

## Thank you 4961

Chapter 4961: Let's get our marriage certificate, Mrs. Ye 3

However, after she finished speaking, ye Jie could no longer keep a straight face. However, when he thought of what his father had said, he tried his best to control his expression.

it was a pity that such a young person knew how to manage her expression. it was also heartbreaking.

” oh? ” ye xiangnan raised his eyebrows. ” you need this to enter the school? ”

damn it, why didn't secretary li tell him?

su mu also found it strange, but she could not say anything in front of ye cha for fear that the little guy would be even more sad.

Mr. Ye, ” the director said, confused, ” every high-end nursery requires this.

...

“must we get a marriage certificate?” ye xiangnan repeated.

“Uh, actually, a divorce certificate is fine too.” The director looked at their expressions and heaved a sigh of relief.

However, it was strange. Mr. And Mrs. Ye were so loving just now. They hugged each other's shoulders and shook hands. They were also very patient with the child. How could such a family not have a marriage certificate?

if they had brought out a divorce certificate, it would prove that they were too good at acting.

Ye xiangnan's face darkened, but he held it in. I didn't bring it today. We'll come in the afternoon.

” alright, ” the director smiled politely. ” i’m fine with anything before five. ”

Thinking of Nan sui at night, he left with the two of them. While sitting in the car, he called Secretary li and asked her why she didn’t tell him such an important thing.

“president ye, i thought you could convince the director about this,” secretary li said innocently.

“how can i persuade him? he said he must.” ye xiangnan let out a long breath, ” inform lawyer Chen, when is the fastest time to get the marriage certificate? I want it before four in the afternoon.

secretary li’s mind was a little blank. after a long time, he asked in a low voice, ” “president ye, who are you marrying?”

who else could it be other than su mu? lawyer Chen? ” ye xiangnan’s tone was not very good. if the director found out about his irritable side, he probably would not dare to have ye jie.

secretary li swallowed his saliva. ” president ye, i can make an appointment with lawyer chen. however, you have to talk to miss su first. otherwise, i’m afraid you’ll be embarrassed. ”

Ye xiangnan hung up the phone.

In fact, both of them had heard the phone call just now.

Ye Cha didn’t make a sound.

“i don’t want to get married,” su mu said directly.

“then our son can’t go to the best school and receive the best education.” Ye xiangnan’s voice was calm.

“you don’t have to come here,” su mu said with a frown.

Weren’t there other choices?

ye xiangnan's voice was cold. " didn't you hear what the director said? all high-end nursery schools want this. what are you afraid of? it's just a certificate, not a contract. "

Su mu was a bit hesitant. After all, she didn't want to have anything to do with ye xiangnan.

she pursed her lips and then looked at ye jie.

Ye Xun looked at her pitifully.

"Ye Jie, do you like this nursery very much?" she sighed.

"mom, can you tell me the truth?" ye jie whispered.

"of course you can." Su MU's heart ached for him.

" mom, " ye jie said excitedly, " the houses here are so beautiful. the teachers here are also very good. they speak very gently, just like mom. "

in the end, he said with some embarrassment, " "Of course, they're not as good as their mother."

Ye xiangnan looked at su mu.

su mu lowered his eyes. " if you can get it today, go and get it. mr. ye, since when did you find a girlfriend? i have no problem with it. "

Ha, she still dared to say it.

Chapter 4962: Let's get our marriage certificate, Mrs. Ye IV

Ye xiangnan sneered, " I have no problem with it either.

Then, he called lawyer Chen directly. Lawyer Chen was quite surprised.

Didn't they just call off the engagement? and now they were getting married again?

speed.

It wasn't good for a young man to be so half-hearted.

When lawyer Chen hung up the phone, he glanced at his beloved disciple.

...

Shen Wenxuan would be leaving Starlight at the end of the month and was in the process of handing over the contract. He watched as lawyer Chen picked up a phone call with a strange look in his eyes. "What is it?"

lawyer chen sighed. "wen xuan, don't you want to think about it again? if you still don't change your mind after i tell you this, i won't stop you. "

Shen Wenxuan's expression changed slightly. He had probably guessed it.

lawyer chen patted him on the shoulder and smiled. " President ye is going to register his marriage with miss su. Yes, it's the Miss su you're thinking of, su mu.

