan is having an affair with? " he asked in an overbearing manner.

"Never," su mu blurted.

after she finished speaking, she felt a little regretful.

In the small car, even the air was subtle.

Su mu didn't say anything more, and neither did ye xiangnan.

After a long time, she finally opened her mouth. actually, we don't have to cross paths. Mr. Ye, you should be happy with your good conditions.

you're the one who wants to be happy, " he said in a strange tone. it was my mistake to bring ye Jie here. I gave miss su more time to make friends of the opposite sex.

Su mu couldn't bear it anymore. I'm thinking of Nan at night. Don't go too far.

"this is too much?" he snorted coldly. " or did i expose your secret? "

"boring." su mu turned his head and ignored him.

Ye xiangnan didn't pay any more attention to her, and he felt like he was being awkward.

The car drove on for a while before they arrived at her workplace.

when su mu opened the door and was about to get out of the car, ye xiangnan suddenly said, " Qin yihuan is getting married today, ran ran. I'm already qualified to be happy.

when su mu opened the door and was about to get out of the car, ye xiangnan suddenly said, ” ” qin yihuan is getting married today, ran ran. i'm already qualified to be happy. ”

she had only been with shen wenxuan for a few years, while the girl he had liked for almost twenty years had stopped loving him.

He had waited for so many years for her to regret, but he had not expected to see su mu and a son.

it seemed like he was the one who had a change of heart first.

one of su mu's feet had already stepped out of the car, but he took it back at this moment.

he turned his head and looked at ye xiangnan quietly, saying softly, ” “but you shouldn't have dragged me down with you.”

...

She had given birth to a child for him and was not liked by her parents. However, su mu still had love and expectations for marriage.

Even if it wasn't Shen Wenxuan, she felt that she would meet someone suitable one day. If it wasn't him, she wouldn't make do with it. It was good to be alone. She didn't need to be involved in ye xiangnan's life.

He was rich, but at the same time, he had a lot of shortcomings. Su mu could not stand being disrespected.

ye xiangnan frowned and suddenly laughed. he looked her up and down and then said, ” “It's as if you'll find happiness if I let you go. You're so confident.”

He paused for a moment, as if he had just remembered something. "i almost forgot about shen wenxuan. he's been waiting for you. have you two agreed to get married when you're both successful? "

Su mu didn't say anything when he said that.

Ye xiangnan's face darkened, knowing that he had guessed correctly.

she snorted coldly. " you'd better not have such thoughts. a marriage without blessings will not be happy. think about his family. how can he be happy? "

besides, she was the one who gave birth to ye jie, and her affair with the ye family was a label that she would never be able to tear off in her life.

a family like the shen family didn't have many vases, but they would shake them very loudly and would be particularly concerned about their face.

su mu probably had not seen shen wenyuan's true colors yet. shen wenyuan's dilemma was only the beginning. it was nothing much. besides, nothing had happened between su mu and shen wenxuan. if they were determined to be together, the shen family would be determined to break them up. ye xiangnan was well aware of this. he had seen too many of such things.

Su MU's only reply was a light snort and he could not be bothered with him anymore.

ye looked at nan zhi and did not say anything more. he closed the door and drove away quickly.

Su mu stood there for a while before he went to his counter.

along the way, countless eyes were fixed on her, which made su mu a little uncomfortable.

when she arrived at her counter, she was just like before, arranging the goods and moving them up and down, just like before.

The store manager came over and touched her shoulder. "i heard that wanwan came in a luxury car and was recognized as mr. ye's car. tell me quickly, have you made up with mr. ye? when is the wedding? don't forget to invite me. let me see what the upper class is like."

Su mu shook his head. no, I'm not going to marry him. We're just sending our children to school.

"Send the child to school together?" the store manager's expression was somewhat thought-provoking. "So you spent the night together? i didn't expect him to be so fast."

"i really didn't. he slept with ye xun." "i'm not marrying into the ye family," su mu said softly. "it's impossible now and impossible in the future."

"Then why did you resign?" the manager asked.

su mu thought for a while and then said, "i want to go back to study. ye zhenzhen and the others will help me take care of her. i've also thought about it. i want to continue to finish my studies."

the store manager nodded in understanding. "that's true. it's good to read more books. you're still young and smart. it's a pity that you've been staying here. if you have a chance, you should seize it. don't be so stupid, understand?"

"thank you, sister chen," su mu smiled.

The store manager was a very nice person. He smiled again."In the future, when you earn money, come and help us with our business. I'll give you a discount."

su mu agreed. then, the two of them worked together.

...

In fact, su mu liked the work here. It was fulfilling and the manager was nice to her.

He was somewhat reluctant to leave.

She also knew that others were talking about her behind her back, talking about her relationship with the ye family, but she didn't explain.

She didn't need to explain anything to others. She was responsible for her own life. If others couldn't bear it for her, she didn't need to explain it to others.

this continued until the afternoon. at about one o'clock, she received a call from the nursery.

the other party's voice sounded anxious. "are you ye jie's mother? i'm ye jie's teacher. ye jie just had a conflict with a child and broke the other party's head. come and deal with it."

The young teacher lowered her voice again. the other party's mother isn't someone to be trifled with. So, you should lower your stance later and minimize the matter. It's not good for our nursery if this matter is exposed.

Su mu felt that her attitude was ambiguous, but she was very worried about ye Jie at the moment, so she didn't argue with him and directly asked for leave. She also felt bad. After all, this happened on her last day at work.

the store manager was very reasonable and pushed her. "hurry up and go. Don't let the child wait. He must be very scared now.

Su mu went there immediately without changing his work clothes.

he usually couldn't bear to take a taxi, but now he directly hailed a taxi to the nursery.

Twenty minutes later, the car arrived at the entrance of the nursery.

a young female teacher was already waiting for her. seeing su mu get off the car, she walked up to him and said, "it's like this, ye jie's mother. the other party's child is called wu xiaolei. he usually plays well with ye jie. i don't know why ye jie suddenly fought with him today. when we arrived, the other party's child's head was injured. his mother is very difficult to deal with, so you have to be careful."

su mu looked at the young teacher and asked softly, ” “is ye xi alright?”

the teacher was stunned for a moment. then she said, ” ye jie is fine. she’s just in a bad mood. all children are like this when they fight. ”

Su MU’s steps were a little hurried. then how did they start fighting? ”

the female teacher’s expression was somewhat thought-provoking as she looked straight at su mu.

su mu looked at her and probably guessed it.

her heart ached, not for herself, but for ye jie.

ye jie must have been bullied in the nursery for that reason. in fact, ye jie had told her once, but she didn’t take it to heart. instead, she comforted ye jie and asked him to be patient.

She had always thought that she could take good care of ye Jie, but it might not be the case.

Su MU’s footsteps suddenly stopped. He took out his phone and dialed a number with slightly trembling fingers.

It was ye xiangnan’s phone.

On the other side, ye xiangnan was in a meeting. Suddenly, the phone on the table rang.
