Chapter 5081: their photos were exposed (4)

Ye Hui lowered her head and her long eyelashes trembled slightly. After a long while, she said in a low voice, ” “am i especially willful?”

She looked up at him as she spoke.

Shen Wenxuan didn't expect her to say that. He sighed and said, ” “ye hui, what do you want me to say?”

she didn't understand what he meant, but it was good that he knew.

After that, he coaxed her.

It wasn't the way men coaxed women, but the way adults coaxed children.

...

In the end, ye Hui did not get angry with him anymore. Instead, she felt especially sorry for su mu. Shen Wenxuan sighed. It was not easy for the ye family to raise a child like ye Hui.

ye xiangnan's temper was particularly bad, and he was also very scheming, so he was not easy to deal with. otherwise, how could he develop starlight into one of the top companies in the world?

On the other side, ye xiangnan was having a headache. After being busy for a long time, he finally suppressed all the things. Next, he had to find out where these photos came from and who took them.

At that moment, the person who took the photo was quite pleased. Su zhirou brought Wang yuanke back and took the check. Then, she carefully said to Wang yuanke, ” “Mom, look, this is two million Yuan.”

Wang Yuan had come out of the police station with an ashen face. Now, she wanted to earn money even in her dreams.

Her eyes lit up when she saw the check.”Zhiqiao, where did you get this from? how did you get so much money? quick, tell mommy.”

Su zhirou coyly refused to say anything, but Wang Yuan looked at her suspiciously and said in a shrill voice, ” “zhiqiao, don’t tell mommy that you sold yourself!”

su zhirou still did not say anything. wang yuan was about to go crazy. she reached out and shook su zhirou violently. ” you’re my only precious daughter. how am i supposed to live with you? ”

su zhiyan could not stand her and rolled her eyes.”mom, calm down.”

” how do you expect me to calm down? you’ve already sold yourself out. how do you expect me to calm down? ” Wang Yuan was about to go crazy.

Su Zhiyan could not stand her anymore and quickly said, ” ” mom, you don’t need to use your brain to think. i’m just going out to sell it. if i can sell it for 2 million, you’re thinking too highly of me. ” (can i say that there’s a difference of 12 words here?!?!)

wang yuan immediately came to life and tidied her hair. ” “then where did this money come from? You tell mom.”

Su zhirou was reluctant to say it, but su Shaoqing suddenly walked over and took the check from their hands. She said coldly, ” this is a photo of eldest sister and Shen Wenxuan. I’ve caused eldest sister a lot of trouble. In the future, eldest sister and ye Jie will not have a good time.

Wang Yuan was stunned for a moment. After a while, she looked at her daughter and said softly, ” ” you took a photo of su mu’s shen wenxuan? ”

Su Zhiyan’s expression was cautious as she was afraid that her mother would scold her.

however, to his surprise, wang yuan snatched the check from su shaoqing’s hand and kissed it. ” baby, you’re so capable. why don’t you ask for more? that photo is worth at least ten million yuan. you can ask the ye family for it. they have plenty of money. ”

Su zhirou felt that she was already very cruel, but she did not expect her mother to be even more cruel.

Su Shaoqing couldn't stand it anymore and shouted, "Mom, how can you treat big sister like this? If that kind of photo was sent out, how would big sister be able to raise her head in the ye family in the future?"

Chapter 5082: su mu is the only biological son (1)

Wang yuanke's expression changed, and she said in a cold voice, "Who's your big sister? "Su mu? the ye family has long abandoned her. How can she talk about raising her head? what a joke. If she had listened to me and got more money, she wouldn't be in such a sorry state. At that time, she was willing to give ye Jie to the ye family for at least 100 million. Now, she has been played with by them for nothing after getting the marriage certificate and left the marriage with nothing. I didn't give birth to such a brainless daughter. Our Zhiyan is so capable."

she was all smiles, thinking that the matter had been resolved and that she would go back to pick da qiang up from the hospital.

su shaoqing was young, only sixteen years old. after hearing this, she was particularly angry."mom, it's been hard on big sister. our house is empty."

