Chapter 4951: President ye full of obscenities (3)

Just now, it was partly due to the effect of alcohol and partly due to the atmosphere. After all, a man and a woman were sitting in the same car, and he had drunk a little too much. He just wanted someone to accompany him.

Ye xiangnan put his hands in his pocket, stepped back to let su mu out, and then said in a low voice, "there's a guest room here. It's getting late. I'll go and get ye Jie's things tomorrow morning.

su mu didn't want to live here. she wanted to avoid suspicion.

Ye xiangnan saw through her thoughts and smiled coldly, "we've already created a child together. What's the point of hiding? no one will believe us. As for Shen Wenxuan, you should give up. It's impossible between you and him, and his family won't agree to it.

his words were unpleasant to hear. su mu pursed his lips and said nothing.

In the end, she still stayed, but she didn't sleep with the tenant on the second floor. She found a random place to sleep on the first floor and didn't even remove her makeup.

...

The night passed by peacefully.

In the morning, ye xiangnan looked at her and frowned. "You didn't take off this to sleep last night? And what the hell is that on your face?"

A strong sense of disgust.

su mu ate his breakfast and said in a low voice, "I'll do it at home. Also, I'll return the clothes to you after I'm done washing them."

ye xiangnan sneered, "what do i want this dress for? should i wear it myself or give it to my future wife?" Forget it, you can keep it. You don't even have a decent piece of clothing. Are you going to be so uncouth when you attend events in the future?"

He was really sharp-tongued and held nothing back from her.

Usually, she would not be like this. She was probably still unhappy after being interrupted by aunt Chen last night.

Aunt Chen hid far away. She knew that sir was unhappy, but she didn't know that her appearance would ruin Sir's good plan. She also secretly thought that if she didn't appear, Sir would have gotten his way.

She thought so. The atmosphere was really good at that time!

Su mu lowered his head and tore his toast. He said slowly, "Ye xiangnan, you've been reminding me that we're not suitable for each other. I also think that we're not suitable for each other, but why do you still insist on it? Don't you feel conflicted?"

Young master Nan's temper came out again at night. He crossed his hands by his side and looked at her. you have a sharp tongue. I heard from my mother that you're going to start a new media company and become a live streamer in the future. Now that you're so good at controlling people, I'm sure you'll succeed in the future. I have to congratulate you in advance.

Su mu felt that he was really poisonous, so he raised his eyes to glare at him.

Ye xiangnan didn't give in either. His eyes and expression were full of sarcasm.

"then i'll accept president ye's blessing in advance," su mu said coldly.

Ye xiangnan threw away the tablecloth in his hand, stood up, and walked out. He looked like someone not to be messed with.

After a while, the sound of a car starting up could be heard from outside.

su mu was still eating his breakfast when aunt chen appeared out of nowhere and whispered to him, " "Sir doesn't seem to be very happy. Miss su, do you want to coax him?"

"why should i coax him? he's not a three-year-old child." Su mu was confused and uncooperative.

Aunt Chen felt that it was all her fault. Why did she have to come out yesterday?

Otherwise, it would definitely not be like this now.

aunt chen still wanted to say something to make up for it, but su mu obviously didn't want to say it.

miss su didn't look easy to get along with either. aunt chen felt that she and aunt wang had really misjudged her in the past.

In the past, miss su was very kind, and of course, she was still quite polite to her now. But now, she didn't seem to fall for Sir's tricks at all and didn't pay much attention to him. Was she fascinated by Sir's beauty last night?

Chapter 4952: President ye full of obscenities (4)

In the past, miss su was very kind, and of course, she was still quite polite to her now. But now, she didn't seem to fall for Sir's tricks at all and didn't pay much attention to him. Was she fascinated by Sir's beauty last night?

when he woke up, he felt like he was not buying it at all.

aunty chen suddenly felt admiration in her heart. which woman wouldn't try to curry favor with their sir? miss su was so tough. she didn't fall for sir's tricks at all.

Aunt Chen's eyes were full of light as she looked at su mu.

Su mu finished his breakfast and then walked out slowly.

ye xiangnan was in the car. he seemed to be impatient, his long fingers tapping on the steering wheel.

...

