

Thank you 4981

Chapter 4981: Yes, I'm jealous of him (3)

He still had a careless smile on his face. He reached out his long and beautiful fingers and hooked her chin as if he was teasing a little pet. you're still angry about what happened last night. Didn't you kick me out? why are you still angry? ”

Su mu glared at him.

Last night was not a good experience.

Ye xiangnan maintained this expression, a faint smile on his noble and good-looking face. Suddenly, he seemed to have thought of something. Oh, did you just say that I was jealous? ”

“Mrs. Ye, you're absolutely right. I'm just jealous of Shen Wenxuan! how do you feel about me being so direct?” he teased her, thinking that it was quite fun.

recently, starlight's crisis had passed. under his pressure, the people under him worked hard to achieve results. now starlight was very popular, so he had the mood to play.

...

su mu was his greatest joy now.

trapped by him and unable to get up, su mu could only glare at him.

He was really detestable, and she did not like him either.

Yes, he had power, a lot of money, and was especially good-looking, but all of this had nothing to do with her. The only person she had a relationship with him was ye Jie.

Su mu didn't look good. He didn't give him any face and said directly, ” I'm not your Mrs. Ye. Mr. Ye, you've got the wrong person.

according to the civil law, there are many articles that state that a husband and wife should fulfill their obligations. Should we let our legal team's lawyer Shen read it out to Mrs. Ye? ” He whispered in her ear and even snorted at the end.

it was especially detestable.

Su mu felt that he had been tricked again. She was like a little bug in his hand when she thought about him at night. He could make her unable to struggle or pinch her to death whenever he wanted.

She raised her head. let me go.

“i don't want to.” ye xiangnan stared at her, and his eyes suddenly darkened.

It seemed that he was going to kiss her. Su mu turned his face to the side, feeling a little embarrassed and angry. ye xiangnan, did you call me here to tease me? ”

“There's something else besides pranking.” He didn't care.

At this moment, the door suddenly opened. Secretary li was holding a stack of documents and wanted President ye to sign them, but what did she see?

She felt that she was going to sh * t very badly. President ye and Mrs. Ye were having an intimate moment, one-sided cultivating their feelings.

secretary li swallowed his saliva. ” “i'm sorry, president ye, please continue.”

with that, he closed the door.

Ye xiangnan didn't look good. He turned around and looked at su mu, only to find that su mu looked even worse than him.

thus, his mood was quite good. he smiled gently and asked, ” why? are you not happy? ”

Su mu pushed him away. I'm leaving. You're so boring.

just as she was about to leave, he suddenly grabbed her arm and threw her onto the sofa.

Nothing happened as he had expected. He just took the bottle of brandy and poured a few glasses of it into her mouth.

Su MU's alcohol tolerance was not good. She fell asleep after drinking a few small glasses. He was considered to be a good drinker.

Ye xiangnan sat on the sofa beside her and touched her face with his fingers.

her face was a little hot, because of the alcohol.

"if i don't say anything, you won't be able to leave," he said in a low voice.

at this moment, su mu's phone rang. he took a look and found it was his mother.

Hence, he helped her pick up. mom, I miss Nan. You're looking for su mu?"

Chapter 4982: Yes, I'm jealous of him (4)

Wen Yuan was a little stunned. why are you answering the phone? is su mu with you? tell her not to forget to register in the afternoon. I've already informed the sun daily.

Ye xiangnan paused for a moment and then said lightly,"something happened to su mu here."

"What is it?" Wen Yuan was rather concerned. He then said in a hurry, " " don't bully her. it's not easy for su mu to give birth to a child alone. "

Wen Yuan had never asked, but one could imagine what the SU family was like.

this was also what she admired about su mu. he did not act pitiful and was quite independent.

after wen yuan finished speaking, ye xiangnan coughed lightly, ” ” i didn’t really bully her. i just made her drink a little. su mu is asleep now. i don’t know when she’ll wake up. ”

...

wen yuan was furious when he heard that. ” ye xiangnan, isn’t this bullying? ” don’t use the same tactics you use on other women on su mu. she’s your wife and ye xi’s mother, right? is this how you usually set an example in front of ye xi and treat his mother?”