"What big sister!" Wang yuanke's expression was frightening,"which family is she your big sister from?" You're the real siblings. She, su mu, is the son of that bastard su daqiang. You're not the same as her. "

Perhaps she was too excited, but Wang Yuan actually spoke the truth.

as soon as she finished speaking, she regretted it. then, she looked at her children and said, "just pretend you didn't hear what i said just now. i'll abandon whoever says it, do you understand?"

...

Her two children stared at her, unable to express their feelings in a few words.

Wang Yuan was so angry that she snorted, " did you hear that? this is not a joke. If su mu finds out about this, he won't care about you guys anymore.

su shaoqing clenched her hands. there was anger in her eyes, but she was too young and weak. there was nothing she could do.

su zhirou was already 20 years old, so she was more flexible with her thoughts. she asked softly,"Mom, did you give birth to su mu?"

Wang Yuan looked at her and said, " of course I gave birth to him. If not me, who else would give birth to him? " I can even raise her. "

"Then, mother, why don't you like her?" su Zhiyan asked again.

because she's Su Qiang's daughter. I can't stand it when I think about this. Wang Yuan said in frustration, " if it wasn't because I wanted to give you two a complete family, I wouldn't have wanted that man a long time ago.

Su zhirou finally understood why her mother did not like su mu and treated them differently. It turned out that her elder sister was her father's biological daughter. After all the fuss, her father doted on her, and her own daughter suffered the most. It was truly ironic.

However, she also understood why she and Shaoqing were more good-looking while her elder sister was ordinary. It turned out that they did not have the same father. She had even felt guilty before, but now that she thought about it, there was really no need to do so.

however, her mother had hidden it from her father for so many years and treated her father's biological daughter like this. this woman was really cruel.

Su zhirou's heart was still filled with anticipation. With her mother's looks, she and Shaoqing's father might be rich men. In the future, when they acknowledged their ancestors and clan, their status would naturally be different.

As soon as she asked, Wang yuanke's expression turned a little ugly. After a long time, she said, "Why are you asking this? there's nothing to ask."

Su zhirou asked again, but Wang Yuan had already said a lot today and did not seem to care about what she said anymore. She snorted softly and said, "your father met him while playing cards. He's really good-looking, but Hanhan ran away because he owed a huge debt. So, don't even think about looking for that dead man. Just treat him as dead!"

su zhirou was extremely disappointed, but there was nothing she could do. her father was also someone from the lower class. hence, she looked at wang yuanke with disdain.

it had to be said that the mother and daughter were very similar, which also showed that su daqiang's genes were better than that dead man's. otherwise, why didn't su mu grow crooked?

Chapter 5083: su mu is the only biological son (2)

Starlight headquarters.

ye xiangnan was sitting in his office. he looked noble and he was holding a document in his hand.

he lowered his head and looked at it quietly. then, he looked up.

Secretary Li's expression was a little serious, as if he knew what his boss was going to ask. He said softly, " "this source is reliable, which means that miss su's family sold these two photos for two million yuan. "

She sympathized with su mu. After all, such an incident would hurt anyone.

su mu's family was really ruthless. they had pushed su mu to the point of embarrassment time and time again for money. this time, they were really out of their minds.

...

Before ye xiangnan could continue, Secretary li continued, " we've suppressed all the topics and directions, and we've also spread some positive news.

it was just that people probably wouldn't easily forget such things. gossip about the rich and powerful was so explosive.

shen wenxuan was a man after all, and he had a high status. however, su mu was different.

ye xiangnan took out a cigarette, held it between his long fingers, and lit it.

Secretary li just looked at him and didn't say anything for a long time.

Ye xiangnan looked at her and smiled, " "What's wrong?"

Secretary li shook his head. nothing much. I just feel that miss SU's life will not be easy in the future.

"is that so?" "I don't think so," ye xiangnan smiled again.

wasn't su mu very unyielding? why didn't he call him when he was in the police station?

he remembered that he had told her that she could look for him if she needed anything. he had also provided her with excellent conditions, but she didn't seem to care at all. instead, shen wenxuan was the first one to go.

