

## Thank you 501

Chapter 501 big brother,! ‘m begging you!

it was night.

pei qiqi waited for tang xin to fall asleep before coming over.

after closing the door, tang yu wasn't asleep yet. he was sitting on the sofa reading a magazine. he had just taken a shower, but his black hair was still dripping with water.

pei qiqi was wearing a bathrobe that was his size. she pulled at it uncomfortably and walked over to him.

She knelt beside him and picked up a towel to wipe the water droplets on his hair. why didn't you dry your hair? ”

tang yan flipped through the magazine and said in a faint voice, ” aren't you here? ”

PEI Qiqi pursed her lips and secretly pinched him.

He didn't mind and just let her be naughty.

pei qiqi finally finished with his hair.

He had always been noble and unparalleled, and even if he was only wearing a white bathrobe, it was still extremely pleasing to the eye, especially his slender legs, which were straight and charming.

she put down the towel in her hand and saw that he had no intention of sleeping, so she buried her small face in his arms and said in a muffled voice, ” “It's 11 O 'clock.”

tang yu nodded and didn't say anything.

PEI Qiqi bit her lip and called out again, ” Tang Yu, aren't you going to sleep? ”

he finally put down the magazine in his hand, carried her over, and sat her down in his arms.

Her long black hair was scattered over her shoulders, and her eyes were full of love. In the middle of the night, she had an indescribable charm.

he wasn't a block of wood, how could he not guess what she was thinking?

She must be here to have children with him!

Tang Yu hummed in acknowledgment and carried her towards the beautiful bed.

she was carefully placed on the large bed, and her body was as small as a baby.

The light was yellow and the bed curtains were low. He was standing in front of the bed.

pei qiqi would be lying if she said she wasn't nervous.

she pursed her lips and looked at him anxiously. she had the tension of an ancient woman in the bridal room.

Finally, he slowly lay down beside her. The soft bed caved in slightly, and she was swept into a warm embrace.

Her cold little nose touched his warm neck. It was a little hot, and she was a little at a loss.

In the past, they did things because they wanted to do it. Now, they were doing it for the sake of having a child. PEI Qiqi didn't know what to do.

She pressed her warm lips against his neck and said with a trembling voice, "Tang Yu, are you asleep?"

His answer was a 'yes'.

pei qiqi wasn't an idiot ...

he was clearly not asleep, but he was pretending to be asleep. he was clearly teasing her.

He clearly knew that she wanted to have a child with him, but he was not in a hurry.

she bit him angrily with her small mouth. "bad guy."

tang yu laughed in a low voice. he grabbed her small body and pressed her down.

Her black hair drooped down and scattered on the side of the White pillow, and her delicate face was dyed red.

pei qiqi bit her lips and looked at him, "tang yu."

"call me big brother." he reached out to caress her delicate little face. "call me brother and say that qianqian is begging brother to want you!"

he was whispering into her ear and teasing her.

pei qiqi's face turned even redder and she glared at him, "tang yu, you're shameless."

"Then forget about Yingluo." He let go of her gracefully, looking disinterested, and then rolled to the side to lie flat.

only pei qiqi was left lying there. her bathrobe was in a mess and her face was red.

just like this?

Didn't he want it?

PEI Qiqi nibbled on her little finger and turned to look at him.

Tang Yu reached out and pulled her into his arms. His voice was a little hoarse, "time to sleep.

but, but she wanted to have children with him.

Thus, in his arms, she twisted and turned, refusing to sleep.

tang yu pushed her head away, "pei qiqi!"

Chapter 502 Big brother,! 'm begging you! you're! pervert (2)

pei qiqi felt a little wronged. she said she would have a child.

He was also Tang Xin's brother, so he should also help in this kind of thing.

however, he did not seem to be in a hurry.

He wasn't in a hurry, but PEI Qiqi was. She kissed his thin lips without a care.

She was fragrant and soft, and her small hands were wrapped around his neck. Her body was close to him, and he could not resist the temptation. Confusion.

Tang Yu lowered his head and kissed her passionately for a long time. Then, he stammered,

There was no then!

pei qiqi saw that tang yu was lying flat again and wanted to cry.

she bit her lip and hesitated for a long time. in the end, she still lay in his arms and pressed her little mouth to his ear ...