“Where are you guys?” she asked.

He couldn’t still be in the villa at this time, right?

ye xiangnan knew that his mother was overthinking, but it was normal for her to overthink.

he told her the truth. ” he’s in the company. okay, mom, just say hi to him and tell him that su mu has something to do tomorrow morning. ”

Since he was already drunk, he might not wake up in the afternoon. It was better to say hello in advance than at the last minute.

wen yuan could not do anything to him. he warned him again and again before hanging up the phone.

ye xiangnan looked at his phone and then turned it off.

Then, he carried su mu to the lounge. Of course, he wouldn’t take advantage of him. What was the point of that?

After putting su mu down, he went back to his office to continue his work. There was a small group meeting at 10:30 in the morning. Only the top management of the company was qualified to hold it. It was discussed on the sofa in ye xiangnan’s office.

President ye did not mention that Mrs. Ye was in the lounge, so the team meeting lasted until two in the afternoon. Su mu woke up.

she sat on the bed in the lounge, feeling a little dizzy.

She looked around and couldn't remember what had happened before, but she still got up unsteadily.

She didn't know where her shoes were, so she could only walk barefoot on the soft carpet. The carpet absorbed the sound of her feet, so the men who were discussing business didn't notice.

However, ye xiangnan turned his head and saw su mu.

he frowned and his gaze fell on her bare feet. then he said in a deep voice, "Let's go in first."

Su mu was dazed for a moment before he realized that he was in ye xiangnan's office. He was not alone. He was in a meeting.

the higher-ups heard that president ye had registered their marriage and didn't think much of it at first. but now, they saw that the couple was quite loving and president ye even let mrs. ye sleep in his office. how loving was this?

Everyone revealed an ambiguous smile.

Ye xiangnan was a man, so he naturally knew what they were thinking. He was a little unhappy and indifferently signaled them to leave.

After the crowd dispersed, su mu was still standing at the door of the lounge. He wanted to reprimand su mu, but when he walked over, he realized that su mu was still drunk and had not woken up.

Sighing, ye xiangnan touched her face. It was still hot.

This was the wine that hadn't been returned?

but very quickly, he felt that something was wrong.

It was abnormally hot.

Chapter 4983: serve her humbly (1)

without thinking, ye xiangnan put his hand on her forehead, and then his face turned a little ugly.

Damn it, she had a fever.

looking at her helplessly, su mu also looked back at him as if he was unconscious.

didn't she feel uncomfortable with such a high fever?

At least, he could see that her eyes were covered with a layer of mist and she looked quite silly.

"what alcohol tolerance?" he mumbled and then carried her up. he wanted to let her go back to the lounge, but su mu was unwilling and struggled.

...

Ye xiangnan had no choice but to place her on a set of sofas in front of the floor-to-ceiling window.

he then went to press an internal line."Secretary li, get a doctor here."

Secretary li was a little surprised. Who was sick?

what did president ye do?

Ye xiangnan hung up the phone, took a cup, and poured a cup of hot water for su mu.

“have a little,” he said as he placed it in her hand.

he felt that it was quite troublesome. if he had known that she would have a fever, he probably would not have fed her wine.

now that it was like this, he couldn't throw it out, so he could only take care of it.

Su mu held the cup of water but didn't drink it. His eyes were a little straight.

“The doctor will be here soon.” he said in a low voice.

Su mu put down the cup and turned around to lie on the back of the sofa with his chin on the back of his hand.

He looked outside quietly.

ye xiangnan didn't know what she was thinking or if she was sober, but he wouldn't torture her now that she was sick.

he let her be in a daze and went to deal with work.

After a while, a soft voice came from the sofa. “I'm hungry.”

He looked up, a little surprised, and then laughed. He pressed the internal line again.”secretary li, prepare two sets of food. Don't be too greasy.”

“It's already booked. It'll be here soon,” Secretary Li said.

About five minutes later, Secretary li came over with a doctor and a large lunchbox.

At the sight of su mu lying on the sofa with the smell of alcohol in the air, Secretary li sighed inwardly.

He knew how to play.