Shen Wenxuan clenched his fists and walked toward the window, looking out.

After a long time, he suppressed his voice and said, " "Why are you suddenly getting married again?"

Lawyer Chen was also a little helpless. young people change their minds so quickly. It must be because of ye Jie. Such a cute child probably doesn't want her child to be wronged.

Shen Wenxuan's slender fingers gently pushed open the blinds, and he murmured, "Yeah, I won't let the child suffer."

Lawyer Chen walked over and patted him on the shoulder. I still have something to do. I have to tell the president and Madam about this. It's not a small matter and it concerns the future of Starlight after all. Wen Xuan, you should think about it carefully and don't act on impulse.

shen wenxuan turned around and forced a smile. "i know,"

after all, lawyer chen had to deal with this important matter, so he left very quickly.

He immediately asked the people from the Civil Affairs Bureau to make a private appointment. He even informed ye mu Bai and Wen Yuan about the situation.

The ye family was also quite surprised. Wen Yuan hung up the phone and asked if he wanted to go over. Ye mu Bai put down the newspaper in his hand and frowned. "Your son is trying to cheat you out of your marriage. What are you doing there?"

Wen Yuan was stunned for a moment. what do you mean by a marriage scam? ye Mubai, tell me clearly.

Ye mu Bai looked at his wife as if he was looking at an idiot. He folded the newspaper and said slowly, "You still can't tell? It's just a nursery. It's so difficult to get a marriage certificate to enter the garden. Believe it or not, your son can think of a way even if he goes to pick the moon, but now he's stumped by a certificate? "I think he's just not convinced. He's not convinced that he can't handle su mu. He's even more afraid that his child's mother will marry someone else. He's just using a certificate to tie her down. That's the first step. There'll be more to come."

Wen Yuan could not believe it. After a while, he said, "xiangnan is that bad?"

"It'll only be worse than I thought. men understand men best. besides, i'm his father, i know how many intestines he has. only you women would be fooled by such a small trick." Ye xiangnan snorted.

Wen Yuan was still in shock and could not believe that his son would resort to such unscrupulous means.

“Then why didn’t he use this scheme on Huan?” she asked hesitantly.

” he probably knows that yihuan’s heart is with shen ting. don’t be fooled by his cold appearance. most of the time, he’s doing this to help shen ting and yihuan. it’s also because of a man’s pride. ” ye mu bai laughed. ” su mu is different. even if he likes someone else, he has truly been possessed by xiang nan. how can he let anyone touch his things? ”

Chapter 4963: Let’s get our marriage certificate, Mrs. Ye v

after ye mu bai finished speaking, wen yuan looked at him with a strange expression.

“why are you looking at me, wifey?” ye mu bai asked.

wen yuan squinted his eyes. ” did you think the same way when you first married me? i remember that you liked lin sisi. you only settled for the second-best because she liked gu ze. ”

Ye yingdi was also quite speechless. then why should I take a step back and ask for you? and not someone else? ”

“because i have a child.” no one else, ” Wen Yuan replied quickly. I was in the same situation as su mu at that time.

Ye mu Bai was speechless. After a long while, he let out a long breath.”so all the men in the ye family are jerks in your heart! wen yuan, do you dare to say that you have not been happy all these years?”

...

Wen Yuan grinned. ye Mulin is not a scumbag. And my lovely grandson is definitely not a scumbag. That child takes after su mu. I can tell at a glance.

Ye mu Bai snorted. you're thinking about your ex-husband, aren't you? do you mean that you're thinking that Nan's scumbag took after me? ”

He looked like he was going to teach her a lesson, but Wen Yuan stopped him. Alright, alright. It's just for fun. You're already grandpas and grandmas.

ye mu bai, on the other hand, was genuinely touched. he hugged his wife and said rather emotionally, ” “it means that i'm going to be your grandfather and grandmother. i'll be yours in the future.”

wen yuan was speechless. he was already so old, yet he still did not find it nauseating.

ye mu bai was very dissatisfied because she did not respond to him. ” “he said that you'll be mine in the future.”

