

## Thank you 5041

Chapter 5041: will you also be with those stinky men (3)

secretary li had told secretary xiao and the others in the company that they could offend anyone but miss su. miss su was ye xi's mother and the company would belong to ye xi in the future, so su mu could not be offended.

secretary xiao thought for a moment and took the initiative to report to her.

ye xiangnan looked very impatient after he heard what secretary xiao said. he left the senior management and walked to the bedroom."can't you talk about it later?"

with that, the door closed.

The higher-ups outside couldn't leave or eavesdrop, so they could only drink tea and chat together.

of course, shen wenxuan's position in the industry was rather subtle. everyone in starlight knew that he and su mu used to be lovers. they thought that shen wenxuan would be ridiculing su mu when president ye and miss su were no longer together.

...

who knew that he would see such a scene today.

early in the morning, president ye called the company and said that the meeting would be held at a hotel. they thought it would be a business suite and everyone would have tea together. president ye wanted everyone to relax. they thought that ye finally found his conscience and would have some tea first before organizing other activities.

However, they only found out now that President ye had already exercised and relaxed last night. He had no intention of letting them relax at all. They were suffering so they still did what they should do.

However, lawyer Shen deserved the most sympathy. He heard that lawyer Shen was deeply in love, but he could not get what he wanted. He was in pain.

Just the thought of others suffering more than them made them happy.

Shen Wenxuan packed up his things and left. Someone called out to him, ” “lawyer shen, president ye’s meeting hasn’t ended yet.”

Shen Wenxuan’s voice was calm,”President ye is probably not in the mood for a meeting.” let’s go.”

he left in a straight line.

after that, the higher-ups began to gossip, and secretary xiao listened to them.

did you know that the little princess of the ye family likes Shen Wenxuan? they didn’t get together because of miss su, but now it’s impossible between lawyer Shen and miss su. No man can stand this scene. lawyer shen is also going to soar.”

” this pair of ex-lovers really played a big game of chess. they both took down two of president ye’s girls. ”

that’s right. So, look at how lawyer Shen doesn’t seem to be in a hurry. What he’s thinking about might not be his ex-lover, but a sky-high amount of wealth. I can understand, I can understand. He’ll have to work 20 years less.

Shen Wenxuan couldn’t hear, but he could imagine what the people in the company were saying about him. He walked out of the hotel and saw ye Hui in the lobby.

starlight and the princess of the ye family.

she was a real princess, and she didn’t have to worry about food and clothing. if she wanted anything, someone would send it to her.

It was true that su mu was like a wild grass when compared to her.

shen wenxuan walked towards ye hui. ye hui stood up from the sofa and said, ” “lawyer shen.”

your brother and sister-in-law are upstairs, ” Shen Wenxuan said with a faint smile. it might not be convenient for you to go up.

Ye Hui was stunned for a moment. It wasn't because her brother was with su mu. It wasn't strange for them to be together. She came over because she heard about it. She was surprised by the way Shen Wenxuan addressed her. He said that he was her brother and sister-in-law.

had he let go of su mu?

she looked at his good-looking face and suddenly lost her focus.

“let's have a cup of tea when you're free,” shen wenxuan said with a smile.

Chapter 5042: Will you also be with those stinky men IV

Ye Hui was once again in a daze. Shen Wenxuan took her bag and gently touched her shoulder with one hand, ” “Let's go,”

It was very natural.

it was so natural that it seemed like they had been together for a long time.

After that, Shen Wenxuan spent three months to settle things with ye Hui, got married, and had a child seven months later.

One could only imagine how fast he was.

just like what those people said, he had become someone who worked twenty years less.

...

but was he doing it for himself? no, he didn't have much ambition for wealth. he just wanted to be very close to someone and look at them with a justified reason.

Even though the woman lying beside him was not someone he loved, he could still live a peaceful life and face ye xiangnan and su mu calmly.

that's for the future. ye xiangnan pushed the door open.

Su mu was standing by the bed.

"i heard from secretary xiao that you wanted to see me. what are you trying to do?" he frowned.

He paused for a moment and asked,"are you afraid of allergies?" Su mu, why aren't you afraid of getting an allergic reaction when you drink?"

