

## Thank you 4941

Chapter 4941: I am ye Jie's father (1)

On the other side, ye xiangnan was in a meeting. Suddenly, the phone on the table rang.

He frowned and looked down. It was su mu.

While he was still in a daze, his Secretary reminded him that one of the higher-ups had asked him a question. Ye xiangnan raised his hand and said, " " vice president li, you can continue to preside over the meeting. i'll take a call and may go out for a while. "

answer a phone call?

And Vice President li was the host?

why couldn't anyone understand this operation?

...

however, their president ye had already walked out. in the corridor, he asked su mu what was the matter.

"it was ye jie. she broke a classmate's head a little at school." su mu's voice was slightly hoarse.

ye xiangnan immediately asked,"where's ye jie?" Is he alright?"

"i haven't seen him yet. his teacher said he's fine." Su MU's voice trembled slightly.

ye xiangnan quickly made a decision."go and see ye jie first, i'll be there soon."

he paused for a moment. " i'll handle this matter. don't get into a conflict. "

He hung up the phone and drove over with his Secretary.

On the other side, su mu followed the female teacher to the nursery. Her parents had already arrived. Their jewelry made the simple and clean space look shabby, not to mention su MU's work clothes.

the director of the nursery came in person and kept consoling the rich lady. " i'm really sorry. the playfulness between children has already been reconciled. do you think we can forget about this matter and ask ye jie's parents to pay for his medical expenses and apologize? the two children still have to get along in the future, right? "

When su mu entered, the director nodded politely. However, it was obvious that he was not as warm as he was to the rich lady. Su mu could understand this. After all, she had experienced the fickleness of human nature over the years.

His family was already in such a state, let alone outsiders.

She quietly apologized to the chubby woman and said that she would pay for the medical expenses.

The director also agreed to settle it peacefully.

That woman squinted at su mu and sized him up with her shrewd eyes. Then, she snorted disdainfully. you're so humble. Maybe people at your level are all like that, Mama ye. You pretend to be pitiful, but who knows what you'll do behind your back. There are too many people like you.

"that's one thing." " i don't think it's up to others to judge me, " su mu said coldly.

the woman laughed a little exaggeratedly and said to the headmaster and ye jie's teacher, " "Look, she still has the face to refute. She got pregnant before marriage, she doesn't have a husband, and ye Jie doesn't have a father. So what if my son said a few words of truth? I'm telling you, if your child doesn't kneel down and apologize to my child, I won't let you off. I'll Sue you and let everyone see what it means to be shameless and have a crooked shadow."

the more the woman spoke, the more arrogant she became. the director and the teacher looked at each other. actually, they knew that she was being unreasonable, but the other party was really quite

rich and not easy to deal with. they heard that her father-in-law was someone who grew up with something, so it was even more difficult to deal with.

The director weighed the pros and cons repeatedly. teacher Wang, bring ye Jie over and apologize. Then, we'll let this matter go.

#### Chapter 4942: i'm ye jie's father 2

she turned her head again and looked at su mu. " ye xi's mother, i can see that you're not doing well financially. let's discuss it. ye xi will apologize and the nursery will bear the medical expenses. what do you think? "

she felt that, given su mu's current situation, he should be more practical. after all, the examination fee and the medical fee were more than a thousand yuan. he was just a child. apologizing was like playing house and he would forget it in a few days.

Su mu had seen the true colors of this nursery. Before he could say anything, teacher Wang had brought ye Jie over.

Ye Jie was not in a good mood. She came over and threw herself into su MU's arms. She called her mother in a low voice and apologized like a kitten.

su mu stretched out his hand and touched his little head. " it's alright, ye jie. what happened? "

Ye Jie's small face was tense and embarrassed, and there were many tears in her eyes.

...

He bit his lips and said after a long while, " "he said that i don't have a father and that i'm an illegitimate child."

After saying that, he felt very embarrassed.

Su MU's heart ached and he patted him. "how could that be? didn't daddy send you to school this morning? Our ye Jie has a father."