When he saw su mu coming, he opened the door of the passenger seat and said to her rather rudely, "you still want to sit in the back seat, and i'll be your driver?"

Su mu felt like a f * cking dog in his heart. He felt that he was really being unreasonable.

he sat in the car and did not say a word.

ye xiangnan seemed to be quite angry as he started the car.

They didn't say a word until the car arrived at her place. Su mu opened the door and got out of the car.

Ye xiangnan also followed her downstairs and went upstairs.

Su mu didn't think too much about it and opened the door.

However, as soon as she entered, he hugged her from behind.

she vaguely felt something and whispered, "i don't think it's appropriate for me to look like this right now, right?"

"I don't want to be picky now." he leaned close to her ear and sniffed the faint scent of perfume. it was from last night and still lingered.

su mu struggled a bit and said angrily, "i've never seen someone as shameless as you."

” yes, i’m shameless. but who was the one who came to my hotel room, huh? ” ” you were the one who provoked me first, ” he mumbled. ” i’m not even married yet. shouldn’t i be settling the interest with you? ”

Su mu was so angry that he struggled again. it’s obvious that you can’t make anyone stay. What does it have to do with me? it’s been so many years, and you’ve already forgotten about that. I didn’t show up either, so why can’t you get married? ye xiangnan, you’re useless. Don’t blame it on me.

“you’re sharp-tongued,” He snorted coldly and did not leave out what he should have.”who was the one who came out at the critical moment and said that he had given birth to my son?”

Su mu almost jumped up, but he wouldn’t let her go.

“now that aunt chen is not here, no one will save you.” He muttered evilly into her ear.

he didn’t seem to care about anything else and just wanted to anger her.

Men were probably all like this. They clearly knew that she had someone else in her heart, but they just wanted to get her and conquer Yingluo.

Su mu didn’t know where he got the strength to turn around and slap her.

ye xiangnan’s expression froze, and he glared at her.

“Shameless.” “i’m not interested in you at all, mr. ye,” su mu said coldly.

ye xiangnan’s face had obvious marks. he wanted to hit her back, but after staring at her for a long time, he let her go.

She took ye Jie’s luggage and snorted. wash the things off your face and change your clothes. My mother asked you to have dinner with her.

normally, she would ignore him, but ye jie had gone to the ye family yesterday. she was afraid that he would feel uneasy, so she wanted to go and see ye jie.

since ye xiangnan was here, su mu didn't take a shower. he just cleaned his face and changed into a set of clean clothes.

it was clean and tidy, but it was also very plain. it was completely different from last night.

" ye xiangnan didn't expect her to be that stunning, " he thought maliciously. " anyway, she just looks like this. even if she's dead, she'll still be like this. "

Chapter 4953: president ye full of obscenities (5)

on the way to the villa, the car was especially silent. no one spoke.

ye xiangnan was angry, but su mu hated him and didn't want to talk to him at all.

ye xiangnan lit a cigarette and smoked in the car on purpose. he didn't even roll down the window. it was obvious that he wanted to make her angry.

Su mu didn't say anything. He just opened the window on his side in silence. The wind blew in and she felt much better. She leaned her head on the back of the chair and looked at the scenery outside. Then, she fell asleep without realizing it.

It was probably because she didn't sleep well last night.

ye xiangnan found that she had fallen asleep. he stopped the car at a red light and looked at su mu with a frown.

...

of course, other than being ordinary, he was still ordinary. there was nothing special about him. he kept frowning and did not make a sound. he just carefully looked at it. in fact, he did not know what he was looking at.

what's there to see about su mu?

this face was ordinary and there was nothing to look at.

He put out the cigarette, closed the window, and slowed down the car.

hmph. otherwise, his mother would accuse him of bullying su mu again. this woman was plain-looking, had a bad temper, and liked to hit people.

he didn't even lay a hand on her!

ye xiangnan's car slowly drove into the wen garden. it was called the wen garden because it was a gift from ye xiangnan to wen yuan. it was quite romantic.

Ye xiangnan stopped the car and opened the door. He said lazily, "Like a pig."

su mu woke up. he looked around and bit his lower lip. "Have we arrived?"