Wen Yuan rolled his eyes and patted him. ” keep in touch with lawyer chen. at least take care of our son. even though he's a scumbag, he's still our son. ”

Ye mu Bai looked at his wife and was rather speechless. Was there such a mother?

There was.

Wen Yuan was one of them.

starlight headquarters.

the legal team.

shen wenxuan had been standing by the floor-to-ceiling window the whole time, so he could clearly see ye xiangnan's car driving in. he was the only bentley in the whole company. many senior executives could afford it, but they didn't want to get into a conflict with president ye.

he watched quietly as he got out of the car, and then su mu and ye cha got out from the back.

The three of them looked rather harmonious when they walked together.

Su mu wanted to get a marriage certificate with ye xiangnan instead of getting married. He could also think of the reason and knew that it might be ye xiangnan's idea. Such a strong man must do whatever he wanted to do and get whatever he wanted.

shen wenxuan, on the other hand, was powerless to stop him.

it was not about power, but about position.

Su mu and that person had a child, while he only had a memory and su MU's vague memory of him. In contrast, these invisible things seemed particularly pale.

Self-awareness was a good thing, and Shen Wenxuan had it.

no matter how bitter it was, he could only watch from here, unable to stop everything.

He watched them quietly until he couldn't see them anymore. He knew that in a few hours, they would be legally married.

in the lobby of the starlight building, the front desk staff smiled at the scene.

The news had already spread. It was said that President ye was getting married and was about to get their marriage certificate. It was the kind that could not wait a moment longer.

So impatient!

He didn't know who it was at first, but it was still miss su.

that lin lu thought she was very beautiful and especially good at getting things done, but what was the use?

The front desk lady looked at su mu with envy-

Indeed, a child was a King Bomb.

Chapter 4964: let's get our marriage certificate, mrs. ye 6

su mu, on the other hand, didn't feel anything. in her mind, it was just a matter of getting a certificate.

Nothing else would change.

She was still living there and ye Jie was still under Wen Yuan's care. As for ye xiangnan's private life, she was still thinking of changing the marriage certificate to a green one. After all, it was not good for two people who were not related to each other to have marriage certificates.

She didn't want to be associated with ye xiangnan, and she didn't like people who didn't know calling her Mrs. Ye.

of course, su mu did not think of shen wenxuan. she had experienced too many things. even if she still had some lingering feelings for shen wenxuan, they could not beat the reality.

The most important person to her right now was ye Jie.

...

She didn't think she needed to report or explain to anyone, so she didn't have the intention to tell him. She didn't expect Shen Wenxuan to already know.

su mu went into the elevator. there were only the three of them in one elevator and secretary li who came down to welcome them.

secretary li's face was radiant. after all, she had completed all the tasks assigned by president ye. she also heard from the finance department that her bonus this month was really generous, a six-figure sum. just thinking about it made her feel especially good.

the elevator stopped on the 18th floor. when it opened, it was lawyer chen.

And Shen Wenxuan.

shen wenxuan and su mu looked at each other.

when their eyes met, it was actually quite dull, but in the eyes of the other two adults, it was full of lustful feelings!

su mu pursed his lips and nodded at lawyer chen.

Lawyer Chen also felt that this pair of little children were quite tyrannical. He didn't know what method xiangnan used to separate them. Alright, now it's time to get the visa, President ye won.

He really had some means.

he turned around. " wen xuan, take care of what happened just now. we'll discuss it later when i get back. "

shen wenxuan nodded and took a step back.

From the beginning to the end, his eyes had been fixed on su MU's face.

lawyer chen thought to himself, this is really torturous.

ye xiangnan, on the other hand, was expressionless. ye jie called him uncle shen. at such a young age, people had learned to observe and felt that uncle shen was very unhappy, like the heartbroken people on tv.

He really liked uncle Shen, but he didn't know why Yingluo became like this.

no matter what, the elevator door still closed.

There was one more person in the elevator. Ye xiangnan and lawyer Chen were discussing the signing later. They made it sound simple.