Su mu glared at him. it's none of your business.

then the medicine must have something to do with me. If it wasn't for me, you wouldn't have taken the medicine, so I'll be responsible for Yingluo. he still looked impatient, as if su mu was being unreasonable.

Su mu was furious. I'm thinking of the South at night. I don't want you to take responsibility.

His face darkened. yes, I don't need to take responsibility. Miss su, once you have a child, you just need to give birth to it and throw it to me. As for the child, it doesn't matter, right? " You can continue to do this kind of shameless work. What can't you do when you're drinking and singing with men? what are you afraid of?"

If he wasn't sure that she only had him, he really wanted to strangle her to death right now.

however, she was drunk last night, so he couldn't tell. plus, he was a little out of sorts.

“Tell me, have you had any other men recently?” ye xiangnan frowned.

As he spoke, he approached her.

Su mu bit his lip. He was really angry. When he leaned against the bed, he said with shame and indignation, ” “It’s not your fault.”

“how is it none of my business?” He trapped her in his arms. if we have a child, we won’t be able to tell if it’s mine or someone else’s.

Su mu glared at him.

he narrowed his eyes and said in a low voice, ” “What, are you scared?”

“i didn’t.” after saying that, su mu turned his face to the side.

He still wouldn’t let her go and would say some nasty words. Su mu was so angry that he almost cried.

tears rolled down from the corner of her eyes and fell on the bed sheet.

ye xiangnan was stunned for a moment, then he straightened his body and looked at her with a frown. ” if you have the guts, why don’t you drink there? why, are you crying after I said a few words? ”

su mu bit his lip and ignored him.

seeing her cry, ye xiangnan was a little annoyed. he coughed and said, ” “Don’t cry.”

she was still crying and buried her face in the blanket.

ye xiangnan felt helpless. ” su mu, you were taken advantage of by a man when you were drunk. it was too late to cry. ”

“You’re the only one who would do that.” “And I’m not drunk,” she said in a muffled voice.

He laughed coldly,”so you came here with me willingly?” Su mu, don’t tell me you’ve forgotten all about it. ”

She didn’t forget everything. She even remembered it very clearly.

Su mu turned his face away and didn’t say anything for a long time.

“You didn’t do it willingly. Why are you crying?” ye xiangnan bent over.

Su mu really couldn’t stand his vileness. She did drink too much last night, but she knew that it was because she missed the South at night.

Chapter 5043: Will you also accompany those stinky men (5)

su mu really couldn’t stand his vileness. she did drink too much last night, but she also knew that she was with ye xiangnan.

He was right, so she had no way to face it.

Ye xiangnan lowered his head and looked at her. He suddenly laughed bitterly,”alright, get up. i’m not really going to do anything to you.”

he straightened his body and once again looked like a noble young master.

Su mu pursed his lips and didn’t say anything for a long time.

her whole body was weak and she couldn’t get up immediately, but ye xiangnan was overthinking. he looked at her and said,”You can’t bear to leave?”

...

Su mu bit his lip and used all his strength to prop himself up.

She didn't want others to misunderstand that she was trying to scam him, and she didn't want him to look down on her. So, no matter how uncomfortable she felt, she still supported herself up and walked out step by step.

"su mu, you've made up your mind," ye xiangnan stopped her.

Su mu turned around and looked at him quietly.

"yes, " ye xiangnan said in a lower voice, " i've thought about it. do you want to continue to fight with me or come back to me? "

Su MU's eyes drooped. After a long time, she said softly, " "last night was an accident. Ye xiangnan, you don't have to tell me what to do in the future, and you don't have to care about me. After all, we have nothing to do with each other, and I won't do anything to defame ye Jie. That's all, nothing else."

ye xiangnan stood there and looked at her quietly. then he chuckled. su mu, you really have a backbone. You'd rather beg those people for tens of thousands of advertising fees and drink with them than beg me.

"i really don't know what's going on in your head," he laughed.

Su mu just looked at him quietly. After a moment, he said in a low and hoarse voice, " " just take it that i'm stupid. i'm not worthy of president ye. "

ye xiang made nan ke angry, but he couldn't be angry at her. it was just as she had said, they had nothing to do with each other, so why should he be angry?