Because she was asleep, her voice was a little moist, and it was quite attractive.

Ye xiangnan glanced at her and didn't say anything. He got out of the car and took his luggage from the trunk. In fact, there wasn't much. Su mu was poor, so how could he afford so many things for a child?

Ye xiangnan didn't mind. He handed the suitcase to the servant. take it to the young master's room.

the servant immediately left, but he was quite polite. he nodded at su mu. "Hello, miss su."

Su mu smiled.

not long after the servant went upstairs, ye xi probably told him that his mother was here. ye xi ran down from the second floor very quickly and threw herself into su mu's arms at once. she was very clingy.

Ye xiangnan frowned. In fact, he did not want his son to be too clingy to his mother and lose his manliness. However, Wen Yuan and ye Mubai did not think so. They had unconditionally indulged their grandson, but they had been quite strict with ye xiangnan in the past. It was really different after a generation.

Su mu reached out his hand to stroke his son's head and smiled. "you're still so clingy even at this age."

Ye Jie immediately stood up straight and looked very obedient.

this made ye xiangnan quite amazed. he felt that su mu was very suitable to take care of ye jie. he always felt that ye jie would be spoiled if he followed his ancestors.

however, this was the best choice at the moment. as for the future, ye xiangnan still had some plans.

Wen Yuan and ye Mubai also came down from upstairs. Wen Yuan doted on su mu a lot while ye Mubai had a good impression of her. The elders were very open-minded. If there was no fate, one could not force it. He was referring to Qin yihuan.

as for su mu, it would depend on xiangnan's own abilities. he already had a son. if he couldn't even handle the child's mother, it could only mean that he was too useless.

wen yuan and su mu talked for a while and then ordered the servants to bring tea over. wen yuan had not been working for many years. when he was free at home, he would train the servants to be obedient. therefore, he could not tolerate aunty wang's mischief. if the old man liked it, he would let him keep it.

Chapter 4954: Qin Xuan and Bai Anan lost their memories (1)

The servant was very good at reading people's expressions and immediately brought over the fragrant tea that Madam had treasured. Su mu took a small sip. Wen Yuan seemed to have recalled something and said softly, " " ye hui went out early in the morning. otherwise, she would have had something to talk to you about. "

ye hui was a freelancer and spent most of her time at home. wen yuan also hoped that su mu could be her friend so that both of them would have company.

Su mu did not know why, but he felt a little uncomfortable with Wen Yuan. It was probably because Wen Yuan's experience was similar to hers in the past, and su mu was in a worse state than her.

wen yuan asked su mu to stay for a meal. after the meal, su mu left in the evening as he had something to attend to. su mu left in the afternoon because wen yuan answered a phone call and looked a little strange.

su mu felt that the ye family had private matters to deal with and it was inconvenient for an outsider like her to be here.

Hence, he took his leave.

...

wen yuan wanted a chauffeur to send him, but she refused and went out to take a taxi.

when she was in the taxi, she received a call from ye xiangnan. he seemed to be socializing and remembered to call her before he left. " ye jie has an interview at nine o'clock on monday morning. i'll pick you up then. "

He paused for a moment and said,"get ready." &Nbsp;

he had found a high-end nursery for ye jie, and all the children had to go through an interview. even the prominent ye family had to go through the formalities.

Su mu recalled that Wen Yuan had told him about it just now, so he nodded.

on the other side, ye xiangnan hung up the phone. he was indeed busy with a business meeting.

it was a headache.

It was because their Bai Anan and Qin Xuan had been caught.

The location was at Qin Xuan's residence, and he was personally caught by he Huan. It was said that the scene at the time was very unbearable.

at this moment, ye xiangnan was in qin xuan's villa. qin mo and he huan were both there. he huan didn't look guilty at all. instead, she was inexplicably excited, which made people speechless.

In addition, ye Mulin and Bai Sulli were also there. Bai Sulli felt that Qin Xuan was quite handsome, but ye Mulin's expression wasn't too good. As a father, he felt that his daughter had suffered a loss.

Wen Yuan and ye Mubai had also arrived. There were so many elders sitting here, and almost everyone of the same generation had also come. The male and female protagonists were wearing black sleeping robes as if they were being interrogated. They were under a lot of pressure.

qin xuan looked at bai anan.

even a thick-skinned person like bai anan did not dare to look at everyone.

it's all the alcohol's fault!