Her voice was soft like a kitten's meow. "brother, i'm begging you."

Tang Yu's body tensed up in an instant. He opened his eyes and then turned his head to look at that pretty little face.

His Adam's apple rolled uncontrollably, and his voice was so hoarse that it sounded like it had been scraped on rough sand. say it again.

she was not that embarrassed, probably because she had said it once.

she called him 'brother' even more softly and passionately, begging him to dote on her.

The result was that the hot-blooded big brother had turned into a Wolf.

The result was that PEI Qiqi was in a lot of pain ...

He didn't let her off even after calling him 'brother' the entire night.

finally, at two or three o'clock in the morning, he felt that it was enough. he rolled over and pulled her into his arms.

his large palm gently touched an indescribable part, with a touch of satisfaction unique to men. "baby, is that enough?"

pei qiqi couldn't have had more than enough, waah, he's changed! He made her accept all of him.

She couldn't be any more satisfied.

she bit her little mouth, then bit his neck, and sobbed softly.

he was too evil.

Tang Yu's heart was filled with an indescribable satisfaction. Tonight, she kept calling him "brother" and kept begging him.

others didn't understand this kind of bad taste.

At this moment, she was really frightened by him. No matter what, he had to coax his baby.

he reached out and patted her. his voice was a little warm. "be good. i'm not coming."

she turned over a little arrogantly and threw herself into his arms. her voice sounded a little aggrieved. "you said it was the last time."

and he had said it was the last time, and he had said it many times, but it didn't count.

tang yu chuckled. this little guy was so vengeful.

he stopped teasing her and carried her to take a shower. he then changed the bedsheets.

He rarely did such a thing, but his little girl had been tormented to the point that she was on her last breath, so how could he order her around?

They laid down together. PEI Qiqi snuggled in his arms and said softly, "Tang Yu, do you think I'll get pregnant tonight?"

at that moment, tang yu felt like he was a The feeling of a horse.

However, he didn't intend to tell her that she was in Yingluo's safe period for the next few days!

"if i can't get pregnant tonight, we'll try again tomorrow night." mr. tang was very easy to talk to.

pei xiao qi hugged him like she was hugging a piece of driftwood.

tang yu chuckled and hugged her to sleep.

for the next few days, tang yu didn't rest at all. his injuries that should've healed long ago didn't.

Pei Xiao Qi also went from jumping around to being a little dispirited.

Moreover, what made her the saddest was that she had worked so hard for so long, but she was not pregnant ...

It was because her Hanhan's period had come again.

It was still Yingluo that Tang Zheng found when he kissed her.

he looked up at her and smiled faintly. he moved himself to hug her and rested his chin on the center of her hair."Qi Qi, your thing is here!"

Chapter 503 big brother, i'm begging you, you're a good t-shirt (3)

PEI Qiqi looked at him in disbelief.

How could that be? didn't they work hard?

She didn't use any protection, so why wasn't she pregnant?

PEI Qiqi bit her lip and sat up. She looked so fragile and cute.

Tang Yu reached out and helped her fix her bathrobe. Then, he carried her and walked towards the bathroom.

her long hair was wrapped around him, and her small hand was hanging softly around his neck.

Tang Yu's voice was soft and warm, "are you disappointed?"

"mm." she buried her face in his shoulder. "i'm afraid i won't make it in time."

“I won’t!” Tang Yu patted her, ” you’ll get pregnant soon.

he placed her on the toilet bowl and said, ” you deal with it. ”

pei qiqi raised her head. his eyes were warm as he reached out and rubbed her head.

He gave a soft “Oh” and walked out.

pei qiqi finished and walked out. tang yan was standing in front of the floor-to-ceiling window in his bedroom. he had a cigarette in his hand but he didn’t smoke it.

only then did pei qiqi realize that he hadn’t smoked for a long time and didn’t drink much either.

obviously, it was in preparation for her pregnancy.