The woman waited for a long time, and when she heard this, she couldn't help but snort softly. "who are you lying to? where did he get a father from? everyone in the class has heard that he's a wild child. no one has seen his father."

the director and teacher wang both looked at su mu with some contempt in their eyes.

Su mu stood straight and said to the woman, " "apologize! In addition, I will compensate for your child's medical expenses. If you want to Sue or do whatever, apologize to ye Jie first."

the woman seemed to have been stabbed by something. she jumped up and her chubby body trembled. she pointed at su mu with her chubby fingers. there was a big gold bracelet and three big gemstone rings on her hands.

"what's wrong with you? your son hit my son, and you still want my son to apologize to your son? how can you be so shameless? I'm telling you, I'm going to kill you and f \* ck your son to death. I'm going to make sure you can't survive in B city. There's no place for your son to study and no school will dare to accept him. I'm telling you, I'm just this unreasonable." The woman's face was twisted with anger. The fat on her face trembled, and she couldn't bear to look at it.

The director and teacher Wang wanted su mu to compromise. They did not want to be implicated either.

ye jie, on the other hand, buried her face in her mother's arms, still a little scared.

But at this moment, a shadow at the door blocked the light, and then a voice said, " " who do you want to kill? who do you want to make it so that they can't live in B city? i've never known anyone else in B city who can kill the ye family. "

ye xiangnan walked in as soon as he finished speaking.

he was in a formal suit for the meeting today. his shirt was as white as snow, and his suit was even more well-ironed. the cufflinks were probably made of diamonds, and they were shiny and looked especially good.

The director was stunned.

Teacher Wang was stunned.

the woman who was dressed in jewelry was also stunned.

it was too good looking.

Was this the real person?

he was like a statue.

he was tall, handsome, and noble.

She was even better looking than male celebrities and had a more noble temperament.

As for what he had said, everyone had forgotten.

Just as everyone was stunned, ye Jie cried and threw herself into his arms, crying out, "daddy."

daddy

everyone was stunned again.

He's Yingluo, he's Ye Jie's father?

And what did he just say about the ye family's Yan Yan, ye Jie, also having the surname ye?

This man looks so familiar, Yingluo thought again.

Chapter 4943: i am ye jie's father (3)

Teacher Wang suddenly realized that this was the CEO of Starlight.

This background was not the most impressive one. Ye Mu Lin should know about it, right? that person had just retired not long ago, so who did he give all his connections to?

the wen family's new leader.

Who was that?

he was ye xiangnan's youngest uncle. he doted on ye xiangnan the most and was also wen yuan's younger brother.

Teacher Wang's face turned pale from fear and she immediately whispered a few words to the director.

...

The director didn't expect that there would be a Star of South Africa in a public clinic like theirs.

didn't they say that children from rich families all studied in private schools? why was she here? sigh, she was really doomed.

The director wanted to smooth things over, but she was not in a position to speak. Ye xiangnan's Secretary was extremely capable. She smiled and said a few words when she saw the commotion. With a few words, the situation was under control. The director was in a very passive position and had no right to speak at all.

Ye xiangnan patted his son in his arms and comforted him in a low voice, " "little man, why do you cry so easily? What did they say about you? you don't have a father?"

Ye Cha nodded with tears in her eyes.

When he looked up, his little face was almost the same as ye xiangnan's. Teacher Wang hated that she was blind. Why didn't she see it before?

"so you hit him?" ye xiangnan sneered.

Ye Cha nodded pitifully.

the rich woman seemed to have caught something on him and suddenly shouted, " "You heard that? he hit my son first. he was the one who started it. "

"Your son, did he fight back?" Ye xiangnan interrupted her impatiently.

the woman was stunned for a moment and mumbled, " "Anyway, my son was injured."

Ye xiangnan sneered, " that's because he's useless. He's a hundred pounds and can't even fight. If I were his parent, I'd be so embarrassed. Kneel? who told you that the ye family members have to kneel to others? do you want me to kneel to you? "

The garden manager was frightened when he heard this.

the woman was also scared, but when she thought of her father-in-law's high position and power, she instantly found her courage. anyway, your child can forget about going to school here, Yingluo. I'll have ye Jie expelled.