Even if nothing had happened between them, this tacit understanding was enough to make him feel uncomfortable. she had no feelings for him at all. if shen wenxuan had not gotten together with ye hui, this incident would have probably sparked their relationship back.

Reignited Xuanji Ye Xiang Nan laughed silently, and it was a sarcastic laugh.

secretary li saw his expression and asked carefully, " "then, president ye, do you want to help miss su deal with this matter?"

ye xiangnan smoked quietly and looked at her.

secretary li immediately understood and didn't dare to say anything.

This dog one man! What a ruthless heart!

if she were su mu, she would also choose the gentle and considerate lawyer shen!

However, Secretary li had a smile on his face. I understand. President ye, I'll be going out.

But ye xiangnan stopped her. Secretary Li's heart suddenly skipped a beat.

Ye xiangnan's eyes fell on her face quietly, and he said in a soft voice, "you know what to do. You don't need me to tell you, do you?"

secretary li cursed again in his heart. a man like dog one, this was simply too much. however, he squeezed out a smile on his face. "of course, i don't need president ye to tell me." I understand."

Did this mean that he was unwilling to give up on su mu?

She really did not understand President ye now. There were so many beautiful women waiting for him. He was not a monk, so why was he not interested in women now? instead, he kept staring at su mu.

Just because she had a son? didn't people in the entertainment industry have a few sons too? Was there a need to hold on to it like this?

Secretary li returned to his office and sent a message to su mu secretly.

"President ye is quite angry. It's not convenient for me to see you recently. Su mu, I'm sorry."

Su mu must be very sad over there, not only psychologically, but now even if she wanted to go out, she would be pointed at and gossiped about. All of a sudden, she had turned from a target of sympathy to a bad woman who seduced her brother-in-law.

Chapter 5084: su mu is the only biological son (3)

secretary li thought that su mu would probably lower his head this time. however, after a while, he only got a few words from su mu, ” “I’m fine,” she said.

Secretary li sighed. How could he be fine?

In her position, she couldn’t say anything, but she still secretly transferred 100000 Yuan to su mu for emergency use.

su mu didn’t accept it but sent two words of thanks.

this time, secretary li really didn’t know what to say. however, she didn’t know that her boss had also found out about this matter. however, he didn’t say anything and didn’t make things difficult for her for the time being.

on the other side, su mu was trapped in her own home. she really didn’t expect that she would be sold by her family again, in an even more unbearable way than the last time.

...

the ground floor of the old apartment was full of reporters. people coming in and out would also look at him strangely. later on, su mu’s reputation slowly spread.

su mu would be pointed at when he went out to buy groceries. fortunately, she didn’t have to go to ye xiangnan’s villa now. otherwise, it would be even worse.

her phone rang, and she saw that it was su zhiyan.

Su mu thought for a while and picked up the call. There was not much expression on her face.

Su zhirou was still crying. sister! Sister! Sister! Please save us! They said they're going to take me to them!

“Zhiqiao, did you take my photos and sell them to others?” su mu asked in a soft voice.

At this moment, su Zhiyan was no longer in the mood to discuss this with her. She curled up behind the sofa at home and pleaded, ” ” sister, i'm begging you. please go and beg mr. ye. please go and beg him to save our entire family. we're all going to die. in just a few days, two million yuan has gone up to six million yuan. one of dad's legs has been crippled and hanhan has completely broken it. they've also taken mom away. mom, she, hanhan, they said that mom is quite pretty. sister, they also said that i'll be next, sister hanhan. i'm so scared. please save us, okay? think about how you and i have been bad to mom, and how she has treated you. shaoqing likes you the most. do you have the heart to let us die together?”

Su mu listened to them numbly. Indeed, she was already numbed.

After listening to it quietly, he let out a long sigh and said in a soft voice, ” “zhiqiao, how do you want me to save you? I'm a bad woman who seduced my brother-in-law. Did you think about me when you took the photos? did you think about leaving me a way out? did you think about leaving ye Jie some face?”