When they reached the top floor, Secretary Li said, " President ye, miss su, the staff is already waiting in the small conference room. This way, please.

The few of them went in together, and ye Jie was taken away by Secretary li. It seemed a little inappropriate for a child who was only a few years old to be present in this kind of scene. It was always inevitable to get on the bus first and pay for the ticket later, although it was true.

after they entered, they exchanged a few polite words before the staff took out two blank sheets for them to sign and even took a picture of them.

It just so happened that today's clothes were suitable. When the two of them were taking photos, the staff kept letting them stay closer. Later on, he even said that su MU's expression was not well-managed.

su mu felt rather helpless. he signed for a few seconds, but the photo took half an hour before he was satisfied.

She did not know why ye xiangnan was so picky, but it was not true anyway.

ye xiangnan saw that she was getting impatient and looked at her. " "This is the first time I'm getting married,"

"it's just a certificate." su mu couldn't help but remind him.

The staff smiled and said,"Mrs. Ye, this is legally binding!"

Chapter 4965: Let's get our marriage certificate, Mrs. Ye 6

su mu looked at the staff and the staff smiled.

"I know it's legally binding," su mu said, pursing his lips.

Otherwise, he could have just bought a scalper on the street.

Thinking of this, she looked at ye xiangnan and coughed. "Why don't you buy one?"

"you mean, fake id?" ye xiangnan frowned.

Su mu answered, " yes, fake ID.

...

Ye Xiang and Nan ting were speechless. They looked at the staff of the Civil Affairs Bureau who was trying to hold back their laughter."You're saying this in front of them? and where would i put my face if this gets out?"

As the president of Starlight entertainment, he couldn't even get a marriage certificate and even had to fake it.

he squinted at su mu. su mu stopped talking and took the last picture together.

The acting staff finished taking the photos and showed them, then smiled."Although the smile was a little fake, it was still a smile."

Ye xiangnan looked at su mu, who pursed his lips and said nothing.

In the photo, it was indeed as the staff had said, her smile was a little fake.

But in any case, at two O'clock in the afternoon, two freshly-printed marriage certificates were indeed out, steaming hot, and even had a faint smell of ink.

The staff personally delivered it and gave his sincere blessings when he handed it over. Su mu was a bit of a g-g.

Ye xiangnan asked Secretary li to pack two big red packets for this staff member to shut him up. In addition, he also gave out some wedding candy internally.

The whole of Starlight knew that President ye had already gotten his marriage certificate. What a sneaky operation.

However, su mu didn't know that. She thought that everything was the same as before.

in the afternoon, she and ye xiangnan went to the nursery again, and the director received them warmly.

Ye xiangnan took out his marriage certificate with pride. From now on, he was a certified person.

the director smiled slightly. after confirming, he took the tuition fee and then looked at ye jie."Little ye Jie, do you want to go and experience it today or go to class tomorrow?"

Ye xiangnan touched his son's head and said, you decide.

ye jie looked at him eagerly. it was obvious what he meant. however, ye xiangnan found that his son was a little shy, and he didn't know who he had taken after.

he patted his son and smiled. " go ahead. your mother and i will wait for you to come home from school. we'll take you out for a children's meal to celebrate. "

after all, ye jie was still young, so she said,"are you celebrating today's marriage with mom?"

the director and the teacher looked at each other and thought to themselves that president ye had really put in a lot of effort for the child.

Ye Jie didn't know about this. She happily held the teacher's hand and went to class. Ye xiangnan and su mu watched their son leave. After a while, they exchanged a few polite words with the director and then went out with su mu to find a coffee shop to sit down.

Su mu had thought that he was sitting here to wait for ye Xi to finish class. Unexpectedly, ye xiangnan went to the car and took out a laptop. He was reading the proposal while drinking coffee.

he was quite focused, and he was definitely not pretending.

Su mu was a little bored, so he took out his phone to play. She rarely had such free time.