"of course we won't fight here, but before we leave, i'd like to see who will be fired first," ye xiangnan said in a cold voice. then he turned to look at the secretary and whispered a few words.

In this short period of time, the director's heart was trembling with fear.

the woman was also making a phone call, crying to her father-in-law and asking him to kill the other party.

The director was helpless and kept saying good things to ye xiangnan, but ye xiangnan wouldn't pay attention to her. In the end, she could only beg su mu. Su mu was not a soft-spoken person, so he didn't say anything.

two or three minutes later, secretary li hung up the phone and said to ye xiangnan, "There's a reply. The director here needs to be changed, and Yingluo too."

she smiled. it was a young and beautiful smile, but there was a trace of cruelty that had been trained in the business world. "i heard that the person has a high position, but he has been tyrannical for a long time, so i have to investigate."

Ye xiangnan nodded and left with his son.

after a few steps, he turned around and looked at su mu. "Why aren't you leaving? are you staying for dinner?"

su mu was stunned for a moment.

Secretary li was a smart person. He immediately stepped forward and smiled."The matter has been resolved. It was just a fight between children."

She said it so casually that the director was about to faint ...

Chapter 4944: I am ye Jie's father (4)

She said it so casually that the director was about to faint ...

Yes, it was a fight between children, but it had caused her to lose her job. Also, the rich Madam's family was probably even more miserable than hers. The investigation would probably be conducted, and the jewelry in her hands would probably be confiscated.

she hated him to death. he couldn't keep a low profile. he made people kneel down so easily. he had attracted the god of plague and killed her.

The principal was in a daze, and teacher Wang was not any better. Only the woman was still confused about the situation and kept asking.

The director waved his hand and said, "you've offended no ordinary person. The most popular family in B city right now is the Qin family and the Wen family. This person is the most doted on by both families, the CEO of Starlight. Don't you understand?"

it was really funny that he squinted. you even wanted someone else's child to be given to your son. how big of a face do you have?

...

the director didn't want to say anymore. she had to go and pack her things.

the rich woman was stunned and did not come back to her senses for a long time. just then, her son asked her, "mom, is ye jie not going to apologize to me?"

The woman returned to her senses and gave him a big slap. "apologize, apologize. you only know how to cause trouble. great, if your grandfather is investigated, we'll all be out of food."

in the child's heart, didn't you say that you wanted people to kneel down?

On the other side, su mu followed ye xiangnan to the car. To her surprise, ye xiangnan let her drive and got into the back seat himself, carrying ye Jie in his hand.

the secretary sat in the front passenger seat. she was only about 27 or 28 years old. to be able to get to this position, she was very smart and knew how to stand on sides. today, she could see that president ye might not like miss su very much, but he was very protective of her. there was a kind of relationship where he could bully her, but others would not allow it.

as for her son, ye jie, there was nothing to say about it. lin lu was still unwilling to give up because this son was sent abroad. in fact, the situation was very stable now. since ancient times, a mother's status was higher because of her son.

as long as su mu didn't play any tricks, this mrs. ye was still very stable.

Look at ye Jie's looks. She's so good looking. She's 100% inherited from President ye.

the one chosen by heaven!

"president ye, are we going back to the company now?" secretary li whispered.

ye xiangnan held his son and said, "Let's go to the hospital,"

Secretary li spoke like a voice transmitter, "Miss su, go to the hospital."

At this moment, ye Cha spoke like a kitten, "dad, i'm fine."

"You're fine after fighting?" "Let's go take a look," ye xiangnan snorted.

"oh," ye jie replied. at this moment, secretary li made his own decision. "miss su, let's go to shengyuan hospital."

sheng yuan had always been the tang family's business, and it had an inseparable relationship with the qin family.

Su mu knew about this. She paused for a moment before she remembered."tonight. if you don't have something to do, mr. ye, i'll take ye xun there."

it's just a check-up. It won't take much time. Come with me after we're done. "It's just a meal," ye xiangnan said casually,"you don't need to worry too much about it."