Su zhirou took a deep breath and mumbled, ” “Mr. Ye, aren't you omnipotent? he would settle everything. He's so rich. Sis, please go and beg him. Please go and beg him. He'll definitely be able to help us settle this. Sis, I'm begging you. if you don't go, our whole family will die.”

“Then let's sell the house!” Su mu said softly.

“no! where will mom and i live if we sell the house? I don't want to live the life I had before.” su zhirou's reaction was especially intense.

Su mu really didn't understand why they refused to sell the house. What could they do to him?

su zhirou said softly, " why should we pay for dad's mistakes? sis, if it wasn't for his mistakes, i wouldn't have taken your photos. you wouldn't have lost your reputation, right? "

Su mu was in a desperate situation at the moment, but he was still so angry that he laughed."Zhiqiao, what has mom been teaching you all these years?"

Chapter 5085: su mu is the only biological son (4)

Su mu was in a desperate situation at the moment, but he was still so angry that he laughed."Zhiqiao, what has mom been teaching you all these years?"

Yes, Mom, Wanwan. Sister, mom is your biological mother, and dad is your biological father. If you don't care about them, who will? if I don't care, I'm going to take Shaoqing away to hide for a few days. I'll leave the Family Matters to you. You're the eldest sister, shouldn't you take care of them? I've been taking care of them for so long, and it's time for you to do something. su zhirou hung up the phone and took away all the remaining money in the house. she was about to leave with su shaoqing.

Su Shaoqing was a sixteen-year-old teenager, but he stood there with fire in his eyes.

su zhiyan hurriedly opened the door. " why aren't you leaving? are you waiting for someone to deal with us? "

su shaoqing still did not move. su zhirou gritted her teeth."you still have big sister in your heart, don't you? did you get it wrong? she doesn't have the same biological father as us, so she won't be close to us. do you remember when she's been nice to us since we were young?"

that's because mom didn't treat her well, " su Shaoqing said in a cold voice. sister is very depressed at home.

...

the young boy would always remember the way his big sister was driven out by her mother when she was pregnant. she was miserable and pitiful. he was young and weak, but he couldn't say loudly

that he would take care of her. he had secretly gone to see his big sister and stuffed a few hundred yuan under the pillow in the hospital. his big sister had always thought that the money was given by her father, so he would just treat it as a gift from his father, as long as her heart was better.

at this moment, su shaoqing finally realized that it was not that her mother was bad to her elder sister. it was just that her mother had never treated her as a human being. she was just a tool. even a stepmother was not like that.

“i’m not leaving!” he said firmly.

Su Zhiyan found it unbelievable. su shaoqing, are you out of your mind? if you don’t leave, are you going to wait for those people to come and capture you?”

“We can look for the police.” “You can’t ask eldest sister for this,” su Shaoqing said firmly.

Su zhirou laughed out of anger. alright, alright, alright. You can’t stop talking about your elder sister. It seems like I don’t hold any weight in your heart. Su Shaoqing, you’re on your own now.

“Don’t come crying and begging me if you get your legs broken,” she said in a slightly sinister tone.

she opened the door and was stunned.

a very fierce-looking man stood at the door. he was dressed in expensive clothes, but he did not look noble at all. instead, he looked like a gangster.

Furthermore, he was extremely tall and muscular.

Su zhirou looked up and saw a good-looking face. That face was really good-looking, and his hands could crush a woman to death as easily as crushing a chicken.

while she was thinking, the man’s hand had already reached out and strangled her neck as if he was really holding a chick. ” where’s su mu? ”

su zhirou was scared out of her wits. her body was lifted up, and she coughed non-stop as she struggled with all her might. however, it was useless.

the man directly pinched her in the air.

Su zhirou coughed violently and pointed at a spot. “yingluo is here, she’s not here.”

the man immediately threw her down, and she fell heavily to the ground.

the man was about to leave, but he suddenly turned around and lifted su zhirou up. he pinched her cheeks, and su zhirou’s heart beat rapidly. she was both afraid and expectant.

She felt that this man was very rich, and he was very tall and handsome. He was full of a fierce and manly aura.