Couldn't President Ye's bad taste be left at home? why did he have to make it so ugly in the company?

she put down her things. " President Ye, this is Doctor Lin from the company's infirmary. she's quite good at medicine. "

Ye Xiangnan nodded and sat down on the sofa by the French window. he patted Su Mu's shoulder and said, " "Let the doctor take a look."

Su Mu was quite obedient and looked at him.

Later on, when the doctor asked her to stretch out her tongue, she would do so. When the doctor asked her to measure her body temperature, she would do so obediently like a child.

Doctor Lin didn't know whether to laugh or cry. President Ye, Mrs. Ye already caught a cold and she drank too much. She should be more careful in the future. She can't drink when she's sick. Besides, from her physical condition, she did suffer some losses when she gave birth. She was malnourished.

malnutrition?

"what do you mean?" Ye Xiangnan frowned.

Doctor Lin had actually heard about Mrs. Ye's legend, so she made a bold guess based on her visual observation. " maybe she didn't live well during her pregnancy and didn't have enough nutrition. It's probably the same after giving birth. It looks like she hasn't taken care of herself in the past few years.

Mrs. Ye was really skinny.

Ye Xiangnan thought about it and found that she was indeed quite thin.

His gaze fell on Su Mu and his fingers brushed through a strand of her hair. she would not let him touch her usually, but she was still drunk and did not push him away.

ye xiangnan had a strange feeling in his heart, and then he said, ” “Is there any way to make up for it?”

Chapter 4984: serve her like a lowly servant (2)

Ye xiangnan had a strange feeling in his heart, and then he said, ” “Is there any way to make up for it?”

Doctor Lin laughed. it’s hard to fix, but it depends on the person. If life goes well, there’s less pressure. I’ll be fine in less than two years. I’m still young, after all.

mrs. ye seemed to be only 24 years old. there were still benefits to being young.

ye xiangnan frowned and said in a low voice, ” “Is her body suitable for work?”

doctor lin smiled and said without thinking, ” ” of course, it’s best for mrs. ye to recuperate. it’s best that she has this condition. also, it’s best that she doesn’t drink alcohol. her body may be allergic to alcohol and various drugs. ”

Ye xiangnan thought of the morning-after pill last time, and his expression changed.

...

secretary li glanced at him.

Her boss glared at her, and Secretary li did not dare to look at her anymore. She leaned over to doctor Lin and asked, ” ” then, i’ll prescribe you some medicine. are there any precautions? ”

doctor lin smiled at su mu. ” Mrs. Ye looks like she hasn’t sobered up yet. Take some fever medicine. You might have to feed her.

as for the food that he had not eaten, he probably had to feed it.

Secretary li understood tacitly and laughed secretly.

president ye's bad taste had really toyed with her.

She went back to her office and edited the video before spreading it.

It was rumored that President ye doted on Mrs. Ye so much that he let her sleep in his lounge during the day.

president ye had even fed mrs. ye wine until she had a fever. now, he was feeding her medicine and food, serving her in a low and humble manner.

everyone in starlight was eating watermelons and talking about it with great relish.

However, there was one person who was disturbed by the rumors. He stood quietly in the private office of the legal team on the 18th floor and looked at the scenery outside the window.

shen wenxuan knew very well that ye xiangnan had his eyes on su mu. su mu couldn't escape from being his wife no matter what.

he had just made a call to his teacher, and lawyer chen had spoken to him over the phone, hoping that he could stay in starlight.

shen wenxuan said that he would consider it. after hanging up the phone, he heard his secretary gossiping outside.

shen wenxuan had heard it even though he didn't want to, even though they stopped talking about it after seeing him.

He didn't blame anyone. Who didn't gossip at work, not to mention it was president ye's private affairs.

he knew that su mu couldn't drink, but ye xiangnan forced her to drink in the office.

He was quite annoyed, but what could he do?

In ancient times, there was a saying of eloping without caring about anything. But now, where could he go? su mu would not give up on his son even if he was willing.

Shen Wenxuan finally understood that su MU's life would only be better if he completely let go of him.

Today, ye xiangnan was not targeting su mu but himself.

He looked at his phone for a long time before he sent a message to his sister, asking her to arrange a blind date.

although shen wenyuan was surprised, she was happy that her brother was sensible.

shen wenxuan put down his phone and sat on the sofa, still looking out of the window.

some stories were destined to end before they even started.