He was going to take ye Xun there. He should let ye Xun show his face in a formal occasion. Otherwise, it would be like today, where any Tom, Dick, or Harry could bully his son.

Su mu didn't say anything, but it didn't mean that she would go.

When the car arrived at the hospital, Secretary li disappeared after helping to find a familiar doctor. There was no need for her to be stuck in the middle of the family of three.

Chapter 4945: Is this a parent-teacher meeting? 1

secretary li was a very understanding person.

Her boss was extremely handsome, but he was really not her type. She just wanted to do her job, suck up to him, earn money, and be beautiful on her own. She wouldn't take things too hard and become a third party or fourth party. What good would that Lin Lu do?

She understood President ye. It was possible to be vague between a wife and a woman, but with such a son, an outside woman would always be an outside woman. She would never be able to show her face.

Secretary li left. Su mu didn't find out until later, but she didn't say anything.

After checking on ye Jie, he found that the little guy was fine. When he went out, it was already five o'clock in the afternoon. It was a time where he could neither go up nor down, but it was a wonderful time to eat.

su mu checked the time and then said softly, " "then i'll bring ye jie back first. qianqian, take down the luggage and you can take it."

...

She was probably asking him to take ye Jie away.

Little ye Jie was a little nervous in an instant. Her little face was tense and she did not speak.

This time, it was ye xiangnan who was driving. He adjusted his sitting position, then looked at the rearview mirror and said in a low voice, ” “Let’s go to the wedding banquet first.”

“I’m not going,” su mu said without thinking.

“it’s just in passing, not on purpose.” He was very calm. Then, he turned his head and looked at su mu.

Su mu didn’t say anything, but ye Jie in his arms was still a little scared after what had happened today. He tugged at her clothes, obviously wanting her to accompany him.

Su mu didn’t object anymore. Ye xiangnan’s car drove to a studio.

The car stopped. Su mu bit his lower lip. there’s no need for such a grand ceremony.

ye looked at nan zhi and said,’why? do you still want to go over in your work uniform?

Su mu didn’t say anything.

Ye xiangnan unbuckled his seat belt, got out of the car, and carried him into the luxurious studio.

secretary li had already made an appointment. the manager would personally receive them as soon as they entered. since the restaurant was closed, they were the only ones to receive.

ye xiangnan sat on the sofa, casually flipped through a magazine, and said, ” “Go and buy a set meal for children.”

the manager was stunned for a moment, then he smiled and instructed the shop assistant to buy it.

She was good at reading people’s expressions. Since ye Jie was there and su mu was dressed like a shopping guide, she thought that su mu must be the rumored Cinderella. Therefore, she put on the most professional smile and said considerately, ” Secretary Li said that Mrs. Ye is accompanying Mr. Ye to a dinner party, so we have a suggestion. Everything should be minimalistic. It won’t steal the bride’s limelight and it will look simple and Grand. What do you think, Mrs. Ye? ”

due to su mu's family background, he could not deal with such a professional manager. moreover, she was not one, so she said in a low voice, "I'm sorry, I'm not Yingluo."

"not what?" xiang nan interrupted her.

Su mu immediately retracted his voice. Although he did, how could the manager not know what she wanted to say? he was really silly.

Mr. Ye brought her here and wanted to attend the wedding of the high society together. His meaning couldn't be more obvious. Even if she wasn't Yingluo, she was.

She didn't mind that it was temporary. Anyway, she had to serve this person well, so she chose it herself. As for little ye Jie, it was easy to talk about. She directly chose a gown for the logistics. The little guy was particularly handsome and should be the most beautiful child at the scene.

and it was super expensive.

Chapter 4946: is this a parent-teacher meeting? 2

as for su mu, the manager personally styled him. he adjusted a simple black dress with a small v-neck and matched it with a pair of high-heeled shoes of the same color. as for the jewelry, it was just a pair of pearl pendants. she was also a young lady, and her entire temperament suddenly became gentle.

Ye xiangnan gave her a handbag. The manager smiled. Mr. Ye, you really have good taste. This is little Xiang's new 19 this year. Many celebrities are using it. It's especially suitable for Mrs. Ye.