Su mu was walking to the door when ye xiangnan stopped her. "wait a moment."

su mu turned around.

“you don’t need to take your medicine,” he said after a moment of silence.

No matter how much of a jerk he was, he wouldn’t be like this. He knew that she had an allergic reaction, but he still made her reject the appointment.

su mu understood at once. he opened the door and walked out without saying anything.

Outside the door, the higher-ups were still there. Seeing su mu come out, they sat up straight, but they did not dare to show any contempt on their faces. Even if he left, he was still President ye’s woman.

President ye obviously couldn’t forget his feelings. He even chose this place for the meeting and couldn’t bear to leave for a moment.

it was true love.

After su mu left, Secretary Xiao walked to the door of the bedroom and said, ” ” president ye, do you still want to continue the meeting? ”

“Where’s lawyer Shen?” ye xiangnan raised his hand.

Secretary Xiao was stunned. She answered honestly, ” lawyer Shen has already left. Oh, by the way, miss ye Hui said that she had left first.

Ye xiangnan frowned and asked almost immediately, ” “what about lawyer shen?”

Secretary Xiao shook her head. he might have gone back to the company. I don’t know. Lawyer Shen didn’t say anything either.

ye xiangnan waved his hand, indicating that he didn’t need to say anything more. he continued the meeting.

In the following days, he and su mu seemed to have entered an endless loop again. President ye’s private life was naturally rich, probably because he had no wife or girlfriend, so he had no scruples.

Wen Yuan had heard about him, but it was of no use.

fortunately, they were just having fun and did not get serious.

#### Chapter 5044: Ye Hui is pregnant (1)

Two months later, something big happened in the ye family.

Ye Hui was pregnant and the person who made her pregnant was Shen Wenxuan.

Ye mu Bai was furious while Wen Yuan covered his face. As a mother, he did not know what to do.

However, children were innocent and she couldn't abandon them. Moreover, ye Hui seemed to like Shen Wenxuan very much.

Lawyer Shen was not a bad person. Everyone in the ye family had witnessed his abilities and talents. There was only one condition: he was su MU's first love. It would be fine if su mu and ye xiangnan did not get married. If they got back together in the future, their old feelings could be rekindled at any time in the same family.

this made the two elders very worried. both the palm and the back of the hand were meat, what should they do?

...

Ye xiangnan gave Shen Wenxuan two hard punches and said, "Let's get married, what else can we do?"

After the fight, he stood on the balcony and smoked.

the terrace was dark, and the wind at night was strong.

he stood there quietly. he only had a shirt on, but he didn't feel cold.

Ye Hui walked over and gently hugged his waist. She buried her small face in his back and her voice was like a kitten, "brother, do you think i'm particularly disappointing?"

ye xiangnan patted her gently and said in a hoarse voice, "Of all people, why did you have to like Shen Wenxuan?"

Ye Hui apologized in a small voice. She did not say anything bad about Shen Wenxuan.

She was just apologizing to her brother.

in fact, ye xiangnan could understand. shen wenxuan was indeed good-looking, capable, and gentlemanly. ye hui used to like him, but she had never said it out loud.

He sighed, pulled his sister over, and whispered, "What else can we do? we already have a child. Just give birth to it. It's good to get married and give birth to it."

Night Hui wanted to say something but stopped.

ye xiangnan patted her shoulder. "i don't like su mu as much as you think. it's all in the past. her heart isn't with me. why do you have to force her?"

Ye Hui couldn't say what she wanted to say. In the past, she could still persuade him, but now she was in no position to do so.

She turned around and saw Shen Wenxuan standing there.

his eyes were cold.

Ye Hui shuddered. She didn't know why, but she felt very cold at this moment even though she had worn many clothes. It was probably because she didn't see what she wanted to see in Shen Wenxuan's eyes. She probably thought that she would never get his love in this life.

ye hui's lips moved. she even wanted to go back on her words. she wanted to say forget it. she wanted to say that she had given birth to this child.

However, Shen Wenxuan's gaze turned warm again.

she could not refuse the warmth.

ye xiangnan gently pushed ye hui away. "you go downstairs first. i have something to say to shen wenxuan."