After a while, ye xiangnan looked at her and found that she was actually playing Gomoku. He said with some disdain, " " this is for the elderly. su mu, do you play this? "

su mu bit his lower lip. " is there anything wrong with that? or is there a rule? "

"there are no rules, but you're outdated." Ye xiangnan said as he took her phone.

he lowered his head and opened a software. " starlight has just developed a new game. i've downloaded it for you. i'll get someone to give you the best equipment later. "

Chapter 4966: he wants to make a fake act real (1)

He made a call as he got off the game.

I don't know how to, " su mu said softly.

"i'll teach you." After he finished the call, his phone had just been downloaded. Then, President ye was dissatisfied again. this phone is too old. How can I use it? I'll get a new one.

su mu uttered "ah."

He made another call, and in less than ten minutes, the store staff came over with the latest models of mobile phones. Mr. Ye, this is the latest model, and the configuration is the best. Mrs. Ye can take a look and see which one you like.”

Before su mu said anything, ye xiangnan said, ” “Stay here and go to Starlight to get the check from my Secretary.”

...

The staff member thanked him and left.

Looking at the few boxes on the table, su mu was a little speechless.

She didn’t like this.

it was indeed very convenient, as if she could get anything she wanted, but these were not what she should get.

Ye xiangnan also looked down at the phones and smiled. which one do you like? ”

Su mu bit his lip. I don’t want it.

Ye xiangnan looked at the few phones on the table. He took a box and opened it, then put her card in it.

Then, he helped her download some essential software, and then started playing the game. Being a pay-to-win player was indeed satisfying. Even su mu felt good watching from the side.

ye xiangnan was playing and seemed to have forgotten that he still had a lot of work to do.

Su mu reminded him in a low voice, ” aren’t you in charge of official business? ”

Ye xiangnan glanced at her and said in a low voice, ” “That ... We’ll talk about it tomorrow.”

with that, he continued to play.

su mu was speechless. did he download the game for her or did he want to play it himself?

Because he was a pay-to-win player, he cleared the game after two hours.

Ye xiangnan threw the phone to her and said disinterestedly, "it's too easy."

Su mu was even more speechless. He took the phone and wanted to exchange the card. She didn't want to accept anything from him. However, ye xiangnan threw her old phone precisely into the trash can.

su mu:

"alright, consider this as compensation for you. these are interest." As he spoke, he pushed two more boxes to her, leaving an elegant black one for himself.

su mu felt it was quite strange.

Ye xiangnan raised his hand and looked at his watch. ye Xi's class is over. Pick him up from school!

Su mu followed him and walked to the door of the nursery.

The children came out in groups. They were especially neat, and each of their Small Faces was especially cute.

it was probably because their genes were better, but they all seemed the same.

Ye xiangnan and su mu were standing side by side, waiting for ye Jie to come out. It was a wonderful feeling that neither of them had ever felt before.

ye jie's class was the last to come out. as soon as ye jie came out, she was particularly happy and jumped around."Mom, dad."

The two of them were waiting, but he still chose to throw himself into his mother's arms.

ye xiangnan looked at him and dragged him out. " alright, you're a big boy now. you can't stick to your mother all day long. "

"I've only been with her for a while," ye Cha said, a little coyly.

Ye xiangnan glared at him.

ye cha was a little unhappy.

Su mu took a look at ye xiangnan and then carried ye Xun up. She comforted him gently.

after a while, ye jie came down obediently. blushing, she held su mu's hand with one hand and ye xiangnan's hand with the other. ye xiangnan was a little speechless."this kid, why is he so obedient to you? he doesn't listen to me and even talked back to me."

Chapter 4967: he wanted to turn the act into reality 2

because you have no prestige and didn't lead by example. su mu snorted.

They had already reached the car. Ye xiangnan opened the door and said, " How do I not have prestige? all the employees of Starlight are afraid of me.

"that doesn't count," Su mu lowered his eyes. I'm not really convinced.

ye xiangnan got into the car, adjusted the seat belt, and looked at the rearview mirror. he said in a low voice, " " how do you know that i'm not really convinced? su mu, in your heart, i've become useless just because i accidentally hugged you twice? "

He did not care that his son was in the car and coughed lightly. "if i didn't hug you, i wouldn't be human."

su mu was so embarrassed that he wished he could get out of the car.

...

After all, ye Cha was still young and did not fully understand what he was saying.