She put on some light makeup for su mu and then pressed on su MU's shoulder. Mrs. Ye's bones are quite good. Sheng da is slimmer, so it's better for her to have an air about her in the future.

after he finished speaking, he raised his eyes and said with a bit of flattery, "what do you think, mr. ye?"

Ye xiangnan had been sitting on the sofa and waiting while ye Jie was gnawing on something. When she heard the manager, she looked up and said, ” “Mommy is so pretty.”

ye xiangnan stood up, walked over to have a look, and smiled.”I can still take a look.”

...

The manager was quite ... But thinking about it, Mr. Ye’s background was obvious and he ran an entertainment company himself. He had seen many beauties. Mrs. Ye’s appearance was indeed a little ordinary, but ...

The manager still emphasized repeatedly,”but Mrs. Ye’s temperament is really good. She’s very suitable for this.”

Ye xiangnan smiled and didn’t say anything.

Su mu didn’t say anything either, feeling quite uncomfortable.

she also knew that although this outfit was not haute couture, it was not cheap either, so she was a little uneasy.

” i’ll take this one, ” ye xiangnan said. ” it’s pretty good. ”

the manager heaved a sigh of relief and said politely, ” “That night, I always pay by card or by the bill.”

ye xiangnan always needed a female companion for some occasions, and he would settle the bill at starlight. but this time was different, so the manager asked more.

ye xiangnan took out his card and said in a low voice, ” “i’ll pay,”

He swiped his card and found that the total amount was less than 100000 Yuan. Sometimes, he couldn’t even buy a simple piece of jewelry in the circle of rich ladies. However, it was just as the

manager had said. Su mu was very suitable for this kind of jewelry. He really looked very fresh and elegant.

Ye Jie had also changed her clothes. She looked like a noble Little Prince, probably because of her bloodline.

in the car, ye xiangnan's voice was quite calm. " sit with me later. don't answer questions you don't want to answer. no one can do anything to you. "

This was equivalent to saying that he could offend anyone he wanted. It was quite frivolous, but it was very natural for ye xiangnan to say it.

Su mu was sitting beside him at his request.

"Actually, you could have brought Secretary li along," she suddenly asked.

Ye xiangnan, who was driving, turned his head and frowned."You want me to bring my Secretary along to a private occasion?"

I'm even more unsuitable, " she explained in a low voice.

Ye xiangnan smiled gently. ye Jie must go. If I bring another person with me, others will think that I found a stepmother for ye Jie.

su mu was speechless. after a long while, he looked out of the window again.

she did not want to go to such an occasion.

Because it was after work and it was the weekend, the traffic was quite serious. It was almost eight o'clock when they arrived at the hotel.

it was held at the GM hotel, the largest and most luxurious place in B city. furthermore, it was a chinese banquet.

shen ting and qin yihuan got married so soon because they heard that qin yihuan was pregnant and had lost her life before she could even go to Italy. qin mo and he huan were quite helpless. after some discussion, they decided to get married. as for the plan to go to italy, they did not delay it. after all, shen ting had to go out for work later.

#### Chapter 4947: Is this a parent-teacher meeting?(3)

When they arrived at the hotel, they saw the newlyweds. Ye xiangnan, Qin yihuan, and Shen ting were sitting together. Naturally, they attracted a lot of attention. After all, their relationship had been maintained for many years.

Now, the female lead and her childhood sweetheart were married, but the nightclub did not fall behind either. They had even brought their wife and son.

mrs. ye looked quite ordinary. her looks were not particularly outstanding, but she had a good temperament.

she looked a little like the famous model du juan, cold and thin.

Ye xiangnan handed over the gift. It was a set of jewelry, and the box looked very expensive. Shen ting accepted it on behalf of ye xiangnan, and the two of them exchanged a few words. They were quite friendly.

after all, it was a public event, and the big shots were all concerned about their reputation.

...

Su mu was a little surprised. In her impression, ye xiangnan had a bad temper. However, he was so graceful in such an occasion that he showed no trace of restraint.

as she was thinking, qin yihuan was looking at her while su mu gave her a smile.