Ye Hui was still worried. She bit her lip and looked at her brother for a long time.

"it'll be fine. let's go downstairs first," ye xiangnan said in a gentler tone.

ye hui nodded her head. when she passed by shen wenxuan, she looked up at him.

Shen Wenxuan gave her a smile and patted her back. "Listen to your brother."

ye hui made an "oh" sound and obediently went downstairs. she still looked back three times with each step.

after ye hui went downstairs, ye xiangnan lit a cigarette, leaned against the railing of the terrace and said in a faint voice, there's no one else now. Shen Wenxuan, you seduced ye Hui for su mu? "

shen wenxuan walked to his side and lit a cigarette. " "why do you ask? This doesn't seem like President ye's style."

"It's not lawyer Shen's style to work 20 years less." Ye xiangnan's eyes had a touch of ruthlessness. " ye hui is very innocent. i am not stupid. you are not interested in her at all. "

“Interest can be cultivated, just like how President ye treats su mu.” There was an imperceptible flame in Shen Wenxuan’s eyes. It could be called provocation, or something else.

ye xiangnan narrowed his eyes and sneered, ” it seems that you’re using ye Hui to threaten me. I’m not good to su mu, so you’re not good to ye Hui either, right? ”

Shen Wenxuan lowered his eyes and smiled.”Is President ye’s thinking always so complicated?”

ye xiangnan spat out a few words,”everyone knows sima zhao’s heart.” ye hui is a very good woman, so kind that she’s a little silly. if you don’t treat her well, i won’t let you off.”

shen wenxuan merely smiled and did not say anything.

they did not know that ye hui was just around the corner, listening in a daze.

...

She had always known that Shen Wenxuan still had his sister-in-law in his heart. However, she had never thought that a man would be so fond of another woman that he would get close to her for her sake. He would even do such things with her, get her pregnant, and marry her.

Ye Hui suffered a shock and she was in a daze for a long time before she regained her senses. Later, when she held onto the handrail of the stairs and went down, she fainted.

The child was still there and was saved in time after being sent to the hospital.

at the same time, it also alarmed the people of the shen family. they were both surprised and happy about this marriage.

It was good to be connected to the ye family. However, Shen Wenxuan had a conflict with Wen Yuan before and was lectured by him.

But it was different now. Ye Hui was pregnant with Shen Wenxuan’s child. Shen Wenxuan seemed to have forgotten her previous unhappiness and immediately asked the servants to make soup and

bring it to the hospital. She whispered softly that father and mother Shen were already on the plane and could not wait to come over.

ye hui's spirit was not very good and she did not really want to deal with this sister-in-law.

shen wenyuan didn't care. her attitude was like she was treating her precious baby.

in the end, shen wenxuan asked her to leave first. after she left, he sat in front of the bed and scooped a bowl of soup. "do you want some?"

now that there was no one else around, ye hui lay quietly. her black hair fell on the pillow and her face was buried.

Seeing her like this, Shen Wenxuan put down the bowl and said softly, "do you not want this child?"

ye hui shook her head.

"Ye Hui, it's not as dark as you think," Shen Wenxuan sighed.

"But you don't love me that much, do you?" ye hui turned her head and stared at him. her eyes were moist and her nose was red. he had never seen her like this.

ye hui had always been very happy. she had always been a very gentle girl.

She did as she pleased and did not lack anything, so she almost did whatever she wanted to do, living in an innocent fairy tale.

he didn't know if he really loved her or envied her.

His only feeling for his future child was that this child would be as carefree as ye Hui when he was born. the children of the ye family and the qin family were mostly like this.

only su mu had to live tenaciously like wild grass, and her good points were all shortcomings in ye xiangnan's eyes.

" i like you, " shen wenxuan sighed. " and i like kids. "

ye hui looked at him for a long time before she closed her eyes.

Tears rolled down from the corner of her eyes.

The first time she grew up, it was because she understood love and knew that she was not loved.

Ye Hui fell asleep and when she woke up, it was already dark. Shen Wenxuan was by her side and the ward was very warm.

Seeing that she had opened her eyes, Shen Wenxuan muttered, " "you're awake?"