*

After doctor Lin left, Secretary li wanted to stay in the CEO's office but ye xiangnan chased her away.

he and su mu were the only two people left in the huge office.

su mu lay on the sofa again quietly. if his eyes were not open, he would have thought that she had fallen asleep again.

"Time to take your medicine." He reached out and touched her face.

He placed the medicine in his palm and let her come over to take it. This was already a very good attitude.

Chapter 4985: Serving her in a humble manner (3)

he placed the medicine in his palm and let her come over to take it. this was already a very good attitude.

however, it was still like feeding a dog.

su mu was still in a daze. he just did whatever he was told to do. he lowered his head and took the medicine from his palm. then, he frowned. it was bitter.

“Drink some water!” Ye xiangnan handed her the water.

this is the first time I’ve served someone like this, ” he complained. I’m not like Shen ting, who’s a natural Lackey.

qin yihuan had probably been conquered by that wave of gentleness. ye xiangnan felt uncomfortable just thinking about it.

...

He, young master ye, had been handsome since he was young. He had good grades and was outstanding in all aspects. Shen ting had destroyed his life, and then su mu had come. This one had directly brought a son over.

It was really great.

Su mu was still in a daze. He didn’t drink the water properly and even his clothes were drenched.

He looked quite embarrassed.

Ye xiangnan felt that he owed her a lot, but he couldn't get angry. After all, he was the one who made her drunk and sick.

as he helped her deal with it, he mumbled, " "What kind of bad luck do I have to be in such a miserable state to have to serve you?"

She really couldn't wear her clothes anymore, or her condition would probably get worse. He could only carry her back to the lounge. She refused, so he used some brute force to help her change out of her clothes. He took his shirt and coat from the closet for her to change into.

After that, he was really afraid that she would dirty her clothes again, so he fed her directly.

young master ye had never done such a thing before. in the past, shen ting had always taken care of yihuan when she was sick.

While feeding him, she fixed her eyes on su mu. Just as the doctor had said, she was indeed very, very thin.

His shoulders were covered in ribs.

he didn't know where she got the strength from, as she usually carried ye jie.

ye xiangnan fed her a few mouthfuls randomly, but he really couldn't feed her, and he didn't have the mood to eat.

after feeding him, su mu refused to sleep and sat on the sofa.

He was sure that she was still drunk.

He still had work to deal with, so he had to let her stay there. He even threw a coat for her to wear.

Secretary li came over to pack up and saw that one of them was working while the other was lying on the sofa looking outside.

secretary li actually felt that it was quite harmonious. president ye was not as unreasonable as she thought. wasn't he taking good care of her?

she packed her things and left the room. at the door, she thought to herself.

perhaps president ye was not completely unmoved. he more or less had some feelings, or at least some subtle feelings that he himself could not understand.

It was normal for a rich family to have another child. No stepmother dared to make things difficult for ye Jie, but President ye insisted on marrying su mu.

It sounds pretty sweet and devoted ~ Secretary li felt like he had just gotten something.

The door closed, and the office was quiet again.

Ye xiangnan was busy with his work. His pen was scribbling on the paper.

after an unknown period of time, a weak voice came from the other side," mom, don't! I don't want to abort this child. I'm begging you.

ye xiangnan suddenly raised his eyes, and his dark eyes fell on her.

su mu was mumbling in his sleep. she had a nightmare.

As for what kind of nightmare it was, ye xiangnan didn't need to ask to know.

he put down the pen in his hand and slowly walked over ...

su mu's forehead was covered with fine sweat. when he touched it, he felt cold.

she was frozen there and very thin, so she looked a little pitiful.

Chapter 4986: serve her humbly (4)

Ye xiangnan's finger was about to leave, but it fell back down and rested on her forehead.

"does it hurt? was it especially painful at that time?" that's why he's so skinny.

He even thought of the pitiful dogs by the roadside, barking and asking for food, but there was nothing.

they could only shrink in the corner and endure the cold and hunger.

president ye's imagination was very good. just by thinking about it, he put himself in it.