She didn't plan to do anything. After tonight, they wouldn't see each other again. She didn't need to apologize or please ye xiangnan. She just needed to deal with the situation tonight.

Later on, ye xiangnan brought her and ye Jie to a table where Wen Yuan and ye Mubai were.

moreover, the elders of the ye family were also present. apart from ye mulin, bai sulli, ye zhenggang, su fu, and su fu's husband were all in the same frame. it was quite a fantasy.

Su MU's heart skipped a beat. He suddenly had a feeling that he was meeting the elder.

she sat down uneasily, and just as she did so, ye zhenggang snorted, " "i heard that he has a bad temper."

Su MU's eyelids twitched.

Wen Yuan immediately tried to smooth things over and said with a smile, " "ye xiangnan, i'm talking to you."

Ye xiangnan glanced at su mu with a faint smile.

Su mu felt even more uncomfortable, especially now that she was sitting beside him. Almost everyone at the table was from the ye family, young and old, looking at her with a special kind of caring look.

There were also people from other tables who were also secretly looking over. She was a little speechless.

She wanted to escape, but there was nowhere to run. She was being roasted alive here. Before the banquet even started, everyone at the table was staring at her.

"Why are you all looking at su mu?" ye xiangnan smiled.

at this moment, su fu took a box and handed it over. his voice was gentle. " i heard that you were coming, so i prepared a small gift for you. it's a meeting gift. "

Su mu felt that it was inappropriate, but on such an occasion, she really didn't know whether to accept it or not. She felt like she was riding a Tiger and couldn't back down.

ye xiangnan accepted it on her behalf. " thank grandma. "

Su mu could not be impolite, so he added, " "Thank you, grandma su,"

su fu smiled and did not make things difficult for her.

she quite liked su mu. she admired him just because he refused to get married. she knew ye xiangnan's temper well. he was probably too proud since he was young. he was actually a good kid, but yingluo was also a guy who valued looks.

Su mu would definitely be at a disadvantage. Although they were not getting married yet, she still prepared a gift.

As for ye Jie, he would have plenty of opportunities to dote on her in the future.

Su Fu was already very old and had a head of silver hair. However, even in his old age, he still had a very special temperament and was especially loving with his teacher.

this made ye zhenggang very uncomfortable, very uncomfortable, and very jealous. he had waited for many years for his old subordinate to leave so that he would have a chance to spend the rest of his life with su fubai. however, that old man would never die.

he had no other choice.

Chapter 4948: Is this a parent-teacher meeting?(4)

Now that she saw su Fu being so gentle and polite, her heart was in a mess.

ye zhenggang had the worst temper, and he was feeling uncomfortable at this moment. since he couldn't do anything to his peers, he vented his anger on the younger generation. " the child in her belly is already married. why isn't your child married yet? "

how could ye xiangnan not know what ye zhenggang was thinking? he laid out the napkin and replied lazily, " "it's because the child is big now that i'm not in such a hurry."

Ye zhenggang glared at su mu and said,"What about you, girl? aren't you in a hurry?"

To be honest, the old man did not think much of su mu. Even today, he could barely see su mu. How could he be worthy of his precious grandson? he was so handsome and wise. Which girl in the upper-class society would not want to marry him?

if it were not for the little cutie ye jie, he would not have admitted that such an ordinary woman was his granddaughter-in-law.

...

just as ye zheng finished his sentence, su mu smiled politely. " "Mr. Ye and I don't plan to get married."

mr. ye?

No plans?

ye zhenggang blew his beard and glared at su mu. however, he had no choice as su mu didn't buy it.

in fact, he was too impatient. who here didn't know the relationship between su mu and ye xiangnan?

He was the one who was in a hurry.

Besides, Xiang Nan's attitude was clear enough since he had brought su mu here. It was still the same meaning.

as expected, ye xiangnan's voice was calm."Grandpa, let's talk about this later."

Su mu looked at him, not understanding what he meant.