Chapter 5046: ye hui is pregnant (3)

seeing that she had opened her eyes, shen wenxuan muttered, " "You're awake?"

"you've been here all this time?" ye hui asked him softly.

Shen Wenxuan smiled. the doctor came and said that the child is fine."

ye hui gently laid her head on the pillow and lowered her eyes, " " shen wenxuan, if su mu comes to you one day and wants to be with you, will you abandon me and our child? "

"I won't," He said without hesitation.

ye hui raised her eyes. " why do you want to be with me? "

...

because you're a good girl, " Shen Wenxuan said with a smile. you're suitable for me and marriage.

This answer was perfect.

he didn't give her too much hope and told her that it wasn't as dark as she thought.

Ye Hui knew that this was not the case. He did it mostly for su mu. At least, he got close to su mu in the beginning. She could not blame anyone else. From the beginning to the end, Shen Wenxuan and su mu were the victims. The ye family had more choices because of their power.

she lowered her eyes and said in a low voice, " "i want to see su mu. Can you help me call her over?"

"ye hui, are you sure?" shen wenxuan sighed.

ye hui did not make a sound and only gently closed her eyes.

It was already past nine O 'clock in the evening when su mu came over. She was dressed thickly, and there was a slight cold wind when she arrived at the ward.

Ye Hui wanted to sit up but su mu let her lie down. "Why do you still want to get up when you're not in good health?"

she did not know the details, but this was the obstetrics department and shen wenxuan was here. how could su mu not know? She had a good impression of ye Hui. Ye Hui used to speak up for her and took good care of ye Jie.

It was impossible for her to have feelings for ye Hui because of Shen Wenxuan.

Life had long worn away su MU's little feelings.

she took off her coat and placed it on the sofa at the side. then, she silently made another bowl of soup and fed ye hui.

ye hui was surprised and embarrassed. she called out to her sister-in-law in a low voice.

“You called me sister-in-law, so you have to listen to me and drink the soup well.” Su mu pursed his lips and said softly.

ye hui made a sound of agreement and drank it in small mouthfuls with her eyes lowered.

In fact, she had not done anything wrong. In her relationship with Shen Wenxuan, she had been the passive one.

Shen Wenxuan was not in the wrong. It was impossible between him and su mu. It was understandable that he wanted to be with ye Hui. However, now that they were together, ye Hui felt that she had let su mu down.

big brother would definitely re-examine his relationship with su mu. her intuition told her that it was unlikely. with big brother’s overbearing character, it was unlikely that he would keep su mu by his side. ye hui might also feel that she had let su mu down because of her.

su mu didn’t care. there was nothing going on between her and ye xiangnan.

After feeding her a bowl of soup, she said softly, ” “don’t think too much, just take care of yourself.”

“Will you attend my wedding?” ye Hui bit her lower lip.

“I’ll definitely come,” su mu smiled.

Ye Hui smiled. Her eyes were filled with tears as she smiled carefully.

Su mu didn’t stay for long. He left after a short while. Shen Wenxuan walked her to the door of the ward and stopped.

Their current status meant that it was impossible for them to be together.

“take good care of her.” Su mu said softly and then chuckled. “ye hui is very good.”

Shen Wenxuan stuffed his hands into his pockets and remained silent.

he only smiled faintly.

Su mu wrapped a scarf around his neck and said goodbye to him. The elevator door opened when he arrived at the elevator.

the person who walked out was ye xiangnan. he had just brought ye jie to see ye hui.

Chapter 5047: Su mu, you can't even support yourself anymore (1)

seeing su mu, ye jie was happy and hugged her. ” “mom.”

Su mu was also a little surprised. He bent over and said, ” “you came here with dad?”

Ye Cha obediently said yes.

Su mu raised his eyes and looked at ye xiangnan, who said calmly, ” “there's a small restaurant downstairs. you can take yexun there and bring him back in an hour.”

su mu said thank you in a low voice. when he was about to leave with ye jie, ye xiangnan asked again, ” “How did you get here?”

She thought for a while before she understood what he meant. She said, ” ye Hui asked me to come over.

...

She looked at him.

Ye xiangnan smiled and entered the VIP Ward without saying anything else.