Ye xiangnan started the car. Su mu had thought that he would go to a cheap restaurant. After all, it was a place for children's meals and would not be very luxurious. However, he chose a top-notch France restaurant.

to be honest, su mu had never been to such a place, and she didn't like it much.

Ye xiangnan stopped the car and let her and ye Cha go in first.

Su mu was stopped at the door.

because she was dressed so ordinarily, and this restaurant was particular about evening dresses, the doorman said in a very reserved tone, "I'm sorry, Madam. This place is a membership system.

The so-called membership system was to deposit a certain amount of money before eating.

in this restaurant, the minimum deposit was one million yuan, and the VIP deposit was at least five million yuan. for customers of ye xiangnan's level, the normal deposit was at least ten million yuan. it was normal for a meal here to cost tens of thousands yuan per person. if there was a high-class meal gathering, it was also normal for a meal to cost more than a million yuan.

It was impossible for ordinary people to come here to eat.

Su mu was stunned for a moment.

"Mom, tell me dad's name," ye Jie reminded her in a low voice.

su mu nodded. "i was invited by mr. nan. he's parking the car. "

thinking of the south at night?

The doorman's expression changed slightly as he sized up su mu and ye Cha.

the child was well dressed, but the lady was very ordinary. the doorman obviously didn't believe her. he thought for a moment."then let's invite mr. ye over, and then we'll enter together."

su mu was embarrassed. at this moment, a few more customers came in.

One of them was an old acquaintance. It was Lin Lu.

Lin Lu probably came back from abroad to report to Starlight's headquarters. She was having dinner with her friends here, but she didn't expect to meet su mu.

besides, it was such a high-end french restaurant. there was no other possibility except that ye xiangnan had brought her here.

a touch of unkindness flashed across lin lu's eyes. she ignored su mu and called him ye xiangnan.

The doorman looked at su mu and then at Lin Lu.

Since Lin Lu and Mr. Ye had been here before, he let Lin Lu in.

all of this happened right in front of su mu and ye cha.

ye cha was quite hurt.

"let's not eat here, okay?" su mu squatted down and said in a low voice.

Ye Jie hummed in agreement. She was in a good mood, but now she was particularly depressed. She remembered the things she had forgotten before.

at this moment, ye xiangnan came over and looked at them.”why aren’t you going in?”

The moment the doorman saw her, he knew that he had gotten into trouble. This was the real Mrs. Ye.

the woman who was said to have given birth to a child for president ye.

the manager also came over. when he saw the scene, he asked what was going on.

Chapter 4968: he wanted to turn a fake act into reality 3

the manager also came over. when he saw the scene, he asked what was going on.

The doorman told him the truth because the membership card could only be used for one person and couldn’t be used for two tables at the same time.

Ye xiangnan frowned. He knew that Lin Lu had returned to the country in the past two days, but he didn’t expect her to come here again. He had brought her here for a meal once, but she didn’t have a card. It seemed a little too intimate for her to use his name and spend the money directly. He hadn’t been so intimate with any woman.

That was why he was unhappy.

su mu wanted to change the place to eat, so he said directly, ” manager Lin, put the food on Starlight’s account and let manager Lin pay the bill at Starlight. As for my membership, don’t give it to irrelevant people in the future, except for my wife.

He turned his body and motioned to su mu.

...

The manager was extremely f \* cking stupid. Was the door blind? this child looked exactly like President ye. Lin Lu was only a department manager and one of President ye's women. How could they let her in?

The manager welcomed them in with a smile. Su mu was extremely unwilling at first, and she didn't want to show off her superiority in front of Lin Lu.

After entering, the arranged seats were also close to each other. What a f \* cking dog.

su mu sat down and didn't say anything. ye cha's face was tense.

after ye xiangnan finished ordering, he held the wine and smiled. this is such a big deal. Didn't I make my stand clear? what's there to be angry about? "

"i'm not angry, and i have no right to be angry." "we don't need such an occasion in the future," su mu said indifferently.

"As Mrs. Ye, she must adapt to such an occasion." alright, stop it, " ye xiangnan said indifferently. the whole restaurant is watching us.