She hugged his waist from behind and put her face on his back, ” Tang Yu, although you said it’s for Tang Xin, Hanhan, do you have any expectations for this child? ”

he wanted to turn around, but she wouldn’t let him. she stubbornly hugged him.

this fool was wasting his time on a dead end again.

tang mo’s palm covered her small hand and his voice was a bit confusing in the middle of the night.”Qi Qi, there is! Although this child came a little early, I’m looking forward to it as long as it’s your child.”

he clenched his fist and stood with her in the endless night. their heartbeats slowly became in sync.

After a while, PEI Qiqi’s voice was soft, ” “Also, you’re not allowed to kiss me there anymore.”

It’s already happened twice, and he kissed Yingluo both times.

Tang Yu lowered his head and looked at her small, white hands. Then, he pulled her into his arms from behind and placed his chin on her head. His voice was especially elegant and alluring in the middle of the night, ” “You don’t like it?”

pei qiqi’s small hands clenched and she didn’t make a sound.

how, how could she not like him!

it was just that she had never thought that he would have such a hobby. yingluo didn’t even think that it was dirty?

“if it’s not yingluo, then it’s too yingluo.” her voice was especially soft.”i can’t stand it.”

after she finished speaking, she threw herself into his arms like a spoiled child, as fragile as a small animal.

tang yu’s fingers caressed her smooth, long, black hair and smiled, ” then, does our qiqi like it? ”

PEI Qiqi felt a little embarrassed but she still let out a cry. She found a certain part of him and bit it, ” “i like it.”

“don’t you think it’s dirty?” she asked softly.

he was such a noble person, but he liked such things.

tang yu chuckled and hugged her, ” “how can our qi qi be dirty?”

such a beautiful little thing. yingying, beautiful things are everywhere.

she obediently snuggled in his arms, and after a while, she popped her head out again. ” after we’re done with that, shall we try again? ”

In fact, he didn’t have to work so hard.

as for having a child, yingying only needed to do that.

but tang yu used everything he had never used before.

Mr. Tang coughed and looked down at her. “the more invested you are, the smarter the baby will be.”

oh.

pei qiqi didn’t say anything.

tang yu laughed again and carried her to sleep.

Her small hand clutched his bathrobe, and she buried her face in his neck, her voice warm. I’ll go back to accompany Tang Xin.

However, he had already held her in his arms and nibbled her little ear. Mr. Tang also needs you to accompany him.

Chapter 504 Big brother,! ‘m begging you! you’re! pervert (4)

In the middle of the night, PEI Qiqi was still willing to talk to him.

Tang Yu pressed against her little body and said in a warm voice, ” ” qiqi, let’s qianqian get married, okay? ”

they were no longer an ordinary couple. they were already prepared to have a child.

tang yu didn’t want to get married first, so he wanted to get married.

He also did not want to feel uncertain when he was hugging her.

he would only be at ease if she was willing to marry him.

sometimes, he found it a little funny that he would also become so worried about his personal gains and losses one day.

he was supposed to hug her from behind, but she turned around and wrapped her arms around his neck. she looked up from his arms and stared at him, ” tang yu, i signed a contract with grandpa. ”

She blinked her big eyes and looked extremely weak.

Tang Yu knew in his heart that from the moment the PEI Corporation and Lin Corporation started working together, she must have used something in exchange.

however, he still asked without changing his expression, ” “What did you sign?”

he didn’t look that angry. pei qiqi gathered her courage and said, ” ” it’s the condition of the cooperation with the lin corporation. wanwan won’t marry you, or you’ll have to pay ten billion. ”

tang yu took a deep breath to calm himself down. then, he pulled her ear and looked at her, ” “PEI Qiqi, you’re so capable!”

She let out a cry. It was a little painful, but she didn’t dare to make a sound.

Tang Yu didn’t know whether to laugh or cry! she still knew pain!

pei qiqi wailed and wanted to lie in his arms, but her little ears were held in his hands. she looked very embarrassed.

he glared at her for a long time before he released her and closed his eyes.”i’ll take care of this.”

pei qiqi laid on his chest and drew circles with her little finger, ” tang yu, you really have to pay. ” When she signed the contract, she didn’t think of making up with him.

tang mo sneered,”fool! Did you think that you took advantage of the old man?”

he knocked her on the head with his finger. ” you’re still helping the old man count the money even though you’ve been sold! ”

Of course, in the end, he was the one who was the sucker.