Su mu looked at his back for a long time without saying anything. Xiao Ye pulled her hand.”Mom.”

Su mu nodded. alright, let’s go get something to eat.

ye jie still missed little aunt. ” mommy, let’s go see little aunt after eating? i heard from daddy that auntie has a baby. it’s uncle shen yingluo!”

The little guy seemed to have realized something and stopped talking. His voice was soft.

su mu smiled. ” yes, aunt and uncle shen like each other and they are going to get married soon. so ye xi must call uncle shen ‘uncle’ when he sees him in the future. also, don’t mention mom in front of them, understand? ”

“Promise mom that you’ll remember this,” she said as she squatted down and looked at him.

Ye Xun opened his eyes wide and said, ” “Mom, I’ll remember.”

However, there was more or less some grievance in her voice.

The baby was about to be born and would have a father and mother, but ye Jie would not have a mother if she had a father and a mother if she had a father. Moreover, her mother was working so hard now and had lost weight.

at such a young age, ye jie’s heart ached for her. she hugged her mother’s body with her small hands and did not say anything.

Su MU’s heart was also warm with an indescribable feeling.

” ye jie, be good. when mommy earns money, i’ll take you home, or when you’re older, you can take care of yourself, okay? ” Su mu coaxed him gently.

In fact, she also knew that this day would come so far away. Perhaps when that day came, ye Jie would have gotten used to the current life and would no longer need her.

however, he was still so young now. when ye hui’s child was born, he would take away some of her attention. at that time, ye xi’s psychological gap would probably be even greater.

su mu pursed his lips. she felt that she should have a talk with ye xiangnan. it was not a good idea to always let an old man take care of ye jie.

as she was thinking, she looked up and saw ye xiangnan leaning against the wall, looking at her quietly.

Su MU’s lips moved, but he didn’t say a word.

“Ye Hui is asleep, let’s go eat,” ye xiangnan said in a faint voice.

As he said that, he picked up Xiao Ye Jie and entered the elevator.

He stood in the room and frowned when he saw su mu not moving. “you don’t want to eat with our son?”

Only then did su mu come to his senses. She still had something to discuss with him, so she followed him to the elevator at once.

in the elevator, the two adults did not speak, and the atmosphere was quite heavy.

su mu bit his lip and kept his head down.

She was wearing an ordinary down jacket, and it was a little out of place to stand next to ye xiangnan. She was a little nervous, but he didn’t seem to mind.

after the call, ye xiangnan led her and ye jie into the car. su mu didn't move. " didn't you say there's a restaurant downstairs? "

He glanced at her, carried his son to the back seat, fastened the seat belt, and then got into the car.

Chapter 5048: Su mu, you can't even support yourself (2)

he sat in the car and did not call her. he just flicked the steering wheel gently.

After a while, su mu got into the car. She sat beside him without saying a word.

ye xiangnan turned his head and looked at her. he was also quite speechless. she was speechless to him.

Last time, why did he bring her to a hotel? she was obviously an ordinary girl. He was worried that she would be taken advantage of. Now that he thought about it, he was really overthinking it. Sister Hong probably had more market than her.

He looked at it silently for a few seconds before starting the car.

it was still the same vegetarian restaurant. he asked for a private room, a pot of chicken soup, and a few nourishing dishes.

...

"if you continue to lose weight, ye xi's classmates will think that you're a refugee at the parent-teacher meeting," ye xiangnan said to su mu after he finished ordering.

he had been mean to su mu for a long time, and su mu ignored him.

she was only talking to ye jie. she had been busy these days and had not seen ye jie for a long time.

the weather was cold, and she couldn't bear to let ye jie run around.

Therefore, she missed him very much.

ye xiangnan glanced at her and didn't say anything else. he just sipped his tea.

he was wondering if su mu could support himself with his current salary. Fortunately, her son had come to her side. Otherwise, how much suffering would he have to go through if he followed her?

when the dishes arrived, su mu ate very little. of course, ye xiangnan would not serve her food like last time. now, their relationship was different. on the other hand, ye jie took care of her mother silently like a little warm man.

After ye xiangnan finished eating, he went outside to smoke a cigarette. When he came back, he pushed the door open and saw ye Jie talking to his mother.