"Let's get married," Qin Xuan finally said.

"why do you want to get married?" bai anan looked at him.

"You might get pregnant," Qin Xuan said with a sigh.

bai anan's gaze was quite strange. she kept staring at him.

"You don't remember?" Qin Xuan smiled helplessly.

“stop,” he said. Bai Anan really didn’t want him to recall the details in front of so many people. I’ll take the medicine.

“i will take responsibility.” you’re already in your 30s, ” Qin Xuan said calmly. it’s probably difficult for you to get pregnant. I don’t want to deprive you of this rare opportunity.

bai anan was furious. she took a pillow and started to hit him.”Qin Xuan, you’re too despicable.”

he even dared to chuckle. it was obvious that he didn’t care about yingluo and the other elders. he was so shameless. bai anan wanted his face more than his.

bai anan felt embarrassed. it was just lying together. everyone knew about it except for the news.

The parents of both sides were interested. One was an older young woman, and the other had a strange temper. They couldn’t wait to sell it immediately, so why didn’t they seize the opportunity now that they had a handle on it?

Chapter 4955: Qin Xuan and Bai Anan lost their Memories 2

Bai suili and he Huan were already familiar with each other, and they were even more happy to see this happen. They had already gathered together to discuss the details of the wedding.

Bai Anan was speechless. She looked at Qin Xuan.

qin xuan was also looking at her. suddenly, bai anan found it difficult to look at him directly.

Her face suddenly felt a little hot.

Suddenly, the female lead ran upstairs.

this was probably the first time that bai anan was embarrassed.

...

Qin Xuan didn't chase after her. With so many elders around, he still had some sense of propriety.

He had grown up by Qin mo and he Huan's side. Among the three children, he was the most doted on, so he was usually very picky. He didn't like any of the blind dates.

He didn't like Bai Anan very much, but he didn't hate her when they were together.

If he were to arrange her according to the rules, she was not his ideal type except for her looks.

after a whole afternoon of discussion, they finally decided that bai anan was not allowed to take the medicine. if she was pregnant, they would get married immediately. if she was not pregnant, it would be up to them.

Bai Anan felt that her reputation was almost ruined by this.

the elders left, but she was still there, sitting cross-legged on the sofa. she didn't even do her work and just watched tv with her snacks. qin xuan came over and glanced at her. "You don't look like you're willing?"

Yesterday, they went to a party after a banquet and got drunk. They didn't remember how they ended up here. After what happened, they woke up in the night and their memories went out again.

he did not expect he huan to come over so early in the morning to show her concern for qin xuan. it was shen ting and qin yihuan's second day of marriage. shouldn't he be showing his concern for the newlyweds?

Shen ting felt that it was quite torturous. He took a cold beer and sat down beside Bai Anan. He took a sip and looked at her. "Are you going to stay here and not leave until I'm sure you're pregnant? or do you really want to get pregnant and marry me so badly?"

bai anan's eyes never left the television. she continued to stuff food into her mouth as she said, " if i go back, my mother will give me a test every day. at least not here. "

as she spoke, she looked at the beer in his hand and kicked him. ” ” you’re going to make dinner and drink? didn’t you drink enough last night? ”

“i’m not your servant,” qin xuan said with a frown.

bai anan snorted softly and kicked him again. ” hungry. ”

qin xuan put down the beer in his hand and stood up. ” “Think about it. You’ll get pregnant if you stay here.”

“I’ll stay in the master bedroom, you can do as you please.” she said a little domineeringly.

” mr. bai, ” qin xuan said as he walked into the kitchen, ” is this how you pursue men? ”

Bai Anan didn’t answer. Qin Xuan turned his head and saw that she was back eating her snacks as if she hadn’t heard him say anything about Yingluo.

Qin Xuan shook his head. Why would he think that she was angry or sad? Bai Anan would not be sad. She was like a statue, and nothing could affect her.

She had liked Shen ting for so many years, but didn’t she end up being so free and easy?

when he opened the refrigerator, qin xuan’s fingers tightened a little, and the door slammed shut.