PEI Qiqi pouted, ” we don’t have to get married. Wanwan, that way, you won’t have to compensate us!

he was the one who insisted on getting married, and it had nothing to do with her.

so, in the end, pei qiqi shamelessly turned her back to him and slept. she yawned, ” tang yu, you’re the one who caused me to break the contract. of course, you have to take responsibility. ”

He looked at her small shoulders that were turned away. That delicate and soft look also had a little rascal look.

He really didn’t know what to do with her, but he really liked her.

in the end, tang yu just smiled and didn’t say anything else.

so be it. after getting married and working hard to have a child with her, they would live happily together.

these days, pei qiqi was so tired that she fell asleep very quickly.

Tang Yu, on the other hand, woke up for a long time. He was probably overjoyed, probably because he finally got the Kasaya.

“Qiqi.” He carefully hugged her from behind, his face pressed against the back of her neck, and there was an indescribable feeling in his heart.

This little fool Yingluo

PEI Qiqi was sleeping soundly the entire night. She didn’t know that Tang Yu had been watching her the entire night.

The next day, she woke up late. When she opened her eyes, the side of the bed was empty. Tang Yu was no longer in bed.

it was a little noisy downstairs. pei qiqi heard it and it sounded like someone was teasing tang zhiyuan.

She went to change her clothes and went downstairs.

on the stairs, she saw tang zhiyuan's angry face.

Chapter 505 whose child is tang xin?(1)

PEI Qiqi stood on the stairs and saw Tang Zhiyuan's angry face.

he stood apart from tang yu and stared at tang yu with burning eyes, " "i will never agree to you marrying pei qiqi."

pei qiqi stood there without moving. but soon, she saw tang xin beside her.

her lips moved, and her voice was hoarse. " Tang Yu's Xuanji "

She didn't want Tang Xin to know about this, but it was obvious that Tang Zhiyuan was so angry that he couldn't care about it.

he only knew that pei qiqi was the child of that b \* tch, zhao ke. how could he let tang yan marry such a woman?

tang zhiyuan was about to continue but tang yu stopped him with a dark expression, " tang xin, go to your room first. "

Tang Xin looked at her father eagerly, not knowing why he was so excited.

Did daddy not like Qiqi?

qiqi was obviously much cuter and prettier than sister shen lian. moreover, qiqi knew how to cook.

Tang Xin looked at him, her face a little pale.

Tang Yu called out to her. She slowly raised her head and looked at PEI Qiqi on the stairs. She softly called out, " "Qiqi."

pei qiqi forced a smile at her, trying not to make tang xin feel uneasy.

tang yu called the little girl and took tang xin to the sunroom.

only the three of them were left at the scene.

Tang Zhiyuan was here to take Tang Xin to the hospital for a check-up. He didn't expect to find out from Tang Xin that Tang Yu and PEI Qiqi had made up.

besides, grandpa lin and lin yun had agreed to it.

how could this be?

did no one care that she was born by that b \* tch, zhao ke?

Was there no one who cared about his feelings?

tang zhiyuan looked into pei qiqi's eyes with contempt, " " miss pei, i think i've expressed myself very clearly. you're not welcome here. "

pei qiqi lowered her eyebrows and smiled, " i know. "

tang zhiyuan's eyes were a little impatient. " then leave tang yu. "

“It’s not up to you to decide whether to leave or not.” tang yu walked to the bottom of the stairs and signaled for pei qiqi to come down.

She slowly walked down without a trace of hesitation until she was beside him, standing side by side with him.

Even Tang Zhiyuan felt that they were a good match in terms of appearance.

His temperament was the same!

but so what? pei qiqi was zhao ke’s daughter.

he said sternly, ” tang yu, don’t you care about your mother’s feelings? your mother has hated zhao ke for so many years.”

” but, the person who married zhao ke, became husband and wife with zhao ke, and gave birth to tang xin is you. ” Tang Yan sneered. dad, don’t you think that you’re the one who has the least right to object to me and Qiqi being together? ”

tang zheng was already very polite to tang zhiyuan.

However, Tang Zhiyuan was still angry. On one hand, it was because of PEI Qiqi and Tang Yu. On the other hand, it was because of Zhao Yi.