Chapter 5086: Master Cheng who was full of manliness!

“She’s pretty,” the man finally said.

As he spoke, he carried her into a room and closed the door.

more than a dozen of his men were standing guard outside. no matter how much crying and su shaoqing beat him up, it was of no use.

an hour later, the man walked out. his subordinates handed him a towel very respectfully. ” master cheng, wipe your hands. ”

The man took a towel and wiped it casually. He smiled indifferently.”Bring this woman with you.”

He really didn’t expect that su MU’s younger sister was so frail. She was only 20 years old and didn’t have an ounce of innocence.

...

He couldn't help but recall su MU's indifferent face. In the past, he only thought that she looked like a young teacher when she pulled a long face. Now, after reading so many magazines and gossip, he realized that she was cold and indifferent.

So what if it was ugly? there was also the professional term he liked. In short, although it was a little ugly, it could arouse his interest.

one of them was quite beautiful, but she was only worthy of nuan nuan. she was too obsequious. he hadn't even used any tricks, but she had taken the initiative and even suggested that she didn't have to go to school with him.

cheng zheng had never rejected or taken responsibility for a woman who threw herself at her. however, there was one good thing about this woman. her eyes and brows looked like su mu's. he could still imagine that it was su mu.

Master Cheng stretched and smiled. "Nice."

however, his expression turned sour after a while. when he was young, he liked it when su mu was kicked out of the house by wang yuan. he treated su mu as a treasure, but su mu only liked that pretty boy, shen wenxuan. he thought that she would spend the rest of her life with that guy, but he only found out after hanging out with wang yuan that she had a child with a prettier and richer pretty boy and was even kicked out of the house recently.

Master Cheng snapped his fingers and looked at his men. "Where is su mu? still not here?"

For such a long time, her mother and sister had already been punished, but this woman was really patient.

At this moment, su Zhiyan came out of the bedroom. Compared to just now, she had an additional womanly aura. She carefully walked to master Cheng's side and served him like those women on TV.

master cheng turned his head to look at her but didn't say anything.

He still didn't refuse or take the initiative.

“master, can my mom come back now? and my dad, ran ran?” su zhiyan tried to please him.

“Is your body so precious?” Master Cheng’s fan-like hand took out a cigarette, lit it, and looked at her.

su zhirou was embarrassed, not because she was shy, but because she had been looked down upon in front of others.

How was she not worth anything? She was only 20 years old, young and beautiful.

What she could not understand was how this man could fall in love with su mu and kept pinching her little face and calling out su MU’s name.

He must be sick!

However, the manly smell on him attracted su zhiqiao. This kind of man was also a Dragon among men. He looked especially rich, and it was not bad for her to be with him. At least, she would not have to worry and be afraid in the future. She could have anything she wanted.

Su zhirou had really been led astray by Wang Yuan. Her three views were extremely wrong, and she did not care that su Shaoqing was beside her as she tried her best to please master Cheng.

She didn’t care whether master Cheng liked su mu or not. She just wanted to keep this man by her side. As for su mu, she knew him well. With his bad temper, he would probably cause a lot of trouble. How could he let master Cheng have his way?

Chapter 5087: Master Cheng who was full of masculinity 2

However, su Zhiyan was wrong. Master Cheng did like su mu, but he did not plan to get serious with su mu all of a sudden. He wanted to take it slow.

She had presented all her achievements over the years to su mu, given him a huge sum of money, and tried to please him so that he would know that he was no worse than Shen Wenxuan or the CEO of Starlight.

how could a big man like him, who was always in the entertainment circle with female stars, be any good? su mu's appearance was not good enough. how could he tie up the heart of such a man?

he was different. as long as su mu was willing to be with him, he could abandon all the women around him and throw them wherever they should be, including this slut.

at this moment, the door was pushed open. wang yuan ran in with her hair disheveled. she was stunned when she saw the scene in the house. after a while, her eyes fell on her daughter.

Her gaze was a little straight. As a human, she could tell that zhiqiao was different. as for what the difference was, everyone here probably knew. so many people were making noise.