Bai Anan turned her head and glanced at him, but she did not say anything.

She just continued to eat her snacks and watch TV. After a while, she picked up her beer and took two sips.

After drinking it, he realized that Qin Xuan had drunk it before.

Chapter 4956: Qin Xuan and Bai Anan lost their memories (3)

In the kitchen, Qin Xuan was making Bai Anan's favorite hotpot. He didn't know why he was making this for her. It was just a morning dew. What era were they in now?

it was just that both sides were quite pure, and qin xuan didn't feel like he had taken advantage of them.

He was also very pure, okay?

men and women were already equal.

when the hotpot was ready, he brought it to the dining room. bai anan came over with the beer and sat opposite him.

Qin Xuan shook the bottle, then frowned. "You drank half a bottle."

...

Bai Anan ate the hotpot and said matter-of-factly, " "Yeah, what's wrong? it's not like you'll get drunk if you drink some beer."

qin xuan's expression wasn't too good. he put down the chopsticks in his hand and said, "What if I get pregnant?"

" how can it be so fast? even if i know i'm pregnant, it'll only be ten days later. oh, i forgot to tell you, yesterday shouldn't be a day that's easy to get pregnant. " Bai Anan said naturally, without any intention of being impatient.

qin xuan stared at her, then coldly said, " I thought Mr. Bai was just a law machine. I didn't expect you to know so much about biology.

bai anan furrowed her brows. " qin xuan, do you think you're at a disadvantage? if you think so, i'll take the medicine and we'll never have a child. you'll never have to marry me. what do you think? "

he stared at her.

bai anan forced a smile. " it's decided. " she said.

Qin Xuan did not say anything. Bai Anan continued, " "this can be considered a farewell meal."

she felt that it was quite boring, and she could smell his strong dislike for her.

bai anan's conditions were very good, especially good. although she didn't think that she was particularly beautiful, she would never throw herself at her.

moreover, he was younger than her, and he was also shen ting's younger brother. in the future, she couldn't afford to be seen in public, and she didn't want to be looked down upon by others.

bai anan felt that she didn't really care. after she finished eating, she went upstairs and said, " I can't wear the dress I wore last night. Can I borrow a set of clothes? I'll leave in a while.

Qin Xuan sat there and looked at the pot on the table. He remembered that Bai Anan loved to eat this and could eat a lot of it. Last time, she had finished half of the pot by herself, but now, she barely touched it.

Was she in a bad mood or could she not eat?

he raised his head and watched as she went upstairs.

about ten minutes later, bai anan came down. she was wearing a black shirt and a pair of black pants. he had no idea where she got them from, but they fit her perfectly. she rolled up the bottom of the pants and tucked the shirt into her waist. it looked pretty nice.

Bai Anan took out a stack of money from her handbag and threw it on the sofa. "money for the meal."

"Just for the meal?" Qin Xuan was a little insulted.

"then what kind of money do you expect?" bai anan snorted.

Qin Xuan didn't say anything and just stared at her.

when bai anan reached the door, he murmured, " "I'll send you."

"No need, I called a taxi." bai anan's voice was heard, and she had already walked out of the hall.

Qin Xuan stood up, he couldn't take it anymore.

He didn't know why he was unhappy with her. Anyway, he just felt a little annoyed.

He didn't know how to deal with such a relationship when he didn't really want her to be his wife.

bai anan wasn't crazy. she must have felt it.

Qin Xuan let out a long breath, got up, and went upstairs to change.

Chapter 4957: Qin Xuan and Bai Anan lost their memories (4)

Bai Anan had indeed called for a taxi. She waited for a while at the entrance of the villa before the taxi came over.

instead of going straight to her apartment, she stopped at a pharmacy in the city and went in to buy some medicine.

For the first time, she bought a box of all kinds of medicine without any experience. After she took them out, she called Yaren."Can you help me check which morning after pill is the most effective?"

On the other end, Secretary ya was stunned. After a long time, she stuttered, " "Lawyer Bai, who did you do that with?"

Bai Anan didn't say anything and hung up the phone. She didn't even want to mention Qin Xuan's name.