He carried su mu to the lounge and let her sleep in the quilt. She made a fuss about coming out.

...

In the end, he had no choice but to hug her together with the blanket.

su mu was still very cold. in the end, he only felt a little more at ease when he laid in his arms.

Ye xiangnan looked at the time, took out his cell phone from his pocket, and called Wen Yuan. He told him to pick up ye Xi because he couldn't leave and su mu was sick.

wen yuan was quite worried and wanted to come over to take a look, but ye xiangnan said that it was not a big problem.

Wen Yuan thought about it later. For the sake of su MU's reputation, he endured it and prepared to pick up ye Jie.

after picking up ye jie, wen yuan brought him home.

starlight headquarters.

after work, the employees left work one after another, but ye xiangnan's car was still there.

After Mrs. Ye went up, she didn't seem to have come down.

at around eight o'clock in the evening, the last round of staff on duty walked past the parking lot and saw that president ye's car was still there.

Wow, so strong. President ye hasn't rested yet.

the top floor of the president's office was quiet.

When su mu woke up, it was almost half-past ten.

the reason why he didn't wake up was that no one was disturbing him. ye xiangnan had even turned off his phone.

as soon as she moved, ye xiangnan also woke up and looked at her with his eyes wide open.

The lights were off in the lounge. It was bright during the day and the windows were French.

when she woke up, she saw half of B city's night view opposite her. the room was dark, and there was only a faint light.

it was quite beautiful. if it were a couple, it would be very romantic. unfortunately, they were not.

su mu bit his lip and said in a low voice, "What time is it?"

ye xiangnan's arm was almost numb. he stretched out his hand and turned on the bedside lamp. it was a little dim, but it was not glaring.

He raised his hand and looked at the time. it's past ten O'clock.

su mu immediately sat up and pulled her down. ” “what’s the hurry? my mom went to pick up ye jie.”

did he look like someone with such a low iq?

Su mu heaved a long sigh. He felt that he was covered in hot sweat and was not very comfortable.

Ye xiangnan also felt it. He sat up slightly and turned to look at her. “Go and take a shower. I’ll get someone to send some clothes over.”

It was fine here, but she couldn’t go out wearing his clothes.

su mu looked at him.

he took out another shirt from the cabinet and threw it to her. ” “wear this first.”

he set the temperature to 28 degrees.

su mu was fully awake now. he went to take a shower. ye xiangnan followed him and made a phone call after he came out.

“The clothes will be sent over in a while. Take your medicine first and stay at my place for the night.” He said in a low voice. His voice was a little low, and it seemed a little gentle in the middle of the night.

Su mu was sick and had been forced to drink by him, so he was soft and had little resistance.

she didn’t insist. one more night wasn’t a big deal.

Or perhaps he was the gentleman he was before.

Ye xiangnan curled his lips. miss su, don’t think too much. I don’t like a bunch of bones.

Su mu glared at him, but he was quite good-natured. “Let’s go out for dinner later.”

Chapter 4987: Serve her humbly (5)

Su mu glared at him, but he was quite good-natured. “let’s go out for dinner later.”

su mu was drying his hair. he was only wearing his shirt.

Ye xiangnan’s eyes fell on her, making su mu feel quite uncomfortable.

He moved away and snorted. what do you think I’m looking at? it’s all ribs with little meat.

What was there to see?

It didn’t look good, but he still took a few more glances at Yingluo.

...

Wu ~ so fragrant!

She was drying her hair when ye xiangnan brought a hairdryer over. “Blow on it, or you’ll catch a cold again.”

su mu looked at him and accepted it in silence.

he seemed to have gotten used to taking care of her, so he went to get some water and medicine for her to take.

it was his fault that she did not thank him. he was the one who fed her the wine.

she would be fine even if she didn't drink.

ye xiangnan was tidying his clothes when the poor secretary li came and opened the door.

he opened his eyes wide. oh my god, president ye was stunned.

and mrs. ye.

This scene was really a little painful to the eyes.

Secretary li really didn't dare to look at it. He put the bag away and said, " President ye, Mrs. Ye's clothes.

then, she even nodded at su mu as a greeting.