...

Wang Yuan let out a shrill cry, "Zhiqiao, are you crazy? why are you following a hooligan like this?"

His underlings weren't too happy.

their master cheng was a hooligan?

without waiting for master cheng's instructions, two men immediately came over and beat wang yuan up so badly that even her mother wouldn't be able to recognize her. this woman had to be beaten up. only after she was beaten would she be obedient.

Wang Yuan was still in a daze. After a while, she mumbled, "you're crazy! you're crazy! what did zhiqiao's mother teach you?"

Su zhirou replied matter-of-factly, "didn't you always tell me to find a rich man? I've found one now. Why are you still unhappy?"

I think you've really gone crazy," Wang Yuan mumbled. what did zhiqiao's mother teach you? how can a hooligan like him be worthy of you? "

Su Zhiyan was really getting anxious as she stomped her feet."Mom, how can you say that? master Cheng's business is very big."

Big? what's the use of being big? it's not a proper business.

wang yuan suddenly recognized the man in front of her. it was that little rascal who liked su mu and was immediately chased out by her. he had not shown any signs of success in the past few years. he even broke su qiang's legs and did zhiqiao.

Wang Yuan wanted to kick Cheng Zheng out again, but master Cheng was no longer the poor boy from before. With just a look, he ordered his men to drag Wang Yuan to the side. He looked very embarrassed.

master cheng tidied up his clothes and said,"i won't argue with you today. i'm taking this woman with me."

su zhirou obediently thanked master cheng, which actually made the violent man a little happy. he pinched her chin with his fingers and studied her for a while before smiling."I can't tell that you've grown so much in just a few years."

she used to be quite delicate and always looked at him with disdain, but now she was as obedient as a little wild cat. just thinking about master cheng made her feel proud.

He was rich, very rich, and came from a wealthy family. However, he was not from a scholarly family like Shen Wenxuan, nor did he have the education of a noble like ye xiangnan. He was just a rich and rough man.

deep down, he felt that he liked su mu, but he didn't need to be chaste. the more women a man had, the more sense of achievement he would have. however, master cheng didn't have many women around him because he was too busy. this time, besides wanting to meet su mu again in B city, he also had some other things to do.

Chapter 5088: Master Cheng who was full of masculinity (3)

just as master cheng was about to take su zhiyan away, wang yuan started wailing.

she knew very well that a man like master cheng would never be serious with a woman. even su mu was just upset when he was young. if su mu stuck to him, master cheng would be sick of him in less than a month.

men were like that. the harder it was to get their hands on something, the more they treated it as a treasure. once they got it, there would be nothing new after a few days. zhiqiao would be an idiot to be with a man with such a bad reputation.

however, an arm couldn't win against a leg. no matter how much wang yuan called out, master cheng still had to take her away.

Su mu was standing at the door.

master cheng's eyes were wide open. he hadn't seen su mu for many years and su mu seemed to have changed.

...

She was a little feminine.

Although his face was still stiff and always looked old-fashioned, he looked different. Master Cheng suspected that it was the effect of ye xiangnan. After all, she had been at ye xiangnan's place for the past few days. Master Cheng didn't believe that the pretty boy wouldn't touch su mu. If that pretty boy was really Liu Xiahui, why did he have a son?

master cheng's heart turned cold at the thought of this. his goddess had been touched by ye xiangnan countless times. however, despite his anger, he immediately threw su zhirou aside and tried to please her. "su mu, i haven't seen you for many years."

the underlings felt that their boss, who was so articulate and well-mannered, was so arrogant in front of them. he didn't show any respect in front of the woman just now. he did whatever he wanted.

With this comparison, his subordinates understood.

this time, it was the real sister-in-law.

That su zhirou was just a toy to their boss, and he did not take her seriously.