Su mu didn't say anything more, and neither did ye Cha. It was just that the two of them looked very unhappy.

Lin Lu was sitting across from him. At this moment, the manager went over to explain to her personally that she couldn't use the nightclub's membership card. The bill would be sent to Starlight, and she had to pay for it herself.

Lin Lu had come with her friends. She was treating, so this meal would cost at least 100000 Yuan.

Heartache was a small matter, and it was very embarrassing.

Lin Lu didn't know that she couldn't have a French meal after separating from ye xiangnan.

However, she knew that she couldn't lose her temper in this situation, and she didn't dare to show ye xiangnan any disrespect. So she raised her glass and toasted to ye xiangnan.

She knew that it was already ye xiangnan's honor that she could sit here without being asked to apply for a membership.

Ye xiangnan didn't pay much attention to her, but just nodded.

"you see," she turned around and said to su mu, "lin lu is quite decent. don't make a fuss over such a small matter in the future."

"i won't," "i'm not mr. ye's friend," su mu said, pursing his lips.

he laughed. "i think we're on the same marriage certificate."

ye xiangnan stared at su mu after saying that.

all of a sudden, su mu felt that something was not right. he had only collected a certificate, but what had happened in the afternoon on the phone, playing games, and now the french food.

While she was thinking, ye xiangnan had already spoken again, "I was a little cold to you in the past, so Qianqian, we got along really well this afternoon. Our relationship needs to get used to. We can't say that we'll be very happy in the future, but it shouldn't be hard for us to live a peaceful life.

in his opinion, su mu should be satisfied with his little pampering.

After all, he was well aware of how many women yearned and yearned for him.

usually, su mu was just an ordinary woman. he would not even take a fancy to her, let alone lie next to him.

she should be satisfied.

Chapter 4969: He wanted to turn the act into reality (4)

but now, su mu was obviously not giving him any face.

his soft coaxing was completely useless.

Ye xiangnan didn't look good, but because they were in a high-class restaurant and ye Cha was beside him, he didn't get angry.

however, none of them were very happy.

the french food was served very quickly. although ye xi was young, perhaps there was some kind of gene flowing in his blood, so he actually ate it in a proper way and learned it quickly.

Su mu had also taken etiquette classes in this area in University. He did not lose too much face, but he barely passed.

...

on the other hand, lin lu, who had lost face, was especially elegant and charming at this time.

ye xiangnan didn't pay much attention to her. after all, he had seen many women like lin lu. he didn't care much about her, especially when she wasn't beautiful.

this kind of woman had a common problem. she felt that she was special and wanted to have a place in men's hearts. in fact, she was really ordinary.

Lin Lu was a little disappointed. She thought that President ye could see the good in her in front of the ordinary su mu. However, President ye did not mean it at all.

Of course, ye xiangnan didn't mean it that way. A man with power like him could have any woman he wanted.

Lin Lu was also the one he used to relieve his boredom when he was in a bad mood. Now that su mu was so unhappy with him, he naturally didn't have the mood to relieve his boredom. He would still weigh between the child's mother and the woman outside.

At least, he would not embarrass su mu in front of him.

After the meal, she didn't take Lin Lu seriously. When she left, she signed the bill and left with ye Cha and su mu without even looking at Lin Lu.

lin lu pursed her lips, a hint of jealousy in her eyes.

The woman opposite her was her best friend. She knew that she was in a bad mood and tried to persuade her. su mu is so ordinary. President ye won't stay with such an ordinary woman for the rest of his life. Don't worry.

lin lu stabbed the food on her plate with a fork and said in a faint voice, "am i one of the many women around him?"

the woman's eyes widened. "you can't be thinking of becoming mrs. ye, right? lin lu, i won't advise you on other things, but you shouldn't have such thoughts. look at how old that child is. i saw how much president ye doted on him. he even married such an ordinary wife for this child. lin lu, bystanders see things clearly. i saw it for the truth. president ye might be fooling around outside, but it's really unlikely that he would divorce and remarry. have you seen anyone in the ye family change their wife?"