When PEI Qiqi and Tang Yu were together, it was like a sharp blade had taken root in Lin Yun’s heart. How could Lin Yun reconcile with her?

tang zhiyuan looked at tang yu and pursed his lips. his voice was a little hoarse, ” tang yu, no matter what, i’m against it. ”

“then you can continue to object! also, i don’t need your permission.” Tang Yu said lightly.

tang zhiyuan was stunned. he felt a little embarrassed.

After a while, he said in a cold voice, ” then you don’t care about Shengyuan anymore? I own 20% of Sheng Yuan’s shares. If I can’t ...”

Chapter 506 Whose child is Tang Xin?(2)

“then you should just hold on to this 20%! I don’t care.” tang yu’s expression was ugly.

tang zhiyuan looked even worse. he had never been so angry before. ” tang yu, for a woman, you’re willing to give up your family? ”

“weren’t you the same many years ago?” tang yu chuckled, ” he doesn’t want his wife and he doesn’t want his child. ”

he looked at pei qiqi, ” and qiqi, she is my wife now. ”

Tang Zhiyuan narrowed his eyes. He couldn’t believe that Tang Zheng would say that. He asked in a daze, ” you must be crazy. You’ll regret this. How can that woman’s child be good? ”

Tang Yan looked at him coldly. what about Tang Xin? ”

Tang Zhiyuan was stumped. After a long time, he said, "My child is naturally different."

"is that so?" tang mo smiled coldly.

He suddenly wondered whose child Tang Xin was.

Like PEI Qiqi, he was PEI Minghe's child?

that's not possible!

He narrowed his eyes and pursed his lips. He didn't say anything, but he already had a plan in mind.

suddenly, he asked tang zhiyuan, " have you visited zhao ke? "

tang zhiyuan was stunned for a moment. then, he said in a cold voice, " why would i go and see that woman? "

tang yu looked at him and after a long time, he said softly, " "actually, it's normal for zhao ke to look for a pretty boy."

Such a heartless man and such a cold husband.

Tang Zhiyuan only liked Zhao Ke because she was pretty.

He loved Lin Yun, but he cheated on her.

If he wasn't a good husband or a good father, what right did he have to give him advice on his life?

Under Tang Yu's cold gaze, Tang Zhiyuan left unwillingly.

pei qiqi raised her head and looked at tang yu's sinister face, " tang yu. "

he lowered his head and his expression softened. he looked at her and forced a smile. " what's wrong? "

PEI Qiqi hugged his arm, " I was the one who wanted to ask you what's wrong.

she didn't want him to be like this with tang zhiyuan because of her. although she didn't like that man, he was still his father.

Tang Yu patted her hand and said in a seductive voice, " "It's nothing!"

PEI Qiqi responded with an 'Oh' and didn't dare to say anything else.

"i will tell him. at least, don't let tang xin know." tang zheng lowered his eyes. " i won't let you see him alone again. "

he held her in his arms and did not say a word.

however, pei qiqi could sense that he had something on his mind. she raised her head and wanted to ask, but when she saw his expression, she knew that he wouldn't say anything.

they didn't know that tang xin had been standing at the stairs for a long time.

She looked a little dazed.

was qiqi that woman's child?

that woman ran ran, did daddy mean mommy?

Was Qianqian her sister?

But why didn't Qi Qi say anything?

tang xin just looked at it, and her eyes were wet.

She thought, if it wasn't for her sister, why would Qiqi be so good to her?

Before the little maid ran down, Tang Xin quietly returned upstairs.

just pretend she doesn't know, yingluo.

However, all of this had left a shadow in Tang Xin's heart.

Qiqi, why does mommy hate her when she's so stubborn?

When PEI Qiqi found Tang Xin upstairs, Tang Xin was curled up on the sofa in the bedroom and biting her fingers.

When she saw PEI Qiqi enter, she happily called out, " Qiqi.