Su MU's face was full of gentleness.

he thought that if she was half as gentle as ye jie to him and not so rigid, they would not be where they were today.

as she thought about it, she smiled and leaned against the door."ye jie, it's time to go home."

"miss su, do you need me to send you home?" he looked at su mu.

such an unfamiliar address made su mu swallow the words he had wanted to say. they were so unfamiliar with each other that she had no face to discuss ye jie with him. if she did, he would probably say that she had high expectations.

She lowered her eyes. no need to trouble Mr. Ye.

ye xiangnan stared at her for a while and said, "as you wish."

"Alright, let's go back," he said as he picked up his son.

Ye Jie was a little reluctant, but at the same time, he was a sensible child and couldn't bear to let his mother take the bus back, so he pulled ye xiangnan's sleeve and said in a low voice, "daddy, can you send mommy off?"

ye xiangnan looked at ye cha and then at su mu. he said helplessly, "let's go, look at how pitiful she is."

Su mu still wanted to decline but he was already impatient. "su mu, can you not be so pretentious? don't regard your aloofness as an advantage. sometimes, it's very annoying and a waste of our time."

he said it very bluntly and very directly.

Su MU's self-esteem was hurt. He wanted to refuse, but he was so rude. So, he bit his lower lip and walked to the South of the night."Then I'll have to trouble Mr. Ye."

"It's nothing much, it's not much trouble." ye xiangnan's voice was calm.

Su mu didn't say anything but followed him in silence. After getting in the car, he turned to the side and said, "Still staying there?"

su mu nodded.

He started the car and snorted. it's been so many years, but you're still doing so badly. Su mu, don't you think you should reflect on yourself? "

Su mu didn't say anything but turned his head to the outside of the car.

Chapter 5049: su mu, you can't even support yourself (3)

at this moment, ye jie spoke up for her mother, ” “mom has to take care of me, that’s why she hasn’t been working properly.”

as he spoke, the little guy actually looked a little angry and didn’t want to talk to his father.

ye xiangnan could naturally feel the little guy’s emotions. he smiled and said, ” “You really didn’t raise this child for nothing. He’s really helping you.”

Su mu looked at ye Jie behind him and ye Jie winked at him.

Su mu felt warm in his heart. No matter what, she really still had ye Jie.

Ye Jie also felt warm. He sat in the back and looked at his mother with some longing.

...

He wanted his mother to hug him and kiss him, but he was also a little embarrassed.

the car stopped at su mu’s building. su mu got out of the car and ye jie wanted to get down immediately.

Su mu stood in front of the car’s back door and hugged him. alright, mom’s going upstairs.

Ye Jie was a little reluctant to part with him.

Su mu felt a little sad. He hugged him again and then let go.

After the door was closed, ye xiangnan did not drive the car away immediately. Instead, he looked at little ye Jie.”Did you miss mommy?”

ye cha nodded obediently.

Ye xiangnan unbuckled his seat belt, got out of the car, and carried ye Xun out from the back.”I’ll let you and your mother stay the night. Tomorrow morning, dad will come and pick you up. You’re not allowed to kick the blanket off at night.”

as he carried the little fellow, he continued to criticize her.

ye jie was very happy. she put her arms around her father’s neck in his arms.”Daddy is the best.”

Ye xiangnan was also quite helpless. He coughed lightly and said, it’s daddy now. Was daddy not good before? was he a bad person? ”

“I didn’t say that,” ye Cha said with a smile.

“you’re thinking like this. You little rascal.” He pinched her nose. are you blaming me for not being with your mother? you can’t just blame one person for the matter between the two of them. their personalities don’t match, understand?”

Ye Jie responded with an “Oh” and obediently put her arms around his neck.

when he arrived at su mu’s floor, he knocked on the door. su mu was quite surprised when he opened the door.

She looked at the two of them and muttered after a long time, ” “Why are you here?”

Ye xiangnan looked at the large stack of documents and notebook on the small dining table. There was really nothing else except for these. It still felt like the house was bare.

Ye xiangnan put ye Jie down. ye Jie would like to stay here for a night. Do you have time to take care of him? ”

Of course, su mu missed his son, but she still had a lot of work to do.