It was obvious that su mu was very doted on now. President ye had been accompanying her to take a nap during the day.

one had to know that president ye rarely put aside his work, let alone for a woman.

Secretary li felt that it was time for him to take a side.

she had to stand on su mu's side and bet that su mu could secure his position as mrs. ye.

Secretary li even made a gesture of encouragement and left in satisfaction.

Su muman was speechless.

ye xiangnan tidied up his clothes and looked at her. "Change your clothes and go eat."

at this time, it was almost eleven o'clock. if they ate, it would be considered a midnight snack.

Su mu took the bag into the changing room and closed the door.

Ye xiangnan stared at the door. After a while, he smiled and didn't say anything.

After a few minutes, su mu came out. Ye xiangnan sized her up indifferently.

Secretary li had good taste and picked out a wool dress for her. It suited her skin well and made her shoulders look thin and slender, making her want to hug her.

put on a coat, Zhenzhen. ye xiangnan took out a windbreaker from his closet and gave it to her. It was a medium-long one, but it fit her unexpectedly well.

ye xiangnan looked at her and said in a low voice, "let's go," he said.

Su mu pursed his lips and walked out with him.

The night was late.

The city's prosperity was also about to come to an end.

The parking lot was also quiet and empty.

ye xiangnan walked to his car, opened the door, got in, and opened the door of the passenger seat.

su mu sat beside him and said in a low voice, "I'll just cook a bowl of noodles when I get back."

ye xiangnan put on his seat belt and said casually, "doctor lin said you're malnourished."

Su mu was a little ill at ease, as if he had been seen through.

Ye xiangnan sat down, his hands on the steering wheel, his eyes looking forward. "Take a good rest."

she didn't object anymore. ye xiangnan started the car and asked her casually while driving, "What do you want to eat?"

su mu turned his face to the side and looked at the night sky outside the window. after a while, he said softly, "chinese food will do."

"i thought all women would like french food," ye xiangnan said with a smile.

Su mu didn't say anything, but she was thinking that it was because the women he dated all ate French food.

She didn't say anything more and sat quietly beside him.

Chapter 4988: the sudden gentleness (1)

In the end, ye xiangnan took her to a Chinese restaurant. It wasn't particularly high-end, but it was clean and special.

He stopped the car. the pork bone soup in here is very good. Drink more later.

su mu followed him out of the car.

Surprisingly, even though it was very late, there were still many people in the restaurant. It was almost full.

There weren't any VIPs in this kind of place, so ye xiangnan barely managed to find a table and sit down.

The waiter came over to order. It was not his first time here, so he directly ordered a bowl of bone soup and a few other stir-fried dishes.

...

su mu's eyes fell on his fingers that were holding the menu. his fingers were really beautiful.

It was a spicy seed with distinct joints.

as he looked, he was a little lost in thought.

When ye xiangnan closed the menu, he looked at her expression and laughed silently.

" my wife doesn't eat spicy food, " he said to the waiter. " don't put in any spicy food. thank you. "

The waiter was also mesmerized by the noble young master ye and didn't come back to his senses for a while. Then, he stammered and repeated, " "this madam, what doesn't ran ran eat?"

Su muman was speechless.

Ye xiangnan had a bad taste and repeated, " "my wife doesn't eat spicy food."

su mu pretended to pour a cup of tea and choked after a sip.

Ye xiangnan's lips curled up slightly, but he didn't say anything. He just patted her back a few times, which looked quite loving.

The waiter's eyes flickered again. He felt that this good-looking and Noble man was gentle to women.

This woman is so lucky.

she was so envious that she took the menu and left.

Ye xiangnan took a sip of tea and smiled, " " you're so happy just because of a meal. i don't know how happy you'll be in the future. "

Su mu couldn't stand his shamelessness and snorted, " " i don't think i'm happy. mr. ye, don't flatter yourself. "

ye xiangnan put down the cup in his hand. " i put aside my important work and served you the whole day. you don't even say thank you? "

"Thank you," he said. Su mu said it directly, but he didn't sound so sincere.

ye xiangnan felt that he was the kind of person who would stick his face to her.

he smiled faintly and did not say anything else.