There was a bright smile on her little face. Qiqi, has daddy left? "

PEI Qiqi nodded and walked over, " do you want to go back? "

Chapter 507 Whose child is Tang Xin?(3)

Before Tang Zhiyuan left, Tang Yu said he would send Tang Xin back in the afternoon.

tang xin looked at her, " qiqi, can you bear to let me leave here? "

that little gaze made pei qiqi's heart melt.

after a long time, she said softly, " i'm going back to my place tomorrow. "

tang xin looked at her for a long time, then let out a cry, and then lay down again without making a sound.

her little eyes were so pitiful.

pei qiqi didn't have the heart to hug her and didn't say anything. she just gently stroked her short hair.

After Tang Yu sent Tang Xin away, she was already in the car. But then, she ran out of the car and ran into PEI Qiqi's arms like a small train.

"qiqi." Tang Xin's voice was particularly clingy and also a little tearful, " "will you leave me one day, just like mom?"

pei qiqi was being hugged tightly by such a small person. she almost couldn't breathe.

her heart was a little wet and she looked down at tang xin, " how could that be? "

Her voice seemed to be choked with sobs. we will live together in the future.

Tang Xin's body trembled. She looked up with tears in her eyes, " will dad agree? "

PEI Qiqi's eyes were filled with warmth, " your brother is here.

tang yu also got out of the car. hearing pei qiqi's words and thinking about how tang zhiyuan made things difficult for her today, she didn't say a word and just threw everything at him.

There was an indescribable softness in his heart, and he felt that she really trusted him.

he reached out and pinched her little face, but his words were directed at tang xin, " "qi qi is right."

His eyes met with PEI Qiqi's. In his eyes, only they understood the deep love between them.

It was a pure love that had settled down after experiencing everything.

After staring at her for a while, Tang Yu grabbed Tang Xin's little arm and pulled her away. He turned to PEI Qiqi and said, " "here, i'll send you to work tomorrow. i might be back a little later, yingluo."

they had already agreed that she was going back to live there.

However, she was only going to work tomorrow, and he couldn't bear to let her leave tonight.

PEI Qiqi acknowledged and watched them get into the car.

Tang Xin sat down and watched Tang Yu drive. After a while, she asked in a low voice, " "Brother, where are you going later?"

Tang Yu started the car and smiled, " it's company business.

Tang Xin didn't ask anymore.

the car arrived at 'yan hui' but tang yu didn't go in. he only watched as tang xin walked in with her head lowered.

he held onto the car door and sighed.

Tang Xin was Qiqi's sister. Just like PEI Minghe, she was very important to PEI Qiqi.

he would always do his best for the people and things important to qiqi.

Just like now, as long as there was a glimmer of hope, he couldn't give up on saving Tang Xin.

He didn't want to see Qiqi sad and disappointed.

he didn't get in the car until he couldn't see tang xin.

The car drove straight out of the city.

In the evening, Tang Yu's car stopped in front of a Rehabilitation Center in the suburbs of C city.

As soon as he got out of the car, someone immediately received him and welcomed him in respectfully.

Ten minutes later, Tang Yu saw Zhao Ke.

Zhao Ke was wearing a grayish-blue labor suit. Her once beautiful long hair had been cut off and turned into short hair.

If she didn't say it, how could one tell that she was once the most beautiful woman in B city, and countless celebrities had fallen for her skirt?

Chapter 508 whose child is tang xin?(4)

when zhao ke saw tang yu, her eyes were a little dazed. her lips moved as well. she wanted to call out 'chongshan' but she immediately came back to her senses. the person in front of her was tang yu, not the person she was thinking about.

However, Tang Yu and that person were so similar.

Sometimes, when she looked at Tang Yu, she felt like she was with that person.

she slowly sat down across from tang yu. her dry lips moved, " how's tang xin and ran ran? "

tang yu didn't have much of an expression on his face. he didn't look tired after driving for four hours. he looked at zhao ke indifferently, " pei qiqi and tang xin don't match. "

at that moment, zhao ke's face was ashen.

She mumbled, " if that's the case, then there's no hope for Yingluo.

Tang Yu's eyes were locked on her and his voice was a little tight, " whose child is Tang Xin? "

Zhao Ke's body shook. She couldn't help but look at Tang Yu. Her eyes were filled with shock and panic.

She didn't expect Tang mo to ask this Yingluo.

maybe Tang Xin's father has a suitable bone marrow for her. tang yu's voice was cold, " you're tang xin's mother. you're not going to give her a chance to live, are you? "

zhao ke's pupils contracted sharply, and so did her body. she held her body and trembled.