After thinking for a while, she still squatted down and looked at ye Jie. She was about to say something when ye Jie’s little face fell.”Mommy doesn’t have ye Jie in her heart anymore.”

Su mu was also quite speechless. He stared at his son and explained helplessly, ” “In a few days, mom will have a day off on Saturday and Sunday.”

Ye Jie felt particularly aggrieved. He really wanted his mother today.

Su mu was in a difficult position and didn’t know what to say for a long time.

” how about this? ” ye xiangnan said lightly. ” i’ll stay here to take care of ye jie. you can do your own thing. ”

seeing that su mu was about to refuse, he said in a low voice, ” don’t think too much. i just want to make ye jie happier. ”

He even snorted softly, as if she would want to eat swan meat.

su mu was also quite speechless, but no matter what, xiao ye jie was looking forward to it. her big eyes were full of expectation, so she had to agree and said very politely, ” “thank you, mr. ye.”

Chapter 5050: Su mu, you can’t even support yourself anymore (4)

Ye xiangnan smiled. su mu, you don’t have to be so formal in private. You can just call me ye xiangnan.

After he finished speaking, he carried his son and left without waiting for her reply.

Su mu looked at his back and then bit the tip of his pen.

the reason why she was willing to let him stay was because of ye jie. besides, she was not a little girl anymore. she could see that ye xiangnan had no interest in her at all.

that’s good. we’re finally strangers, and we’re only polite to each other.

She continued with her work.

...

ye jie had not spent the night here for a long time and was very excited. she wanted her father to give her a bath. after the bath, she put on her pajamas and came over to su mu for a hug.

su mu had never known that ye jie could be so clingy. however, she had not hugged ye jie like this for a long time. the little one smelled good after a bath.

su mu hugged him for a long time before he was willing to go to sleep. yazi, who was still reluctant to leave, said, ” “Good night, mommy. Sleep early, mommy.”

Su mu hummed and touched his little head again.

ye xiangnan looked at the loving mother and filial son, as if he had nothing to do with it.

he went outside to smoke a cigarette, and when he turned back, ye jie was finally willing to sleep. she obediently climbed into bed and covered herself with a small quilt.

ye xiangnan tidied up the blanket for him and went to take a shower. he was used to taking two showers a day, so he made do with it here.

When he came out, he found that su mu still had work to do. He sat on the simple sofa and browsed the news on his phone. About an hour later, su mu was still reading the information even though his feet were numb.

how much money do you make in a month? ” ye xiangnan said calmly. you work so hard. If your newspaper were all idiots like you, it would have been listed long ago.

su mu glanced at him and lowered his head again, saying in a low voice, ” “Aren’t you sleeping with ye Jie?”

“I didn’t sleep so early.” his usual time was around 12 o’clock, but it was only 10 o’clock now.

“Oh,” su mu said,”Mr. Ye’s nightlife is rich.”

When he heard her say this, he suddenly became mean. “where would i get my nightlife if you’re not here? you’re overestimating me, or are you asking me to find another woman? But su mu, it seems that you’re also an outside woman now.”

What she couldn’t bear to hear the most was his words. She didn’t want to talk to him at all.

ye xiangnan chuckled,”isn’t it?” But after we split up, it seems like I’m just a coward.”

“Ye xiangnan, you don’t have to say anymore.” Su mu bit his lip and said in a low voice.

She was a little embarrassed. Was it because she was so poor that she could barely support herself that he looked down on her so easily and said whatever he wanted to?

Su mu lowered his eyes, with a trace of pain in his eyes.

she also worked very hard to survive. she had given a lot, and she had no choice but to socialize. she did not do anything with other men for money. on the contrary, she could not drink much and often vomited.

but even so, she still tried her best to survive.

She was sad, but she didn’t want to tell him. She just lowered her eyes and continued to read the documents quietly.

“I want to eat noodles,” ye xiangnan said rudely.

“Cook it yourself, there are ingredients in the kitchen.” Su mu said softly. He would never indulge him.

Ye xiangnan glared at her for a long time before he finally went to the kitchen.

he not only cooked his own noodles, but also made a bowl for su mu out of kindness.