He didn't want to. Why did he have to talk about getting married after having a child? he had no plans at all, or he had no interest in her. Bai Anan naturally wouldn't go over to him with a fawning face.

...

she stood under the scorching sun for a while, feeling light-headed and even breaking out in a cold sweat.

Secretary ya's call came. She hesitated for a moment before saying, "She's called Yiting. I heard they all eat this."

"is it president qin jr.?" she guessed.

"You're not allowed to tell anyone." Bai Anan snorted.

she didn't know that the paparazzi had caught a picture of her. especially when she came out of qin xuan's villa and bought a lot of morning-after pills, it quickly became the hot search. it was quite exposed and at least overshadowed the news of shen ting and qin yihuan's marriage.

On top of that, they also released Bai Anan and Shen ting's love history, Qin yihuan, ye xiangnan, and su mu together. It was a wild scene, and Starlight entertainment and King Entertainment had to work together to suppress it. However, those who were observant could still see that Bai Anan and young master Qin had an ambiguous relationship.

Bai Anan hailed a taxi. After getting in, she rummaged through the pile of medicine and found the kind that Yaren had mentioned.

after looking at it for a long time, he put it down.

When he arrived at her apartment, he got out of the car and went back with a bag of medicine.

Qin Xuan's car stopped as well. The window rolled down slowly, and he stared at Bai Anan and the bag in her hand.

Was she that stupid? this was medicine. Did she buy so much for food?

qin xuan thought for a moment, then opened the door and got out of the car. he quickly walked over and stopped her before she got into the elevator.

Bai Anan was about to go in, but her hand was caught and she turned her head.

Qin Xuan stared at her and frowned. "You really want to take the medicine?"

bai anan was speechless. " did you come here to get your clothes back or did you take too much medicine? " Isn't it good to have no children?"

At that time, when he said that he had a child and was about to give birth, her heart really throbbed, but it turned out that wasn't the case.

it turned out that young master qin could also be impulsive, and when men were impulsive, their words almost didn't count.

after bai anan finished speaking, qin xuan said in a low voice, " "what are you buying so much medicine for?"

"Can't I save it for the next time?" Bai Anan snorted and walked into the elevator.

qin xuan followed.

Bai Anan looked at him. President Qin, don't worry. I'll take the medicine. I won't blame you.

"I told you, you don't have to eat it," Qin Xuan said with a frown.

bai anan didn't say anything. she just smiled slightly, with a hint of mockery.

qin xuan's brows furrowed even more, and he narrowed his eyes. " you're going to kill an innocent child just like that? "

Bai Anan couldn't hold it in anymore. Qin Xuan, are you an idiot? where did this kid come from? ”

“aren't you going to kill it now?” He stared at her and then held her shoulders with both hands. Bai Anan, I said that we could give birth to her.

Chapter 4958: qin xuan and bai anan lost their memories (5)

“aren't you going to kill it now?” He stared at her and then held her shoulders with both hands. Bai Anan, I said that we could give birth to her.

bai anan took two steps back and leaned against the wall of the elevator. she looked at him quietly.

after a long while, she whispered, ” and then, qin xuan? if we have a child, we can get married. what about love? have you never looked forward to it? or are you willing to give up your future happiness for a child that has yet to exist? ”

I'm more pragmatic, ” Qin Xuan said bluntly. I've never really expected love.

otherwise, he would not have remained unmoved for the past 28 years.

He Huan, Qin mo, Shen ting, and Yi Huan were his family.

...

If Bai Anan was pregnant, then she and the child would also be his family. That would be the case for Qianqian.

bai anan looked at him and smiled quietly. ” qin xuan, i can't bear the fact that my future husband doesn't love me. ”

she studied law and looked like an emotionless work machine, but she felt that she was qualified to be loved. she didn't particularly yearn for it, but she didn't make do with it either.

shen ting, who didn't love her, was enough. she didn't need qin xuan.

Bai Anan heaved a long sigh of relief. She felt very relaxed after she finished speaking.

qin xuan looked at her quietly. in the end, he didn't say anything. when the elevator stopped, he punched the elevator wall hard.

bai anan walked out of the elevator. qin xuan was still in the elevator, looking at her calmly.