Her eyes were like dead fish staring at Tang Yu. After a long time, she said with a trembling voice, " I don't know. I don't know, Yingluo. I don't know!

Her voice became shrill at the end. She held her head and laughed out loud."She doesn't have a father, Yingluo. Yes, she doesn't! i don't even know which man i slept with!"

zhao ke laughed so hard that tears and snot flowed down her face. she looked at tang yu and chuckled, " she doesn't have a father, so she can only wait for death. "

Tang Yan narrowed his eyes. who were you with that year? "

"who is it?" zhao ke raised her head. " let me think. "

She ran her fingers through her hair, and a dazed look appeared in her eyes.

It was also at that moment that there was a trace of nostalgia in her eyes. It was a feeling unique to young girls.

she also had some of the elegance of the number one beauty of the past!

after a while, she chuckled, " "I have no choice, I can't remember! because there are too many."

She looked at Tang Yu, " Did you know? " when i was young, i would be in this man's bed today and in another man's bed the next day. sometimes, i would serve this man in the first half of the night and serve that man in the second half of the night. but so what? tang zhiyuan was still mesmerized and couldn't help but whine. "

Zhao Ke's face was filled with anger. but Tang Zhiyuan is the most heartless man.

When something happened to her, he immediately cleared his name and did not care about her at all.

luckily, she had never loved him!

she looked at tang yu. " but, there are also people who don't like me. they don't love me. they just want to vent. "

tang yu didn't say anything. he just quietly looked at this pitiful and sad woman.

After a long time, he asked softly, "you really can't remember?" Tang Xin is your child! Are you going to watch her die?"

her child?

zhao ke laughed so hard that her tears were about to fall. she tilted her head and looked at tang yu, " yes, my child. "

"PEI Qiqi was also my child, but I still heartlessly killed her! Tang Xin was no exception. Why should I care about her life and death? I'm in prison now, barely alive, who cares about my life?"

Chapter 509 Whose child is Tang Xin?(5)

even if she were to go to jail until she died, she would never be able to see that person again.

she couldn't say it out loud. she couldn't say that the man was tang xin's father, otherwise it would affect that person's reputation.

The man that she, Zhao Ke, had once loved was perfect. She couldn't afford to have any scandals. she loved that man with all her heart, and she was always thinking of him ...

She was neither annoyed nor annoyed. It had been so many years. Had he ever been touched? had he ever thought of the time they spent together when they were young?

There must be, there must be!

zhao ke's tears stopped. she just looked at tang yu, " you know what? Every time I see you, I feel that I'd be 20 years younger. You're so much stronger than Tang Zhiyuan, hehe."

you're so close to me, Hanhan. Tang Yu's shadow overlapped with that person's. She couldn't help but reach out to touch his face.

Her fingers didn't touch him, so Tang Yu dodged.

"You're crazy!" tang yu got up. he knew zhao ke wouldn't tell him.

Zhao Ke was still sitting in her original position, laughing and crying.

" my life is over, yingluo, " she murmured, and a girlish smile appeared on her face.

But, she loved Yingluo.

However, he had never been able to obtain it.

When Tang Yu reached the door, he suddenly stopped. He turned around and looked at Zhao Ke.

Zhao Ke's face was full of tears as she looked into Tang Yu's eyes.

at that moment, it was as if she had returned to the past. it was as if she had returned to that year when she carried pei qiqi to look for that person.

she cried and told him that she was pregnant, and she was at a loss.

After she got together with that person, she had no other man, so she focused on serving him alone.

Even if he didn't keep her and only made a deal with her by the number of times.

At that time, her market price was 100000 Yuan.

sometimes, that man would only look for her once a month. at most, he would look for her once every two weeks.

she was already a popular girl, and she stubbornly held on to this stubbornness, thinking that if she no longer served other men, he would look at her more and be touched.

However, his expression was very calm, even a little indifferent.

He pushed her soft body away and told her gently that he had never asked her to do this.

She could receive other guests, and he didn't want to block her path to wealth. As for the child, Yingluo,

He had given her five million dollars to abort the child.