Su mu looked at master Cheng and asked in a soft voice, " what do you want? "

at this moment, su zhiyan was not willing to give up. she leaned over again and said in a sweet voice, " master cheng said that he'll let our family off and treat dad's illness. "

as soon as she finished speaking, master cheng pushed her away with a dark face. " what do you mean by treating your father's illness? I didn't say anything about it. I don't want the money anymore, but I can't reattach my broken leg.

as he said that, he looked at su mu again and said, 'this can make him change for the better, don't you think? i remember that he doesn't treat you well. he's always gambling outside and doesn't come home. su mu, aren't you feeling particularly good now?"

Su mu did not even look at him. As a woman, she immediately understood what had happened to su zhirou, and her gaze was somewhat meaningful.

master cheng understood.

Master Cheng touched his nose and said, " " don't wrong me. she did it willingly. besides, she's not a little girl anymore. she can be very messy normally. "

su zhiyan was embarrassed, but she did not dare to provoke master cheng, so she could only lower her head.

she had to admit that she had met her nemesis.

At this moment, Wang Yuan seemed to have found her Savior. She threw herself at su mu and shook him violently. ” su bei mu, mu mu, please save your sister. she’s still so young and insensible. she can’t be with such a man. ”

“you’re young and insensible?” su mu’s gaze was light.

she smiled bitterly. ” you’re so ignorant that you’re taking photos of me. if you sell them, i’ll lose all my reputation. also, how do you expect me to save you, mom? ”

“you’re close to master cheng. he really likes you. if you’re with him, your sister will give up. su mu’s mother is begging you to help her.” Tears streamed down Wang Yuan’s face as she spoke, and she looked rather pitiful.

Chapter 5089: Master Cheng is full of manliness (4)

however, su mu felt sad. he didn’t know if it was for himself or for wang yuan. in her opinion, wang yuan was even crazier than su qiang.

she laughed softly, but it was a bitter laugh.

At this time, master Cheng also smiled and actually agreed, ” “good idea.”

su zhirou’s expression changed. she was clearly much prettier than su mu, and she had a good time with master cheng, yet he turned hostile just like that. she was about to say something when master cheng pushed her aside.”Do you have the right to speak?”

su zhirou gritted her teeth and stood by the side in silence.

su mu felt it was ridiculous. he looked at wang yuanke and said, ” ” you saw it yourself. she did it willingly. you can’t blame anyone. ”

...

If she still had any sympathy for su Zhiyan in the past, it was all gone now. It was the same for Wang Yuan as well. The pitiful mother-daughter relationship had been lost in an instant.

She turned around and left. Wang yuanke's lips moved. She wanted to call out to her, but she couldn't utter a word.

Su Shaoqing stopped her and said in a low voice, "sister."

Su mu turned around and looked at his younger brother.

Shaoqing had been very obedient since she was young. However, she did not spend much time with su mu because of Wang yuanke's discipline.

at this moment, su shaoqing walked over and asked firmly, "sister, can you take me away?"

When he asked this, Wang Yuan almost went crazy. Her voice was extremely shrill."shaoqing, are you crazy? why are you following her?"

Su Shaoqing's eyes were both pitiful and eager as she looked at su mu. Su mu could not bear to see her like this. He reached out and gently touched her little head. After hesitating for a while, he asked,"Shaoqing, Are you sure?"

Su Shaoqing nodded hard.

Su mu pursed his lips and finally said "okay."

Wang Yuan was about to go crazy again, but master Cheng gave her a slap in the face. He was especially impolite. " isn't it good to follow su mu? do you think i should follow a lowlife like you? "

wang yuan was a pitiful woman who wanted to be strong all her life. in the past, she used to sweep this mistress out of the house with a broom, and su qiang was usually played around with by her. however, she was slapped by master cheng, and her face was swollen. after a while, she felt blood

in her mouth, but when she spat it out, it turned out to be a tooth. (Master Cheng is too bloody ~~ cover your face ~~)

su zhirou was stunned as well. she looked at her mother and could not speak for a long time.

she also wanted to plead with master cheng, but she thought that her face didn't seem that big, so she swallowed her words.

Master Cheng was very tough. He threw Wang Yuan aside and said to su mu with a smile, "Now, you can take whoever you want."

this spring breeze-like expression was completely different from before.

su zhirou was very angry and wanted to flare up. however, when she thought of master cheng's strong body, she blushed and was afraid. in the end, she even moved behind master cheng with a shy face.