Bai Anan, think carefully. his tone was a little heavy.

Young master Qin had never said such words to anyone before.

bai anan turned around and smiled. ” “No matter if I'm taking money or a woman, I'll still be disappointed.”

if she wanted a child or a marriage, she could do it anytime. there were a lot of people who wanted to marry her, but it was just that she didn't like them. she didn't lack good-looking men, and she didn't lack money.

bai anan swiped her phone and entered the elevator. the elevator door in front of qin xuan closed, and he stood inside for a long time without pressing the '1' button.

after a long time, he punched the elevator wall hard and went down to sit in his car.

as he smoked, he looked upstairs.

he really did not like bai anan's personality. she was emotionless and would not act coquettishly to him.

of course, qin xuan couldn't imagine what bai anan would look like when she acted coquettishly, but at least she could be softer and they could communicate more.

He didn't want a child, but he didn't want her to take medicine.

As for why, he did not know.

In the apartment upstairs, Bai Anan went home. She opened the box of medicine and ate it.

it was quite unpalatable. she swallowed it for a long time before eating it. it felt like she had eaten poison, and she only felt better after drinking a large glass of water.

She had never thought that the price of the medicine she took was transparent, and the pharmacy was private. The boss was a Goblin, and he actually bought fake products. They were not morning-after pills at all, but ordinary vitamins. Anyway, those who got pregnant without any effect would not dare to come here, and there was no evidence.

bai anan only felt more at ease after taking the medicine. yaren was a very meticulous person. if she said that the brand was good, then it must be good. she had never thought that it was possible that she had taken fake medicine.

After taking her medicine, she looked out of the window and saw that Qin Xuan's car was still there.

he was probably sitting in the car for a long time without moving.

Bai an watched quietly, pursing her lips.

Chapter 4959: let's get our marriage certificate, mrs. ye 1

In the days after that, they seemed to have no more interactions.

bai anan was still her lawyer bai, while qin xuan was still the young president qin.

in addition to shen ting's honeymoon, he had a lot of things to do, so he quickly forgot about this.

On Monday, ye xiangnan took ye Jie to a nursery for an interview, and ye xiangnan drove his son.

Ye Jie was sitting in the back of the car, wearing a very beautiful little suit, looking like a gentleman.

ye xiangnan was also dressed very formally. he had a pair of sunglasses on his high nose and his hands were on the steering wheel. he was talking to his son about some key things, such as interview techniques.

...

Ye Jie listened obediently. When ye xiangnan felt that it was enough, ye Jie asked softly, ” “Dad, will I be living with grandma and the others in the future? where’s mom?”

Ye xiangnan smiled. you can live with your mother whenever she’s on break. But I don’t think she has much time off in the next two years.

“Why?” ye xun raised his small face and asked in an innocent and cute manner.

Ye xiangnan thought for a while and then smiled. because she wants to be a strong woman. If she wants to be strong, she has to put in more effort than others. Do you understand? ”

ye cha replied with an “oh” and then asked again, ” “Then, did daddy also put in a lot of effort to become stronger?”

ye xiangnan thought for a moment and agreed.

Ye Jie said “Oh” and didn’t ask any more questions. She only secretly stared at the back of his head.

Ye xiangnan noticed it from the rearview mirror, but he just smiled and didn’t expose the little guy.

Half an hour later, the car stopped at the entrance of su MU’s shabby apartment.

Ye xiangnan took out his phone and called su mu. “we’re here. you can come down.”

Then, he hung up the phone and tapped the steering wheel with his long fingers. Ye Jie asked a little anxiously, ”

“daddy, are we not going home if we don’t get off the car?”

For ye Jie, home was where su mu was. He actually wanted to go back and have a look.

Although he ate well and slept well at his grandparents ‘place, the bed was fragrant, and the aunties there were super good to him, he still wanted to be with his mother. However, his father said that his mother wanted to become stronger and it would take a lot of time, so he would give his mother time!

ye xiangnan sneaked a glance at his father again.’hmp, when mom becomes stronger, i’ll be with her.’

well, it wasn’t like he was ignoring his father. he should just ignore him. who asked him to have other aunties?

Thinking of this, ye Jie was quite disappointed and dejected.