When he didn't speak, he was very noble and especially charming. Because of his good looks and good temperament, he was the focus of attention when he sat here.

he was used to such attention and did not mind it, but su mu thought that he was too ostentatious.

It was too beautiful and too exquisite.

in the past, she didn't think that it was normal for a child to be more beautiful, but she felt a little pressured when she sat opposite such a big one.

just as she was letting her imagination run wild, ye xiangnan leaned back in his chair and chuckled, " "I don't even care about this, but you seem to care. Or are you secretly happy?"

Su mu was so angry that he directly ignored him and ignored his words, in case he was fooled.

Ye xiangnan was in a good mood. At least he found some fun other than being with some famous ladies or smart women like Lin Lu.

the dishes were quickly served. the first was the bone soup. it was a big pot, and it was steaming hot. it looked particularly appetizing at first glance.

in addition to the big stick bones, there was also corn, lotus roots, etc., which were fragrant and soft.

even su mu, who usually didn't pay much attention to food, was hooked. he took a bowl and wanted to scoop soup for himself.

ye thought of young master nan ting as he sat there."help me fill a bowl too."

[yaoyao has released a new book ~~ the title is 'she's spoiled by the bigshot'~]

It was rumored that little Bo's wife was very talented.

Painting, racing, playing the piano, mixing fragrances, and so on.

Mr. Bo said with relief,"it's all thanks to my peers."

there were also rumors that little bo's wife was very brutal.

She beat up many socialites who coveted Mr. Bo so badly that they couldn't take care of themselves. As a result, people often came to complain.

mr. bo was very protective,"little mrs. bo is protecting me, a weak man."

Everyone in North City vomited blood,"weak???"

mr. bo snorted coldly,"what? are you doubting my words?"

little mrs. bo smiled,"it's time to let you know what's called cruelty!"

– Close the door and release Mr. Bo!

Chapter 4989: the sudden gentleness 2

Ye thought of young master Nan ting as he sat there. help me fill a bowl too.

“why?” Su mu couldn’t help but argue with him.

” i’ll pay, ” ye xiangnan said matter-of-factly. ” of course, you have to serve me. ”

“Then I’ll pay,” su mu said straightforwardly.

Ye xiangnan looked at her and said,”can’t you be cuter?” you’re so stiff. how did shen wenxuan fall for you?”

he didn’t sound very happy, and su mu was not happy either. after eating a piece of bone, he said softly, ” “I don’t know, just like how I don’t know why you want me to marry you.”

...

“can it be the same? we got married because of a shotgun marriage.” su mu! ye xiangnan rolled his eyes at her. su mu, you better stay away from Shen Wenxuan.

“i don’t need you to remind me. i don’t want to hurt him.” Su mu scooped a bowl of soup for him and said softly.

ye xiangnan was drinking the pork rib soup that his wife had served him. he looked up and said, ” you have a deep meaning in your words. ”

“you can think whatever you want.” Su mu slightly pursed his lower lip.

ye xiangnan didn’t say anything else. after all, they had already collected the marriage certificate, so su mu couldn’t do anything.

After drinking a bowl of big bone soup, her whole body felt warm. Then, they started to stir-fry some vegetables. They all tasted pretty good.

After ye xiangnan finished his meal, he looked at su mu and said, "you're so skinny. drink another bowl."

Su mu wiped his lower lip. it's almost done. I can't eat any more.

He had interacted with her many times and realized that she did not seem to eat snacks much except for the main course. She also rarely ate fruits.

That's why she's so skinny, right?

fortunately, he was not ugly and looked decent.

while ye xiangnan was thinking, su mu had already gone to pay the bill. he wanted to stop him, but on second thought, it seemed to be a good idea to let madam pay the bill.

when su mu paid the bill, he was still shocked. the pot of soup and a few stir-fried vegetables cost more than 1000 yuan.

ye xiangnan, who was standing behind her, probably knew that she was complaining in her heart. he chuckled and said, "pigs are precious now."

Su mu took a look at him and took out his small wallet to pay the bill. He felt quite pained.

ye xiangnan saw that she had only two or three hundred yuan left in her wallet after she paid the bill. he leaned to the side and smiled. "i feel so poor. it's so pitiful."

Su mu glared at him and walked out first.