Lin Lu didn't want to give up. She let out a long breath.

listen to me, don't take things too hard. With your conditions, you can find any man you want. Why bother with a married man?" The woman tried to persuade him.

"If he and Qin yihuan get married, I won't have any other thoughts," Lin Lu said in a soft voice.

The woman sighed. Lin Lu, believe it or not, he would never marry you even if he divorced su mu.

"why?" Lin Lu didn't want to give up.

She was much better than su mu in all aspects, be it in appearance, knowledge, or any other aspect.

why did he marry su mu but not her?

The woman let out a long breath. "Can't you tell? su mu is an exception. no one can replicate this exception."

Lin Lu stopped talking.

she lost because she didn't have a child, while su mu got pregnant and gave birth to a child without a sound.

this woman was really shrewd.

Chapter 4970: He wanted to turn the act into reality (5)

Lin Lu gnashed her teeth in hatred. On the other side, su mu was in a bad mood. After all, she couldn't look Lin Lu in the eye after that incident.

Even if she didn't have any feelings for ye xiangnan, she didn't want to see his other woman.

In the car, su mu did not say anything. Ye xiangnan drove the car directly to his villa and even called Wen Yuan to tell him that ye Jie would stay at his place tonight.

Su mu didn't wake up until he finished the call. Then, he looked at him.

Ye xiangnan smiled. I asked you if you were going to sleep here. You said yes.

" let's go back. " su mu patted the window. " i want to go back. "

...

Ye xiangnan's voice was a little lazy. "Are you going to quarrel with me in front of ye Jie?"

su mu became more rational when he said that.

She sat in the car and looked at the building in front of her.

she didn't have any good memories here. instead, she left in a sorry state.

su mu lowered his eyes and said,"i'll stay for a night. i still have to go back." Mr. Ye, we've already agreed on this. We'll just get our marriage certificate and nothing else will change."

Ye xiangnan put his hands on the steering wheel, looked at ye Cha behind him, and raised his chin. "Ye Jie, you go in and find grandma Chen first."

Ye Cha responded with an "Oh," but did not move, still looking at them.

His face was full of worry.

after all, it was his parents who were quarreling. he couldn't be indifferent. he was very angry with his father before, but he was still a child. as long as the adults were a little better to him, he would immediately soften.

This was how cute little baby was.

he didn't move. ye xiangnan looked at him and said seriously, " "i won't bully your mother."

"dad, promise me." ye jie was not at ease.

"Okay, I promise," ye xiangnan nodded.

Ye Jie was relieved. She opened the door and got out of the car.

su mu, on the other hand, didn't move.

the door was closed. after ye xiangnan made sure that ye jie had entered the hall, he locked the door from the inside.

This was an old trick of his.

Su mu didn't believe that he would dare to do anything to her in front of her house. She was not in a hurry and just looked at him calmly.

"It seems like you're not afraid of me at all." ye xiangnan rubbed his chin and smiled meaningfully. "i don't know if this is a good or bad thing. "

He didn't like women to have a temper, but it seemed that there was no point in trying to please him.

Su MU's attitude was quite interesting. He ignored him and did not buy his words. In the past, he thought that she was putting on an act. However, after what happened with Shen Wenxuan, he realized that she really had no interest in him.

she didn't take him seriously at all.

on the contrary, she liked shen wenxuan, who wasn't much.

Of course, he had to admit that Shen Wenxuan was outstanding, but so what? compared to him, ye xiangnan was destined to be ordinary. In a place like B city, one could not be called a rich family just because they had a little money. Only the rich and powerful like the ye and Wen families were the socialites who desperately wanted to marry into the family.

Of course, there were also the Qin family and the Tang family.

For the past few years, most of the Tang family's business had been overseas, and the Qin family had almost monopolized the domestic market. Needless to say, Shen ting had married Qin yihuan, and Qin Xuan had become a single man. However, it was likely that he had been trapped by Bai Anan, which meant that the ye family and the Qin family were in-laws.

This was the Alliance between the strong.

the principle of the upper-class society remained unchanged, and many people could not squeeze into the circle.

however, su mu didn't even look at them. in her eyes and heart, there was only her first love in college.