There were so many women like her that master Cheng didn't have eyes to look at her. He was willing to give her a try because she looked a little like su mu. He didn't expect this woman to be so soft and cheap that she would pester him.

Master Cheng was also very convinced that she still had the heart to stick to a man when her family was in such a state.

in the chaos, su mu led su shaoqing to pack up. wang yuan tried to stop her, but master cheng kicked her. "haven't you suffered enough? did my brothers not serve you well?"

wang yuan swallowed a mouthful of blood. she watched helplessly as her precious son, her only hope, left with su mu, who failed to live up to his expectations. then, her vision turned black and she actually fainted.

“mom,” she said. Su zhirou shrieked in an act.

Wang Yuan was lying there, unmoving.

master cheng returned after sending su mu off. he frowned at the woman and called one of his men to throw her to the hospital. then, he brought su zhirou back to his villa.

Although she wasn't su mu, master Cheng had a strong desire to conquer her just by thinking that she was su MU's sister.

su zhiyan followed master cheng to his big villa and found out that she was not the only woman there. there were a few of them, but master cheng did not like them and only kept them for fun.

the su family's daughter was still fresh to master cheng. for the next few days, he doted on su zhirou, and she even used her skills to act coquettishly, which made master cheng quite happy sometimes.

...

Master Cheng's business was big, but his temper was not good. When he was happy, he treated su Zhiyan as his precious treasure. He would throw jewelry on the ground for her to pick up at any time, and when he was unhappy, he would kick her.

No matter how painful it was, su Zhiyan had to endure it. She could not let this man get tired of her. He was usually like a tyrant, but in front of master Cheng, he was as gentle as a little sheep.

Master Cheng was just a little tired of it for a few days, but it would be a pity to throw it away. He hadn't won su MU's heart for the time being. In his heart, su mu was like a piece of Jade.

As for su zhirou, she was just playing around.

Su zhirou could feel master Cheng's lack of concern, but it was useless no matter how hard she gritted her teeth or how much she tried to please him. Whenever she was not happy or at the right time, she would kick him.

In the hospital on the other side, Su Qiang and Wang Yuan were both lying on the ground. They had just survived a disaster, but Wang Yuan was no different from dead.

his precious daughter was fooling around while his precious son was following su mu.

What else did she have? She had nothing, nothing.

wang yuan was lying there as if she was dead, but su shaoqing still came to see her and called her 'mom' in a low voice. wang yuan turned her head and looked at him. "where's your sister?"

Su Shaoqing knew that he was talking about su zhirou. She angrily threw a stack of money on the bed."She gave it to me. She came for a while and then left."

wang yuan was not someone who loved money the most. however, when she looked at the money, she did not feel moved at all. she lay there and hummed. su shaoqing was a boy and young, so she did not know how to comfort him.

after staying here for a while, he went to su qiang's ward (he seemed to be directly called su daqiang ah ah ah!)

One of Su Qiang's legs was directly crippled and he lay there limply. No matter how much money he spent, he would still have a leg in the future. Su mu had been taking care of it for a few days.

Su Shaoqing's feelings were the most complicated because he knew that he was not Su Qiang's biological son. Su Qiang was only 16 years old, so he was naturally more simple-minded and almost couldn't hide it. Even Su Qiang, who was a simple-minded person, could see the difference in the young man.

su qiang endured the pain in his leg and asked him what was wrong. his tone was quite concerned.

su shaoqing hated him, but she pitied him for not knowing anything. in the end, she turned around and left.

Outside the ward, he punched the wall and cried. He cried very sadly. Su mu happened to come over and looked at him silently.

after a long time, she gently patted su shaoqing's shoulder and said, " "what's wrong?"

After all, he was a child who couldn't hide things in his heart. He turned around and looked at su mu, who was still crying. " big sister, mom said that second sister and i are not dad's children. i'm very sad to see dad now. big sister, why is our family like this? "