Ye xiangnan smiled. It was exactly what she thought.

however, he did not show it.

as the entire ye family was sitting together, their focus was on su mu and ye jie. therefore, the progress of the wedding was not very important. however, ye xiangnan had drunk a little. although he was not drunk, those close to him could tell that he was not in a good mood.

Wen Yuanming reminded him secretly, feeling a little helpless.

su mu was still here, so he should at least give him some face and not let him feel that he was still pretending to be happy, especially when they really had no emotional foundation. not only this son, but even su mu didn't care about him.

wen yuan was impressed that their relationship had developed to such an extent.

Everyone present was smart enough to tell that this pair of people who looked like they were about to get married actually disliked each other. Xiang Nan didn't have that intention, and su mu wasn't moved either.

especially when he heard that su mu had a relationship with a young talent from starlight's legal team. this was a blow to the proud president ye. he was even worse than a subordinate.

However, love was like this. It didn't distinguish who came first, and it didn't care about who was better. Besides, he didn't like her, so why would she like him?

Ye xiangnan had drunk a lot, so he couldn't drive. Ye Cha and su mu were both there.

The other members of the ye family pretended not to see him and left him to his own devices.

in fact, he was throwing it to su mu in disguise.

tomorrow was a saturday, and it was still early.

wen yuan took ye jie away and sincerely asked su mu to send ye xiangnan back. su mu did not know whether to laugh or cry because ye xun's things were still with her. however, it was getting late and she could not disturb wen yuan and the others 'rest.

ye hui winked at her, ” “I'll leave my brother to you, Yingluo.”

#### Chapter 4949: President ye full of obscenities (1)

at the entrance of the hotel, the night was a little cold. su mu watched helplessly as the ye family took ye jie away. their intention to make peace was quite obvious.

However, there was one person who wasn't too happy, and that was ye zhenggang.

Ye zhenggang was getting old, but the older he got, the weirder he became. He was probably still a little disgusted by su mu because of aunt Wang's matter. He felt that su mu had stolen his precious cabbage.

Ye zhenggang snorted and glared at su mu. “Dali, seize the opportunity. Opportunities don't come every day.”

su mu was speechless, but there was nothing he could do.

Ye xiangnan chuckled and didn't mind. He said a few words to ye zhenggang and got into the car.

...

su mu really didn't know what he meant, but he didn't want to ask.

She closed the car door and nodded at ye zhenggang.

ye zhenggang's expression was subtle, and su mu felt a sense of shame in his heart. she followed him into the car and fastened her seatbelt.

Ye xiangnan seemed to have drunk a lot. He closed his eyes and leaned his head against the back of the car.

When su mu came up, he just turned his head and knocked on the front. "send me back to the villa."

he was quite impolite. he either treated her as a driver or treated her as an outsider.

Su mu pursed his lips and said, "Ye xiangnan, you don't seem to be that sad."

He smiled, his fingers unconsciously touching the watch on his wrist. He closed his eyes. how should I be sad? "to cause a scene at the wedding and make a fool of himself for everyone?"

su mu didn't say anything.

his long and narrow eyes opened a slit, and then he laughed softly. "There's a bit of jealousy in your words."

"no, i didn't," Su mu said coldly.

ye xiangnan nodded in understanding. "that's true. mrs. ye only has lawyer shen in her heart. "

Su mu couldn't stand him being so aggressive. ye xiangnan, don't go too far. You're getting out of the car.

A strong arm quickly covered the back of her hand and then sneered, "how are you going to get out without even unfastening your seat belt? how are you going to survive in the upper-class circle if you don't even know how to act? "

as he spoke, he leaned over and teased her.

su mu was dumbfounded. he felt the faint tipsy feeling. it was not unpleasant, but rather refreshing.

he finally left after about a minute.

su mu touched his lips. " will i be mistaken for drunk driving? "

He seemed to smile slightly, and she was a little speechless.

However, she still started the car. Now, she had to send this drunkard back. If she did, it would be none of her business.

Su mu was a little naive. Ye xiangnan was obviously in a bad mood tonight.

He wanted someone to accompany him.

there was no one else, it was her.

when the car arrived at the villa, it was dark inside and no one was there.