“what’s the matter again?” ye xiangnan turned his head and looked at him.

ye jie’s face was a little tense. ” nothing. ”

“Ye Jie, you’re all grown up now. Especially boys, learn to restrain yourself. Don’t show all your emotions on your face, understand?” ye xiangnan counseled his son, and then asked in a low voice,”tell daddy, what were you thinking about that made you so upset?”

As she spoke, she turned her head and touched ye Jie’s small face.

dad, ” ye Jie said seriously, ” you said that I can’t show my emotions. I’d better hold it in silently.

“i can tell you in front of daddy.” qin mo muttered.

Ye Cha said “Oh” and then said very seriously, ” “Then I’ll really say it?”

Ye xiangnan nodded.

I’ll become stronger in the future, ” ye Xun said. there won’t be any other aunties. There will only be Madam.

Chapter 4960: let’s get our marriage certificate, mrs. ye 2

I’ll become stronger in the future, ” ye Xun said. there won’t be any other aunties. There will only be Madam.

Ye xiangnan cursed in his heart. If he had known that this would be the answer, he would not have asked this kid this question.

At such a young age, he actually knew how to scheme.

Ye Xiang, Nan ting, was speechless. He stared at his son for a long time before he spat out a sentence: “it’s pretty good. You’d better remember this. Don’t wait until you’re older to slap yourself in the face.”

“i won’t,” ye jie bit her lip and said softly, ” i won’t. ”

Ye xiangnan didn’t know what to say. He reached out and touched his head.

...

Ye Cha’s big eyes were filled with hurt.

Ye xiangnan might not be able to make up for this injury in his life. His heart sank when he thought about this.

Fortunately, su mu came over at this moment. She tidied herself up and put on a white t-shirt, jeans, and a beige cardigan. She looked clean and tidy.

However, in the eyes of a family like the ye family, it was very ordinary.

Ye xiangnan wanted to say something, but ye Jie was here. If he said anything, ye Jie would say that he despised his mother.

Sigh, it's hard to serve this little fellow.

Looking at su mu sitting in the back seat, ye xiangnan nodded with his chin. there's an interview guide over there. Take a look. It's best to follow the instructions on it. That nursery is very strict.

Su mu nodded and reached out to stroke ye Jie's little head. Then he started to read the information.

Secretary li was well-prepared and had written down all the details.

After reading it, su mu had a feeling that it was quite difficult to miss Nan's Secretary that night. She really had to be well-rounded.

When the car arrived at the nursery, su mu had just finished reading and she put down the documents.

ye xiangnan parked the car and turned his head,"is everything clear?" Secretary Li said that the director of this nursery emphasized the most on a warm family atmosphere, so Yingluo, you should cooperate with him later."

Su mu wasn't an idiot and knew what he meant.

She nodded. I will cooperate if necessary.

What he meant was, don't go too far.

ye xiangnan smiled and opened the car door. he walked to the back and opened ye jie's door. he hugged the little guy and said,"alright, young man, perform well later."

Ye Jie's little face was red, probably because he had rarely been treated like this. He looked at the beautiful nursery in front of him, which looked like a cartoon, and his eyes and heart were full of yearning.

su mu followed them and entered the nursery.

the director had personally interviewed her, and there were two teachers around forty years old beside her. she looked very friendly and reliable.

The director was in his early 50s, and he was even more kind and polite as he interviewed their family.

because of the things prepared by secretary li, he answered the questions smoothly. ye jie's performance was surprisingly good. although he had only been in school for a short one or two months, he really knew a lot compared to his peers.

the director was probably very satisfied as well, as he kept nodding.

Su mu and ye xiangnan looked at each other. No matter how distant or bad their relationship was, they were still ye Xi's parents at the moment, and they felt proud of being his parents.

Just as he was feeling proud, the director asked very affectionately, "our little ye Jie is very good. She passed the interview completely and her family atmosphere is very good. Now, we will go through the admission procedures.

Mr. Ye, the school fees are paid annually, 128 thousand a year. Also, bring the child's relevant documents and Mr. Ye and Mrs. Ye's marriage certificate over. Let's take a look. These are the basic admission procedures. The director was also very gentle.