Thinking of the South night followed.

the cashier's eyes were wide open-

Was it because, was it because she was eating with such a good-looking and Noble man that women were the ones spending money?

If she could, she wanted to treat this rich man to a meal. It would cost more than a thousand Yuan, so it would be good to look at him for an hour.

She was really good-looking, even more so than the current popular celebrity idols.

His entire body exuded a noble aura.

On the other side, su mu got into the car. When she fastened her seat belt, she said in a low voice, "You're doing this on purpose, aren't you? you came to a place like this to make your presence felt."

"You finally admit it?" ye xiangnan sat in the car and chuckled.

su mu bit his lip and said, "admit what?"

"admit that i'm good-looking. those women are all looking at me. " he laughed even lower, with a hint of naughtiness.

she had to admit that he was teasing her on purpose.

however, su mu's heart was made of stone and he was unmoved.

ye xiangnan was starting to doubt his own charm.

Su mu was still the cold and aloof one, but that was not right. She had liked Shen Wenxuan in the past.

no, it was probably because she still liked shen wenxuan and had someone else in her heart that she was not interested in him.

suddenly, ye xiangnan was in a bad mood. he didn't say anything, but his face was dark.

Chapter 4990: The sudden gentleness (3)

Su mu didn't know why his face suddenly darkened, but she didn't think too much about it. He had the temper of a young master anyway.

it was late at night, past midnight.

although su mu had slept for a day, he was still weak and fell asleep in the car.

Ye xiangnan turned his head to look at her, then turned up the temperature to tease him. His gaze on her was so gentle that even he couldn't understand it.

He didn't know why he was so good to her and why he would accommodate her.

Clearly, she was not the woman of his dreams. She was not good-looking and had a bad temper.

...

however, he was willing to accommodate. he even thought that if he could live a good life, he would probably be like his father, loyal to him until the end, and keep his chastity.

if she really cared about these things.

Later, ye xiangnan thought about it. This period of time was probably the most gentle he had been to her, and he was also somewhat sincere. He brought the title of Mrs. Ye and the sky-high wealth to her, but she was indifferent.

The person she loved and liked was the person she had to let go of when she was young.

However, at this moment, he didn't know that one day he would be so obsessed with su mu that he would want to destroy him if he couldn't have him or go crazy if she didn't love him.

at this moment, they were alone in the car, and his heart was filled with a rare tenderness.

This kind of gentleness would only be produced when he was with a woman.

even in the past, he rarely had feelings for yi huan because he grew up with her when they were young. in his heart, she had always been a young girl, but su mu was different. he was a woman who had given birth to his child.

He suddenly realized that su mu was actually not as old as ye Hui.

she was still very young and was forced to grow up.

when he looked at su mu, he had never treated her as a girl, but as a woman, whether it was when he hated her or now.

ye xiangnan's thoughts ran wild as he drove back to his villa.

Aunt Chen and the others had already gone to bed, and the lights in the living room of the villa were still on.

he used to go home alone.

tonight, he had brought someone back.

Su mu was in a deep sleep. She didn't wake up when he carried her.

ye xiangnan had no interest in taking advantage of others.

He lowered his head and watched her sleep.

she wasn't ugly. she was so thin that it felt like she didn't have any weight.

it was late at night, but he was in a much better mood. he walked straight to the master bedroom on the second floor and kicked the door open.

.....

Two hours later, ye xiangnan came out of the bathroom.

Su mu was still sleeping.

her face was buried in the pillow, and half of her face was covered by her black hair.

she was in a deep sleep and there were dark circles under her eyes. she looked pitiful, just like her wallet.

Ye xiangnan suddenly chuckled and pulled her hair with his fingers.

he had slept a lot during the day and was not sleepy at all. he sat by the bed and watched su mu for a long time before he went to the study to deal with the work that he had not done during the day.

as the ceo of starlight, he did not have an easy time.

at about 4:30, he returned to the master bedroom and slept together.

su mu was in a deep sleep. she didn't fall asleep when he came back.

However, the next morning, when she woke up alone in the master bedroom ...

She was stunned.

he sat up and looked at the black shirt he was wearing.

She was sure that this was ye xiangnan's shirt.