She stopped the car and looked around. Hello? Ye Xiang Nan? "

he seemed to have fallen asleep. he leaned against the back of the chair with his eyes closed. his breath was a little hot, so the temperature of the entire carriage seemed to be very high.

su mu's gaze shifted from his face to his adam's apple. he thought to himself, " he's indeed very good-looking. his facial features are even more exquisite than a girl's. in addition, he has a temperament that he has developed since he was young. no wonder elder ye looks at me like i'm a pig. "

Even if it was a spring breeze, in the eyes of ordinary people, it would definitely be young master ye who suffered a loss.

su mu called him, but he didn't seem to wake up. su mu reached out and pushed him.

he caught her hand and pressed it to her heart. his voice was extremely hoarse.”Don’t leave tonight.”

## Chapter 4950: President ye full of obscenities 2

Su mu was stunned for a moment. Then, he wanted to pull back his hand, but he held it tightly and had no intention of letting her go.

” what are you thinking about, ye nan? let me go. ” She unbuckled her seat belt with her other hand and wanted to get out of the car.

Unexpectedly, he let her get out of the car.

However, as soon as she got out of the car, the man’s voice came lazily from the car. you can’t get out. The door needs a special activation after it’s closed.

As soon as he finished speaking, ye xiangnan got out of the car lazily. Standing under the moonlight, he looked noble but also detestable.

He wasn’t drunk at all. He had been sleeping just to let her relax her vigilance.

...

Su mu gritted his teeth. you miss the South at night. You’re bored.

He leaned against the car and said with a faint smile, ” “From Mr ye to ye xiangnan, I’ve gotten closer to Yingluo.”

He walked toward her, looking quite happy. su mu, stop fooling around. Stay here to play.

He caught her and trapped her between the car and himself. He was much gentler than before, probably because he was drunk. He was even gentle in su MU's eyes.

He was very tall, and she was trapped by him like this, so even if she wore high heels, she only reached his shoulders.

And they were too close. She had to put her fingers on his shoulder to push him away, but it was very difficult.

Su mu lowered his eyes and his gaze fell on the fine quality of his clothes. His voice trembled a little."Mr. Ye, you're drunk."

He lowered his head slightly, his voice almost whispering into her ear, " "you don't know if i'm drunk or not?"

Ye xiangnan admitted that he wanted to flirt with her. After all, it was about a man's self-esteem. She was the mother of his child, and he didn't allow her to think about other people. In fact, it didn't matter if she loved him or not, but he was a man she couldn't think about.

Therefore, it did not matter if it was necessary to sacrifice a little.

There were indeed not many women who could stand him like this.

Su mu didn't love him, much less him. Sometimes, when he was too arrogant, she even hated and loathed him. However, to be honest, not many women could stand such a good-looking and Noble man who was full of obscenities.

su mu couldn't hold on either.

she could only helplessly stick to the car and try to get as far away from him as possible.

Ye xiangnan chuckled in a low voice. As he was getting closer and closer to Yingying, the lights in the villa turned on, and a voice rang out, " "sir, you're back. i thought you weren't coming back."

Aunt Chen was standing at the front door of the villa. She had a jacket over her pajamas, so she was obviously asleep.

she had thought that ye xiangnan was alone, but she saw su mu when she fixed her eyes on him. her eyes widened. " miss su, you're here too! "

Aunt Chen's voice was a little softer, and she stuttered, Sir, did you touch me? did I destroy something? "

"What do you think?" ye xiangnan snorted.

Aunt Chen was at a loss. "I'm sorry, Sir. And miss su, I'm sorry, Yueyue. Miss su, you're really beautiful today. Did you have a date with Sir, Yueyue? if there's nothing else, I'll go to bed first. I'm old and I'm in a deep sleep. I won't wake up if there's any movement."

Aunt Chen said as she ran away, as if a ghost was chasing her.

there was a fascinating atmosphere in the air.

of course, the flirtatious feeling just now disappeared all of a sudden, and ye xiangnan didn't have the heart to do so.