He said that he had a family, and even if he didn't, it was impossible for him to have a happy ending with a woman like her.

that night, he coaxed her for the first time, telling her to be more obedient, to call her baby, and to abort the child, hanhan.

that night, she cried in his arms.

she said that she would abort the child. she asked him if he would still look for her if she aborted the child.

He said he would! as long as she was obedient, he would.

After that, she couldn't bear to abort it. She slept with PEI Minghe for a night, and a month later, she told PEI Minghe that she was pregnant.

PEI Minghe acknowledged this child and waited on her to give birth to the child.

She left on the second day after giving birth to PEI Qiqi. From then on, PEI Qiqi's surname was PEI.

it was already a year later that she returned to that person's side.

His bad relationship with his wife was vaguely related to her.

however, zhao ke knew that she wasn't the only woman he had outside. there were men like him who put on a show, but she had been with him the longest.

When she appeared in front of him again, he was a little surprised, but that night, he still changed his mind and let go of the other woman to spend the night with her.

## Chapter 510 Whose child is Tang Xin?(6)

That night, she had tried her best to please him.

after that, she followed him in secret for two to three years until she got pregnant again.

She didn't tell him about her pregnancy. She only asked him if they could be together!

She didn't ask for a title. She just wanted him to raise her outside and have her give birth to his children.

she promised that she would know her place and would not disturb his wife and daughter. she would not even tell anyone that she was with him.

However, he fell silent after hearing that. Then, he got up and put on his clothes.

he didn't say anything and just gave her ten million yuan before he left.

zhao ke knew that it was a breakup fee. he was planning to break up with her.

He didn't come looking for her again. Yingluo didn't tell him that she was pregnant again.

she also did not tell him that they already had a child, and the child was born in the pei family.

After that, she married Tang Zhiyuan and was pregnant with his child.

He was also here for the wedding banquet.

She was pregnant and accepted his congratulations, but under their gazes ...

It was his calmness and her unwillingness.

From the beginning to the end, he only thought of her as a seller and a channel to vent his anger.

he had never liked her at all.

but even so, she still liked him and couldn't bear to see a stain on his smooth life.

At this moment, she looked at Tang Yu in a daze and heard him say softly, " "I'm getting married to Qiqi."

Married?

Zhao Ke's expression froze.

" if i marry her, i'll have a child. maybe it can save tang xin. " He said calmly, " perhaps you should be glad that the child you gave birth to is not like you.

Zhao Ke covered her face and laughed. She cried and laughed at the same time, as if she had gone crazy."Yup! PEI Qiqi isn't like me. She's much more capable than me. After sleeping with you once, she was able to steal your soul away. Actually, you're just like your father. You still like pretty women. pei qiqi doesn't look good, would you want to marry her? she's the child of a woman you hate to the core."

tang yu didn't move. he just quietly looked at this crazy woman and calmly said, " "Qiqi, it's just Qiqi,"

In the future, she would not be Zhao Ke's child.

Qiqi was his child!

Because she had called him 'dad' before.

in the future, qiqi would be his.

tang mo left, leaving zhao ke alone, still crying and laughing.

after getting out, tang zheng leaned against the car door and smoked a cigarette, enjoying the night breeze for a while.

At this moment, ye mu descended. In the distance, countless lights lit up, like a long Dragon.

it was so far away, but it was so real.

He opened the car door and got into the car. The high-performance Black sports car was like an arrow that left the bow and drove into the distance.

when they arrived at the rose garden, it was almost ten o'clock at night.

he parked the car in front of the villa and sat for a while before opening the door.

In an instant, he saw PEI Qiqi standing in the night wind and staring at him.

tang yu looked at her for two seconds and then walked over. he reached out and grabbed her shoulder. his voice was a little hoarse, " why are you standing here wearing so little? "

pei qiqi's voice was soft, " i was waiting for you. "

Tang Yu smiled gently and pinched her face, " wait for me. I'm very happy. But remember to wear more next time.

she nodded obediently and was half-carried to the dining room by him.

A table full of dishes was ready, and they were still steaming hot.

He sat down and PEI Qiqi served him rice and a bowl of hot soup.

She wanted to return to her position when Tang mo grabbed her little hand and took her into his arms.
